The Ontario Highway Transport Board Act

The following application for a certificate under *The Public Commercial Vehicles Act*, R.S.O. 1970, Chapter 375, will be heard by the Ontario Highway Transport Board at its Chambers, Britannica House, 151 Bloor Street West, 10th Floor, Toronto, Ontario, on Monday, the 10th day of September, 1979, at 10.00 a.m. (E.D.S.T.):

Should any person, who is a party to one or more of these applications, not attend at the hearing, the Board may proceed in his/her absence and such person is not entitled to any further notice with respect to such application.

Scotholme Liquid Transfer Limited, 25809-D
 R.R. No. 2,
 Lynden, Ontario,

applies for an extension to Class 'T' public commercial vehicle operating licence No. 120:

1. By deleting therefrom the following:

"For the carriage of petroleum products, in commercial vehicles designed for hauling tank type trailers, and having a capacity of 3,900 gallons, the said vehicles to contain compartments, for and on behalf of Imperial Oil Limited, from the Imperial Oil terminals situate at Hamilton, St. George and London, to its customers in the Counties of Welland, Lincoln, Haldimand, Wentworth, Brant, Waterloo, Wellington, Halton, Norfolk, Elgin, Oxford, Middlesex, Huron and Perth.

EXTENSION GRANTED:

For the carriage of petroleum products in tank equipment with a capacity of 3,900 gallons, for and on behalf of Canadian Fuel Marketers Group Ltd., from their terminal in Hamilton and pickup points at Oakville and St. George, to their customers in the Counties of Welland, Lincoln, Haldimand, Wentworth, Brant, Waterloo, Wellington and Halton.

2. By substituting therefor the following:

For the carriage of petroleum products in bulk, in consignments not exceeding 5,000 gallons in compartmented tank vehicles equipped with metering devices for and on behalf of:

- (i) Imperial Oil Limited from its terminals or pick-up points situated at Hamilton, St. George, Oakville and London to its customers in the Regional Municipalities of Niagara, Hamilton-Wentworth, Halton, Waterloo, Haldimand-Norfolk and the Counties of Brant, Wellington, Perth, Huron, Middlesex, Oxford and Elgin.

- (ii) Canadian Fuel Marketers Group Ltd. from its terminals or pick-up points at Hamilton, Oakville and St. George to its customers in the Regional Municipalities of Niagara, Haldimand-Norfolk, Hamilton-Wentworth, Waterloo and Halton and the Counties of Brant and Wellington".

These terms are to replace the entry on Page No. 3172 in THE ONTARIO GAZETTE, of July 7th, 1979.

(2033) 31 D. S. CHURCH,
Secretary.

The following applications for certificates under *The Public Vehicles Act*, R.S.O. 1970, Chapter 392, *The Public Commercial Vehicles Act*, R.S.O. 1970, Chapter 375 and the *Motor Vehicle Transport Act*, R.S.C. 1970, Chapter M-14 are published pursuant to Section 8, R.R.O. 1970, Regulation 632:

Section 8, R.R.O. 1970, Regulation 632 provides that the Board may dispose of these applications summarily if no objection is served and filed in the prescribed manner within fifteen days of this publication.

Lawrence Harold Hamilton, Esq., 24493-A

Chairman,

(2039) 31 Liquor Licence Board of Ontario.

The Environmental Assessment Act, 1975

MTC 7/2

Exemption Section 30

Having received a request from the Toronto Area Transit Operating Authority, hereinafter referred to as "TATOA", a public body and Crown agency reporting to the Minister of Transportation and Communications that an undertaking, namely:

The Activity of carrying out that portion of TATOA's program of operation and construction consisting of the projects outlined in the attached schedule;

be exempted from the application of the Act pursuant to Section 30; and

having been advised that if the undertaking is subject to the application of the Act, the following injury, damage or interference with the persons and property will occur:

1. The Crown will be interfered with by the delay in the completion of projects for which design and construction is scheduled for substantial completion by the 1st day of January, 1980; and
2. The public will be interfered with and damaged by delay in the implementation of projects which are for the safety, comfort and convenience of both the users and non-users of the provincial transit system in the Toronto area; and

Having weighed such injury, damage and interference with the betterment of the people of the whole or any part of Ontario by the protection, conservation and wise management in Ontario of the environment, which would result from the undertaking being subject to the application of the Act;

I am of the opinion that it is in the public interest to order and do order that the undertaking is exempt from the application of the Act for the following reasons:

1. The projects were well underway before the Act came into force, and had reached a sufficiently advanced stage that the interference with TATOA's construction program, with respect to projects named on the attached list, which would be caused by the application of the Act would be undue; and
2. This order is to replace Order MTCG-7 dated the 14th day of October, 1976, and published in THE ONTARIO GAZETTE dated the 13th day of November, 1976. This Order includes projects that were omitted from the previous order or that were advanced to an earlier construction date than was originally anticipated and therefore will be substantially completed by January 1, 1980. As well this Order describes previously exempted projects in more detail to provide a better description of the nature of the undertaking; and

3. The undertaking includes numerous, relatively minor project falling into this undertaking and scheduled to be substantially completed prior to January 1, 1980 and the injury and damage that would be caused to the Crown by the delay required to prepare individual environmental assessments for these projects would be undue; and

This exemption is subject to the following terms and conditions;

1. For those projects associated with this portion of the program of operations and construction, which will not be substantially completed by the 1st day of January, 1980, TATO A shall prepare and submit an Environmental Assessment;
2. Where an Environmental Assessment is submitted for a project pursuant to Condition 1, the project shall be deemed to be a separate undertaking from the program and not part of this undertaking; and
3. (1) TATO A shall:
 - (a) prepare at least quarterly, a list of all proposed projects in the program indicating the proposed dates of commencement and completion for each project and which, if any, of the projects an Environmental Assessment is to be prepared for; and
 - (b) send a copy of each such list to the Director of the Environmental Approvals Branch of the Ministry of the Environment to be kept with the records of Environmental Assessments and made available to the public in the same way as such records; and
3. (2) It is not necessary to include in a list mentioned in subsection (1) any project listed in a previous list which is being proceeded with in accordance with the timetable specified in such list.
4. Where an approval to proceed has been obtained under the Act for an undertaking which includes all or part of a work listed in the schedule, such work or part thereof shall be carried out in accordance with the terms and conditions of the approval.
5. Order MTC G-7 has no force or effect after the date this order comes into force.

This order comes into force and has effect on and after the date upon which it is signed.

Dated at Toronto, this 3rd day of July, 1979.

HARRY C. PARROTT, D.D.S.,
Minister of the Environment.

Approved by:
O.C. No. 1046/79

Schedule

KEY

GROUP A

(Types of undertakings requiring individual Environmental Assessments in the future):

- A1 New or Major Extension of, or Modifications to Track for Commuter Rail Line:
—involves rail line construction activities.
- A2 Major New or Extended Commuter Rail Route:
—generally involves new or extended service on existing track.
- A3 New Commuter Rail Station with Parking Facilities for More than 300 Automobiles:
—may include other ancillary facilities;
—may include modifications or additions to track within station area;
—may include Major Transfer Station or Intermodal Station.
- A4 New Storage and Maintenance Yards for Commuter Rail Lines.
- A5 New Commuter Bus Terminal with Parking Facilities for more than 300 Automobiles:
—terminal may include Major Transfer Station or Intermodal Station;
—may include other ancillary facilities.
- A6 New Storage and Maintenance Facilities for Commuter Bus Service.
- A7 New Exclusive Commuter Bus Lanes or Corridor.

GROUP B

(Environmental Assessment Classes that TATO A proposes to submit):

- B1 Expansion of an Existing Commuter Rail Station:
—may include parking and other ancillary facilities;
—may include introduction of rail/bus interface facilities.
- B2 Expansion of an Existing Commuter Bus Terminal:
—may include parking and other ancillary facilities.
- B3 New Commuter Rail Station or Bus Terminal with Parking Facilities for less than 300 Automobiles.
- B4 Expanded or Modified storage and Maintenance Facilities or Yards for Commuter Bus and Rail Service.

NOTE:

Expansion refers to the expansion of capacity which may or may not involve property acquisition.

Extension refers to the extension of an existing service to presently unserved areas, without an increase in the level of service to the presently serviced area.

THE ENVIRONMENTAL ASSESSMENT
ACT, 1975

Exemption Section 30

Modified refers to the re-arrangement of such things as storage and maintenance facilities, both indoor and outdoor, and within existing buildings and yards.

Minor track additions are additional trackage of short length to provide for localized operational efficiencies.

Having received a request from the Toronto Area Transit Operating Authority, hereinafter referred to as "TATO", a public body and Crown agency reporting to the Minister of Transportation and Communications that an undertaking, namely:

The Activity of carrying out that portion of TATO's program of operation and construction consisting of the following:

1. New, Extended or Expanded Commuter Bus Routes on Public Roads.
2. Service Changes and Operational Changes on Existing Commuter Rail and Bus Routes.
3. Temporary Bus Service to Special Events on Non-Regular Routes.
4. Short Term Change in Mode on Existing Service:
—could involve replacement of rail service by bus, and vice versa.
5. Improvements to Existing Commuter Rail Stations and Bus Terminals:
—including: paving and resurfacing of parking facilities; provision of platform shelters, pedestrian tunnel and walkovers, amenities, ticket booths, signing, illumination, landscaping.
6. New, Modified or Expanded Yards or Terminals, or Minor Track Additions, not solely for Commuter Rail Purposes where the Planning, Design and Construction is the Responsibility of a Federally Regulated Railway.
7. Leasing of Existing Bus Storage and Minor Servicing Facilities Already Being Used for this Purpose and thus Not Substantially Altering Existing Uses.
8. Provision of Bus Bays, Bus Stopping Lanes, Bus Access Lanes, or Shelters for Bus Stops.
9. Replacement of a Transit Facility which is destroyed as a Result of the Occurrence of a Disaster or Catastrophic Failure and which would not substantially change the use or capacity from that of the previous facility.
10. Landscaping, Building and Property Maintenance, Pavement Marking, Facility Surveillance and Control Systems, and Protective Devices.

where:

Operational Changes refer to minor changes in, for example, routings and yard procedures to correct such operational deficiencies as out of the way travel and forced standing time. Also included are relocations of, say, bus stops to reduce travel time and to better accommodate passenger pick-up and drop-off, changes to track utilization to improve the co-ordination of train movements, system changes that occur as part of bringing new plant or rolling stock on stream, and temporary detours; and

Project	Category
GROUP A	
GO rail Extension to Burlington (a) —Appleby Station —Burlington Station	A2
Georgetown GO Rail Limited Service (c) —Georgetown Station —Brampton Station —Bramalea Station	A2
GROUP B	
Union Station Renovation (c) —Phase I—Demolition —Phase II—New GO Concourse & Stairway to Platforms —Phase III—Southern Station Extension	B1
GO Bus Station (d) —Vicinity of Simcoe Street and Highway 401, Oshawa	B3
GO Rail Station Expansion (d) —Clarkson	B1
GO Bus Terminal Expansion (d) —York Region	B2
Lakeshore Corridor Rail Station Development (b) —Oakville —Port Credit —Long Branch —Exhibition —Eglinton —Scarborough —Pickering	B1
Rail Maintenance and Storage Facilities (c) —Willowbrook	B4
Bathurst Street Track Modifications (e)	B1
Richmond Hill GO Rail (f) —Old Cummer Station Expansion	B1

NOTE:

- (a) Originally exempted as Hamilton GO Rail/Bus Service Expansion.
- (b) Originally exempted as Lakeshore Station Redevelopment Program.
- (c) Originally exempted under this name.
- (d) Additional exemption.
- (e) Originally exempted as Bathurst St. Grade Separation.
- (f) Originally exempted as Richmond Hill GO Rail.

Expansion refers to the expansion of capacity which may or may not involve property acquisition; and

Extension refers to the extension of an existing service to presently unserved areas, without an increase in the level of service to the presently served area; and

Service Changes refer to short or long term changes which occur in response to ridership fluctuations. These may include schedule changes, short turns, skip stops, temporary service to special events, etc.; and

Minor track additions are additional short lengths of track to provide for localized operational efficiencies. These would permit, for example, run-through movements (i.e. would remove the need for shunting which is time consuming and costly) and provide by-pass siding which is a relatively inexpensive alternative to an additional continuous track; and

Modified refers to the re-arrangement of such things as storage and maintenance facilities both indoor and outdoor, and within existing buildings and yards; and

be exempted from the application of the Act pursuant to Section 30; and

Having been advised that if the undertaking is subject to the application of the Act the following injury, damage or interference with the persons indicated will occur:

1. The public will be interfered with and damaged by undue delay in the carrying out of programs and the implementation of services which are for the safety, comfort, or convenience of both the users and non-users of the Provincial transit system in the Toronto area, and to which the public has become accustomed; and

Having weighed such injury, damage and interference with the betterment of the people of the whole or any part of Ontario by the protection, conservation and wise management in Ontario of the environment, which would result from the undertaking being subject to the application of the Act;

I am of the opinion that it is in the public interest to order and do order that the undertaking is exempt from the application of the Act for the following reasons:

1. The undertaking is unlikely to have any significant adverse effects on the environment and therefore, the interference with TATO's programs as described which would be caused by the application of the Act would be undue; and
2. The protection, conservation and wise management of the environment will be sufficiently provided for by the environmental process being developed by TATO; and
3. The undertaking is for the safety, comfort or convenience of both the users and non-users of the provincial transit system; and
4. This order is for the purpose of replacing order MTCF-6 dated 14th day of October, 1976,

published in THE ONTARIO GAZETTE dated 13th day of November, 1976, to include project types that were omitted.

This exemption order is subject to the following terms and conditions:

1. Where a portion of this undertaking is part of another undertaking for which an approval is required under the Act then it shall be carried out in accordance with that approval.
2. Where an Environmental Assessment is submitted for a project associated with this undertaking, the project shall be deemed to be a separate undertaking from the program and not exempt by this Order.

This Order comes into force and has effect on and after the date on which it is signed.

Dated at Toronto, this 3rd, day of July, 1979.

HARRY C. PARROTT, D.D.S.,
Minister of the Environment.

MNA-1

THE ENVIRONMENTAL ASSESSMENT ACT, 1975

Exemption Section 30

Having received a request from the Minister of Northern Affairs that an undertaking namely:

The Activity of carrying out planning, design, and construction under that portion of the Northern Ontario Resources Transportation (NORT) Committee Capital Construction Funding Program of road construction for the following:

1. Local access roads; and
2. Winter roads and snowmobile trails;

be exempted from the application of the Act pursuant to Section 30; and

Having been advised that if the undertaking is subject to the application of the Act, the following injury, damage or interference with the persons and property will occur:

1. Residents of remote areas who rely on local access roads for conventional transportation for school purposes and regular delivery of goods and services; or on winter roads and snowmobile trails for seasonal delivery of materials, will be interfered with by the delay required to prepare and submit environmental assessments.
2. The Crown will be interfered with by not being able to respond quickly to local needs for projects within this undertaking.

Having weighed such injury, damage and interference with the betterment of the people of the whole or any part of Ontario by the protection, conservation and wise management in Ontario of the environment, which would result from the undertaking being subject to the application of the Act;

I am of the opinion that it is in the public interest to order and do order that the undertaking is exempt from the application of the Act for the following reasons:

1. Residents of remote areas who rely on local access roads for conventional transportation for school purposes and regular delivery of goods and services will be unduly interfered with by the application of the Act; and
2. Residents of remote areas who rely on winter roads and snowmobile trails for the seasonal delivery of materials will be unduly interfered with if the winter roads and snowmobile trails are not constructed due to any delay resulting from the requirements of the Environmental Assessment process;

This exemption is subject to the following terms and conditions;

1. Where an approval to proceed has been obtained under the Act for an undertaking which includes all or part of a road or trail to which this order pertains, such road or trail or part thereof shall be carried out in accordance with the terms and conditions of the approval.
2. Where an Environmental Assessment is submitted for a project associated with this undertaking, the project shall be deemed to be a separate undertaking and not exempt by this Order.
3. The Ministry of Northern Affairs prepare and submit an Environmental Status Statement dealing with projects associated with the portion of the program that involves new construction of local access roads at least 30 days prior to commencement of the construction of that project, for information and monitoring purposes.
4. (1) The Ministry of Northern Affairs:
 - (a) prepare at least semi-annually, a list of all proposed projects in the program indicating which, if any, of the projects an environmental status statement is to be prepared for and timetables for implementation of these projects; and
 - (b) send a copy of each such list to the Director of the Environmental Approvals Branch of

the Ministry of the Environment to be kept with the records of Environmental Status Statements and made available to the public in the same way as such records;

- (2) It is not necessary to include in a list mentioned in subsection (1) any project listed in a previous list which is being proceeded with in accordance with the timetable specified in such list.

5. This order expires five years after date upon which it is signed, subject to review after a two year period.

This order comes into force and has effect on and after the date upon which it is signed.

Dated at Toronto, this 16th, day of July, 1979.

HARRY C. PARROTT, D.D.S.,
Minister of the Environment.

Applications to Parliament — Private Bills

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Standing Orders governing the submission of such Bills:

NOTE: The previous Standing Orders of the Legislative Assembly have been repealed and the following put into effect by an Order of the House passed on Thursday, December 14th, 1978.

Attention is drawn to the more important changes:—

- No time limit.
- No penalties for late filing.
- Required notice of advertising reduced to four weeks from six weeks.

PRIVATE BILLS

Filing Bill with Clerk

65. (a) Any person, group or corporation may apply for a Private Bill by filing with the Clerk of the House a copy of the Bill together with a fee of \$150.00.

Applicant to pay cost of printing

(b) Every applicant for a Private Bill shall pay the cost of printing the Bill, including the cost of printing the Act in the annual Statutes.

Other charges

(c) Where a Standing Order is suspended with reference to a Bill, a charge of \$50.00 shall be levied.

Additional fees

(d) Where a Bill incorporates a company, or increases the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable in the case of an incorporation or increase of capital under The Business Corporations Act, less the sum of \$150.00 already paid to the Clerk of the House.

(e) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:—

On amounts less than \$10,000.....	\$ 25
On amounts over \$10,000 and up to \$25,000	50
On amounts over \$25,000 and up to \$40,000	75
On amounts over \$40,000 and up to \$75,000	100

On amounts over \$75,000 and up to \$125,000	125
On amounts over \$125,000 and up to \$175,000	150
On amounts over \$175,000 and up to \$250,000	200
On amounts over \$250,000 and up to \$350,000	250
and an additional fee of \$50 for every \$100,000 over \$350,000.	

Publication of Standing Orders re Private Bills

(f) The Clerk of the House shall publish weekly in *The Ontario Gazette* the Standing Orders respecting applications for Private Bills.

Required notice of applications

(g) Notice of an application for a Private Bill shall be given before it is referred to a Standing Committee by publishing it once a week for at least four weeks in each of *The Ontario Gazette* and one newspaper circulated in the municipality most affected and the notice shall,

- (i) be signed by or on behalf of the applicant;
- (ii) clearly state the nature and object of the application;
- (iii) when the application refers to any proposed work, indicate generally the location of the work; and

Bills for debenture issues

- (iv) where the application is by a municipal corporation for authority to issue debentures, set out the particulars of the existing debenture debt and the amount of the rateable property of the municipality according to the last revised assessment roll of the corporation and in brief and general terms, the object for which the new issue of debentures is required.

Clerk reports to Standing Procedural Affairs Committee

66. (a) The Clerk of the House shall refer to the Standing Procedural Affairs Committee any application that, in his opinion, does not comply with the Standing Orders.

Declaration re advertising

(b) The applicants for a Private Bill shall lodge with the Clerk of the House a declaration proving publication of the notice.

Letters Patent

67. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Charter or Agreement, shall be attached to it.

Certificate of Minister of Revenue re Letters Patent

68. No Bill relating to the status of a corporation shall be considered by any Committee until there has been deposited with the Clerk of the House a certificate of the Minister of Revenue showing that all taxes payable under The Corporations Tax Act in respect of the corporation have been paid.

Reference to Standing Committee after first reading. Exceptions

69. Every Private Bill when read a first time, shall, unless it is an Estate Bill, or a Bill providing for

a consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a municipal corporation, stand referred to the appropriate Standing Committee, and any Petitions to the House for or against the Bill stand referred to any such Committee.

Certain Municipal Applications referred to Ontario Municipal Board

70. (a) A Private Bill of a municipal corporation providing for the consolidation of a floating debt, or the consolidation or renewal of debentures (other than local improvement debentures) stand referred to the Ontario Municipal Board after first reading.

Board to report

(b) The Board, after due enquiry, shall report to the House whether or not it is reasonable that the Bill, or that part thereof relating to the matters referred to in clause (a), should pass and what, if any, alterations should be made in the Bill.

Report to Clerk

(c) A report shall be transmitted to the Clerk of the House.

Bill and report to Standing Committee

(d) The Bill and report shall stand referred to the appropriate Standing Committee.

Estate Bills to Commissioners

71. (a) Every Estate Bill stands referred to the Commissioners of Estate Bills after first reading.

Commissioners to report

(b) The Commissioners, or any two of them, shall report their opinion on the Bill and whether, presuming the allegations contained in the preamble to be proven to the satisfaction of the House, it is reasonable for the Bill to pass and what, if any, alterations are necessary.

Report to Clerk

(c) A report of the Commissioners of Estate Bills shall be transmitted to the Clerk of the House.

Adverse Report by Commissioners

(d) Where the Commissioners of Estate Bills report that, in their opinion, it is not reasonable that the Bill submitted to them pass into law, the Bill shall not be further considered.

Notice re Hearing by Standing Committee

72. (a) The Clerk of the House shall post on all notice boards five days notice of the date on which any Private Bill is to be considered by a Committee and the notice shall be published in the Notice Paper.

Notice of Next Day Meetings on Private Bills

(b) The Clerk shall also publish in the Notice Paper a notice of any meeting of a Committee to consider Private Bills to be held on the following day.

Consent of interested persons

73. Any person whose interest or property may be affected by a Private Bill, when required, shall appear before the Committee considering the Bill to express his consent or objection, or may consent in writing, proof of which may be demanded by the Committee.

On Order Paper after report

74. Private Bills when reported by Standing Committees or the Commissioners of Estate Bills shall be placed on the Order Paper for second reading.

Bills initialled and signed by Chairman

75. (a) The Chairman of a Committee considering a Private Bill shall initial each section of the Bill as it is passed and sign the Bill.

Amendments

(b) Amendments shall be clearly indicated in the signed copy, and the amendments or additions shall be initialled by the Chairman.

Reprinting amended Bills

76. Private Bills amended by a Committee or the Commissioners may be reprinted before further consideration as the Clerk of the House may direct and the applicant shall pay the cost of printing the Bill.

Referral after second reading

77. Private Bills, after second reading, shall be ordered for third reading, unless specially ordered referred to the Committee of the Whole House.

Notice required to dispense with Standing Orders

78. Except by unanimous consent of the House given in case of urgent and pressing necessity, no motion may be made to dispense with any Standing Order relating to Private Bills without due notice thereof.

Private Bill Register

79. A Private Bill Register shall be kept in the office of the Clerk of the House, in which shall be entered, by the Clerk appointed for that purpose, the name, description, and place of residence of the parties applying for the Bill, or of their agent, and all the proceedings thereon, such register to be open to public inspection daily, during office hours.

Parliamentary Agents

80. (a) Every Parliamentary Agent conducting proceedings before the House is personally responsible to the House and to the Speaker for the observance of the Standing Orders and Practices of Parliament, and also for the payment of all fees and charges.

Misconduct of Agent

(b) Any agent who wilfully acts in violation of the Standing Orders and Practices of Parliament, or who wilfully misconducts himself in prosecuting any proceedings before the House, is liable to an absolute or temporary prohibition to practise as a Parliamentary Agent, at the pleasure of the Speaker.

RODERICK LEWIS, Q.C.,

Clerk of the Legislative Assembly of Ontario.

Petitions to Parliament

Extract from the rules respecting the presentation of petitions

Form

29. (c) Petitions may be either written or printed and only the original, properly signed, and addressed to the Lieutenant Governor and the Legislative Assembly need be presented.

May not be
signed by
solicitor.
Exceptions

(d) Petitions may not be signed by a solicitor as such, unless he is acting for a petitioner unable to sign due to absence from the Province or illness, and only then if the solicitor holds a Power of Attorney to be produced to the Clerk of the House if required.

Members
responsible
for contents

(e) Members presenting petitions are answerable that they do not contain any improper matter.

No petitions
for expendi-
ture of
public funds

(f) No petition can be received which prays for any expenditure, grant or charge on the public revenue, whether payable out of the Consolidated Revenue Fund, or out of moneys to be provided by the House.

SAMPLE FORM FOR PETITIONS

*To the Honourable the Lieutenant Governor and the
Legislative Assembly of Ontario:*

We, the undersigned, beg leave to petition the Parliament of Ontario,
as follows:

NOTE: The subject of the Petition must relate to a grievance within the competence of the Assembly to remedy **and must not pray for any expenditure, grant or charge on the public revenue.**

The Member of the House presenting the Petition for the petitioners must endorse his name thereon and be answerable that it contain no improper matter.

(1574) T.F.N.

RODERICK LEWIS, Q.C.,
Clerk of the Legislative Assembly of Ontario.

Applications to Parliament

SOUTH RUSSELL HOLDINGS LIMITED

NOTICE IS HEREBY GIVEN that on behalf of Dr. Herbert Basian, Jean Bloom and Elva Starkman, Executrix of the Estate of Dr. Sydney Starkman, an application will be made to the Legislative Assembly of the Province of Ontario at its current regular session commencing in 1979 for an act to revive South Russell Holdings Limited, which was dissolved on the 14th day of May, 1975, subject to any rights acquired by any person after its dissolution, and restore it to its legal position as a corporation including all its property, rights, privileges and franchises and subject to all its liabilities, contracts, disabilities and debts as at the date of its dissolution in the manner and to the same extent as if it had not been dissolved.

Dated at Toronto, this 20th day of July, 1979.

LYONS, ARBUS,
P.O. Box 291, Suite 1802,

THE BOUNDARIES ACT
(R.S.O. 1970, Chapter 48, as Amended)

NOTICE OF CONFIRMATION
(B-742)

TAKE NOTICE that upon Application made by The Corporation of the City of North York and pursuant to Section 11 of *The Boundaries Act*, I did confirm the true location on the ground of the boundaries of Kensington Avenue from Finch Avenue West to a line joining the northeast angle of Lot 183 to the northwest angle of Lot 157, Registered Plan 2419; Norton Avenue from Kenneth Avenue to its east limit; St. Germain Avenue from Ledbury Street to the limit between the City of Toronto and the City of North York; Silverdale Crescent from Eglinton Avenue East to its south limit; Glencairn Avenue from Dufferin Street to Caledonia Road; the Lane shown on Registered Plan 2502 south from Glencairn Avenue; and Glengarry Avenue from the limit between the City of Toronto and the City of North York to Bathurst Street; all in the City of North York, Municipality of Metropolitan Toronto, as set out in my Order of the 16th day of July, 1979.

AND FURTHER TAKE NOTICE that any person objecting to the confirmation may appeal to the Divisional Court of Ontario; notice of such appeal must be served upon me within twenty days after the date of publication of this Notice in THE ONTARIO GAZETTE. I have directed that this Notice be published in THE ONTARIO GAZETTE on the 4th day of August, 1979.

Dated at my Office in the Legal and Survey Standards Branch, 3rd Floor, 543 Yonge Street, Toronto, Ontario, M7A 2J8, this 16th day of July, 1979.

JAMES N. GARDINER,
Assistant Deputy Director
of Titles.

(9249) 31

THE BOUNDARIES ACT
(R.S.O. 1970, Chapter 48, as Amended)

NOTICE OF CONFIRMATION
(B-744)

TAKE NOTICE that upon Application made by The Corporation of the City of North York and pursuant to Section 11 of *The Boundaries Act*, I did confirm the true location on the ground of the boundaries of Dolores Road from Spenvally Avenue to the easterly limit of Registered Plan 5618; Rameau Drive from Liszt Gate to Brahms Avenue; and Lehar Crescent; all in the City of North York, Municipality of Metropolitan Toronto, as set out in my Order of the 16th day of July, 1979.

AND FURTHER TAKE NOTICE that any person objecting to the confirmation may appeal to the Divisional Court of Ontario; notice of such appeal must be served upon me within twenty days after the date of publication of this Notice in THE ONTARIO GAZETTE. I have directed that this Notice be published in THE ONTARIO GAZETTE on the 4th day of August, 1979.

Dated at my Office in the Legal and Survey Standards Branch, 3rd Floor, 543 Yonge Street, Toronto, Ontario M7A 2J8, this 16th day of July, 1979.

Assistant Deputy Director
of Titles.

(9250) 31

THE BOUNDARIES ACT
(R.S.O. 1970, Chapter 48, as Amended)

NOTICE OF HEARING
(B-757)

TAKE NOTICE that Application has been made by The Municipality of Metropolitan Toronto for the purpose of confirming the true location on the ground of the boundaries of Victoria Park Avenue from the Road Allowance between Lot 1, Concession 4, East of Yonge Street and Lot 5, Concession 3, From The Bay, to Lawrence Avenue East, in the City of North York, and from the northerly boundary of Block B, Registered Plan No. 4362 to Lawrence Avenue East, in the Borough of Scarborough; all in the Municipality of Metropolitan Toronto.

AND FURTHER TAKE NOTICE that six draft plans of survey with the aforesaid boundaries shown in heavy, solid lines, made by the Municipality of Metropolitan Toronto Department of Roads and Traffic, all of which are dated May 7, 1979 and signed by W. Probert, Ontario Land Surveyor, are deposited in my Office in the Legal and Survey Standards Branch, 3rd Floor, 543 Yonge Street, Toronto, Ontario, and may be inspected by any party or parties interested therein on any weekday, Monday through Friday.

AND FURTHER TAKE NOTICE that any person desiring to object to the confirmation of the boundaries as shown on the draft plans is required to deliver to me by registered mail or by personal service on or before the 17th day of September, 1979, a written statement setting forth the nature and grounds of the objection.

AND FURTHER TAKE NOTICE that I have appointed the 25th day of September, 1979, at 11.30 o'clock in the morning, to hear this Application in Hearing Room 2B, 2nd Floor, 543 Yonge Street, Toronto, Ontario, at which time any person who has filed a claim may appear either personally or through a solicitor, to present the evidence in support thereof.

AND FURTHER TAKE NOTICE that I may deliberate upon the evidence presented and proceed in this Hearing regardless of the absence of any parties affected by this Application.

Dated at my Office in the Legal and Survey Standards Branch, 3rd Floor, 543 Yonge Street, Toronto, Ontario, M7A 2J8, this 17th day of July, 1979.

Sheriff's Sale of Lands

JUDICIAL DISTRICT OF HALTON

UNDER AND BY VIRTUE OF an Execution issued out of the County Court of the Judicial District of Halton, in an action wherein the Royal Bank of Canada is Plaintiff

and David Boothroyd and Edith Goldie are Defendants, I have seized and taken into execution all right, title, interest and equity of redemption of the Defendants, David Boothroyd and Edith Goldie.

The property is known as all of Lot 353, Plan 660 of the Town of Georgetown, Halton Hills.

The property is municipally known as 101 Sargent Road in the Town of Georgetown, Halton Hills.

All of which said right, title, interest and equity of redemption of the said David Boothroyd and Edith Goldie in the said lands and tenements, I shall offer for sale by public auction in my office in the Court House, 491 Steeles Avenue East, in the Town of Milton, on the 7th day of September, 1979 at the hour of 11.00 o'clock in the forenoon.

Dated at the Town of Milton, this 23rd day of July, 1979.

ROBERT M. SPROWL,
Sheriff, Judicial District
of Halton.

Treasurer's Sale of Lands for Taxes

Each year, municipal and county treasurers compile a list of properties against which taxes are outstanding for at least two successive years, which is a period sufficient to permit sale of the owner's assets to reimburse the municipality. These lists are submitted by the municipal representative to the Ministry of Government Services for publication in THE ONTARIO GAZETTE.

The Gazette is published every Saturday. Tax sale lands are included only in the issue of the first Saturday of each month. Each property is described so that it may be properly identified. Also shown are the amount of tax arrears and costs, and the date, time and place where the sale will be held, which is usually in a public building in the locality. Sales are held three months or later following the date of publication in the Gazette and are subject to a reserve bid equal to the amount of tax arrears and costs.

The previous owner may by law redeem the property any time within one year and one day after the date of tax sale by paying to the municipality all arrears plus costs levied. Where redemption occurs, the municipality reimburses the purchaser of tax sale lands for the amount paid at the sale plus an additional amount to be determined in each case.

If the land is not redeemed in the manner described above, the purchaser at sale, receives from the municipality a tax deed or certificate which should be registered in the appropriate Land Titles or Registry Office. A purchaser should ascertain from either of these offices, information relating to any of the charges or liens against the land and consider the advisability of employing the services of a solicitor to determine the extent, if any, of his liability.

The foregoing applies to tax sale lands which were privately owned. In the event the land is the property of the Crown as represented by the Province of Ontario, only the improvements on the property, such as buildings, may be sold. In this case, an intending purchaser should for his own protection ascertain from the local office of the Ministry of Natural Resources whether or not the land or any part can be purchased or leased from the Ministry. If it cannot, then the purchaser of the improvements would be required to remove them from the land.

In some cases, land advertised for sale in the Gazette may be bought by the municipality, or the owner, prior to sale, may pay the tax arrears and costs. Where this occurs, the land is removed from the tax sale lists.

THE ONTARIO GAZETTE
COUNTY OF KENT

To Wit:

BY VIRTUE OF A WARRANT under the hand of the Warden and the Seal of the Corporation of the County of Kent, bearing date the tenth day of July, 1979 and to me directed, commanding me to levy on the lands hereinafter described for the Arrears of Taxes respectively due thereon, together with all costs incurred, I HEREBY GIVE NOTICE that unless the said arrears and costs are sooner paid, I will proceed to sell by public auction the said lands or as much thereof as may be necessary for the payment of the said taxes and costs thereon, on Tuesday, the 6th day of November, 1979 at the hour of 2.00 o'clock p.m. in the Kent County Municipal Building, 435 Grand Avenue West, in the City of Chatham, in compliance with the provisions of *The Municipal Act*.

THE EDUCATION ACT, 1974

O. Reg. 496/79.

Supervisory Officers.

Made—June 12th, 1979.

Approved—June 27th, 1979.

Filed—July 9th, 1979.

REGULATION TO AMEND ONTARIO REGULATION 140/75 MADE UNDER THE EDUCATION ACT, 1974

1. Subsection 2 of section 1 of Ontario Regulation 140/75 is revoked and the following substituted therefor:

(2) A person who holds a Supervisory Officer's Certificate or who under this Regulation is deemed to hold a Supervisory Officer's Certificate is qualified as a supervisory officer under this Regulation, and a person employed by a board with the approval of the Minister under subsection 4 of section 3 is qualified as a supervisory officer under this Regulation for the period during which the person is employed by the board in a position referred to in that subsection. O. Reg. 496/79, s. 1.

2. Subsection 2 of section 2 of the said Regulation is revoked and the following substituted therefor:

(2) A candidate for a Supervisory Officer's Certificate shall submit to the Minister with his application

evidence that he has seven years of successful experience,

(a) as a teacher and that he holds,

(i) the degree of Bachelor of Arts or Bachelor of Science from an Ontario university, or a degree the Minister considers equivalent thereto,

(ii) a permanent teaching certificate valid in Ontario, and

(iii) one of,

a. an Elementary School Principal's Certificate,

b. a Secondary School Principal's Certificate, Type A,

c. a Secondary School Principal's Certificate, Type B,

d. a Secondary School Principal's Certificate, or

e. a Master of Education degree or a degree the Minister considers equivalent thereto; or

(b) in business administration acceptable to the Minister, at least two years of which is in the employ of a board in Ontario or of the Ministry, and that he holds,

(i) the degree of Bachelor of Arts or Bachelor of Science from an Ontario university or a degree the Minister considers equivalent thereto, or is an architect, a chartered accountant or a professional engineer, or holds a professional qualification the Minister considers equivalent thereto, and

(ii) one of,

a. the degree of Master of Education or Master of Business Administration or a degree the Minister considers equivalent thereto, or

b. a certificate indicating successful completion of a program in school management approved by the Minister and evidence of successful completion of two additional courses approved by the Minister for the purpose of this clause; or

(c) in business administration acceptable to the Minister, at least five years of which is in the employ of a board in Ontario or of the Ministry, and that he holds,

(i) a certificate as a Certified General Accountant, or a designation as a Registered Industrial Accountant from the Society of Management Accountants, and

(ii) the qualifications set out in subclause ii of clause b. O. Reg. 496/79, s. 2.

3.—(1) Subsection 1 of section 3 of the said Regulation is revoked and the following substituted therefor:

(1) A supervisory officer responsible for the development, implementation, operation and supervision of educational programs in schools shall,

(a) hold the qualifications set out in clause a of subsection 2 of section 2 and a Supervisory Officer's Certificate; or

(b) be a person who is deemed to hold a Supervisory Officer's Certificate under section 4. O. Reg. 496/79, s. 3 (1).

(2) Subsection 2 of the said section 3, exclusive of the clauses, is revoked and the following substituted therefor:

(2) On and after the 1st day of September, 1975, a senior business official who,

shall, subject to subsection 4, be a person who holds, or who under this Regulation is deemed to hold, a Supervisory Officer's Certificate, or who holds other qualifications acceptable to the Minister.

(3) Subsection 3 of the said section 3, exclusive of the clauses, is revoked and the following substituted therefor:

(3) On and after the 1st day of September, 1975, a business official who,

shall, subject to subsection 4, be a person who holds, or who under this Regulation is deemed to hold, a Supervisory Officer's Certificate, or who holds other qualifications acceptable to the Minister.

(4) The said section 3 is amended by adding thereto the following subsection:

(4) A board may, with the approval of the Minister, appoint as a senior business official to whom subsection 2 applies or a business official to whom subsection 3 applies, for a term fixed by the Minister, a person who does not hold a Supervisory Officer's Certificate and is not deemed to hold such certificate under this Regulation if,

- (a) such person holds the qualifications set out in subclause i of clause b or subclause i of clause c of subsection 2 of section 2 and agrees with the board in writing to complete the requirements of subclause ii of the said clause b or subclause ii of the said clause c, as the case may be, within the term fixed by the Minister and to be a candidate at the written or oral examinations referred to in subsection 1 of section 2 at the first opportunity available to such person; and
- (b) the board agrees with the Minister in writing that it will take all necessary steps to terminate the appointment of the person to such position forthwith upon the person ceasing to make satisfactory progress toward the completion of such requirements. O. Reg. 496/79, s. 3 (4).

BETTE STEPHENSON

Minister of Education

Dated at Toronto, this 12th day of June, 1979.

THE PLANNING ACT

O. Reg. 497/79.
Order made under Section 29a
of The Planning Act.
Made—July 3rd, 1979.
Filed—July 9th, 1979.

REGULATION MADE UNDER
THE PLANNING ACT

ORDER MADE UNDER SECTION 29a
OF THE PLANNING ACT

1. A contravention before the 19th day of March, 1973 of section 29 of *The Planning Act* or a predecessor thereof, or of a by-law passed under a predecessor of the said section, or of an Order made under clause b of subsection 1 of section 27, as it existed on the 25th day of June, 1970, of *The Planning Act* being chapter 296 of the Revised Statutes of Ontario, 1960 or a predecessor thereof, does not have and shall be deemed never to have had the effect of preventing the conveyance or creation of any interest in the following parcel of land:

That parcel of land situate in the Town of East Gwillimbury in The Regional Municipality of York, formerly in the Township of East Gwillimbury in the County of York, being composed of that part of Lot 92 according to a Plan registered in the Land Registry Office for the Registry Division of Toronto and York (No. 66) as Number 402, containing by admeasurement 1.834 acres be the same more or less, more particularly described as follows:

Premising that the north 10° 35' west of the road allowance between Concessions II and III is astronomic and referring all bearings herein thereto;

Beginning at the southeasterly angle of the said Lot 92;

Thence north 10° 40' west along the easterly limit of the said Lot 92 a distance of 283.12 feet to a point in the production easterly of the southerly limit of Lot 91 according to said Registered Plan Number 402;

Thence south 72° 53' west along the said easterly production 293.23 feet to a point therein distant 250 feet measured north 72° 53' east along the southerly limit of the said Lot 91 from the southwesterly angle of the said Lot 91;

Thence south 10° 35' east 60 feet;

Thence south 11° 23' 40" east 86.29 feet to a point distant 250 feet measured north 76° 10' east from the westerly limit of the said Lot 92;

Thence south 10° 35' east 120 feet to a point in the southerly limit of the said Lot 92 distant 250 feet measured north 76° 10' east thereon from the southwesterly angle thereof;

Thence north 76° 10' east along the said southerly limit 291.15 feet, more or less, to the place of beginning. O. Reg. 497/79, s. 1.

CLAUDE BENNETT

Minister of Housing

Dated at Toronto, this 3rd day of July, 1979.

THE PLANNING ACT

O. Reg. 498/79.
Order made under Section 29a
of The Planning Act.
Made—July 3rd, 1979.
Filed—July 9th, 1979.

REGULATION MADE UNDER
THE PLANNING ACT

ORDER MADE UNDER SECTION 29a
OF THE PLANNING ACT

1. A contravention before the 19th day of March, 1973 of section 29 of *The Planning Act* or a predecessor thereof, or of a by-law passed under a predecessor of the said section, or of an Order made under clause b of subsection 1 of section 27, as it existed on the 25th day of June, 1970, of *The Planning Act* being chapter 296 of the Revised Statutes of Ontario, 1960 or a predecessor thereof, does not have and shall be deemed never to have had the effect of preventing the conveyance or creation of any interest in the following parcel of land:

That parcel of land situate in the Township of Mariposa in the County of Victoria, being composed of that part of Lot 1 in Concession A designated as Part 23 according to a Reference Plan deposited in the Land Registry Office for the Registry Division of Victoria (No. 57) as Number RD-200 and being also Lot 29 on a Registrar's Compiled Plan registered in the said Land Registry Office as Number 547. O. Reg. 498/79, s. 1.

THE PROVINCIAL PARKS ACT

O. Reg. 499/79.

Designation of Parks.

Made—July 4th, 1979.

Filed—July 9th, 1979.

REGULATION TO AMEND REGULATION 695 OF REVISED REGULATIONS OF ONTARIO, 1970 MADE UNDER THE PROVINCIAL PARKS ACT

- 1.—(1) Schedule 10 of Appendix B to Regulation 695 of Revised Regulations of Ontario, 1970 is revoked and the following substituted therefor:

Schedule 10

KETTLE LAKE PROVINCIAL PARK

In the geographic Township of German in the Territorial District of Cochrane, in the Province of Ontario, containing an area of 1260.79 hectares, more or less, described as follows:

Beginning at the southeasterly corner of Lot 4, in Concession II; thence northerly along the easterly limit of said Lot 4 to the southerly limit of Lot 4, in Concession III; thence easterly along the said southerly limit to the southeasterly corner of Lot 4, in Concession III; thence northerly along the easterly limit of said Lot 4 to the northeasterly corner thereof; thence northerly in a straight line to the southeasterly corner of Lot 4, Concession IV; thence northerly along the easterly limit of said Lot 4 to the southerly limit of the right of way of the Ontario Natural Gas Pipeline; thence in a southwesterly direction along the said southerly limit to the easterly limit of Lot 6, in Concession IV; thence southerly along that easterly limit 5.276 metres; thence north 89° 36' 54" west astronomically 15.328 metres, more or less, to the southerly limit of the right of way of the Ontario Natural Gas Pipeline; thence in a southwesterly direction along the said southerly limit 942.384 metres; thence southerly parallel to the easterly limit of Lot 7, in concessions III and IV a distance of 554 metres, more or

less, to the easterly limit of McInnis Lake Cottage Road; thence in a general southwesterly direction along the said easterly limit and its southwesterly production to the southerly limit of a travelled road; thence in a general northwesterly direction along the said southerly limit to the northerly limit of Lot 7, in Concession III; thence westerly along the said northerly limit of Lot 7 and Lot 8, in Concession III to the easterly limit of the right of way of the King's Highway as shown on the Ministry of Transportation and Communications Plan P-2173-3; thence in a general southwesterly direction along the said easterly limit to the northerly limit of Lot 8, in Concession II; thence westerly along the said northerly limit 290.648 metres to the northwesterly corner of Lot 7, in Concession II; thence southerly along the westerly limit of said Lot 7 a distance of 835.652 metres; thence east astronomically 806.723 metres, more or less, to the westerly limit of Lot 6, in Concession II; thence southerly along the westerly limit of said Lot 6 to the southwesterly corner thereof; thence easterly along the southerly limit of said Lot 6 to the southeasterly corner thereof; thence easterly in a straight line to the northwesterly corner of Lot 5, in Concession I; thence southerly along the westerly limit of said Lot 5 a distance of 402.336 metres; thence easterly parallel to the northerly limit of lots 5 and 4, in Concession I to the easterly limit of Lot 4, in Concession I; thence northerly along the easterly limit of Lot 4 to the northeasterly corner of said Lot 4; thence westerly along the northerly limit of said Lot 4 to the place of beginning. O. Reg. 499/79, s. 1 (1).

- (2) Schedule 13 of the said Appendix B, as re-made by subsection 2 of section 2 of Ontario Regulation 517/78, is revoked and the following substituted therefor:

Schedule 13

NAGAGAMISIS PROVINCIAL PARK

In the geographic townships of Frost, Elgie and McEwing, in the Territorial District of Algoma, containing an area of 8131.348 hectares, more or less, described as follows:

Beginning at a point in the southerly boundary of the Township of Frost distant 10.863 kilometres measured east astronomically from the northwesterly corner of the geographic Township of Elgie; thence east astronomically 16.093 kilometres; thence north astronomically 4.828 kilometres; thence west astronomically 6.017 kilometres, more or less, to a point distant 198.730 metres measured northerly from and perpendicularly to the water's edge of Nagagamisis Lake; thence in a general northwesterly and southwesterly direction parallel to the said water's edge and 198.730 metres in perpendicular distance therefrom to the intersection with the northerly production of the easterly limit of Lot 51 according to Plan M-190; thence southerly along that production and the easterly limit of said Lot 51 and its southerly production to a point distant 49.987 metres measured southerly from and perpendicularly to the said water's edge of Nagagamisis Lake; thence in a general southwesterly direction parallel to the said water's edge and 49.987 metres in

perpendicular distance therefrom to the intersection with the southerly production of the westerly limit of Block A, Plan M-190; thence northerly along that southerly production and the westerly limit of said Block A to the northwesterly corner of said Block A; thence west astronomically to a point distant 198.730 metres measured northerly from and perpendicularly to the said water's edge of Nagagamisis Lake; thence in a general southwesterly and westerly direction parallel to the said water's edge of Nagagamisis Lake and the water's edge along the northerly bank of the Nagagamisis River to a point distant 6.035 kilometres measured south $87^{\circ} 30'$ east from the northwesterly corner of the Township of Elgie; thence south astronomically 397.460 metres, more or less, to a point distant 198.730 metres measured southerly from and perpendicularly to the water's edge along the southerly bank of the Nagagamisis River; thence in a general southeasterly, northeasterly and easterly direction parallel to the said water's edge of the Nagagamisis River and the water's edge of Nagagamisis Lake and the stream between Nagagamisis Lake and Crew Lake and the water's edge of Crew Lake and 198.730 metres in perpendicular distance therefrom to the intersection with a line drawn north astronomically from the place of beginning; thence south astronomically 274.320 metres, more or less, to the place of beginning.

Excepting therefrom that part of Secondary Highway Number 631 crossing the said lands. O. Reg. 499/79, s. 1 (2).

- (3) Schedule 109 of the said Appendix B, as made by section 1 of Ontario Regulation 46/74, is revoked and the following substituted therefor:

Schedule 109

FRONTENAC PROVINCIAL PARK

All that tract of land in the townships of Bedford and Loughborough, in the County of Frontenac, containing an area of 5129.796 hectares, more or less, described as follows:

Beginning at the southeasterly corner of Lot 19, in Concession XII, in the Township of Loughborough; thence northerly along the easterly limit of said Lot 19 a distance of 201.168 metres; thence east astronomically to a point distant 91.440 metres measured southeasterly from and perpendicularly to the high-water mark along the northwesterly shore of North Bay of Buck Lake; thence in a northeasterly, northwesterly and northeasterly direction parallel to the said high-water mark and 91.440 metres in perpendicular distance therefrom to the intersection with the southerly production of the easterly limit of Lot 21, in Concession XIII; thence northerly along the said southerly production and the easterly limit of said Lot 21 to the northeasterly corner thereof; thence easterly along the northerly limit of Lot 22, in Concession XIII and its easterly production to a point distant 91.440 metres measured southeasterly from and perpendicularly to the high-water mark along the northwesterly shore of the North Bay of Buck Lake; thence in a general northeasterly direction parallel to

the said high-water mark and 91.440 metres in perpendicular distance therefrom to the intersection with the southerly production of the easterly limit of Lot 22, Concession XIV; thence northerly along the said southerly production and the said easterly limit of the said Lot 22 to the high-water mark of Labelle Lake; thence in a general northeasterly direction along the said high-water mark to the intersection with the southerly limit of Lot 1, in Concession X, Township of Bedford; thence easterly along the southerly limit of said Lot 1 to the southeasterly corner thereof; thence northerly along the easterly limit of Lot 1, in Concession X and its northerly production and the easterly limit of Lot 2, in Concession X to the northeasterly corner of said Lot 2; thence easterly in a straight line to the southwesterly corner of Lot 3, in Concession XI; thence easterly along the southerly limit of said Lot 3 and its easterly production to a point distant 91.440 metres measured easterly from and perpendicularly to the high-water mark of Big Clear Lake; thence in a northerly and northwesterly direction parallel to the high-water mark of Big Clear Lake and 91.440 metres in perpendicular distance therefrom to the southerly production of the easterly limit of Lot 5, in Concession X; thence northerly along the said production to the southerly limit of said Lot 5; thence westerly along the southerly limit of the said lot to the northerly limit of the right of way of a road known as the Ottawa Road; thence northeasterly along the said road limit to the easterly limit of Lot 5, in Concession X; thence northerly along the said easterly limit and its northerly production to a point distant 91.440 metres measured southeasterly from and perpendicularly to the high-water mark along the northwesterly shore of Devil Lake; thence in a northeasterly direction parallel to the said high-water mark of Devil Lake and 91.440 metres in perpendicular distance therefrom to the easterly production of the northerly limit of Lot 6, in Concession XI; thence westerly along that production and the northerly limit of said Lot 6 to the northwesterly corner thereof; thence westerly in a straight line to the southeasterly corner of Lot 7, in Concession X; thence northerly along the easterly limit of the said lot and its northerly production to a point distant 91.440 metres measured northerly from and perpendicularly to the high-water mark along the southerly shore of Devil Lake; thence in a general westerly direction parallel to the said high-water mark and 91.440 metres in perpendicular distance therefrom to the mid-channel between the high-water mark along the southerly shore of Island 50 and the high-water mark along the northerly shore of Lot 7, Concession X, in the Township of Bedford; thence in a general westerly direction along that mid-channel to a point distant 91.440 metres measured southeasterly from and perpendicularly to the high-water mark along the southerly shore of Devil Lake; thence in a northwesterly and southwesterly direction parallel to the said high-water mark and 91.440 metres in perpendicular distance therefrom to the mid-channel between islands 52 and 53; thence in a southwesterly direction along that mid-channel to a point distant 91.440 metres measured northerly from and perpendicularly to the high-water mark along the southerly shore of Devil Lake; thence in a westerly direction parallel to the said high-water mark and 91.440 metres in perpendicular distance therefrom to the easterly pro-

duction of the southerly limit of Lot 7 in Concession VIII in the said Township of Bedford; thence northerly and westerly following the middle channel of Devil Lake to the confluence with a stream lying between Devil Lake and Kingsford Lake; thence westerly on the water's edge along the southerly bank of that stream to the easterly limit of the dam site of the Gananoque Electric Light and Water Supply Company Limited; thence southerly along the easterly limit of the dam site to the southeasterly corner thereof; thence westerly along the southerly limit of the said dam site to the southwesterly corner thereof; thence northerly along the westerly limit of the dam site to the water's edge of the stream lying between Devil Lake and Kingsford Lake; thence westerly along that water's edge to the confluence with the water of Kingsford Lake; thence in a southwesterly direction following the middle channel of Kingsford Lake to the easterly production of the southerly limit of Lot 3 in Concession VI; thence easterly in a straight line to the middle channel between Earincliffe Island and Lot 3 in Concession VI; thence southeasterly in a straight line to a point distant 91.440 metres measured easterly from and perpendicularly to the most southerly extremity of Earincliffe island; thence easterly and southeasterly parallel to the high-water mark along the northerly shore of Birch Lake and 91.440 metres in perpendicular distance therefrom to the intersection with the southerly production of the westerly limit of Lot 2 in Concession VII; thence southerly along that production to a point distant 91.440 metres measured northwesterly from and perpendicularly to the high-water mark along the southerly shore of Birch Lake; thence in a southwesterly direction parallel to the said high-water mark of Birch Lake and 91.440 metres in perpendicular distance therefrom to the northerly production of the westerly limit of Lot 11 in Concession XIV, Township of Loughborough; thence southerly along the said production and the said westerly limit and its southerly production to the northerly limit of Lot 11 in Concession XIII; thence westerly along the northerly limit of said Lot 11 to the northwesterly corner thereof; thence southerly along the westerly limit of the said lot to the line between the north half and south half of said Lot 11; thence easterly along the said line to the easterly limit of the said lot; thence southerly along that easterly limit to the southerly limit of a road known as Township Road; thence southwesterly along that road limit to the westerly limit of Lot 11 in Concession XII; thence southerly along that westerly limit and its southerly production to the southwesterly corner thereof; thence easterly along the southerly limit of Concession XII to the southeasterly corner of Lot 15 in Concession XII; thence northerly along the easterly limit of Lot 15 to the line between the north half and south half of Lot 16 in Concession XII; thence easterly along the line between the north half and south half of lots 16 and 17 in Concession XII to the easterly limit of said Lot 17; thence southerly along the easterly limit of said Lot 17 to the southeasterly corner thereof; thence easterly along the southerly limit of Concession XII to the place of beginning.

Saving and excepting therefrom the west half of the west half of the north half of Lot 16 in Concession XIV in the Township of Loughborough;

Also saving and excepting therefrom part of Lot 17, Concession XIV, in the Township of Loughborough;

Commencing at a point in the southerly limit of said Lot 17 distant 60.350 metres measured easterly along that southerly limit from the southwesterly corner of said Lot 17; thence easterly along the southerly limit of said Lot 17 a distance of 60.350 metres; thence northerly parallel to the westerly limit of said Lot 17 a distance of 603.504 metres, more or less, to the high-water mark along the southerly shore of Big Salmon Lake; thence in a westerly direction along the said high-water mark to a line drawn northerly parallel to the westerly limit of said Lot 17 from the point of commencement; thence southerly along the said parallel line to the point of commencement.

Also saving and excepting therefrom Island 54 in Devil Lake in front of Lot 6, in Concession IX, Township of Bedford. O. Reg. 499/79, s. 1 (3).

THE PLANNING ACT

O. Reg. 501/79.

Restricted Areas—Part of the
District of Sudbury.

Made—July 9th, 1979.

Filed—July 10th, 1979.

REGULATION TO AMEND
ONTARIO REGULATION 568/72
MADE UNDER
THE PLANNING ACT

1. Ontario Regulation 568/72 is amended by adding thereto the following section:

24. Notwithstanding any other provision of this Order, the land described in Schedule 18 may be used for the erection and use thereon of a single-family dwelling and buildings and structures accessory thereto provided the following requirements are met:

Minimum front yard	7.5 metres
Minimum side yards	3 metres on one side and 1.2 metres on the other side
Minimum rear yard	7.5 metres
Minimum total floor area of dwelling	72 square metres
Maximum percentage of lot to be occupied by dwelling	15 per cent
Maximum height of dwelling	two and one-half storeys

O. Reg. 501/79, s. 1.

2. The said Regulation is further amended by adding thereto the following Schedule:

Schedule 18

That parcel of land situate in the geographic Township of Awrey in the Territorial District of Sudbury, described as Parcel 36309 Sudbury East Section, being Lot 13 according to a Plan filed in the Land Registry Office for the Land Titles Division of Sudbury (No. 53) as Number M-411. O. Reg. 501/79, s. 2.

THE COUNTY OF OXFORD ACT, 1974

O. Reg. 504/79.
Order of the Minister.
Made—July 9th, 1979.
Filed—July 10th, 1979.

ORDER MADE UNDER
THE COUNTY OF OXFORD ACT, 1974

ORDER

1. Under the provisions of section 85 of the Act, It Is ORDERED:

- 1. The rates of taxation for general purposes for the year 1979 which, but for this Order, would have been levied by the council of an area municipality on the whole of the assessment for real property and business assessment according to the last revised assessment roll in the merged areas of such area municipality specified in the Schedule hereto, shall be increased or decreased by the council of the area municipality in each such merged area by the number of mills specified in the said Schedule.
- 2. The amounts ascertained by multiplying the mill rates specified in this Order by the assessment for each such merged area shall be included in the sums adopted by each area municipality concerned for general purposes in accordance with section 307 of *The Municipal Act*. O. Reg. 504/79, s. 1.

Schedule

THE FOREST FIRES PREVENTION ACT

O. Reg. 505/79.
Restricted Fire Zone.
Made—July 10th, 1979.
Filed—July 10th, 1979.

REGULATION MADE UNDER
THE FOREST FIRES PREVENTION ACT

RESTRICTED FIRE ZONE

1. That part of the North Central Fire Region Described in Schedule “A” hereto is declared to be a Restricted Fire Zone from the 11th day of July to the 31st day of July, both inclusive, in the year 1979. O. Reg. 505/79, s. 1.

Schedule “A”

In the territorial districts of Algoma, Kenora, Kenora Patricia Portion and Thunder Bay described as follows:

Beginning at the southeasterly corner of the geographic Township of Corman in the Territorial District of Kenora; thence northerly along the easterly boundary of the geographic townships of Corman and Chartrand and the northerly production of the easterly boundary of the geographic Township of Chartrand to the southwesterly corner of G.T.P. Block No. 6; thence easterly along the south boundary of that block to the southeasterly corner thereof; thence northerly along the easterly boundary of that block and the northerly production of the easterly boundary of that Block No. 6 to the base line run by Phillips and Benner, Ontario Land Surveyors, in 1931; thence northeasterly in a straight line to the intersection of latitude 50° 00' with the meridian line run by K. G. Ross, Ontario Land Surveyor, in 1921; thence easterly along latitude 50° 00' to longitude 90° 00'; thence northerly along longitude 90° 00' to latitude 51° 00'; thence easterly along latitude 51° 00' to the intersection with the northerly production of the westerly boundary of the geographic Township of Bicknell in the Territorial District of Cochrane; thence southerly along that production to the northwesterly corner of the geographic Township of Bicknell; thence easterly along the northerly boundary of the last mentioned geographic township to the northeasterly corner thereof;

thence southerly along the easterly boundary of the geographic townships of Bicknell, Boyce and Clavet to the northerly boundary of the geographic Township of Downer; thence easterly along the northerly boundary of the last mentioned geographic township to the northeasterly corner thereof; thence southerly along the easterly boundary of the geographic townships of Downer, Frances and Flanders to the southeasterly corner of the last mentioned geographic township; thence westerly along the southerly boundary of the last mentioned geographic township to the southwesterly corner thereof; thence southerly along the westerly boundary of the geographic townships of Foch and Drew to the northwesterly corner of the geographic Township of Welsh; thence easterly along the northerly boundary of the geographic townships of Welsh and Matthews to the northeasterly corner of the last mentioned geographic township; thence southerly along the easterly boundary of the geographic Township of Matthews to the northerly boundary of the geographic Township of Hambleton; thence easterly along that northerly boundary to the northeasterly corner of the geographic Township of Hambleton; thence southerly along the easterly boundary of the last mentioned geographic township to the northwesterly corner of the geographic Township of Strickland; thence easterly along the northerly boundary of the geographic townships of Strickland and Nameigos to the northeasterly corner of the last mentioned geographic township; thence southerly along the easterly boundary of the last mentioned geographic township to the southeasterly corner thereof; thence westerly along the southerly boundary of the last mentioned geographic township to the northeasterly corner of the geographic Township of Cooper; thence southerly along the easterly boundary of the last mentioned geographic township to the southeasterly corner thereof; thence westerly along the southerly boundary of the last mentioned geographic township to the northeasterly corner of the geographic Township of McGowan; thence southerly along the easterly boundary of the geographic townships of McGowan, Ashley and Dahl to the southeasterly corner of the last mentioned geographic township; thence westerly along the southerly boundary of the geographic townships of Dahl, Chapais and Charbonneau to the southwesterly corner of the last mentioned geographic township; thence westerly along the westerly production of the southerly boundary of the geographic Township of Charbonneau to the easterly boundary of Pukaskwa National Park; thence southwesterly along that boundary to the high water

mark of Lake Superior; thence southwesterly to the intersection of longitude 86° 30' with the International Boundary between Canada and the United States of America; thence in a northwesterly, southwesterly and westerly direction following that international boundary to the intersection with the southerly production of the easterly boundary of Quetico Provincial Park; thence northerly along the said southerly production and the easterly boundary of Quetico Provincial Park and its northerly production to the intersection with the easterly production of the southerly boundary of the geographic Township of Corman; thence westerly along that easterly production to the place of beginning. O. Reg. 505/79, Sched. A.

J. K. REYNOLDS
Deputy Minister of
Natural Resources

Dated at Toronto, this 10th day of July, 1979.

THE AGRICULTURAL TILE DRAINAGE INSTALLATION ACT, 1972

O. Reg. 506/79.

General.

Made—July 4th, 1979.

Filed—July 10th, 1979.

REGULATION TO AMEND ONTARIO REGULATION 193/73 MADE UNDER THE AGRICULTURAL TILE DRAINAGE INSTALLATION ACT, 1972

1. Clauses *a* and *b* of subsection 3 of section 4 of Ontario Regulation 193/73 are revoked and the following substituted therefor:

- (a) \$100 in the case of a plough-type machine;
- (b) \$50 in the case of any other type of machine; and
- (c) \$10 in the case of any machine mentioned in clause *a* or *b* that, in the opinion of the Director, is used solely for demonstration purposes.

2. Subsection 1 of section 11 of the said Regulation, exclusive of the clauses, is revoked and the following substituted therefor:

(1) Except in the case of machines that, in the opinion of the Director, are used solely for demonstration purposes, every machine shall,

3. Form 2 of the said Regulation is amended by renumbering paragraph 6 as paragraph 7 and by adding thereto the following paragraph:

6. I hereby apply for a licence as a Class
.....operator.

THE FARM PRODUCTS MARKETING ACT

O. Reg. 507/79.

Hogs—Plan.

Made—July 4th, 1979.

Filed—July 10th, 1979.

REGULATION TO AMEND REGULATION 327 OF REVISED REGULATIONS OF ONTARIO, 1970 MADE UNDER THE FARM PRODUCTS MARKETING ACT

1. Section 2 of the Schedule to Regulation 327 of Revised Regulations of Ontario is revoked and the following substituted therefor:
2. In this plan,
 - (a) "county" includes a regional municipality;
 - (b) "hogs" means hogs produced in Ontario;
 - (c) "processing" means the slaughtering of hogs;
 - (d) "producer" means a person engaged in the production of hogs, and for the purpose of the nomination, election or appointment of persons under this plan means a person who is registered for such purposes.
2. Subsection 2 of section 3 of the Schedule to the said Regulation, as remade by section 1 of Ontario Regulation 32/74, is revoked.
3. Section 5 of the Schedule to the said Regulation is revoked and the following substituted therefor:
5. The producers of hogs are divided into four areas as follows:
 1. North Area, comprising the counties of Bruce, Grey, Huron, Perth and Wellington and The Regional Municipality of Waterloo.
 2. Central Area, comprising the counties of Dufferin, Northumberland, Peterborough, Simcoe and Victoria and the regional municipalities of Durham, Halton, Peel and York.

3. South Area, comprising the counties of Brant, Elgin, Essex, Kent, Lambton, Middlesex and Oxford and the regional municipalities of Haldimand-Norfolk, Hamilton-Wentworth and Niagara.
4. East Area, comprising the counties of Dundas, Frontenac, Glengarry, Grenville, Hastings, Lanark, Leeds, Lennox and Addington, Prescott, Prince Edward, Renfrew, Russell and Stormont and The Regional Municipality of Ottawa-Carleton.
4. Section 7 of the Schedule to the said Regulation, as remade by section 2 of Ontario Regulation 32/74, is revoked and the following substituted therefor:
7. Each Area Pork Producers' Council shall be composed of members who are producers of hogs in the counties of the area.
- 8.—(1) In each year, as soon as practicable after statistical information respecting the preceding year is available, the local board shall cause to be calculated the representation to be allotted to each County Pork Producers' Association on its respective Area Pork Producers' Council.
- (2) The calculation under subsection 1 shall be based on a nominal total membership for all Area Pork Producers' Councils of 250 members.
- (3) Each County Pork Producers' Association shall be allotted its proportionate share of 250 members based on that county's proportionate share of the provincial total, calculated on a weighted basis of 60 per cent of the representation being based on the number of active producers in the county during the preceding year as a percentage of the provincial total and 40 per cent of the representation being based on the total number of hogs marketed from the county during the preceding year as a percentage of the provincial total.
- (4) In those counties in which elections are scheduled in that year, the local board shall inform the County Pork Producers' Association of the number of members on the Area Pork Producers' Council allotted to that association prior to the meeting called under section 11.
5. Subsections 1, 2, 3 and 4 of section 9 of the Schedule to the said Regulation, as remade by section 4 of Ontario Regulation 32/74, are revoked and the following substituted therefor:
- (1) No change in the number of members on an Area Pork Producers' Council shall be made in any year in which there is no election of members to that Area Pork Producers' Council regardless of whether or not the total number of members of all Area Pork Producers' Councils is, by reason of such change not being made, other than 250.
- (2) From the North Area, the number of producer-members, calculated and allotted by the local board

under section 8, shall be elected to the Area Pork Producers' Council in 1980 for a term of three years.

(3) From the Central Area, the number of producer-members, calculated and allotted by the local board under section 8, shall be elected to the Area Pork Producers' Council in 1981 for a term of three years.

(4) From the East Area, the number of producer-members, calculated and allotted by the local board under section 8, shall be elected to the Area Pork Producers' Council in 1981 for a term of three years.

(4a) From the South Area, the number of producer-members, calculated and allotted by the local board under section 8, shall be elected to the Area Pork Producers' Council in 1982 for a term of three years.

THE CHILDREN'S INSTITUTIONS ACT, 1978

O. Reg. 519/79.

General.

Made—July 4th, 1979.

Filed—July 11th, 1979.

REGULATION TO AMEND
REGULATION 88 OF
REVISED REGULATIONS OF ONTARIO, 1970
MADE UNDER
THE CHILDREN'S INSTITUTIONS ACT, 1978

1. Regulation 88 of Revised Regulations of Ontario, 1970 is amended by adding thereto the following section:

19c. Expenditures incurred by an approved corporation for furnishings or equipment that are not replacements, or for repairs to or maintenance of a capital asset that,

- (a) are, in the opinion of the Minister, necessary for the efficient operation of the children's institution and the cost of which is not excessive for the purpose; and

- (b) are in excess of \$300,

are, where the Minister so approves, capital expenditures for which a grant may be paid, upon application by an approved corporation, in an amount equal to 80 per cent of the approved expenditures incurred. O. Reg. 519/79, s. 1.

2. Section 20 of the said Regulation, as remade by section 1 of Ontario Regulation 307/76 and amended by section 9 of Ontario Regulation 464/79, is revoked and the following substituted therefor:

20.—(1) In this section, "non-residential services" means the services provided for or on behalf of children and those other persons who have attained the age of eighteen years but who have not attained the age of twenty-one years, where such children and other persons do not reside in an approved children's institution.

(2) Every approved corporation claiming a payment under this section shall annually before a date fixed by a Director in each year prepare and submit to a Director on a form provided by a Director, an estimate of costs, revenue and subsidy payable for the next fiscal year and such estimate shall be subject to the approval of the Director.

(3) An approved corporation may at any time during the budget year after the estimate has been approved by a Director, submit an amendment to the estimate for the fiscal year and such amendment shall be subject to the approval of the Director.

(4) The Director may approve the amount of any estimate or amendment thereto, as the case may be, as submitted under subsection 2 or 3 or the Director may vary the amount of the estimate or the amendment and approve the amount as so varied.

(5) Subject to subsection 6, an amount payable to an approved corporation shall be calculated in accordance with subsection 9 provided that the total amount payable shall not exceed the total amount of the estimate as finally approved by a Director under subsection 4.

(6) An amount paid under subsection 9 for a fiscal year may be adjusted upon receipt of the annual financial statement of the approved corporation referred to in section 24.

(7) The amount of an adjustment referred to in subsection 6 shall either be paid to the approved corporation by Ontario or refunded by the approved corporation to Ontario, as the case may be.

(8) The moneys paid under this section to an approved corporation shall be expended by the approved corporation, as the case may be, only in accordance with the estimate finally approved by a Director under subsection 4.

(9) Subject to subsection 12, an amount payable to an approved corporation under section 6 of the Act shall not exceed,

(a) 80 per cent, calculated in accordance with Form 4, of the estimate finally approved by a Director under subsection 4; or

(b) an amount agreed upon by the approved corporation and Ontario, which amount shall be determined having regard to,

(i) the number of beds,

(ii) the number of staff, and

(iii) the services to be provided,

in the approved children's institution operated by the approved corporation, and

(iv) the anticipated revenue of the approved corporation.

(10) Every approved corporation applying for a payment under section 6 of the Act and that elects to receive that payment calculated in the manner referred to in clause *a* of subsection 9 shall apply to a Director in Form 4 before the 20th day of the month following the month for which the payment is claimed.

(11) Any part approved by a Director of the estimated monthly amount payable under this section may be paid in advance of making an application under subsection 10, subject to adjustment upon receipt by a Director of an application under subsection 10 for that month.

(12) Every approved corporation applying for a payment under section 6 of the Act and that elects to receive that payment calculated in the manner referred

to in clause *b* of subsection 9 shall enter into an agreement with Ontario with respect to the payment.

(13) An approved corporation that provides non-residential services and that applies for a payment under section 6 of the Act for those services shall receive the payment calculated, with necessary modifications, only in the manner referred to in clause *b* of subsection 9 and shall enter into an agreement with Ontario with respect to the payment. O. Reg. 519/79, s. 2.

3. This Regulation shall be deemed to have come into force on the 1st day of July, 1979. O. Reg. 519/79, s. 3.

(2854)

O. Reg. 520/79, Form 4.

LORNE MAECK
Minister of Revenue

Dated at Toronto, this 16th day of July, 1979.

THE PLANNING ACT

O. Reg. 521/79.
Restricted Areas—District of Timiskaming.
Made—July 16th, 1979.
Filed—July 17th, 1979.

REGULATION TO AMEND
REGULATION 671 OF
REVISED REGULATIONS OF ONTARIO, 1970
MADE UNDER
THE PLANNING ACT

1. Section 12 of Regulation 671 of Revised Regulations of Ontario, 1970, as remade by section 1 of Ontario Regulation 473/79, is revoked and the following substituted therefor:
12. Notwithstanding section 4, the lands described in Schedules 2, 4, 5, 6 and 8 may each be used for the erection and use thereon of a single-family dwelling and buildings and structures accessory thereto. O. Reg. 521/79, s. 1.
2. The said Regulation is amended by adding thereto the following Schedule:

Schedule 8

That parcel of land situate in the geographic Township of Evanturel in the Territorial District of Timiskaming, being composed of that part of the south half of Lot 6 in Concession IV designated as Part 1 on a Reference Plan deposited in the Land Registry Office for the Land Titles Division of Timiskaming (No. 54) as Number 54R-1944. O. Reg. 521/79, s. 2.

G. M. FARROW
Executive Director,
Plans Administration Division,
Ministry of Housing

Dated at Toronto, this 16th day of July, 1979.

(2893) 31

THE PLANNING ACT

O. Reg. 522/79.
Restricted Areas—County of Ontario (now The Regional Municipality of Durham), Township of Pickering (now Town of Pickering).
Made—July 16th, 1979.
Filed—July 17th, 1979.

REGULATION TO AMEND
ONTARIO REGULATION 102/72
MADE UNDER
THE PLANNING ACT

1. Ontario Regulation 102/72 is amended by adding thereto the following section:

19. Notwithstanding any other provision of this Order, the lands described in Schedule 6 may be used for the following recreational uses:

- (a) a golf course;
- (b) racquet courts;
- (c) a swimming pool;
- (d) skiing and skating facilities,

and buildings and structures accessory thereto. O. Reg. 522/79, s. 1.

2. The said Regulation is further amended by adding thereto the following Schedule:

Schedule 6

Those parcels of land situate in the Town of Pickering in The Regional Municipality of Durham, being composed of the following:

1. The south 4/5 of the south half of Lot 17 in Concession VIII.
2. The west half of the south 4/5 of the original road allowance between lots 16 and 17 in Concession VIII. O. Reg. 522/79, s. 2.

THE PLANNING ACT

O. Reg. 523/79.
Restricted Areas—County of Huron,
Township of Colborne.
Made—July 16th, 1979.
Filed—July 17th, 1979.

REGULATION TO AMEND
ONTARIO REGULATION 750/73
MADE UNDER
THE PLANNING ACT

1. Ontario Regulation 750/73 is amended by adding thereto the following section:

15. Notwithstanding any other provision of this Order, the land described in Schedule 9 may be used for the erection and use thereon of,

- (a) a warehouse for the storage of welding supplies; and

(b) a warehouse for the storage of steel,

and buildings and structures accessory thereto provided the following requirements are met:

Minimum front yard 50 feet

Minimum side yards 10 feet

Maximum total floor area of all buildings and structures 13,000 square feet

Minimum number of off-street parking spaces 30

Maximum height of all buildings and structures one storey

O. Reg. 523/79, s. 1.

2. The said Regulation is further amended by adding thereto the following Schedule:

Schedule 9

That parcel of land situate in the Township of Colborne in the County of Huron, being composed of that part of Block D, Western Division in the said Township, more particularly described as follows:

Premising that the westerly limit of the said Block D has a bearing of north 0° 11' west and relating all bearings herein thereto;

Beginning at the southwesterly corner of the said Block D;

Thence north 0° 11' west along the westerly limit of the said Block D a distance of 923.15 feet;

Thence north 89° 49' east a distance of 27 feet to a point in the easterly limit of a Plan deposited in the Land Registry Office for the Registry Division of Huron (No. 22) as Number 1866, the said point being the place of beginning of the parcel herein described;

Thence north 0° 11' west along the easterly limit of the said Plan Number 1866 a distance of 756 feet to a point in the centre line of a stream;

Thence south 55° 04' east along the centre line of the said stream a distance of 501.23 feet;

Thence north 89° 49' east a distance of 396 feet;

Thence south 0° 11' east and parallel to the westerly limit of the said Block D a distance of 467.67 feet;

Thence south 89° 49' west a distance of 806 feet, more or less, to the place of beginning. O. Reg. 523/79, s. 2.

THE ENVIRONMENTAL PROTECTION ACT, 1971

O. Reg. 524/79.

Containers.

Made—July 11th, 1979.

Filed—July 18th, 1979.

REGULATION TO AMEND ONTARIO REGULATION 687/76 MADE UNDER THE ENVIRONMENTAL PROTECTION ACT, 1971

1. Ontario Regulation 687/76 is amended by adding thereto the following section:

16. Where a brand of carbonated soft drink is not distributed in Ontario in 1.5 litres containers except by retail vendors,

- (a) and where a retail vendor offers to sell that brand of carbonated soft drink in Class 3 containers of a capacity of one litre where the container is filled with the carbonated soft drink prior to the 1st day of October, 1979, notwithstanding the provision of clause *a* of subsection 1 of section 11 relating to the stocking and offering for sale of carbonated soft drinks in Class 1 containers of the same capacity, that retail vendor is not required to stock or offer for sale that brand of carbonated soft drink in Class 1 containers of a capacity of one litre;
- (b) subsection 1*b* of section 11 does not apply prior to the 1st day of October, 1979;
- (c) and where a retail vendor does not display or offer for sale that brand of carbonated soft drink in Class 3 containers of a capacity of 1.5 litres, subsection 1*c* of section 11 does not apply to that retail vendor prior to the 1st day of October, 1979;
- (d) subsection 1 of section 12 does not apply to prevent the sale of that brand of carbonated soft drink in a Class 3 container having a capacity of one litre where the container is filled with the carbonated soft drink prior to the 1st day of October, 1979; and
- (e) subsection 2 of section 13 does not apply to prevent the sale of that brand of carbonated

soft drink in a Class 1 container having a capacity of one litre where the container is filled with the carbonated soft drink prior to the 1st day of October, 1979. O. Reg. 524/79, s. 1.

THE COMMODITY BOARDS AND
MARKETING AGENCIES ACT, 1978

O. Reg. 530/79.
Levies or Charges—Chicken.
Made—July 18th, 1979.
Filed—July 19th, 1979.

REGULATION MADE UNDER
THE COMMODITY BOARDS AND MARKETING
AGENCIES ACT, 1978

LEVIES OR CHARGES—CHICKEN

1. In this Regulation,

(a) “chicken” means chicken and parts thereof produced in Ontario;

(b) “marketing agency” means the Canadian Chicken Marketing Agency constituted under the *Farm Products Marketing Agencies Act* (Canada). O. Reg. 530/79, s. 1.

2. The Lieutenant Governor in Council hereby grants to the marketing agency, in relation to the marketing of chicken locally within Ontario, authority to fix, impose and collect levies or charges from persons engaged in the production of chicken in Ontario and for such purpose to classify such persons into groups and fix the levies or charges payable by the members of the different groups in different amounts, not exceeding in any case one cent for each fifteen kilograms of chicken, live weight, and to use such levies or charges for the purposes of the marketing agency including the creation of reserves, the payment of expenses and losses resulting from the sale or disposal of any chicken and the equalization or adjustment among producers of chicken of moneys realized from the sale thereof during such period or periods of time as the marketing agency may determine. O. Reg. 530/79, s. 2.

3. Any person who receives chicken shall deduct from the moneys payable for the chicken any levies or charges payable to the marketing agency by the person from whom he receives the chicken and shall forward such levies or charges to the Canadian Chicken Marketing Agency, or its agent designated for that purpose, not later than ten days from the last day of the week in which he received the chicken. O. Reg. 530/79, s. 3.

4. The marketing agency shall, at any time during normal office hours, make available to such auditor as the Minister of Agriculture and Food may designate, all books of account, records and documents relating to the receipt of funds pursuant to this Regulation and expenditures made by the marketing agency of moneys derived in whole or in part from funds received by the marketing agency pursuant to this Regulation. O. Reg. 530/79, s. 4.

(2919) 31

THE COMMODITY BOARDS AND
MARKETING AGENCIES ACT, 1978

O. Reg. 531/79.
Levies or Charges—Eggs.
Made—July 18th, 1979.
Filed—July 19th, 1979.

REGULATION MADE UNDER
THE COMMODITY BOARDS AND MARKETING
AGENCIES ACT, 1978

LEVIES OR CHARGES—EGGS

1. In this Regulation,

(a) “eggs” means eggs of a domestic hen other than hatching eggs;

- (b) "marketing agency" means the Canadian Egg Marketing Agency constituted under the *Farm Products Marketing Agencies Act* (Canada). O. Reg. 531/79, s. 1.

2. The Lieutenant Governor in Council hereby grants to the marketing agency, in relation to the marketing of eggs locally within Ontario, authority to fix, impose and collect levies or charges from persons engaged in the production of eggs in Ontario and for such purpose to classify such persons into groups and fix the levies or charges payable by the members of the different groups in different amounts, not exceeding in any case 3½ cents per dozen of eggs, and to use such levies or charges for the purposes of the marketing agency, including the creation of reserves, the payment of expenses and losses resulting from the sale or disposal of any eggs and the equalization or adjustment among producers of eggs of moneys realized from the sale thereof during such period or periods of time as the marketing agency may determine. O. Reg. 531/79, s. 2.

3. The Lieutenant Governor in Council further hereby grants to the marketing agency, in relation to the marketing of eggs locally within Ontario, authority to fix, impose and collect a charge from The Ontario Egg Producers' Marketing Board in the amount of \$3,791,899 and to use such charge for the purposes of the marketing agency, including the creation of reserves, the payment of expenses and losses resulting from the sale or disposal of any eggs and the equalization or adjustment among producers of eggs of moneys realized from the sale thereof during such period or periods of time as the marketing agency may determine. O. Reg. 531/79, s. 3.

4. Any person who receives eggs shall deduct from the moneys payable for the eggs any levies or charges payable to the marketing agency by the person from whom he receives the eggs and shall forward such levies or charges to the Canadian Egg Marketing Agency, or its agent designated for that purpose, not later than ten days from the last day of the week in which he received the eggs. O. Reg. 531/79, s. 4.

5. The marketing agency shall, at any time, during normal office hours, make available to such auditor as the Minister of Agriculture and Food may designate, all books of account, records and documents relating to the receipt of funds pursuant to this Regulation and expenditures made by the marketing agency of moneys derived in whole or in part from funds received by the marketing agency pursuant to this Regulation. O. Reg. 531/79, s. 5.

6. Ontario Regulation 482/78 is revoked. O. Reg. 531/79, s. 6.

7. This Regulation comes into force on the 21st day of August, 1979. O. Reg. 531/79, s. 7.

THE FARM PRODUCTS MARKETING ACT

O. Reg. 532/79.

Extension of Powers—Chicken.

Made—July 18th, 1979.

Filed—July 19th, 1979.

REGULATION MADE UNDER
THE FARM PRODUCTS MARKETING ACT

EXTENSION OF POWERS—CHICKEN

1. In this Regulation,

- (a) "chicken" means chicken and parts thereof produced in Ontario;
- (b) "marketing agency" means the Canadian Chicken Marketing Agency constituted under the *Farm Products Marketing Agencies Act* (Canada). O. Reg. 532/79, s. 1.

2. The Lieutenant Governor in Council hereby grants authority to the marketing agency to regulate the marketing within Ontario of chicken in the manner set out in section 3. O. Reg. 532/79, s. 2.

3. For the purpose of regulating the marketing within Ontario of chicken, the marketing agency may exercise, with respect to chicken so marketed, the powers that it may exercise with respect to chicken marketed in interprovincial or export trade under paragraph *a* of subsection 1 of section 23 of the *Farm Products Marketing Agencies Act* (Canada). O. Reg. 532/79, s. 3.

(2921)

31

THE FARM PRODUCTS MARKETING ACT

O. Reg. 533/79.

Extension of Powers—Eggs.

Made—July 18th, 1979.

Filed—July 19th, 1979.

REGULATION MADE UNDER
THE FARM PRODUCTS MARKETING ACT

EXTENSION OF POWERS—EGGS

1. In this Regulation,

- (a) "eggs" means eggs of a domestic hen produced in Ontario other than hatching eggs;
- (b) "marketing agency" means The Canadian Egg Marketing Agency constituted under the *Farm Products Marketing Agencies Act* (Canada). O. Reg. 533/79, s. 1.

2. The Lieutenant Governor in Council hereby grants authority to the marketing agency to regulate the marketing within Ontario of eggs in the manner set out in section 3. O. Reg. 533/79, s. 2.

3. For the purpose of regulating the marketing within Ontario of eggs, the marketing agency may exercise, with respect to eggs so marketed, the powers that it may exercise with respect to eggs marketed in interprovincial or export trade under paragraph *a* of subsection 1 of section 23 of the *Farm Products Marketing Agencies Act* (Canada). O. Reg. 533/79, s. 3.

(2922)

THE FARM PRODUCTS MARKETING ACT

O. Reg. 534/79.

Rutabagas—Plan.

Made—July 18th, 1979.

Filed—July 19th, 1979.

REGULATION MADE UNDER THE FARM PRODUCTS MARKETING ACT

RUTABAGAS—PLAN

1. The plan in the Schedule is established for the control and regulation of the marketing within Ontario of rutabagas. O. Reg. 534/79, s. 1.

2. The local board named in the Schedule is given the powers set out in subsection 1 of section 15, paragraphs 1, 2, 3, 4, 5, 6, 7, 8, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19 and 26 of subsection 2 of section 15 and sections 50 and 110 of *The Co-operative Corporations Act*, 1973. O. Reg. 534/79, s. 2.

3. The members of the local board named in the Schedule shall be deemed to be the shareholders and directors of the local board in the exercise of the powers vested in the local board under section 2. O. Reg. 534/79, s. 3.

Schedule

The Farm Products Marketing Act

PLAN

1. This plan may be cited as "The Ontario Rutabaga Producers' Marketing Plan".

2. In this plan,

(a) "producer" means a person engaged in the production of rutabagas;

(b) "rutabagas" means rutabagas produced in Ontario.

3. This plan provides for the control and regulation in any or all respects of the marketing within Ontario of rutabagas, including the prohibition of such marketing in whole or in part.

4. This plan does not apply in the territorial districts of Algoma, Cochrane, Kenora, Manitoulin, Nipissing, Rainy River, Sudbury, Thunder Bay and Timiskaming and The Regional Municipality of Sudbury.

5. There shall be a local board to be known as "The Ontario Rutabaga Producers' Marketing Board".

6. The local board shall be composed of seven producer-members.

7. The members of the local board shall be elected or appointed in accordance with the provisions of this plan and shall hold office until their successors take office.

8. Producers are divided into two districts as follows:

1. District 1, comprising the counties of Brant, Bruce, Elgin, Essex, Grey, Huron, Kent, Lambton, Middlesex, Oxford, Perth and Wellington and the regional municipalities of Haldimand-Norfolk, Hamilton-Wentworth, Niagara and Waterloo.

2. District 2, comprising that part of Ontario not included in District 1 and not excluded from the plan by section 4.

9.—(1) The Minister may, subject to section 10, appoint persons to be members of the local board for terms as follows:

1. Two persons from District 1 to hold office until the 30th day of June, 1980.

2. Two persons from District 1 to hold office until the 30th day of June, 1981.

3. Two persons from District 1 to hold office until the 30th day of June, 1982.

4. One person from District 2 to hold office until the 30th day of June, 1982.

(2) The Minister may appoint one of the members appointed by him to be chairman and another member to be vice-chairman to hold office as such until the 30th day of June, 1980.

(3) The Minister may revoke any appointment made by him under this section.

10. Representation on the local board from the districts referred to in section 8 shall be as follows:

1. District 1, six members.

2. District 2, one member.

11.—(1) On or before the 30th day of June, 1980, producers in District 1, at a meeting of producers in that District, called by the local board for the purpose, shall elect, from among themselves, two members of the local board for a term of three years from the 30th day of June, 1980.

(2) On or before the 30th day of June, 1981, producers in District 1, at a meeting of the producers in that District, called by the local board for the purpose, shall elect, from among themselves, two members of the local board for a term of three years from the 30th day of June, 1981.

(3) On or before the 30th day of June, 1982, producers in District 1, at a meeting of the producers in that District, called by the local board for the purpose, shall elect, from among themselves, two members of the local board for a term of three years from the 30th day of June, 1982.

(4) On or before the 30th day of June, 1982, producers in District 2, at a meeting of the producers in that District, called by the local board for the purpose, shall elect, from among themselves, one member of the local board for a term of three years from the 30th day of June, 1982.

(5) On or before the 30th day of June, 1983, and in every year thereafter, producers in each District, at a meeting of producers in that District, called by the local board for the purpose, shall elect, from among themselves, persons as members of the local board to replace those members whose terms of office expire on the 30th day of June in that year.

(6) At the first meeting of the local board after the 30th day of June, 1980 and in every year thereafter, the members of the local board shall elect, from among themselves, a member to be chairman of the local board and another member to be vice-chairman of the local board.

12.—(1) Subject to section 10, at the first meeting of the local board after the 30th day of June, 1980 and in every year thereafter, the members of the local board may appoint such producer-members as are necessary to complete the local board.

(2) Where a member elected to the local board or appointed under this section dies or resigns before his term has expired, the members of the local board may, subject to section 10, appoint a producer-member for the unexpired portion of the term.

(3) Where the members of the local board fail to appoint a person for the unexpired portion of the term of a member under subsection 2 within fourteen days from the death or resignation of the member, the Board may appoint a person for the unexpired portion of the term.

(4) Each producer-member of the local board elected or appointed under this plan shall be a producer in the district for which he is elected or appointed. O. Reg. 534/79, Sched.

(2923)

THE PLANNING ACT

O. Reg. 535/79.

Restricted Area—Lands Formerly Within The Township of North Dumfries, Now in the City of Cambridge, in The Regional Municipality of Waterloo.

Made—July 20th, 1979.

Filed—July 20th, 1979.

ORDER MADE UNDER THE PLANNING ACT

RESTRICTED AREA—LANDS FORMERLY WITHIN THE TOWNSHIP OF NORTH DUMFRIES, NOW IN THE CITY OF CAMBRIDGE, IN THE REGIONAL MUNICIPALITY OF WATERLOO

INTERPRETATION

1. In this Order "commercial use" means the use of land, a building or structure for the purposes of buying and selling commodities or supplying services, but does not include land, a building or structure used for outdoor recreational purposes, nursery gardens, private parks or golf courses. O. Reg. 535/79, s. 1.

APPLICATION

2. This Order applies to those lands within the City of Cambridge in The Regional Municipality of Waterloo, more particularly described as follows:

Beginning at the intersection of the southerly limit of Main Street East and the easterly limit of Franklin Boulevard;

Thence southerly along the easterly limit of Franklin Boulevard to the northeasterly limit of the King's Highway No. 8;

Thence southeasterly along the northeasterly limit of the said King's Highway No. 8 to the easterly boundary of the City of Cambridge;

Thence northerly along the easterly boundary of the said City to the southerly limit of Main Street East;

Thence westerly along the southerly limit of Main Street East to the place of beginning. O. Reg. 535/79, s. 2.

GENERAL

3. Nothing in this Order prevents the use of any land, building or structure for a purpose prohibited by this Order if such land, building or structure was lawfully used for such purpose on the day this Order comes into force, or prevents the erection or use of any building or structure the plans for which were approved by the municipal architect or building inspector of the City of Cambridge prior to the day this Order comes into

force if the erection of such building or structure is commenced within two years after the day this Order comes into force and such building or structure is completed within a reasonable time after the erection thereof is commenced. O. Reg. 535/79, s. 3.

PROHIBITED USES

4. No land shall be used and no building or structure shall be erected or used for a commercial use. O. Reg. 535/79, s. 4.

REBUILDING AND REPAIRS

5.—(1) Nothing in this Order prevents the repair or reconstruction of any building or structure that is damaged or destroyed by causes beyond the control of the owner.

(2) Nothing in this Order prevents the strengthening or restoration to a safe condition of any building or structure or part of any such building or structure. O. Reg. 535/79, s. 5.

CLAUDE BENNETT
Minister of Housing

Dated at Toronto, this 20th day of July, 1979.

THE FARM PRODUCTS MARKETING ACT

O. Reg. 536/79.

Rutabagas—Marketing.

Made—July 19th, 1979.

Filed—July 20th, 1979.

REGULATION MADE UNDER THE FARM PRODUCTS MARKETING ACT

RUTABAGAS—MARKETING

1. In this Regulation,

- (a) "local board" means The Ontario Rutabaga Producers' Marketing Board;
- (b) "plan" means The Ontario Rutabaga Producers' Marketing Plan;
- (c) "producer" means a person engaged in the production of rutabagas;
- (d) "rutabagas" means rutabagas produced in Ontario. O. Reg. 536/79, s. 1.

2. This Regulation provides for the control and regulation in any or all respects of the marketing within Ontario of rutabagas, including the prohibition of such marketing in whole or in part. O. Reg. 536/79, s. 2.

3. The Board exempts from this Regulation rutabagas produced in the territorial districts of Algoma, Cochrane, Kenora, Manitoulin, Nipissing, Rainy River, Sudbury, Thunder Bay and Timiskaming and The Regional Municipality of Sudbury. O. Reg. 536/79, s. 3.

4. The Board delegates to the local board the power,

- (a) to require persons engaged in producing or marketing rutabagas to register their names, addresses and occupations with the local board;
- (b) to require persons engaged in producing or marketing rutabagas to furnish such information relating to the production or marketing of rutabagas, including the completing and filing of returns, as the local board determines;
- (c) to appoint persons to inspect the books, records, documents, lands and premises and any rutabagas of persons engaged in producing or marketing rutabagas;
- (d) to stimulate, increase and improve the marketing of rutabagas by such means as it considers necessary;
- (e) to co-operate with a marketing board, a local board, a marketing commission or a marketing agency of Canada or of any province in Canada for the purpose of marketing rutabagas;
- (f) to do such acts and make such orders and issue such directions as are necessary to enforce the due observance and carrying out of the provisions of the Act, the regulations and the plan. O. Reg. 536/79, s. 4.

5. The Board delegates to the local board its powers to make regulations with respect to rutabagas,

- (a) providing for the licensing of any or all persons before commencing or continuing to engage in the producing or marketing of rutabagas;
- (b) prohibiting persons from engaging in the producing or marketing of rutabagas except under the authority of a licence;
- (c) providing for the refusal to grant a licence where the applicant is not qualified by experience, financial responsibility and equipment to engage in properly the business for which the application was made, or for any other reason that the local board considers proper;
- (d) providing for the suspension or revocation of, or the refusal to renew, a licence for failure to observe, perform or carry out the provisions of the Act, the regulations, the plan or any order or direction of the Board or local board;

- (e) providing for the fixing of licence fees, not exceeding 3 per cent of the price paid to the producer, payable yearly, half-yearly, quarterly or monthly at different amounts or in instalments from any or all persons producing or marketing rutabagas and the collecting of the licence fees and the recovering of such licence fees by suit in a court of competent jurisdiction;
- (f) prescribing the form of licences;
- (g) subject to section 3, providing for the exemption from any or all of the regulations, orders or directions under any plan of any class, variety, grade or size of rutabagas, or any person or class of persons engaged in producing or marketing of rutabagas or any class, variety, grade or size of rutabagas;
- (h) requiring the furnishing of security or proof of financial responsibility by any person engaged in the marketing of rutabagas and providing for the administration and disposition of any moneys or securities so furnished;
- (i) providing for the control and regulation of the marketing of rutabagas, including the times and places at which rutabagas may be marketed;
- (j) providing for the control and regulation of agreements entered into by producers of rutabagas with persons engaged in marketing rutabagas and the prohibition of any provision or clause in such agreements;
- (k) requiring any person who produces rutabagas to offer to sell and to sell rutabagas to or through the local board;
- (l) prohibiting any person from packing or packaging any rutabagas that have not been sold by or through the local board; and
- (m) providing for the making of agreements relating to the marketing of rutabagas through the local board, and prescribing the forms and the terms and conditions of such agreements. O. Reg. 536/79, s. 5.

6.—(1) The Board authorizes the local board to use any class of licence fees, service charges and other moneys payable to it for the purposes of paying the expenses of the local board, carrying out and enforcing the Act and the regulations and carrying out the purposes of the plan.

(2) The Board authorizes the local board to establish a fund in connection with the plan for the payment of any moneys that may be required for the purposes mentioned in subsection 1. O. Reg. 536/79, s. 6.

7. The Board authorizes the local board to appoint agents, to prescribe their duties and terms and condi-

tions of employment and to provide for their remuneration. O. Reg. 536/79, s. 7.

8.—(1) All rutabagas shall be marketed by or through the local board.

(2) No person shall market rutabagas except by or through the local board. O. Reg. 536/79, s. 8.

9. The Board vests in the local board the following powers:

1. To direct and control, by order or direction, either as principal or agent, the marketing of rutabagas, including the times and places at which rutabagas may be marketed.
2. To determine the quantity of each class, variety, grade and size of rutabagas that shall be marketed by each producer.
3. To prohibit the marketing of any class, variety, grade or size of rutabagas.
4. To determine from time to time the price or prices that shall be paid to producers or to the local board, as the case may be, for rutabagas or any class, variety, grade or size of rutabagas and to determine different prices for different parts of Ontario.
5. To fix and impose service charges from time to time for the marketing of rutabagas.
6. To require the price or prices payable or owing to the producer for rutabagas to be paid to or through the local board.
7. To collect from any person by suit in a court of competent jurisdiction the price or prices or any part thereof of rutabagas.
8. To pay from service charges imposed under paragraph 5 its expenses in carrying out the purposes of the plan.
9. To pay to the producers the price or prices for rutabagas less service charges imposed under paragraph 5 and to fix the times at which or within which such payments shall be made. O. Reg. 536/79, s. 9.

10. Each payment under paragraph 8 of section 9 shall be accompanied by a statement showing the variety, grades of each variety and quantity of each grade of rutabagas sold and the price or prices paid and the particulars of the service charges imposed by the local board. O. Reg. 536/79, s. 10.

Turkeys—Marketing.

Made—July 20th, 1979.

Filed—July 20th, 1979.

REGULATION TO AMEND

REGULATION 343 OF

REVISED REGULATIONS OF ONTARIO, 1970

MADE UNDER

THE FARM PRODUCTS MARKETING ACT

1. Clause *c* of section 8 of Regulation 343 of Revised Regulations of Ontario, 1970, as remade by section 3 of Ontario Regulation 164/73, is revoked and the following substituted therefor:

(*c*) to appoint persons to,

- (i) inspect the books, records, documents, lands and premises and any turkeys of persons engaged in producing or marketing turkeys, and

- (ii) enter on lands or premises used for the producing of turkeys and perform a count of turkeys;

2. Clause *e* of section 9 of the said Regulation, as remade by section 3 of Ontario Regulation 358/79, is revoked and the following substituted therefor:

- (*e*) subject to section 10, providing for the fixing of licence fees payable yearly, half-yearly, quarterly or monthly at different amounts or in instalments from any or all persons producing or marketing turkeys and the collecting of the licence fees and the recovering of such licence fees by suit in a court of competent jurisdiction provided that, in the case of turkeys sold for processing, the licence fees shall not exceed one-half of a cent for each pound live weight of turkeys produced and used for processing.

Proclamations

(Great Seal of Ontario) PAULINE M. McGIBBON
PROVINCE OF ONTARIO

ELIZABETH THE SECOND, by the Grace of God of the United Kingdom, Canada and Her other Realms and Territories, Queen, Head of the Commonwealth, Defender of the Faith.

TO ALL TO WHOM THESE PRESENTS SHALL COME,

GREETING:

PROCLAMATION

WHEREAS by an Act passed at the Third Session of the Thirty-first Legislature of Ontario convened on the sixth day of March, 1979 and adjourned on the twenty-second day of June, 1979 intituled "The Labour Relations Amendment Act, 1979", being Chapter 32 of the Statutes of Ontario, 1979, it is enacted thereof that the said Act shall come into force on a day to be named by Our Lieutenant Governor by her Proclamation;

AND WHEREAS it has appeared expedient that a Proclamation should now issue bringing the said Act into force;

NOW THEREFORE KNOW YE that, having taken the premises into Our Royal consideration, We, by and with the advice of Our Executive Council of Ontario and in the exercise of the power in US vested in this behalf by the said Act or otherwise howsoever, Do, by this Our Royal PROCLAMATION hereby Name Saturday, the first day of September, 1979 as the day upon which the said Act intituled "The Labour Relations Amendment Act, 1979", being Chapter 32 of the Statutes of Ontario, 1979 shall come into force.

OF ALL WHICH PREMISES all Our loving subjects and all others whom it doth or may in anywise concern are hereby required to take notice and govern themselves accordingly.

IN TESTIMONY WHEREOF We have caused these Our Letters to be made patent and the Great Seal of Our Province of Ontario to be hereunto affixed.

WITNESS:

THE HONOURABLE PAULINE M. McGIBBON,
An Officer of the Order of Canada, Bachelor of Arts, Doctor of Laws, Doctor of University, Doctor of Sacred Letters, Bachelor of Applied Arts (Theatre), Honorary Fellow Royal College of Physicians and Surgeons (Canada), LIEUTENANT GOVERNOR OF OUR PROVINCE OF ONTARIO,

at Our City of Toronto in Our said Province this eighteenth day of July, in the year of Our Lord one thousand nine hundred and seventy-nine and in the twenty-eighth year of Our Reign.

BY COMMAND

LORNE C. HENDERSON,
(2993) 32 Minister of Government Services.

PUBLIC NOTICE

NOTICE IS HEREBY GIVEN that the Toro Assicurazioni S.p.A., A Joint Stock Insurance Company with Head Office in Torino, Italy, has been licensed to transact liability and property insurance for the term beginning July 30th, 1979 and ending June 30th, 1980.

M. A. THOMPSON,
(2990) 32 Superintendent of Insurance.

Orders-in-Council

O.C. 2104/79

Copy of an Order-in-Council approved by Her Honour the Lieutenant Governor, dated the 18th day of July, A.D. 1979.

The Committee of Council have had under consideration the report of the Honourable the Minister of Transportation and Communications wherein he states that,

WHEREAS in and by Chapter 56 of the Statutes of Ontario, 1979, entitled "*The Public Commercial Vehicles Amendment Act, 1979*", it is enacted that the Lieutenant Governor in Council may by order from time to time issue policy statements setting out matters to be considered by the Ontario Highway Transport Board when determining questions of public necessity and convenience and the Ontario Highway Transport Board shall take such matters into consideration together with such other matters as the Ontario Highway Transport Board considers appropriate where the hearing or review is commenced after the policy statement is gazetted;

The Honourable the Minister of Transportation and Communications therefore recommends that the following be taken into consideration by the Ontario Highway Transport Board when determining questions of public necessity and convenience in relation to determining whether to recommend the designation of a commercial cartage zone;

1. the extent to which a single local community of economic interest exists throughout the area under consideration for inclusion in the commercial cartage zone;
2. the extent of economic interaction among the businesses and industries located within the commercial cartage zone under consideration;
3. the patterns of existing and predicted demand for local and line-haul trucking services;
4. the present availability of both local and line-haul trucking services to shippers; and
5. the impact of the creation of a commercial cartage zone upon existing local and line-haul carriers.

The Committee of Council concur in the recommendation of the Honourable the Minister of Transporta-

tion and Communications and advise that the same be acted on.

Certified,

D. Y. LEWIS,
Deputy Clerk, Executive Council.

O.C. 2105/79

Copy of an Order-in-Council approved by Her Honour the Lieutenant Governor, dated the 18th day of July, A.D. 1979.

The Committee of Council have had under consideration the report of the Honourable the Minister of Transportation and Communications wherein he states that,

WHEREAS in and by Chapter 56 of the Statutes of Ontario, 1979, entitled "*The Public Commercial Vehicles Amendment Act, 1979*", it is enacted that the Lieutenant Governor in Council may by order from time to time issue policy statements setting out matters to be considered by the Ontario Highway Transport Board when determining questions of public necessity and convenience and the Ontario Highway Transport Board shall take such matters into consideration together with such other matters as the Ontario Highway Transport Board considers appropriate where the hearing or review is commenced after the policy statement is gazetted;

The Honourable the Minister of Transportation and Communications therefore recommends that the Ontario Highway Transport Board, in determining questions of public necessity and convenience, take into consideration the need for an efficient and viable transportation industry which, given the characteristics of the suppliers and the nature of the market to be served, will:

1. support Ontario's general economic productivity;
2. use capital, equipment and manpower resources efficiently;
3. promote the efficient use of energy and minimize empty movements;
4. be responsive to existing market demand and changes thereto in terms both of the level and type of service;
5. offer service at the lowest cost in the long run;
6. be characterized by effective competition both within the trucking industry and between the trucking industry and other modes;
7. be innovative in service levels, equipment design and utilization, administration and freight-handling procedures;
8. take advantage, where possible, of intra-modal and inter-modal co-ordination; and
9. be provided by an appropriate mixture of small, medium and large operators.

The Committee of Council concur in the recommendation of the Honourable the Minister of Transportation and Communications and advise that the same be acted on.

Certified,

D. Y. LEWIS,
(2991) 32 Deputy Clerk, Executive Council.

Applications to Parliament — Private Bills

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Standing Orders governing the submission of such Bills:

NOTE: The previous Standing Orders of the Legislative Assembly have been repealed and the following put into effect by an Order of the House passed on Thursday, December 14th, 1978.

Attention is drawn to the more important changes:—

- No time limit.
- No penalties for late filing.
- Required notice of advertising reduced to four weeks from six weeks.

PRIVATE BILLS

Filing Bill with Clerk

65. (a) Any person, group or corporation may apply for a Private Bill by filing with the Clerk of the House a copy of the Bill together with a fee of \$150.00.

Applicant to pay cost of printing

(b) Every applicant for a Private Bill shall pay the cost of printing the Bill, including the cost of printing the Act in the annual Statutes.

Other charges

(c) Where a Standing Order is suspended with reference to a Bill, a charge of \$50.00 shall be levied.

Additional fees

(d) Where a Bill incorporates a company, or increases the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable in the case of an incorporation or increase of capital under The Business Corporations Act, less the sum of \$150.00 already paid to the Clerk of the House.

(e) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:—

On amounts less than \$10,000.....	\$ 25
On amounts over \$10,000 and up to \$25,000	50
On amounts over \$25,000 and up to \$40,000	75
On amounts over \$40,000 and up to \$75,000	100

On amounts over \$75,000 and up to \$125,000	125
On amounts over \$125,000 and up to \$175,000	150
On amounts over \$175,000 and up to \$250,000	200
On amounts over \$250,000 and up to \$350,000	250
and an additional fee of \$50 for every \$100,000 over \$350,000.	

Publication of Standing Orders re Private Bills

(f) The Clerk of the House shall publish weekly in *The Ontario Gazette* the Standing Orders respecting applications for Private Bills.

Required notice of applications

(g) Notice of an application for a Private Bill shall be given before it is referred to a Standing Committee by publishing it once a week for at least four weeks in each of *The Ontario Gazette* and one newspaper circulated in the municipality most affected and the notice shall,

- (i) be signed by or on behalf of the applicant;
- (ii) clearly state the nature and object of the application;
- (iii) when the application refers to any proposed work, indicate generally the location of the work; and

Bills for debenture issues

- (iv) where the application is by a municipal corporation for authority to issue debentures, set out the particulars of the existing debenture debt and the amount of the rateable property of the municipality according to the last revised assessment roll of the corporation and in brief and general terms, the object for which the new issue of debentures is required.

Clerk reports to Standing Procedural Affairs Committee

66. (a) The Clerk of the House shall refer to the Standing Procedural Affairs Committee any application that, in his opinion, does not comply with the Standing Orders.

Declaration re advertising

(b) The applicants for a Private Bill shall lodge with the Clerk of the House a declaration proving publication of the notice.

Letters Patent

67. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Charter or Agreement, shall be attached to it.

Certificate of Minister of Revenue re Letters Patent

68. No Bill relating to the status of a corporation shall be considered by any Committee until there has been deposited with the Clerk of the House a certificate of the Minister of Revenue showing that all taxes payable under The Corporations Tax Act in respect of the corporation have been paid.

Reference to Standing Committee after first reading. Exceptions

69. Every Private Bill when read a first time, shall, unless it is an Estate Bill, or a Bill providing for

a consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a municipal corporation, stand referred to the appropriate Standing Committee, and any Petitions to the House for or against the Bill stand referred to any such Committee.

Certain Municipal Applications referred to Ontario Municipal Board

70. (a) A Private Bill of a municipal corporation providing for the consolidation of a floating debt, or the consolidation or renewal of debentures (other than local improvement debentures) stand referred to the Ontario Municipal Board after first reading.

Board to report

(b) The Board, after due enquiry, shall report to the House whether or not it is reasonable that the Bill, or that part thereof relating to the matters referred to in clause (a), should pass and what, if any, alterations should be made in the Bill.

Report to Clerk

(c) A report shall be transmitted to the Clerk of the House.

Bill and report to Standing Committee

(d) The Bill and report shall stand referred to the appropriate Standing Committee.

Estate Bills to Commissioners

71. (a) Every Estate Bill stands referred to the Commissioners of Estate Bills after first reading.

Commissioners to report

(b) The Commissioners, or any two of them, shall report their opinion on the Bill and whether, presuming the allegations contained in the preamble to be proven to the satisfaction of the House, it is reasonable for the Bill to pass and what, if any, alterations are necessary.

Report to Clerk

(c) A report of the Commissioners of Estate Bills shall be transmitted to the Clerk of the House.

Adverse Report by Commissioners

(d) Where the Commissioners of Estate Bills report that, in their opinion, it is not reasonable that the Bill submitted to them pass into law, the Bill shall not be further considered.

Notice re Hearing by Standing Committee

72. (a) The Clerk of the House shall post on all notice boards five days notice of the date on which any Private Bill is to be considered by a Committee and the notice shall be published in the Notice Paper.

Notice of Next Day Meetings on Private Bills

(b) The Clerk shall also publish in the Notice Paper a notice of any meeting of a Committee to consider Private Bills to be held on the following day.

Consent of interested persons

73. Any person whose interest or property may be affected by a Private Bill, when required, shall appear before the Committee considering the Bill to express his consent or objection, or may consent in writing, proof of which may be demanded by the Committee.

On Order Paper after report

74. Private Bills when reported by Standing Committees or the Commissioners of Estate Bills shall be placed on the Order Paper for second reading.

Bills initialled and signed by Chairman

75. (a) The Chairman of a Committee considering a Private Bill shall initial each section of the Bill as it is passed and sign the Bill.

Amendments

(b) Amendments shall be clearly indicated in the signed copy, and the amendments or additions shall be initialled by the Chairman.

Reprinting amended Bills

76. Private Bills amended by a Committee or the Commissioners may be reprinted before further consideration as the Clerk of the House may direct and the applicant shall pay the cost of printing the Bill.

Referral after second reading

77. Private Bills, after second reading, shall be ordered for third reading, unless specially ordered referred to the Committee of the Whole House.

Notice required to dispense with Standing Orders

78. Except by unanimous consent of the House given in case of urgent and pressing necessity, no motion may be made to dispense with any Standing Order relating to Private Bills without due notice thereof.

Private Bill Register

79. A Private Bill Register shall be kept in the office of the Clerk of the House, in which shall be entered, by the Clerk appointed for that purpose, the name, description, and place of residence of the parties applying for the Bill, or of their agent, and all the proceedings thereon, such register to be open to public inspection daily, during office hours.

Parliamentary Agents

80. (a) Every Parliamentary Agent conducting proceedings before the House is personally responsible to the House and to the Speaker for the observance of the Standing Orders and Practices of Parliament, and also for the payment of all fees and charges.

Misconduct of Agent

(b) Any agent who wilfully acts in violation of the Standing Orders and Practices of Parliament, or who wilfully misconducts himself in prosecuting any proceedings before the House, is liable to an absolute or temporary prohibition to practise as a Parliamentary Agent, at the pleasure of the Speaker.

RODERICK LEWIS, Q.C.,

Clerk of the Legislative Assembly of Ontario.

Petitions to Parliament

Extract from the rules respecting the presentation of petitions

- Form 29. (c) Petitions may be either written or printed and only the original, properly signed, and addressed to the Lieutenant Governor and the Legislative Assembly need be presented.
- May not be signed by solicitor. Exceptions (d) Petitions may not be signed by a solicitor as such, unless he is acting for a petitioner unable to sign due to absence from the Province or illness, and only then if the solicitor holds a Power of Attorney to be produced to the Clerk of the House if required.
- Members responsible for contents (e) Members presenting petitions are answerable that they do not contain any improper matter.
- No petitions for expenditure of public funds (f) No petition can be received which prays for any expenditure, grant or charge on the public revenue, whether payable out of the Consolidated Revenue Fund, or out of moneys to be provided by the House.

SAMPLE FORM FOR PETITIONS

*To the Honourable the Lieutenant Governor and the
Legislative Assembly of Ontario:*

We, the undersigned, beg leave to petition the Parliament of Ontario,
as follows:

NOTE: The subject of the Petition must relate to a grievance within the competence of the Assembly to remedy **and must not pray for any expenditure, grant or charge on the public revenue.**

The Member of the House presenting the Petition for the petitioners must endorse his name thereon and be answerable that it contain no improper matter.

(1574) T.F.N.

RODERICK LEWIS, Q.C.,
Clerk of the Legislative Assembly of Ontario.

Applications to Parliament

SOUTH RUSSELL HOLDINGS LIMITED

NOTICE IS HEREBY GIVEN that on behalf of Dr. Herbert Basian, Jean Bloom and Elva Starkman, Executrix of the Estate of Dr. Sydney Starkman, an application will be made to the Legislative Assembly of the Province of Ontario at its current regular session commencing in 1979 for an act to revive South Russell Holdings Limited, which was dissolved on the 14th day of May, 1975, subject to any rights acquired by any person after its dissolution, and restore it to its legal position as a corporation including all its property, rights, privileges and franchises and subject to all its liabilities, contracts, disabilities and debts as at the date of its dissolution in the manner and to the same extent as if it had not been dissolved.

Dated at Toronto, this 20th day of July, 1979.

THE BOUNDARIES ACT
(R.S.O. 1970, Chapter 48, as Amended)

NOTICE OF HEARING
(B-732)

TAKE NOTICE that an Application has been made by Inco Limited for the purpose of confirming the true location on the ground of the boundaries of Lot 8, Concession 4; the boundary between Concessions 4 and 5 through Lots 5, 6 and 7; the easterly, westerly and northerly boundaries of Parcel 462 N.W.S., being part of Lot 7 in Concessions 4 and 5; and the northerly and westerly boundaries of Parcel 9582 S.E.S., the westerly boundary of Parcel 9583 S.E.S. and the northerly boundary of Parcel 6362 S.E.S., being part of Lot 7 in Concession 4; all in the Township of Falconbridge, now the Town of Nickel Centre, Regional Municipality of Sudbury.

AND FURTHER TAKE NOTICE that a draft plan of survey with the aforementioned boundaries shown in heavy, solid lines, dated June 14, 1979, and signed by G. T. Rogers, Ontario Land Surveyor, is deposited in my Office in the Legal and Survey Standards Branch, 3rd Floor, 543 Yonge Street, Toronto, Ontario, and may be inspected by any party or parties interested therein on any weekday, Monday through Friday.

AND FURTHER TAKE NOTICE that any person desiring to object to the confirmation of the boundaries as shown on the draft plan is required to deliver to me by registered mail or by personal service on or before the 17th day of September, 1979, a written statement setting forth the nature and grounds of the Objection.

AND FURTHER TAKE NOTICE that I have appointed the 28th day of September, 1979, at 2.30 o'clock in the afternoon to hear this Application in the Court House, 155 Elm Street West, Sudbury, Ontario, at which time any person who has filed a claim may appear either personally or through a solicitor to present the evidence in support thereof.

AND FURTHER TAKE NOTICE that I may deliberate upon the evidence presented and proceed in this Hearing regardless of the absence of any parties affected by this Application.

Dated at my Office in the Legal and Survey Standards Branch, 3rd Floor, 543 Yonge Street, Toronto, Ontario M7A 2J8, this 30th day of July, 1979.

JAMES N. GARDINER,
Assistant Deputy Director
of Titles.

(9302) 32 to 34

THE BOUNDARIES ACT
(R.S.O. 1970, Chapter 48, as Amended)

NOTICE OF CONFIRMATION
(B-756)

TAKE NOTICE that upon application made by The Corporation of the City of North York and pursuant to Section 11 of *The Boundaries Act*, I did confirm the true location on the ground of the boundaries of Mission Drive from Lionel Heights Crescent to Beveridge Drive; Acacia Avenue from its west end to Flindon Road; McAllister Road from Bathurst Street to Dunsmore Gardens; Norcross Road from Faywood Boulevard to Dunsmore Gardens; and Reiner Road from Bathurst Street to Faywood Boulevard; all in the City of North York, Municipality of Metropolitan Toronto, as set out in my Order of the 24th day of July, 1979.

AND FURTHER TAKE NOTICE that any person objecting to the confirmation may appeal to the Divisional Court of Ontario; notice of such appeal must be served upon me within twenty days after the date of publication of this Notice in THE ONTARIO GAZETTE. I have directed that this Notice be published in THE ONTARIO GAZETTE on the 11th day of August, 1979.

Dated at my Office in the Legal and Survey Standards Branch, 3rd Floor, 543 Yonge Street, Toronto, Ontario M7A 2J8, this 24th day of July, 1979.

THE PARKWAY BELT PLANNING AND
DEVELOPMENT ACT, 1973

O. Reg. 544/79.
Metropolitan Toronto, Borough of
Etobicoke.
Made—July 19th, 1979.
Filed—July 24th, 1979.

REGULATION TO AMEND
ONTARIO REGULATION 478/73 MADE UNDER
THE PARKWAY BELT PLANNING AND
DEVELOPMENT ACT, 1973

1.—(1) Paragraphs i, ii and iii of section 2 of Ontario Regulation 478/73 are revoked and the following substituted therefor:

(i) Lot 40 in Concession A fronting the Humber excepting the following:

1. Beginning at the southwesterly corner of the said Lot 40;

Thence north 73° 46' 45" east along the southerly limit of the said Lot 40 a distance of 684.88 feet to a point;

Thence north 37° 06' 40" east 430 feet to a point;

Thence north 46° 06' 40" east 248.39 feet to a point;

Thence north $3^{\circ} 53' 20''$ west 126.74 feet to a point;

Thence south $86^{\circ} 06' 40''$ west 357.42 feet to a point;

Thence south $88^{\circ} 38' 50''$ west 441.11 feet to a point;

Thence westerly along a curve to the left having a radius of 2,864.79 feet, an arc distance of 785.09 feet, having a chord equivalent of 782.65 feet bearing south $80^{\circ} 48' 15''$ west to a point;

Thence south $72^{\circ} 57' 30''$ west 98.12 feet to the westerly limit of the said Lot 40;

Thence south $72^{\circ} 57' 30''$ west 66 feet to the westerly limit of the road allowance between the said Concession A and Concession II fronting the Humber;

Thence southerly along that westerly limit to the westerly prolongation of the southerly limit of the said Lot 40;

Thence easterly along the said westerly prolongation to the place of beginning.

(ii) That portion of Lot 40 lying north of the southerly limit of the Canadian National Railways right of way in Concession II fronting the Humber excepting the following:

1. Beginning at the intersection of the northerly boundary of the Borough of Etobicoke and the centre line of the road allowance between concessions II and III fronting the Humber;

Thence southerly along the centre line of the said road allowance to a line parallel with and distant 100 feet measured northerly at right angles from the northerly limit of the Canadian National Railways right of way;

Thence easterly along that parallel line to the westerly limit of the lands of Ontario Hydro in the said Lot 40;

Thence northerly along that westerly limit to the northerly boundary of the Borough of Etobicoke;

Thence westerly along that northerly boundary to the place of beginning.

(iii) That portion of Lot 40 lying north of the southerly limit of the Canadian National

Railways right of way in Concession III fronting the Humber excepting the following:

1. Beginning at the intersection of the northerly boundary of the Borough of Etobicoke and the centre line of the road allowance between concessions II and III fronting the Humber;

Thence southerly along the centre line of the said road allowance to a line parallel with and distant 100 feet measured northerly at right angles from the northerly limit of the Canadian National Railways right of way;

Thence westerly along that parallel line to the centre line of the road allowance between concessions III and IV fronting the Humber;

Thence northerly along the centre line of the said road allowance to the northerly boundary of the Borough of Etobicoke;

Thence easterly along that northerly boundary to the place of beginning.

(2) Paragraph *iii*a of the said section 2, as made by section 1 of Ontario Regulation 410/75, is revoked.

(3) Paragraph *iv* of the said section 2, as remade by section 1 of Ontario Regulation 438/75 and amended by section 1 of Ontario Regulation 879/78, section 1 of Ontario Regulation 113/79 and section 1 of Ontario Regulation 314/79, is revoked and the following substituted therefor:

(iv) That part of the said Borough beginning at the intersection of the centre line of Lot 36 in Concession IV fronting the Humber and the easterly limit of the Indian Line Road;

Thence westerly along the westerly prolongation of the said centre line to the westerly boundary of the said Borough;

Thence northerly along that westerly boundary to the northerly boundary of the said Borough;

Thence easterly along that northerly boundary to a point distant 960 feet measured westerly therealong from the centre line of the road allowance between concessions III and IV fronting the Humber, the said point hereinafter designated as A;

Thence southerly to a point distant 850 feet measured southerly at right angles from a point on that northerly bound-

ary distant 470 feet measured westerly from the said point A;

Thence southerly to a point on the centre line of Albion Road distant 900 feet measured northwesterly therealong from the northerly limit of the right of way of the Canadian National Railways;

Thence southerly to a point distant 240 feet measured north 32° 27' west from the northeasterly angle of Part 1 as shown on a Plan deposited in the Land Registry Office for the Land Titles Division of Toronto and York South (No. 66) as Number 66R-7646;

Thence easterly and parallel with the northerly limit of the Canadian National Railways right of way to the centre line of the road allowance between concessions III and IV fronting the Humber;

Thence southerly along the said centre line of the said road allowance to the easterly prolongation of the southerly limit of the said Canadian National Railways right of way;

Thence westerly to and along the said right of way to the said northeasterly angle of the said Part 1;

Thence southerly along the easterly limit of parts 1 and 2 of the said Plan 66R-7646 to the southeasterly angle of the said Part 2;

Thence south 6° 13' 35" east 600 feet, more or less, to the northeasterly limit of the Indian Line Road;

Thence southerly along the said easterly limit to the place of beginning.

- (4) Paragraphs *iva* and *vi* of the said section 2, as made by section 1 of Ontario Regulation 410/75, are revoked.

CLAUDE BENNETT
Minister of Housing

32

THE HEALTH INSURANCE ACT, 1972

O. Reg. 552/79.

General.

Made—July 18th, 1979.

Filed—July 26th, 1979.

REGULATION TO AMEND ONTARIO REGULATION 323/72 MADE UNDER THE HEALTH INSURANCE ACT, 1972

- 1.—(1) Subsection 5c of section 36a of Ontario Regulation 323/72, as made by subsection 4 of section 1 of Ontario Regulation 177/79, is revoked and the following substituted therefor:

(5c) The amount of the co-payment referred to in subsection 5a is,

(a) for each payment month that the chronic care services are received by a person in a category set out in Column 2 of Table 2, the amount prescribed opposite thereto in Column 3 of Table 2 for the period the chronic care services are received in Column 1 of Table 2; and

(b) for each payment day that the chronic care services are received by a person in a category set out in Column 2 of Table 2, the amount prescribed opposite thereto in Column 4 of Table 2 for the period the chronic care services are received in Column 1 of Table 2.
O. Reg. 552/79, s. 1 (1).

- (2) Clause g of subsection 5d of the said section 36a, as made by subsection 4 of section 1 of Ontario Regulation 177/79, is revoked and the following substituted therefor:

(g) by a person who has no dependants, where the estimated income of such person does not exceed \$51.00;

- (3) Subsection 7e of the said section 36a, as made by subsection 6 of section 1 of Ontario Regulation 177/79, is revoked and the following substituted therefor:

(7e) The General Manager shall make payment to the licensee, where the chronic care services were provided to an insured person on or after the 1st day of April, 1979, in the amount of,

(a) \$840.25 less the amount of any co-payment that may be prescribed to be made by the person under this section for each payment month that the chronic care services are received by the insured person; and

(b) \$27.55 less the amount of any co-payment that may be prescribed to be made by the person under this section for each payment day that the chronic care services are received by an

insured person except the day that the person is discharged from the chronic care unit. O. Reg. 552/79, s. 1 (3).

2. Table 2 to the said Regulation, as made by section 5 of Ontario Regulation 177/79, is revoked and the following substituted therefor:

Table 2

ITEM	COLUMN 1	COLUMN 2	COLUMN 3	COLUMN 4
	Effective Period	Person Receiving Chronic Care Services	Co-Payment per Payment Month	Co-Payment per Payment Day
1.	On or after the 1st day of April, 1979, but before the 1st day of May, 1979.	Person with no dependants—maximum estimated income \$344.00	Estimated income less \$45.00	Estimated income less \$45.00, divided by 30.4
2.	On or after the 1st day of May, 1979, but before the 1st day of August, 1979.	Person with no dependants—maximum estimated income \$349.00	Estimated income less \$51.00	Estimated income less \$51.00, divided by 30.4
3.	On or after the 1st day of August, 1979	Person with no dependants—maximum estimated income \$356.65	Estimated income less \$51.00	Estimated income less \$51.00, divided by 30.4
4.	On or after the 1st day of April, 1979, but before the 1st day of August, 1979.	Person with one dependant—maximum aggregate estimated incomes \$2,144.00	Aggregate estimated incomes less \$1,250.00, divided by 3	Aggregate estimated incomes less \$1,250.00, divided by 91.2
5.	On or after the 1st day of August, 1979.	Person with one dependant—maximum aggregate estimated incomes \$2,167.00	Aggregate estimated incomes less \$1,250.00, divided by 3	Aggregate estimated incomes less \$1,250.00, divided by 91.2

THE EDUCATION ACT, 1974

O. Reg. 555/79.

Ontario Schools for the Blind
and the Deaf.

Made—June 14th, 1979.

Approved—July 18th, 1979.

Filed—July 26th, 1979.

REGULATION MADE UNDER
THE EDUCATION ACT, 1974ONTARIO SCHOOLS FOR THE BLIND
AND THE DEAF

INTERPRETATION

1. In this Regulation,

- (a) "applicant" means an applicant for admission to a School;
- (b) "bursar" means the business administrator of a School;
- (c) "Director" means the Executive Director of the Regional Services Division of the Ministry;
- (d) "Indian" means,

- (i) an Indian as defined in the *Indian Act* (Canada), or

- (ii) an Eskimo,

who is not qualified to be a resident pupil of a board;

- (e) "parent" includes a guardian;
- (f) "residence counsellor" means a person employed as a residence counsellor in a School;
- (g) "School" means a school referred to in section 2;
- (h) "Superintendent" means the Superintendent of a School. O. Reg. 555/79, s. 1.

DESIGNATIONS

2.—(1) The Ontario School for the Blind, Brantford is designated as The W. Ross Macdonald School.

(2) The Ontario School for the Deaf, Belleville is designated as The Sir James Whitney School.

(3) The Ontario School for the Deaf, Milton is designated as The Ernest C. Drury School.

(4) The Ontario School for the Deaf, London is designated as The Robarts School. O. Reg. 555/79, s. 2.

ADMISSIONS

3.—(1) Where an applicant who is not an Indian, or the parent of such applicant, submits to the Superintendent evidence satisfactory to the Superintendent that,

- (a) the applicant will be under the age of twenty-one years on the first day of the school year for which he seeks admission;
- (b) because of a visual or an auditory handicap, or both, as certified by a legally qualified medical practitioner, the applicant is in need of a special educational program in the School;
- (c) if the applicant is under eighteen years of age, the applicant's parent is a resident of Ontario; and
- (d) if the applicant is eighteen years of age or over, the applicant is a resident of Ontario,

the Superintendent shall, subject to subsection 2 and subsection 1 of section 8, admit the applicant to the School.

(2) An applicant who is qualified to be a resident pupil of a board that operates a day class for the hearing impaired that would be appropriate to the applicant shall not be admitted to an Ontario School for the Deaf except where in the opinion of the Minister the admission is in the best interests of the applicant.

(3) Where an applicant who is not an Indian and who will be twenty-one years of age or over on the first day of the school year for which he seeks admission submits to the Superintendent evidence satisfactory to the Superintendent under clauses *b* and *d* of subsection 1, and the Minister approves the admission of the applicant, the Superintendent shall admit the applicant to the School. O. Reg. 555/79, s. 3.

4. Where the minister of education for a province of Canada other than Ontario,

- (a) requests admission for an applicant,
 - (i) whose parent resides in that province or who, being eighteen years of age or over, himself resides in that province,
 - (ii) to whom clause *b* of subsection 1 of section 3 applies, and
 - (iii) who is not inadmissible under subsection 1 of section 8; and
- (b) agrees to pay such fees as are payable for the instruction and maintenance of the applicant,

and the Minister approves the admission of the applicant, the Superintendent shall admit the applicant. O. Reg. 555/79, s. 4.

5. Where the Minister of Indian Affairs and Northern Development for Canada,

- (a) requests admission for an applicant who,
 - (i) is an Indian to whom clause *b* of subsection 1 of section 3 applies, and
 - (ii) is not inadmissible under subsection 1 of section 8; and
- (b) agrees to pay such fees as are payable for the instruction and maintenance of the applicant,

and the Minister approves the admission of the applicant, the Superintendent shall admit the applicant. O. Reg. 555/79, s. 5.

6. Where an applicant who is not an Indian and who,

- (a) has not attained the age of eighteen years and whose parent is not a resident of any province of Canada; or
- (b) has attained the age of eighteen years and is not a resident of any province of Canada,

submits to the Superintendent evidence satisfactory to the Superintendent under clause *b* of subsection 1 of section 3, the Superintendent shall, where the Minister approves the admission of the applicant, admit the applicant to the School upon payment of a fee, determined by the Minister, that shall be not greater than the fee payable under section 10 or 11, as the case may be. O. Reg. 555/79, s. 6.

7. Where an applicant is eligible for admission under section 3, 4, 5 or 6, the Superintendent may admit him at any time during the school year provided that accommodation and a program are available. O. Reg. 555/79, s. 7.

8.—(1) An applicant shall not be admitted to a School if he is unable to profit from instruction in a program at the School.

(2) Where, in respect of an applicant, doubt exists as to whether,

- (a) evidence submitted under clause *b* of subsection 1 of section 3 establishes that the applicant is in need of a special educational program; or
- (b) the applicant is able to profit from instruction in a program,

at the School, the admission of the applicant may be for a trial period.

(3) Upon the request of the Superintendent, or of the parent of an applicant, or of an applicant who is eighteen years of age or over, the Minister may appoint a committee to hear and determine any question concerning the eligibility for admission of the applicant. O. Reg. 555/79, s. 8.

FEES

9. No fee is payable in respect of a pupil admitted to a School under section 3. O. Reg. 555/79, s. 9.

10.—(1) The fee payable in respect of the fiscal year 1976-77 and subsequent fiscal years on behalf of a pupil who is admitted under section 4 or 5 to a School referred to in subsection 2, 3 or 4 of section 2 and is in residence at such School shall be equal to the average of the quotients obtained by dividing, for each School,

- (a) the estimated operating costs of the School for such fiscal year, excluding where applicable the estimated costs of extension and resource services, teacher education, daily transportation of pupils, food services for the staff and for pupils who are not in residence, the summer course for parents, the media centre, the program for emotionally disturbed pupils and special projects,

by,

- (b) 425 in the case of The Sir James Whitney School and The Ernest C. Drury School, and 250 in the case of The Robarts School.

(2) The fee payable in respect of the fiscal year 1976-77 and subsequent fiscal years on behalf of a pupil who is admitted under section 4 or 5 to a School referred to in subsection 2, 3 or 4 of section 2 and is not in residence at such School shall be equal to the average of the quotients obtained by dividing, for each School,

- (a) the estimated operating costs of the School for such fiscal year, excluding where applicable the estimated costs of extension and resource services, teacher education, the laundry, residence counsellors and residence operating expenses, food services for the staff and for pupils who are in residence, the summer course for parents, the media centre, the program for emotionally disturbed pupils and special projects,

by,

- (b) 425 in the case of The Sir James Whitney School and The Ernest C. Drury School, and 250 in the case of The Robarts School. O. Reg. 555/79, s. 10.

11.—(1) Subject to subsection 2, the fee payable in respect of the fiscal year 1976-77 and subsequent fiscal years on behalf of a pupil who is admitted under section 4 or 5 to The W. Ross Macdonald School shall be equal to the quotient obtained by dividing by 275 the estimated operating costs of the School for such fiscal year,

excluding the estimated costs of the deaf-blind program, the large-print library and the total stimulation program.

(2) The fee payable in respect of the fiscal year 1976-77 and subsequent fiscal years on behalf of a deaf-blind pupil who is admitted under section 4 or 5 to The W. Ross Macdonald School shall be equal to the quotient obtained by dividing,

- (a) the sum of the amounts allocated in the estimates of such School for such fiscal year to salaries of teachers, counsellors and aides in the deaf-blind program and to transportation and communication services and supplies for pupils in such program,

by,

- (b) the number of pupils enrolled in such program on the last school day in June of such fiscal year. O. Reg. 555/79, s. 11.

12. Where in any month a pupil for whom a fee is payable attends a School for only a part of the month, his fee for such month shall be reduced *pro rata*. O. Reg. 555/79, s. 12.

TRANSPORTATION

13.—(1) The Superintendent may provide daily transportation to and from a School for pupils of the School who are not in residence at the School.

(2) The Minister may pay all or part of the transportation costs for a pupil admitted to a School under section 3 where the board of which such pupil is qualified to be a resident pupil does not provide transportation to and from the School. O. Reg. 555/79, s. 13.

DUTIES OF PUPILS

14. A pupil at a School shall,

- (a) except with the permission of the Superintendent, be in attendance on the first day in the school year and attend classes punctually and regularly during the school year;
- (b) take such tests and examinations as may be required by the Superintendent;
- (c) exercise self-discipline and accept such discipline as would be exercised by a kind, firm and judicious parent;
- (d) be clean in his person and habits, diligent in his studies and courteous to other pupils and to the teaching and non-teaching staff of the School;
- (e) be responsible to the Superintendent for his conduct on the school premises, on out-of-

school activities and programs sponsored by the School and while travelling on a bus under contract to or owned by the Ministry;

- (f) leave the school premises only under conditions specified by the Superintendent; and
- (g) if the pupil is in residence at the School, participate in the programs provided by the residence counsellor for his residence area. O. Reg. 555/79, s. 14.

DUTIES OF TEACHERS

15. A person employed to teach at a School shall, in addition to the duties of a teacher under the Act,

- (a) be responsible for effective instruction in the subjects assigned to him by the Superintendent, the management of his classes and the discipline in his classroom;
- (b) co-operate with officials of the Ministry and the Superintendent for the purposes of planning and evaluating the program of instruction;
- (c) make adequate provision in his daily program for the individual differences of the pupils in his classes so that each pupil may experience a reasonable amount of success;
- (d) prepare for use in his class or classes such teaching plans and outlines as are required by the Superintendent and submit the plans and outlines to the Superintendent on request;
- (e) assist in maintaining discipline in the School and in fostering school spirit and morale; and
- (f) carry out such supervisory duties as may be assigned by the Superintendent. O. Reg. 555/79, s. 15.

DUTIES OF RESIDENCE COUNSELLORS

16. A residence counsellor shall,

- (a) be responsible for the residence area assigned to him by the Superintendent and provide for the safety, health, comfort and well-being of pupils in such area;
- (b) plan and provide programs to encourage and promote the growth and development of each pupil in his residence area and evaluate such programs;
- (c) make adequate provision for individual differences of the pupils in the programs that he provides;
- (d) record the growth and development of each pupil in his residence area;

- (e) assist in maintaining school spirit, morale and discipline;
- (f) carry out such supervisory duties as may be assigned to him by the Superintendent; and
- (g) co-operate with the Superintendent in all matters affecting the School. O. Reg. 555/79, s. 16.

PARENTS

17.—(1) There shall be deposited with the bursar a sum of at least \$20.00 to defray the personal incidental expenses of a pupil enrolled in a School.

(2) As a condition of admission of a pupil to a School, the parent of the pupil or the pupil, where he is over eighteen years of age, shall agree,

- (a) to supply on request of the Superintendent personal items necessary to enable the pupil to participate in school programs;
- (b) to provide transportation and escort for the pupil where necessary to ensure regular attendance if such transportation and escort is not otherwise provided;
- (c) to authorize the Superintendent, upon recommendation of the school physician, to arrange in case of emergency for the admission of the pupil to a hospital for treatment or surgery;
- (d) to permit such medical treatment of the pupil as may be recommended by the school physician, subject to any other consent that may be required;
- (e) to guarantee payment for medical and dental services required by the pupil during the school year, except such services that are provided by the School; and
- (f) to notify the Superintendent promptly of the reason for the absence of the pupil.

(3) The parent of a pupil may visit with the pupil at the School in which the pupil is enrolled as authorized by the Superintendent. O. Reg. 555/79, s. 17.

DUTIES OF SUPERINTENDENT

18. There shall be for each School a Superintendent who shall,

- (a) admit pupils in accordance with this Regulation;
- (b) decide the pupils who shall be in residence at the School and the pupils who shall reside in homes approved by him;

- (c) decide the mode of transportation to and from School to be used by a pupil for whom such transportation is provided by the School;
- (d) assign pupils to classes and programs;
- (e) transfer and promote such pupils as he considers proper;
- (f) establish and maintain, and retain, transfer and dispose of, a pupil record in respect of each pupil enrolled in the School, in the manner prescribed by the regulations;
- (g) at least once in every calendar year provide for a review of the placement of each pupil to ensure that the program is appropriate for the capabilities and needs of the pupil;
- (h) recommend for a Secondary School Graduation Diploma or a Secondary School Honour Graduation Diploma a pupil of the School who has completed the requirements for such diploma;
- (i) be in charge of the organization, management and discipline of the School and ensure that proper supervision is maintained at all times;
- (j) furnish to the Director, on his request, information on any matter affecting the interests of the School;
- (k) arrange for regular inspection of the school premises and report promptly to the Ministry of Government Services any repairs required to be made by that Ministry;
- (l) determine the times at which pupils may leave the school premises and the times at which they may be visited at the School;
- (m) notify the parent immediately if a pupil becomes seriously ill or requires hospital treatment off the school property;
- (n) notify the parent if a pupil damages or destroys school property and request suitable compensation;
- (o) hold emergency drill at the School and the residences at least six times during the school year and require that every pupil and staff member take part therein;
- (p) report promptly to the local medical officer of health and the Director any cases of infectious or contagious disease in the School; and
- (q) report at least once each term the progress of each pupil to his parent, or to the pupil where he is eighteen years of age or over. O. Reg. 555/79, s. 18.

19.—(1) The Superintendent may dismiss a pupil from a School or from a program in the School for a

period not exceeding thirty days because of misconduct, persistent opposition to authority, habitual neglect of duty, the wilful destruction of school property, the use of profane or wilfully insulting language, or conduct injurious to the moral tone of the School or to the physical or mental well-being of others in the School and, where a pupil has been so dismissed, the Superintendent shall notify forthwith in writing the pupil, his teachers, the parent of the pupil and the Director of the dismissal, the reasons therefor and the right of appeal under subsection 2.

(2) The parent of a pupil who has been dismissed under subsection 1, or the dismissed pupil where he is eighteen years of age or over, may, within seven days of the commencement of the dismissal, appeal to the Director against the dismissal, and the Director, after hearing the appeal or where no appeal is made, may remove, confirm or modify the dismissal and, where he considers it appropriate, may order that any record of the dismissal be expunged.

(3) The Director may dismiss a pupil permanently from a School on the ground that his conduct is so refractory that his presence is injurious to other pupils where,

- (a) the Superintendent so recommends;
- (b) the pupil and his parent have been notified in writing of,
 - (i) the recommendation of the Superintendent, and
 - (ii) the right of the pupil where he is eighteen years of age or over, and otherwise of his parent, to make representations at a hearing to be conducted by the Director; and
- (c) such hearing has been conducted.

(4) The parties to a hearing under this section shall be the parent of the pupil, or the pupil where he is eighteen years of age or over, and the Superintendent. O. Reg. 555/79, s. 19.

20.—(1) The Superintendent may discharge a pupil,

- (a) for failure to make progress satisfactory to the Superintendent; or
- (b) where the pupil is no longer in need of a special educational program in the School and another program placement would be more appropriate for the pupil.

(2) Where a pupil has been discharged under subsection 1, the Superintendent shall,

- (a) notify in writing the pupil and the parent of the pupil, of the discharge, the reason therefor and the right of appeal to the Director;

(b) counsel the parent of the pupil, or the pupil where he is eighteen years of age or over, in respect of the opportunities available to the pupil; and

(c) give supportive guidance to the parent and to the pupil where, in the opinion of the Superintendent, such guidance is necessary.

(3) The parent of a pupil who has been discharged under subsection 1, or the discharged pupil where he is eighteen years of age or over, may, within seven days of the discharge, appeal to the Director against the discharge, and the Director, after hearing the appeal or where no appeal is made, may confirm the discharge or order that the pupil be readmitted to the School.

(4) The parties to a hearing under this section shall be the parent of the pupil, or the pupil where he is eighteen years of age or over, and the Superintendent. O. Reg. 555/79, s. 20.

21. A Superintendent may cause a pupil to be sent home because of,

- (a) serious or continued ill-health of the pupil; or
- (b) the need of the pupil for medical treatment, certified by the school physician. O. Reg. 555/79, s. 21.

SUPERINTENDENT'S ADVISORY COUNCIL

22.—(1) A Superintendent may establish a Superintendent's Advisory Council for his School to make recommendations to the Superintendent in respect of the organization, administration and government of the School.

(2) A Superintendent's Advisory Council established under subsection 1 shall be composed of at least six persons appointed by the Superintendent, and such Council shall meet at the call of the Superintendent at least twice during each school year.

(3) A member of a Superintendent's Advisory Council is entitled to be reimbursed for his expenses necessarily incurred to attend a meeting of the Superintendent's Advisory Council. O. Reg. 555/79, s. 22.

QUALIFICATIONS OF TEACHERS

23.—(1) A teacher employed to teach the deaf at a School shall hold,

- (a) a certificate qualifying him to teach in an elementary school or a secondary school in Ontario or a letter of standing; and
- (b) the Diploma in Deaf Education granted by the Minister or qualifications in education of the deaf that the Minister considers equivalent thereto.

(2) A deaf adult may be employed to teach the deaf at a School if he holds a Permanent Letter of Standing valid for the teaching of the deaf.

(3) A teacher employed to teach the blind at a School shall,

(a) hold a certificate qualifying him to teach in an elementary school or a secondary school in Ontario or a letter of standing; and

(b) have completed, or be actively engaged in completing, the requirements for the specialist qualification for teaching the blind, or hold qualifications in education of the blind that the Minister considers equivalent thereto.

(4) A teacher employed to teach the deaf-blind at a School shall,

(a) hold a certificate qualifying him to teach in an elementary school or a secondary school in Ontario or a letter of standing; and

(b) have completed, or be actively engaged in completing, the requirements for the specialist qualification for teaching the deaf-blind, or hold qualifications in education of the deaf-blind that the Minister considers equivalent thereto. O. Reg. 555/79, s. 23.

REVOCATION

24. Regulation 198 of Revised Regulations of Ontario, 1970 and Ontario Regulations 81/75 and 119/76 are revoked. O. Reg. 555/79, s. 24.

BETTE STEPHENSON
Minister of Education

THE HIGHWAY TRAFFIC ACT

O. Reg. 558/79.

Restricted Use of the King's

Highway.

Made—July 18th, 1979.

Filed—July 27th, 1979.

REGULATION MADE UNDER THE HIGHWAY TRAFFIC ACT

RESTRICTED USE OF THE KING'S HIGHWAY

1.—(1) No person shall operate or ride,

(a) a farm tractor;

(b) a self-propelled implement of husbandry;

(c) a motor vehicle designed as a farm implement for drawing ploughs, mowing machines and other implements of husbandry and used for hauling a load;

(d) a horse; or

(e) a vehicle drawn by a horse,

on those parts of the King's Highway described in the Schedule.

(2) Subsection 1 does not apply to,

(a) a person who resides on lands adjoining the King's Highway to which lands there is no

other means of access by highway while such person is engaged in gaining access to or egress from such lands if in gaining such access or egress the person proceeds by the shortest route over such King's Highway to the lands; or

(b) a vehicle used for the maintenance of the highway. O. Reg. 558/79, s. 1.

2. Where the highway is referred to in the Schedule by a number or name, the reference is to that part of the King's Highway that is known thereby.

Schedule 1

All of the King's Highway known as No. 402. O. Reg. 558/79, Sched. 1.

THE PARKWAY BELT PLANNING AND DEVELOPMENT ACT, 1973

O. Reg. 559/79.
County of Halton (now The Regional Municipality of Halton), Town of Oakville.
Made—July 19th, 1979.
Filed—July 27th, 1979.

REGULATION TO AMEND
ONTARIO REGULATION 481/73
MADE UNDER
THE PARKWAY BELT PLANNING AND
DEVELOPMENT ACT, 1973

1. Ontario Regulation 481/73 is amended by adding thereto the following section:

44. Notwithstanding any other provision of this Order, the land described in Schedule 33 may be used for the extension of the existing drive-in theatre to accommodate 300 additional vehicles, and for the erection and use thereon of buildings and structures accessory thereto including:

- (a) a new concession projection booth, and
- (b) a new screen for attachment to the existing screen structure,

provided the following requirements are met:

Minimum distance of any building or structure from all lot lines	50 feet
Maximum height of the concession projection booth	25 feet

Maximum height of the new screen 40 feet

Maximum height of all accessory buildings and structures 15 feet

Minimum lot frontage 1,100 feet

O. Reg. 559/79, s. 1.

2. The said Regulation is further amended by adding thereto the following Schedule:

Schedule 33

Those parcels of land situate in the Town of Oakville in The Regional Municipality of Halton, formerly in the County of Halton, being those parts of Lot 5 in Concession I, south of Dundas Street, more particularly described as follows:

Premising that the course of the road allowance between lots 5 and 6 has a bearing of north 45° west and relating all bearings herein thereto;

1. Beginning at a point in the northeasterly limit of the said road allowance between lots 5 and 6 distant 3,214 feet, 1 inch measured southeasterly therealong from the most westerly angle of the said Lot 5, the said point being also distant 50 feet measured northwesterly from and at right angles to the centre line of a row of transmission towers as described in an Instrument registered in the Land Registry Office for the Registry Division of Halton (No. 20) as Number 19904;

Thence north 39° 07' east parallel to the said centre line 665 feet to the line of a wire fence;

Thence north 45° 05' west along the said fence 660 feet;

Thence south 39° 07' west 664 feet to the said northeasterly limit of the said road allowance;

Thence southeasterly therealong 660 feet to the place of beginning.

2. Beginning at a point in the northeasterly limit of the said road allowance between lots 5 and 6 distant 2,054 feet, 1 inch measured southeasterly therealong from the most westerly angle of the said Lot 5;

Thence north 45° east 666 feet, 2½ inches to a wire fence;

Thence south 44° 17' east therealong 431 feet, 11¼ inches;

Thence south 39° 07' west 664 feet to the said northeasterly limit of the said road allowance;

Thence northwesterly therealong 500 feet to the place of beginning.

Excepting therefrom that portion of the said Lot 5 more particularly described as follows:

Bearings herein are astronomic and are referred to the meridian through the most northerly angle of Lot 1 in Concession I, south of Dundas Street;

Beginning at a point in the southwesterly limit of the said Lot 5 where it is intersected by the northwesterly limit of the lands of Ontario Hydro distant 3,212.90 feet measured south 44° 58' 30" east along the said southwesterly limit from the most westerly angle of the said Lot 5;

Thence north 44° 58' 30" west along the said southwesterly limit 10.05 feet;

Thence north 39° 10' 30" east 664.93 feet to the southwesterly limit of the lands of the Ontario Hydro described in an Instrument registered in the said Land Registry Office as Number 28477;

Thence south 44° 59' 40" east along the said southwesterly limit 10.05 feet to the said northwesterly limit of the lands of Ontario Hydro;

Thence south 39° 10' 30" west along the said northwesterly limit 664.92 feet to the place of beginning. O. Reg. 559/79, s. 2.

THE ENVIRONMENTAL PROTECTION
ACT, 1971

O. Reg. 561/79.
Motor Vehicles.
Made—July 18th, 1979.
Filed—July 27th, 1979.

REGULATION MADE UNDER
THE ENVIRONMENTAL PROTECTION ACT,
1971

MOTOR VEHICLES

1. In this Regulation,

- (a) "catalytic converter" means a device through which exhaust from a motor is passed in order to prevent or lessen the emission of a contaminant and which device would be impaired in its functioning by the use of leaded gasoline as a fuel for operation of the motor;
- (b) "gross vehicle weight" means the manufacturer's gross weight rating;
- (c) "leaded gasoline" means gasoline that is not unleaded gasoline;
- (d) "light duty motor vehicle" means a motor vehicle having a gross vehicle weight of 2,720 kilograms or less, but does not include a motorcycle;
- (e) "model year", when used with respect to a motor vehicle, means the model year designated by the manufacturer but, where the manufacturer does not make such a designation, means the calendar year in which the manufacture of a motor vehicle is completed;
- (f) "motorcycle" means a motor vehicle having a seat or saddle for the use of the driver and designed to travel on not more than three wheels in contact with the ground and includes a bicycle with a motor attached and a motor scooter;
- (g) "unleaded gasoline" means gasoline that contains not more than 0.013 grams of lead per litre and not more than 0.0013 grams of phosphorus per litre. O. Reg. 561/79, s. 1.

2. Motor vehicles for which a permit under *The Highway Traffic Act* has not been issued are exempt from all the provisions of this Regulation except section 4. O. Reg. 561/79, s. 2.

3.—(1) No person shall use leaded gasoline as a fuel to operate a motor vehicle manufactured with a catalytic converter.

(2) No person shall operate or cause or permit the operation of a motor vehicle with a catalytic converter after leaded gasoline has been used as a fuel in the motor vehicle until the catalytic converter has been repaired or replaced.

(3) A motor vehicle manufactured with a catalytic converter incorporated as part of a system to prevent or lessen the emission of any contaminant shall include, as part of the system, a gasoline tank filler inlet that,

- (a) allows the insertion of a nozzle spout terminal end that has an outside diameter not greater than 2.134 centimetres;
- (b) has a restriction preventing the insertion of a nozzle spout terminal end that has an outside diameter greater than 2.362 centimetres; and
- (c) is designed to pass not more than 700 millilitres of gasoline into the tank when introduction of gasoline is attempted from a nozzle referred to in clause *b*. O. Reg. 561/79, s. 3.

4. No person shall operate a light duty motor vehicle from which there is a visible emission of a contaminant or contaminants for more than fifteen seconds in any five-minute period. O. Reg. 561/79, s. 4.

5. In respect of a motor or motor vehicle manufactured with a system or device to prevent or lessen the emission of any contaminant, the system or device, or any replacement therefor,

- (a) shall be maintained and kept in such a state of repair that it is capable of performing the function for which it was intended; and
- (b) shall be kept installed on, attached to or incorporated in the motor or motor vehicle in

such a manner that, when the motor or motor vehicle is operating, the system or device functions in the manner in which it was intended to function. O. Reg. 561/79, s. 5.

6.—(1) For a light duty motor vehicle of a model year and displacement listed in Column 1 of the Table, the figures appearing opposite in the remaining columns are prescribed as maximum emission standards for the vehicle with respect to the contaminant named at the head of each column when tested under the test conditions specified.

(2) Where a light duty motor vehicle is tested for compliance with the maximum emission standards prescribed by subsection 1,

- (a) the motor shall be at its normal operating temperature;
- (b) the transmission of the motor vehicle shall be in the neutral position;
- (c) for the test conditions indicated in Column 2, 4 or 6 of the Table the accelerator pedal shall not be depressed;
- (d) for the test conditions indicated in Column 3, 5 or 7 of the Table the accelerator pedal shall be depressed, so as to produce a rotational speed of the motor of between 2,450 and 2,550 revolutions per minute; and
- (e) the test, except a test of visible emissions, shall be carried out using an infrared analyzer or other analytical device or procedure of equivalent accuracy.

(3) Every motor vehicle for which emission standards are prescribed in subsection 1 shall comply with such standards.

Table

MAXIMUM EMISSION STANDARDS

		Exhaust Emissions				Visible Emissions of a Contaminant or Contaminants (seconds in any one-minute period)	
		Hydrocarbons (parts per million by volume)		Carbon Monoxide (per cent by volume)			
		Test Conditions					
		idle	fast idle	idle	fast idle	idle	fast idle
1		2	3	4	5	6	7
Model Year	Displacement						
Before 1969	2.29 litres or less	800	800	6	5	5	5
Before 1969	more than 2.29 litres	600	600	5	3	5	5
1969	2.29 litres or less	600	600	5	3	5	5
1969	more than 2.29 litres	500	500	4	2	5	5
1970 or 1971	2.29 litres or less	500	500	4	2.5	5	5
1970 or 1971	more than 2.29 litres	400	400	3	1.5	5	5
1972, 1973, 1974	2.29 litres or less	500	500	3.5	2	5	5
1972, 1973, 1974	more than 2.29 litres	400	400	2.5	1	5	5
1975 or after	2.29 litres or less	400	400	2.5	1.5	5	5
1975 or after	more than 2.29 litres	300	300	2	1	5	5

O. Reg. 561/79, s. 6.

7.—(1) A provincial officer, designated for the purpose of carrying out the provisions of Part III of the Act, or a police officer may, by written notice in Form 1, require the driver or owner of a motor vehicle to submit such motor vehicle for testing and inspection.

(2) Every driver or owner of a motor vehicle shall comply with a written notice given to him under subsection 1. O. Reg. 561/79, s. 7.

The Ontario Highway Transport Board Act

Penetang Midland Coach Lines
Ltd.,
475 Bay Street,
Midland, Ontario L4R 1L1.

The Ontario Highway Transport Board pursuant to Section 17 of *The Ontario Highway Transport Board Act*, R.S.O. 1970, Chapter 316, will review the Board certificates pursuant to which public vehicle operating licence No. 1708 was issued. The terms and conditions of the certificates will be reviewed with respect to the proviso which reads: "PROVIDED that the licensee be prohibited from using King's Highway No. 400, between its intersection with King's Highway No. 89 and its intersection with King's Highway No. 27 unless previously authorized." and the applications of this proviso to the routes authorized in the certificates in order that what was intended in the certificates may be given its true effect.

The Board may amend or revoke the terms of the said certificates.

The Board has fixed Tuesday, the 18th day of September, 1979, at its Chambers, Britannica House, 151 Bloor Street West, 10th Floor, Toronto, Ontario, at 10.00 a.m. (E.D.S.T.) for that purpose.

Should any person, who is a party to this review, not attend at the hearing, the Board may proceed in his/her absence and such person is not entitled to any further notice with respect to this review.

(3024) 33 D. S. CHURCH,
Secretary.

The following application for a certificate under *The Public Commercial Vehicles Act*, R.S.O. 1970, Chapter 375, will be heard by the Ontario Highway Transport Board, at its Chambers, Britannica House, 151 Bloor Street West, 10th Floor, Toronto, Ontario, on Monday, the 17th day of September, 1979, at 10.00 a.m. (E.D.S.T.).

Should any person, who is a party to this application not attend at the hearing, the Board may proceed in his/her absence and such person is not entitled to any further notice with respect to this application.

Kem Oil Limited, 31345
6 Statheden Road,
Toronto, Ontario,

applies for a Class 'T' public commercial vehicle operating licence as follows:

For the transportation of petroleum products for and on behalf of Imperial Oil Limited between supply installations and customers and service stations located within an area bounded by Highway 6 on the west, Highway 9 on the north, Highway 35 on the east and Lake Ontario on the south.

PROVIDED that all tank trucks and tank trailers utilized hereunder shall have a maximum capacity of 11,000 gallons".

This replaces application which appeared in THE ONTARIO GAZETTE of July 7th, 1979, on page 3178.

(3025) 33 D. S. CHURCH,
Secretary.

The following applications for certificates under *The Public Commercial Vehicles Act*, R.S.O. 1970, Chapter 375, will be heard by the Ontario Highway Transport Board, at the Ottawa City Hall (Whitton Hall), 111 Sussex Drive, Ottawa, Ontario, on Thursday, the 27th day of September, 1979, at 10.00 a.m. (E.D.S.T.).

Should any person, who is a party to one or more of these applications, not attend at the hearing, the Board may proceed in his/her absence and such person is not entitled to any further notice with respect to such application.

David A. McIntyre, Esq., 27546-C
R.R. #1,
Finch, Ontario K0C 1K0,

applies for a Class 'D' public commercial vehicle operating licence as follows:

Published by the
Ministry of Government Services

Printed by J. C. Thatcher,
Queen's Printer for Ontario

4159

"For the carriage of new and used farm machinery for and on behalf of Carl Don Equipment Ltd. to and from their installations in the Township of Mountain and the Village of Chesterville both in the United Counties of Stormont, Dundas and Glengarry from and to points in Ontario";

27546-D

also applies for a Class 'FS' public commercial vehicle operating licence as follows:

"For the carriage of feed, fertilizer and supplies for use in the operation and maintenance of farms only, to and from farms in the Regional Municipality of Ottawa-Carleton, the United Counties of Leeds and Grenville and the United Counties of Stormont, Dundas and Glengarry from and to points in Ontario".

D. S. CHURCH,
Secretary.

(3026) 33

The following applications for certificates under *The Public Commercial Vehicles Act*, R.S.O. 1970, Chapter 375, *The Public Vehicles Act*, R.S.O. 1970, Chapter 392 and the *Motor Vehicle Transport Act*, R.S.C. 1970, Chapter M-14, will be heard by the Ontario Highway Transport Board at the Moot Court Room, The University of Western Ontario, London, Ontario, on Wednesday, the 19th day of September, 1979, at 10.00 a.m. (E.D.S.T.).

Should any person, who is a party to one or more of these applications, not attend at the hearing, the Board may proceed in his/her absence and such person is not entitled to any further notice with respect to such application.

Wayne Ramesbottom, Esq., 28352-C
407 Bell Street,
Ingersoll, Ontario N5C 2P7,

applies for an extension to extra-provincial operating licence No. X-1611 as follows:

"For the carriage of goods for and on behalf of:

(a) Northwood Building Materials, a Division of Northwood Mills Limited, 98 Clarke Side Road, London, Ontario N5W 5M9; and

(b) Marks Lumber Limited, Box 10, Brantford, Ontario,

from points in Ontario to points in the United States of America and return. Movement of goods from points in the United States of America to points in Ontario, for and on behalf of the aforesaid shippers; crossing at all border crossing points on the Ontario-Michigan and Ontario-New York boundaries";

28352-D

also applies for an extension to Class 'D' public commercial vehicle operating licence No. D-3751 as follows:

"For the carriage of goods for and on behalf of:

(a) Northwood Building Materials, a Division of Northwood Mills Limited, 98 Clarke Side Road, London, Ontario N5W 5M9; and

(b) Marks Lumber Limited, Box 10, Brantford, Ontario,

between points in the Province of Ontario".

Robert Ernest Smith, Esq., 30681-A
458 Castlegrove Blvd.,
London, Ontario,

applies for an extension to public vehicle operating licence No. 3056 as follows:

"1. For the carriage of passengers from the City of Sarnia to the Toronto International Airport via Highways 402, 22 and 401 with the privilege of stopping at the City of London and the City of Woodstock to receive passengers travelling to the Toronto International Airport.

2. For the carriage of passengers from the Toronto International Airport to the City of Sarnia via Highways 401, 22 and 402 with the privilege of stopping at the City of Woodstock and the City of London to discharge passengers.

PROVIDED that charter privileges be prohibited".

Messrs. Bryan Thomas O'Rourke and 25843-D
David John O'Rourke,
John St., Box 22,
Dublin, Ontario N0K 1E0,

apply for Class 'FS' privileges on Class 'F' public commercial vehicle operating licence No. F-28924 as follows:

"For the carriage of feed for and on behalf of Mr. Dalton Fischer operating as 'Fischer Feeder Service', Lot 14, Concession 1, Fullerton, in the County of Perth, from points in the Province of Ontario to farms in the Counties of Perth and Huron".

M. Ludwig & Sons Limited, 10490-D
R.R. #2,
St. Williams, Ontario N0E 1P0,

applies for an extension to Class 'D' privileges on Class 'C' public commercial vehicle operating licence No. C-1249 as follows:

"For the carriage of vegetables and empty used containers for and on behalf of Bicks Pickles — Division of RH Multifoods Limited from grading stations in the Regional Municipality of Haldimand-Norfolk to processing plants of the said corporation in the Town of Dunnville or the Borough of Scarborough".

D. S. CHURCH,
(3027) 33 Secretary.

The following applications for certificates under *The Public Commercial Vehicles Act*, R.S.O. 1970, Chapter 375, will be heard by the Ontario Highway Transport Board at the Moot Court Room, The University of Western Ontario, London, Ontario, on Tuesday, the 18th day of September, 1979, at 10.00 a.m. (E.D.S.T.).

Should any person, who is a party to one or more of these applications, not attend at the hearing, the Board may proceed in his/her absence and such person is not entitled to any further notice with respect to such application.

John Paul McQuiggan, Esq., 31583
R.R. #1,
Eden, Ontario N0J 1H0,

applies for a Class 'R' public commercial vehicle operating licence as follows:

"For the carriage of:

- (a) sand, gravel, earth, crushed or uncut rock and stone, asphalt mixes, slag and rubble;
- (b) salt, calcium chloride, a mixture of sand and salt, and asphalt mixes directly to highway construction or maintenance sites or to stockpiles for further use on highway construction or maintenance sites;

between points in Region 3 as defined by the Ministry of Transportation and Communications.

Restricted to one vehicle".

Abe Lowen Wiebe, Esq., 26463-E
o/a A.L.W. Asphalt Paving Co.,
R.R. #1,
Aylmer, Ontario,

applies for an extension to Class 'R' public commercial vehicle operating licence No. R-5388 by adding three more vehicles for a total of eight. Region remains at 3.

(3028) 33 D. S. CHURCH,
Secretary.

The following application for a certificate under *The Public Commercial Vehicles Act*, R.S.O. 1970, Chapter 375, will be heard by the Ontario Highway Transport Board, at its Chambers, Britannica House, 151 Bloor Street West, 10th Floor, Toronto, Ontario, on Thursday, the 20th day of September, 1979, at 10.00 a.m. (E.D.S.T.).

Should any person, who is a party to this application not attend at the hearing, the Board may proceed in his/her absence and such person is not entitled to any further notice with respect to this application.

Norman Arthur Greenfield, Esq., 25088-B
Box #136,
Haliburton, Ontario,

applies to delete the present terms of Class 'D' operating licence No. D-950 which reads as follows:

"For transportation of goods and supplies (including uncrated used household furniture) from Haliburton to summer resorts within a radius of 25 miles thereof and vice versa.

PROVIDED the licensee be restricted to commercial motor vehicles having a maximum gross weight of 10,000 pounds each".

And substitute therefore:

"For transportation of goods and supplies (including uncrated used household furniture) from the place known as Haliburton to any customers within a radius of 25 miles thereof and vice versa.

PROVIDED the licensee be restricted to commercial motor vehicles having a maximum gross weight of 10,000 pounds each".

(3029) 33 D. S. CHURCH,
Secretary.

The following applications for a certificate under the *Motor Vehicle Transport Act*, R.S.C. 1970, Chapter M-14, will be heard by the Ontario Highway Transport Board, at its Chambers, Britannica House, 151 Bloor Street West, 10th Floor, Toronto, Ontario, on Monday,

the 24th day of September, 1979, at 10.00 a.m. (E.D.S.T.).

Should any person, who is a party to this application, not attend at the hearing, the Board may proceed in his/her absence and such person is not entitled to any further notice with respect to this application.

Husband Transport Limited, 02339-B6
10 Centre Street,
London, Ontario,

applies for an extension to extra-provincial operating licence No. X-478 as follows:

Delete the following:

"For the carriage of one person's goods at a time to or from points in Ontario to or from the international boundary at the Detroit River, for furtherance to or from points in the United States of America.

PROVIDED that:

- (a) there be no movement of goods to or from any point north of North Bay on King's Highway No. 11 and all present or future highways connecting with King's Highway No. 11 north of its intersection with King's Highway No. 17 near North Bay.
- (b) the licensee shall not operate internationally low-bed or drop-frame trailer equipment, or trailer equipment especially designed for the transportation of commodities in bulk;
- (c) the motor vehicles of the licensee shall not be operated internationally.

PROVIDED FURTHER that this authority be operated in conjunction with the complementary authorities of the Interstate Commerce Commission of the United States of America MC90548 of Husband International Transport (Ontario) Limited".

And substitute therefor the following:

"For the carriage of one person's goods at a time to or from points in Ontario to or from the international boundary at the Detroit River, for furtherance to or from points in the United States of America.

PROVIDED that:

- (a) there be no movement of goods to or from any point north of North Bay on King's Highway No. 11 and all present or future highways connecting with King's Highway No. 11 north of its intersection with King's Highway No. 17 near North Bay;
- (b) the licensee shall not operate internationally low-bed or drop-frame trailer equipment, or trailer equipment especially designed for the transportation of commodities in bulk".

(3030) 33 D. S. CHURCH,
Secretary.

The following application for a certificate under the *Motor Vehicle Transport Act*, R.S.C. 1970, Chapter M-14, will be heard by the Ontario Highway Transport Board, at its Chambers, Britannica House, 151 Bloor Street West, 10th Floor, Toronto, Ontario, on Tuesday, the 25th day of September, 1979, at 10.00 a.m. (E.D.S.T.).

Should any person, who is a party to this application, not attend at the hearing, the Board may proceed in his/her absence and such person is not entitled to any further notice with respect to this application.

413667 Ontario Limited,
14 Melair Drive,
Ayr, Ontario,

31514

applies for the transfer of extra-provincial operating licence No. X-825 now in the name of Drumbo Transport Limited of Northumberland, St. Ayr, Ontario.

31514-A

also applies for a Class 'F' public commercial vehicle operating licence as follows:

"CLASS 'FS' PRIVILEGES: For conveyance of livestock to and from farms within an eight-mile radius of Drumbo, within a ten-mile radius of Ayr and also within a ten-mile radius of Plattsville.

EXTENSION GRANTED:

For the carriage of livestock:

- (a) from farms within a 20-mile radius of Ayr to fairs and livestock sales,
- (b) from fairs and livestock sales to farms within a 20-mile radius of Ayr or a farm intermediate to the fair or livestock sales from which the livestock being carried is consigned."

CLASS 'F' PRIVILEGES: For the carriage of hogs from the assembly points of the Ontario Pork Producers Marketing Board, at or near Kitchener and Burford when such hogs originate at farms situate within an 8-mile radius of Drumbo, within a ten-mile radius of Ayr and within a ten-mile radius of Plattsville and are re-directed by the said Board to other points in the Province of Ontario.

ALSO: For the conveyance of livestock for J. M. Maus and Sons (1968) Limited:

EXTENSION GRANTED: For conveyance of livestock from an area within 5 miles of Galt for delivery to points within 75 miles of Galt.

EXTENSION GRANTED: For the carriage of livestock, for and on behalf of Messrs. Henry, Ernest and Bert Kahn, carrying on business under the firm name and style of "Kahn Bros.", to their farm at Lot 27, Concession 6, Whitby Township.

EXTENSION GRANTED: For the carriage of stocker and feeder cattle from and to points in Ontario except meat packing plants for the months of September, October, November and December only.

EXTENSION GRANTED: For the carriage of livestock to or from the installation of West-East Livestock Limited in the Township of Paipoonge (near Thunder Bay)."

PROVIDED the above terms are deleted from Class 'C' operating licence No. 687 in the name of Drumbo Transport Limited.

(3033) 33 D. S. CHURCH,
Secretary.

Percival Laidler, Dunnville, Ontario.

FRANK DREA,
Minister of Consumer and
Commercial Relations.

(3018) 33

The Environmental Assessment Act, 1975

MTC-23

Exemption Section 30

Having received a request from the Minister of Transportation and Communications that an under-taking namely:

The activity of carrying out planning, design, provision and construction under that portion of the Ministry of Transportation and Communi-cations' Capital Construction Program of Pro-vincial road construction consisting of those named works listed in the attached schedule.

be exempted from the application of the Act pur-suant to Section 30; and

Having been advised that if the undertaking is subject to the application of the Act, the following injury, damage or interference with the persons and property indicated will occur:

1. The Crown will be damaged by an increase in the costs of, and interfered with by the delay in the completion of projects for which Class environmental assessments have been formally submitted but not yet approved; and
2. The public will be interfered with by delay in the carrying out of highway projects; and

Having been advised of an existing environmental process implemented by the Ministry of Transporta-tion and Communications with respect to projects commenced before the Act came into force; and

Having weighed such injury, damage or interfer-ence with the betterment of the people of the whole or any part of Ontario by the protection, conserva-tion and wise management in Ontario of the envi-ronment which would result from the undertaking being subject to the application of the Act;

I am of the opinion that it is in the public interest to order and do order that the undertaking is exempt from the application of the Act for the following reasons:

1. In that Class Environmental Assessments to cover the project listed here have been formally submitted to the Minister of the Environment and are currently under review, the interference with the Provincial road construction program of the Ministry of Transportation and Communications which would be caused by the application of the Act would be undue; and
2. The protection, conservation and wise management of the environment will be sufficiently provided for in the interval prior to the completion of the Class Environmental Assessment by the environ-mental process already followed by the Ministry of Transportation and Communi-cations as part of its policy;

This exemption is subject to the following terms and conditions:

1. Projects on the attached schedule will be planning in accordance with the provisions outlined in the Draft Class Environmental Assessments currently under review under the Act.
2. For all projects on the attached schedule, the Ministry of Transportation and Com-munications shall prepare and submit an Environmental Study Report.

This order comes into force and has effect on and after the date upon which it is signed.

Dated at Toronto, this 26th day of July, 1979.

HARRY C. PARROTT, D.D.S.
Minister of the Environment.

Approved by:
O.C. No. 1941/79

MTC-24

THE ENVIRONMENTAL ASSESSMENT ACT, 1975

Exemption Section 30

Having received a request from the Toronto Area Transit Operating Authority, hereinafter referred to as "TATO", a public body and Crown agency reporting to the Minister of Transportation and Communications, that an undertaking, namely:

The implementation of the Milton/Toronto GO Rail service and the construction of associated commuter rail stations, an undertaking already having been exempted from the requirements of the Act pursuant to Section 30, listed as "Streetsville Limited GO Rail Service in order MTC G-7, published in THE ONTARIO GAZETTE dated 13th day of November, 1976, but which will be substantially completed, and thus the service not inaugurated by January 1, 1980,

be exempted from the application of the Act pursuant to Section 30; and

Having been advised:

1. That planning was completed and the selection of specific station sites was well underway, before the Act came into force, and that both the planning and design processes have involved comprehensive comparisons of alternative sites; and
2. That the sites for the stations have been selected and that consultants have been contracted to undertake station design, and that the design process is underway; and
3. That all of the station sites are on vacant lands, which are for the most part abutted by lands that are zoned commercial or industrial, and are on an existing and heavily used rail

right-of-way with ready access to major arterial roads; and

4. That resolutions have been passed by the municipalities in which the stations are being built approving their locations; and
5. That substantial funds have been committed for the purchase of signalling equipment, and that a design and procurement contract is underway for this equipment, which is to satisfy site specific requirements; and
6. That there have been external delays in the design and procurement of railway signalling equipment, such delays precluding the implementation of commuter rail service and the substantial completion of construction by January 1st, 1980, resulting in the loss of the exemption status under Exemption Order MTC G-7; and
7. That substantial delays in implementing the Milton/Toronto Service have resulted from delays elsewhere in the GO Rail system, specifically in the planning associated with the Toronto Transportation Terminal, the implementation of which would have had design implications for the Milton line; and
8. That additional delays have resulted from the withdrawal of the federal government commitment of funds for rail transit in this Province, which necessitated design modifications; and

Having been advised that if the undertaking is subject to the application of the Act, the following injury, damage, or interference with the persons and property will occur:

1. TATO will be interfered with and damaged by delays in the implementation of the Milton/Toronto GO Rail service that would be caused

by having to prepare and submit an Environmental Assessment on an undertaking for which planning has been completed and construction is scheduled to commence shortly.

2. The commuting public will be interfered with by a delay in the implementation of a service that is widely recognized as being desirable; and

Having weighed such injury, damage and interference with the betterment of the people of the whole or any part of Ontario by the protection, conservation and wise management in Ontario of the environment, which would result from the undertaking being subject to the application of the Act;

I am of the opinion that it is in the public interest to order and do order that the undertaking is exempt from the application of the Act for the following reasons:

1. The planning for the Milton/Toronto GO Rail service was completed and the station design, rail modification design, and signalling design and equipment procurement process well underway at the time the Act came into force; and
2. The implementation of commuter rail service from Milton to Toronto and the construction of the associated commuter rail stations is unlikely to cause significant environmental impact; and
3. The timely completion of the stations to coincide with the track modifications and signal installations is recognized as being essential for the early and economical implementation of the commuter rail service, such service being recognized as a desirable goal that is in the interests of the Province and the residents of those municipalities to be served by the provision of the Milton line, and the delay caused by the application of the Act would be undue.

This exemption is subject to the following terms and conditions:

1. TATO A shall prepare and submit to this Ministry an environmental status statement documenting the planning and design process at least 30 days prior to commencement of construction of the undertaking for information and monitoring purposes.

This order comes into force and is in effect on and after the day upon which it is signed.

Dated at Toronto, this 26th day of July, 1979.

HARRY C. PARROTT, D.D.S.,
Minister of the Environment.

MNR-17

THE ENVIRONMENTAL ASSESSMENT ACT, 1975

Exemption Section 30

Having received a request from the Minister of Natural Resources that an undertaking namely:

That portion of the Ministry of Natural Resources' Fish Stocking Program which consists of the introduction into a body of water or watercourse of fish,

be exempted from the application of the Act pursuant to Section 30; and

Having been advised that if the undertaking is subject to the application of the Act, the following injury, damage or interference with the persons indicated will occur:

1. The public will be interfered with by delay in implementation of new components of this part of the Fish Stocking Program.

Having weighed such injury, damage and interference with the betterment of the people of the whole or any part of Ontario by the protection, conservation and wise management from the undertaking being subject to the application of the Act;

I am of the opinion that it is in the public interest to order and do order that the undertaking is exempt from the application of the Act for the following reasons:

1. The Minister of Natural Resources has determined that this portion of the Fish Stocking Program has no significant adverse effects on the environment;
2. The protection, conservation and wise management of the environment will be sufficiently provided for by the planning and implementation of this portion of the Ministry of Natural Resources' Fish Stocking Program and the enforcement and observation of:
 - The Canada Fisheries Act, 1970;
 - The Game and Fish Act, 1970;
 - Ministry of Natural Resources' Fish Stocking Policy and Procedures;

The exemption is subject to the following terms and conditions:

1. The introduction into a body of water or watercourse in the Province of Ontario of a fish species not already naturally present in that body of water or watercourse or not present as a result of previous introductions approved or carried out by the Ministry of Natural Resources or its predecessors shall require an Environmental Assessment and approval to proceed if not commenced prior to December 31, 1979.
2. The introduction into a body of water or watercourse in the Province of Ontario of a fish species not already present in the Province of Ontario is not part of the undertaking exempt or temporarily exempt under this order and shall require an Environmental Assessment and approval to proceed.
3. Where the implementation of the undertaking requires that some activity, for which an Environmental Assessment has been carried out and an approval to proceed received, be conducted, that activity shall be carried out in accordance with the Environmental Assessment and approval to proceed.
4. Copies of the Ministry of Natural Resources' Fish Stocking Policy and Procedures, and of

any amendments to them subsequent to the date of this order, shall be made available to the public at local offices of the Ministry of Natural Resources and shall also be sent to the Environmental Approvals Branch to be kept with the records of Environmental Assessments and made available to the public in the same way as such records.

This order comes into force and has effect on the day upon which it is signed.

Dated at Toronto, this 24th day of July, 1979.

HARRY PARROTT, D.D.S.,
Minister of the Environment.

Applications to
Parliament —
Private Bills

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Standing Orders governing the submission of such Bills:

NOTE: The previous Standing Orders of the Legislative Assembly have been repealed and the following put into effect by an Order of the House passed on Thursday, December 14th, 1978.

Attention is drawn to the more important changes:—

- No time limit.
- No penalties for late filing.
- Required notice of advertising reduced to four weeks from six weeks.

PRIVATE BILLS

Filing Bill with Clerk

65. (a) Any person, group or corporation may apply for a Private Bill by filing with the Clerk of the House a copy of the Bill together with a fee of \$150.00.

Applicant to pay cost of printing

(b) Every applicant for a Private Bill shall pay the cost of printing the Bill, including the cost of printing the Act in the annual Statutes.

Other charges

(c) Where a Standing Order is suspended with reference to a Bill, a charge of \$50.00 shall be levied.

Additional fees

(d) Where a Bill incorporates a company, or increases the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable in the case of an incorporation or increase of capital under The Business Corporations Act, less the sum of \$150.00 already paid to the Clerk of the House.

(e) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:—

On amounts less than \$10,000.....	\$ 25
On amounts over \$10,000 and up to \$25,000	50
On amounts over \$25,000 and up to \$40,000	75
On amounts over \$40,000 and up to \$75,000	100

On amounts over \$75,000 and up to \$125,000	125
On amounts over \$125,000 and up to \$175,000	150
On amounts over \$175,000 and up to \$250,000	200
On amounts over \$250,000 and up to \$350,000	250
and an additional fee of \$50 for every \$100,000 over \$350,000.	

Publication of Standing Orders re Private Bills

(f) The Clerk of the House shall publish weekly in *The Ontario Gazette* the Standing Orders respecting applications for Private Bills.

Required notice of applications

(g) Notice of an application for a Private Bill shall be given before it is referred to a Standing Committee by publishing it once a week for at least four weeks in each of *The Ontario Gazette* and one newspaper circulated in the municipality most affected and the notice shall,

- (i) be signed by or on behalf of the applicant;
- (ii) clearly state the nature and object of the application;
- (iii) when the application refers to any proposed work, indicate generally the location of the work; and

Bills for debenture issues

(iv) where the application is by a municipal corporation for authority to issue debentures, set out the particulars of the existing debenture debt and the amount of the rateable property of the municipality according to the last revised assessment roll of the corporation and in brief and general terms, the object for which the new issue of debentures is required.

Clerk reports to Standing Procedural Affairs Committee

66. (a) The Clerk of the House shall refer to the Standing Procedural Affairs Committee any application that, in his opinion, does not comply with the Standing Orders.

Declaration re advertising

(b) The applicants for a Private Bill shall lodge with the Clerk of the House a declaration proving publication of the notice.

Letters Patent

67. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Charter or Agreement, shall be attached to it.

Certificate of Minister of Revenue re Letters Patent

68. No Bill relating to the status of a corporation shall be considered by any Committee until there has been deposited with the Clerk of the House a certificate of the Minister of Revenue showing that all taxes payable under The Corporations Tax Act in respect of the corporation have been paid.

Reference to Standing Committee after first reading. Exceptions

69. Every Private Bill when read a first time, shall, unless it is an Estate Bill, or a Bill providing for

a consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a municipal corporation, stand referred to the appropriate Standing Committee, and any Petitions to the House for or against the Bill stand referred to any such Committee.

Certain Municipal Applications referred to Ontario Municipal Board

70. (a) A Private Bill of a municipal corporation providing for the consolidation of a floating debt, or the consolidation or renewal of debentures (other than local improvement debentures) stand referred to the Ontario Municipal Board after first reading.

Board to report

(b) The Board, after due enquiry, shall report to the House whether or not it is reasonable that the Bill, or that part thereof relating to the matters referred to in clause (a), should pass and what, if any, alterations should be made in the Bill.

Report to Clerk

(c) A report shall be transmitted to the Clerk of the House.

Bill and report to Standing Committee

(d) The Bill and report shall stand referred to the appropriate Standing Committee.

Estate Bills to Commissioners

71. (a) Every Estate Bill stands referred to the Commissioners of Estate Bills after first reading.

Commissioners to report

(b) The Commissioners, or any two of them, shall report their opinion on the Bill and whether, presuming the allegations contained in the preamble to be proven to the satisfaction of the House, it is reasonable for the Bill to pass and what, if any, alterations are necessary.

Report to Clerk

(c) A report of the Commissioners of Estate Bills shall be transmitted to the Clerk of the House.

Adverse Report by Commissioners

(d) Where the Commissioners of Estate Bills report that, in their opinion, it is not reasonable that the Bill submitted to them pass into law, the Bill shall not be further considered.

Notice re Hearing by Standing Committee

72. (a) The Clerk of the House shall post on all notice boards five days notice of the date on which any Private Bill is to be considered by a Committee and the notice shall be published in the Notice Paper.

Notice of Next Day Meetings on Private Bills

(b) The Clerk shall also publish in the Notice Paper a notice of any meeting of a Committee to consider Private Bills to be held on the following day.

Consent of interested persons

73. Any person whose interest or property may be affected by a Private Bill, when required, shall appear before the Committee considering the Bill to express his consent or objection, or may consent in writing, proof of which may be demanded by the Committee.

On Order Paper after report

74. Private Bills when reported by Standing Committees or the Commissioners of Estate Bills shall be placed on the Order Paper for second reading.

Bills initialled and signed by Chairman

75. (a) The Chairman of a Committee considering a Private Bill shall initial each section of the Bill as it is passed and sign the Bill.

Amendments

(b) Amendments shall be clearly indicated in the signed copy, and the amendments or additions shall be initialled by the Chairman.

Reprinting amended Bills

76. Private Bills amended by a Committee or the Commissioners may be reprinted before further consideration as the Clerk of the House may direct and the applicant shall pay the cost of printing the Bill.

Referral after second reading

77. Private Bills, after second reading, shall be ordered for third reading, unless specially ordered referred to the Committee of the Whole House.

Notice required to dispense with Standing Orders

78. Except by unanimous consent of the House given in case of urgent and pressing necessity, no motion may be made to dispense with any Standing Order relating to Private Bills without due notice thereof.

Private Bill Register

79. A Private Bill Register shall be kept in the office of the Clerk of the House, in which shall be entered, by the Clerk appointed for that purpose, the name, description, and place of residence of the parties applying for the Bill, or of their agent, and all the proceedings thereon, such register to be open to public inspection daily, during office hours.

Parliamentary Agents

80. (a) Every Parliamentary Agent conducting proceedings before the House is personally responsible to the House and to the Speaker for the observance of the Standing Orders and Practices of Parliament, and also for the payment of all fees and charges.

Misconduct of Agent

(b) Any agent who wilfully acts in violation of the Standing Orders and Practices of Parliament, or who wilfully misconducts himself in prosecuting any proceedings before the House, is liable to an absolute or temporary prohibition to practise as a Parliamentary Agent, at the pleasure of the Speaker.

RODERICK LEWIS, Q.C.,

Clerk of the Legislative Assembly of Ontario.

Petitions to Parliament

Extract from the rules respecting the presentation of petitions

Form	29. (c) Petitions may be either written or printed and only the original, properly signed, and addressed to the Lieutenant Governor and the Legislative Assembly need be presented.
May not be signed by solicitor. Exceptions	(d) Petitions may not be signed by a solicitor as such, unless he is acting for a petitioner unable to sign due to absence from the Province or illness, and only then if the solicitor holds a Power of Attorney to be produced to the Clerk of the House if required.
Members responsible for contents	(e) Members presenting petitions are answerable that they do not contain any improper matter.
No petitions for expenditure of public funds	(f) No petition can be received which prays for any expenditure, grant or charge on the public revenue, whether payable out of the Consolidated Revenue Fund, or out of moneys to be provided by the House.

SAMPLE FORM FOR PETITIONS

To the Honourable the Lieutenant Governor and the
Legislative Assembly of Ontario:

We, the undersigned, beg leave to petition the Parliament of Ontario,
as follows:

NOTE: The subject of the Petition must relate to a grievance within the competence of the Assembly to remedy **and must not pray for any expenditure, grant or charge on the public revenue.**

The Member of the House presenting the Petition for the petitioners must endorse his name thereon and be answerable that it contain no improper matter.

(1574) T.F.N.

RODERICK LEWIS, Q.C.,
Clerk of the Legislative Assembly of Ontario.

THE BOUNDARIES ACT (R.S.O. 1970, Chapter 48, as Amended)

NOTICE OF HEARING (B-759)

TAKE NOTICE that an Application has been made by The Corporation of the City of North York for the purpose of confirming the true location on the ground of the boundaries of Canterbury Place from Ellerslie Avenue to the south limit of Registered Plan 3163; and Champagne Drive from Chesswood Drive to Finch Avenue West; all in the City of North York, Municipality of Metropolitan Toronto.

AND FURTHER TAKE NOTICE that two draft plans of survey with the aforementioned boundaries shown in heavy, solid lines, made by the firm of Edwards and Gunn Limited, Ontario Land Surveyors, both of which are dated June 6, 1979, and signed by B. K. Edwards, Ontario Land Surveyor, are deposited in my Office in the Legal and Survey Standards Branch, 3rd Floor, 543 Yonge Street, Toronto, Ontario, in the office of the Surveyor, Edwards and Gunn Limited, 163 Willowdale Avenue, Willowdale, Ontario; and in the City of North York Municipal Offices, Department of Public Works (Records Section), 5000 Yonge Street, Willowdale, Ontario and may be inspected by any party or parties interested therein on any weekday, Monday through Friday.

AND FURTHER TAKE NOTICE that copies of the said plans shall be supplied to any interested parties requesting same from office of the Surveyor (Edwards and Gunn Limited; telephone: 221-6717).

AND FURTHER TAKE NOTICE that any person desiring to object to the confirmation of the boundaries as shown on the draft plans is required to deliver to me by registered mail or by personal service on or before the 17th day of September, 1979, a written statement setting forth the nature and grounds of the Objection.

AND FURTHER TAKE NOTICE that I have appointed the 25th day of September, 1979, at 1.30 o'clock in the afternoon to hear this Application in Hearing Room 2B, 2nd Floor, 543 Yonge Street, Toronto, Ontario, at which time any person who has filed a claim may appear either personally or through a solicitor to present the evidence in support thereof.

AND FURTHER TAKE NOTICE that I may deliberate upon the evidence presented and proceed in this Hearing regardless of the absence of any parties affected by this Application.

Dated at my Office in the Legal and Survey Standards Branch, 3rd Floor, 543 Yonge Street, Toronto, Ontario M7A 2J8, this 2nd day of August, 1979.

JAMES N. GARDINER,
Assistant Deputy Director
of Titles.
(9363) 33

THE BOUNDARIES ACT (R.S.O. 1970, Chapter 48, as Amended)

NOTICE OF CONFIRMATION (B-745)

TAKE NOTICE that upon application made by Lewis Allen and pursuant to Section 11 of *The Boundaries Act*, I did confirm the true location on the ground of the boundaries of the land described in Instrument 607112, registered in the Land Registry Office for the Registry Division of Simcoe, being Lot 38, Registered Plan 669, in the Town of Wasaga Beach, County of Simcoe, as set out in my Order of the 1st day of August, 1979.

AND FURTHER TAKE NOTICE that any person objecting to the confirmation may appeal to the Divisional Court of Ontario; notice of such appeal must be served upon me within twenty days after the date of publication of this Notice in THE ONTARIO GAZETTE. I have directed that this Notice be published in THE ONTARIO GAZETTE on the 18th day of August, 1979.

Dated at my Office in the Legal and Survey Standards Branch, 3rd Floor, 543 Yonge Street, Toronto, Ontario M7A 2J8, this 1st day of August, 1979.

JAMES N. GARDINER,
Assistant Deputy Director
of Titles.

Sheriffs' Sales of Lands

COUNTY COURT OF THE COUNTY OF HASTINGS

UNDER AND BY VIRTUE OF an execution issued out of the County Court of the County of Hastings to me directed, against the lands and tenements of Jack Dodson, Defendant, at the suit of Mid-Way Motors (Quinte) Ltd., Plaintiff, I have seized and taken in execution all the right, title, interest and equity of redemption of Jack Dodson, Defendant, in and to:

All and Singular that certain parcel or tract of land and premises situate, lying and being in the City of Belleville, in the County of Hastings and Province of Ontario being that part of Lot Number 17 on the west side of Bleecker Ave., according to registered plan Number 291 for the said City, more particularly described as follows:

Commencing at the northeastern angle of said Lot 17;

Thence in a westerly direction along the line of an old fence marking the northern limit of said Lot 135.82 feet to a survey post planted;

Thence continuing along said fence in a westerly direction 35.79 feet to a survey post planted in the line of an old wire fence running southerly therefrom;

Thence in a southerly direction following the line of the old wire fence 67.0 feet to a survey post planted in the line of a row of old fence posts running easterly therefrom;

Thence in an easterly direction along the line of the row of old fence posts 35.89 feet to an old wire fence running southerly therefrom;

Thence in a northerly direction 2.0 feet to a survey post planted in the line of an old wire fence running easterly therefrom;

Thence in an easterly direction along the line of an old wire fence 135.85 feet more or less to a survey post planted in the western limit of Bleecker Avenue distant 66.21 feet measured southerly thereon from the northeastern angle of said Lot 17;

Thence northerly along the western limit of Bleecker Avenue 66.21 feet to the point of commencement.

On the premises is said to be erected a brick house and frame garage.

All of which said right, title, interest and equity of redemption of the said Jack Dodson in the said lands and tenements, I shall offer for sale by public auction in my office, Room 203, Court House, 235 Pinnacle St., Belleville, Ontario, on Thursday, September 20th, 1979, at 10 o'clock in the forenoon.

Dated at Belleville, Ontario, this 1st day of August, 1979.

Terms: Cash

Deposit 10% of bid price at time of sale
(minimum \$300.00)

Ten days to arrange financing
Delivery only on payment in full

This sale is subject to cancellation up to time of sale without any further notice.

(9346) 33 ROSS C. BAILEY,
Sheriff, County of Hastings.

UNDER AND BY VIRTUE OF a Writ of Execution issued out of the County Court of the Judicial District of Waterloo, to me directed, against the lands and tenements of Hans Butter, Defendant, at the suit of Laurentide Finance Company, Plaintiff, I have seized and taken in execution all the right, title, interest and equity of redemption of the said Hans Butter, Defendant, in and to:

All and Singular that certain parcel or tract of land and premises situate, lying and being in the City of Waterloo, in the Judicial District of Waterloo, in the Province of Ontario, being composed of the whole of Lot 234, according to Plan 1187 for the City of Waterloo.

Municipally known as 197 Glen Grove Place, Waterloo.

On the premises is said to be erected a grey brick side split level with a one car garage.

All of which said right, title, interest and equity of redemption of Hans Butter, Defendant, in the said lands and tenements, I shall sell by public auction in my office in the Court House, 20 Weber Street East, Kitchener, Ontario, on Wednesday, September 26th, 1979, at 11.00 a.m. in the forenoon.

Dated at Kitchener, Ontario, this 30th day of July, 1979.

Terms: Cash or certified cheque.

Deposit of 10% of a bid at time of sale.

Ten days to arrange financing.

Delivery only on payment in full.

This sale is subject to cancellation up to the time of sale without further notice.

THE PLANNING ACT

O. Reg. 562/79.
Delegation of Authority of Minister
Under Section 30a of the Act.
Made—July 30th, 1979.
Filed—July 30th, 1979.

REGULATION MADE UNDER
THE PLANNING ACT

DELEGATION OF AUTHORITY OF
MINISTER UNDER SECTION 30a OF
THE PLANNING ACT

1. Subject to sections 2 and 3, all authority of the Minister to give consents under section 29 of the Act in respect of any land situate in the Township of Wicksteed, in the Territorial District of Algoma, is hereby delegated to the Township of Wicksteed Planning Board. O. Reg. 562/79, s. 1.
2. The delegation made in section 1 does not apply in respect of any application for a consent under section 29 of the Act received by the Minister prior to the day this Order comes into force. O. Reg. 562/79, s. 2.
3. The delegation made in section 1 is subject to the condition that the Township of Wicksteed Planning Board comply with the rules of procedure in respect of consent applications prescribed by regulation from time to time, as referred to in subsection 12 of section 41 of the Act, but failure to comply with this condition in any respect does not of itself terminate the delegation of authority. O. Reg. 562/79, s. 3.
4. This Order comes into force on the 1st day of August, 1979. O. Reg. 562/79, s. 4.

CLAUDE BENNETT
Minister of Housing

Dated at Toronto, this 30th day of July, 1979.

THE LAND TRANSFER TAX ACT, 1974

O. Reg. 563/79.
Exemption—Conveyance to Family Farm
Corporation or Family Business
Corporation.
Made—July 18th, 1979.
Filed—July 30th, 1979.

REGULATION MADE UNDER
THE LAND TRANSFER TAX ACT, 1974

EXEMPTION—CONVEYANCE TO FAMILY
FARM CORPORATION
OR
FAMILY BUSINESS CORPORATION

- 1.—(1) In this Regulation,
- (a) “child” means child as defined in clause a of section 1 of *The Family Law Reform Act, 1978*;
- (b) “family business corporation” means a corporation in which, at the date of registration of any conveyance with respect to which the expression is being applied, all of the issued shares except for directors’ qualifying shares are owned by a person or persons, each of whom is not a non-resident person and each of whom is a member of the family of each transferor of the land being conveyed, and where any of such persons is a corporation the provisions of subclauses c and d of subsection 1 of section 3 are applicable to such corporation;
- (c) “family farm corporation” means a corporation in which, at the date of registration of any conveyance with respect to which the expression is being applied,
- (i) all of the issued shares except for directors’ qualifying shares are owned by a person or persons, each of whom is not a non-resident person and each of whom is a member of the family of each transferor of the land being conveyed, and where any of such persons is a corporation, 95 per cent of the value of the assets of such corporation are farming assets, and
- (ii) 95 per cent of the value of the assets are farming assets;
- (d) “farming” includes tillage of the soil, the breeding, raising or grazing of live stock of all kinds, the raising of poultry and the production of poultry products, fur farming, dairy farming, fruit growing, the growing of food for human consumption or for the feeding of live stock and the keeping of bees, but does not include the leasing out of land where the lessor is not entitled to share in the crops, live stock or other commodities raised or produced on the land or the proceeds of the sale of such crops, live stock or other commodities so raised or produced;
- (e) “farming assets” of a family farm corporation means,

- (i) land, buildings, equipment, machinery and live stock that are used chiefly in farming by the corporation,
- (ii) any right or licence granted or issued under any Act of the Legislature that permits or regulates the production or sale of any commodity or thing produced, raised or grown through farming,
- (iii) the building in which a shareholder or member or members of his family reside who are engaged in farming if that building is on land that is used or is contiguous to land used by that shareholder or member or members of his family in farming,
- (iv) shares in another family farm corporation, and
- (v) trade accounts receivable, supplies and inventory of commodities or things produced, raised or grown through farming;
- (f) "issued shares" of a corporation includes unissued shares, the issuing of which has been authorized by a properly passed resolution of the corporation as consideration for the conveyance to it of land in respect of which exemption from tax is claimed under this Regulation;
- (g) "members of the family" means, with respect to any individual,
 - (i) that individual,
 - (ii) his spouse,
 - (iii) his child,
 - (iv) his father, mother, brother or sister or any descendant of such brother or sister,
 - (v) the brother or sister of his father or mother or any descendant of any such brother or sister,
 - (vi) the father, mother or any brother or sister of his spouse or any descendant of any such brother or sister,
 - (vii) his son-in-law or daughter-in-law,
 - (viii) his grandfather or grandmother,
 - (ix) his grandchild or great-grandchild or the spouse of any such grandchild or great-grandchild, or
 - (x) a corporation all of the issued shares of which except for directors' qualifying

shares are owned by an individual or individuals, none of whom is a non-resident person and each of whom is related to the individual to whom the expression is being applied in the manner described in any of subclauses i to ix;

- (h) "spouse" means spouse as defined in subclause i of clause b of section 14 of *The Family Law Reform Act, 1978*;
- (i) "taxation year" of any corporation is its taxation year for the purpose of *The Corporations Tax Act, 1972*.

(2) For the purposes of determining the percentage referred to in subclause ii of clause c of subsection 1, the value of the interest in the land being conveyed shall be included as an asset of the corporation. O. Reg. 563/79, s. 1.

2.—(1) It is determined that the Act was not intended to apply to a conveyance of land from an individual or individuals, each of whom is a member of the family of the other to a corporation which is, at the time of registration of such conveyance, a family farm corporation provided that,

- (a) prior to such conveyance the land was used predominantly in farming which was carried on exclusively by an individual or individuals, each of whom is not a non-resident person and each of whom is a member of the family of each transferor of the land being conveyed; and
- (b) the land is being conveyed for the principal purpose of enabling the transferee to continue the farming on such land under the direction of a person or persons, each of whom is a member of the family of each transferor of the land being conveyed.

(2) Where the exemption authorized by this section is claimed, there shall be filed with the Minister or the collector and attached to the conveyance being tendered for registration, an affidavit made by an officer of the transferee in such form as the Minister shall require. O. Reg. 563/79, s. 2.

3.—(1) Subject to subsections 2 and 3, it is determined that the Act was not intended to apply to a conveyance of land from an individual or individuals, each of whom is a member of the family of the other to a family business corporation provided that,

- (a) prior to such conveyance the land was used predominantly in the operation of an active business, other than farming, which was operated exclusively by an individual or individuals, each of whom is not a non-resident person and each of whom is a member of the family of each transferor of the land being conveyed;

- (b) the land is being conveyed for the principal purpose of enabling the transferee to continue the operation of such business on the land under the direction of a person or persons, each of whom is a member of the family of each transferor of the land being conveyed;
 - (c) for its taxation year ending next following the date of registration of any conveyance with respect to which the expression is being applied, qualifies for a deduction under section 125 of the *Income Tax Act* (Canada) notwithstanding that no deduction is allowed under that section by reason only that the amount determined under paragraph *a* or *b* of subsection 1 of that section is nil for such taxation year; and
 - (d) for its taxation year ending next following the date of registration of any conveyance with respect to which the expression is being applied, derives at least 75 per cent of its gross income from an active business, other than farming, carried on in Canada.
- (2) A conveyance to which subsection 1 may be applicable may be registered without the payment of tax provided that,
- (a) security for the tax in a form satisfactory to the Minister is furnished; and
 - (b) an affidavit made by an officer of the transferee described in the conveyance is furnished to the Minister setting forth those require-

ments referred to in subsection 1 that have been complied with.

(3) Where, after the expiration of its taxation year ending next following the registration of a conveyance described in subsection 1, the transferee of the conveyance claims that it is a conveyance to which subsection 1 applies and in respect of which no tax is payable, there shall be furnished to the Minister an affidavit made by an officer of the transferee in such form as the Minister shall require.

(4) Subject to subsection 5, where tax has been paid or security has been furnished with respect to the registration of a conveyance to which the Minister is satisfied that subsection 1 applies, such tax or security shall be returned by the Minister to the person who paid such tax or furnished such security.

(5) Where, as a result of information furnished to the Minister under *The Corporations Tax Act, 1972* or furnished to him by the transferee or by any other person, the Minister is satisfied that the transferee has not satisfied the requirements of clauses *c* and *d* of subsection 1, the Minister may enforce any security furnished to him pursuant to subsection 2 for the payment of the tax and such interest thereon as is owing. O. Reg. 563/79, s. 3.

4. This Regulation shall be deemed to have come into force on the 11th day of April, 1979. O. Reg. 563/79, s. 4.

THE PLANNING ACT

O. Reg. 565/79.
Restricted Areas—County of Frontenac,
Township of Bedford.
Made—July 24th, 1979.
Filed—July 31st, 1979.

REGULATION TO AMEND
ONTARIO REGULATION 218/75
MADE UNDER
THE PLANNING ACT

1. Ontario Regulation 218/75 is amended by adding thereto the following sections:

103. Notwithstanding any other provision of this Order, the land described in Schedule 107 may be used for the erection and use thereon of a seasonal residence and buildings and structures accessory thereto provided the following requirements are met:

Minimum distance between any building or structure, including a sewage disposal system, and the high water mark of Thirty Island Lake	100 feet
Minimum side yards	10 feet
Minimum rear yard	25 feet
Maximum lot coverage	30 per cent

O. Reg. 565/79, s. 1, *part*.

104. Notwithstanding any other provision of this Order, the land described in Schedule 108 may be used for the erection and use thereon of a seasonal dwelling and buildings and structures accessory thereto provided the following requirements are met:

Minimum distance between any building or structure, including a sewage disposal system, and the high water mark of Bob's Lake	100 feet
Minimum side yards	10 feet
Minimum rear yard	25 feet
Maximum lot coverage	30 per cent

O. Reg. 565/79, s. 1, *part*.

2. The said Regulation is further amended by adding thereto the following Schedules:

Schedule 107

That parcel of land situate in the Township of Bedford in the County of Frontenac, being composed of that part of Lot 8 in Concession III designated as Part 1 on a Reference Plan deposited in the Land Registry Office for the Registry Division of Frontenac (No. 13) as Number 13R-3565. O. Reg. 565/79, s. 2, *part*.

Schedule 108

That parcel of land situate in the Township of Bedford in the County of Frontenac, being composed of that part of Lot 19 in Concession III designated as Part 1 on a Reference Plan deposited in the Land Registry Office for the Registry Division of Frontenac (No. 13) as Number 13R-2816. O. Reg. 565/79, s. 2, *part*.

Made—July 31st, 1979.

Filed—August 1, 1979.

REGULATION TO AMEND
ONTARIO REGULATION 218/75
MADE UNDER
THE PLANNING ACT

1. Ontario Regulation 218/75 is amended by adding thereto the following sections:

105. Notwithstanding any other provision of this Order, the land described in Schedule 109 may be used for the erection and use thereon of a seasonal residence and buildings and structures accessory thereto provided the following requirements are met:

Minimum distance between any building or structure, including a sewage disposal system, and the high water mark of Bob's Lake	31 metres
Minimum side yards	3 metres
Minimum rear yard	7.6 metres
Maximum lot coverage	30 per cent

O. Reg. 566/79, s. 1, *part.*

106. Notwithstanding any other provision of this Order, the land described in Schedule 110 may be used for the erection and use thereon of a seasonal residence and buildings and structures accessory thereto provided the following requirements are met:

Minimum distance between any building or structure, including a sewage disposal system, and the high water mark of Buck Lake	31 metres
Minimum side yards	3 metres
Minimum rear yard	7.6 metres
Maximum lot coverage	30 per cent

O. Reg. 566/79, s. 1, *part.*

2. The said Regulation is further amended by adding thereto the following Schedules:

Schedule 109

That parcel of land situate in the Township of Bedford in the County of Frontenac, being composed of that part of Lot 29 in Concession VII designated as Part 1 on a Reference Plan deposited in the Land Registry Office for the Registry Division of Frontenac (No. 13) as Number 13R-2998. O. Reg. 566/79, s. 2, *part.*

Schedule 110

That parcel of land situate in the Township of Bedford in the County of Frontenac, being composed of that part of Lot 1 in Concession XIII designated as Part 9 on a Reference Plan deposited in the Land Registry Office for the Registry Division of Frontenac (No. 13) as Number R-163. THE PLANNING ACT

O. Reg. 567/79.

Restricted Area—All Lands within the Township of Innisfil in the County of Simcoe.

Made—July 31st, 1979.

Filed—August 1st, 1979.

ORDER MADE UNDER
THE PLANNING ACT

RESTRICTED AREA—ALL LANDS WITHIN
THE TOWNSHIP OF INNISFIL IN
THE COUNTY OF SIMCOE

INTERPRETATION

1. In this Order,

- (a) "accessory", when used to describe a use, building or structure, means a use, building or structure normally incidental or subordinate to the principal use, building or structure on the same lot;
- (b) "commercial use" means a use of land, a building or structure for the purposes of buying and selling commodities or supplying services;
- (c) "floor area" means the total area of all floors contained within the outside walls of a building or structure;

(d) "hotel" means a commercial establishment used for the purpose of catering to the needs of the travelling public by supplying sleeping accommodations, food and refreshments and includes a motel, motor hotel or inn;

(e) "lot" means a parcel of land,

(i) described in a deed or other document legally capable of conveying land, or

(ii) shown as a lot or block on a registered plan of subdivision;

(f) "marina" means a commercial establishment where a boat-house, boat storage, boat repair facilities, boat rental, pier, dock, pump out or jetty facilities or any combination thereof are available for all types of marine craft and may include a gasoline pump for the fuelling of marine craft and buildings or structures for the sale of marine craft, snowmobiles or other similar recreational vehicles as well as accessories and refreshments. O. Reg. 567/79, s. 1.

APPLICATION

2. This Order applies to all lands within the Township of Innisfil in the County of Simcoe. O. Reg. 567/79, s. 2.

3. This Order does not apply to lands used for the purposes of a hotel or a marina. O. Reg. 567/79, s. 3.

GENERAL

4. Nothing in this Order prevents the use of any land, building or structure for a purpose prohibited by this Order if such land, building or structure was lawfully used for such purpose on the day this Order comes into force, or prevents erection or use of any building or structure the plans for which were approved by the municipal architect or building inspector of the Township of Innisfil prior to the day this Order comes into force if the erection of such building or structure is commenced within two years after the day this Order comes into force and such building or structure is completed within a reasonable time after the erection thereof is commenced. O. Reg. 567/79, s. 4.

5.—(1) Subject to subsection 2, no building or structure containing a floor area exceeding 465 square metres shall be erected or used for commercial uses.

(2) Notwithstanding subsection 1, buildings or structures having,

(a) an area not exceeding 1,860 square metres may be erected or used for commercial uses within those portions of the Township of Innisfil described in Schedules 1, 2, 3 and 4; and

(b) an area not exceeding 930 square metres may be erected and used for commercial uses within those portions of the Township of Innisfil described in Schedules 5 and 6. O. Reg. 567/79, s. 5.

6.—(1) No building or structure used for commercial uses shall be located within eight metres of any lot line.

(2) Not more than one building or structure used for commercial uses may be erected on a lot but this subsection does not prohibit the erection of accessory buildings or structures where there is compliance with all other provisions of this Order. O. Reg. 567/79, s. 6.

7.—(1) Nothing in this Order prevents the repair or reconstruction of any building or structure that is damaged or destroyed by causes beyond the control of the owner.

(2) Nothing in this Order prevents the strengthening or restoration to a safe condition of any building or structure or part of any building or structure. O. Reg. 567/79, s. 7.

Schedule 1

Those portions of the Township of Innisfil in the County of Simcoe, being composed of,

(a) those parts of lots 23 and 24 in Concession VI;

(b) those parts of lots 24 and 25 in Concession VII; and

(c) those parts of lots 21, 22, 23, 24 and 25 in Concession VIII,

all as shown as shaded areas on a map filed in the Office of the Registrar of Regulations at Toronto as Number 2523. O. Reg. 567/79, Sched. 1.

Schedule 2

Those portions of the Township of Innisfil in the County of Simcoe, being composed of,

(a) those parts of lots 21 and 22 in Concession III; and

(b) those parts of lots 21 and 22 in Concession IV,

all as shown as shaded areas on a map filed in the Office of the Registrar of Regulations at Toronto as Number 2524. O. Reg. 567/79, Sched. 2.

Schedule 3

Those portions of the Township of Innisfil in the County of Simcoe, being composed of,

(a) those parts of lots 15 and 16 in Concession IX; and

(b) those parts of lots 15 and 16 in Concession X,
all as shown as shaded areas on a map filed in the Office
of the Registrar of Regulations at Toronto as Number
2525. O. Reg. 567/79, Sched. 3.

Schedule 4

Those portions of the Township of Innisfil in the
County of Simcoe, being composed of that part of Lot 6
and all of Lot 7 in Concession VII all as shown as shaded
areas on a map filed in the Office of the Registrar of
Regulations at Toronto as Number 2526. O. Reg.
567/79, Sched. 4.

Schedule 5

Those portions of the Township of Innisfil in the
County of Simcoe, being composed of,

(a) that part of Lot 16 in Concession III; and

(b) those parts of lots 15 and 16 in Concession IV,
all as shown as shaded areas on a map filed in the Office
of the Registrar of Regulations at Toronto as Number
2527. O. Reg. 567/79, Sched. 5.

Schedule 6

Those portions of the Township of Innisfil in the
County of Simcoe, being composed of that part of Lot 1
in Concession VII as shown as the shaded area on a map
filed in the Office of the Registrar of Regulations at
Toronto as Number 2528. O. Reg. 567/79, Sched. 6.

"Affiliated"

Subsections 2, 4 and 5 of section 1 of The Small Business Development Corporations Act, 1979, read as follows:

(2) A corporation shall be deemed to be a subsidiary of another corporation if,

(a) it is controlled by,

(i) that other, or

(ii) that other and one or more corporations each of which is controlled by that other, or

(iii) two or more corporations each of which is controlled by that other; or

(b) it is a subsidiary of a corporation that is that other's subsidiary.

(4) One corporation shall be deemed to be affiliated with another corporation if one of them is the subsidiary of the other or both are subsidiaries of the same corporation or each of them is controlled by the same person.

(5) Unless otherwise prescribed, a corporation shall be deemed to be controlled by another person or corporation or by two or more corporations if,

(a) shares of the first-mentioned corporation carrying more than 50 per cent of the votes for the election of directors are held, other than by way of security only, by or for the benefit of such other person or by or for the benefit of such other corporations; and

(b) the votes carried by such shares are sufficient if exercised to elect a majority of the board of directors of the first-mentioned corporation.

THE SMALL BUSINESS DEVELOPMENT
CORPORATIONS ACT, 1979

O. Reg. 573/79.
Delegation of Powers.
Made—July 31st, 1979.
Filed—August 1st, 1979.

REGULATION MADE UNDER
THE SMALL BUSINESS DEVELOPMENT
CORPORATIONS ACT, 1979

DELEGATION OF POWERS

1.—(1) The Deputy Minister of Revenue and the officer of the Ministry of Revenue holding the position of Comptroller of Revenue may exercise any power and perform any duty conferred or imposed on the Minister by the Act.

(2) The officer of the Ministry of Revenue holding the position of Director, Guaranteed Income and Tax Credit Branch, may exercise the powers and perform the duties of the Minister under the following sections of the Act:

- 1. Subsection 2 of section 5.
- 2. Subsection 3 of section 17.
- 3. Subsection 3 of section 20.

(3) The officers of the Ministry of Revenue holding the positions of Director, and Manager, Operations, Guaranteed Income and Tax Credit Branch, may exercise the powers and perform the duties of the Minister under the following sections of the Act:

- 1. Section 8.
- 2. Section 18.
- 3. Section 27.

(4) The officer of the Ministry of Revenue holding the position of Manager, Benefits Control, Guaranteed Income and Tax Credit Branch, may exercise the powers and perform the duties of the Minister under section 18 of the Act.

(5) The powers and duties conferred or imposed on the Minister as a result of the reference in section 31 of the Act to the provisions of sections 161 and 162 of *The Corporations Tax Act, 1972* may be exercised by the officers of the Ministry of Revenue holding the following positions:

- 1. Director, and Manager, Benefits Control, Guaranteed Income and Tax Credit Branch, under,
 - (a) clauses *a*, *b* and *c* of subsection 1 of section 161;

(b) subsections 2, 3, 5 and 7 of section 161; and

(c) subsections 1, 2 and 3 of section 162.

2. Manager, Operations, Guaranteed Income and Tax Credit Branch, under,

(a) clauses *a*, *b* and *c* of subsection 1 of section 161; and

(b) subsections 2, 3, 5 and 7 of section 161.

3. Director, Legal Services Branch, under subsections 2, 3, 4 and 7 of section 161.

4. Director, Special Investigations Branch, under,

(a) subsection 1 of section 161; and

(b) subsections 2, 3, 4, 5 and 7 of section 161. O. Reg. 573/79, s. 1.

2. This Regulation shall be deemed to have come into force on the 1st day of July, 1979. O. Reg. 573/79, s. 1.

THE MILK ACT

O. Reg. 575/79.

Grade A Milk—Marketing.

Made—July 31st, 1979.

Filed—August 1st, 1979.

REGULATION TO AMEND

ONTARIO REGULATION 189/78

MADE UNDER

THE MILK ACT

1.—(1) Subsections 4, 5, 8 and 10 of section 16 of Ontario Regulation 189/78, as remade by subsection 1 of section 1 of Ontario Regulation 197/79, are revoked and the following substituted therefor:

(4) All Class 3 milk supplied to a processor shall be sold by the marketing board and bought by the processor for not less than a minimum price of \$27.33 per hectolitre for milk containing 3.6 kilograms of milk-fat per hectolitre.

(5) All Class 4 milk supplied to a processor shall be sold by the marketing board and bought by the processor for not less than a minimum price of \$26.99 per hectolitre for milk containing 3.6 kilograms of milk-fat per hectolitre. O. Reg. 575/79, s. 1 (1), *part*.

(8) All Class 5 milk supplied to a processor shall be sold by the marketing board and bought by the processor for not less than a minimum price of \$24.76 per hectolitre for milk containing 3.6 kilograms of milk-fat per hectolitre. O. Reg. 575/79, s. 1 (1), *part*.

(10) All Class 6 milk supplied to a processor shall be sold by the marketing board and bought by the processor for not less than a minimum price of \$24.76 per hectolitre for milk containing 3.6 kilograms of milk-fat per hectolitre. O. Reg. 575/79, s. 1 (1), *part*.

(2) Subsection 6 of the said section 16, as remade by section 1 of Ontario Regulation 376/79, is revoked and the following substituted therefor:

(6) All Class 4*a* milk supplied to a processor shall be sold by the marketing board and bought by the processor for not less than a minimum price of \$25.79 per hectolitre for milk containing 3.6 kilograms of milk-fat per hectolitre. O. Reg. 575/79, s. 1 (2).

(3) Subsection 11 of the said section 16, as remade by subsection 3 of section 1 of Ontario Regulation 197/79, is revoked and the following substituted therefor:

(11) The minimum prices that apply under subsections 1, 2, 3, 4, 5, 6, 7, 8, 9 and 10 shall be increased or decreased at the rate of 39.55 cents for each 0.10 kilograms of milk-fat above or below 3.6 kilograms of milk-fat in each hectolitre of milk. O. Reg. 575/79, s. 1 (3).

2. Paragraph 1 of subsection 1 of section 21 of the said Regulation, as remade by section 2 of Ontario Regulation 273/79, is revoked and the following substituted therefor:

1. A payment on account at the rate of \$20.95 per hectolitre not later than the fourteenth day of the next following month or, where a holiday falls within the first twelve days of that month, not later than the fifteenth day of that month.

3.—(1) This Regulation, except subsection 2 of section 1, comes into force on the 1st day of August, 1979.

(2) Subsection 2 of section 1 of this Regulation comes into force on the 26th day of August, 1979.

THE PLANNING ACT

O. Reg. 577/79.

Restricted Areas—Municipality of
Metropolitan Toronto, Borough of
Scarborough.

Made—July 30th, 1979.

Filed—August 2nd, 1979.

REGULATION TO AMEND
ONTARIO REGULATION 20/74
MADE UNDER
THE PLANNING ACT

1. Ontario Regulation 20/74 is amended by adding thereto the following section:

14. Notwithstanding any other provision of this Order, the land described in Schedule 1 may be used for the erection and use thereon of a single-family dwelling, including an extension to the existing dog kennel, provided

- (a) the existing single-family dwelling is demolished or removed from the said land; and

- (b) the maximum total floor area of the extension to the existing dog kennel does not exceed 1,000 square feet. O. Reg. 577/79, s. 1.
2. The said Regulation is further amended by adding thereto the following Schedule:

Schedule 1

That parcel of land situate in the Borough of Scarborough in The Municipality of Metropolitan Toronto, being composed of that part of Lot 6 in Concession IV more particularly described as follows:

Premising that all bearings herein are astronomic and are referred to the meridian through the intersection of the centre line of the original road allowance between the Borough of Scarborough and the Town of Pickering, formerly Township of Pickering, with the construction centre line of the King's Highway known as No. 401;

Beginning at an iron bar found planted in the line of a post and wire fence marking the southerly limit of the lands described in an Instrument registered in the Land Registry Office for the Registry Division of Toronto Boroughs and York South (No. 64) as Number 284681, which said iron bar is distant 40 feet measured easterly along the said southerly limit from an iron bar planted at the intersection with the westerly limit of the said Lot 6, the said intersection being distant 1,329.61 feet, more or less, measured southerly along the said westerly limit from the northwesterly angle of the said Lot;

Thence north 71° 36' 45" east along the last-mentioned southerly limit 561.84 feet, more or less, to an iron bar planted at the intersection with the southerly limit of the right-of-way lands of the Canadian National Railways, York Subdivision, being a line drawn parallel with the centre line of track and distant 78.5 feet southerly therefrom measured at right angles thereto;

Thence north 78° 54' 10" west along the last-mentioned limit 662.23 feet, more or less, to an iron bar found planted at a point therein distant 69.16 feet measured

easterly therealong from the intersection with the said westerly limit of the said Lot 6;

Thence south 14° 36' 40" east and being along the easterly limit of the lands described as Parcel 5 in an Instrument registered in the said Land Registry Office as Number 339531 a distance of 307 feet, more or less, to the place of beginning. O. Reg. 577/79, Sched. 1.

Proclamation

(Great Seal of Ontario) PAULINE M. McGIBBON
PROVINCE OF ONTARIO

ELIZABETH THE SECOND, by the Grace of God
of the United Kingdom, Canada and Her other
Realms and Territories, Queen, Head of the
Commonwealth, Defender of the Faith,
TO ALL TO WHOM THESE PRESENTS SHALL
COME,

PROCLAMATION

WHEREAS by an Act passed at the 30th Ses-
sion of the Thirty-first Legislature of Ontario con-
vened on the twenty-first day of February, 1978 and
prorogued on the fifteenth day of December, 1978
entitled "The Metric Conversion Statute Law
Amendment Act, 1978", being Chapter 87 it is
enacted thereof that the said Act shall come into
force on a day to be named by Our Lieutenant Gov-
ernor by her Proclamation;

AND WHEREAS it has appeared expedient that
a Proclamation should now issue bringing Section 6
of the said Act into force;

NOW THEREFORE KNOW YE that, having
taken the premises into Our Royal consideration,
We, by and with the advice of Our Executive Coun-
cil of Ontario and in the exercise of the power in US
vested in this behalf by the said Act or otherwise
howsoever, Do, by this Our Royal PROCLAMA-
TION hereby Name Saturday, the first day of Sep-
tember, 1979 as the day upon which Section 6 of the
said Act entitled "The Metric Conversion Statute
Law Amendment Act, 1978", being Chapter 87 shall
come into force.

OF ALL WHICH PREMISES all Our loving
subjects and all others whom it doth or may in any-
wise concern are hereby required to take notice and
govern themselves accordingly.

IN TESTIMONY WHEREOF We have caused
these Our Letters to be made patent and the Great
Seal of Our Province of Ontario to be hereunto
affixed.

WITNESS:

THE HONOURABLE PAULINE M. McGIBBON,
An Officer of the Order of Canada, Bachelor of
Arts, Doctor of Laws, Doctor of University, Doc-
tor of Sacred Letters, Bachelor of Applied Arts
(Theatre), Honorary Fellow Royal College of
Physicians and Surgeons (Canada), LIEUTEN-
ANT GOVERNOR OF OUR PROVINCE OF
ONTARIO.

at Our City of Toronto in Our said Province this
first day of August, in the year of Our Lord one
thousand nine hundred and seventy-nine and in the
twenty-eighth year of Our Reign.

BY COMMAND

(3081) 34 LORNE C. HENDERSON,
Minister of Government Services.

The Ontario Highway Transport Board Act

McKinlay Transport Limited, 00716
880 Middlegate Road,
Mississauga, Ontario.

IN THE MATTER OF *The Public Commercial Vehicles
Act*, R.S.O. 1970, Chapter 375 as amended; and

IN THE MATTER OF *the Motor Vehicle Transport Act*,
Canada, R.S.C. 1970, Chapter M-14, pursuant to
The Public Commercial Vehicles Act, R.S.O. 1970,
Chapter 375; and

IN THE MATTER OF *The Ontario Highway Transport
Board Act*, R.S.O. 1970, Chapter 316, as amended;
and

IN THE MATTER OF public commercial vehicle
operating licence No. A-377 issued under *The Public
Commercial Vehicles Act*, R.S.O. 1970, Chapter 375

Published by the
Ministry of Government Services

Printed by J. C. Thatcher,
Queen's Printer for Ontario

as amended; and of extra-provincial operating licence No. X-185 issued under the *Motor Vehicle Transport Act*, R.S.C. 1970, Chapter M-14 pursuant to *The Public Commercial Vehicles Act*, R.S.O. 1970, Chapter 375 as amended, the said licences issued to McKinlay Transport Limited, 880 Middlegate Road, Mississauga, Ontario.

NOTICE OF REFERRAL

Under *The Public Commercial Vehicles Act*, R.S.O. 1970, Chapter 375, Section 8, and under the *Motor Vehicle Transport Act*, Canada, pursuant to Section 8 of *The Public Commercial Vehicles Act* of Ontario. I hereby refer the public commercial vehicle operating licence No. A-377 and extra-provincial operating licence No. X-185, the said licences issued to McKinlay Transport Ltd. of Mississauga, Ontario for review to the Ontario Highway Transport Board with respect to the following issues:

1. Investigations carried out indicate that McKinlay Transport Ltd. is transporting goods between Buffalo and Detroit purportedly under the authority contained in the said extra-provincial licence No. X-185, and public commercial vehicle operating licence A-377. Is McKinlay Transport Ltd. authorized under the terms of the said licences to transport goods between the States of New York and Michigan via Ontario?
2. If the said transportation indicated in para. 1 is in accordance with the said terms and conditions of extra-provincial operating licence X-185 and public commercial vehicle operating licence No. A-377, is McKinlay Transport Ltd. required to hold Interstate Commerce Commission authority for such transportation from New York to Michigan and file such authority from the Interstate Commerce Commission with the Ontario Highway Transport Board?

and the Board shall have regard to the terms and conditions of the said licence, copies of which are annexed hereto, with regard to the requirements of public necessity and convenience.

Dated at Toronto, this 25th day of June, 1979.

JAMES SNOW,
Minister of Transportation and
Communications.

TAKE NOTICE that attached to and forming part of the aforementioned Notice of Referral are certified copies of operating licence A-377 and extra-provincial operating licence X-185 together with commercial vehicle reports covering the period 1st of August, 1978 to March 21st, 1979, inclusive all of which form part of the Ontario Highway Transport Board's file on this Referral.

The Board has fixed Thursday the 20th day of September, 1979, at its Chambers, Britannica House, 151 Bloor Street West, 10th Floor, Toronto, Ontario, at 10.00 a.m. (E.D.S.T.) for that purpose.

Should any person, who is a party to this Referral, not attend at the hearing, the Board may proceed in

his/her absence and such person is not entitled to any further notice with respect to this Referral.

(3067) 34 D. S. CHURCH,
Secretary.

The following application for a certificate under *The Public Vehicles Act*, R.S.O. 1970, Chapter 392, will be heard by the Ontario Highway Transport Board, at its Chambers, Britannica House, 151 Bloor Street West, 10th Floor, Toronto, Ontario, on Wednesday the 10th day of October, 1979 at 10.00 a.m. (E.D.S.T.).

Should any person, who is a party to this application, not attend at the hearing, the Board may proceed in his/her absence and such person is not entitled to any further notice with respect to this application.

Messrs. Fernand and
Vincent Viau,

114 Bowes Road, Unit #6,
Concord, Ontario L4K 1B1,

applies for an amendment and extension to Class 'H' public commercial vehicle operating licence No. H-419 as follows:

Delete the following:

"For the carriage of:

- (i) uncrated new and used household furniture, appliances and personal effects of a householder that are part of the contents of the dwelling in which they are to be used;
- (ii) uncrated used office, store and commercial establishment furniture, equipment, and crated or uncrated stock in trade of the office, store and commercial establishment in which such furniture, equipment and stock in trade are to be used;
- (iii) uncrated new furniture and equipment that are to be part of the furnishings of offices, museums, hospitals, factories and public institutions in which they are to be used; and
- (iv) objects of art, displays, exhibits and computers and similar electronic devices that because of their fragile or unusual nature or value require specialized handling,

that can be carried on a standard truck, trailer or semi-trailer equipped with pads, belts, hooks, wardrobes and special packing containers and which do not require special loading devices other than powered tail-gates.

to or from Metropolitan Toronto.

PROVIDED that the licensee does not establish or maintain a place of business at any point other than Metropolitan Toronto or at a point within a 10-mile radius thereof.

A place of business is any place at/or from which a person operates in or for the furtherance of the business of this licensee and for which that person receives remuneration of any kind, directly or indirectly from the licensee.

SUBSTITUTE the following:

"For the carriage of:

- (i) uncrated new and used household furniture, appliances and personal effects of a householder that

are part of the contents of the dwelling in which they are to be used, and used vehicles including used motorized snow vehicles, owned by the householder and being moved as part of and in conjunction with the movement of the said householder's goods;

- (ii) uncrated used office, store and commercial establishment furniture, equipment and crated or uncrated stock in trade of the office, store and commercial establishment in which such furniture, equipment and stock in trade are to be used;
- (iii) uncrated new furniture and equipment that are to be part of the furnishings and public institutions in which they are to be used; and
- (iv) objects of art, displays, exhibits and computers and similar electronic devices that because of their fragile or unusual nature or value require specialized handling,

that can be carried on a standard truck, trailer or semi-trailer equipped with pads, belts, hooks, wardrobes and special packing containers and which do not require special loading devices other than powered tail-gates.

TO AND FROM:

- (a) The Municipality of Metropolitan Toronto;
- (b) The City of Mississauga, in the Regional Municipality of Peel;
- (c) That part of the Town of Vaughan bounded on the west by King's Highway No. 400 and bounded on the north by Sherwood Road (also known as Carrville Road) and bounded on the east by Keele Street running south to Langstaff Road and also bounded on the east by Dufferin Street running south from Langstaff Road to Steeles Avenue West;
- (d) Points within a one-mile radius of the intersection of Highway No. 7 and Keele Street in the said Town of Vaughan not included in Paragraph c above;
- (e) That part of the Town of Markham in the Regional Municipality of York bounded:
 - (i) on the north by the southerly boundary of the Town of Richmond Hill and the Carrville Road (also known as 16th Avenue) running east from the easterly boundary of the Town of Richmond Hill;
 - (ii) on the east by Kennedy Road;
 - (iii) on the south by Steeles Avenue; and
 - (iv) on the west by Highway No. 11 (Yonge Street) and the easterly boundary of the Town of Richmond Hill; and
- (f) that portion of the City of Brampton bounded on the south by the northern limits of the City of Mississauga; bounded on the west by the westerly limits of the City of Brampton and on the east by the easterly limits of the City of Brampton and bounded on the north by County Road No. 16 of the County of Peel.

Lomar Trading Co. Ltd.,
1384 Tyandaga Park Dr.,
Burlington, Ontario,

24116-B

applies for an extension to Class 'D' public commercial vehicle operating licence as follows:

"1. By deleting therefrom the following:

PROVIDED that any licence issued pursuant to this authority be restricted to the use of not more than two straight trucks not exceeding 26 feet in length.

And substituting therefor, the following:

PROVIDED that any licence issued pursuant to this authority be restricted to the use of straight trucks".

Hume's Transport Limited,
2492 St. Clair Avenue,
Toronto, Ontario,

01444-U

applies for an amendment and extension to Class 'C' and Class 'D' privileges on Class 'D' public commercial vehicle operating licence No. D-132 as follows:

1. Delete the following:

"SPECIAL 'C' PRIVILEGES—confined to the conveyance of shipments consisting of one person's goods only on any one trip from or to Metropolitan Toronto.

Vehicles operating under this licence are prohibited from conveying shipments to and from any points north of North Bay on King's Highway No. 11 and all present or future highways connecting with King's Highway No. 11 north of its intersection with King's Highway No. 17 near North Bay".

EXTENSION GRANTED—All references to 'Metropolitan Toronto' shall be interpreted to mean Metropolitan Toronto and all points in the City of Mississauga and that portion of the City of Brampton bounded on the south by the northern limits of the City of Mississauga; bounded on the south by the northern limits of the City of Mississauga; bounded on the west by the westerly limits of the City of Brampton; bounded on the east by the easterly limits of the City of Brampton and bounded on the north by County Road No. 16 of the County of Peel including all urban zones therein but excluding the Toronto International Airport (Malton) in respect of all shipments other than shipments now authorized to and from Metropolitan Toronto, and that portion of the City of Brampton known as the Town of Brampton as at December 31, 1973, unless previously authorized.

PROVIDED that this extension does not enable the licensee to operate tank trucks, tank trailers or other equipment which has been specially designed and constructed for the movement of commodities in bulk unless previously authorized.

PROVIDED FURTHER that this extension does not authorize transportation to or from Oakville unless previously authorized.

AND PROVIDED FURTHER that there be no movement of goods to or from the installations of Domtar Construction Materials Limited at the City of Mississauga.

EXTENSION GRANTED:

All references to 'Metropolitan Toronto' in the Class 'C' privileges annexed to the Class 'D' operation shall be interpreted to mean "Metropolitan Toronto and that part of the Township of Vaughan bounded on the west

by King's Highway No. 400 and bounded on the north by Sherwood Road (also known as Carrville Road) and bounded on the south by Steeles Avenue West and bounded on the east by Keele Street running south to Langstaff Road and also bounded on the east by Dufferin Street, running south from Langstaff Road to Steeles Avenue West."

PROVIDED that the licensee shall not operate tank-trucks, tank-trailers or other equipment which has been especially designed or constructed for the movement of commodities in bulk, unless previously authorized.

PROVIDED FURTHER that there shall be no movement to or from Malton in the City of Mississauga or Richmond Hill in the Townships of Markham and Vaughan, unless previously authorized.

AND PROVIDED FURTHER that the licensee shall not transport any shipment exceeding 3,000 pounds in weight from the installations of Domtar Construction Materials and/or Canada Brick Division of Martin Marietta (Canada) Limited in the Townships of Chinguacousy and Vaughan, and the City of Mississauga, unless previously authorized.

AND SUBSTITUTE:

"Class 'C' privileges to or from Metropolitan Toronto.

All references to Metropolitan Toronto in Class 'C', 'D' and 'T' privileges contained in Class 'D' public commercial vehicle operating licence No. D-132 shall be interpreted to mean:

- (a) the Municipality of Metropolitan Toronto;
- (b) the City of Mississauga;
- (c) that part of the Town of Vaughan bounded on the west by King's Highway No. 400 and bounded on the north by Sherwood Road (also known as Carrville Road) and bounded on the east by Keele Street running south to Langstaff Road and also bounded on the east by Dufferin Street running south from Langstaff Road to Steeles Avenue West;
- (d) that part of the Town of Markham in the Regional Municipality of York bounded:
 - (i) on the north by the southerly boundary of the Town of Richmond Hill and the Carrville Side Road (also known as 16th Avenue) running east from the easterly boundary of the Town of Richmond Hill;
 - (ii) on the east by Kennedy Road;
 - (iii) on the south by Steeles Avenue, and
 - (iv) on the west by Highway No. 11 (Yonge Street) and the easterly boundary of the Town of Richmond Hill;
- (e) that portion of the City of Brampton bounded on the south by the northern limits of the City of Mississauga; bounded on the west by the westerly limits of the City of Brampton; bounded on the east by the easterly limits of the City of Brampton and bounded on the north by Regional Road No. 16 of the Regional Municipality of Peel; and
- (f) the Town of Ajax and that part of the Town of Pickering on and south of King's Highway No. 7

PROVIDED THAT:

1. there be no movement to or from the Toronto International Airport (Malton), Oakville, and Richmond Hill, unless previously authorized;
2. there be no movement to or from that portion of the City of Brampton known as the Town of Brampton as at December 31, 1973 unless previously authorized;
3. there be no movement of goods to or from the installations of Domtar Construction Materials Limited, at Cooksville and Cheltenham, unless previously authorized."

Delete also the following:

EXTENSION GRANTED TO 'D' PRIVILEGES:

"For the carriage of non-transferable perishable foodstuffs, for human consumption in insulated vehicles requiring temperature control by means of mechanical refrigeration, in mixed loads.

PROVIDED THAT any one shipment by one person at a time shall not exceed 10,000 pounds."

And substitute therefor the following:

"For the carriage of foodstuffs and packing house products in insulated vehicles equipped with mechanical refrigeration devices."

The following applications for certificates under *The Public Commercial Vehicles Act*, R.S.O. 1970, Chapter 375 and the *Motor Vehicle Transport Act*, R.S.C. 1970, Chapter M-14, will be heard by the Ontario Highway Transport Board at its Chambers, Britannica House, 151 Bloor Street West, 10th Floor, Toronto, Ontario, on Monday, the 15th day of October, 1979 at 10.00 a.m. (E.D.S.T.).

Should any person, who is a party to one or more of these applications not attend at the hearing, the Board may proceed in his/her absence and such person is not entitled to any further notice with respect to such application.

Rick Brodrecht Trucking Ltd., 30187-A
P.O. Box 96,
Dundalk, Ontario M1P 4S3,

applies for an amendment and extension to extra-provincial operating licence No. X-861 by deleting the following:

"For the carriage of:

1. the products of Beatty Bros. Limited from their installation in Fergus:
 - (a) to the international boundary at the St. Clair River for furtherance in transit through the United States of America, to points in the Provinces of Manitoba, Saskatchewan and Alberta, as authorized,
 - (b) to the interprovincial boundary at West Hawk Lake for furtherance to points in the Provinces of Manitoba, Saskatchewan and Alberta, as authorized.
2. Livestock:
 - (a) by shipment from points in the Provinces of Manitoba, Saskatchewan and Alberta, as authorized, from the international boundary at West Hawk Lake, for furtherance to points in the Province of Ontario lying west of King's Highway No. 11.

EXTENSION GRANTED:

For the carriage of livestock by shipment from points in the Provinces of Manitoba, Saskatchewan and Alberta, as authorized, from the international boundary at West Hawk Lake, for furtherance to points in the Province of Ontario on King's Highway No. 11.

ALSO EXTENSION GRANTED:

For the transportation of livestock from a 15-mile radius of Brampton to:

- (a) The international border of the United States of America and vice versa, and
- (b) The Ontario-Quebec border and vice versa. Restricted from the City of Toronto and a three-mile radius thereof.

EXTENSION GRANTED:

For the carriage of livestock,

- (a) from points in the Province of Ontario, to the international boundary at the St. Lawrence, Niagara, Detroit and St. Clair Rivers, for furtherance to points in the United States of America, as authorized, and by shipment from points in the United States of America, from the said points at the international boundary to points in Ontario;
- (b) from points in Ontario, to the Ontario-Manitoba border at or near West Hawk Lake, for furtherance to points in the Provinces of Manitoba, Saskatchewan, Alberta and British Columbia, as authorized from the said boundary point, to points in the Province of Ontario.

- (c) from points in the Province of Ontario, to the Ontario-Quebec border at or near Riviere Beaudette, Hawkesbury, Ottawa and Virginiatown, for furtherance to points in the Provinces of Quebec, New Brunswick and Nova Scotia, as authorized, and by shipment from points in the said Provinces as authorized, from the said Ontario-Quebec border points to points in Ontario.

PROVIDED FURTHER that this authority be operated only in conjunction with the following:

- (a) the complementary authority of the Highway Traffic Board of the Province of Alberta dated March 8th, 1965;
- (b) the complementary authority of the Motor Carrier Board of the Province of Manitoba dated February 23rd, 1965;
- (c) the complementary authority of the Quebec Transportation Board dated December 3rd, 1965;
- (d) the exempt provisions of the Interstate Commerce Act, Section 203, subsection (b) 6, with respect to livestock as indicated in the correspondence of the Interstate Commerce Commission dated August 20th, 1967;
- (e) the complementary authority of the Public Utilities Commission of the Province of New Brunswick No. 917, received February 28th, 1972;
- (f) the complementary authority of the Board of Commissioners of Public Utilities of the Province of Nova Scotia No. X-718, dated January 28th, 1972;
- (g) the correspondence of the British Columbia Public Utilities Commission dated February 13th, 1973;
- (h) the complementary authority of The Highway Traffic Board of the Province of Saskatchewan;

all filed with the Ontario Highway Transport Board.

EXTENSION GRANTED:

For the carriage of bagged grain and seed, for and on behalf of Keith Benting and Harold Pringle, carrying on business under the firm name and style of "Nobleton Seed Mill" of the Police Village of Nobleton from Nobleton to the international boundary at the St. Lawrence, Niagara, Detroit and St. Clair Rivers, for furtherance to points in the United States of America, as authorized; and by shipment from points in the United States of America, as authorized from the international boundary at the said boundary crossing points to points in the Province of Ontario.

EXTENSION GRANTED:

1. For the carriage of poultry other than live poultry, for and on behalf of Brampton Poultry, a division of Quaker Oats Company of Canada Limited, from its installation at Brampton to the Ontario-Quebec border at or near Ottawa for furtherance to points in the Province of Quebec, as authorized.
2. For the carriage of twine, for and on behalf of National Cordage Company, a division of Reliance Cordage Company Limited, from its installation at Toronto to the Ontario-Manitoba border at or near West Hawk Lake, for further-

ance to points in the Provinces of Manitoba, Saskatchewan and Alberta, as authorized.

PROVIDED that single shipments for and on behalf of National Cordage Company Limited contain a net load weight of not less than 20,000 pounds at point of origin.

PROVIDED FURTHER this authority be operated only in conjunction with the following:

- (a) the complementary authority of the Quebec Transportation Board dated December 3rd, 1975;
- (b) the complementary authority of the Public Utilities Commission of the Province of New Brunswick No. 917, received February 28, 1972;
- (c) the complementary authority of the Board of Commissioners of Public Utilities of the Province of Nova Scotia No. X-718 dated January 28, 1972;
- (d) the correspondence of the British Columbia Public Utilities Commission dated February 13th, 1973;
- (e) the exempt provisions of the Interstate Commerce Act, Section 203, (b) (6) with respect to poultry in the United States of America;
- (f) the complementary authority of The Highway Traffic Board of the Province of Alberta, dated March 8th, 1965, and
- (g) the complementary authority of The Motor Carrier Board of the Province of Manitoba dated February 23rd, 1965,

all filed with the Ontario Highway Transport Board.

EXTENSION GRANTED:

For the carriage of twine, for and on behalf of National Cordage Company, a division of Reliance Cordage Company Limited, from Hamilton to the Ontario-Manitoba border at or near West Hawk Lake for furtherance to points in the Provinces of Manitoba, Saskatchewan, and Alberta, as respectively authorized thereby.

PROVIDED THAT any single shipment for and on behalf of National Cordage Company contain a net load weight of not less than 20,000 pounds at point of origin.

PROVIDED FURTHER this authority be operated only in conjunction with the following:

- (a) the complementary authority of the Highway Traffic and Motor Transport Board of the Province of Manitoba, dated April 19, 1968;
- (b) the complementary authority of The Highway Traffic Board of the Province of Saskatchewan;
- (c) the complementary authority of The Highway Traffic Board of the Province of Alberta, dated June 2nd, 1969;

all filed with the Ontario Highway Transport Board.

EXTENSION GRANTED:

For the carriage of air filters and materials utilized in the manufacture of air filters for and on behalf of National General Filter Products Ltd. from its installation at the City of Brampton to the Ontario-Manitoba border at or near West Hawk Lake and Emerson for furtherance to its subsidiary plants in the Provinces of Manitoba and Alberta as authorized.

PROVIDED this authority be operated only in conjunction with the following:

- (a) the complementary authority of The Highway Traffic Board of the Province of Alberta, dated August 31st, 1970;
- (b) the correspondence from the Highway Traffic and Motor Transport Board of the Province of Manitoba dated April 15th, 1972;

both filed with the Ontario Highway Transport Board.

EXTENSION GRANTED:

For the carriage of beans, in bags or in cartons for and on behalf of W. G. Thompson and Sons Limited from its installation in the Province of Ontario to the Ontario-Manitoba border at or near West Hawk Lake for furtherance to points in the Province of Manitoba or alternatively to the international boundary at the Detroit or St. Clair Rivers for furtherance in transit only through the United States of America to points in the Province of Manitoba.

PROVIDED that this authority be operated only in conjunction with the complementary authority of the Highway Traffic and Motor Transport Board of the Province of Manitoba, dated October 15th, 1975, filed with the Ontario Highway Transport Board.

EXTENSION GRANTED:

For the carriage of livestock via shipment from points in the Provinces of Manitoba as authorized from the Ontario-Manitoba border at or near West Hawk Lake for furtherance to points in the Province of Ontario and for the return shipment of livestock from points in the Province of Ontario to the Ontario-Manitoba border at West Hawk Lake for furtherance to points in the Province of Manitoba, as authorized.

PROVIDED this authority be operated only in conjunction with the complementary authority of the Highway Traffic Board and Motor Transport Board of the Province of Manitoba dated October 15th, 1975, filed with the Ontario Highway Transport Board.

EXTENSION GRANTED:

For the carriage of Christmas trees, nursery stock and seed from points in Ontario to the Ontario-Manitoba border at or near West Hawk Lake, for furtherance to points in the Provinces of Manitoba, Saskatchewan, Alberta and British Columbia, as authorized.

PROVIDED that this authority shall expire on the 1st day of March, 1980 unless prior to that date complementary authorities as issued by the Boards and/or Commissions of the Provinces of Manitoba, Saskatchewan, Alberta and British Columbia are filed with The Ontario Highway Transport Board.

AND SUBSTITUTE THEREFOR:

"For the carriage of livestock:

- (a) from points in the Province of Ontario to the international boundary at the St. Lawrence, Niagara, Detroit and St. Clair Rivers, for furtherance to points in the United States of America, as authorized, and by shipment from points in the United States of America from the said international boundary to points in Ontario;
- (b) from points in Ontario to the Ontario-Manitoba border at or near West Hawk Lake, for furtherance to points in the Provinces of Manitoba, Saskatchewan, Alberta and British Columbia, as

authorized, and from points in the said Provinces as authorized from the said border point to points in the Province of Ontario;

- (c) from points in the Province of Ontario to the Ontario-Quebec border at or near Riviere Beaudette, Hawkesbury, Ottawa and Virginiatown, for furtherance to points in the Provinces of Quebec, New Brunswick and Nova Scotia, as authorized; and from points in the said Provinces as authorized from the said border points to points in Ontario.

PROVIDED that this authority be operated only in conjunction with the following:

With respect to paragraph (a) the exempt provisions of the Interstate Commerce Act Section 203 subsection (b) 6 with respect to livestock as indicated in the correspondence of the Interstate Commerce Commission dated August 20th, 1967;

With respect to paragraph (b) the complementary authority of the Motor Transport Board of the Province of Manitoba dated the 31st day of July, 1978; the complementary authority of the Highway Traffic Board of the Province of Saskatchewan dated December 5, 1979 filed; the complementary authority of the Highway Traffic Board of the Province of Alberta certificate #53148 dated the 15th day of January, 1979; the complementary authority of the Motor Carrier Commission of the Province of British Columbia dated February 26, 1979 filed;

With respect to paragraph (c):

PROVIDED FURTHER that this authority shall expire on the 30th day of June, 1980, unless prior to that date complementary authority as issued by the Boards and/or Commissions of the Provinces of Quebec, New Brunswick and Nova Scotia are filed with The Ontario Highway Transport Board.

For the carriage of twine for and on behalf of National Cordage Company a division of Superior Twine Limited from its installations at Toronto and Hamilton to the Ontario-Manitoba border at or near West Hawk Lake for furtherance to points in the Provinces of Manitoba, Saskatchewan and Alberta.

PROVIDED FURTHER that this authority be operated only in conjunction with the following:

The complementary authority of the Highway Traffic Board of the Province of Saskatchewan dated December 5, 1979, filed;

The complementary authority of the Highway Traffic Board of the Province of Alberta, Certificate # 53148 dated the 15th January, 1979

AND PROVIDED FURTHER that with respect to the Province of Manitoba this authority shall expire on the 30th day of June, 1980 unless prior to that date complementary authority as issued by the Motor Transport Board of the Province of Manitoba is filed with the Ontario Highway Transport Board.

For the carriage of air filters and materials used in the manufacture of air filters for and on behalf of National General Filter Products Limited from its installation in the City of Brampton to the Ontario-Manitoba border at or near West Hawk Lake and Emerson, for further-

ance to its subsidiary plants in the Provinces of Manitoba and Alberta, as authorized.

PROVIDED that this authority be operated only in conjunction with the following:

The complementary authority of the Motor Transport Board of the Province of Manitoba dated the 31st day of July, 1978;

PROVIDED FURTHER that with respect to the Province of Alberta this authority shall expire on the 30th day of June, 1980 unless prior to that date complementary authority, as issued by the Highway Traffic Board of the Province of Alberta is filed with the Ontario Highway Transport Board.

For the carriage of beans in bags or in cartons for and on behalf of W.G. Thompson and Sons Limited from its installations in the Province of Ontario to the Ontario-Manitoba border at or near West Hawk Lake for furtherance to points in the Provinces of Manitoba, Saskatchewan and Alberta as authorized, or alternatively to the international boundary at the Detroit and St. Clair Rivers for furtherance in transit only through the United States of America to points in the said Provinces as authorized.

PROVIDED THAT this authority be operated only in conjunction with the following:

The complementary authority of the Highway Traffic Board of the Province of Alberta certificate #53148 dated the 15th of January, 1979;

PROVIDED FURTHER that with respect to the Provinces of Manitoba and Saskatchewan this authority shall expire on the 30th day of June, 1980 unless prior to that date complementary authority as issued by the Boards and/or Commissions of the said Provinces is filed with the Ontario Highway Transport Board.

For the carriage of Christmas trees, nursery stock and seed and nursery pots and containers from points in Ontario to the Ontario-Manitoba border at or near West Hawk Lake, for furtherance to points in the Provinces of Manitoba, Saskatchewan, Alberta and British Columbia, as authorized.

PROVIDED THAT this authority shall expire on the 30th day of June, 1980 unless prior to that date complementary authority as issued by the Boards and/or Commissions of the Provinces of Manitoba, Saskatchewan, Alberta and British Columbia are filed with the Ontario Highway Transport Board.

For the carriage of used uncrated auto parts for and on behalf of Jogol Holdings Limited and Donlang Holdings Limited carrying on business jointly under the firm name and style of "Central Auto Parts" from its facilities located in the Municipality of Metropolitan Toronto to the Ontario-Manitoba border at or near West Hawk Lake, for furtherance to points in the Provinces of Manitoba, Saskatchewan, Alberta and British Columbia as authorized.

PROVIDED THAT this authority shall expire on the 30th day of June, 1980 unless prior to that date complementary authorities as issued by the Boards and/or Commissions of the Provinces of Manitoba, Saskatchewan, Alberta and British Columbia are filed with the Ontario Highway Transport Board.

**Red Star Express Lines of Ontario
Limited,** 13293-A9
1608 The Queensway,
Toronto, Ontario,

applies for an extension to extra-provincial operating licence No. X-109 be deleting therefrom:

"For the carriage of general commodities from points in Ontario within a 75-mile radius of Fort Erie, including the Cities of Kitchener, Waterloo, Cambridge and the Township of North Dumfries to the international boundary at the Niagara River and Detroit River, for furtherance to points in the United States of America as authorized, and by shipment from points in the United States of America as authorized, from the international boundary at the Niagara River and Detroit River to points in Ontario, within a 75-mile radius of Fort Erie including the Cities of Kitchener, Waterloo, Cambridge and the Township of North Dumfries".

And substituting therefor:

"For the carriage of general commodities from points in Ontario within a 75-mile radius of Fort Erie, including the Cities of Kitchener, Waterloo, Cambridge and the Township of North Dumfries to the international boundary at the Niagara, Detroit and St. Clair Rivers, for furtherance to points in the United States of America as authorized, and by shipment from points in the United States of America as authorized, from the international boundary at the Niagara, Detroit and St. Clair Rivers to points in Ontario, within a 75-mile radius of Fort Erie including the Cities of Kitchener, Waterloo, Cambridge and the Township of North Dumfries";

13293-A10

also applies for an amendment to extra-provincial operating licence No. X-109 as follows:

- (1) by deleting from the third proviso therein the words "this authority" and substituting therefore, "that operating licence X-109"; and
- (2) by deleting the first proviso of the said operating licence.

NOTE: It is the intention of this application to make the entire operating licence X-109 subject to the following proviso:

"PROVIDED that operating licence X-109 be operated only in conjunction with the following so long as Red Star Express Lines of Auburn Incorporated controls Red Star Express Lines of Ontario Limited:

- (a) the complementary authority of the Interstate Commerce Commission of the United States of America No. MC-59135 of Red Star Express Lines of Auburn Incorporated dated November 20th, 1953; and
- (b) the complementary authority of the Interstate Commerce Commission of the United States of America No. MC-141577 of Red Star Express Lines of Ontario Limited dated July 28th, 1978;

both filed with the Ontario Highway Transport Board".

Walter Metzger, Esq., 01802-K
Box 908,
30 Queen St.,
Elmira, Ontario,

- (iv) objects of art, displays, exhibits and computers and similar electronic devices that because of their fragile or unusual nature or value require specialized handling,

that can be carried on a standard truck, trailer or semi-trailer equipped with pads, belts, hooks, wardrobes and special packing containers and which do not require special loading devices other than powered tail-gates,

- 1. by shipment from points in the Provinces of Manitoba, Saskatchewan, Alberta, British Columbia, the Northwest and the Yukon Territories, as authorized thereby, from points at the Ontario-Manitoba border, to points in the Province of Ontario; and from points in the Province of Ontario to the Ontario-Manitoba border, for furtherance to points in the said Provinces and Territories;
- 2. by shipment from points in the Provinces of Manitoba, Saskatchewan, Alberta, British Columbia, the Northwest and the Yukon Territories as authorized thereby, in transit through the United States of America, from the international boundary at the Niagara, Detroit, St. Clair and St. Mary's Rivers, to points in the Province of Ontario to the international boundary at the Niagara, Detroit, St. Clair and St. Mary's Rivers, for furtherance to points in the said Provinces and Territories;
- 3. from points in Ontario, to all points on the international boundary and on the Ontario-Quebec border, for furtherance to points in the Provinces of Quebec, New Brunswick, Prince Edward Island and Nova Scotia, as authorized thereby and by shipment from such points from the said international boundary, and the said border, to points in Ontario;
- 4. from and to all points at the international boundary, the Ontario-Manitoba and the Ontario-Quebec borders, for movement in transit through Ontario;

for interprovincial traffic only".

Langs Bus Lines Limited,
66 Zimmerman Avenue South,
Strathroy, Ontario,

20498-N

applies for an extension to extra-provincial operating licence No. X-600 as follows:

"For the transportation of groups of passengers and their baggage travelling together for sightseeing, educational, literary, athletic, social or pleasure purposes at irregular time, over irregular routes and at per capita round trip fares in extra-provincial movements to and from all border crossing points presently authorized, provided that trips shall originate at such points at which the licensee is authorized or entitled to originate charter trips, or any other point in Ontario, including a point on the highway of another licensee if that other licensee does not store or maintain a public vehicle at that point or within ten miles thereof, and subject to the following conditions:

(a) the licensee shall submit to the Ontario Highway Transport Board and The Department of Transport in writing:

(i) at least thirty days before the commencement of any trip hereunder, a certified true copy of the advertising or full particulars of the solicitation of public announcement to be used by the licensee in respect of each trip;

(ii) at least ten days before the commencement of any trip hereunder, particulars of the dates or departure destination, stop-overs, nature or purpose of trip, approximate number of passengers, and the rates to be charged to each passenger for all services provided for each trip.

(b) Any operation under this authority must exceed 24 hours in duration.

(c) No licensee shall operate trips hereunder in such a manner as to constitute a regularly recurring daily or weekly service.

(d) This certificate may be suspended or cancelled upon failure to comply with the aforesaid conditions";

20498-O

also applies for an extension to public vehicle operating licence No. 2544 as follows:

"For the transportation of groups of passengers and their baggage travelling together for sightseeing, educational, literary, athletic, social or pleasure purposes at irregular time, over irregular routes and at per capita round trip fares provided that trips shall originate at such points at which the licensee is authorized or entitled to originate charter trips, or any other point in Ontario, including a point on the highway of another licensee if that other licensee does not store or maintain a public vehicle at that point or within ten miles thereof, and subject to the following conditions:

(i) Each group shall have exclusive possession of the public vehicle in which it is being transported.

(ii) Each group shall be under the supervision of a tour guide (who also may be the operator of the public vehicle).

(iii) The sale of one-way tickets is prohibited.

(iv) The price to be charged to each passenger shall include:

(a) transportation at a rate not lower than the existing tariff of the scheduled passenger service over the route or portion of the route traversed by each tour;

(b) hotel accommodation, meals, tickets of admission or other charges of not less than \$1.50 per person per trip;

(c) cancellation of a tour may be made up to seven days before published departure time whereupon each passenger shall be notified of the cancellation by the licensee and a full refund be made".

**John B. Barbour Trucking
Company,**
P.O. Box 577,
Iowa Park, Texas,
U.S.A. 76367,

31438

applies for an extra-provincial operating licence as follows:

"For the transportation of fiberglass pipe and plastic tubing goods and fittings such as collars, tees, elbows, heat packs, end caps, and installation and/or repair equipment from all points in Texas originating from Ciba Geigy Corp. to all points in Ontario with entry and exit at all points along the International Boundary of Minnesota, Michigan and New York, U.S.A. and all points on the boundary of the Provinces of Quebec and Manitoba, Canada and vice versa on behalf of Ciba Geigy Canada".

Demenagement Montcalm Ltee.,
5600 Ferrier St.,
Montreal, Quebec,

28707-B

applies for an extra-provincial operating licence as follows:

"For the carriage of uncrated, used household, office and store furniture, and where specially designed vehicles of the drop-frame type are used, equipped with pads, belts, hooks, wardrobes and special packing containers:

(a) personal effects and property used or to be used in a dwelling when part of the equipment or contents of such dwelling;

(b) furniture and fixtures of stores, offices, museums, hospitals, factories and public institutions, when part of the stock or equipment of the same;

(c) objects of art, displays and exhibits which because of their unusual nature or value require specialized handling and the employment of pads, belts, hooks, wardrobes and special packing containers,

1. by shipment from points in the Provinces of Quebec, New Brunswick, Nova Scotia and Prince Edward Island as authorized thereby, from points at the Ontario-Quebec border at Virginiatown, Judge, Haley's Crossing, Ottawa, Hawkesbury, Point Fortune and Riviere Beaudette to points in the Province of Ontario; and from points in the Province of Ontario, to the Ontario-Quebec border, at the

said border points, for furtherance to points in the said Provinces,

2. by shipment from points in the said Provinces as authorized thereby, in transit through the United States of America, from the international boundary at Cornwall and Lansdowne, to points in the Province of Ontario, and from points in the Province of Ontario to points at the said international boundary for furtherance to points in the said Provinces,
3. from points in Ontario, to all points on the international boundary and on the Ontario-Manitoba border, for furtherance to points in the Provinces of Manitoba, Saskatchewan, Alberta, British Columbia, the Northwest and the Yukon Territories, as authorized thereby and by shipment from points from the said international boundary, and the said border, to points in Ontario,
4. from and to all points at the international boundary, the Ontario-Manitoba and the Ontario-Quebec borders, for movement in transit through Ontario;

for interprovincial traffic only.

PROVIDED that any licence issued pursuant to this certificate be not transferable except after a public hearing before and approval by this Board; and

PROVIDED FURTHER that the principal place of business of the holder of any licence issued pursuant to this certificate be not transferred from the Municipality and Province where it was located at the date of the issue of the first licence hereunder.

EXTENSION GRANTED—For the carriage of electronic equipment not crated, for and on behalf of International Business Machines Company Limited, of the Township of North York, by shipment from points in the Province of Quebec, as authorized thereby, from all points at the Ontario-Quebec border to:

- (i) Metropolitan Toronto,
- (ii) Ottawa,

and from the said points in Ontario, to the Ontario-Quebec border at the said border points, to points in the Province of Quebec as authorized thereby.

PROVIDED this authority be operated only in conjunction with the complementary authority of The Transportation Board of the Province of Quebec, dated the 6th day of July, 1964, filed with this Board".

William Lee Wilkinson, Esq., 28901-A
R.R. #3,
Georgetown, Ontario,

applies for an extension of time to extra-provincial operating licence No. X-2573 for filing complementary authorities as issued by the Boards and/or Commissions of the Provinces of Alberta and Saskatchewan from 1 April, 1979 to 1 April, 1980.

D. S. CHURCH,
Secretary.

B. C. HOWARD,
Executive Director, Companies Division.

Cancellation of Letters Patent for Cause

NOTICE IS HEREBY GIVEN that, under *The Corporations Act*, an order has been issued cancelling the Letters Patent for cause of the corporation named hereunder:

Name of Corporation	Date of Incorporation	Date of Order	Date of Dissolution
GAYO ROJO INC.	Jan. 18, 1979	July 23, 1979	July 23, 1979

(3059) 34

B. C. HOWARD,
Executive Director, Companies Division.

Notice of Default in Complying with
The Corporations Tax Act, 1972

The Minister of Consumer and Commercial Relations has been notified by the Minister of Revenue that each of the Corporations named hereunder has not complied with the provisions of *The Corporations Tax Act, 1972*.

NOTICE IS HEREBY GIVEN under subsection (1) of section 251 of *The Business Corporations Act* that an order dissolving each Corporation will be issued unless the Corporations comply with the requirements of *The Corporations Tax Act, 1972*, within 90 days of the date of this notice. All enquiries concerning this notice are to be directed to Corporations Tax Branch, Ministry of Revenue, 77 Bloor Street West, Toronto.

The Land Transfer Tax
Act, 1974

GRANT OF EXEMPTION OR REMISSION

The following conditional exemptions and remissions were granted on the dates indicated pursuant to authority conferred by Ontario Regulation 250/76 under this Act, by which the Minister of Revenue is authorized to exempt from or remit that part of the tax payable under subsection 2 of section 2 of *The Land Transfer Tax Act, 1974*, that exceeds the amount of tax that would result if the rates under subsection 1 of the said section 2 were applied any person tendering for registration a conveyance, where security has been furnished to the Minister for the performance of certain undertakings given by the non-resident person.

Section 1 (1) (a)

Undertaking:

To develop and resell the land for residential, commercial or industrial purposes within five years from the date of the grant.

1. Transferee —Monarch Construction Limited
- Land —In the Borough of Scarborough, in the Municipality of Metropolitan Toronto, being part of Lot 26, Con. 4 in the former Township of Scarborough.
- Date —June 20, 1979.

Section 1 (1) (c)

Undertaking:

To cease to be a non-resident person within two years from the date of the grant.

1. Transferee —Gerrit Jan Menkveld
- Land —In the Township of Elma, in the County of Perth, being Lot 10, Con. 16.
- Date —June 1, 1979.

2. Transferee —Josef Ziegler

- Land —In the Township of West Gwillimbury, in the County of Simcoe, being part of the north half of Lot 3 and the north half of Lot 4, Con. 5.
- Date —June 14, 1979.

3. Transferee —Paul Hilger

- Land —In the Township of Amaranth, in the County of Dufferin, being part of Lot 6, Con. 8.
- Date —July 3, 1979.

4. Transferees —Robert Sigmund-Wild & Rosa Sigmund-Wild

- Land —In the Township of Brantford, in the County of Brant, being parts of Lots 4 and 5 in the First Range south of the Hamilton Road.
- Date —July 3, 1979.

5. Transferees —Armin Schellenberg & Daniel Schellenberg

- Land —In the Township of Cambridge, in the County of Russell, being parts of Lots 3 and 4, Concession 6, Lots 2 and 3, Concession 7, and Lot 1, Concession 8.
- Date —July 3, 1979.

(3066) 34

Erratum

Vide Ontario Gazette, Vol. 112 - 19, dated May 12, 1979. Notice under *The Mining Act*, District of Thunder Bay. Page number 2273.

Mining Claim T.B. 99672—number should read 99762.

Applications to Parliament — Private Bills

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Standing Orders governing the submission of such Bills:

NOTE: The previous Standing Orders of the Legislative Assembly have been repealed and the following put into effect by an Order of the House passed on Thursday, December 14th, 1978.

Attention is drawn to the more important changes:—

— No time limit.

— No penalties for late filing.

— Required notice of advertising reduced to four weeks from six weeks.

PRIVATE BILLS

Filing Bill with Clerk

65. (a) Any person, group or corporation may apply for a Private Bill by filing with the Clerk of the House a copy of the Bill together with a fee of \$150.00.

Applicant to pay cost of printing

(b) Every applicant for a Private Bill shall pay the cost of printing the Bill, including the cost of printing the Act in the annual Statutes.

Other charges

(c) Where a Standing Order is suspended with reference to a Bill, a charge of \$50.00 shall be levied.

Additional fees

(d) Where a Bill incorporates a company, or increases the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable in the case of an incorporation or increase of capital under The Business Corporations Act, less the sum of \$150.00 already paid to the Clerk of the House.

(e) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:—

On amounts less than \$10,000.....	\$ 25
On amounts over \$10,000 and up to \$25,000	50
On amounts over \$25,000 and up to \$40,000	75
On amounts over \$40,000 and up to \$75,000	100

On amounts over \$75,000 and up to \$125,000	125
On amounts over \$125,000 and up to \$175,000	150
On amounts over \$175,000 and up to \$250,000	200
On amounts over \$250,000 and up to \$350,000	250
and an additional fee of \$50 for every \$100,000 over \$350,000.	

Publication of Standing Orders re Private Bills

(f) The Clerk of the House shall publish weekly in *The Ontario Gazette* the Standing Orders respecting applications for Private Bills.

Required notice of applications

(g) Notice of an application for a Private Bill shall be given before it is referred to a Standing Committee by publishing it once a week for at least four weeks in each of *The Ontario Gazette* and one newspaper circulated in the municipality most affected and the notice shall,

(i) be signed by or on behalf of the applicant;

(ii) clearly state the nature and object of the application;

(iii) when the application refers to any proposed work, indicate generally the location of the work; and

Bills for debenture issues

(iv) where the application is by a municipal corporation for authority to issue debentures, set out the particulars of the existing debenture debt and the amount of the rateable property of the municipality according to the last revised assessment roll of the corporation and in brief and general terms, the object for which the new issue of debentures is required.

Clerk reports to Standing Procedural Affairs Committee

66. (a) The Clerk of the House shall refer to the Standing Procedural Affairs Committee any application that, in his opinion, does not comply with the Standing Orders.

Declaration re advertising

(b) The applicants for a Private Bill shall lodge with the Clerk of the House a declaration proving publication of the notice.

Letters Patent

67. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Charter or Agreement, shall be attached to it.

Certificate of Minister of Revenue re Letters Patent

68. No Bill relating to the status of a corporation shall be considered by any Committee until there has been deposited with the Clerk of the House a certificate of the Minister of Revenue showing that all taxes payable under The Corporations Tax Act in respect of the corporation have been paid.

Reference to Standing Committee after first reading. Exceptions

69. Every Private Bill when read a first time, shall, unless it is an Estate Bill, or a Bill providing for

a consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a municipal corporation, stand referred to the appropriate Standing Committee, and any Petitions to the House for or against the Bill stand referred to any such Committee.

Certain Municipal Applications referred to Ontario Municipal Board

70. (a) A Private Bill of a municipal corporation providing for the consolidation of a floating debt, or the consolidation or renewal of debentures (other than local improvement debentures) stand referred to the Ontario Municipal Board after first reading.

Board to report

(b) The Board, after due enquiry, shall report to the House whether or not it is reasonable that the Bill, or that part thereof relating to the matters referred to in clause (a), should pass and what, if any, alterations should be made in the Bill.

Report to Clerk

(c) A report shall be transmitted to the Clerk of the House.

Bill and report to Standing Committee

(d) The Bill and report shall stand referred to the appropriate Standing Committee.

Estate Bills to Commissioners

71. (a) Every Estate Bill stands referred to the Commissioners of Estate Bills after first reading.

Commissioners to report

(b) The Commissioners, or any two of them, shall report their opinion on the Bill and whether, presuming the allegations contained in the preamble to be proven to the satisfaction of the House, it is reasonable for the Bill to pass and what, if any, alterations are necessary.

Report to Clerk

(c) A report of the Commissioners of Estate Bills shall be transmitted to the Clerk of the House.

Adverse Report by Commissioners

(d) Where the Commissioners of Estate Bills report that, in their opinion, it is not reasonable that the Bill submitted to them pass into law, the Bill shall not be further considered.

Notice re Hearing by Standing Committee

72. (a) The Clerk of the House shall post on all notice boards five days notice of the date on which any Private Bill is to be considered by a Committee and the notice shall be published in the Notice Paper.

Notice of Next Day Meetings on Private Bills

(b) The Clerk shall also publish in the Notice Paper a notice of any meeting of a Committee to consider Private Bills to be held on the following day.

Consent of interested persons

73. Any person whose interest or property may be affected by a Private Bill, when required, shall appear before the Committee considering the Bill to express his consent or objection, or may consent in writing, proof of which may be demanded by the Committee.

On Order Paper after report

74. Private Bills when reported by Standing Committees or the Commissioners of Estate Bills shall be placed on the Order Paper for second reading.

Bills initialled and signed by Chairman

75. (a) The Chairman of a Committee considering a Private Bill shall initial each section of the Bill as it is passed and sign the Bill.

Amendments

(b) Amendments shall be clearly indicated in the signed copy, and the amendments or additions shall be initialled by the Chairman.

Reprinting amended Bills

76. Private Bills amended by a Committee or the Commissioners may be reprinted before further consideration as the Clerk of the House may direct and the applicant shall pay the cost of printing the Bill.

Referral after second reading

77. Private Bills, after second reading, shall be ordered for third reading, unless specially ordered referred to the Committee of the Whole House.

Notice required to dispense with Standing Orders

78. Except by unanimous consent of the House given in case of urgent and pressing necessity, no motion may be made to dispense with any Standing Order relating to Private Bills without due notice thereof.

Private Bill Register

79. A Private Bill Register shall be kept in the office of the Clerk of the House, in which shall be entered, by the Clerk appointed for that purpose, the name, description, and place of residence of the parties applying for the Bill, or of their agent, and all the proceedings thereon, such register to be open to public inspection daily, during office hours.

Parliamentary Agents

80. (a) Every Parliamentary Agent conducting proceedings before the House is personally responsible to the House and to the Speaker for the observance of the Standing Orders and Practices of Parliament, and also for the payment of all fees and charges.

Misconduct of Agent

(b) Any agent who wilfully acts in violation of the Standing Orders and Practices of Parliament, or who wilfully misconducts himself in prosecuting any proceedings before the House, is liable to an absolute or temporary prohibition to practise as a Parliamentary Agent, at the pleasure of the Speaker.

RODERICK LEWIS, Q.C.,

Clerk of the Legislative Assembly of Ontario.

Petitions to Parliament

Extract from the rules respecting the presentation of petitions

- Form 29. (c) Petitions may be either written or printed and only the original, properly signed, and addressed to the Lieutenant Governor and the Legislative Assembly need be presented.
- May not be signed by solicitor. Exceptions (d) Petitions may not be signed by a solicitor as such, unless he is acting for a petitioner unable to sign due to absence from the Province or illness, and only then if the solicitor holds a Power of Attorney to be produced to the Clerk of the House if required.
- Members responsible for contents (e) Members presenting petitions are answerable that they do not contain any improper matter.
- No petitions for expenditure of public funds (f) No petition can be received which prays for any expenditure, grant or charge on the public revenue, whether payable out of the Consolidated Revenue Fund, or out of moneys to be provided by the House.

SAMPLE FORM FOR PETITIONS

*To the Honourable the Lieutenant Governor and the
Legislative Assembly of Ontario:*

We, the undersigned, beg leave to petition the Parliament of Ontario, as follows:

NOTE: The subject of the Petition must relate to a grievance within the competence of the Assembly to remedy **and must not pray for any expenditure, grant or charge on the public revenue.**

The Member of the House presenting the Petition for the petitioners must endorse his name thereon and be answerable that it contain no improper matter.

(1574) T.F.N.

RODERICK LEWIS, Q.C.,
Clerk of the Legislative Assembly of Ontario.

Applications to Parliament

SOUTH RUSSELL HOLDINGS LIMITED

NOTICE IS HEREBY GIVEN that on behalf of Dr. Herbert Basian, Jean Bloom and Elva Starkman, Executrix of the Estate of Dr. Sydney Starkman, an application will be made to the Legislative Assembly of the Province of Ontario at its current regular session commencing in 1979 for an act to revive South Russell Holdings Limited, which was dissolved on the 14th day of May, 1975, subject to any rights acquired by any person after its dissolution, and restore it to its legal position as a corporation including all its property, rights, privileges and franchises and subject to all its liabilities, contracts, disabilities and debts as at the date of its dissolution in the manner and to the same extent as if it had not been dissolved.

Toronto, Ontario M5H 3C3.

IN THE SUPREME COURT OF ONTARIO

IN THE MATTER OF Parts of Lots Nos. 82, 83 and 84, according to Plan No. D-204, and Part of a one foot reserve on the south side of Humbert Street according to Plan No. D-44, both registered in the Registry Office for the City of Toronto;

AND IN THE MATTER OF *The Quieting Titles Act*, R.S.O. 1970, Chapter 396.

NOTICE

NOTICE IS HEREBY GIVEN that Della Anderson, of the City of Toronto, in the Municipality of Metropolitan Toronto, and Province of Ontario has made an application to the Supreme Court of Ontario for a Certificate of Title to the above-mentioned property, under *The Quieting Titles Act*, and has produced evidence whereby she appears to be the owner thereof in fee, free from all encumbrances;

WHEREFORE, any other person having or pretending to have any title to or interest in the said land or any part thereof, is required on or before the 20th day of September, A.D. 1979 to file a statement of his claim verified by affidavit in my office at 145 Queen Street West, Toronto, Ontario and to serve a copy on the said Della Anderson or on Mr. Joel Shupac, her solicitor at his office located at 312 Dundas Street West, Toronto, Ontario M5T 1G5 and in default every such claim will be barred and the title to the said Della Anderson becomes absolute and indefeasible at law and in equity, subject only to the reservations mentioned in Section 22 of the said Act therein mentioned.

Dated this 10th day of August, A.D. 1979.

G. C. SAUNDERS,
Referee of Titles.

This notice to be published once in THE ONTARIO GAZETTE and THE GLOBE AND MAIL, Toronto on or before the 25th day of August, A.D. 1979.

Referee of Titles.

THE BOUNDARIES ACT (R.S.O. 1970, Chapter 48, as Amended)

NOTICE OF CONFIRMATION

(B-632)

TAKE NOTICE that upon Application made by The Corporation of the City of Windsor and pursuant to Section 11 of *The Boundaries Act*, I did confirm the true location on the ground of the boundaries of the Alley or Lane lying between Pillette (Pelette) Road and Arthur Road and extending from Milloy Street to Alice Street, Registered Plan 907, in the City of Windsor, County of Essex, as set out in my Order of the 9th day of August, 1979.

AND FURTHER TAKE NOTICE that any person objecting to the confirmation may appeal to the Divisional Court of Ontario; notice of such appeal must be served upon me within twenty days after the date of publication of this Notice in THE ONTARIO GAZETTE. I have directed that this Notice be published in THE ONTARIO GAZETTE on the 25th day of August, 1979.

Dated at my Office in the Legal and Survey Standards Branch, 3rd Floor, 543 Yonge Street, Toronto, Ontario, M7A 2J8, this 9th day of August, 1979.

(9391) 34 JAMES N. GARDINER,
Assistant Deputy Director
of Titles.

Sheriffs' Sales of Lands

COUNTY OF OXFORD

UNDER AND BY VIRTUE OF a Writ of *Fieri Facias* issued out of the County Court of the County of Oxford and to me directed against the lands and tenements of Gordon Parker Dillman, Respondent, at the suit of Velma Mae Dillman, Applicant, I have seized and taken into execution all the right, title, interest and equity of redemption of the said Respondent in and to, with Velma Mae Dillman, formerly his wife, of the same place, as joint tenants and not as tenants in common:

All and Singular that certain parcel or tract of lands and premises situate, lying and being in the Village of Embro, in the Township of Zorra, formerly the Township of West Zorra, in the County of Oxford and being composed of parts of Lots Nine and Ten on the South side of Commissioner Street according to Plan Number 39, more particularly described as follows:

Commencing in the northerly limit of said Lot Number Nine at the distance of forty-six feet easterly from the north-west angle thereof; thence easterly along the northerly boundaries of Lots Nine and Ten, forty-two feet more or less to a point; thence southerly parallel with Argyle Street, ninety-two feet more or less to a point; thence westerly parallel with Commissioner Street forty-two feet more or less to a point;

thence northerly parallel with Argyle Street ninety-nine feet more or less to the place of beginning.

All of which said right, title, interest and equity of redemption of the said Judgment Debtor Respondent in the said lands and tenements, I shall offer for sale by Public Auction in my Chambers, Court House, Hunter Street, Woodstock, Ontario, on the 24th day of September, A.D. 1979 at 10.00 o'clock in the forenoon.

(9383) 34 RICHARD S. BEAUDOIN,
Sheriff, County of Oxford.

UNITED COUNTIES OF STORMONT, DUNDAS AND GLENGARRY

UNDER AND BY VIRTUE OF an Execution issued out of the County Court of the Judicial District of Ottawa-Carleton, to me directed, against the lands and tenements of Benjamin Archer, Defendant, at the suit of Provincial Fruit Company (Ottawa) Limited, Plaintiff, I have seized and taken in execution all the right, title, interest and equity of redemption of Benjamin Archer, Defendant, in and to:

All and Singular that certain parcel or tract of land and premises situate, lying and being in the Township of Winchester, in the County of Dundas, and being composed of: The North Twenty (20) acres of the East half of Lot Number Eight (8) in the Fourth Concession of the said Township of Winchester, which may be more particularly described as follows:

Commencing at the North East angle of the said Lot Number Eight (8):

Thence Westerly along the present North limit of said Lot (which is also the South limit of King's Highway No. 43) a distance of Eight Hundred & Thirty feet (830') to a point (which is the North West angle of said East half of said lot);

Thence South in a straight line along the line dividing the East and West halves of said Lot a distance of Eight Hundred & Thirty Four feet (834') to a point;

Thence East in a straight line a distance of Eight Hundred & Forty Five feet (845') to a point in the East sideline of said Lot which is distant thereon measured Southerly Eight Hundred & Twenty One feet (821') from the point of commencement;

Thence North along the East sideline of said Lot a distance of Eight Hundred & Twenty One (821') to the point of commencement.

On this property are said to be erected the following buildings:

- (a) A 3 bedroom frame bungalow with aluminum siding on a concrete foundation;
- (b) A large house trailer on concrete blocks;
- (c) A shed or garage-like building which appears to have been adapted for living use; and
- (d) The frame of a greenhouse is also said to be standing on the said property.

All of the said buildings are said to be oil heated.

Title to the said property is in the name of the Defendant, Benjamin Archer, and his wife Audrey Leona May Archer, as joint tenants.

The said lands and premises appear to be subject to one or more mortgages.

There appears to be arrears of Municipal Taxes.

All of which said right, title, interest and equity of redemption of the said Benjamin Archer, Defendant, in the said lands and tenements, I shall offer for sale by Public Auction at my Office in the Court House, 26 Pitt Street, in the City of Cornwall, on Friday, September 28th, 1979, at 3.00 p.m. in the afternoon.

This sale is subject to cancellation up to time of sale without any further notice.

Dated at Cornwall, Ontario, this 13th day of August, A.D. 1979.

RICHARD J. LAMOUREUX,
Sheriff, United Counties of Stormont,
(9392) 34 Dundas and Glengarry.

UNDER AND BY VIRTUE OF an Execution issued out of the County Court of the Judicial District of York, to me directed, against the lands and tenements of Vincenzo Figliomeni and Estrina Figliomeni, Defendants, at the suit of Toronto Dominion Bank, Plaintiff, I have seized and taken in execution all the right, title, interest and equity of redemption of Vincenzo Figliomeni and Estrina Figliomeni, Defendants, in and to:

All and Singular that certain parcel or tract of land and premises situate lying and being in the Borough of York, in the County of York, and being composed of the northerly 3 feet 2³/₄ inches in perpendicular width by the full depth of lot 938, all of lot 939, and possibly part of lot 940 according to Plan registered in the Registry Division of the East and West Riding of the County of York as No. 2245.

On the premises is said to be erected a brick two-storey semi-detached structure on a concrete block foundation with an asphalt roof. The house contains 7 rooms and one room in basement which is completed. The building is heated by oil.

Municipally known as 687 Old Weston Road, Toronto, Ontario.

All of which said right, title, interest and equity of redemption of Vincenzo Figliomeni and Estrina Figliomeni, Defendants, in the said lands and tenements, I shall offer for sale by Public Auction in my office, Room 108, Court House, 361 University Ave., Toronto, Ontario, on Friday, September 28th, 1979, at 1.30 o'clock in the afternoon.

Dated at Toronto, this 15th day of August, 1979.

Terms: Cash or certified cheque
Deposit 10% of bid price at time of sale
(Minimum \$300.00 or 10 %—
whichever greater)
Ten days to arrange financing
Delivery only on payment in full

This sale is subject to cancellation up to time of sale without any further notice.

PHILIP J. AMBROSE,
Sheriff, Judicial District
of York.

O. Reg. 583/79.
Order Made Under Section 29a of
The Planning Act.
Made—August 2nd, 1979.
Filed—August 7th, 1979.

REGULATION MADE UNDER
THE PLANNING ACT

ORDER MADE UNDER SECTION 29a OF
THE PLANNING ACT

1. A contravention before the 19th day of March, 1973 of section 29 of *The Planning Act* or a pre-

decessor thereof, or of a by-law passed under a predecessor of the said section, or of an Order made under clause *b* of subsection 1 of section 27, as it existed on the 25th day of June, 1970, of *The Planning Act* being chapter 296 of the Revised Statutes of Ontario, 1960 or a predecessor thereof, does not have and shall be deemed never to have had the effect of preventing the conveyance or creation of any interest in the following parcel of land:

That parcel of land situate in the City of Sudbury, formerly in the Township of McKim, in The Regional Municipality of Sudbury, described as Parcel 23289 in the Register for Sudbury East Section, and being that part of Lot 5 on the south side of Austin Street according to a Plan filed in the Land Registry Office for the Land Titles Division of Sudbury (No. 53) as Number M-398, excepting those parts transferred by Transfer Numbers 170849, 177993 and 251155. O. Reg. 583/79, s. 1.

THE PARKWAY BELT PLANNING AND
DEVELOPMENT ACT, 1973

O. Reg. 584/79.
County of Halton (now The Regional
Municipality of Halton), City of
Burlington.
Made—July 30th, 1979.
Filed—August 7th, 1979.

REGULATION TO AMEND
ONTARIO REGULATION 482/73
MADE UNDER

THE PARKWAY BELT PLANNING AND
DEVELOPMENT ACT, 1973

1. Section 58 of Ontario Regulation 482/73, as remade by section 1 of Ontario Regulation 571/77, is revoked and the following substituted therefor:

58. Notwithstanding any other provision of this Order, the land described in Schedule 46 may be used for the following uses:

1. The continued use thereon of an automobile garage and service station and one gas

pump island containing four gas pumps and a servicing booth, provided the following requirements are met:

Maximum ground floor area of the automobile garage and service station	2,200 square feet
Minimum side yards	70 feet
Minimum rear yard	85 feet
Maximum height of any building or structure	30 feet
Maximum ground floor area of the servicing booth	25 square feet

Parking facilities for vehicles requiring service at the automobile garage or service station shall not be located within,

- (i) 70 feet of the northwesterly limit of the said lands,
- (ii) 15 feet of the southwesterly limit of the said lands,
- (iii) 80 feet of the northeasterly limit of the said lands,
- (iv) 100 feet of the centre line of Dundas Street.

2. The erection and use thereon of a single-family dwelling and buildings and structures accessory thereto, including an above-

ground swimming pool, provided the following requirements are met:

Minimum distance of the dwelling from the centre line of Dundas Street	90 feet
Minimum distance between the dwelling and the side lot lines	15 feet
Minimum distance between the dwelling and the rear lot line	50 feet
Maximum height of dwelling	30 feet
Minimum ground floor area of dwelling	1,200 square feet
Minimum distance between the swimming pool and the northeasterly limit of the said lands	20 feet
Minimum distance between the swimming pool and the northwesterly limit of the said lands	15 feet

O. Reg. 584/79, s. 1.

CLAUDE F. BENNETT
Minister of Housing

Dated at Toronto, this 30th day of July, 1979.

THE SUMMARY CONVICTIONS ACT

O. Reg. 585/79.
Ticket Summons.
Made—August 1st, 1979.
Filed—August 8th, 1979.

REGULATION TO AMEND ONTARIO REGULATION 376/71
MADE UNDER THE SUMMARY CONVICTIONS ACT

- 1.—(1) Items 63, 64, 65 and 66 of Schedule 1 to Ontario Regulation 376/71, as remade by section 2 of Ontario Regulation 333/73, are revoked.
- (2) Items 103 and 104 of the said Schedule 1, as remade by section 2 of Ontario Regulation 333/73, are revoked and the following substituted therefor:

ITEM	COLUMN 1	COLUMN 2

140a.	Drive motor vehicle with radar warning device	section 52a
147r.	Sell new vehicle not complying with standards	section 60 (2a)
147s.	Offer for sale new vehicle not complying with standards	section 60 (2a)
147t.	Expose for sale new vehicle not complying with standards	section 60 (2a)
147u.	Sell new vehicle not marked or identified	section 60 (2a)
147v.	Offer for sale new vehicle not marked or identified	section 60 (2a)
147w.	Expose for sale new vehicle not marked or identified	section 60 (2a)

(7) Item 147g of the said Schedule 5, as remade by subsection 5 of section 1 of Ontario Regulation 812/76, is revoked and the following substituted therefor:

ITEM	COLUMN 1	COLUMN 2
147g.	Affix vehicle inspection sticker—vehicle not complying	section 58c (2) (a)

- (8) Items 162 to 195, as remade by section 2 of Ontario Regulation 333/73, item 196, as remade by subsection 7 of section 1 of Ontario Regulation 812/76, items 197 to 213, as remade by section 2 of Ontario Regulation 333/73, item 213a, as made by subsection 10 of section 1 of Ontario Regulation 9/76, and items 214 to 217, as remade by section 2 of Ontario Regulation 333/73, of the said Schedule 5, are revoked and the following substituted therefor:

ITEM	COLUMN 1	COLUMN 2
162.	Overwidth vehicle	section 65 (1)
163.	Overwidth load	section 65 (1)
164.	Overlength vehicle	section 65 (5)
165.	Overlength combination of vehicles	section 65 (5)
166.	Overlength semi-trailer	section 65 (6)
167.	Overlength bus	section 65 (7)
168.	Overheight vehicle	section 65 (9)
169.	Fail to carry permit in vehicle	section 66 (6)
170.	Fail to produce permit	section 66 (6)
171.	Oversize vehicle—violate permit	section 66 (7)
172.	Overweight vehicle—violate permit	section 66 (7)
173.	Fail to mark overhanging load	section 67 (1)
174.	Insecure load	section 67 (2)
175.	Overweight on tires ...kg.	section 71 (1) (a)
176.	Overweight on tires ...kg.	section 71 (1) (b)
177.	Overweight single axle (single tires) ...kg. Class A Highway	section 72 (1) (a)
178.	Overweight single axle (dual tires) ...kg. Class A Highway	section 72 (1) (b)
179.	Overweight dual axle ...kg. Class A Highway	section 72 (1) (c)
180.	Overweight triple axle ... kg. Class A Highway	section 72 (1) (d)
181.	Overweight dual axle (single tires) ... kg. Class A Highway	section 72 (2)
182.	Overweight triple axle (single tires) ... kg. Class A Highway	section 72 (3)
183.	Overweight single front axle ... kg. No verification. Class A Highway	section 72 (4)
184.	Overweight single front axle ... kg. Exceed rating. Class A Highway	section 72 (4)
185.	Overweight two axle group ... kg. Class A Highway	section 73 (a)
186.	Overweight three axle group ... kg. Class A Highway	section 73 (b)
187.	Overweight four axle group ... kg. Class A Highway	section 73 (c)
188.	Overweight vehicle ... kg. Class A Highway	section 74 (1)
189.	Fail to produce authority	section 74 (5)
190.	Overweight vehicle—violate authority	section 74 (6)
191.	Overweight during freeze-up ... kg.	section 75 (3)
192.	Overweight on axle ... kg. Class B Highway	section 76
193.	Overweight vehicle—violate permit	section 77 (1)
194.	Fail to have permit in vehicle	section 77 (2)
195.	Fail to produce permit for commercial motor vehicle	section 77 (2)
196.	Fail to produce permit for trailer	section 77 (2)
197.	Fail to have receipt in vehicle	section 77 (4)
198.	Fail to produce receipt	section 77 (4)
199.	Axle overloaded by ... kg. March and April	section 77 (5)
200.	Axle overloaded by ... kg. March and April	section 77 (6)
201.	Overweight on tires ... kg. March and April	section 77 (7)
202.	Fail to proceed to scale	section 78 (6) (a)
203.	Fail to have load removed	section 78 (6) (b)
204.	Obstruct weighing, measuring or examination	section 78 (6) (c)
205.	Cause vehicle to be overloaded	section 80
206.	Disobey sign or traffic control device	section 86 (3)

(9) Items 235, 236, 237 and 238, as remade by section 2 of Ontario Regulation 333/73, and items 236a, 236b, 238a and 238b, as made by subsection 10 of section 1 of Ontario Regulation 9/76, of the said Schedule 5 are revoked and the following substituted therefor:

ITEM	COLUMN 1	COLUMN 2
235.	Stopped vehicle at crossover—fail to yield to pedestrian	section 92 (2) (a)
236.	Stopped street car at crossover—fail to yield to pedestrian	section 92 (2) (a)
236a.	Stopped vehicle at crossover—fail to yield to person in wheelchair	section 92 (2) (a)
236b.	Stopped street car at crossover—fail to yield to person in wheelchair	section 92 (2) (a)
237.	Stopped vehicle at crossover—fail to yield to pedestrian approaching	section 92 (2) (b)
238.	Stopped street car at crossover—fail to yield to pedestrian approaching	section 92 (2) (b)
238a.	Stopped vehicle at crossover—fail to yield to person in wheelchair approaching	section 92 (2) (b)
238b.	Stopped street car at crossover—fail to yield to person in wheelchair approaching	section 92 (2) (b)

(10) Item 239 of the said Schedule 5, as remade by section 2 of Ontario Regulation 333/73, is revoked and the following substituted therefor:

ITEM	COLUMN 1	COLUMN 2
239.	Pass front of vehicle within 30 m of crossover	section 92 (3)
239a.	Pass front of street car within 30 m of crossover	section 92 (3)

(11) Item 240a of the said Schedule 5, as made by subsection 10 of section 1 of Ontario Regulation 9/76, is revoked and the following substituted therefor:

ITEM	COLUMN 1	COLUMN 2
240a.	Person in wheelchair—fail to yield at crossover	section 92 (4)

(12) The said Schedule 5 is further amended by adding thereto the following items:

ITEM	COLUMN 1	COLUMN 2
272a.	Disobey red light—fail to stop before left turn—one way streets	section 96 (5)
280a.	Proceed contrary to green arrow—red light	section 96 (9)
280b.	Proceed contrary to green arrow	section 96 (9a)

(13) Item 365*a* of the said Schedule 5, as made by subsection 12 of section 1 of Ontario Regulation 9/76, is revoked and the following substituted therefor:

ITEM	COLUMN 1	COLUMN 2
365 <i>a</i> .	Ride another person on a motor assisted bicycle	section 122 (2 <i>a</i>)

5. Schedule 9 to the said Regulation, as remade by Ontario Regulation 333/73, is revoked and the following substituted therefor:

Schedule 9

Ontario Regulation 44/79 Under
The Highway Traffic Act

ITEM	COLUMN 1	COLUMN 2
1.	Instruct driving without licence	section 2
2.	Fail to display licence	section 10

O. Reg. 585/79, s. 5.

6. Item 1 of Schedule 10 to the said Regulation, as remade by section 2 of Ontario Regulation 9/76, is revoked and the following substituted therefor:

ITEM	COLUMN 1	COLUMN 2
1.	Improper brakes on mobile home	section 3 <i>a</i>

7. Item 5 of Schedule 11 to the said Regulation, as remade by section 2 of Ontario Regulation 9/76, is revoked and the following substituted therefor:

ITEM	COLUMN 1	COLUMN 2
5.	Fail to record exchange of engine	section 4

8. Schedule 11a to the said Regulation, as made by section 2 of Ontario Regulation 9/76, is revoked and the following substituted therefor:

Schedule 11a		
Ontario Regulation 325/79 Under The Highway Traffic Act		
ITEM	COLUMN 1	COLUMN 2
1.	Fail to report termination of mechanic	section 9
2.	Insufficient inspection area	section 10(1)(a)
3.	Inadequate maintenance tools	section 10(1)(b)
4.	Unclear conditions	section 10(1)(c)
5.	Unsafe conditions	section 10(1)(c)
6.	Poor condition of equipment	section 10(2)
7.	Fail to keep copy of SSC on premises	section 11(a)
8.	Fail to keep record of vehicles inspected	section 11(b)

THE BUSINESS CORPORATIONS ACT

O. Reg. 586/79.

Names.

Made—August 8th, 1979.

Filed—August 10th, 1979.

REGULATION MADE UNDER
THE BUSINESS CORPORATIONS ACT

NAMES

1. In this Regulation "trade mark" means a trade mark as defined in the *Trade Marks Act* (Canada). O. Reg. 586/79, s. 1.

2.—(1) For the purposes of clause *b* of subsection 1 of section 7 of the Act and the Regulations, the meaning of the expression "if the use of that name would be likely to deceive" shall include,

- (a) a name that would lead to the inference that the business or activities carried on or intended to be carried on by the corporation under the name, and the business or activities carried on by any other person, are one business or one activity, whether or not the nature of the business or activity of each is generally the same;
- (b) a name that would lead to the inference that the corporation bearing the name or proposed name is, or would be, associated or affiliated with a person, if the corporation and such person are not, or will not be, associated or affiliated; or
- (c) a name whose similarity to a person would lead to the inference that the name would cause someone who had an interest in dealing, or reason to deal, with the person, to deal with the corporation bearing the name in the belief that he was dealing with the person.

(2) For the purposes of subsection 1,

- (a) "person" means the name of a known,
 - (i) body corporate,
 - (ii) trust,
 - (iii) association,
 - (iv) partnership,
 - (v) sole proprietorship, or
 - (vi) individual,

whether in existence or not, and includes the known name or known trade mark

under which any of them carry on business or identify themselves;

- (b) "use" means actual use by a person that carries on business in Canada or elsewhere. O. Reg. 586/79, s. 2.

3.—(1) A corporation may have a name similar to that of another body corporate where the corporation is not or will not be affiliated with the body corporate if,

- (a) that corporate name relates to a proposed corporation that is the successor to the business of the body corporate and the body corporate has ceased or will cease to carry on business;
- (b) the body corporate undertakes in writing to dissolve forthwith or to change its name before the corporation proposing to use the name commences to carry on business; and
- (c) subject to subsection 2, the corporate name sets out in numerals the year of acquisition of the name in parenthesis immediately before the word "limited", "incorporated", "corporation", or the corresponding abbreviation thereof.

(2) After two years of use a corporate name referred to in clause *c* of subsection 1 may be changed to delete the reference to the year of acquisition of the name if the corporate name so changed would not be prohibited by clause *b* of subsection 1 of section 7 of the Act. O. Reg. 586/79, s. 3.

4. A corporation may have a name similar to that of another body corporate where the corporation is affiliated with that body corporate. O. Reg. 586/79, s. 4.

5. A proposed name under section 3 or 4 shall not be the same as that of the other body corporate, unless the body corporate is incorporated under the laws of a jurisdiction outside Canada, and has never carried on any activities or identified itself in Canada. O. Reg. 586/79, s. 5.

6. For the purpose of sections 5 and 20, the addition or deletion of punctuation marks does not make a name different, but a name is not the same for the purposes of those sections if words, numerals, or initials are added, deleted or substituted, as the case may be, or the final word of the name is varied by substituting one of the other two final words required under subsection 1 of section 8 of the Act or their corresponding abbreviations. O. Reg. 586/79, s. 6.

7. A corporation may have a name similar to that of a known,

- (a) trust;

- (b) association;
- (c) partnership; or
- (d) sole proprietorship,

or a known name under which any of them carry on business or identify themselves if,

- (e) the corporate name relates to a proposed corporation that is the successor to the business carried on under the name and the user of the name has ceased or will cease to carry on business under the name; or
- (f) the known trust, association, partnership or sole proprietor undertakes in writing to dissolve forthwith or to change its name before the corporation proposing to use the name commences to use it. O. Reg. 586/79, s. 7.

8. Where a body corporate has not carried on business in the immediately preceding two years, a proposed name that would otherwise be prohibited under clause *b* of subsection 1 of section 7 of the Act because of the name of the body corporate is permitted if,

- (a) the body corporate consents in writing to the proposed name; and
- (b) the body corporate undertakes in writing to dissolve forthwith or to change its name to some dissimilar name before the corporation proposing to use the name commences to use it. O. Reg. 586/79, s. 8.

9. A corporate name shall not contain a word that is the same or similar to the distinctive element of an existing trade mark or name other than the name of an individual, but the word shall not for that reason alone be prohibited if,

- (a) the person who has the trade mark or the name consents in writing to the use of the corporate name; and
- (b) the use of the corporate name would not be likely to deceive. O. Reg. 586/79, s. 9.

10. Where two or more corporations amalgamate, the name of the amalgamated corporation may be the same as the name of one of the amalgamating corporations. O. Reg. 586/79, s. 10.

11. A corporate name shall not be,

- (a) too general;
- (b) only descriptive, in any language, of the quality, function or other characteristic of the goods or services in which the corporation deals or intends to deal;

- (c) primarily or only the name or surname used alone of an individual who is living or has died within thirty years preceding the date of filing the articles;

- (d) primarily or only a geographic name used alone, unless the proposed corporate name has been in continuous use for a period of at least twenty years prior to the date of filing the articles; or

- (e) primarily or only a combination of punctuation marks or other marks that are permitted under section 20. O. Reg. 586/79, s. 11.

12.—(1) A corporate name shall not contain a word or expression, an element of which is the family name of an individual whether or not preceded by his given name or initials, unless the individual, his heir, executor, administrator, assigns or guardian consents in writing to the use of his name and the individual has had or will have a material interest in the corporation.

(2) Subsection 1 does not apply where the corporation that will use the proposed name is the successor or affiliate of a body corporate that has, as an element of its name, the family name, provided that,

- (a) such body corporate consents in writing to the use of the name; and
- (b) if the proposed name would contravene clause *b* of subsection 1 of section 7 of the Act, such body corporate undertakes in writing to dissolve forthwith or change its name to some name that complies with clause *b* of subsection 1 of section 7 of the Act before the corporation proposing to use the name commences to use it. O. Reg. 586/79, s. 12.

13. No word or expression that is obscene or connotes a business that is scandalous, obscene or immoral, or that is otherwise objectionable on public grounds, shall be used in a corporate name. O. Reg. 586/79, s. 13.

14. No word, expression, or abbreviation thereof, the use of which is prohibited or restricted under an Act or regulation of the Parliament of Canada or a province or territory of Canada, unless such restriction is satisfied, shall be used in a corporate name. O. Reg. 586/79, s. 14.

15. The following words and expressions shall not be used in a corporate name:

1. "Amalgamated", unless the corporation is an amalgamated corporation resulting from the amalgamation of two or more corporations.
2. "Association".

3. "Club", unless the corporation carries on a sporting or athletic business and there is no inference that a member of the public may become a member of the corporation.
 4. "College", "institute" or "university" if the word would lead to the inference that the corporation is a university, college of applied arts and technology or other post-secondary educational institution.
 5. "Condominium" or any abbreviation or derivation thereof.
 6. "Co-operative" or any abbreviation or derivation thereof.
 7. Digits or words which would lead to the inference that the name is a number name.
 8. "Engineer" or "engineering" or any variation thereof, except with the consent in writing of the Association of Professional Engineers of the Province of Ontario.
 9. "Housing" unless the corporation is sponsored by or connected with the Government of Canada or the Government of Ontario.
 10. "Veteran" or any abbreviation or derivation thereof, unless there has been continuous use of the name for a period of at least twenty years prior to the acquisition of the name.
 11. Numerals indicating the year of incorporation, unless clause *c* of subsection 1 of section 3 applies, or it is a year of amalgamation of the corporation.
 12. Any word or expression that would lead to the inference that the corporation is not a business corporation to which the Act applies. O. Reg. 586/79, s. 15.
- 16.—(1) No word or expression that suggests that a corporation,
- (a) is connected with the Crown or the Government of Canada, or the government of a municipality or any province or territory of Canada, or any department, Ministry, branch, bureau, service, board, agency, commission, or activity of any such government or municipality;
 - (b) is sponsored or controlled by, or is associated or affiliated with a university or an association of accountants, architects, engineers, lawyers, physicians, surgeons or any other professional association recognized by the laws of Canada or a province or territory of Canada; or
 - (c) carries on the business of a bank, loan company, insurance company, trust com-

pany, other financial intermediary or a stock exchange that is regulated by a law of Canada or a province or territory of Canada,

shall be used in a corporate name without the consent in writing of the appropriate authority, university or professional association, as the case may be.

(2) No word or expression that suggests that a corporation is connected with a political party or leader of a political party, where the objects for which the corporation is to be incorporated are of a political nature, shall be used in a corporate name. O. Reg. 586/79, s. 16.

17. No word or expression that misdescribes, in any language,

- (a) the business, goods or services in association with which the corporate name is proposed to be used;
- (b) the conditions under which goods or services will be produced or supplied or the persons to be employed in the production or supply of these goods or services; or
- (c) the place of origin of the goods or services produced or supplied by the corporation,

shall be used in a corporate name. O. Reg. 586/79, s. 17.

18.—(1) The following documents shall accompany any articles or a statement of scheme referred to in section 195 of the Act containing a proposed name for a corporation or a change of corporate name:

1. An original Ontario biased or weighted computer printed search report from the automated name search system maintained by the Department of Consumer and Corporate Affairs, Canada dated not more than ninety days prior to the submission of the articles or scheme.
2. Any consent or consent and undertaking required under the Act or this Regulation, and, if applicable, in the Form prescribed by section 36.

(2) Subsection 1 applies to an application for revival under section 251 of the Act. O. Reg. 586/79, s. 18.

19. Where through the filing of articles, other than articles of amalgamation, or a statement, the authorized capital of a corporation is decreased by the cancellation or consolidation of issued shares and a number of the share certificates of the corporation are in the hands of the public and may not be promptly surrendered, the name of the corporation

shall be changed to a different name. O. Reg. 586/79, s. 19.

20. For the purposes of subsection 3 of section 8 of the Act, the following punctuation marks and other marks are the only ones permitted as part of the name of a corporation:

! " # \$ % & ' () * + , -

. / : ; < = > ? [] \ ^ .

O. Reg. 586/79, s. 20.

21. The name of a corporation shall,

- (a) not exceed 120 characters in length, including punctuation marks and spaces; and
- (b) be set out in articles filed with the Minister in block capital letters. O. Reg. 586/79, s. 21.

22. A name set out in the articles pursuant to subsection 2 of section 8 of the Act shall be a direct translation of the corporate name and minor changes may be made to ensure that the name is idiomatically correct. O. Reg. 586/79, s. 22.

23. For the purpose of section 11 of the Act, the matters the Minister may consider when determining whether a name is contrary to section 7 include,

- (a) the distinctiveness of the whole or any elements of any name or trade mark and the extent to which the trade mark has become known;
- (b) the length of time the trade mark or name has been in use;
- (c) the nature of the goods or services associated with the trade mark or the nature of the business carried on under or associated with a name, including the likelihood of any competition among businesses using such a trade mark or name;
- (d) the nature of the trade with which a trade mark or name is associated, including the nature of the products or services and the means by which they are offered or distributed;
- (e) the degree of similarity between the corporate name and any trade mark or name in appearance or sound or in the ideas suggested by them; and
- (f) the geographic area in Ontario in which the corporate name is likely to be used. O. Reg. 586/79, s. 23.

CAPITAL

24. Where special shares of a class have attached thereto conditions, restrictions, limitations or prohibitions on the right to vote, the preferences, rights, conditions, restrictions, limitations or prohibitions attaching to that class of special shares shall provide that the holders of that class are entitled to notice of meetings of shareholders called for the purpose of authorizing the dissolution of the corporation or the sale of its undertaking or a substantial part thereof. O. Reg. 586/79, s. 24.

FORM OF DOCUMENTS

25.—(1) All documents delivered to or filed with the Minister or filed in the office of the Minister, including all affidavits, applications, assurances, balance sheets, by-laws, consents, dissents, notices and statements shall be printed, typewritten or reproduced legibly, in a manner suitable for photographing on microfilm, upon one side of good quality white paper that is,

- (a) 210 millimetres by 297 millimetres with a margin of 40 millimetres on the left-hand side; or
- (b) 8½ inches by 11 inches, with a margin of 1½ inches on the left-hand side.

(2) A document consisting of two or more pages shall have no backing or binding and shall be stapled in the upper left-hand corner.

(3) Where forms are provided by the Minister they shall be used or a facsimile of them reproduced on good quality white paper of the size prescribed in subsection 1 that is capable of being endorsed by the Minister without smudging. O. Reg. 586/79, s. 25.

FORMS

26.—(1) Articles of incorporation shall be in Form 1.

(2) A consent to act as first director, where required under subsection 4 of section 4 of the Act, shall be in Form 2. O. Reg. 586/79, s. 26.

27. A statement concerning a series of shares under subsection 1 of section 31 of the Act shall be in Form 3. O. Reg. 586/79, s. 27.

28. Articles of amendment under subsection 1 of section 190 of the Act shall be in Form 4. O. Reg. 586/79, s. 28.

29. Restated articles of incorporation under section 192 of the Act shall be in Form 5. O. Reg. 586/79, s. 29.

30. Articles of amalgamation under subsection 1 of section 197 of the Act shall be in Form 6. O. Reg. 586/79, s. 30.

31.—(1) Articles of dissolution under subsection 1 or 2 of section 248 of the Act shall be in Form 7 or 8, as the case may be.

(2) Articles of dissolution shall be accompanied by a consent of the Corporations Tax Branch of the Ministry of Revenue to the dissolution of the corporation. O. Reg. 586/79, s. 31.

32. A statement of a scheme of arrangement under subsection 1 of section 194 of the Act shall be in Form 13. O. Reg. 586/79, s. 32.

33. An application for the authorization of the Minister under subsection 1 of section 199 of the Act shall be in Form 14. O. Reg. 586/79, s. 33.

34. Articles of continuation under subsection 1 of section 198 of the Act shall be in Form 15. O. Reg. 586/79, s. 34.

35.—(1) A consent given by or on behalf of an individual pursuant to subsection 1 of section 12 shall be in Form 16.

(2) A consent or consent and undertaking given by a body corporate, partnership, sole proprietorship, trust or association pursuant to subsection 1 of section 3, section 7, section 8 and subsection 2 of section 12 shall be in Form 17. O. Reg. 586/79, s. 35.

36.—(1) An application under subsection 3 of section 161 of the Act to permit the removal of records from the head office of the corporation shall be in Form 9.

(2) Where an application under subsection 1 is to remove the records of the corporation to a place outside Ontario, it shall be accompanied by,

(a) a bond of a guarantee company within the meaning of *The Guarantee Companies Securities Act* to the Treasurer of Ontario in Form 10; and

(b) a power of attorney duly executed under the seal of the corporation appointing a resident of Ontario, or a body corporate having its head office in Ontario, to be the attorney and representative in Ontario of the corporation and the consent of the attorney in Form 11. O. Reg. 586/79, s. 36.

37. An application for an order rescinding an order made under subsection 4 of section 161 of the Act to remove records from the head office of the corporation shall be in Form 17. O. Reg. 586/79, s. 37.

REVIVAL OF CORPORATION

38.—(1) An application for an order of revival under subsection 4 of section 251 of the Act shall be in Form 12.

(2) An application under subsection 1 shall be accompanied by,

(a) a consent from the Corporations Tax Branch of the Ministry of Revenue to the revival of the corporation; and

(b) a statement in writing by the Public Trustee that he has no objection to the revival of the corporation; and

(c) the consent of the Ontario Securities Commission where the corporation was dissolved by order of the Minister under subsection 2 of section 251 of the Act. O. Reg. 586/79, s. 38.

INFORMATION CIRCULAR

39.—(1) An information circular shall contain the information prescribed in Form 18.

(2) The information required by Form 18 shall be given as of a specified date not more than thirty days prior to the date upon which the information circular is first sent to any of the shareholders of the corporation.

(3) The information contained in an information circular shall be clearly presented and the statements made therein shall be divided into groups according to subject-matter and the various groups of statements shall be preceded by appropriate headings.

(4) The order of items set out in Form 18 need not be followed.

(5) Where practicable and appropriate, information required by Form 18 shall be presented in tabular form.

(6) All amounts required by Form 18 shall be stated in figures.

(7) Information required by more than one applicable item in Form 18 need not be repeated.

(8) No statement need be made in response to any item in Form 18 that is inapplicable and negative answers to any item may be omitted.

(9) Information that is not known to the person on whose behalf the solicitation is to be made and that is not reasonably within the power of the person to ascertain or procure may be omitted if a brief statement is made in the information circular of the circumstances rendering the information unavailable.

(10) There may be omitted from the information circular any information contained in any other information circular, notice of meeting or form of proxy sent to the persons whose proxies were solicited in connection with the same meeting if reference is made to the particular document containing the information. O. Reg. 586/79, s. 39.

FILING INFORMATION CIRCULARS AND PROXIES

40. Every person that sends or delivers an information circular or proxy to shareholders under section 118 of the Act and section 120 of the Act that is in respect of a meeting of shareholders of a reporting issuer, as defined in paragraph 38 of subsection 1 of section 1 of *The Securities Act, 1978*, shall forthwith file with the Commission a copy of the information circular, proxy and all other material sent or delivered by such person in connection with such meeting. O. Reg. 586/79, s. 40.

DELEGATION OF MINISTERIAL DUTIES

41. The Executive Director, the Senior Legal Officer, the Director, Companies Services Branch, the Controller of Records or the Assistant Controller of Records of the Companies Division of the Ministry may sign any certificate required or authorized by the Act. O. Reg. 586/79, s. 41.

FEES

42.—(1) The fees set out in the Schedule to this section shall be paid to the Treasurer of Ontario upon the filing, examination, or copying of the document or before the Minister takes the action for which the fee is prescribed, as the case may be.

Schedule

FEES

1. On delivery of articles of,

(a) incorporation, for filing and endorsing a certificate\$200

Form 18

The Business Corporations Act

INFORMATION CIRCULAR

ITEM 1 Revocability of Proxy

State whether the person giving the proxy has the power to revoke it. If any right of revocation is limited or is subject to compliance with any formal procedure, briefly describe the limitation or procedure.

ITEM 2 Persons Making the Solicitation

- (a) If solicitation is made by or on behalf of the management of the corporation, so state. Give the name of any director of the corporation who has informed the management in writing that he intends to oppose any action intended to be taken by the management and indicate the action that he intends to oppose.
- (b) If a solicitation is made otherwise than by or on behalf of the management of the corporation so state and give the name of the person by whom or on whose behalf it is made.
- (c) If the solicitation is to be made otherwise than by mail, describe the method to be employed. If the solicitation is to be made by specially engaged employees or soliciting agents, state,
 - (i) the material features of any contract or arrangement for the solicitation and identify the parties to the contract or arrangement, and
 - (ii) the cost or anticipated cost thereof.
- (d) State the name of the person by whom the cost of soliciting has been or will be borne, directly or indirectly.

ITEM 3 Interest of Certain Persons in Matters to be Acted Upon

Give brief particulars of any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, of each of the following persons in any matter to be acted upon other than the election of directors or the appointment of auditors:

- (a) if the solicitation is made by or on behalf of the management of the corporation each person who has been a director or senior officer of the corporation at any time since the beginning of the last financial year of the corporation;
- (b) if the solicitation is made otherwise than by or on behalf of the management of the corporation each person on whose behalf, directly or indirectly, the solicitation is made;
- (c) each proposed nominee for election as a director of the corporation;
- (d) each associate or affiliate of any of the foregoing persons.

Instructions:

1. In this item "associate", where used to indicate a relationship with any person means,
 - i. any body corporate of which such person beneficially owns, directly or indirectly, voting securities carrying more than 10 per cent of the voting rights attached to all voting securities of the body corporate for the time being outstanding,
 - ii. any partner of that person,
 - iii. any trust or estate in which such person has a substantial beneficial interest or as to which such person serves as trustee or in a similar capacity,
 - iv. any relative of such person, including his spouse, or of his spouse who has the same home as such person.

2. The following persons shall be deemed to be persons by whom or on whose behalf the solicitation is made:

- (a) any member of a committee or group that solicits proxies, and any person whether or not named as a member who, acting alone or with one or more other persons, directly or indirectly takes the initiative or engages in organizing, directing or financing any such committee or group;
- (b) any person who finances or joins with another to finance the solicitations of proxies except a person who contributes not more than \$250 and who is not otherwise a person by whom or on whose behalf the solicitation is made; or
- (c) any person who lends money, provides credit or enters into any other arrangements, pursuant to any contract or understanding with a person by whom or on whose behalf a solicitation is made, for the purpose of financing or otherwise inducing the purchase, sale, holding or voting of securities of the corporation provided that this clause does not include a bank or other lending institution or a dealer that, in the ordinary course of business, lends money or executes orders for the purchase or sale of securities and who is not otherwise a person on whose behalf a solicitation is made.

3. The following persons shall be deemed not to be persons by whom or on whose behalf a solicitation is made:

- (a) any person retained or employed by a person by whom or on whose behalf a solicitation is made to solicit proxies and who is not otherwise a person by whom or on whose behalf a solicitation is made or any person who merely transmits proxy-soliciting material or performs ministerial or clerical duties;
- (b) any person employed or retained by a person by whom or on whose behalf a solicitation is made in the capacity of lawyer, accountant, or advertising, public relations or financial adviser and whose activities are limited to the performance of his duties in the course of the employment or retainer;
- (c) any person regularly employed as an officer or employee of the corporation or any of its affiliates who is not otherwise a person by whom or on whose behalf a solicitation is made; or
- (d) any officer or director of, or any person regularly employed by, any other person by whom or on whose behalf a solicitation is made, if the officer, director or employee is not otherwise a person by whom or on whose behalf a solicitation is made.

ITEM 4 Voting Shares and Principal Holders of Voting Shares

- (a) State as to each class of equity shares of the corporation entitled to be voted at the meeting, the number of shares outstanding and the particulars of voting rights for each share of each such class.
- (b) Give the record date as of which the shareholders entitled to vote at the meeting will be determined or particulars as to the closing of the share transfer register, as the case may be, and, if the right to vote is not limited to shareholders of record as of a specified record date, indicate the conditions under which shareholders are entitled to vote.
- (c) If, to the knowledge of the directors or senior officers of the corporation, any person beneficially owns, directly or indirectly, or exercises control or direction over, equity shares carrying more than 10 per cent of the voting rights attached to any class of equity shares of the corporation name each such person or company, state the approximate number of the shares beneficially owned, directly or indirectly, or over which control or direction is exercised, by each such person and the percentage of the class of outstanding equity shares of the corporation represented by the number of equity shares so owned, controlled or directed.

ITEM 5 Election of Directors

- (a) If directors are to be elected, provide the following information, in tabular form to the extent practicable, for each person proposed to be nominated for election as a director and each other person whose term of office as a director will continue after the meeting:

- (i) Name and identify as such each proposed director of the corporation and name each director of the corporation whose term of office will continue after the meeting.
 - (ii) State when the term of office for each director and proposed director will expire.
 - (iii) State whether the corporation has an executive committee of its Board of Directors or is required to have an audit committee and, if so, name those directors who are members of each such committee.
 - (iv) Where a director or officer has held more than one position in the corporation parent or subsidiary thereof, state only the first and last position held.
 - (v) State the present principal occupation, business or employment of each director and proposed director. Give the name and principal business of any person in which any such employment is carried on. Furnish similar information as to all of the principal occupations, businesses or employments of each proposed director within the five preceding years, unless he is now a director and was elected to his present term of office by a vote of shareholders at a meeting, the notice of which was accompanied by an information circular.
 - (vi) If the proposed director is or has been a director of the corporation state the period or periods during which he has served as such.
 - (vii) State the number of shares of each class of equity shares of the corporation or of any subsidiary of the corporation beneficially owned, directly or indirectly or over which control or direction is exercised by each proposed director.
 - (viii) If equity shares carrying more than 10 per cent of the voting rights attached to all equity shares of the corporation or of a subsidiary of the corporation are beneficially owned, directly or indirectly, or controlled or directed by any proposed director and his associates or affiliates, state the number of shares of each class of equity shares beneficially owned, directly or indirectly, or controlled or directed by the associates or affiliates, naming each associate or affiliate whose shareholdings are 10 per cent or more.
- (b) If any proposed director is to be elected pursuant to any arrangement or understanding between the nominee and any other person except the directors and senior officers of the corporation acting solely in such capacity, name the other person and describe briefly the arrangement or understanding.

Instructions:

In this item "associate" has the same meaning as in item 3.

ITEM 6 Directors' and Officers' Remuneration

If action is to be taken with respect to:—

- the election of directors,
- any bonus, profit sharing or other plan of remuneration, contract or arrangement in which any director or officer of the corporation will participate,
- any pension or retirement plan of the corporation in which any director or officer of the corporation will participate, or
- the granting to any director or officer of the corporation of any option or right to purchase any shares other than rights issued rateably to all shareholders or to all shareholders resident in Canada.

DIRECTORS' AND OFFICERS' REMUNERATION
FROM THE CORPORATION AND ITS SUBSIDIARIES

NATURE OF REMUNERATION

	Aggregate Remuneration	Pension Benefits	Retirement Benefits
DIRECTORS (Total Number):			
(A) From Parent and Wholly-owned Subsidiaries:			
(B) From Partially-owned Subsidiaries (Provide Names):			
5 SENIOR OFFICERS:			
OFFICERS RECEIVING			
OVER \$50,000:			
(A) From Parent and Wholly-owned Subsidiaries:			
(B) From Partially-owned Subsidiaries (Provide Names):			
TOTALS			

- (a) State in the form of the table shown above separately for each of the following the aggregate remuneration paid or payable by the corporation and its subsidiaries in respect of the corporation's last completed financial year to:
- (i) the directors of the corporation in their capacity as directors of the corporation and any of its subsidiaries,
 - (ii) the five senior officers of the corporation in receipt of the largest amounts of remuneration, in their capacity as officers or employees of the corporation and any of its subsidiaries, and
 - (iii) the officers of the corporation including those in (ii) who received in their capacity as officers or employees of the corporation and any of its subsidiaries aggregate remuneration in excess of \$50,000 in that year, provided that this disclosure shall not be required where the corporation has less than seven such officers.
- (b) State, where practicable, the estimated aggregate cost to the corporation and its subsidiaries in or in respect of the last completed financial year of all benefits proposed to be paid under any pension or retirement plan upon retirement at normal retirement age to persons to whom paragraph (a) applies,

or in the alternative, the estimated aggregate amount of all such benefits proposed to be paid upon retirement at normal retirement age to those persons.

- (c) State, where practicable, the aggregate of all remuneration payments other than those of the type referred to in paragraphs (a) and (b) made in or in respect of the corporation's last completed financial year and, as a separate amount, proposed to be made in the future by the corporation or any of its subsidiaries pursuant to an existing plan to persons to whom paragraph (a) applies.

Instructions:

1. For the purpose of clauses (i) and (iii) of paragraph (a), "remuneration" means amounts required to be reported as income under the *Income Tax Act* (Canada).

2. For the purpose of clause (ii) of paragraph (a), "remuneration" means remuneration as defined in instruction 1 plus the value of benefits (other than those benefits provided to a broad category of employees on a basis which does not discriminate in favour of officers or directors) not included in income and derived from contributions made by the employer to or under a group sickness or accident insurance plan, private health service plan, supplementary unemployment benefit plan, deferred profit sharing plan or group term life insurance policy.

3. If any portion of any of the amounts to be disclosed under paragraph (a) was paid by one or more subsidiaries of the corporation other than wholly-owned subsidiaries, the amount paid by each such subsidiary shall be separately disclosed together with the names of the subsidiaries. For this purpose, a wholly-owned subsidiary means a subsidiary all of the outstanding shares of which (other than shares whose participation in the profits of the issuer is limited to a fixed or determinable entitlement to dividends) are owned by or for the corporation or by or for other bodies corporate in a like relationship with the corporation.

4. For the purpose of paragraph (c), "plan", includes all plans, contracts, authorizations or arrangements, whether or not contained in any formal document or authorized by a resolution of the directors of the corporation or any of its subsidiaries but does not include the Canada Pension Plan or a similar government plan.

5. For the purposes of paragraph (c), "remuneration payments" include payments under a deferred profit sharing plan, deferred compensation benefits, retirement benefits or other benefits, except those paid or to be paid under a pension or retirement plan of the corporation or any of its subsidiaries.

6. For the purposes of paragraph (c), if it is impracticable to state the amount of proposed remuneration payments, the aggregate amount accrued to date in respect of such payments may be stated, with an explanation of the basis of future payments.

- (d) State as to all options to purchase securities of the corporation or any of its subsidiaries that, since the commencement of the corporation's last financial year, were granted to directors or senior officers of the corporation, the following particulars:

- (i) the description and number of securities included,
- (ii) the dates of grant, the prices, expiration dates and other material provisions,
- (iii) the consideration received for the granting thereof, and
- (iv) where reasonably ascertainable, a summary showing the price range of the securities in the thirty-day period preceding the date of the grant and where not reasonably ascertainable, a statement to that effect.

- (e) As to all options to purchase securities of the corporation or any of its subsidiaries that were exercised by directors or senior officers of the corporation since the commencement of the corporation's last financial year, state the following particulars:

- (i) the description and number of securities purchased,
- (ii) the purchase price, and
- (iii) where reasonably ascertainable, a summary showing the price range of the securities in the thirty-day period preceding the date of purchase and, where not reasonably ascertainable, a statement to that effect.

Instructions:

1. In this item "options" includes all options, share purchase warrants or rights other than those issued to all shareholders of the same class or to all shareholders of the same class resident in Canada on a pro rata basis.
2. An extension of an option shall be deemed to be a granting of an option.
3. Information with respect to the option price of the securities may be given in the form of price ranges for each calendar quarter during which options were granted or exercised.
4. Where the price of the securities is not meaningful, it is permissible to state in lieu of the price the formula by which the price of the securities under option will be determined.

ITEM 7. Indebtedness of Directors and Senior Officers:

In regard to,

- (i) each director and each senior officer of the corporation;
- (ii) each proposed nominee for election as a director of the corporation; and
- (iii) each associate or affiliate of any such director, senior officer or proposed nominee,

who is or has been indebted to the corporation or its subsidiaries at any time since the beginning of the last completed financial year of the corporation, state with respect to each such body corporate or subsidiary the largest aggregate amount of indebtedness outstanding at any time during the last completed financial year, the nature of the indebtedness and of the transaction in which it was incurred, the amount thereof presently outstanding, and the rate of interest paid or charged thereon, but no disclosure need be made of routine indebtedness.

1. In this item "routine indebtedness" means indebtedness described in any of the following clauses:

- (a) if a corporation makes loans to employees generally whether or not in the ordinary course of business then loans shall be considered to be routine indebtedness if made on terms, including those as to interest or collateral, no more favourable to the borrower than the terms on which loans are made by the issuer to employees generally, but the amount at any time remaining unpaid under such loans to any one director, senior officer or proposed nominee together with his associates or affiliates that are treated as routine indebtedness under this clause (a) shall not exceed \$25,000;
- (b) whether or not the corporation makes loans in the ordinary course of business, a loan to a director or senior officer shall be considered to be routine indebtedness if,
 - (i) the borrower is a full-time employee of the corporation,
 - (ii) the loan is fully secured against the residence of the borrower, and
 - (iii) the amount of the loan does not exceed the annual salary of the borrower;
- (c) where the corporation makes loans in the ordinary course of business, a loan shall be considered to be routine indebtedness if made to a person other than a full-time employee of the corporation and if the loan,
 - (i) is made on substantially the same terms, including those as to interest rate and collateral, as were available when the loan was made to other customers of the corporation with comparable credit ratings, and
 - (ii) involves no more than usual risks of collectibility; and
- (d) indebtedness arising by reason of purchases made on usual trade terms or of ordinary travel or expense advances, or for similar reasons shall be considered to be routine indebtedness if the repayment arrangements are in accord with usual commercial practice.

2. State the name and home address in full or, alternatively, solely the municipality of residence or postal address of each person whose indebtedness is described.

Instructions:

In this item "associate" has the same meaning as in item 3.

ITEM 8 Interest of Insiders in Material Transactions

Where not previously disclosed in an information circular, describe briefly, and where practicable, state the approximate amount of any material interest, direct or indirect, of any insider of the corporation, any proposed nominee for election as a director of the corporation or any *associate or affiliate* of such insider or proposed nominee in any transaction since the commencement of the corporation's last financial year or in any proposed transaction which has materially affected or would materially affect the corporation or any of its subsidiaries.

Instructions:

In this item,

1. (a) "associate" has the same meaning as in item 3;
(b) "insider" or "insider of a corporation" in this item means,
 - (i) every director or senior officer of a corporation,
 - (ii) every director or senior officer of a body corporate that is itself an insider or subsidiary of a corporation,
 - (iii) any person who beneficially owns, direct or indirectly, equity shares of a corporation or who exercises control or direction over equity shares of a corporation or a combination of both carrying more than 10 per cent of the voting rights attached to all equity shares held by the person as underwriter in the course of a distribution, and
 - (iv) a corporation where it has purchased, redeemed or otherwise acquired any of its shares, for so long as it holds any of its shares.
2. Give a brief description of the material transaction. State the name and address of each person whose interest in any transaction is described and the nature of the relationship by reason of which the interest is required to be described.
3. As to any transaction involving the purchase or sale of assets by or to the corporation or any subsidiary, otherwise than in the ordinary course of business, state the cost of the assets to the purchaser and the cost of the assets to the seller if acquired by the seller within two years prior to the transaction.
4. This item does not apply to any interest arising from the ownership of securities of the corporation where the security holder receives no extra or special benefit or advantage not shared on a pro rata basis by all holders of the same class of securities who are resident in Canada.
5. Information shall be included as to any material underwriting discounts or commissions upon the sale of securities by the corporation where any of the specified persons was or is to be an underwriter who was or is to be in contractual relationship with the corporation with respect to securities of the corporation or is an associate or affiliate of a person that was or is to be such an underwriter within the meaning of *The Securities Act, 1978*.
6. No information need be given in answer to this item as to any transaction or any interest therein where,
 - (a) the rates or charges involved in the transaction are fixed by laws or determined by competitive bids;
 - (b) the interest of the specified person in the transaction is solely that of a director of another person that is a party to the transaction;
 - (c) the transaction involves services as a chartered bank or other depository of funds, transfer agent, registrar, trustee under a trust indenture or other similar services; or
 - (d) the transaction does not directly or indirectly, involve remuneration for services, and
 - (i) the interest of the specified person arose from the beneficial ownership, direct or indirect, of less than 10 per cent of any class of voting securities of another person that is a party to the transaction,

- (ii) the transaction is in the ordinary course of business of the corporation or its subsidiaries, and
- (iii) the amount of the transaction or series of transactions is less than 10 per cent of the total sales or purchases, as the case may be, of the corporation and its subsidiaries for the last financial year.

7. Information shall be furnished in answer to this item with respect to transactions not excluded above which involve remuneration, directly or indirectly, to any of the specified persons for services in any capacity unless the interest of the person arises solely from the beneficial ownership, direct or indirect, of less than 10 per cent of any class of equity shares of another person furnishing the services to the corporation or its subsidiaries.

ITEM 9 Appointment of Auditor

If action is to be taken with respect to the appointment of an auditor, name the auditor of the corporation. If the auditor was first appointed within the last five years, state the date when the auditor was first appointed.

ITEM 10 Management Contracts

Where management functions of the corporation or any subsidiary are to any substantial degree performed by a person other than the directors or senior officers of the corporation or subsidiary:

- (i) give details of the agreement or arrangement under which the management functions are performed, including the name and address of any person who is a party to the agreement or arrangement or who is responsible for performing the management functions;
- (ii) give the names and home addresses in full or, alternatively, solely the municipality of residence or postal address of the insiders of any person with which the corporation or subsidiary has any such agreement or arrangement and, if the following information is known to the directors or senior officers of the corporation, give the names and addresses of any person with which the corporation or subsidiary has any such agreement or arrangement if the person were a corporation;
- (iii) with respect to any person named in answer to paragraph (i) state the amounts paid or payable by the corporation and its subsidiaries to the person since the commencement of the last financial year and give particulars; and
- (iv) with respect to any person named in answer to paragraph (i) or (ii) and their associates or affiliates, give particulars of,
 - (a) any indebtedness of the person, associate or affiliate to the corporation or its subsidiaries that was outstanding, and
 - (b) any transaction or arrangement of the person, associate or affiliate with the corporation or subsidiary,

at any time since the commencement of the corporation's last financial year.

Instructions:

In this item,

1. (a) "associate" has the same meaning as in item 3;
- (b) "insider" has the same meaning as in item 8.

2. In giving the information called for by this item, it is not necessary to refer to any matter that in all the circumstances is of relative insignificance.

3. In giving particulars of indebtedness, state the largest aggregate amount of indebtedness outstanding at any time during the period, the nature of the indebtedness and of the transaction in which it was incurred, the amount of the indebtedness presently outstanding and the rate of interest paid or charged on the indebtedness.

4. It is not necessary to include as indebtedness amounts due from the particular person for purchases subject to usual trade terms, for ordinary travel and expense advances and for other like transactions.

ITEM 11 Particulars of Matters to be Acted Upon

If action is to be taken on any matter to be submitted to the meeting of shareholders other than the approval of financial statements, the substance of the matter, or related groups of matters, should be briefly described, except to the extent described pursuant to the foregoing items, in sufficient detail to permit shareholders to form a reasoned judgment concerning the matter. Without limiting the generality of the foregoing, such matters include alterations of share capital, charter amendments, property acquisitions or dispositions, amalgamations, mergers or reorganizations. Where a reorganization or similar restructuring is involved, reference should be made to a prospectus form or issuer bid form for guidance as to what is material.

If the matter is one that is not required to be submitted to a vote of shareholders, the reasons for submitting it to shareholders should be given and a statement should be made as to what action is intended to be taken by management in the event of a negative vote by the shareholders.

Instructions:

1. The prospectus form or issuer bid form referred to in this item shall mean the corresponding form or forms under *The Securities Act, 1978*.

THE PLANNING ACT

O. Reg. 587/79.
Delegation of Authority of Minister
Under Section 30a of The Planning
Act.
Made—August 3rd, 1979.
Filed—August 10th, 1979.

REGULATION MADE UNDER
THE PLANNING ACT

DELEGATION OF AUTHORITY OF
MINISTER UNDER SECTION 30a OF
THE PLANNING ACT

1. Subject to sections 2 and 3, all authority of the Minister to give consents under section 29 of the Act in respect of any land situate in the Township of Marathon, in the Territorial District of Thunder Bay, is hereby delegated to the Township of Marathon Planning Board.
2. The delegation made in section 1 does not apply in respect of any application for a consent under section 29 of the Act received by the Minister prior to the day this Order comes into force.
3. The delegation made in section 1 is subject to the condition that the Township of Marathon Planning Board comply with the rules of procedure in respect of consent applications prescribed by regulation from time to time, as referred to in subsection 12 of section 41 of the Act, but failure to comply with this condition in any respect does not of itself terminate the delegation of authority.
4. This Order comes into force on the 1st day of September, 1979.

CLAUDE F. BENNETT
Minister of Housing

Dated at Toronto, this 3rd day of August, 1979.

(3063) 34

THE PUBLIC HOSPITALS ACT

O. Reg. 588/79.
Special Grant.
Made—July 16th, 1979.
Approved—August 1st, 1979.
Filed—August 10th, 1979.

REGULATION MADE UNDER
THE PUBLIC HOSPITALS ACT

SPECIAL GRANT

1. The Minister may pay a special grant by way of provincial aid on or after the 1st day of August, 1979 to Hotel Dieu Hospital, Cornwall, in the amount of \$86,296, which shall be applied by the Hospital against its unmanageable interest bearing debt.

K. NORTON
Acting Minister of Health

Dated at Toronto, this 16th day of July, 1979.

(3064) 34

THE PUBLIC HEALTH ACT

O. Reg. 589/79.
X-Ray Safety.
Made—July 23rd, 1979.
Approved—August 1st, 1979.
Filed—August 10th, 1979.

REGULATION TO AMEND
REGULATION 721 OF REVISED
REGULATIONS OF ONTARIO, 1970
MADE UNDER
THE PUBLIC HEALTH ACT

1. Regulation 721 of Revised Regulations of Ontario, 1970 is amended by adding thereto the following section:

2a. No person shall install or use a computerized axial tomography scanner except in a hospital as defined in clause f of section 1 of *The Public Hospitals Act* or a facility approved by the Minister. O. Reg. 589/79, s. 1.

DENNIS TIMBRELL

Proclamation

(Great Seal of Ontario) PAULINE M. McGIBBON
PROVINCE OF ONTARIO

ELIZABETH THE SECOND, by the Grace of God of the United Kingdom, Canada and Her other Realms and Territories, Queen, Head of the Commonwealth, Defender of the Faith.

TO ALL TO WHOM THESE PRESENTS SHALL COME,

GREETING:

PROCLAMATION

WHEREAS by an Act passed at the Third Session of the Thirty-first Legislature of Ontario convened on the sixth day of March, 1979 intituled "The Residential Tenancies Act, 1979" S.O. 1979, Chapter 78, it is enacted thereof that except sections 5 to 59 inclusive, sections 62 to 69 inclusive, section 74, sections 111 to 113 inclusive, section 116, section 119, sections 135 and 136, section 139 subsection 1, and the Schedule, shall come into force on a day to be named by Our Lieutenant Governor by her Proclamation;

AND WHEREAS it has appeared expedient that a Proclamation should now issue bringing the said Act into force;

NOW THEREFORE KNOW YE that, having taken the premises into Our Royal consideration, We by and with the advice of Our Executive Council of Ontario and in the exercise of the power in US vested in this behalf by the said Act or otherwise howsoever, Do, by this Our Royal PROCLAMATION hereby Name Friday, the seventeenth day of August, 1979, as the day upon which except sections 5 to 59 inclusive, sections 62 to 69 inclusive, section 74, sections 111 to 113 inclusive, section 116, section 119, sections 135 and 136, section 139 subsection 1, and the Schedule, of the said Act intituled "The Residential Tenancies Act, 1979" S.O. 1979, Chapter 78 shall come into force.

OF ALL WHICH PREMISES all Our loving subjects and all others whom it doth or may in anywise

concern are hereby required to take notice and govern themselves accordingly.

IN TESTIMONY WHEREOF We have caused these Our Letters to be made patent and the Great Seal of Our Province of Ontario to be hereunto affixed.

WITNESS:

THE HONOURABLE PAULINE M. McGIBBON,
An Officer of the Order of Canada, Bachelor of Arts, Doctor of Laws, Doctor of University, Doctor of Sacred Letters, Bachelor of Applied Arts (Theatre), Honorary Fellow Royal College of Physicians and Surgeons (Canada), LIEUTENANT GOVERNOR OF OUR PROVINCE OF ONTARIO,

at Our City of Toronto in Our said Province this fifteenth day of August, in the year of Our Lord one thousand nine hundred and seventy-nine and in the twenty-eighth year of Our Reign.

BY COMMAND

LORNE C. HENDERSON,
Minister of Government Services.

Pick up and drop off enroute to the above mentioned points".

Arndel Tank Lines Limited, 25034-F
21 Norheard Avenue,
Agincourt, Ontario M1S 2X7,

applies for an extension to Class 'T' public commercial vehicle operating licence No. 133 as follows:

"1. By deleting therefrom the following:

EXTENSION GRANTED—For the carriage of gasoline, diesel fuel, stove oil and furnace oil, for and on behalf of Texaco Canada Inc. from its installations at the Municipality of Metropolitan Toronto and the City of Mississauga, for delivery to customers in the Counties of Simcoe, Brantford, Victoria, the Regional Municipalities of Waterloo, Haldimand-Norfolk, Niagara, Hamilton-Wentworth, Halton, Peel, York, Durham and the Municipality of Metropolitan Toronto.

PROVIDED that the licensee be restricted to shipments not exceeding 5,000 gallons.

PROVIDED FURTHER that the licensee be restricted to tank type equipment that is compartmentalized and equipped with meters and having a payload capacity not exceeding 6,000 gallons.

AND PROVIDED FURTHER that under this authority the movement of bunker oil is prohibited".

2. By substituting therefor the following:

"EXTENSION GRANTED—For the carriage of gasoline, diesel fuel, stove oil and furnace oil for and on behalf of Texaco Canada Inc. from its installations at the Municipality of Metropolitan Toronto, the Cities of Mississauga and Hamilton and the Towns of Nanticoke, Port Hope and Whitby for delivery to customers in the Counties of Brant, Grey, Peterborough, Northumberland, Simcoe, Victoria and the Regional Municipalities of Waterloo, Haldimand-Norfolk, Niagara, Hamilton-Wentworth, Halton, Peel, York and Durham and the Municipality of Metropolitan Toronto.

PROVIDED the licensee be restricted to shipments not exceeding 5,000 gallons.

PROVIDED FURTHER that the licensee be restricted to tank type equipment that is compartmentalized and equipped with meters and having a payload capacity not exceeding 10,000 gallons.

AND PROVIDED FURTHER that under this authority the movement of bunker oil is prohibited.

3. By deleting therefrom the following:

"For the transportation in bulk, of diesel fuel, furnace fuel and stove oil in tank vehicles for and on behalf of Chalet Oil Limited".

4. By substituting therefor the following:

"For the carriage of gasoline, diesel fuel, stove oil and furnace oil for and on behalf of Chalet Oil Limited,

Comfort Holdings Limited (operating as Comfort Fuels) Canuck Transportation Limited (operating as Lakeshore Fuels), Sipco Oil Limited, Able Oil Inc. and 410818 Ontario Limited".

J. E. Rice Cartage Limited, 20743-C
18 Hiscock Boulevard,
Scarborough, Ontario,

applies for a Class 'A' public commercial vehicle operating licence as follows:

"For the carriage of goods between Metropolitan Toronto and points in the City of Mississauga, Bramalea in the City of Brampton and that portion of the Town of Vaughan bounded on the west by King's Highway No. 400 and bounded on the north by Sherwood Road (also known as Carrville Road) and bounded on the east by Keele Street running south to Langstaff Road and by Dufferin Street running south from Langstaff Road.

PROVIDED that there be no movement:

1. to or from the Toronto International Airport (Malton)
2. to or from Brampton, Richmond Hill or Oakville;
3. in tank-trucks, tank-trailers or other equipment specially designed or constructed for the movement of commodities in bulk;
4. of any shipment exceeding 3,000 pounds in weight from the installations of Domtar Construction Materials Limited or Canada Brick, division of Martin-Marietta (Canada) Limited in the City of

Mississauga or in the former Township of Chinguacousy or the Town of Vaughan.

PROVIDED FURTHER that the licensee be restricted to the use of straight truck type commercial motor vehicles.

EXTENSION GRANTED:

For the carriage of goods between Metropolitan Toronto and all points in that part of the Town of Markham in the Regional Municipality of York bounded:

- (i) on the north by the southerly boundary of the Town of Richmond Hill and the Carrville Road (also known as 16th Avenue) running east from the easterly boundary of the Town of Richmond Hill;
- (ii) on the east by Kennedy Road;
- (iii) on the south by Steeles Avenue; and
- (iv) on the west by Highway No. 11 (Yonge Street) and the easterly boundary of the Town of Richmond Hill.

PROVIDED that this extension does not authorize the transportation of goods to or from the Towns of Richmond Hill, Vaughan and Whitchurch-Stouffville, unless previously authorized.

PROVIDED FURTHER that the licensee shall not operate tank trucks, tank trailers or other equipment which has been especially designed and constructed for the movement of commodities in bulk, unless previously authorized.

CLASS 'D' PRIVILEGES:

1. For the carriage of goods for and on behalf of Virden Lighting (Canada) Limited from its installation in the Borough of East York to its customers situate within a 50-mile radius of Metropolitan Toronto and for the return of damaged or rejected shipments.
2. For the carriage of industrial electrical equipment requiring repair for and on behalf of Electrical Service Division of Canron Limited to its installation at the City of Toronto from points within a 50-mile radius of Metropolitan Toronto and from the City of Belleville and for the return of the said equipment after it has been repaired to the said points and the City of Belleville.

PROVIDED that the licensee be restricted to the use of straight truck commercial motor vehicles.

Trans Canada Truck Lines Inc., 30673-B
3033 Universal Drive,
Mississauga, Ontario,

applies for an extension to Class 'C' public commercial vehicle operating licence No. C-1360 as follows:

"For the carriage of one person's goods from inland sufferance warehouses after customs clearance to the consignee's place of business or such other destination as designated by the consignee.

PROVIDED that such goods are transported by the licensee to the said inland sufferance warehouses under the terms of the existing Class 'C' licence authority".

Frank Grof, Esq., 21335-D
R.R. #1,
Bowmanville, Ontario,

applies for a Class 'F' public commercial vehicle operating licence as follows:

"For the carriage of livestock between points within a radius of 100 miles of the Police Village of Kirkfield, in the Township of Eldon".

William O. Hunter, Esq., 03674-M
o/a W. O. Hunter Transport,
Box 3,
Gooderham, Ontario K0M 1R0,

applies for an extension to Class 'D' public commercial vehicle operating licence No. 3562 as follows:

"For the carriage of wood products including soft wood and lumber for and on behalf of Monroe, Lange & Hardwoods, a division of Macrose Corporation".

Les Demenagements Duprix Moving
Ltee./Ltd., 31446
94 Adrien Robert,
Hull, Quebec J8Y 3S2,

applies for an extra-provincial operating licence as follows:

"For the carriage of:

- (i) uncrated new and used household furniture, appliances and personal effects of a householder that are part of the contents of the dwelling in which they are to be used;
- (ii) uncrated used office, store and commercial establishment furniture, equipment and crated or uncrated stock in trade of the office, store and commercial establishment in which such furniture, equipment and stock in trade are to be used;
- (iii) objects of art, displays, exhibits and computers and similar electronic devices that because of their fragile or unusual nature or value require specialized handling;

that can be carried on a standard truck, trailer or semi-trailer equipped with pads, belts, hooks, wardrobes and special packing containers and which do not require special loading devices other than powered tail-gates.

- (iv) used wheeled vehicles in van type equipment when moving in conjunction with a shipment of household goods, such used wheeled vehicles being the property of a common consignor.

1. By shipment from points in the Provinces of Quebec, New Brunswick, Nova Scotia and Prince Edward Island as authorized by the said Provinces from the Ontario-Quebec border at all border crossing points to points in the Province of Ontario and from points in Ontario to the Ontario-Quebec border at the said points for furtherance to points in the said Provinces;

2. By shipment from points in the Provinces of Manitoba, Saskatchewan, Alberta and British Columbia as authorized by those Provinces from the Ontario-Manitoba border at all points of entry to points in the Province of Ontario and from points in Ontario to the Ontario-Manitoba border at all

points of entry for furtherance to points in the said Provinces.

3. From and to all points at the Ontario-Quebec and the Ontario-Manitoba Borders for movement in transit through Ontario;
for interprovincial traffic only.

PROVIDED that this authority be operated only in conjunction with the complementary authority as issued by the Quebec Transport Commission No. 20309-V dated February, 1975, filed with the Ontario Highway Transport Board.

PROVIDED FURTHER that this authority expires on the 1st day of June, 1980, unless prior to that date complementary authorities as issued by the Boards/ and/or Commissions of the Provinces of New Brunswick, Nova Scotia, Prince Edward Island, Manitoba, Saskatchewan, Alberta and British Columbia are filed with The Ontario Highway Transport Board".

The Environmental Assessment Act, 1975

MTC-25

THE ENVIRONMENTAL ASSESSMENT ACT, 1975

Exemption Section 30

Having received a request from the Minister of Transportation and Communications that an undertaking, namely:

The activity of carrying out planning, design and construction of the Northwest Metro Arterial Road from Highway 401 southerly to about St. Clair Avenue in the Municipality of Metropolitan Toronto,

be exempted from the application of the Act pursuant to Section 30; and

Having been advised that if the undertaking is subject to the application of the Act, the following injury, damage or interference with the persons and property indicated will occur:

1. The public will be interfered with by the resulting delays in construction of the project; and
2. The Crown will be damaged by an increase in the costs of, and interfered with by the delay in the completion of projects for which a planning study was completed prior to the Act being proclaimed in force; and

Having weighed such injury, damage or interference with the betterment of the people of the whole or any part of Ontario by the protection, conservation and wise management in Ontario of the envi-

ronment which would result from the undertaking being subject to the application of the Act;

I am of the opinion that it is in the public interest to order and do order that the undertaking is exempt from the application of the Act for the following reasons:

1. The entire project from Highway 401 to St. Clair Ave. was originally conceived as an integral proposal of the Metropolitan Toronto Transportation Plan Review of 1975; and
2. The Municipality of Metropolitan Toronto, requested that the Ministry of Transportation and Communications carry out this undertaking on its behalf; and
3. The planning of the major portion of the road from Highway 401 to St. Clair Avenue was completed prior to the Act coming into force and the majority of the remainder will follow existing roads; and
4. An active public participation program formed an essential part of planning for this undertaking; and
5. The undertaking has reached a sufficiently advanced stage that the interference with the construction program which would be caused by application of the Act, would be undue; and
6. The protection, conservation, and wise management of the environment will be sufficiently provided for by the detailed environmental process already followed by the Ministry of Transportation and Communications as part of its policy.

This exemption is subject to the following terms and conditions:

1. The Minister of Transportation and Communications shall prepare and submit to this Ministry, environmental status statements for the design process of the undertaking for information and monitoring purposes and shall implement the undertaking in accordance with these status statements.

This order comes into force and has effect on and after the date upon which it is signed.

Dated at Toronto, this 9th day of August, 1979.

HARRY C. PARROTT, D.D.S.,
Minister of the Environment.

Approved by
O.C. No. 2080/79

MNA-2

THE ENVIRONMENTAL ASSESSMENT ACT, 1975

Exemption Section 30

Having received a request from the Minister of Northern Affairs that an undertaking, namely:

The Activity of carrying out planning, design and construction for the following facilities in Temagami North:

1. Sewage Treatment Expansion by the construction of a new aerated cell followed by

the existing lagoon being converted to an aerated cell;

2. Water Supply upgrading, by the construction of a prefabricated water treatment plant,

be exempted from the application of the Act pursuant to Section 30; and

Having been advised that if the undertaking is subject to the application of the Act, the following injury, damage or interference with the persons and property will occur:

1. The residents in the existing Provincial Townsite will not have a secure supply of potable water and adequate sewage treatment.
2. The Condition of the Design Approval of the Ministry of the Environment for the approval of the Mobile Home Park development as of July, 1977 will not be met, by not being able to proceed with the expansion of the sewage treatment facilities.
3. The proposed project is unlikely to have any adverse environmental effect in that sufficient space exists at the present sites for the expansion.

Having weighed such injury, damage and interference with the betterment of the people of the whole or any part of Ontario by the protection, conservation and wise management in Ontario of the environment, which would result from the undertaking being subject to the application of the Act.

I am of the opinion that it is in the public interest to order and do order that the undertaking is exempt from the application of the Act for the following reasons:

1. The Townsite residents will be interfered with by delaying the upgrading of facilities upon which the owners of existing homes and tenants of the Provincial Mobile Home Park are depending to ensure a secure supply of potable water and adequate sewage treatment.
2. The undertaking was only omitted from Exempting Order M.TEI-4 by inadvertence.
3. The undertaking is well underway and has reached the Final Design Approval stage.

This exemption is subject to the following terms and conditions:

1. The construction of the undertaking is to be substantially completed before the end of the 1980 construction season.

This order comes into force and has effect on and after the date upon which it is signed.

Dated at Toronto, this 9th day of August, 1979.

HARRY C. PARROTT, D.D.S.,
Minister of the Environment.

Applications to Parliament — Private Bills

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Standing Orders governing the submission of such Bills:

NOTE: The previous Standing Orders of the Legislative Assembly have been repealed and the following put into effect by an Order of the House passed on Thursday, December 14th, 1978.

Attention is drawn to the more important changes:—

- No time limit.
- No penalties for late filing.
- Required notice of advertising reduced to four weeks from six weeks.

PRIVATE BILLS

Filing Bill with Clerk

65. (a) Any person, group or corporation may apply for a Private Bill by filing with the Clerk of the House a copy of the Bill together with a fee of \$150.00.

Applicant to pay cost of printing

(b) Every applicant for a Private Bill shall pay the cost of printing the Bill, including the cost of printing the Act in the annual Statutes.

Other charges

(c) Where a Standing Order is suspended with reference to a Bill, a charge of \$50.00 shall be levied.

Additional fees

(d) Where a Bill incorporates a company, or increases the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable in the case of an incorporation or increase of capital under The Business Corporations Act, less the sum of \$150.00 already paid to the Clerk of the House.

(e) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:—

On amounts less than \$10,000.....	\$ 25
On amounts over \$10,000 and up to \$25,000	50
On amounts over \$25,000 and up to \$40,000	75
On amounts over \$40,000 and up to \$75,000	100

On amounts over \$75,000 and up to \$125,000	125
On amounts over \$125,000 and up to \$175,000	150
On amounts over \$175,000 and up to \$250,000	200
On amounts over \$250,000 and up to \$350,000	250
and an additional fee of \$50 for every \$100,000 over \$350,000.	

Publication of Standing Orders re Private Bills

(f) The Clerk of the House shall publish weekly in *The Ontario Gazette* the Standing Orders respecting applications for Private Bills.

Required notice of applications

(g) Notice of an application for a Private Bill shall be given before it is referred to a Standing Committee by publishing it once a week for at least four weeks in each of *The Ontario Gazette* and one newspaper circulated in the municipality most affected and the notice shall,

- (i) be signed by or on behalf of the applicant;
- (ii) clearly state the nature and object of the application;
- (iii) when the application refers to any proposed work, indicate generally the location of the work; and

Bills for debenture issues

(iv) where the application is by a municipal corporation for authority to issue debentures, set out the particulars of the existing debenture debt and the amount of the rateable property of the municipality according to the last revised assessment roll of the corporation and in brief and general terms, the object for which the new issue of debentures is required.

Clerk reports to Standing Procedural Affairs Committee

66. (a) The Clerk of the House shall refer to the Standing Procedural Affairs Committee any application that, in his opinion, does not comply with the Standing Orders.

Declaration re advertising

(b) The applicants for a Private Bill shall lodge with the Clerk of the House a declaration proving publication of the notice.

Letters Patent

67. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Charter or Agreement, shall be attached to it.

Certificate of Minister of Revenue re Letters Patent

68. No Bill relating to the status of a corporation shall be considered by any Committee until there has been deposited with the Clerk of the House a certificate of the Minister of Revenue showing that all taxes payable under The Corporations Tax Act in respect of the corporation have been paid.

Reference to Standing Committee after first reading. Exceptions

69. Every Private Bill when read a first time, shall, unless it is an Estate Bill, or a Bill providing for

a consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a municipal corporation, stand referred to the appropriate Standing Committee, and any Petitions to the House for or against the Bill stand referred to any such Committee.

Certain Municipal Applications referred to Ontario Municipal Board

70. (a) A Private Bill of a municipal corporation providing for the consolidation of a floating debt, or the consolidation or renewal of debentures (other than local improvement debentures) stand referred to the Ontario Municipal Board after first reading.

Board to report

(b) The Board, after due enquiry, shall report to the House whether or not it is reasonable that the Bill, or that part thereof relating to the matters referred to in clause (a), should pass and what, if any, alterations should be made in the Bill.

Report to Clerk

(c) A report shall be transmitted to the Clerk of the House.

Bill and report to Standing Committee

(d) The Bill and report shall stand referred to the appropriate Standing Committee.

Estate Bills to Commissioners

71. (a) Every Estate Bill stands referred to the Commissioners of Estate Bills after first reading.

Commissioners to report

(b) The Commissioners, or any two of them, shall report their opinion on the Bill and whether, presuming the allegations contained in the preamble to be proven to the satisfaction of the House, it is reasonable for the Bill to pass and what, if any, alterations are necessary.

Report to Clerk

(c) A report of the Commissioners of Estate Bills shall be transmitted to the Clerk of the House.

Adverse Report by Commissioners

(d) Where the Commissioners of Estate Bills report that, in their opinion, it is not reasonable that the Bill submitted to them pass into law, the Bill shall not be further considered.

Notice re Hearing by Standing Committee

72. (a) The Clerk of the House shall post on all notice boards five days notice of the date on which any Private Bill is to be considered by a Committee and the notice shall be published in the Notice Paper.

Notice of Next Day Meetings on Private Bills

(b) The Clerk shall also publish in the Notice Paper a notice of any meeting of a Committee to consider Private Bills to be held on the following day.

Consent of interested persons

73. Any person whose interest or property may be affected by a Private Bill, when required, shall appear before the Committee considering the Bill to express his consent or objection, or may consent in writing, proof of which may be demanded by the Committee.

On Order Paper after report

74. Private Bills when reported by Standing Committees or the Commissioners of Estate Bills shall be placed on the Order Paper for second reading.

Bills initialled and signed by Chairman

75. (a) The Chairman of a Committee considering a Private Bill shall initial each section of the Bill as it is passed and sign the Bill.

Amendments

(b) Amendments shall be clearly indicated in the signed copy, and the amendments or additions shall be initialled by the Chairman.

Reprinting amended Bills

76. Private Bills amended by a Committee or the Commissioners may be reprinted before further consideration as the Clerk of the House may direct and the applicant shall pay the cost of printing the Bill.

Referral after second reading

77. Private Bills, after second reading, shall be ordered for third reading, unless specially ordered referred to the Committee of the Whole House.

Notice required to dispense with Standing Orders

78. Except by unanimous consent of the House given in case of urgent and pressing necessity, no motion may be made to dispense with any Standing Order relating to Private Bills without due notice thereof.

Private Bill Register

79. A Private Bill Register shall be kept in the office of the Clerk of the House, in which shall be entered, by the Clerk appointed for that purpose, the name, description, and place of residence of the parties applying for the Bill, or of their agent, and all the proceedings thereon, such register to be open to public inspection daily, during office hours.

Parliamentary Agents

80. (a) Every Parliamentary Agent conducting proceedings before the House is personally responsible to the House and to the Speaker for the observance of the Standing Orders and Practices of Parliament, and also for the payment of all fees and charges.

Misconduct of Agent

(b) Any agent who wilfully acts in violation of the Standing Orders and Practices of Parliament, or who wilfully misconducts himself in prosecuting any proceedings before the House, is liable to an absolute or temporary prohibition to practise as a Parliamentary Agent, at the pleasure of the Speaker.

RODERICK LEWIS, Q.C.,
Clerk of the Legislative Assembly of Ontario.

Petitions to Parliament

Extract from the rules respecting the presentation of petitions

Form

29. (c) Petitions may be either written or printed and only the original, properly signed, and addressed to the Lieutenant Governor and the Legislative Assembly need be presented.

May not be
signed by
solicitor.
Exceptions

(d) Petitions may not be signed by a solicitor as such, unless he is acting for a petitioner unable to sign due to absence from the Province or illness, and only then if the solicitor holds a Power of Attorney to be produced to the Clerk of the House if required.

Members
responsible
for contents

(e) Members presenting petitions are answerable that they do not contain any improper matter.

No petitions
for expendi-
ture of
public funds

(f) No petition can be received which prays for any expenditure, grant or charge on the public revenue, whether payable out of the Consolidated Revenue Fund, or out of moneys to be provided by the House.

SAMPLE FORM FOR PETITIONS

*To the Honourable the Lieutenant Governor and the
Legislative Assembly of Ontario:*

We, the undersigned, beg leave to petition the Parliament of Ontario,
as follows:

NOTE: The subject of the Petition must relate to a grievance within the competence of the Assembly to remedy **and must not pray for any expenditure, grant or charge on the public revenue.**

The Member of the House presenting the Petition for the petitioners must endorse his name thereon and be answerable that it contain no improper matter.

(1574) T.F.N.

RODERICK LEWIS, Q.C.,
Clerk of the Legislative Assembly of Ontario.

Miscellaneous Notices

THE BOUNDARIES ACT

(R.S.O. 1970, Chapter 48, as Amended)

NOTICE OF HEARING

(B-619)

TAKE NOTICE that an Application has been made by The Regional Municipality of Ottawa-Carleton for the purpose of confirming the true location on the ground of the boundaries of Queen Street, Albert Street, Slater Street and Laurier Avenue from Bronson Avenue to Lyon Street, Registered Plan 3922, in the City of Ottawa, Regional Municipality of Ottawa.

AND FURTHER TAKE NOTICE that a draft plan of survey with the aforementioned boundaries shown in heavy, solid lines, made by the firm of Fairhall and Moffat Limited, Ontario Land Surveyors, dated January 7, 1977, and signed by Charles W. Fairhall, Ontario Land Surveyor, is deposited in my Office in the Legal and Survey Standards Branch, 3rd Floor, 543 Yonge Street, Toronto, Ontario, and may be inspected by any party or parties interested therein on any weekday, Monday to Friday.

AND FURTHER TAKE NOTICE that a copy of the said plan is enclosed herewith.

AND FURTHER TAKE NOTICE that any person desiring to object to the confirmation of the boundaries as shown on the draft plan is required to deliver to me by registered mail or by personal service on or before the 24th day of September, 1979, a written statement setting forth the nature and grounds of the Objection.

AND FURTHER TAKE NOTICE that I have appointed the 2nd day of October, 1979, at 10.00 o'clock in the morning, to hear this application in Conference Room 'B', 14th Floor, Capital Square Building, 222 Queen Street, Ottawa, Ontario, at which time any person who has filed a claim may appear either personally or through a solicitor to present the evidence in support thereof.

AND FURTHER TAKE NOTICE that I may deliberate upon the evidence presented and proceed in this Hearing regardless of the absence of any parties affected by this Application.

Dated at my Office in the Legal and Survey Standards Branch, 3rd Floor, 543 Yonge Street, Toronto, Ontario, M7A 2J8, this 1st day of August, 1979.

JAMES N. GARDINER,
Assistant Deputy Director
of Titles.

(9418) 35

Sheriffs' Sales of Lands

UNDER AND BY VIRTUE OF a Writ of *Fieri Facias*, issued in the District Court in the District of Algoma, wherein Herman Stockman, is named Plaintiff, and George Strain and Edward Couturier, are named Defendants and directed to me against the goods and chattels and lands and tenements of George Strain, one of the above named Defendants, I have seized and taken in execution all the estate, right, title, interest and equity of redemption, of the said George Strain, in and to:

Firstly:

All and Singular that certain parcel or tract of land and premises situate, lying and being in the Township of Prince, in the District of Algoma and being composed of the East half of the Northwest Quarter of Section 16, containing an area of 80 acres be the same more or less and being all of Parcel 6240 in the Register for Algoma West Section, District of Algoma.

Secondly:

All and Singular that certain parcel or tract of land and premises situate, lying and being in the Township of Prince, in the District of Algoma and being composed of the Northeast Quarter of Section 16 of the said township containing by admeasurement one hundred and sixty acres more or less and being all of Parcel 417 in the Register for Algoma West Section, District of Algoma.

All of which said estate, right, title, interest and equity of redemption of the said George Strain, in the said lands together with any buildings situate thereon, if any, I shall offer for sale by Public Auction in my office at the Court House in the City of Sault Ste. Marie, District of Algoma on Tuesday, October 2nd, A.D. 1979, at 3.00 o'clock in the afternoon, unless same is sooner paid or satisfied.

Dated at Sault Ste. Marie, this 15th day of August, A.D. 1979.

This sale is subject to cancellation up to time of sale without any further notice.

(9419) 35

PAUL R. UPPER,
Sheriff of Algoma.

UNDER AND BY VIRTUE OF a Writ of Execution issued out of the District Court, of the District of Rainy River, in an action wherein the Plaintiff, Heather Kuivila -vs- Markus Kuivila, the Defendant, to me directed, against the goods and chattels, land and tenements of the Defendant, I have seized and taken in Execution all of the right, title, interest and equity of redemption of the said Defendant, Markus Kuivila, in and to.

All and singular that certain parcel or tract and premises, situate, lying and being in the District of Rainy River, Township of Atikokan, and legally known as parcel 12137, lots 82 and 83, as shown on plan SM-147.

The house is approximately 24' x 36', two bedroom, on lot 421 O'Brien Street, and also on lot 419.

All of which right, title, interest and equity of redemption of the said Markus Kuivila, in the said land and tenements and any building which may be erected on the said property, I shall offer for sale by public auction in my office, in the Court House, Fort Frances, Ontario, on the 2nd day of October, 1979, at 11.00 in the forenoon.

Terms: Cash

This sale is subject to cancellation up to the time of the sale without further notice.

Dated at Fort Frances, Ontario, this 20th day of August, 1979.

JOHN E. BRADLEY,
Sheriff, etc., District of Rainy River.

(9433)

35

Treasurers' Sales of Lands for Taxes

Each year, municipal and county treasurers compile a list of properties against which taxes are outstanding for at least two successive years, which is a period sufficient to permit sale of the owner's assets to reimburse the municipality. These lists are submitted by the municipal representative to the Ministry of Government Services for publication in THE ONTARIO GAZETTE.

The Gazette is published every Saturday. Tax sale lands are included only in the issue of the first Saturday of each month. Each property is described so that it may be properly identified. Also shown are the amount of tax arrears and costs, and the date, time and place where the sale will be held, which is usually in a public building in the locality. Sales are held three months or later following the date of publication in the Gazette and are subject to a reserve bid equal to the amount of tax arrears and costs.

The previous owner may by law redeem the property any time within one year and one day after the date of tax sale by paying to the municipality all arrears plus costs levied. Where redemption occurs, the municipality reimburses the purchaser of tax sale lands for the amount paid at the sale plus an additional amount to be determined in each case.

If the land is not redeemed in the manner described above, the purchaser at sale, receives from the municipality a tax deed or certificate which should be registered in the appropriate Land Titles or Registry Office. A purchaser should ascertain from either of these offices, information relating to any of the charges or liens against the land and consider the advisability of employing the services of a solicitor to determine the extent, if any, of his liability.

The foregoing applies to tax sale lands which were privately owned. In the event the land is the property of the Crown as represented by the Province of Ontario, only the improvements on the property, such as buildings, may be sold. In this case, an intending purchaser should for his own protection ascertain from the local office of the Ministry of Natural Resources whether or not the land or any part can be purchased or leased from the Ministry. If it cannot, then the purchaser of the improvements would be required to remove them from the land.

In some cases, land advertised for sale in the Gazette may be bought by the municipality, or the owner, prior to sale, may pay the tax arrears and costs. Where this occurs, the land is removed from the tax sale lists.

COUNTY OF HURON, PROVINCE OF ONTARIO

To Wit:

By VIRTUE OF A WARRANT under the hand of the Warden and Seal of the Corporation of the County of Huron, bearing date the 10th day of August, 1979, and to me directed, commanding me to levy upon the lands mentioned in the following list, for arrears of taxes thereon together with all costs incurred, I hereby give notice that unless the arrears are sooner paid, I shall proceed to sell the said lands in the Council Chambers of the Court House, Goderich, Ontario by Public Auction, on Tuesday, December 4, 1979, at the hour of ten o'clock in the morning, in accordance with *The Municipal Act*, R.S.O. 1970, Chapter 284, Section 568, and amendments thereto.

NOTICE IS HEREBY FURTHER GIVEN that if any of the said lands remain unsold, an adjourned sale will be held on Tuesday, December 11, 1979 at the same hour and place.

Goderich, Ontario, August 10, 1979.

BILL G. HANLY,
Treasurer,
County of Huron.

MUNICIPALITY OF THE CITY OF BRANTFORD, COUNTY OF BRANT

TO WIT:

BY VIRTUE OF A WARRANT issued by the Mayor under the Seal of the Corporation of the City of Brantford, to me directed, having date the 7th day of August, 1979; commanding me to levy upon and sell the lands mentioned in the following list for arrears of taxes and costs thereon, I hereby give notice that unless such arrears of taxes and costs are sooner paid I shall, pursuant to the provisions of *The Municipal Act* as amended, proceed to sell by public auction the said lands, or as much thereof as may be necessary for the payment of the said taxes and costs at Council Chambers, Brantford on Monday, the 3rd day of December, 1979 at the hour of 2 o'clock in the afternoon.

AND FURTHER TAKE NOTICE that if necessary an adjourned sale will be held at the same place and the same hour of the 10th day of December, 1979 whereat the Corporation of the City of Brantford may purchase any of the lands remaining unsold.

GARTH WESTBROOK, C.A.,
City Treasurer.

Treasurer's Office, Brantford, Ontario, August 7, 1979.

THE CORPORATION OF THE CITY OF BELLEVILLE, COUNTY OF HASTINGS

To Wit:

BY VIRTUE OF A WARRANT under the hand of the Mayor and the Seal of the Corporation of the City of Belleville, to me directed, dated the tenth day of August, 1979, commanding me to levy upon the lands listed hereunder for the arrears of taxes due thereon, together with costs, I hereby give notice that unless the said arrears and costs are sooner paid, I shall, pursuant to *The Municipal Act*, 1970 proceed to sell by Public Auction, the said lands, or so much thereof as may be necessary to discharge the said arrears of taxes and costs, at the Council Chambers, City Hall, Belleville, Ontario, on Friday, seventh day of December, 1979 at 10.00 o'clock in the forenoon.

NOTICE IS HEREBY FURTHER GIVEN that the adjourned sale, if necessary, shall be held on Monday, the seventeenth day of December, 1979, whereat the Corporation of the City of Belleville shall purchase any and all parcels of land if the price offered is less than the arrears of taxes and costs accrued.

All lands listed herein are patented.

Office of the City Treasurer, Belleville, Ontario, the tenth day of August, 1979.

FRANK J. MORRELL,
City Treasurer,
City of Belleville.

COUNTY OF PERTH

To Wit:

BY VIRTUE OF A WARRANT under the hand of the Warden and seal of the Corporation of the County of Perth, bearing date the 18th day of July, 1979, and to me directed, commanding me to levy on the lands hereinafter described for the Arrears of Taxes respectively due thereon, together with all costs incurred, which includes tax arrears to 1978, but will be sold subject to the purchaser paying any taxes owing and accruing after that date. I hereby give notice that unless the said arrears and costs are sooner paid, I will proceed to sell by public auction the said lands or as much thereof as may be necessary for the payment of the said taxes and costs thereon, on Monday, the 3rd day of December, 1979, at the hour of 9.30 o'clock in the morning in the Court House in the City of Stratford, and if there are properties not sold at the above scheduled tax sale an Adjourned Tax Sale will be held on Monday, December 10th, 1979, at the hour of 9.30 o'clock, in compliance with the provisions of *The Municipal Act*.

Dated at Stratford, this 18th day of July, 1979.

J. A. BELL,
Clerk-Treasurer Administrator.

THE PLANNING ACT

O. Reg. 594/79.
Restricted Areas—Part of the District of Sudbury.
Made—August 13th, 1979.
Filed—August 15th, 1979.

REGULATION TO AMEND
ONTARIO REGULATION 568/72
MADE UNDER
THE PLANNING ACT

1. Ontario Regulation 568/72 is amended by adding thereto the following sections:

26. Notwithstanding any other provision of this Order, the land described in Schedule 20 may be used for the erection and use thereon of a community recreational hall and buildings and structures accessory thereto provided the following requirements are met:

Minimum distance of
the community recreational hall from the
front lot line 200 metres

Minimum distance of
the community recreational hall from each of
the side lot lines 90 metres

Minimum distance of the community recreational hall from the rear lot line	13 metres
Minimum total floor area of community recreational hall	720 square metres
Maximum percentage of lot to be occupied by community recreational hall	5 per cent
Maximum height of community recreational hall	7 metres
O. Reg. 594/79, s. 1, <i>part.</i>	

27. Notwithstanding any other provision of this Order, the land described in Schedule 21 may be used for the erection and use thereon of a garage for school buses provided the following requirements are met:

Minimum front yard	47 metres
Minimum side yards	3 metres on one side and 1.2 metres on the other side
Minimum rear yard	7.5 metres
Maximum total floor area of garage	135 square metres
Maximum percentage of lot to be occupied by garage	15 per cent
Maximum height of garage	4.5 metres
O. Reg. 594/79, s. 1, <i>part.</i>	

2. The said Regulation is further amended by adding thereto the following Schedules:

Schedule 20

That parcel of land situate in the geographic Township of Bigwood in the Territorial District of Sudbury, being composed of that part of Lot 6 in Concession VI designated as Part 1 according to a Plan deposited in the Land Registry Office for the Registry Division of Sudbury (No. 53) as Number 53R-7803. O. Reg. 594/79, s. 2, *part.*

Schedule 21

That parcel of land situate in the geographic Township of Dill in the Territorial District of Sudbury, being composed of that part of Lot 2 in Conces-

sion 1 described as Parcel 26950 Sudbury East Section. O. Reg. 594/79, s. 2, *part.*

35

THE PLANNING ACT

O. Reg. 597/79.

Notice Requirements—Restricted Area
By-Laws.

Made—August 15th, 1979.

Filed—August 17th, 1979.

REGULATION MADE UNDER THE PLANNING ACT

NOTICE REQUIREMENTS—RESTRICTED AREA BY-LAWS

1. Where a municipality proceeds under subsection 25 of section 35 of the Act, the clerk of the municipality shall give or cause to be given notice in Form 1 to the persons referred to in subsection 1 of section 3. O. Reg. 597/79, s. 1.

2.—(1) Where a notice in Form 1 is served under this Regulation, objections to the by-law must be filed with the clerk of the municipality within twenty-one days of the date of the mailing, personal service or publication of the notice, as the case may be.

(2) The twenty-one day period referred to in subsection 1 does not include the date of mailing, personal service or publication of the notice, as the case may be. O. Reg. 597/79, s. 2.

3.—(1) A notice in Form 1 shall be given by personal service or by prepaid first class mail,

(a) subject to subsection 4, to all owners of land,

(i) within the area to which the by-law applies,

(ii) within 120 metres of the area to which the by-law applies, and

(iii) where the owner of the land to which the by-law applies also owns adjoining land, any part of which extends 120 metres or more from the land to which the by-law applies, to all owners of lands abutting such adjoining land,

according to the last revised assessment roll at the addresses shown therein or as amended as the result of notification of a change in ownership received in writing by the clerk;

(b) to every person who has sent by mail or delivered to the clerk of the municipality a request for notice of the passing of the by-law;

(c) to the secretary of every school board having jurisdiction within the area to which the by-law applies;

(d) to the secretary of every gas company operating a gas utility in the municipality;

(e) to the secretary of every municipal or other corporation operating an electric utility in the municipality;

(f) to the secretary of the Local Architectural Conservation Advisory Committee, if any, where the by-law either applies to or

adjoins property or districts designated under Part IV of *The Ontario Heritage Act*, 1974;

- (g) except in The Regional Municipality of Haldimand-Norfolk and The Regional Municipality of Sudbury, to the secretary-treasurer of every planning board having jurisdiction in the area to which the by-law applies and to the chief planning officer of the regional municipality or county having jurisdiction in the area municipality;
- (h) to the clerk of every local municipality and area municipality adjoining or within one kilometre of the area to which the by-law applies;
- (i) in The Regional Municipality of Haldimand-Norfolk and The Regional Municipality of Sudbury, to the clerk of the area municipality in which the area to which the by-law applies is situate;
- (j) to the clerk of the county, if the area to which the by-law applies is within forty-five metres of a highway over which the county has jurisdiction;
- (k) to the clerk of the regional municipality if the area to which the by-law applies is within forty-five metres of a highway over which the regional municipality has jurisdiction;
- (l) to the secretary-treasurer of every conservation authority having jurisdiction in the area to which the by-law applies;
- (m) to the Ministry of Natural Resources addressed to the manager of the district office having jurisdiction in the area to which the by-law applies;
- (n) where the area to which the by-law applies is within or adjoining the Niagara Escarpment Planning Area, to the Niagara Escarpment Commission addressed to the senior planner of the district office having jurisdiction in the area to which the by-law applies;

- (o) to the Director, Route and Site Selection Division, Ontario Hydro, 700 University Avenue, Toronto, Ontario M5G 1X6;
- (p) where any part of the land to which the by-law applies is within the jurisdiction of the Ministry of Transportation and Communications under section 31 or 35 of *The Public Transportation and Highway Improvement Act*, to the Ministry of Transportation and Communications addressed to Head, Corridor Control Section, 1201 Wilson Avenue, Downsview, Ontario M3M 1J8;
- (q) to the Ministry of the Environment addressed to the director of the regional office having jurisdiction in the area to which the by-law applies; and
- (r) to the Executive Director of the Plans Administration Division of the Ministry of Housing, 56 Wellesley Street West, Toronto, Ontario M7A 2K4.

(2) For the purposes of subclause iii of clause a of subsection 1, land shall be deemed to abut adjoining land even though it is separated from it by a highway.

(3) Where there has been a disruption in mail service within the three days immediately following the mailing of a notice by prepaid first class mail under subsection 1, the notice shall be deemed to have been mailed on the day that mail service is resumed.

(4) In lieu of giving the notice required by clause a of subsection 1 by personal service or by prepaid first class mail, where the notice required by the said clause a is required to be given to more than 100 owners, the council of the municipality may direct the clerk of the municipality to give, or cause to be given, the notice to the persons referred to in the said clause a through publication once a week for two consecutive weeks in a newspaper having general circulation in the area to which the by-law applies and the notice shall be published in Form 1.

(5) In this section, "regional municipality" includes a metropolitan and district municipality and the County of Oxford. O. Reg. 597/79, s. 3.

4. This Regulation comes into force on the 1st day of September, 1979. O. Reg. 597/79, s. 4.

Form 1

The Planning Act

Filed—August 17th, 1979.

REGULATION TO AMEND
ONTARIO REGULATION 568/72
MADE UNDER
THE PLANNING ACT

1. Ontario Regulation 568/72 is amended by adding thereto the following section:

28. Notwithstanding any other provision of this Order, the land described in Schedule 22 may be used for the erection and use thereon of a mobile home and buildings and structures accessory thereto provided the following requirements are met:

Minimum front yard	30 metres
Minimum side yards	3 metres on one side and 1.2 metres on the other side
Minimum total floor area of mobile home	50 square metres

Maximum percentage
of lot to be occupied by
mobile home 15 per cent

Maximum height of
mobile home 3 metres

O. Reg. 598/79, s. 1.

2. The said Regulation is further amended by adding thereto the following Schedule:

Schedule 22

That parcel of land situate in the geographic Township of Cherriman in the Territorial District of Sudbury, being composed of that part of Lot 1 in Concession V designated as Summer Resort Location AE. 591, described as Parcel 22771, Sudbury East Section, in the Land Registry Office for the Land Titles Division of Sudbury (No. 53). O. Reg. 598/79, s. 2.

G. M. FARROW
Executive Director,
Plans Administration Division,
Ministry of Housing

Dated at Toronto, this 15th day of August, 1979.

The Ontario Highway Transport Board Act

Kenneth Hugh Clark, Esq., 12849
 R.R. #1, Millbrook, Ontario L0A 1G0.

The Ontario Highway Transport Board pursuant to Section 17 of *The Ontario Highway Transport Board Act*, R.S.O. 1970, Chapter 316, will review the Board Certificate pursuant to which public commercial vehicle operating licence No. 306 was issued. The terms and conditions of the certificates will be reviewed in order that what was intended in the certificates may be given its true effect.

The Board may amend or revoke the terms of the said certificates.

And the Board has fixed Thursday, the 18th day of October, 1979, at its Chambers, Britannica House, 151 Bloor Street West, 10th Floor, Toronto, Ontario, at 10.00 a.m. (E.D.S.T.).

Should any person, who is a party to this review, not attend at the hearing, the Board may proceed in his/her absence and such person is not entitled to any further notice with respect to this review.

(3170) 36 D. S. CHURCH,
 Secretary.

The following applications for certificates under *The Public Commercial Vehicles Act*, R.S.O. 1970, Chapter 375 and the *Motor Vehicle Transport Act*, R.S.C. 1970, Chapter M-14, will be heard by the Ontario Highway Transport Board at its Chambers, Britannica House, 151 Bloor Street West, 10th Floor, Toronto, Ontario, on Thursday, the 18th day of October, 1979, at 10.00 a.m. (E.D.S.T.).

Should any person, who is a party to one or more of these applications, not attend at the hearing, the Board may proceed in his/her absence and such person is not entitled to any further notice with respect to such application.

Arthur McMunn, Esq., 02200-K
 R.R. #4,
 Bancroft, Ontario,

applies for an extension to Class 'F' privileges on Class 'D' public commercial vehicle operating licence No. D-2577 as follows:

"For the carriage of wood chips (rough lumber), sawdust and rough lumber for and on behalf of Freymond Lumber owned and operated by Peter and Dan Freymond, from its installations at the Village of Bancroft in the County of Hastings to points in Ontario";

02200-L

also applies for an extension to extra-provincial operating licence No. X-1717 as follows:

"For the carriage of wood chips (rough lumber) sawdust and rough lumber for and on behalf of:

- (a) Freymond Lumber owned and operated by Peter and Dan Freymond, from its installations at the Village of Bancroft in the County of Hastings; and
- (b) Jan Lumber Company, owned and operated by Lloyd Jan from its installations at a place known as L'Amable in the Township of Dungannon in the County of Hastings;

to the Ontario-Quebec border at or near Portage Du Fort for furtherance to points in the Province of Quebec as authorized.

(3171) 36 D. S. CHURCH,
 Secretary.

The following applications for certificates under *The Public Commercial Vehicles Act*, R.S.O. 1970, Chapter 375, will be heard by the Ontario Highway Transport Board at the Court House, 277 Camelot Street, Thunder Bay "P", Ontario, on Friday, the 12th day of October, 1979, at 10.00 a.m. (E.D.S.T.).

Should any person, who is a party to one or more of these applications, not attend at the hearing, the Board may proceed in his/her absence and such person is not entitled to any further notice with respect to such application.

Gordon Trailer Sales And 31707
 Rentals Limited,
 605 Hewitson St.,
 P.O. Box 1232,
 Thunder Bay, Ontario P7C 4X9,

applies for a Class 'D' public commercial vehicle operating licence as follows:

"For the transportation of mobile homes, office trailers and industrial trailers between points in Northern Ontario, which includes the District of Thunder Bay, Kenora District, the District of Rainy River, Algoma District and the District of Cochrane".

Lawrence Fernand Derouard, Esq., 11454-C
R.R. #1, Airport Road,
Kenora, Ontario P9N 3W7,

applies for an extension to Class 'R' operating licence No. 1858 by adding one more vehicle for a total of three. Region remains at 6.

Dennis M. Brown, Esq., 31721
s/w ¼ Sec. 23, Morley Twp.,
P.O. Box 86,
Stratton, Ontario P0W 1N0,

applies for an extension to Class 'R' operating licence No. 4801 by adding one more vehicle for a total of two. Regions remain at 5 and 6.

The following apply for a Class 'R' operating licence as follows:

"For the carriage of:

- (a) sand, gravel, earth, crushed or uncut rock and stone, asphalt mixes, slag and rubble;
- (b) salt, calcium chloride, a mixture of sand and salt, and asphalt mixes directly to highway construction or maintenance sites or to stockpiles for further use on highway construction or maintenance sites".

Kenneth F. Dysievick, Esq., 31727
R.R. #1,
Kakabeka Falls, Ontario.

One vehicle, Region 6.

Timothy William Henley, Esq., 31599
R.R. #1, Essex Road,
Kenora, Ontario.

One vehicle, Region 6.

Edmond Weiller, Esq., 31704
R.R. #1, Box 2, Site 16A,
Dryden, Ontario.

One vehicle, Region 6.

(3172) 36 **D. S. CHURCH,**
Secretary.

The following application for a certificate under *The Public Commercial Vehicles Act*, R.S.O. 1970, Chapter 375, will be heard by the Ontario Highway Transport Board at its Chambers, Britannica House, 151 Bloor Street West, 10th Floor, Toronto, Ontario, on Wednesday, the 14th day of November, 1979, at 10.00 a.m. (E.S.T.).

Should any person, who is a party to one or more of these applications, not attend at the hearing, the Board may proceed in his/her absence and such person is not entitled to any further notice with respect to such application.

Cal Nichols Movers & Storage Limited, 05367-J
P.O. Box 1540, 677 Neal Drive,
Peterborough, Ontario,

applies to have temporary Class 'H' licence No. 185 dated the 3rd day of March, 1975, made permanent, the terms of which are as follows:

"For the carriage of uncrated used household, office and store furniture and, where specially designed vehicles of the drop-frame type are used and equipped with pads, belts, hooks, wardrobes and special packing containers:

- (i) new uncrated furniture and fixtures that are part of the furnishing of the dwelling in which they are to be used;
- (ii) new uncrated furniture and fixtures that are part of the furnishing of offices, museums, hospitals, factories and public institutions;
- (iii) objects of art, displays and exhibits that because of their unusual nature of value require specialized handling and the employment of pads, belts, hooks, wardrobes and special packing containers.

PROVIDED that the licensee does not establish or maintain a place of business at any point other than the Cities of Barrie and Peterborough and the Town of Cobourg or at a point within a 10-mile radius thereof.

A place of business is any place at/or from which a business operates in or for the furtherance of the business of this licensee and for which that person receives remuneration of any kind, directly or indirectly from the licensee".

And the applicant applies to have the permanent operating authority amended, if granted, by deleting the above commodity description and substituting therefor the following:

"For the carriage of:

- (i) uncrated new and used household furniture, appliances and personal effects of a householder that are part of the contents of the dwelling in which they are to be used, and used vehicles, including used motorized snow vehicles, owned by the householder and being moved as part of and in conjunction with the movement of the said householder's goods;
- (ii) uncrated used office, store and commercial establishment furniture, equipment, and crated or uncrated stock in trade of the office, store and commercial establishment in which such furniture, equipment and stock in trade are to be used;
- (iii) uncrated new furniture and equipment that are to be part of the furnishings of public institutions in which they are to be used; and
- (iv) objects of art, displays, exhibits and computers and similar electronic devices that because of their fragile or unusual nature of value require specialized handling,

that can be carried on a standard truck, trailer or semi-trailer equipped with pads, belts, hooks, wardrobes and special packing containers and which do not require special loading devices other than powered tail-gates.

PROVIDED that the licensee does not establish or maintain a place of business at any point other than the Cities of Barrie and Peterborough and the Town of Cobourg

or at a point within a 10-mile radius thereof. A place of business is any place at/or from which a business operates in or for the furtherance of the business of this licensee and for which that person receives remuneration of any kind, directly or indirectly from the licensee".

Sunburst Canning Ltd., R.R. #3, Cottam, Ontario.
Southland Canning Ltd., Wheatley, Ontario.
Sunbrite Canning Ltd., P.O. Box #70,
Ruthven, Ontario.

to the installations of the member Companies of Vegetable Canners Co-operative of Ontario Limited named in sub-paragraph (b) (2) hereof if carried for and on behalf of Vegetable Canners Co-operative of Ontario Limited and to the respective installations of the Companies mentioned in sub-paragraph (b) (2) hereof when carried for and on behalf of the Companies named.

PROVIDED that this authority expires on the 1st day of November, 1979 unless prior to that date complementary authority as issued by the Quebec Transport Commission is filed with the Ontario Transport Board".

13717-T

also applies for an extension to Class 'D' operating licence No. D-1227 as follows:

"In 'EXTENSION GRANTED' add the following:

3. Countryside Canners Co. Ltd.—Stoney Point, Ontario
4. Hillside Canning Co. Ltd.—R.R.#4, Leamington, Ontario
5. Stoney Point Canning Co. Ltd.—Stoney Point, Ontario

so that as extended the 'extension granted' will read as follows:

"For the carriage of empty cans and canned goods for and on behalf of:

- (1) Vegetable Canners Co-operative of Ontario Limited and/or the undermentioned members of said Co-operative namely:
 - (a) Sun Brite Canning Ltd., Ruthven, in the County of Essex.
 - (b) King Canning Inc., Paincourt, in the County of Essex.
 - (c) Southland Canning Ltd., Wheatly, in the County of Kent and
- (2) Sunburst Canning Ltd., Cottam, in the County of Essex.
- (3) Countryside Canners Co. Ltd., Stoney Point, Ontario.

- (4) Hillside Canning Co. Ltd., R.R. #3, Leamington, Ontario.
- (5) Stoney Point Canning Co. Ltd., Stoney Point, Ontario.

PROVIDED that in respect to King Canning and the said co-operative there be no transportation

- (a) to or from any installation of Libby McNeil and Libby of Canada Limited or
- (b) of empty cans to or from the City of Chatham".

Congdon Distributors Ltd., 31450
13104-159th St., P.O. Box 3237,
Station "D",
Edmonton, Alberta,

applies for an extra-provincial operating licence as follows:

"For the carriage of:

- (i) uncrated new and used household furniture, appliances and personal effects of a householder that are part of the contents of the dwelling in which they are to be used, and used vehicles including used motorized snow vehicles, owned by the householder and being moved as part of and in conjunction with the movement of the said householder's goods;
- (ii) uncrated used office, store and commercial establishment furniture, equipment and crated or uncrated stock in trade of the office, store and commercial establishment in which such furniture, equipment and crated or uncrated stock in trade are to be used;
- (iii) uncrated new furniture and equipment that are to be part of the furnishings of public institutions in which they are to be used; and
- (iv) objects of art, displays, exhibits and computers and similar electronic devices that because of their fragile or unusual nature or value require specialized handling,

that can be carried on a standard truck, trailer or semi-trailer equipped with pads, belts, hooks, wardrobes and special packing containers and which do not require special loading devices other than powered tailgates.

1. By shipment from points in the Provinces of Quebec, New Brunswick, Nova Scotia, Prince Edward Island and Newfoundland, as authorized thereby from points at the Ontario-Quebec border at all border crossing points to points in the Province of Ontario; and from points in the Province to the Ontario-Quebec border at the said border points for furtherance to points in the said Provinces;
2. By shipment from points in the said Provinces, as authorized thereby from the Ontario-Quebec border at all crossing points in transit through the Province of Ontario to the Ontario-Manitoba border at all border crossing points for furtherance to points in the Provinces of Manitoba, Saskatchewan, Alberta, British Columbia, the Northwest and Yukon Territories, as authorized thereby; and
3. By shipment from points in the Province of Ontario to the Ontario-Manitoba border at all

crossing points for furtherance to points in the Provinces of Manitoba, Saskatchewan, Alberta, British Columbia, the Northwest and Yukon Territories, as authorized thereby; and by shipment from points in such Provinces and Territories from such points on the Manitoba-Ontario border to points in the Province of Ontario;

4. By shipment from and to all points on the Ontario-Manitoba and the Ontario-Quebec borders for movement in transit through Ontario.

For inter-provincial traffic only.

DELETE the following CLASS 'C' PRIVILEGES:

"To or from Metropolitan Toronto and points in the City of Mississauga and that portion of the City of Brampton bounded on the south by the northern limits of the City of Mississauga; bounded on the west by the westerly limits of the City of Brampton; bounded on the east by the easterly limits of the City of Brampton and bounded on the north by County Road No. 16 of the County of Peel; and

that portion of the Town of Vaughan bounded on the west by King's Highway No. 400, and on the north by Sherwood Road (also known as Carrville Road) and on the east by Keele Street running south to Langstaff Road, and by Dufferin Street running south from Langstaff Road; and that portion of the Town of Markham bounded on the north by the southerly boundary of the Town of Richmond Hill, and the Carrville Road (also known as 16th Avenue) running east from the easterly boundary of the Town of Richmond Hill, on the east by Kennedy Road, and on the west by King's Highway No. 11 (Yonge Street) and the easterly boundary of the Town of Richmond Hill.

PROVIDED that there be no movement:

- (1) to or from Toronto International Airport (Malton), Richmond Hill, Oakville or Whitchurch-Stouffville;
- (2) of any shipment exceeding 3,000 pounds in weight from the installation of Domtar Construction Mat-

erials Limited or Canada Brick division of Martin-Marietta (Canada) Limited in the City of Mississauga or the Town of Vaughan or in the Township of Chinguacousy;

- (3) to or from any point north of North Bay on King's Highway No. 11 and all present or future highways connecting with King's Highway No. 11 north of its intersection with King's Highway No. 17 near North Bay;
- (4) of goods picked up in Metropolitan Toronto for delivery in the Town of Markham; or picked up in the Town of Markham for delivery in Metropolitan Toronto.

PROVIDED FURTHER that there shall be no service to that portion of the City of Brampton known as the Town of Brampton as at December 31, 1973 unless previously authorized.

EXTENSION GRANTED:

All references to 'Metropolitan Toronto' in this operating licence shall be deemed to include the Town of Ajax and that part of the Town of Pickering on and south of King's Highway No. 7".

And substitute therefor the following:

"CLASS 'C' PRIVILEGES to or from:

Metropolitan Toronto; and points in the City of Mississauga; and that portion of the City of Brampton bounded on the south by the northern limits of the City of Mississauga; bounded on the west by the westerly limits of the City of Brampton; bounded on the east by the easterly limits of the City of Brampton and bounded on the north by Regional Road No. 16 of the Regional Municipality of Peel; and that portion of the Town of Vaughan bounded on the west by King's Highway No. 400 and bounded on the north by Sherwood Road (also known as Carrville Road) and bounded on the east by Keele Street running south to Langstaff Road and also bounded on the east by Dufferin Street running south from Langstaff Road to Steeles Avenue West;

that portion of the Town of Markham, in the Regional Municipality of York bounded:

- (i) on the north by the southerly boundary of the Town of Richmond Hill and the Carrville Side Road (also known as 16th Avenue) running east from the easterly boundary of the Town of Richmond Hill;
- (ii) on the east by Kennedy Road;
- (iii) on the south by Steeles Avenue; and
- (iv) on the west by Highway No. 11 (Yonge Street) and the easterly boundary of the Town of Richmond Hill; and

The Town of Ajax and that portion of the Town of Pickering on and south of King's Highway No. 7.

PROVIDED that there be no movement

- 1. to or from Toronto International Airport, Oakville, Whitchurch-Stouffville, or Richmond Hill unless authorized to do so prior to August 16th, 1965.
- 2. of any shipment exceeding 3,000 pounds in weight from the installations of Domtar Inc. or Canada Brick division of Martin-Marietta (Canada) Lim-

ited in the City of Mississauga or the Town of Vaughan or the Township of Chinguacousy unless authorized to do so prior to August 16th, 1965;

3. to or from any point north of North Bay on King's Highway No. 11 and all present or future highways connecting with King's Highway No. 11 north of its intersection with King's Highway No. 17 near North Bay".

Delete the following:

"PROVIDED FURTHER that there be no charter privileges from any point on King's Highway No. 29 including the City of Brockville".

Also applies for an extension to public vehicle operating licence No. 1610 as follows:

"For the transportation of groups of passengers and their baggage travelling together for sightseeing, educational, literary, athletic, social or pleasure purposes at irregular times over irregular routes, and at per capita round trip fares, restricted to special trips originating at the City of Brockville and at such points in Ontario at which the licensee may conduct charter trips under public vehicle operating licence Nos. 1610 and 2271, and Regulation 762, Section 12 (1) of *The Public Vehicles Act*, R.S.O. 1970, Chapter 292, as amended, and subject to the following conditions:

- (a) the licensee shall submit to the Ontario Highway Transport Board and the Ministry of Transportation and Communications of the Province of Ontario, in writing:
 - (i) at least thirty days before the commencement of any trip hereunder, a certified true copy of the advertising or full particulars of the solicitation or trip announcement to be used by the licensee in respect of each trip;
 - (ii) at least ten days before the commencement of any trip hereunder particulars of the dates of departure, destination, stop-overs, nature or purpose of trip, approximate number of passengers and the rates to be charged to each

passenger for all services provided for each trip;

- (b) any operation under this authority must exceed twenty hours in duration;
- (c) no licence shall operate trips hereunder in such a manner as to constitute a regularly recurring daily or weekly service”;

18070-V

also applies for an extra-provincial operating licence as follows:

“For the carriage of passengers and their baggage on chartered trips where the passengers originate at the City of Brockville and at points permitted under public vehicle operating licence Nos. 1610 and 2271 and Regulation 762, Section 12 (1) of *The Public Vehicles Act*, R.S.O. 1970, Chapter 292, as amended, for furtherance to:

- (a) the international boundary at all boundary crossing points for furtherance to points in the United States of America as authorized thereby, or by furtherance in transit through the United States of America to all Provinces and Territories in the Dominion of Canada as authorized thereby;
- (b) to the Ontario-Manitoba border at or near West Hawk Lake for furtherance to points in the Provinces of Manitoba, Saskatchewan, Alberta, British Columbia, the Yukon and the North West Territories and Alaska and in transit through the said Provinces to or from points in the United States of America as authorized thereby;
- (c) the Ontario-Quebec border at all border crossing points for furtherance to points in the Provinces of Quebec, New Brunswick, Nova Scotia, Prince Edward Island and Newfoundland and in transit through the said Provinces to points in the United States of America as authorized thereby”.

Also applies for an extra-provincial operating licence as follows:

“For the transportation of groups of passengers and their baggage travelling together for sightseeing, educational, literary, athletic, social or pleasure purposes at irregular times or for irregular routes and at per capita round trip fares in extra-provincial movements, restricted to special trips originating only at the City of Brockville and at such points in Ontario at which the licensee may charter trips under public vehicle operating licence Nos. 2271 and 1610 and Regulation 762, Section 12 (1) of *The Public Vehicles Act*, R.S.O. 1970, Chapter 392 as amended, for furtherance to:

- 1. the international boundary at all boundary crossing points for furtherance to points in the United States of America as authorized thereby, or by furtherance in transit through the United States of America to all Provinces and Territories in the Dominion of Canada as authorized thereby;
- 2. to the Ontario-Manitoba border at or near West Hawk Lake for furtherance to points in the Provinces of Manitoba, Saskatchewan, Alberta, British Columbia, the Yukon and the North West Territories and Alaska and in transit through the said Provinces to or from points in the United States of America as authorized thereby;

- 3. the Ontario-Quebec border at all border crossing points for furtherance to points in the Provinces of Quebec, New Brunswick, Nova Scotia, Prince Edward Island and Newfoundland and in transit through the said Provinces to points in the United States of America as authorized thereby;

Subject to the following:

- (a) the licensee shall submit to the Ontario Highway Transport Board and the Ministry of Transportation and Communications of the Province of Ontario, in writing:
 - (i) at least thirty days before the commencement of any trip hereunder, a certified true copy of the advertising or full particulars of the solicitation or trip announcement to be used by the licensee in respect of each trip;
 - (ii) at least ten days before the commencement of any trip hereunder particulars of the dates of departure, destination stop-overs, nature or purpose of trip, approximate number of passengers, and the rates to be charged to each passenger for all services provided for each trip;
- (b) any operation under this authority must exceed twenty hours in duration;

Notice of Default in Complying with The Corporations Tax Act, 1972

The Minister of Consumer and Commercial Relations has been notified by the Minister of Revenue that each of the corporations named hereunder has not complied with the provisions of *The Corporations Tax Act, 1972*.

NOTICE IS HEREBY GIVEN under subsection (1) of Section 251 of *The Business Corporations Act* that an order dissolving each corporation will be issued unless the corporations comply with the requirements of *The Corporations Tax Act, 1972*, within 90 days of the date of this notice. All enquiries concerning this notice are to be directed to Corporations Tax Branch, Ministry of Revenue, 77 Bloor Street West, Toronto.

Applications to
Parliament —
Private Bills

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Standing Orders governing the submission of such Bills:

NOTE: The previous Standing Orders of the Legislative Assembly have been repealed and the following put into effect by an Order of the House passed on Thursday, December 14th, 1978.

Attention is drawn to the more important changes:—

- No time limit.
- No penalties for late filing.
- Required notice of advertising reduced to four weeks from six weeks.

PRIVATE BILLS

Filing Bill with Clerk

65. (a) Any person, group or corporation may apply for a Private Bill by filing with the Clerk of the House a copy of the Bill together with a fee of \$150.00.

Applicant to pay cost of printing

(b) Every applicant for a Private Bill shall pay the cost of printing the Bill, including the cost of printing the Act in the annual Statutes.

Other charges

(c) Where a Standing Order is suspended with reference to a Bill, a charge of \$50.00 shall be levied.

Additional fees

(d) Where a Bill incorporates a company, or increases the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable in the case of an incorporation or increase of capital under The Business Corporations Act, less the sum of \$150.00 already paid to the Clerk of the House.

(e) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:—

On amounts less than \$10,000.....	\$ 25
On amounts over \$10,000 and up to \$25,000	50
On amounts over \$25,000 and up to \$40,000	75
On amounts over \$40,000 and up to \$75,000	100

On amounts over \$75,000 and up to \$125,000	125
On amounts over \$125,000 and up to \$175,000	150
On amounts over \$175,000 and up to \$250,000	200
On amounts over \$250,000 and up to \$350,000	250
and an additional fee of \$50 for every \$100,000 over \$350,000.	

Publication of Standing Orders re Private Bills

(f) The Clerk of the House shall publish weekly in *The Ontario Gazette* the Standing Orders respecting applications for Private Bills.

Required notice of applications

(g) Notice of an application for a Private Bill shall be given before it is referred to a Standing Committee by publishing it once a week for at least four weeks in each of *The Ontario Gazette* and one newspaper circulated in the municipality most affected and the notice shall,

- (i) be signed by or on behalf of the applicant;
- (ii) clearly state the nature and object of the application;
- (iii) when the application refers to any proposed work, indicate generally the location of the work; and

Bills for debenture issues

(iv) where the application is by a municipal corporation for authority to issue debentures, set out the particulars of the existing debenture debt and the amount of the rateable property of the municipality according to the last revised assessment roll of the corporation and in brief and general terms, the object for which the new issue of debentures is required.

Clerk reports to Standing Procedural Affairs Committee

66. (a) The Clerk of the House shall refer to the Standing Procedural Affairs Committee any application that, in his opinion, does not comply with the Standing Orders.

Declaration re advertising

(b) The applicants for a Private Bill shall lodge with the Clerk of the House a declaration proving publication of the notice.

Letters Patent

67. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Charter or Agreement, shall be attached to it.

Certificate of Minister of Revenue re Letters Patent

68. No Bill relating to the status of a corporation shall be considered by any Committee until there has been deposited with the Clerk of the House a certificate of the Minister of Revenue showing that all taxes payable under The Corporations Tax Act in respect of the corporation have been paid.

Reference to Standing Committee after first reading. Exceptions

69. Every Private Bill when read a first time, shall, unless it is an Estate Bill, or a Bill providing for

a consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a municipal corporation, stand referred to the appropriate Standing Committee, and any Petitions to the House for or against the Bill stand referred to any such Committee.

Certain Municipal Applications referred to Ontario Municipal Board

70. (a) A Private Bill of a municipal corporation providing for the consolidation of a floating debt, or the consolidation or renewal of debentures (other than local improvement debentures) stand referred to the Ontario Municipal Board after first reading.

Board to report

(b) The Board, after due enquiry, shall report to the House whether or not it is reasonable that the Bill, or that part thereof relating to the matters referred to in clause (a), should pass and what, if any, alterations should be made in the Bill.

Report to Clerk

(c) A report shall be transmitted to the Clerk of the House.

Bill and report to Standing Committee

(d) The Bill and report shall stand referred to the appropriate Standing Committee.

Estate Bills to Commissioners

71. (a) Every Estate Bill stands referred to the Commissioners of Estate Bills after first reading.

Commissioners to report

(b) The Commissioners, or any two of them, shall report their opinion on the Bill and whether, presuming the allegations contained in the preamble to be proven to the satisfaction of the House, it is reasonable for the Bill to pass and what, if any, alterations are necessary.

Report to Clerk

(c) A report of the Commissioners of Estate Bills shall be transmitted to the Clerk of the House.

Adverse Report by Commissioners

(d) Where the Commissioners of Estate Bills report that, in their opinion, it is not reasonable that the Bill submitted to them pass into law, the Bill shall not be further considered.

Notice re Hearing by Standing Committee

72. (a) The Clerk of the House shall post on all notice boards five days notice of the date on which any Private Bill is to be considered by a Committee and the notice shall be published in the Notice Paper.

Notice of Next Day Meetings on Private Bills

(b) The Clerk shall also publish in the Notice Paper a notice of any meeting of a Committee to consider Private Bills to be held on the following day.

Consent of interested persons

73. Any person whose interest or property may be affected by a Private Bill, when required, shall appear before the Committee considering the Bill to express his consent or objection, or may consent in writing, proof of which may be demanded by the Committee.

On Order Paper after report

74. Private Bills when reported by Standing Committees or the Commissioners of Estate Bills shall be placed on the Order Paper for second reading.

Bills initialled and signed by Chairman

75. (a) The Chairman of a Committee considering a Private Bill shall initial each section of the Bill as it is passed and sign the Bill.

Amendments

(b) Amendments shall be clearly indicated in the signed copy, and the amendments or additions shall be initialled by the Chairman.

Reprinting amended Bills

76. Private Bills amended by a Committee or the Commissioners may be reprinted before further consideration as the Clerk of the House may direct and the applicant shall pay the cost of printing the Bill.

Referral after second reading

77. Private Bills, after second reading, shall be ordered for third reading, unless specially ordered referred to the Committee of the Whole House.

Notice required to dispense with Standing Orders

78. Except by unanimous consent of the House given in case of urgent and pressing necessity, no motion may be made to dispense with any Standing Order relating to Private Bills without due notice thereof.

Private Bill Register

79. A Private Bill Register shall be kept in the office of the Clerk of the House, in which shall be entered, by the Clerk appointed for that purpose, the name, description, and place of residence of the parties applying for the Bill, or of their agent, and all the proceedings thereon, such register to be open to public inspection daily, during office hours.

Parliamentary Agents

80. (a) Every Parliamentary Agent conducting proceedings before the House is personally responsible to the House and to the Speaker for the observance of the Standing Orders and Practices of Parliament, and also for the payment of all fees and charges.

Misconduct of Agent

(b) Any agent who wilfully acts in violation of the Standing Orders and Practices of Parliament, or who wilfully misconducts himself in prosecuting any proceedings before the House, is liable to an absolute or temporary prohibition to practise as a Parliamentary Agent, at the pleasure of the Speaker.

RODERICK LEWIS, Q.C.,
Clerk of the Legislative Assembly of Ontario.

Petitions to Parliament

Extract from the rules respecting the presentation of petitions

- Form

May not be signed by solicitor. Exceptions

Members responsible for contents

No petitions for expenditure of public funds
29. (c) Petitions may be either written or printed and only the original, properly signed, and addressed to the Lieutenant Governor and the Legislative Assembly need be presented.

(d) Petitions may not be signed by a solicitor as such, unless he is acting for a petitioner unable to sign due to absence from the Province or illness, and only then if the solicitor holds a Power of Attorney to be produced to the Clerk of the House if required.

(e) Members presenting petitions are answerable that they do not contain any improper matter.

(f) No petition can be received which prays for any expenditure, grant or charge on the public revenue, whether payable out of the Consolidated Revenue Fund, or out of moneys to be provided by the House.

SAMPLE FORM FOR PETITIONS

To the Honourable the Lieutenant Governor and the
Legislative Assembly of Ontario:

We, the undersigned, beg leave to petition the Parliament of Ontario,
as follows:

NOTE: The subject of the Petition must relate to a grievance within the competence of the Assembly to remedy **and must not pray for any expenditure, grant or charge on the public revenue.**

The Member of the House presenting the Petition for the petitioners must endorse his name thereon and be answerable that it contain no improper matter.

(1574) T.F.N.

RODERICK LEWIS, Q.C.,
Clerk of the Legislative Assembly of Ontario.

THE SECURITIES ACT, 1978

O. Reg. 602/79.
General.
Made—August 15th, 1979.
Filed—August 21st, 1979.

REGULATION TO AMEND
ONTARIO REGULATION 478/79
MADE UNDER
THE SECURITIES ACT, 1978

1. Section 8 of Ontario Regulation 478/79 is revoked and the following substituted therefor:
8. The interim financial statements under subsection 1 of section 76 of the Act shall present financial information for the current fiscal year to the date to which the financial statements are prepared and may include as additional information, financial information for the most recent three-month period to the date to which the financial statements are prepared, and which may be comparative for the corresponding three-month period in the last financial year. O. Reg. 602/79, s. 1.
2. Section 21 of the said Regulation is amended by adding thereto the following subsections:
- (4) The statement referred to in subsection 3 may include an explanatory comment substantially to the following effect:
- “In making this statement, we point out that we are expressing an expert opinion in accordance with generally accepted auditing standards only with respect to the financial statements upon which we have reported and with respect to.....
(list specific disclosures in the prospectus document by title and page reference)
.....which are derived from such audited financial statements. Our opinion on other matters is based on the knowledge possessed by or information known to those partners who have been directly involved in our examination and is not based on any special verification procedures for the purpose of making this statement.”
- (5) Where a solicitor, auditor, accountant, engineer, appraiser or other person or company referred to in subsection 1,
- (a) has received or expects to receive any interest, whether direct or indirect, in the property of the issuer or any associate or affiliate of the issuer; or
- (b) beneficially owns, directly or indirectly, any securities of the issuer or any associate or affiliate of the issuer,

the interest or ownership shall be disclosed in the prospectus.

(6) Where a person or company referred to in subsection 1 is or is expected to be elected, appointed or employed as a director, officer or employee of the issuer or any associate or affiliate of the issuer, the fact or expectation shall be disclosed in the prospectus. O. Reg. 602/79, s. 2.

3. Section 77 of the said Regulation is revoked and the following substituted therefor:

77. The interim financial statements under subsection 2 of section 76 of the Act shall present at least the financial information for the current fiscal year to the date to which the financial statements are prepared and, in addition, may include comparative financial information for the corresponding six-month period in the last financial year. O. Reg. 602/79, s. 3.

4. Clause *b* of section 113 of the said Regulation is revoked and the following substituted therefor:

(*b*) an applicant for registration as,

(i) a salesman, or

(ii) a partner or officer of a registered dealer or a registered adviser,

shall complete and execute Form 4, unless the information required by Form 4 has

previously been filed by the applicant and the information as previously filed is current and correct as of the date of the application.

5.—(1) Clause *b* of section 144 of the said Regulation is revoked and the following substituted therefor:

(*b*) subject to clause *c*, every document required or permitted to be filed with the Commission by a company or person, other than an individual, that is required to be signed or certified, shall be manually signed by an officer or director of the company or person or, subject to clause *d*, by the attorney or agent of such person or company and shall include below the signature the name of the officer, director, attorney or agent in typewritten or printed form.

(2) Clause *d* of the said section 144 is revoked and the following substituted therefor:

(*d*) where a document required or permitted to be filed with the Commission by an individual, company or person has been executed by an attorney or agent of the individual, company or person, a duly completed power of attorney or document of authority authorizing the signing of the document shall be filed with the document unless the Director permits the filing of the document without the power of attorney or document of authority.

6.—(1) Item 6 of Form 4 of the said Regulation is revoked and the following substituted therefor:

6. PHOTOGRAPH:

Instruction: Attach hereto two copies of a black and white photograph, full face, showing a true likeness of the applicant as the applicant now appears and taken within the last 6 months; they must measure 2" × 2" and bear on the back the date on which the photograph was taken and for identification purposes, the signature of the applicant and that of the Commissioner for Oaths or that of an officer, director, partner or branch manager of the sponsoring firm.

(2) Subitem C of item 12 of the said Form 4 is revoked and the following substituted therefor:

C) Are you now or have you ever been registered or licensed, or applied for registration or a licence, under any legislation which requires registration or licensing to deal with the public, in any capacity other than trading in securities, commodities or commodity futures in any province, territory, state or country?

(3) The instruction to questions 13 to 18 contained in the said Form 4 following item 12 is revoked and the following substituted therefor:

QUESTIONS 13 TO 18

Instruction: In answering Questions 13 to 18, and particularly Question 15, you may need assistance from an authorized officer of the sponsoring firm or from a legal adviser. Full details are required as attachments in respect of any question to which the applicant answers "yes". These details must include the circumstances, the relevant dates, the names of the parties involved and the final determination if known.

- (4) Subitem A of item 14 of the said Form 4 is revoked and the following substituted therefor:
- A) Ever been a member of any stock exchange, commodities exchange, commodity futures exchange, association of investment dealers, investment bankers, brokers, broker-dealers, mutual fund dealers, commodity futures dealers, investment counsel, other professional association or any similar organization in any province, territory, state or country?
- (5) The caution contained in the said Form 4 following item 26 is revoked and the following substituted therefor:

CAUTION

FILING OF ANY FALSE INFORMATION OR FAILURE TO DISCLOSE FULL INFORMATION REQUIRED BY OR ON THIS APPLICATION MAY RESULT IN ITS REJECTION OR IN DISCIPLINARY ACTION TAKEN AGAINST THE APPLICANT AND/OR THE SPONSORING FIRM WITHIN THE PROVISIONS OF THE SECURITIES LEGISLATION, REGULATIONS AND POLICY STATEMENTS OF THE SECURITIES REGULATORY AUTHORITIES AND WITHIN THE TERMS OF THE BY-LAWS, RULINGS, RULES AND/OR REGULATIONS OF ANY ONE OF THE SELF-REGULATORY BODIES TO WHICH THIS APPLICATION IS SUBMITTED, OR MAY RESULT IN A REFUSAL TO REGISTER THE APPLICANT.

- (6) The certificate to the said Form 4 entitled "Certificate of The Sponsoring Firm", as set out on page 1488 of *The Ontario Gazette*, dated July 28th, 1978, is revoked and the following substituted therefor:

CERTIFICATE OF THE SPONSORING FIRM

I, on behalf of _____ hereby certify that _____ who is applying for the registration or approval mentioned above (Question 3) will be engaged as such if he is granted the registration or approval he seeks.

I certify that I have discussed the question set out in this application with the applicant, in particular question 15, or where the applicant has applied through one of our branch offices the branch manager or another officer has so done and I am satisfied that the applicant fully understands the questions.

I further certify that, to the best of my knowledge, the applicant has answered the questions correctly.

Dated at _____ this _____ day of _____ 19 _____

By _____ for _____
(signature of authorized officer or partner of the firm) (Name of Firm)

For purposes of the applicable Securities Act, upon approval the code or symbol for identification of the applicant in a confirmation will be _____

7. Item 3 of Statement D of Form 9 of the said Regulation is revoked and the following substituted therefor:

3. The greater of,
- (a) up to the first \$20,000,000 in market value of commodity futures contracts the sum of,
- (i) 2 per cent of the market value for contracts, other than for securities, representing a long position or the total

number of commodity futures contracts, other than for securities, representing a short position in each commodity, whichever is the greater, carried for all customers' and firm accounts excluding exempted contracts, and

- (ii) 10 per cent of margin requirement for contracts for securities,

to a maximum of \$100,000; or

(b) the sum of,

- (i) ½ of 1 per cent of the market value of the total number of commodity futures contracts, other than for securities, representing a long position or the total number of commodity futures contracts, other than for securities, representing a short position in each commodity, whichever is the greater, carried for all customers' and firm accounts excluding exempted contracts, and
- (ii) 10 per cent of margin requirement for contracts for securities.

8. Instruction 4 to Item 1 of Form 12 to the said Regulation is revoked and the following substituted therefor:

- 4. If any of the securities offered are to be offered for the account of existing securityholders, refer on the first page of the prospectus to the information called for by Instruction 4 to Item 26. State the portion of the expenses of distribution to be borne by the selling securityholder.

9. Instruction 5 to Item 1 of Form 14 to the said Regulation is revoked and the following substituted therefor:

- 5. If any of the securities offered are to be offered for the account of existing securityholders, refer on the first page of the prospectus to the information called for by Instruction 4 to Item 26. State the portion of the expenses of distribution to be borne by the selling securityholder. State that the securities of the selling securityholder will not be sold until distribution of the issuer's securities is completed.

10. Schedule 1 to Form 19 of the said Regulation is revoked and the following substituted therefor:

SCHEDULE 1 TO FORM 19

THE SECURITIES ACT, 1978

WRITTEN UNDERTAKING TO BE OBTAINED FROM EACH PURCHASER IF ALTERNATIVE (a) IN QUESTION FOUR OF FORM 19 IS SELECTED.

To:
(name of vendor — please print)

We confirm that the sale to us of the following securities:

.....
(description of securities)

was made in reliance on certain exemptions contained in The Securities Act, 1978. We hereby certify and confirm that,

- (a) the purchase was made as principal for investment only and not with a view to resale, distribution or distribution to the public before March 15, 1981;

- (b) in the event of any resale, distribution or distribution to the public prior to March 15, 1981, we will within 10 days of such resale, distribution or distribution to the public file with the Ontario Securities Commission a notice of such resale in the form of Schedule 3 to Form 19; and
- (c) any resale effected on or after March 15, 1981, will be made in compliance with the requirements of The Securities Act, 1978.

We further acknowledge that certificates representing the securities purchased are endorsed with the following statement:

NO TRANSFER OF THESE SECURITIES MAY BE MADE PRIOR TO MARCH 15, 1981 UNLESS A FORM PROVIDING PRESCRIBED INFORMATION IS DELIVERED WITHIN TEN DAYS AFTER THE TRANSFER TO THE ONTARIO SECURITIES COMMISSION PURSUANT TO THE SECURITIES ACT, 1978.

THE COMMODITY FUTURES ACT, 1978

O. Reg. 603/79.
General.
Made—August 15th, 1979.
Filed—August 21st, 1979.

REGULATION TO AMEND
ONTARIO REGULATION 430/79
MADE UNDER
THE COMMODITY FUTURES ACT, 1978

1. Subsection 4 of section 3 of Ontario Regulation 430/79 is revoked and the following substituted therefor:

(4) Where a document required or permitted to be filed with the Commission by any person or company has been executed by an attorney or agent of the person or company, a duly completed power of attorney or document of authority authorizing the signing of the document shall be filed with the document unless the Director permits the filing of the document without the power of attorney or document of authority. O. Reg. 603/79, s. 1.
2. Paragraph 3 of subsection 1 of section 8 of the said Regulation is revoked and the following substituted therefor:

3. Non-resident carrying broker but only a person or company not resident in Ontario, who is registered as a futures commission merchant with the Commodity Futures Trading Commission under the *Commodity Exchange Act* (U.S.) and who is a clearing member of an exchange recognized by the Commission under section 34 of the Act or designated as a contract market under the *Commodity Exchange Act* (U.S.) may elect to be classified in this category.
3. Subsection 1 of section 33 of the said Regulation is revoked and the following substituted therefor:

(1) Subject to subsection 2, the segregation of money, securities, property, proceeds or funds required by section 46 of the Act may be satisfied by the deposit of such money, securities, property, proceeds or funds with a registered futures commission merchant or a clearing member of a commodity futures exchange recognized or registered by the Commission or designated by the

Commodity Futures Trading Commission as a contract market under the *Commodity Exchange Act* (U.S.) to margin, guarantee or secure the trades or contracts of the customers of a registered dealer. O. Reg. 603/79, s. 3.

4. This Regulation comes into force on the 1st day of September, 1979.

THE PRIVATE VOCATIONAL SCHOOLS ACT, 1974

O. Reg. 604/79.

General.

Made—August 1st, 1979.

Filed—August 23rd, 1979.

REGULATION TO AMEND ONTARIO REGULATION 881/74 MADE UNDER THE PRIVATE VOCATIONAL SCHOOLS ACT, 1974

1. Section 1 of Ontario Regulation 881/74, as amended by section 1 of Ontario Regulation 906/75 and section 1 of Ontario Regulation 485/77, is further amended by relettering clauses *a*, *b* and *c* as *b*, *c* and *d*, respectively, and by adding thereto the following clause:

- (a) "branch" or "branch school" includes a franchise or franchised school;

2. Subsections 1 and 2 of section 4 of the said Regulation, as remade by section 3 of Ontario Regulation 485/77, are revoked and the following substituted therefor:

(1) Subject to subsections 2 and 2a, the fee payable by a person making application for registration or renewal of registration to conduct or operate a private vocational school is,

- (a) for one course of instruction, \$120;
- (b) for each additional course of instruction, \$10; and
- (c) for each branch school, \$120.

(2) The maximum fee payable by a person making application for registration or renewal of registration to conduct or operate a private vocational school under subsection 1 is \$300.

(2a) In addition to the fees mentioned in subsection 1, the Superintendent shall, except on an application for an original registration, require an applicant to pay an additional fee of \$50 where the Superintendent is

required to conduct an evaluation of a new course of instruction proposed by a private vocational school. O. Reg. 604/79, s. 2.

3. Section 5 of the said Regulation, as amended by section 3 of Ontario Regulation 906/75, is revoked and the following substituted therefor:

5.—(1) No private vocational school shall employ a teacher at the private vocational school unless the teacher has submitted to the private vocational school a completed personal data in a form provided by the Superintendent.

(2) Every teacher at a private vocational school shall be twenty-one years of age or over and shall,

- (a) be the holder of a degree of Bachelor of Arts or Bachelor of Science from a Canadian university or a degree the equivalent thereto from a university other than a Canadian university and have twelve months actual occupational experience in the vocation or occupation for which instruction is to be given by such teacher;
- (b) be a graduate of a college of applied arts and technology established under *The Ministry of Colleges and Universities Act, 1971* and have twenty-four months actual occupational experience in the vocation or occupation for which instruction is to be given by such teacher;
- (c) be a graduate of a private vocational school registered under this Act or a predecessor of this Act and have twenty-four months actual occupational experience in the vocation or occupation for which instruction is to be given by such teacher;
- (d) be a graduate of a teachers' college established under *The Education Act, 1974* and have twelve months actual occupational experience in the vocation or occupation for which instruction is to be given by such teacher;
- (e) have thirty-six months of teaching experience in the vocation or occupation for which instruction is to be given by such teacher; or
- (f) have forty-eight months actual occupational experience in the vocation or occupation for which instruction is to be given by such teacher. O. Reg. 604/79, s. 3.

4. Section 5a of the said Regulation, as made by section 4 of Ontario Regulation 906/75, is revoked and the following substituted therefor:

5a. Notwithstanding the provisions of subsection 2 of section 5, the Superintendent may approve the employment of any teacher at a private vocational school who in the opinion of the Superintendent is proficient in the subject or subjects which that person

proposes to teach at the private vocational school or who in the opinion of the Superintendent is proficient in the vocation or occupation for which instruction is to be given by such teacher. O. Reg. 604/79, s. 4.

5. Clause *a* of subsection 2 of section 6 of the said Regulation is revoked and the following substituted therefor:

(a) in a form provided by the Superintendent;

6. Clauses *a*, *b* and *c* of subsection 3 of section 8 of the said Regulation, as remade by section 6 of Ontario Regulation 906/75, are revoked and the following substituted therefor:

(a) a bond of a guarantee company approved under *The Guarantee Companies Securities Act*;

(b) a personal bond accompanied by collateral security; or

(c) a bond of a guarantor, other than a guarantee company, accompanied by collateral security,

in a form provided by the Superintendent.

7. Subsection 2 of section 13 of the said Regulation is revoked and the following substituted therefor:

(2) The registrant of a private vocational school shall post a sheet or card supplied by the Ministry of Colleges and Universities in a conspicuous place in the private vocational school premises which is readily accessible to students setting out the provisions of sections 19, 20, 21, 23 and 23*a* of the Regulation.

(3) Where the registrant of a private vocational school is offering a course of instruction by correspondence the registrant shall forward to each person who has contracted for such correspondence course a copy of the sheet or card referred to in subsection 2. O. Reg. 604/79, s. 7.

8. Section 18 of the said Regulation, as remade by section 3 of Ontario Regulation 693/78, is revoked and the following substituted therefor:

18. Every contract for a course of instruction at a private vocational school shall set out either in the body of the contract or on a separate sheet that is annexed and forms part of the contract,

(a) a statement in bold face type that,

(i) the private vocational school is prohibited by law from guaranteeing a position to any student or prospective student, and

(ii) the contract is subject to *The Private Vocational Schools Act*, 1974 and the regulations made thereunder; and

(b) sections 19, 20, 21, 23 and 23*a* or a statement in bold face type that where a student has contracted for a course of instruction and gives notice to the private vocational school of his intention to cancel the contract, the private vocational school is entitled to retain the registration fee and a proportion of the fees for the whole course of instruction as provided for by sections 19, 20, 21, 23 and 23*a* of the regulations made under *The Private Vocational Schools Act*, 1974. O. Reg. 604/79, s. 8.

9. Section 22 of the said Regulation is revoked and the following substituted therefor:

22.—(1) Where a person has contracted for a course of instruction that is not by way of correspondence at a private vocational school and exercises his option to void the contract under section 17 prior to the date upon which the first class is held in respect of any subject of the course of instruction, the private vocational school shall, except as provided in clause *e* of subsection 1 of section 20, refund any money paid by or on behalf of the student for or on account of fees for the course of instruction, including the registration fee under section 19.

(2) Where a person has contracted for a course of instruction that is not by way of correspondence at a private vocational school and fails to exercise his option to void a contract under section 17 prior to the date upon which the first class is held, clauses *d* and *e* of subsection 1 of section 20 shall apply in respect of any subsequent exercise of the option notwithstanding that the student may not have participated in the course of instruction, except that the owner of the private vocational school is not entitled to retain the registration fee under section 19.

(3) Where a person has contracted for a correspondence course at a private vocational school and exercises his option to void the contract under section 17 before returning a part of the course of instruction for the purpose of marking, and notwithstanding that one or more lessons may have been delivered by the private vocational school to the person, the private vocational school shall, except as provided in clause *c* of subsection 1 of section 20, refund any money paid by or on behalf of the student for or on account of fees for the course of instruction including the registration fee under section 19.

(4) Where a person has contracted for a correspondence course at a private vocational school and exercises his option to void a contract under section 17 after part of the course of instruction has been supplied and serviced, clauses *d* and *e* of subsection 1 of section 20 shall apply except that the owner of the private vocational school is not entitled to retain the registration fee under section 19. O. Reg. 604/79, s. 9.

10. The said Regulation is amended by adding thereto the following section:

CERTIFICATE AND DIPLOMAS

26a.—(1) Where a student has enrolled in a private vocational school for the purpose of qualifying in a specific subject and the student successfully completes the course of studies for that subject, the school shall issue the student a certificate to evidence the successful completion of the course of studies for that subject.

(2) Where a student has enrolled in a whole course of instruction in any vocation and the student successfully completes the course of studies for that vocation, the school shall issue the student a diploma to evidence the successful completion of the course of instruction.

(3) Where a student has enrolled in a whole course of instruction in a vocation but fails to meet the passing standards of the course, a student will be entitled to receive, on request, from the school a transcript of marks. O. Reg. 604/79, s. 10.

11. Forms 2, 3, 4, 5 and 6 of the said Regulation are revoked. O. Reg. 604/79, s. 11.

THE OFFICIAL NOTICES PUBLICATION ACT

O. Reg. 605/79.

Rates.

Made—July 11th, 1979.

Filed—August 23rd, 1979.

REGULATION MADE UNDER
THE OFFICIAL NOTICES PUBLICATION
ACT

RATES

1.—(1) The rates payable for publication of matters in *The Ontario Gazette* are,

(a) on the first insertion, for a double-column insertion of,

(i) a notice of the sale of land for arrears of taxes, \$6.25, plus \$3.75 for each six millimetres of columnar space or fraction thereof for a list of land liable to be sold for arrears of taxes, and

(ii) all other matter where the matter does not exceed twenty-five millimetres of columnar space, \$15, and where the matter exceeds twenty-five millimetres of columnar space, \$15 plus \$3.75 for each six millimetres or fraction thereof of columnar space in excess of twenty-five millimetres;

(b) on each additional insertion of a matter referred to in clause *a*, one-half of the rate payable under subclause i or ii of clause *a*, as the case may be;

(c) on the first insertion, for a single-column insertion of all other matter,

(i) where the matter does not exceed twenty-five millimetres of columnar space, \$7.50, and

(ii) where the matter exceeds twenty-five millimetres of columnar space, \$7.50 plus \$1.90 for each six millimetres or fraction thereof of columnar space in excess of twenty-five millimetres; and

(d) on each additional insertion of a matter referred to in clause *c*, one-half of the rate payable under subclause i or ii of clause *c*, as the case may be.

(2) The rates in subsection 1 shall be paid as follows:

1. Upon submitting the copy of a matter for publication,

(a) \$6.25 for the first insertion of a matter referred to in subclause i of clause *a* of subsection 1;

(b) \$15 for the first insertion of a matter referred to in subclause ii of clause *a* of subsection 1; and

(c) \$7.50 for the first insertion of a matter referred to in clause *c* of subsection 1.

2. The balance upon receipt of an account from the Queen's Printer and Publisher. O. Reg. 605/79, s. 1.

2.—(1) The rates payable for copies of *The Ontario Gazette* are,

(a) by subscribers for a subscription of fifty-two weekly issues, \$30; and

(b) by others for a single copy, 75 cents.

(2) The rates in subsection 1 shall be paid in advance. O. Reg. 605/79, s. 2.

3. Regulation 623 of Revised Regulations of Ontario, 1970 and Ontario Regulations 499/72 and 224/79 are revoked. O. Reg. 605/79, s. 3.

THE PARKWAY BELT PLANNING AND DEVELOPMENT ACT, 1973

O. Reg. 606/79.

County of Halton (now The Regional Municipality of Halton), City of Burlington.

Made—August 16th, 1979.

Filed—August 23rd, 1979.

REGULATION TO AMEND
ONTARIO REGULATION 482/73
MADE UNDER
THE PARKWAY BELT PLANNING AND
DEVELOPMENT ACT, 1973

1. Ontario Regulation 482/73 is amended by adding thereto the following section:

76. Notwithstanding any other provision of this Order, the land described in Schedule 64 may be used for the erection and use thereon of a single-family dwelling and buildings and structures accessory thereto provided the following requirements are met:

Minimum distance between the dwelling and No. 1 sideroad 30 feet

Minimum distance between the dwelling and the southwesterly limit of Lot 2 15 feet

Maximum height of dwelling 30 feet

Minimum distance between the dwelling and the centre line of the Canadian National Railways measured at right angles to the said Canadian National Railways 300 feet

O. Reg. 606/79, s. 1.

2. The said Regulation is further amended by adding thereto the following Schedule:

Schedule 64

That parcel of land situate in the City of Burlington in The Regional Municipality of Halton, being composed of that part of Lot 2 in Concession I, north of Dundas Street, more particularly described as follows:

Premising that the northwesterly limit of the said Lot 2 has a bearing of north 38° 18' 50" east and relating all bearings herein thereto;

Beginning at the most westerly angle of the said Lot;

Thence south 45° 13' 50" east along the southwesterly limit of the said Lot a distance of 620.62 feet to an iron bar planted;

Thence south 45° 54' 50" east continuing along the said southwesterly limit a distance of 56.23 feet to an iron bar planted at the point of intersection thereof with the westerly limit of the lands of the Canadian National Railway;

Thence on a curve to the right having a radius of 5,769.65 feet, being along the westerly limit of the lands of the Canadian National Railway, an arc distance of 313.74 feet to an iron bar planted, the chord of which said arc distance has a bearing of north 6° 04' 48" west and a length of 313.7 feet;

Thence continuing along the said limit of the said Canadian National Railway on a bearing of north 4° 31' 20" west a distance of 661.36 feet to an iron bar planted in the southeasterly limit of the road allowance between concessions I and II, north of Dundas Street;

Thence south 38° 18' 50" west along the southeasterly limit of the said road allowance, being the northwesterly limit of the said Lot 2, a distance of 633 feet, more or less, to the place of beginning. O. Reg. 606/79, s. 2.

CLAUDE BENNETT
Minister of Housing

Dated at Toronto, this 16th day of August, 1979.

- 3.—(1) Paragraph 38 of Schedule 47 to the said Regulation, as made by section 9 of Ontario Regulation 267/76, is revoked.

- (2) Paragraph 98 of the said Schedule 47, as made by section 8 of Ontario Regulation 51/77, is revoked.
4. Paragraph 10 of Schedule 63 to the said Regulation, as made by subsection 4 of section 1 of Ontario Regulation 942/76, is revoked.
5. Paragraphs 1, 2, 3 and 4 of Schedule 76 to the said Regulation are revoked.
6. Schedule 77 to the said Regulation, as amended by section 14 of Ontario Regulation 447/75, is revoked.
7. Schedule 78 to the said Regulation, as amended by section 27 of Ontario Regulation 222/72, is revoked.
- 8.—(1) Paragraph 1 of Schedule 79 to the said Regulation is revoked.
- (2) Paragraph 2 of the said Schedule 79, as made by section 13 of Ontario Regulation 40/71, is revoked.
- (3) Paragraphs 3 and 4 of the said Schedule 79, as made by section 13 of Ontario Regulation 395/72, are revoked.
- 9.—(1) Paragraph 1 of Schedule 81 to the said Regulation is revoked.
- (2) Paragraph 2 of the said Schedule 81, as made by section 7 of Ontario Regulation 329/71, is revoked.
- (3) Paragraph 5 of the said Schedule 81, as made by section 16 of Ontario Regulation 293/75, is revoked.
- (4) Paragraphs 6 and 7 of the said Schedule 81, as made by section 12 of Ontario Regulation 426/76, are revoked.
- (5) Paragraphs 8 and 9 of the said Schedule 81, as made by section 13 of Ontario Regulation 51/77, are revoked.
- 10.—(1) Paragraph 1 of Schedule 82 to the said Regulation is revoked.
- (2) Paragraph 2 of the said Schedule 82, as made by section 12 of Ontario Regulation 277/73, is revoked.
- 11.—(1) Paragraph 3 of Schedule 84 to the said Regulation, as made by section 18 of Ontario Regulation 75/72, is revoked.
- (2) Paragraph 4 of the said Schedule 84, as made by section 18 of Ontario Regulation 293/75, is revoked.
12. Schedule 85 to the said Regulation, as amended by section 14 of Ontario Regulation 40/71, is revoked.
13. Schedule 86 to the said Regulation, as amended by section 15 of Ontario Regulation 40/71, is revoked.
14. Paragraphs 1 and 2 of Schedule 87 to the said Regulation are revoked.
- 15.—(1) Paragraphs 1 and 2 of Schedule 88 to the said Regulation are revoked.
- (2) Paragraph 3 of the said Schedule 88, as made by section 3 of Ontario Regulation 56/73, is revoked.
- (3) Paragraphs 4 and 5 of the said Schedule 88, as made by section 13 of Ontario Regulation 277/73, are revoked.
16. Paragraph 2 of Schedule 89 to the said Regulation is revoked.
- 17.—(1) Paragraph 1 of Schedule 92 to the said Regulation is revoked.
- (2) Paragraph 4 of the said Schedule 92, as made by section 16 of Ontario Regulation 395/72, is revoked.
18. Schedule 93 to the said Regulation is revoked.
19. Schedule 94 to the said Regulation, as amended by section 8 of Ontario Regulation 329/71, is revoked.
- 20.—(1) Paragraphs 1, 2 and 3 of Schedule 95 to the said Regulation are revoked.
- (2) Paragraph 4 of the said Schedule 95, as made by section 28 of Ontario Regulation 222/72, is revoked.
- (3) Paragraph 5 of the said Schedule 95, as made by section 10 of Ontario Regulation 429/73, is revoked.
- 21.—(1) Paragraph 1 of Schedule 96 to the said Regulation, as made by section 17 of Ontario Regulation 40/71, is revoked.
- (2) Paragraph 2 of the said Schedule 96, as made by section 14 of Ontario Regulation 151/71, is revoked.
- (3) Paragraph 3 of the said Schedule 96, as made by section 19 of Ontario Regulation 75/72, is revoked.
- (4) Paragraph 4 of the said Schedule 96, as made by section 15 of Ontario Regulation 225/73, is revoked.

- 22.—(1) Paragraph 1 of Schedule 97 to the said Regulation is revoked.
- (2) Paragraph 2 of the said Schedule 97, as made by section 28 of Ontario Regulation 395/74, is revoked.
- (3) Paragraph 4 of the said Schedule 97, as made by section 15 of Ontario Regulation 447/75, is revoked.
- 23.—(1) Paragraphs 1, 4 and 5 of Schedule 98 to the said Regulation are revoked.
- (2) Paragraph 6 of the said Schedule 98, as made by section 20 of Ontario Regulation 75/72, is revoked.
- (3) Paragraph 7 of the said Schedule 98, as made by section 12 of Ontario Regulation 132/72, is revoked.
- (4) Paragraph 8 of the said Schedule 98, as made by section 29 of Ontario Regulation 222/72, is revoked.
- (5) Paragraph 9 of the said Schedule 98, as made by section 5 of Ontario Regulation 351/73, is revoked.
- 24.—(1) Paragraphs 1, 2 and 3 of Schedule 102 to the said Regulation are revoked.
- (2) Paragraph 4 of the said Schedule 102, as made by section 18 of Ontario Regulation 40/71, is revoked.
25. Schedule 105 to the said Regulation is revoked.
- 26.—(1) Paragraph 1 of Schedule 106 to the said Regulation is revoked.
- (2) Paragraph 2 of the said Schedule 106, as made by section 14 of Ontario Regulation 277/73, is revoked.
- (3) Paragraph 3 of the said Schedule 106, as made by section 12 of Ontario Regulation 429/73, is revoked.
- (4) Paragraph 4 of the said Schedule 106, as made by section 26 of Ontario Regulation 216/71, is revoked.
- (5) Paragraph 5 of the said Schedule 106, as made by section 31 of Ontario Regulation 395/74, is revoked.
- 27.—(1) Paragraphs 1 and 2 of Schedule 107 to the said Regulation are revoked.
- (2) Paragraph 5 of the said Schedule 107, as made by section 15 of Ontario Regulation 151/71, is revoked.
- (3) Paragraph 8 of the said Schedule 107, as made by section 14 of Ontario Regulation 51/77, is revoked.
- 28 Schedule 108 to the said Regulation is revoked.
- 29.—(1) Paragraphs 2 and 3 of Schedule 109 to the said Regulation are revoked.
- (2) Paragraphs 5 and 6 of the said Schedule 109, as made by section 18 of Ontario Regulation 395/72, are revoked.
- (3) Paragraph 7 of the said Schedule 109, as made by section 17 of Ontario Regulation 225/73, is revoked.
- (4) Paragraph 10 of the said Schedule 109, as made by section 11 of Ontario Regulation 291/77, is revoked.
- 30.—(1) Paragraphs 1 and 2 of Schedule 110 to the said Regulation are revoked.
- (2) Paragraph 4 of the said Schedule 110, as made by section 17 of Ontario Regulation 151/71, is revoked.
- 31.—(1) Paragraphs 1, 3, 4, 5 and 6 of Schedule 112 to the said Regulation are revoked.
- (2) Paragraph 8 of the said Schedule 112, as made by section 28 of Ontario Regulation 216/71, is revoked.
- (3) Paragraph 9 of the said Schedule 112, as made by section 33 of Ontario Regulation 222/72, is revoked.
- (4) Paragraph 10 of the said Schedule 112, as made by section 18 of Ontario Regulation 225/73, is revoked.
- (5) Paragraph 11 of the said Schedule 112, as made by section 23 of Ontario Regulation 293/75, is revoked.
- 32.—(1) Paragraphs 2, 3, 5 and 6 of Schedule 113 to the said Regulation are revoked.
- (2) Paragraph 7 of the said Schedule 113, as made by section 21 of Ontario Regulation 40/71, is revoked.
- (3) Paragraph 8 of the said Schedule 113, as made by section 6 of Ontario Regulation 257/71, is revoked.
- (4) Paragraph 9 of the said Schedule 113, as made by section 14 of Ontario Regulation 132/72, is revoked.
- (5) Paragraph 10 of the said Schedule 113, as made by section 19 of Ontario Regulation 395/72, is revoked.

- (6) Paragraph 14 of the said Schedule 113, as made by subsection 2 of section 16 of Ontario Regulation 613/74, is revoked.
- (7) Paragraph 16 of the said Schedule 113, as made by section 18 of Ontario Regulation 447/75, is revoked.
- 33. Paragraph 2 of Schedule 114 to the said Regulation, as made by section 20 of Ontario Regulation 151/71, is revoked.
- 34. Paragraph 2 of Schedule 115 to the said Regulation, as made by section 21 of Ontario Regulation 151/71, is revoked.
- 35.—(1) Paragraphs 5, 6 and 7 of Schedule 116 to the said Regulation, as made by section 20 of Ontario Regulation 395/72, are revoked.
- (2) Paragraph 9 of the said Schedule 116, as made by section 6 of Ontario Regulation 351/73, is revoked.
- 36.—(1) Paragraphs 3, 5 and 6 of Schedule 117 to the said Regulation are revoked.
- (2) Paragraphs 8, 9 and 10 of the said Schedule 117, as made by section 30 of Ontario Regulation 216/71, are revoked.
- 37. Schedule 120 to the said Regulation, as amended by section 37 of Ontario Regulation 395/74, is revoked.
- 38. Schedule 121 to the said Regulation, as amended by section 22 of Ontario Regulation 40/71, section 23 of Ontario Regulation 179/71, section 21 of Ontario Regulation 395/72, and section 7 of Ontario Regulation 351/73, is revoked.
- 39. Paragraph 1 of Schedule 124 to the said Regulation is revoked.
- 40.—(1) Paragraphs 1, 2 and 3 of Schedule 126 to the said Regulation are revoked.
- (2) Paragraph 4 of the said Schedule 126, as made by section 22 of Ontario Regulation 75/72, is revoked.
- (3) Paragraphs 5, 6 and 7 of the said Schedule 126, as made by section 15 of Ontario Regulation 132/72, are revoked.
- 41. Schedule 127 to the said Regulation is revoked.
- 42. Paragraph 1 of Schedule 128 to the said Regulation, as made by section 31 of Ontario Regulation 216/71, is revoked.
- 43. Paragraphs 1, 2 and 3 of Schedule 129 to the said Regulation are revoked.
- 44. Paragraph 1 of Schedule 130 to the said Regulation, as made by section 19 of Ontario Regulation 225/73, is revoked.
- 45. Paragraph 1 of Schedule 131 to the said Regulation, as made by section 15 of Ontario Regulation 277/73, is revoked.
- 46. Schedule 132 to the said Regulation, as amended by section 24 of Ontario Regulation 151/71, is revoked.
- 47. Schedule 134 to the said Regulation, as amended by section 25 of Ontario Regulation 151/71, is revoked.
- 48. Paragraph 1 of Schedule 136 to the said Regulation is revoked.
- 49.—(1) Paragraphs 1 and 2 of Schedule 137 to the said Regulation are revoked.
- (2) Paragraph 3 of the said Schedule 137, as made by section 22 of Ontario Regulation 395/72, is revoked.
- 50. Schedule 138 to the said Regulation, as amended by section 24 of Ontario Regulation 40/71, section 26 of Ontario Regulation 151/71 and section 20 of Ontario Regulation 225/73, is revoked.
- 51. Schedule 139 to the said Regulation, as amended by section 25 of Ontario Regulation 40/71 and section 21 of Ontario Regulation 225/73, is revoked.
- 52. Schedule 140 to the said Regulation, as amended by section 27 of Ontario Regulation 151/71 and section 22 of Ontario Regulation 225/73, is revoked.
- 53. Schedules 141, 142, 143, 144 and 145 to the said Regulation are revoked.
- 54.—(1) Paragraphs 1, 2 and 3 of Schedule 146 to the said Regulation, as made by section 9 of Ontario Regulation 329/71, are revoked.
- (2) Paragraph 4 of the said Schedule 146, as made by section 23 of Ontario Regulation 225/73, is revoked.
- 55. Paragraph 1 of Schedule 147 to the said Regulation is revoked.
- 56. Schedule 150 to the said Regulation, as amended by section 23 of Ontario Regulation 395/72, is revoked.
- 57.—(1) Paragraph 1 of Schedule 151 to the said Regulation is revoked.
- (2) Paragraph 2 of the said Schedule 151, as made by section 3 of Ontario Regulation 663/73, is revoked.

58. Paragraph 1 of Schedule 152 to the said Regulation is revoked.
59. Schedule 153 to the said Regulation, as amended by section 2 of Ontario Regulation 531/72, is revoked.
60. Schedule 155 to the said Regulation is revoked.
- 61.—(1) Paragraph 1 of Schedule 156 to the said Regulation is revoked.
- (2) Paragraph 2 of the said Schedule 156, as made by section 28 of Ontario Regulation 151/71, is revoked.
- 62.—(1) Paragraphs 1, 2, 4, 5 and 6 of Schedule 157 to the said Regulation are revoked.
- (2) Paragraphs 7, 8 and 9 of the said Schedule 157, as made by section 32 of Ontario Regulation 216/71, are revoked.
- (3) Paragraph 10 of the said Schedule 157, as made by section 23 of Ontario Regulation 75/72, is revoked.
- 63.—(1) Paragraph 1 of Schedule 158 to the said Regulation is revoked.
- (2) Paragraph 3 of the said Schedule 158, as made by section 33 of Ontario Regulation 216/71, is revoked.
64. Schedule 161 to the said Regulation is revoked.
65. Schedule 163 to the said Regulation, as amended by section 34 of Ontario Regulation 222/72, is revoked.
66. Schedule 164 to the said Regulation, as amended by section 25 of Ontario Regulation 225/73, is revoked.
- 67.—(1) Paragraph 1 of Schedule 165 to the said Regulation is revoked.
- (2) Paragraph 2 of the said Schedule 165, as made by section 27 of Ontario Regulation 40/71, is revoked.
- (3) Paragraph 3 of the said Schedule 165, as made by section 26 of Ontario Regulation 225/73, is revoked.
- 68.—(1) Paragraph 1 of Schedule 166, to the said Regulation, as made by section 27 of Ontario Regulation 225/73, is revoked.
- (2) Paragraphs 2 and 3 of the said Schedule 166, as made by section 10 of Ontario Regulation 329/71, are revoked.
- 69.—(1) Paragraph 1 of Schedule 167 to the said Regulation, as remade by section 24 of Ontario Regulation 395/72, is revoked.
- (2) Paragraph 2 of the said Schedule 167 is revoked.
70. Schedule 168 to the said Regulation, as amended by section 29 of Ontario Regulation 151/71 and section 24 of Ontario Regulation 75/72, is revoked.
- 71.—(1) Paragraph 1 of Schedule 172 to the said Regulation is revoked.
- (2) Paragraph 4 of the said Schedule 172, as made by section 11 of Ontario Regulation 329/71, is revoked.
72. Schedule 173 to the said Regulation is revoked.
- 73.—(1) Paragraph 1 of Schedule 175 to the said Regulation is revoked.
- (2) Paragraph 2 of the said Schedule 175, as made by section 25 of Ontario Regulation 395/72, is revoked.
- 74.—(1) Paragraph 6 of Schedule 177 to the said Regulation, as made by section 36 of Ontario Regulation 216/71, is revoked.
- (2) Paragraph 7 of the said Schedule 177, as made by section 26 of Ontario Regulation 395/72, is revoked.
75. Schedule 179 to the said Regulation, as amended by section 30 of Ontario Regulation 151/71, is revoked.
76. Schedules 180 and 181 to the said Regulation are revoked.
- 77.—(1) Paragraph 1 of Schedule 184 to the said Regulation, as made by section 17 of Ontario Regulation 277/73, is revoked.
- (2) Paragraph 2 of the said Schedule 184, as made by section 36 of Ontario Regulation 222/72, is revoked.
78. Schedule 185 to the said Regulation is revoked.
79. Schedule 186 to the said Regulation, as amended by section 37 of Ontario Regulation 222/72 and section 18 of Ontario Regulation 277/73, is revoked.
80. Schedules 188, 189, 190 and 191 to the said Regulation, as made by section 28 of Ontario Regulation 40/71, are revoked.
81. Schedule 192 to the said Regulation, as made by section 28 of Ontario Regulation 40/71 and amended by section 28 of Ontario Regulation 225/73, is revoked.
82. Paragraph 1 of Schedule 193 to the said Regulation, as made by section 28 of Ontario Regulation 40/71, is revoked.

83. Schedules 194 and 195 to the said Regulation, as made by section 28 of Ontario Regulation 40/71, are revoked.
84. Schedule 196 to the said Regulation, as made by section 32 of Ontario Regulation 151/71, is revoked.
- 85.—(1) Paragraph 1 of Schedule 197 to the said Regulation, as made by section 32 of Ontario Regulation 151/71, is revoked.
(2) Paragraph 2 of the said Schedule 197, as made by section 29 of Ontario Regulation 225/73, is revoked.
86. Schedule 198 to the said Regulation, as made by section 32 of Ontario Regulation 151/71, is revoked.
87. Schedule 199 to the said Regulation, as made by section 37 of Ontario Regulation 216/71 and amended by section 6 of Ontario Regulation 798/74, is revoked.
- 88.—(1) Paragraph 1 of Schedule 200 to the said Regulation, as made by section 37 of Ontario Regulation 216/71, is revoked.
(2) Paragraph 2 of the said Schedule 200, as made by section 38 of Ontario Regulation 222/72, is revoked.
(3) Paragraph 3 of the said Schedule 200, as made by section 27 of Ontario Regulation 395/72, is revoked.
(4) Paragraphs 6 and 7 of the said Schedule 200, as made by section 19 of Ontario Regulation 277/73, are revoked.
89. Schedule 201 to the said Regulation, as made by section 37 of Ontario Regulation 216/71, is revoked.
90. Schedule 202 to the said Regulation, as made by section 37 of Ontario Regulation 216/71 and amended by section 39 of Ontario Regulation 222/72 and section 28 of Ontario Regulation 395/72, is revoked.
91. Paragraphs 1 and 2 of Schedule 203 to the said Regulation, as made by section 37 of Ontario Regulation 216/71, are revoked.
92. Schedule 204 to the said Regulation, as made by section 37 of Ontario Regulation 216/71 and amended by section 4 of Ontario Regulation 531/72, is revoked.
93. Schedule 205 to the said Regulation, as made by section 7 of Ontario Regulation 257/71 and amended by section 40 of Ontario Regulation 222/72, is revoked.
94. Paragraph 1 of Schedule 206 to the said Regulation, as made by section 7 of Ontario Regulation 257/71, is revoked.
- 95.—(1) Paragraph 1 of Schedule 207 to the said Regulation, as made by section 12 of Ontario Regulation 329/71, is revoked.
(2) Paragraph 2 of the said Schedule 207, as made by section 41 of Ontario Regulation 222/72, is revoked.
96. Paragraph 1 of Schedule 209 to the said Regulation, as made by section 12 of Ontario Regulation 329/71 is revoked.
97. Schedule 210 to the said Regulation, as made by section 2 of Ontario Regulation 361/71, is revoked.
98. Schedules 211, 212 and 213 to the said Regulation, as made by section 8 of Ontario Regulation 510/71, are revoked.
99. Paragraph 1 of Schedule 214 to the said Regulation, as made by section 8 of Ontario Regulation 510/71, is revoked.
100. Schedules 215, 216, 217 and 218 to the said Regulation, as made by section 42 of Ontario Regulation 222/72, are revoked.
- 101.—(1) Paragraphs 1 and 2 of Schedule 219 to the said Regulation, as made by section 29 of Ontario Regulation 395/72, are revoked.
(2) Paragraph 3 of the said Schedule 219, as made by section 44 of Ontario Regulation 395/74, is revoked.
102. Schedules 220 and 221 to the said Regulation, as made by section 29 of Ontario Regulation 395/72, are revoked.
103. Schedule 222 to the said Regulation, as made by section 5 of Ontario Regulation 531/72, is revoked.
104. Schedules 223, 224, 225, 226, 227, 228 and 229 to the said Regulation, as made by section 30 of Ontario Regulation 225/73, are revoked.
105. Schedule 230 to the said Regulation, as made by section 20 of Ontario Regulation 277/73 and amended by section 26 of Ontario Regulation 447/75, is revoked.
106. Schedule 231 to the said Regulation, as made by section 20 of Ontario Regulation 277/73 and amended by section 45 of Ontario Regulation 395/74, is revoked.
107. Schedule 232 to the said Regulation, as made by section 9 of Ontario Regulation 351/73 and

- amended by section 4 of Ontario Regulation 663/73, is revoked.
108. Schedule 235 to the said Regulation, as made by section 5 of Ontario Regulation 663/73 and amended by section 19 of Ontario Regulation 613/74, is revoked.
- 109.—(1) Paragraph 1 of Schedule 236 to the said Regulation, as made by section 5 of Ontario Regulation 663/73, is revoked.
- (2) Paragraph 4 of the said Schedule 236, as made by section 10 of Ontario Regulation 258/77, is revoked.
110. Schedule 237 to the said Regulation, as made by section 5 of Ontario Regulation 663/73, is revoked.
111. Paragraph 1 of Schedule 239 to the said Regulation, as made by section 47 of Ontario Regulation 395/74, is revoked.
112. Schedule 255 to the said Regulation, as made by section 18 of Ontario Regulation 426/76, is revoked.

THE HIGHWAY TRAFFIC ACT

O. Reg. 608/79.
Construction Zones.
Made—August 21st, 1979.
Filed—August 23rd, 1979.

REGULATION TO AMEND
REGULATION 411 OF REVISED
REGULATIONS OF ONTARIO, 1970
MADE UNDER
THE HIGHWAY TRAFFIC ACT

1. Schedule 92 to Regulation 411 of Revised Regulations of Ontario, 1970 is amended by adding thereto the following paragraph:
7. That part of the King's Highway known as No. 560 lying between a point situate at its intersection with the King's Highway known as No. 144 in the Township of Invergarry in the Territorial District of Sudbury and a point situate at its intersection with the King's Highway known as No. 65 in the Township of James in the Territorial District of Timiskaming.

2. Schedule 137 to the said Regulation is amended by adding thereto the following paragraph:
5. That part of the King's Highway known as No. 539 in the Territorial District of Nipissing lying between a point situate at its intersection with the King's Highway known as No. 64 in the Township of Field and a point situate at its intersection with the boundary line between the Townships of Crerar and Hugel.
3. Paragraph 1 of Schedule 259 to the said Regulation, as made by section 20 of Ontario Regulation 193/77, is revoked and the following substituted therefor:
1. That part of the King's Highway known as No. 528.
4. The said Regulation is further amended by adding thereto the following Schedules:

Schedule 275

HIGHWAY NO. 17B

1. That part of the King's Highway known as No. 17B in the Township of Commanda in the Territorial District of Nipissing. O. Reg. 608/79, s. 4, *part*.

Schedule 276

HIGHWAY NO. 112

1. That part of the King's Highway known as No. 112. O. Reg. 608/79, s. 4, *part*.

Schedule 277

HIGHWAY NO. 528A

1. That part of the King's Highway known as No. 528A. O. Reg. 608/79, s. 4, *part*.

Schedule 278

HIGHWAY NO. 539A

1. That part of the King's Highway known as No. 539A in the township of Crerar in the Territorial District of Nipissing lying between a point situate at its intersection with the King's Highway known as No. 539 and a point situate at its intersection with the line between lots 2 and 3 in Concession 4. O. Reg. 608/79, s. 4, *part*.

Schedule 279

HIGHWAY NO. 575

1. That part of the King's Highway known as No. 575 in the Township of Field in the Territorial District of Nipissing beginning at a point situate at its intersection with the King's Highway known as No. 64 and

extending westerly therealong for a distance of 2.2 kilometres. O. Reg. 608/79, s. 4, *part*.

THE AGRICULTURAL DEVELOPMENT FINANCE ACT

O. Reg. 610/79.

Deposits.

Made—August 1st, 1979.

Filed—August 23rd, 1979.

REGULATION TO AMEND REGULATION 7 OF REVISED REGULATIONS OF ONTARIO, 1970 MADE UNDER THE AGRICULTURAL DEVELOPMENT FINANCE ACT

1. Section 1 of Regulation 7 of Revised Regulations of Ontario, 1970, as remade by section 1 of Ontario Regulation 74/79, is revoked and the following substituted therefor:

1.—(1) Subject to subsection 2, interest at the rate of 10½ per cent *per annum* calculated on the minimum monthly balance from the 1st day of August, 1979 shall be paid on the last days of March and September in each year.

(2) In special cases, the Minister of Revenue may determine a rate of interest and basis of calculation different from that prescribed in subsection 1, but the rate so determined shall not exceed 10½ per cent *per annum*. O. Reg. 610/79, s. 1.

THE CORPORATIONS TAX ACT, 1972

O. Reg. 611/79.

General.

Made—August 15th, 1979.

Filed—August 23rd, 1979.

REGULATION TO AMEND ONTARIO REGULATION 350/73 MADE UNDER THE CORPORATIONS TAX ACT, 1972

- 1.—(1) Subclause iii of clause *d* of subsection 1 of section 201 of Ontario Regulation 350/73, as made by section 2 of Ontario Regulation 147/78, is amended by striking out "after the 8th day of May, 1972 and before the particular time" in the tenth and eleventh lines and inserting in lieu thereof "during or after the first taxation year ending after the 19th day of April, 1977 and before the particular time and before the 11th day of April, 1978".
- (2) Subclause iv of clause *d* of subsection 1 of the said section 201, as remade by section 1 of

Ontario Regulation 809/78, is amended by adding after "time" in the thirteenth line "and before the 11th day of April, 1978".

- (3) Subclause v of clause d of subsection 1 of the said section 201, as made by section 2 of Ontario Regulation 147/78, is amended by striking out "deductible" in the first line and inserting in lieu thereof "deducted".

- (4) Clause d of subsection 1 of the said section 201 is amended by striking out "and" at the end of subclause v and by adding thereto the following subclauses:

(vii) 33⅓ per cent of the aggregate of all amounts, each of which is an amount that became receivable by the corporation after the 28th day of April, 1978 and before the particular time and in respect of which the consideration given by the corporation therefor was a property (other than a share, or a property that would have been a Canadian resource property if it had been acquired by the corporation at the time the consideration was given) or services the cost of which may reasonably be regarded as having been primarily an expenditure that was added in computing the corporation's earned depletion base by virtue of subclause ii or in computing the earned depletion base of a predecessor corporation (within the meaning given to that expression by subsection 2 of section 204) by virtue of subclause ii as it applied to the predecessor corporation where the corporation is a successor corporation (within the meaning given to that expression by subsection 2 of section 204) or a second successor corporation (within the meaning given to that expression by subsection 3 of section 204) to the predecessor corporation, as the case may be,

(viii) 33⅓ per cent of the aggregate of all amounts, each of which is an amount in respect of a disposition of property (other than a disposition of property, that had been used by the corporation, to any person with whom the corporation was not dealing at arm's length) of the corporation after the 28th day of April, 1978 and before the particular time, the cost of which was added in computing the corporation's earned depletion base by virtue of subclause iii or iv or in computing the earned depletion base of a predecessor corporation by virtue of subclause iii or iv as it applied to the predecessor corporation where the corporation is a successor corporation or a second suc-

cessor corporation to the predecessor corporation, as the case may be, and each of which is the amount that is equal to the lesser of,

(A) the proceeds of disposition of the property, and

(B) the capital cost of the property to the taxpayer or the predecessor corporation, as the case may be, computed as if no amount had been added thereto by virtue of paragraph b of subsection 1 of section 21, or subsection 3 of section 21 of the *Income Tax Act* (Canada), as made applicable by subsection 1 of section 14 of the Act, and

(ix) where the corporation is a predecessor corporation, any amount required by clause b of subsection 2 of section 204 to be deducted before the particular time in computing the corporation's earned depletion base;

- (5) Subsection 1 of the said section 201, as remade by section 2 of Ontario Regulation 147/78 and amended by section 1 of Ontario Regulation 809/78, is further amended by adding thereto the following clauses:

(da) "disposition of property" has the meaning given to that expression by paragraph c of subsection 21 of section 13 of the *Income Tax Act* (Canada);

(ea) "proceeds of disposition" of property has the meaning given to that expression by paragraph d of subsection 21 of section 13 of the *Income Tax Act* (Canada);

- (6) Subclause i of clause g of subsection 1 of the said section 201, as made by section 2 of Ontario Regulation 147/78, is revoked and the following substituted therefor:

(i) the amounts, if any, included in computing its income for the year by virtue of subsection 3 of section 16 of the Act and paragraph b of section 59.1 of the *Income Tax Act* (Canada) as made applicable by subsection 1 of the said section 16 from the disposition of a Canadian oil or gas resource property or that would have been a Canadian oil or gas resource property if it has been acquired after 1971, less the aggregate of deductions, if any, allowed in computing its income for the year in respect of such disposition by virtue of section 18 of the Act and paragraph a of sec-

tion 59.1 of the *Income Tax Act* (Canada) as made applicable by subsection 1 of the said section 16, and

- (7) Subclause v of clause g of subsection 1 of the said section 201 is revoked and the following substituted therefor:

- (v) such other deductions for the year as may reasonably be regarded as applicable to the sources of income described in subclause ii other than a deduction under section 203, subsection 2 or 3 of section 204, section 207 or section 210;

- (8) Subclause i of clause h of subsection 1 of the said section 201, as made by section 2 of Ontario Regulation 147/78, is revoked and the following substituted therefor:

- (i) the amounts, if any, included in computing its income for the year by virtue of subsection 3 of section 16 of the Act and paragraph b of section 59.1 of the *Income Tax Act* (Canada) as made applicable by subsection 1 of the said section 16, less the aggregate of the deductions, if any, allowed in computing its income for the year by virtue of section 18 of the Act and paragraph a of section 59.1 of the *Income Tax Act* (Canada) as made applicable by subsection 1 of the said section 16, to the extent that such amounts have not been included under subclause i of clause g, and

- (9) Subsection 6 of the said section 201, as made by section 2 of Ontario Regulation 147/78, is amended by striking out "and" at the end of clause a, by adding "and" at the end of clause b, and by adding thereto the following clause:

- (c) any property deemed by clause b to have been acquired by the corporation shall be deemed to have been acquired by it on the day the property was acquired by the partnership.

2. Section 202 of the said Regulation, as made by section 2 of Ontario Regulation 147/78, is revoked and the following substituted therefor:

202. For the purposes of section 19 of the Act, there may be deducted in computing a corporation's income for a taxation year such of the amounts determined in accordance with sections 203 to 208 and section 210 as are applicable. O. Reg. 611/79, s. 2.

3. Clause a of section 203 of the said Regulation, as made by section 2 of Ontario Regulation 147/78, is amended by,

- (a) striking out "an amount equal to the lesser of" in the first line and inserting in lieu thereof

"such amount as it may claim not exceeding the lesser of,"; and

- (b) striking out "deductible" in the fifth line of subclause i and inserting in lieu thereof "deducted".

- 4.—(1) Subsection 1 of section 204 of the said Regulation, as made by section 2 of Ontario Regulation 147/78, is revoked and the following substituted therefor:

(1) For the purposes of computing the earned depletion base of a corporation, where after the 19th day of April, 1977 and after the corporation last ceased to carry on active business, control of the corporation is considered, for the purposes of subsection 11 of section 66 of the *Income Tax Act* (Canada), to have been acquired by a person or persons who did not control the corporation at the time when it so ceased to carry on active business, the amount by which the earned depletion base of the corporation at the time it last ceased to carry on active business exceeds the aggregate of amounts otherwise deducted under section 203 in computing its income for taxation years after that time and before control was so acquired, shall be deemed to have been deducted under section 203 by the corporation in computing its income for taxation years ending before control was so acquired. O. Reg. 611/79, s. 4 (1).

- (2) Subsection 2 of the said section 204, as made by section 2 of Ontario Regulation 147/78, exclusive of the clauses, is revoked and the following substituted therefor:

(2) Where a corporation (in this subsection and in clause d of subsection 1 of section 201 referred to as the "successor corporation") has at any time (in this subsection referred to as the "time of acquisition") after the 7th day of November, 1969 and in a taxation year (in this subsection referred to as the "transaction year"), acquired, by purchase or otherwise (including an acquisition as a result of an amalgamation described in section 87 of the *Income Tax Act* (Canada)), from another corporation (in this subsection and in clause d of subsection 1 of section 201 referred to as the "predecessor corporation") all or substantially all of the property of the predecessor corporation used by it in carrying on in Canada such of the businesses described in any of subparagraphs i to vii of paragraph h of subsection 15 of section 66 of the *Income Tax Act* (Canada) as were carried on by it, the following rules apply:

- (3) Clause a of subsection 2 of the said section 204 is amended by,

- (a) inserting after "year," in the third line "such amount as it may claim not exceeding";

- (b) inserting after "1972" in the eleventh line of subsubclause B of subclause i "with respect to the predecessor corporation"; and

(c) striking out "deductible" in the third line of subclause ii and inserting in lieu thereof "deducted".

(4) Clause *b* of subsection 2 of the said section 204 is revoked and the following substituted therefor:

(b) for the purpose of computing the earned depletion base of the predecessor corporation as of any time after the transaction year of the predecessor corporation, there shall be deducted the amount, if any, by which,

(i) the earned depletion base of the predecessor corporation immediately after the time of acquisition (assuming for this purpose that, in the case of an acquisition as a result of an amalgamation described in section 87 of the *Income Tax Act* (Canada), the predecessor corporation existed after the time of acquisition and no property was acquired or disposed of in the course of the amalgamation),

exceeds,

(ii) the amount, if any, deducted under clause *a* of section 203 in computing the income of the predecessor corporation for the transaction year of the predecessor corporation.

(5) Subsection 3 of the said section 204, as made by section 2 of Ontario Regulation 147/78, is amended by revoking all that portion thereof preceding clause *a* and inserting in lieu thereof the following:

(3) Where a corporation (in this subsection and clause *d* of subsection 1 of section 201 referred to as the "second successor corporation") has, at any time after the 7th day of November, 1969, acquired, by purchase or otherwise (including an acquisition as a result of an amalgamation described in section 87 of the *Income Tax Act* (Canada), from another corporation (in this subsection referred to as the "first successor corporation") that was a successor corporation within the meaning of subsection 2 all or substantially all of the property of the first successor corporation used by it in carrying on in Canada such of the businesses described in any of subparagraphs i to vii of paragraph *h* of subsection 15 of section 66 of the *Income Tax Act* (Canada) as were carried on by it, there may be deducted, in computing the income of the second successor corporation for a particular taxation year, such amount as it may claim not exceeding the lesser of,

(6) Clause *b* of subsection 3 of the said section 204 is amended by striking out "deductible" in the first line of each of subclauses i and ii and inserting in lieu thereof in each instance "deducted".

5. Subsection 2 of section 207 of the said Regulation, as made by section 2 of Ontario Regulation 147/78, is revoked and the following substituted therefor:

(2) For the purposes of this section, the "frontier exploration base" of a corporation as of a particular time means the amount by which,

(a) the amount in respect of a particular oil or gas well in Canada determined under paragraphs *a* and *a.1* of subsection 2 of section 1207 of the regulations made under the *Income Tax Act* (Canada),

exceeds the aggregate of,

(b) all amounts deducted by the corporation under subsection 1 in computing its income for taxation years ending before the particular time; and

(c) all amounts deducted under paragraphs *c* and *d* of subsection 2 of section 1207 of the regulations made under the *Income Tax Act* (Canada) in computing the corporation's frontier depletion base at that particular time for the purposes of that Act. O. Reg. 611/79, s. 5.

6. The said Regulation is amended by adding thereto the following section:

SUPPLEMENTARY DEPLETION ALLOWANCES

210.—(1) In computing a corporation's income for a taxation year there may be deducted such amount as it may claim not exceeding the lesser of,

(a) 50 per cent of its income for the year, computed in accordance with Part II of the Act, if no deduction were allowed under this subsection or subsection 1 of section 207; and

(b) its supplementary depletion base as at the end of the year (before making any deduction under this subsection for the year).

(2) For the purposes of this section, the "supplementary depletion base" of a corporation as of a particular time means the amount by which,

(a) the aggregate of the amounts determined as of that particular time with respect to the corporation under paragraphs *a*, *b* and *c* of subsection 3 of section 1213 of the regulations made under the *Income Tax Act* (Canada),

exceeds the aggregate of,

(b) all amounts deducted by the corporation under subsection 1 in computing its income for taxation years ending before the particular time; and

- (c) all amounts deducted by the corporation under paragraphs *e*, *f*, *g*, *h* and *i* of subsection 3 of section 1213 of the regulations made under the *Income Tax Act* (Canada) in computing its supplementary depletion base at that particular time for the purposes of that Act.

(3) For the purposes of this section, in computing a corporation's supplementary depletion base, the rules set out in subsections 2 and 4 of section 1213 of the regulations made under the *Income Tax Act* (Canada) apply, except that the references therein to "subsection 1" shall be read as references to subsection 1 of this section. O. Reg. 611/79, s. 6.

- 7.—(1) Subsection 8 of section 402 of the said Regulation, as amended by subsection 2 of section 7 and section 16 of Ontario Regulation 147/78, is further amended by revoking all that portion thereof preceding clause *a* and inserting in lieu thereof the following:

"For the purposes of subsection 3 and subsection 3 of section 419, where the income or loss of a corporation for a taxation year consists of,"

- (2) Clause *a* of subsection 8 of section 402 of the said Regulation is amended by striking out "income from a business" in the first line and inserting in lieu thereof "income or loss from a business".
- (3) Clause *b* of subsection 8 of the said section 402 is amended by striking out "income from property" in the first line and inserting in lieu thereof "income or loss from property".
- (4) Subclause iv of clause *b* of subsection 8 of the said section 402 is amended by striking out "clause *b* of section 12" in the third and fourth lines and inserting in lieu thereof "paragraph *b* of section 3 of the *Income Tax Act* (Canada) as made applicable by subsection 1 of section 12 of the Act".
8. Section 428 of the said Regulation, as amended by section 10 of Ontario Regulation 147/78, is further amended by striking out "section 28" in the second line and inserting in lieu thereof "section 128".
9. Section 601 of the said Regulation, as remade by section 2 of Ontario Regulation 121/74 and amended by section 1 of Ontario Regulation 509/76, section 12 of Ontario Regulation 147/78 and section 4 of Ontario Regulation 809/78, is further amended by adding thereto the following item:
 2. Canadair Services Limited.
10. Subsection 5 of section 706 of the said Regulation, as remade by section 2 of Ontario Regula-

tion 220/77 and amended by subsection 3 of section 15 of Ontario Regulation 147/78, is further amended by striking out "and Senior Supervisor, Compliance, Corporations Tax Branch" in the third and fourth lines and inserting in lieu thereof "Senior Supervisor, Compliance, Corporations Tax Branch, and Supervisor, Tax Returns Centre, Corporations Tax Branch".

11. Section 723 of the said Regulation is revoked. O. Reg. 611/79, s. 11.

12. The said Regulation is further amended by adding thereto the following section:

728.—(1) For the purposes of section 148*a* of the Act, any amount deducted or withheld by any person pursuant to subsection 2 or 3 thereof shall be remitted to the Treasurer of Ontario not later than the date provided in subsection 3 of this section for the filing of the report in respect of the performance with respect to which the amount was deducted or withheld.

(2) Every person required by section 148*a* to deduct or withhold an amount pursuant to subsection 2 or 3 thereof shall file with the Minister a report stating his name and address, the name and address of each corporation on behalf of which an amount was deducted or withheld, the amount paid to the corporation in respect of performances presented, the date of each period during which the performances were presented by the corporation, the amount deducted or withheld on behalf of the corporation, and such additional information as is required by the Minister.

(3) The report required under subsection 2 shall be in respect of performances presented in the three-month period ending on the 31st day of March, the 30th day of June, the 30th day of September and the 31st day of December of each year and shall be filed not later than two months after the last day of the period in respect of which it is required to be filed. O. Reg. 611/79, s. 12.

13. The said Regulation is further amended by adding thereto the following section:

ELIGIBLE CANADIAN PROFITS

729.—(1) For the purpose of subsection 3 of section 36*a* of the Act, the "eligible Canadian profits" of a corporation for a taxation year are the aggregate of,

- (a) its manufacturing and processing income for the year;
- (b) its mining income for the year, to the extent that such amount is not included by virtue of clause *a*; and
- (c) its active business incomes for the year from farming, fishing and logging, to the extent that such amounts are not included by virtue of clause *a* or *b*.

(2) For the purpose of subsection 1, where a corporation has active business income from sources other than the sources referred to in subsection 1, the whole of such active business income shall qualify as eligible Canadian profits if,

- (a) the active business income from such other sources does not exceed 20 per cent of the total active business income of the corporation for the year; and
- (b) the total active business income of the corporation for the year does not exceed \$250,000.

(3) In this section,

- (a) "farming" has the meaning given to that expression by section 1 of the Act, and the corporation's active business income for the year from farming shall be determined in accordance with sections 5200 and 5202 of the regulations made under the *Income Tax Act* (Canada) applied as if the references therein to "manufacturing and processing" were references to "farming", except that in computing the cost of capital of the corporation the cost of land owned by it or the annual rental cost incurred by the corporation for land leased by it and used by it in its farming business shall be included;
- (b) "fishing" has the meaning given to that expression by section 248 of the *Income Tax Act* (Canada) as made applicable by section 1 of the Act, and the corporation's active business income from fishing shall be determined in accordance with sections 5200 and 5202 of the regulations made under the *Income Tax Act* (Canada) applied as if the references therein to "manufacturing and processing" were references to "fishing";
- (c) "logging" includes the sale of standing timber, the sale of the right to cut standing timber, the sale of logs, the delivery of logs to a sawmill, pulp or paper plant or other place for processing or manufacturing, the delivery of logs to a carrier for export, the export of logs, the acquisition of standing timber, the cutting of logs from standing timber, or any combination of such operations, and the corporation's active business income from logging shall be determined in accordance with sections 5200 and 5202 of the regulations made under the *Income Tax Act* (Canada) applied as if the references therein to "manufacturing and processing" were references to "logging";
- (d) "manufacturing and processing income" of a corporation means that portion of its income for the year, determined in accordance with the Act, that would qualify as "Canadian manufacturing and processing profits" for the

purpose of subsection 3 of section 125.1 of the *Income Tax Act* (Canada); and

(e) "mining income" of a corporation means the aggregate of,

- (i) the amount by which its resource profits from mining operations determined in accordance with clause *h* of subsection 1 of section 201 (but not including the amounts referred to in subclause *i* and subsubclause *D* of subclause *ii* of the said clause *h*) exceeds any amount deducted for the year under clause *b* of section 203, and
- (ii) its active business income (other than income included by virtue of subclause *i*) from the production of minerals from a mine that is an industrial mineral mine for the purpose of paragraph *g* of subsection 1 of section 1100 of the regulations made under the *Income Tax Act* (Canada), and such active business shall be determined in accordance with sections 5200 and 5202 of the regulations made under the *Income Tax Act* (Canada) applied as if the references therein to "manufacturing and processing" were references to "industrial mineral mine". O. Reg. 611/79, s. 13.

- 14.—(1) Subsections 6 and 8 of section 1, section 3, and subsections 3, 5 and 6 of section 4 of this Regulation shall be deemed to have come into force on the 20th day of April, 1977 and apply to corporations in respect of all taxation years ending after the 19th day of April, 1977.
- (2) Subsection 4 of section 1 and subsection 4 of section 4 of this Regulation shall be deemed to have come into force on the 29th day of April, 1978 and apply to computations of the earned depletion base made as of a particular time that is after the 28th day of April, 1978.
 - (3) Subsections 1, 2 and 3 of section 1 and subsection 1 of section 4 of this Regulation shall be deemed to have come into force on the 20th day of April, 1977 and apply to computations of the earned depletion base made after the 19th day of April, 1977.
 - (4) Subsection 2 of section 4 of this Regulation shall be deemed to have come into force on the 29th day of April, 1978 and applies to corporations in respect of all taxation years ending after the 28th day of April, 1978.
 - (5) Subsections 5, 7 and 9 of section 1 and sections 2 and 6 of this Regulation shall be deemed to have come into force on the 11th day of April, 1978 and apply to corporations in respect of all taxation years ending after the 10th day of April, 1978.

- (6) Section 5 of this Regulation shall be deemed to have come into force on the 28th day of March, 1979, and applies to corporations in respect of all taxation years ending after the 27th day of March, 1979.
- (7) Subsections 1, 2 and 3 of section 7 of this Regulation shall be deemed to have come into force on the 1st day of January, 1972 and apply to corporations in respect of all taxation years ending after 1971.
- (8) Subsection 4 of section 7 and sections 8 and 11 of this Regulation shall be deemed to have come into force on the 8th day of December, 1977.
- (9) Section 9 of this Regulation shall be deemed to have come into force on the 5th day of January, 1976 and applies to Canadair Services Limited in respect of all taxation years of that corporation ending after the 5th day of January, 1976.
- (10) Section 10 of this Regulation comes into force on the day this Regulation is filed under *The Regulations Act*.
- (11) Section 12 of this Regulation shall be deemed to have come into force on the 18th day of May, 1979 and applies to performances given after the 17th day of May, 1979.
- (12) Section 13 of this Regulation shall be deemed to have come into force on the 11th day of April, 1979 and applies to corporations in respect of taxation years ending after the 10th day of April, 1979. O. Reg. 611/79, s. 14.

THE GENERAL SESSIONS ACT
THE COUNTY COURTS ACT

O. Reg. 612/79.
Sittings of the General Sessions of the
Peace and Sittings of the County
Court for the County of Huron.
Made—August 22nd, 1979.
Filed—August 23rd, 1979.

THE GENERAL SESSIONS ACT
THE COUNTY COURTS ACT

IN THE MATTER OF *The General Sessions Act* and *The County Courts Act*; and

IN THE MATTER OF the Sittings of the General Sessions of the Peace and of the Sittings of the County Court for the trial of issues of fact and assessment of damages with or without a jury for the County of Huron.

ORDER

WHEREAS the sittings of the Court of General Sessions of the Peace and the sittings of the County Court for the trial of issues of fact and assessment of damages with or without a jury, for the County of Huron, are presently scheduled for Wednesday, November 7th, 1979;

AND WHEREAS it is desirable to hold the said sittings on the 14th day of November, 1979, instead of the 7th day of November, 1979;

THEREFORE IT IS ORDERED that the sittings of the Court of General Sessions of the Peace and sittings of the County Court for the trial of issues of fact and assessment of damages with or without a jury, for the County of Huron, shall be held commencing Wednesday, November 14th, 1979.

AND IT IS FURTHER ORDERED that a copy of this Order shall be mailed by ordinary post to the Attorney General of Ontario, and that a copy of this Order shall be posted in the office of the Clerk of the County Court of the County of Huron and in the office of the Clerk of the General Sessions of the Peace for the said County.

W. E. C. COLTER
*Chief Judge of the County and
District Courts of the Counties and
Districts of Ontario*

Dated at the City of Toronto, in The Municipality of Metropolitan Toronto, this 22nd day of August, 1979.

THE PROVINCIAL PARKS ACT

O. Reg. 613/79.
Designation of Parks.
Made—August 22nd, 1979.
Filed—August 23rd, 1979.

REGULATION TO AMEND
REGULATION 695 OF
REVISED REGULATIONS OF ONTARIO, 1970
MADE UNDER
THE PROVINCIAL PARKS ACT

- 1.—(1) Schedule 18 of Appendix B to Regulation 695 of Revised Regulations of Ontario, 1970 as remade by subsection 2 of section 2 of Ontario Regulation 72/72, is revoked and the following substituted therefor:

Schedule 18

THE PINERY PROVINCIAL PARK

In the Township of Bosanquet, in the County of Lambton, containing an area of 2542.248 hectares, more or less, described as follows:

1. Beginning at the most northerly corner of Lot 9, in Lake Road East Concession; thence southeasterly along the northeasterly limit of that lot to the northwesterly limit of that part of the King's Highway known as Number 21; thence southwesterly along that limit to the southwesterly limit of Lot 11 in Lake Road East Concession; thence northwesterly along that limit and the northwesterly production thereof to the northwesterly limit of the allowance for road between the Lake Road West Concession and Lake Road East Concession; thence southwesterly along that limit to the limit between lots 19 and 20 in Lake Road West Concession; thence southeasterly in a straight line to the most northerly corner of Lot 20 in Lake Road East Concession; thence southeasterly along the northeasterly limit of said Lot 20 a distance of 384.645 metres; thence in a northeasterly direction parallel to the northwesterly limit of Lot 19 in Lake Road East Concession a distance of 27.432 metres; thence in a southeasterly direction parallel to the southwesterly limit of said Lot 19 a distance of 73.761 metres; thence in a southwesterly direction parallel to the northwesterly limit of said Lot 19 a distance of 27.432 metres, more or less, to the southwesterly limit of said Lot 19; thence in a southeasterly direction along that southwesterly limit 179.575 metres, more or less, to the northwesterly limit of that part of the King's Highway known as Number 21; thence southwesterly along that limit to the southwesterly limit of Lot 31 in Lake Road East Concession; thence northwesterly along that limit to the most westerly corner of that Lot 31; thence northwesterly in a straight line to the most southerly corner of Lot 31 in Lake Road West Concession; thence northwesterly along the southwesterly limit of that Lot 31 and its northwesterly production to the high-water mark along the northwesterly bank of the Ausable River; thence in a southerly and westerly direction along that high-water mark to the southwesterly limit of Lot 32, Lake Road West Concession; thence north 68° 02' 10" west 16.154 metres, more or less, to the inner limit of a 10.058 metre road allowance along the Ausable River; thence northwesterly on a curve to the left having a radius of 1733.275 metres an arc distance of 397.078 metres, the chord equivalent being 395.499 metres measured north 70° 59' 23" west; thence north 77° 32' 50" west 488.542 metres; thence northwesterly on a curve to the right having a radius of 707.029 metres, an arc distance of 145.094 metres, the chord equivalent being 144.664 metres measured north 71° 35' 38" west; thence north 65° 39' 10" west 222.089 metres; thence north 65° 51' west 255.544 metres; thence north 24° 11' 30" east 111.313 metres; thence north 65° 48' 30" west 60.899 metres; thence north 18° 57' west 32.223 metres; thence north 29° 59' 30" west 76.510 metres; thence north 59° 56' 50" east 376.855 metres; thence north 30° 03' 10" west 47.421 metres, more or less, to the high-water mark of Lake Huron; thence easterly along the said high-water mark to the easterly limit of Part 2, Plan 25R-2528; thence south 30° 03' 10" east along the easterly limit of said Part 2 a distance of 48.073 metres, more or less, to the southeasterly corner of said Part 2; thence north 59° 56' 50" east 91.44 metres; thence

north 30° 03' 10" west 46.436 metres, more or less, to the high-water mark of Lake Huron; thence north 30° 03' 10" west to a point distant 182.88 metres measured northwesterly from and perpendicularly to the water's edge of Lake Huron; thence in a northeasterly direction parallel to that water's edge and 182.88 metres in perpendicular distance therefrom to the northwesterly production of the northeasterly limit of Lot 9 in Lake Road West Concession; thence southeasterly along that production and the northeasterly limit of that Lot 9 to the most easterly corner thereof; thence southeasterly in a straight line to the place of beginning.

2. Those parts of lots 21 and 22 in Lake Road East Concession lying southeasterly of the southeasterly limit of that part of the King's Highway known as Number 21.

3. Beginning at a point in the southeasterly limit of that part of the King's Highway known as Number 21 distant 239.883 metres measured south 87° 16' 02" east from the most westerly corner of Lot 10, in Lake Road East Concession; thence south 58° 42' 18" east 10.482 metres; thence north 45° 25' east 19.275 metres; thence north 38° 42' 10" east 60.466 metres; thence north 32° 57' 40" east 83.298 metres; thence north 18° 34' east 15.962 metres; thence north 2° 36' 05" east 45.537 metres; thence north 20° 09' 40" east 26.027 metres; thence north 38° 03' 40" east 53.306 metres; thence north 61° 56' 50" east 61.743 metres; thence north 54° 36' east 60.835 metres; thence north 50° 56' 30" east 41.041 metres; thence north 33° 51' 30" east 176.065 metres; thence north 26° 48' east 103.864 metres; thence north 3° 24' 50" east 119.567 metres; thence north 3° 50' 50" west 105.564 metres; thence north 59° 17' 15" west 129.653 metres to the southeasterly limit of that part of the King's Highway known as Number 21; thence in a southwesterly direction along that highway limit to the place of beginning. O. Reg. 613/79, s. 1 (1).

(2) The said Appendix B is amended by adding thereto the following Schedule:

Schedule 124

FUSHIMI LAKE PROVINCIAL PARK

In the geographic townships of Bannerman, Fushimi, Hanlan and Stoddart in the Territorial District of Cochrane, containing an area of 5294 hectares, more or less, described as follows:

Beginning at the southeasterly corner of Lot 12, in Concession VI, in the geographic Township of Stoddart; thence westerly along the northerly limit of Concession V a distance of 804.672 metres; thence northeasterly in a straight line a distance of 6200 metres, more or less, to a point in the westerly limit of Lot 9, in Concession X, distant 170.688 metres measured southerly along the said westerly limit from the northwesterly corner of said Lot 9; thence westerly parallel to the

northerly limit of lots 10 and 11, in Concession X, to the line between the east half and west half of said Lot 11; thence northerly along the line between the east half and west half of said Lot 11 to the northerly limit of said Lot 11; thence northerly in a straight line to the intersection of the southerly limit of Lot 11 in Concession XI, with the line between the east half and west half of said Lot 11; thence northerly along the said line between the east half and west half of said Lot 11 to the northerly limit of said Lot 11; thence westerly along the northerly limit of lots 11 and 12 in Concession XI to the north-westerly corner of said Lot 12; thence westerly in a straight line to the northeasterly corner of Lot 13 in Concession XI; thence westerly along the northerly limit of said Lot 13 to the intersection with the easterly limit of Fushimi Road; thence in a general northeasterly direction along the said easterly limit to the intersection with a line drawn easterly parallel to the southerly boundary of the geographic Township of Fushimi and 1371.60 metres in perpendicular distance therefrom; thence east astronomically 7724.851 metres; thence north astronomically 624.840 metres; thence east astronomically 1207.01 metres; thence south astronomically 1207.01 metres; thence southwesterly in a straight line a distance of 4820 metres, more or less, to a point in the southerly limit of Lot 26, in Concession X, in the geographic Township of Hanlan, distant 100.584 metres measured easterly along the said southerly limit from the southwesterly corner of said Lot 26; thence southwesterly in a straight line a distance of 2560 metres, more or less, to a point in the easterly limit of Lot 2, in Concession VIII, in the geographic Township of Stoddart, distant 598.475 metres measured northerly along the said easterly limit from the southeasterly corner of said Lot 2; thence westerly in a straight line 4083.71 metres, more or less, to a point in the westerly limit of Lot 9, in Concession VIII, distant 598.475 metres measured southerly along the said westerly limit from the northwesterly corner of said Lot 9; thence southwesterly in a straight line 3220 metres, more or less, to the place of beginning.

Saving and Excepting therefrom part of lots 5 and 6, in Concession XI, in the geographic Township of Stoddart, described as follows:

Premising that the bearings hereinafter mentioned are astronomical and are referred to the southerly limit of the said lots having a bearing of due east as shown in the original survey of the said township;

Beginning at a point in the westerly limit of said Lot 5 distant 279.468 metres measured northerly along the said westerly limit from the southwesterly corner of said Lot 5; thence south 52° 31' west 8.062 metres; thence north 42° 29' west 91.440 metres; thence north 47° 31' east 91.440 metres, more or less, to the water's edge of Fushimi Lake; thence in a general southeasterly direction along the said water's edge to a line drawn north 52° 31' east from the place of beginning; thence south 52° 31' west 133.319 metres, more or less, to the place of beginning. O. Reg. 613/79, s. 1 (2).

THE COMMODITY BOARDS AND MARKETING AGENCIES ACT, 1978

O. Reg. 614/79.

Levies or Charges—Milk.

Made—August 22nd, 1979.

Filed—August 23rd, 1979.

REGULATION MADE UNDER THE COMMODITY BOARDS AND MARKETING AGENCIES ACT, 1978

LEVIES OR CHARGES—MILK

1. In this Regulation,

- (a) "marketing agency" means the Canadian Dairy Commission constituted by the *Canadian Dairy Commission Act*;
- (b) "milk" means milk bought by The Ontario Milk Marketing Board from producers and sold by The Ontario Milk Marketing Board to processors as classes 3, 4, 4a, 4b, 5, 5a and 6 milk in accordance with section 13 of Ontario Regulation 190/78. O. Reg. 614/79, s. 1.

2.—(1) Subject to subsection 2, the Lieutenant Governor in Council hereby grants to the marketing agency, in relation to the marketing of milk locally within Ontario, authority to fix, impose and collect levies or charges from persons engaged in the production of milk in Ontario and for such purpose to classify such persons into groups and fix the levies or charges payable by the members of the different groups in different amounts, not exceeding in any case \$3.30 per hectolitre of milk, and to use such levies or charges for the purposes of the marketing agency, including the creation of reserves, the payment of expenses and losses resulting from the sale or disposal of evaporated milk, evaporated partly-skimmed milk, evaporated skim-milk, milk powder, skim milk powder and butter and the equalization or adjustment among producers of milk of moneys realized from the sale thereof during such period or periods of time as the marketing agency may determine.

(2) The Lieutenant Governor in Council hereby grants to the marketing agency, in relation to the marketing of milk locally within Ontario, authority to fix, impose and collect levies or charges from persons engaged in the production of milk in Ontario and for such purpose to classify such persons into groups and fix the levies or charges payable by the members of the different groups in different amounts, not exceeding in any case \$19.80 per hectolitre of milk,

- (a) where the milk was produced and sold by a person to whom a quota has been fixed and allotted by The Ontario Milk Marketing Board and such milk sold was in excess of such quota; or
- (b) where the milk was produced and sold by a person to whom no quota has been fixed and

allotted by The Ontario Milk Marketing Board,

and to use such levies or charges for the purposes of the marketing agency, including the creation of reserves, the payment of expenses and losses resulting from the sale or disposal of evaporated milk, evaporated partly-skimmed milk, evaporated skim-milk, milk powder, skim-milk powder and butter and the equalization or adjustment among producers of milk of moneys realized from the sale thereof during such period or periods of time as the marketing agency may determine. O. Reg. 614/79, s. 2.

3. The Lieutenant Governor in Council hereby grants to the marketing agency, in relation to the marketing of milk locally within Ontario, authority to fix, impose and collect a charge from The Ontario Milk Marketing Board in the amount of \$35,782,343.10 and to use such charge for the purposes of the marketing agency, including the creation of reserves, the payment of expenses and losses resulting from the sale of evaporated milk, evaporated partly-skimmed milk, evaporated skim-milk, milk powder, skim-milk powder and butter and the equalization or adjustment among producers of milk of moneys realized from the sale thereof during such period or periods of time as the marketing agency may determine. O. Reg. 614/79, s. 3.

4. Any person who receives milk shall deduct from the moneys payable for the milk any levies or charges payable to the marketing agency by the person from whom he receives the milk and shall forward such levies or charges to the marketing agency or its agent designated for that purpose, not later than ten days from the last day of the month following the month in which he received milk. O. Reg. 614/79, s. 4.

5. The marketing agency shall, at any time during normal office hours, make available to such auditor as the Minister of Agriculture and Food may designate, all books of account, records and documents relating to the receipt of funds pursuant to this Regulation and expenditures made by the marketing agency of moneys derived in whole or in part from funds received by the

marketing agency pursuant to this Regulation. O. Reg. 614/79, s. 5.

6. Ontario Regulation 483/78 is revoked. O. Reg. 614/79, s. 6.

7. This Regulation comes into force on the 1st day of September, 1979. O. Reg. 614/79, s. 7.

(3163)

36

THE MILK ACT

O. Reg. 615/79.

Extension of Powers—Milk Products.

Made—August 22nd, 1979.

Filed—August 23rd, 1979.

REGULATION MADE UNDER THE MILK ACT

EXTENSION OF POWERS—MILK PRODUCTS

1. The Lieutenant Governor in Council hereby grants authority to the Canadian Dairy Commission to regulate the marketing within Ontario of milk products in the manner set forth in section 2. O. Reg. 615/79, s. 1.

2. For the purpose of regulating the marketing within Ontario of milk products, the Canadian Dairy Commission is authorized to purchase or otherwise acquire such quantity or quantities of evaporated milk, evaporated partly-skimmed milk, evaporated skim-milk, milk powder, skim-milk powder and butter as the Canadian Dairy Commission considers advisable and to sell or otherwise dispose of such quantity or quantities of evaporated milk, evaporated partly-skimmed milk, evaporated skim-milk, milk powder, skim-milk powder and butter so purchased or otherwise acquired. O. Reg. 615/79, s. 2.

Aldershot Carry All Service
Ltd.,

04005-B

14 Plains Road West,
Burlington, Ontario,

applies for an amendment and extension to extra-provincial operating licence No. 442 as follows:

(a) To delete the following:

"For the carriage of construction equipment and machinery requiring special loading devices and not able to be carried on a standard truck, trailer or semi-trailer:

1. to the Ontario-Quebec border at Riviere Beaudette and Point Fortune, for furtherance to points in the Province of Quebec, as authorized, and by shipment therefrom, from the said border at the said points, to points in the Province of Ontario; and
2. to the international boundary at the Niagara River for furtherance to points in the State of New York as authorized; and by shipment therefrom, from the said boundary, at the said point, to points in Ontario.

PROVIDED that any licence issued pursuant to this Certificate cannot be transferred except in conjunction with Class 'K' operating licence Number 187, held in the name of Aldershot Transportation Inc."

(a) And to substitute therefor:

"For the transportation of:

1. Heavy duty machinery, boilers, transformers, and similar equipment that require special loading devices and cannot be carried on a standard truck, trailer or semi-trailer;
2. Goods which by their nature, size, weight or shape, require special loading or unloading devices and the use of low bed float equipment for their transportation.
3. Related parts and materials, on low bed float equipment only, when their transportation is incidental to the transportation of the above goods and when moving at the same time to the same destination as the entire shipment.

From points in the Province of Ontario:

- (a) to the Ontario-Quebec border at all border crossing points, for furtherance to points in the Provinces of Quebec, Nova Scotia, New Brunswick, Prince Edward Island and Newfoundland as authorized and by shipment from the said Provinces to the said border at all border crossing points, to points in the Province of Ontario;
- (b) to the international boundary at all border crossing points for furtherance to points in the United States of America as authorized by the Interstate Commerce Commission; and by shipment from points in the United States of America as authorized by the Interstate Commerce Commission to the said border at all border crossing points for furtherance to points in the Province of Ontario;
- (c) to the Ontario-Manitoba border at West Hawk Lake, for furtherance to points in the Provinces of Manitoba, Saskatchewan, Alberta and British Columbia and the Yukon and Northwest Territories;
- (d) to the international boundary at all border crossing points for furtherance in transit through the United States of America, to points in the Provinces of Manitoba, Saskatchewan, Alberta, British Columbia and the Yukon and Northwest Territories.

also applies for the transportation of those commodities as described in paragraphs 1, 2 and 3, from and to all points at the international boundary, the Ontario-Manitoba and the Ontario-Quebec borders for movement in transit through the Province of Ontario.

PROVIDED that for the purposes of this licence "low bed float equipment" is defined as an unenclosed trailer, other than a standard truck trailer or semi-trailer, and having more than one load bearing surface provided that a goose neck shall be deemed to be a load bearing surface.

PROVIDED FURTHER that in respect of this extension the licensee be prohibited from the carriage of containers designed for the transportation of general commodities in intermodal movement.

PROVIDED FURTHER that the movement of new boats be prohibited.

PROVIDED FURTHER the applicant be restricted against the haulage and/or carriage of residential, office and travel trailers, mobile homes, utility trailers, motor homes, truck campers, and modular, sectional or portable office or residential structures".

D. S. CHURCH,
Secretary.

(3225) 37

The following applications for certificates under *The Public Commercial Vehicles Act*, R.S.O. 1970, Chapter 375 and the *Motor Vehicle Transport Act*, R.S.C. 1970, Chapter M-14, will be heard by the Ontario Highway Transport Board at its Chambers, Britannica House, 151 Bloor Street West, 10th Floor, Toronto, Ontario, on Monday, the 19th day of November, 1979, at 10.00 a.m. (E.S.T.).

Should any person, who is a party to one or more of these applications, not attend at the hearing, the Board may proceed in his/her absence and such person is not entitled to any further notice with respect to such application.

Acadian Express Service Limited, 21873-H
1960 Ellesmere Rd., Unit 21,
Scarborough, Ontario M1H 2V8,

applies for an extension to extra-provincial operating licence No. X-1803 as follows:

"For the carriage of goods for and on behalf of Burlington Northern Air Freight Inc., between that part of the Town of Markham lying north of the Town of Richmond Hill, Carrville Road (also known as 16th Avenue) and most of Kennedy Road, the City of Mississauga and that portion of the Town of Vaughan south of Sherwood Road (also known as Carrville Rd.) east of King's Highway No. 400 and west of Keele Street running south from Langstaff Road, and including Bramalea, Ontario, to the international boundary at the Niagara River for furtherance to points in the United States of America as authorized, and from points in the United States of America as authorized via the international boundary at Niagara River to Metropolitan Toronto, Bramalea, Ontario and those portions of the Town of Markham, the Town of Vaughan and the City of Mississauga hereinbefore described.

PROVIDED that:

1. all shipments cross the international boundary at the Niagara River;

2. all shipments be delivered within a 24-hour time period or pick up.
3. the licensee be restricted to the use of one motor vehicle with a gross vehicle weight not exceeding 18,000 pounds each.

PROVIDED FURTHER that this authority be operated in conjunction with complementary authority issued by the Interstate Commerce Commission of the United States of America".

21873-J

also applies for an extension to extra-provincial operating licence No. X-1803 as follows:

"For the carriage of goods for and on behalf of Plastiglas Industries Limited from its installations in the Town of Pickering to the international boundary at the Niagara River for furtherance to those places in the United States of America as authorized and by shipment from parts of the United States of America as authorized from the international boundary at the Niagara River to the installations of Plastiglas Industries Limited in the Town of Pickering.

PROVIDED that this authority be operated in conjunction with the complementary authority issued by the Interstate Commerce Commission of the United States of America.

21873-K

also applies for an extension to extra-provincial operating licence No. X-1803 as follows:

"For the carriage of goods for and on behalf of G.T.E. Automatic Electric (Canada) Ltd., from its installation in Metropolitan Toronto to the United States of America via the international boundary at the Niagara River for furtherance to points in the United States of America as authorized and by shipment from points in the United States of America as authorized from the aforementioned border crossing point to the aforementioned installation of G.T.E. Automatic Electric (Canada) Ltd. in Metropolitan Toronto.

PROVIDED that the licensee be restricted to commercial motor vehicles with a maximum gross weight of 18,000 pounds;

21873-L

also applies for an extension to extra-provincial operating licence No. X-1803 as follows:

"For the carriage of goods from Metropolitan Toronto and that part of the Town of Markham lying south of the Town of Richmond Hill and Carrville Road (also known as 16th Avenue) and west of Kennedy Road the City of Mississauga and that portion of the Town of Vaughan south of Sherwood Road (also known as Carrville Road) east of King's Highway No. 400, and west of Keele Street running south from Langstaff Road to the international boundary at the Niagara River for furtherance to the Buffalo International Airport in the United States of America as authorized and by shipment from points in the United States of America as authorized from the international boundary at the Niagara River to Metropolitan Toronto and those portions of the Town of Markham the Town of Vaughan and the City of Mississauga hereinbefore described.

PROVIDED that the licensee be restricted to commercial motor vehicles with a maximum gross weight of 18,000 pounds".

Ltee. 31556
Blue Cove, New Brunswick,

applies for an extra-provincial operating licence as follows:

"For the transportation of peat moss, fresh fish, frozen fish, salted fish, marinated fish, mollusks, crustaceans, fresh fruit and vegetables from all points in the Province of New Brunswick, from the Ontario/Quebec border and the international gateway at all border crossing points for furtherance to points in the Province of Ontario and return".

(3232) 37 D. S. CHURCH,
Secretary.

The following applications for certificates under the *Motor Vehicle Transport Act*, R.S.C. 1970, Chapter M-14 and *The Public Vehicles Act*, R.S.O. 1970, Chapter 392, will be heard by the Ontario Highway Transport Board at the Regional Council Chambers, 20 Weber Street East, Kitchener, Ontario, on Wednesday, the 21st day of November, 1979, at 10.00 a.m. (E.S.T.).

Should any person, who is a party to one or more of these applications, not attend at the hearing, the Board may proceed in his/her absence and such person is not entitled to any further notice with respect to such application.

Leonard Martin Brubacher, Esq., 09901-R
R.R. #2,
West Montrose, Ontario N0B 2V0,

applies for an amendment and extension to extra-provincial operating licence No. X-605 as follows:

Delete the present terms of extra-provincial operating licence No. X-605 and replace with the following:

"For the carriage of passengers and their baggage on chartered trips only from points in an area described as follows:

- the Regional Municipality of Waterloo lying north of Highway 401;
- that part only of the Township of Peel in the County of Wellington lying east of the County of

Wellington Road No. 12 south of the line between the 8th and 9th Concessions of the Township of Peel;

and such points as permitted under Regulation 762, Section 12, Subsection 1, R.R.O., for furtherance to,

- (1) to all points at the international boundary for furtherance to points in the United States of America and return on the same trip;
- (2) the Ontario-Manitoba border at all border crossing points for furtherance to points in the Provinces of Manitoba, Saskatchewan, Alberta, British Columbia and the Yukon and Northwest Territories and the State of Alaska, and the return of the said passengers and their baggage from the Ontario-Manitoba border at all border crossing points to points in Ontario hereinbefore mentioned;
- (3) the Ontario-Quebec border at all border crossing points for furtherance to points in the Provinces of Quebec, New Brunswick, Nova Scotia, Prince Edward Island, Newfoundland or Manitoba, Saskatchewan, Alberta, British Columbia, the Yukon and the Northwest Territories and the State of Alaska, in transit through the United States of America only, and the return of the said passengers and their baggage from the international boundary at all boundary crossing points to points in Ontario as hereinbefore mentioned.

PROVIDED that this authority be operated pursuant to Interstate Commerce Commission Certificate No. MC-144649.

PROVIDED FURTHER that any additional complementary authorities required be filed by December 31st, 1980;

09901-S

also applies for an amendment and extension to public vehicle operating licence No. 2921 as follows:

Delete the following:

- "1. For the carriage of passengers for and on behalf of the Elmira District Association for the Retarded, to and from the A.R.C. Workshop located on Highway 86, in the Regional Municipality of Waterloo (approximately ¼ mile west of Elmira) via a route that traverses sections of Highways 85, 86, County Roads 17, 23, 16, 28, 15, 10 and Township Roads 54, 25, 18, 21, 38A, 40B and 13A.

Service to be provided on the days and times as required by the Association.

And substitute the following:

- "1. For the carriage of passengers for and on behalf of the Elmira District Association for the Mentally Retarded, to and from the A.R.C. Workshop located on Highway 86, in the Regional Municipality of Waterloo (approximately ¼ mile west of Elmira) via a route that traverses sections of King's Highways 85 and 86, the Regional Municipality of Waterloo Roads 86, 17, 23, 26, 15, 10 and 5, Township of Woolwich Roads 16 and 64, Township of Wellesley Road 13, provided that the licensee is permitted to pick up and discharge passengers in the Township of Pilkington in the County of Wellington on King's Highway 86 and

the continuation of the Township of Woolwich Road 64.

Service to be provided on the days and times as required by the Association.

Delete the following:

Foot of Page 2

- "3. For the carriage of passengers and their baggage on charter trips only from points within an area described as follows:

Page 3

- (a) that part only of the Township of Wellesley lying north of a line commencing at a point on the easterly Township limits being the intersection of Township Road No. 5 with Regional Road No. 16 and continuing westerly along Township Road No. 5 to its intersection with Regional Road No. 5 and continuing northerly along Regional Road No. 5 and then westerly along Regional Road No. 5 through to its extension into Regional Road No. 11 to its intersection with the westerly limits of the said Township;
- (b) that northern part only of the Township of Woolwich lying north of the Corporation of the City of Waterloo and the boundary itself, and the intersection of that boundary with the Grand River, and the extension of a line easterly to Township Road No. 64 and along Township Road No. 64 to the easterly limit of the Township;
- (c) that part only of the Township of Peel in the County of Wellington lying east of the County of Wellington Road No. 12 south of the line between the 8th and 9th Concessions of the Township of Peel.

Page 4

PROVIDED that the licensee is permitted, on charter trips in part 3 for the Old Mennonites, to pick them up at their resident locations within the said area (i.e. 3(a), 3(b) and 3 (c) as described.

PROVIDED FURTHER that the licensee is expressly prohibited from conducting charter trips from points outside the confines of the limited area described in part 3 parts (a), (b) and (c).

PROVIDED all charter trip passengers originate in the area described as part 3 of this licence.

PROVIDED FURTHER that there be no pick up of passengers, nor shall passengers originate from the following:

- (a) the City of Kitchener;
- (b) the City of Waterloo;
- (c) the City of Cambridge;
- (d) the City of Stratford;
- (e) the Town of Milverton; or
- (f) the Township of Wilmot.

PROVIDED that the foregoing provisions do not pertain or apply to the Mennonite Children's Choir.

Page 6

PROVIDED that this authority be restricted to the use of school bus type equipment.

Definition of school bus to be understood as follows:

"The type of coach presently manufactured by manufacturers of school buses without any modification other than the type of seat installed in the said coach. The type of seat may be the present school bus type or modified type of seat which cannot be moved into a reclining position".

PROVIDED FURTHER that in addition to the aforesaid school bus type equipment the licensee may operate one highway coach designed for and restricted to 24 passengers or less.

AND PROVIDED FURTHER that the licensee either personally or through associated companies shall not be either directly or indirectly concerned with the leasing or renting of passenger carrying vehicles. This certificate is subject to review at any time and from time to time if it is alleged that this proviso is not being observed by the licensee".

And substitute therefore:

"3. For the carriage of passengers and their baggage on charter trips only from points within an area described as follows:

- (a) the Regional Municipality of Waterloo lying north of Highway No. 401;
- (b) that part only of the Township of Peel in the County of Wellington lying east of the County of Wellington Road No. 12 south of the line between the 8th and 9th Concessions of the Township of Peel".

D. S. CHURCH,
Secretary.

(3233) 37

The following applications for certificates under *The Public Commercial Vehicles Act*, R.S.O. 1970, Chapter 375, and the *Motor Vehicle Transport Act*, R.S.C. 1970, Chapter M-14, will be heard by the Ontario Highway Transport Board at its Chambers, Britannica House, 151 Bloor Street West, 10th Floor, Toronto, Ontario, at 10.00 a.m. (E.S.T.) on Thursday, the 22nd day of November, 1979.

Should any person, who is a party to one or more of these applications, not attend at the hearing, the Board may proceed in his/her absence and such person is not entitled to any further notice with respect to such application.

Monson Dray Line, Inc.
R.R. #1,
Red Wing, Minnesota,
U.S.A. 55066,

22879-F

applies for an extension to extra-provincial operating licence No. X-1914 as follows:

"For the carriage of newsprint and groundwood paper from Sault Ste. Marie, Ontario via the international boundary at or near Sault Ste. Marie for furtherance to points in the United States of America as authorized and for the return of these products and pallets and cores used in the transportation";

22879-G

also applies for an extension to extra-provincial operating licence No. X-1914 as follows:

Delete the following:

"For the carriage of newsprint for and on behalf of:

1. The Great Lakes Paper Co. Ltd., from Thunder Bay;
2. Domtar Ltd., from Red Rock;

to the international boundary at Pigeon River by King's Highway No. 61 for furtherance to the United States of America as authorized; and for the return of pallets and damaged or rejected shipments, by shipment from the United States of America as authorized from the international boundary to the aforementioned premises of the said companies situate at Thunder Bay and Red Rock.

PROVIDED this authority be operated only in conjunction with the complementary authority as issued by the Interstate Commerce Commission of the United States of America, namely MC-4483 prior to February 1, 1972.

EXTENSION GRANTED:

For the carriage of newsprint, for and on behalf of Abitibi Paper Company Limited and Lakehead Newsprint Limited, from Thunder Bay to the international boundary at Pigeon River via King's Highway No. 61, for furtherance to points in the United States of America as authorized, and for the return of pallets or rejected shipments from points in the United States of America from the international boundary at Pigeon River to the installations of the said companies at Thunder Bay.

PROVIDED this authority be operated only in conjunction with the complementary authority as issued by the Interstate Commerce Commission of the United States of America No. MC-4483 (Sub. No. 17) dated August 2nd, 1972 filed with the Ontario Highway Transport Board".

And substitute therefore the following:

"For the carriage of newsprint for and on behalf of:

1. The Great Lakes Forest Products Limited, from Thunder Bay;
2. Domtar Ltd., from Red Rock;

to the international boundary at Pigeon River by King's Highway No. 61 for furtherance to the United States of America as authorized and for the return of pallets and cores and damaged or rejected shipments, by shipment from the United States of America as authorized from the international boundary at the aforementioned premises of the said companies situate at Thunder Bay and Red Rock;

PROVIDED this authority be operated only in conjunction with the complementary authority as issued by the Interstate Commerce Commission of the United States of America namely MC-4483.

EXTENSION GRANTED:

For the carriage of newsprint, for and on behalf of Abitibi Paper Company Limited and Lakehead Newsprint Limited, from Thunder Bay to the international boundary at Pigeon River via King's Highway No. 61, for furtherance to points in the United States of America as authorized; and for the return of pallets and cores or rejected shipments from points in the United States of America from the international boundary at Pigeon

River to the installations of the said companies at Thunder Bay.

PROVIDED this authority be operated only in conjunction with the complementary authority as issued by the Interstate Commerce Commission of the United States of America namely MC-4483".

Soo-Security Motorways Ltd. 00496-N
60 Eagle Drive,

Applications to Parliament — Private Bills

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Standing Orders governing the submission of such Bills:

NOTE: The previous Standing Orders of the Legislative Assembly have been repealed and the following put into effect by an Order of the House passed on Thursday, December 14th, 1978.

Attention is drawn to the more important changes:—

— No time limit.

— No penalties for late filing.

— Required notice of advertising reduced to four weeks from six weeks.

PRIVATE BILLS

Filing Bill with Clerk

65. (a) Any person, group or corporation may apply for a Private Bill by filing with the Clerk of the House a copy of the Bill together with a fee of \$150.00.

Applicant to pay cost of printing

(b) Every applicant for a Private Bill shall pay the cost of printing the Bill, including the cost of printing the Act in the annual Statutes.

Other charges

(c) Where a Standing Order is suspended with reference to a Bill, a charge of \$50.00 shall be levied.

Additional fees

(d) Where a Bill incorporates a company, or increases the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable in the case of an incorporation or increase of capital under *The Business Corporations Act*, less the sum of \$150.00 already paid to the Clerk of the House.

(e) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:—

On amounts less than \$10,000.....	\$ 25
On amounts over \$10,000 and up to \$25,000	50
On amounts over \$25,000 and up to \$40,000	75
On amounts over \$40,000 and up to \$75,000	100
On amounts over \$75,000 and up to \$125,000	125
On amounts over \$125,000 and up to \$175,000	150
On amounts over \$175,000 and up to \$250,000	200
On amounts over \$250,000 and up to \$350,000	250
and an additional fee of \$50 for every \$100,000 over \$350,000.	

Publication of Standing Orders re Private Bills

(f) The Clerk of the House shall publish weekly in *The Ontario Gazette* the Standing Orders respecting applications for Private Bills.

Required notice of applications

(g) Notice of an application for a Private Bill shall be given before it is referred to a Standing Committee by publishing it once a week for at least four weeks in each of *The Ontario Gazette* and one newspaper circulated in the municipality most affected and the notice shall,

- (i) be signed by or on behalf of the applicant;
- (ii) clearly state the nature and object of the application;
- (iii) when the application refers to any proposed work, indicate generally the location of the work; and

Bills for debenture issues

- (iv) where the application is by a municipal corporation for authority to issue debentures, set out the particulars of the existing debenture debt and the amount of the rateable property of the municipality according to the last revised assessment roll of the corporation and in brief and general terms, the object for which the new issue of debentures is required.

Clerk reports to Standing Procedural Affairs Committee

66. (a) The Clerk of the House shall refer to the Standing Procedural Affairs Committee any application that, in his opinion, does not comply with the Standing Orders.

Declaration re advertising

- (b) The applicants for a Private Bill shall lodge with the Clerk of the House a declaration proving publication of the notice.

Letters Patent

67. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Charter or Agreement, shall be attached to it.

Certificate of Minister of Revenue re Letters Patent

68. No Bill relating to the status of a corporation shall be considered by any Committee until there has been deposited with the Clerk of the House a certificate of the Minister of Revenue showing that all taxes payable under The Corporations Tax Act in respect of the corporation have been paid.

Reference to Standing Committee after first reading. Exceptions

69. Every Private Bill when read a first time, shall, unless it is an Estate Bill, or a Bill providing for a consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a municipal corporation, stand referred to the appropriate Standing Committee, and any Petitions to the House for or against the Bill stand referred to any such Committee.

Certain Municipal Applications referred to Ontario Municipal Board

70. (a) A Private Bill of a municipal corporation providing for the consolidation of a floating debt, or the consolidation or renewal of debentures (other than local improvement debentures) stand referred to the Ontario Municipal Board after first reading.

Board to report

- (b) The Board, after due enquiry, shall report to the House whether or not it is reasonable that the Bill, or that part thereof relating to the matters referred to in clause (a), should pass and what, if any, alterations should be made in the Bill.

Report to Clerk

- (c) A report shall be transmitted to the Clerk of the House.

Bill and report to Standing Committee

- (d) The Bill and report shall stand referred to the appropriate Standing Committee.

Estate Bills to Commissioners

71. (a) Every Estate Bill stands referred to the Commissioners of Estate Bills after first reading.

Commissioners to report

- (b) The Commissioners, or any two of them, shall report their opinion on the Bill and whether, presuming the allegations contained in the preamble to be proven to the satisfaction of the House, it is reasonable for the Bill to pass and what, if any, alterations are necessary.

Report to Clerk

- (c) A report of the Commissioners of Estate Bills shall be transmitted to the Clerk of the House.

Adverse Report by Commissioners

- (d) Where the Commissioners of Estate Bills report that, in their opinion, it is not reasonable that the Bill submitted to them pass into law, the Bill shall not be further considered.

Notice re Hearing by Standing Committee

72. (a) The Clerk of the House shall post on all notice boards five days notice of the date on which any Private Bill is to be considered by a Committee and the notice shall be published in the Notice Paper.

Notice of Next Day Meetings on Private Bills

- (b) The Clerk shall also publish in the Notice Paper a notice of any meeting of a Committee to consider Private Bills to be held on the following day.

Consent of interested persons

73. Any person whose interest or property may be affected by a Private Bill, when required, shall appear before the Committee considering the Bill to express his consent or objection, or may consent in writing, proof of which may be demanded by the Committee.

On Order Paper after report

74. Private Bills when reported by Standing Committees or the Commissioners of Estate Bills shall be placed on the Order Paper for second reading.

Bills initialled and signed by Chairman

75. (a) The Chairman of a Committee considering a Private Bill shall initial each section of the Bill as it is passed and sign the Bill.

Amendments

- (b) Amendments shall be clearly indicated in the signed copy, and the amendments or additions shall be initialled by the Chairman.

Reprinting amended Bills

76. Private Bills amended by a Committee or the Commissioners may be reprinted before further con-

sideration as the Clerk of the House may direct and the applicant shall pay the cost of printing the Bill.

Referral after second reading

77. Private Bills, after second reading, shall be ordered for third reading, unless specially ordered referred to the Committee of the Whole House.

Notice required to dispense with Standing Orders

78. Except by unanimous consent of the House given in case of urgent and pressing necessity, no motion may be made to dispense with any Standing Order relating to Private Bills without due notice thereof.

Private Bill Register

79. A Private Bill Register shall be kept in the office of the Clerk of the House, in which shall be entered, by the Clerk appointed for that purpose, the name, description, and place of residence of the parties

applying for the Bill, or of their agent, and all the proceedings thereon, such register to be open to public inspection daily, during office hours.

Parliamentary Agents

80. (a) Every Parliamentary Agent conducting proceedings before the House is personally responsible to the House and to the Speaker for the observance of the Standing Orders and Practices of Parliament, and also for the payment of all fees and charges.

Misconduct of Agent

(b) Any agent who wilfully acts in violation of the Standing Orders and Practices of Parliament, or who wilfully misconducts himself in prosecuting any proceedings before the House, is liable to an absolute or temporary prohibition to practise as a Parliamentary Agent, at the pleasure of the Speaker.

RODERICK LEWIS, Q.C.,
Clerk of the Legislative Assembly of Ontario.

Petitions to Parliament

Extract from the rules respecting the presentation of petitions

Form	29. (c) Petitions may be either written or printed and only the original, properly signed, and addressed to the Lieutenant Governor and the Legislative Assembly need be presented.
May not be signed by solicitor. Exceptions	(d) Petitions may not be signed by a solicitor as such, unless he is acting for a petitioner unable to sign due to absence from the Province or illness, and only then if the solicitor holds a Power of Attorney to be produced to the Clerk of the House if required.
Members responsible for contents	(e) Members presenting petitions are answerable that they do not contain any improper matter.
No petitions for expenditure of public funds	(f) No petition can be received which prays for any expenditure, grant or charge on the public revenue, whether payable out of the Consolidated Revenue Fund, or out of moneys to be provided by the House.

SAMPLE FORM FOR PETITIONS

To the Honourable the Lieutenant Governor and the
Legislative Assembly of Ontario:

We, the undersigned, beg leave to petition the Parliament of Ontario,
as follows:

NOTE: The subject of the Petition must relate to a grievance within the competence of the Assembly to remedy **and must not pray for any expenditure, grant or charge on the public revenue.**

The Member of the House presenting the Petition for the petitioners must endorse his name thereon and be answerable that it contain no improper matter.

RODERICK LEWIS, Q.C.,
Clerk of the Legislative Assembly of Ontario.

Applications to Parliament

THE CORPORATION OF THE COUNTY OF SIMCOE

NOTICE

NOTICE IS HEREBY GIVEN that the Corporation of the County of Simcoe intends to apply to the Legislative Assembly of the Province of Ontario at its next Session for an Act to change the number of representatives who may sit on the Council of the County of Simcoe.

The purpose of the private legislation is to reduce the membership on Simcoe County Council from the present 54 members to 39 members. Each local municipality within the County will have at least one member on Simcoe County Council. Some local municipalities will be allowed a second member on County Council, and plural votes will also be allowed.

Dated at Midhurst, Ontario, in the Township of Vespra, this 29th day of August, 1979.

(9477) 37 to 40 A. F. PELLETIER, A.M.C.T.,
County Clerk.

NOTICE OF APPLICATION BY THE CORPORATION OF THE CITY OF HAMILTON FOR PRIVATE LEGISLATION

NOTICE IS HEREBY GIVEN that The Corporation of the City of Hamilton will apply to the Legislative Assembly at its next session in 1979 or, if no session is held in 1979, to its first session in 1980, for private legislation to permit the City to investigate, plan and engage in salvage operations and in archeological exploration of historical or cultural artifacts of interest to the municipality and doing all necessary field work, research, studies and papers in connection therewith as well as recovering, raising, restoring and displaying the artifacts, and entering into agreements, within or without the municipality and applying section 293(3) of *The Municipal Act*.

This notice first published on the 15th day of September, 1979.

(9478) 37 to 40 E. A. SIMPSON,
City Clerk,
City Hall,

Miscellaneous Notices

ONTARIO ENERGY BOARD

NOTICE OF APPLICATIONS AND HEARINGS

TAKE NOTICE that the Ontario Energy Board has appointed Wednesday, October 17, 1979, at 2.30 p.m. at its offices, 9th Floor, 14 Carlton Street, Toronto, Ontario, for the hearing of applications by Northern and Central Gas Corporation Limited under *The Municipal Franchises Act*, for a certificate of public convenience and necessity and approval of the terms of a proposed franchise to distribute natural gas in the Town of Espanola.

In its franchise decision the Board may approve terms and conditions and a franchise period different from those proposed by the Applicant.

This Notice does not constitute service but is published as a matter of record only.

NOTICE OF APPLICATION TO DISPENSE WITH VOTE OF MUNICIPAL ELECTORS

TAKE NOTICE that at the hearings the Board will be asked to declare and direct that the assent of the municipal electors to the proposed franchise by-law is not necessary.

Dated at Toronto, this 28th day of August, 1979.

ONTARIO ENERGY BOARD:

S. A. C. THOMAS,
(9523) 37 Secretary to the Board.

Sheriffs' Sales of Lands

DISTRICT OF THUNDER BAY

UNDER AND BY VIRTUE OF a Writ of Execution issued out of the District Court of the District of Thunder Bay, and to me directed bearing date the 29th day of December, A.D. 1977, against the goods and chattels, lands and tenements of Christopher Caporale, at the suit of Canadian Imperial Bank of Commerce, I have seized and taken in execution all the right, title, interest and equity of redemption of Christopher Caporale, in and to:

All and Singular that certain parcel or tract of land and premises situate, lying and being in the City of Thunder Bay, in the District of Thunder Bay, and being composed of Lot Number 16, according to a plan registered in the Registry Office for the Registry Division of the District of Thunder Bay, as Number 511. Municipally known as 483 Adams Street, Thunder Bay.

On the premises is said to be erected a one-storey building with insulbrick siding, no basement, on a thirty-three foot lot and there is a small five by five shed at rear of lot. All of which said right, title, interest and equity of redemption of Christopher Caporale, shall be offered for sale by public auction in Court Room #3, (basement), Court House, Thunder Bay "P", Ontario, on Thursday, October the 18th, A.D. 1979, at 2.30 o'clock in the afternoon.

Dated at Thunder Bay "P", this 13th day of August, A.D. 1979.

This sale is subject to cancellation up to time of sale without any further notice.

TERMS—Cash or Certified Cheque. Deposit 10% of bid price at time of sale. Ten days to arrange financing. Delivery only on payment in full.

GEORGE H. BURNS,
(9507) 37 Sheriff, District of Thunder Bay.

UNDER AND BY VIRTUE OF an Execution issued out of the County Court of the County of Perth, to me directed, against the lands and tenements of Jim Closs, also known as James Closs, carrying on business as Jim Closs Well Digging, Defendant, at the suit of Corrugated Pipe Co. Ltd., Plaintiff, I have seized and taken in execution all the right, title, interest and equity of redemption of Jim Closs also known as James Closs, Defendant, in and to:

All and Singular that certain parcel or tract of land and premises situate, lying and being in the Township

of North Gwillimbury, in the County of York, being composed of Part of Lot Number Fourteen (14), in the Fifth Concession of the said Township.

On the premises is said to be erected a two-storey brick home with built in garage and one-half acre of land.

Municipally situated in the Township of Georgina (according to new regional government) and known as R.R. #1, Keswick, Ontario.

All of which said right, title, interest and equity of redemption of Jim Closs, also known as James Closs, Defendant, in the said lands and tenements, I shall offer for sale by public auction in my Office, Room 108, Court House, 361 University Ave., Toronto, Ontario, on Friday, October 19th, 1979 at 2.00 o'clock in the afternoon.

Dated at Toronto, this 4th day of September, 1979.

Terms: Cash or certified cheque
Deposit 10% of bid price at time of sale
(Minimum \$300.00 or 10%—whichever greater)
Ten days to arrange financing
Delivery only on payment in full

This sale is subject to cancellation up to time of sale without any further notice.

PHILIP J. AMBROSE,
(9524) 37 Sheriff, Judicial District of York.

UNDER AND BY VIRTUE OF an Execution issued out of the County Court of the Judicial District of York, to me directed, against the lands and tenements of Frederick Flood, Defendant, at the suit of Gordon Freer. Fritz Schmidt, Kim Warne, Timothy Anglin, Plaintiffs, I have seized and taken in execution all the right, title, interest and equity of redemption of Frederick Flood, Defendant, in and to:

All and Singular that certain parcel or tract of land and premises situate, lying and being in the Town of Richmond Hill, in the Regional Municipality of York, Province of Ontario, and being composed of the westerly sixty feet (60') of even width throughout of Lot Number 245, according to a Plan registered in the Registry Office for the Registry Division of Toronto Boroughs and York South (No. 64) as Number 2383.

On the premises is said to be erected a detached frame and stone 2-storey home, containing 3 bedrooms, kitchen and bath, heated by gas, private drive, no garage, no basement.

Municipally known as 355 Elmwood Avenue, Richmond Hill, Ontario.

All of which said right, title, interest and equity of redemption of the said Frederick Flood, Defendant, in the said lands and tenements, I shall offer for sale by public auction in my office, Room 108, Court House, 361 University Ave., Toronto, Ontario, on Friday, October 19th, 1979 at 1.30 o'clock in the afternoon.

Dated at Toronto, this 30th day of August, 1979.

This sale is subject to cancellation up to time of sale without any further notice.

PHILIP J. AMBROSE,
(9525) 37 Sheriff, Judicial District of York.

IN THE MATTER OF *The District of Parry Sound Local Government Act, 1979*; and

IN THE MATTER OF the election of the Council of the Township of Georgian Bay North Archipelago, the Township of Georgian Bay South Archipelago and the Town of Kearney.

ORDER

Under the provisions of section 5 of *The District of Parry Sound Local Government Act, 1979*, It Is ORDERED:

1. In this Order, "assistant returning and revising officer" means a person appointed by this order to undertake the duties of an assistant returning officer and an assistant revising officer as defined by paragraphs 3 and 4 of section 1 of *The Municipal Elections Act, 1977*. O. Reg. 623/79, s. 1.

2.—(1) Mr. John Rowlands is appointed the Chief Returning Officer for the election of councils of the Township of Georgian Bay North Archipelago, the Township of Georgian Bay South Archipelago and the Town of Kearney, to be held on the 12th day of November, 1979.

(2) The powers and duties of the Chief Returning Officer include the following:

1. General supervision of the elections;
2. The right to prescribe, vary or amend any of the forms or documents required for the purpose of the elections;
3. Notwithstanding section 17 of *The Municipal Elections Act, 1977* the right to divide the municipalities into polling subdivisions and submit such polling subdivisions to the assessment commissioner.
4. The right to specify the location of polling places, which may be located either within or outside the municipalities.
5. The implementation of any other act or thing which may be required for the effective undertaking of the election of the councils of the municipalities. O. Reg. 623/79, s. 2.

3. The Township of Georgian Bay North Archipelago is divided into three wards as set out in Schedule A and each ward shall be entitled to elect councillors to the Council of the Township as follows:

Ward 1 — Pointe au Baril Station: 2 councillors
 Ward 2 — Bayfield-Nares: 1 councillor
 Ward 3 — Pointe au Baril-Shawanaga: 1 councillor

O. Reg. 623/79, s. 3.

4. The Township of Georgian Bay South Archipelago is divided into three wards as set out in Schedule B and each ward shall be entitled to elect councillors to the Council of the Township as follows:

Ward 1 — Sans Souci-South Channel: 2 councillors
 Ward 2 — Crane-Blackstone: 1 councillor
 Ward 3 — Healey-Kapikog: 1 councillor

The Chief Returning Officer may appoint such assistant returning officers and assistant revising officers as he deems necessary to assist the Returning Officer in the preparation for and conduct of the said election. O. Reg. 623/79, s. 4.

5. Under section 14 of *The District of Parry Sound Local Government Act, 1979*, the Town of Kearney is divided into three wards as set out in Schedule C and each ward shall be entitled to elect two councillors to the Council of the Town. O. Reg. 623/79, s. 5.

THOMAS L. WELLS
 Minister of Intergovernmental Affairs

Dated at Toronto, this 28th day of August, 1979.

THE PARKWAY BELT PLANNING AND
DEVELOPMENT ACT, 1973

O. Reg. 627/79.

County of Halton (now The Regional
Municipality of Halton), City of
Burlington.

Made—August 31st, 1979.

Filed—August 31st, 1979.

REGULATION TO AMEND
ONTARIO REGULATION 482/73
MADE UNDER
THE PARKWAY BELT PLANNING AND
DEVELOPMENT ACT, 1973

1. Ontario Regulation 482/73 is amended by adding thereto the following section:

77. Notwithstanding any other provision of this Order, the land described in Schedule 65 may be used for the erection and use thereon of a single-family dwelling and buildings and structures accessory thereto provided the following requirements are met:

Minimum distance of all
buildings and structures
from the centre line of
Snake Road 70 feet

Minimum distance of all
buildings and structures
from the top of the brow
of Grindstone Creek as
established by the Hal-
ton Region Conservation
Authority 50 feet

Minimum distance of a septic tile bed from the top of the brow of Grindstone Creek as established by the Halton Region Conservation Authority

25 feet

Minimum distance of all buildings and structures from the northeasterly boundary of the land described in Schedule 65

25 feet

Minimum distance of all buildings and structures from the southwesterly boundary of the land described in Schedule 65

10 feet

Minimum distance of all buildings and structures from the southeasterly boundary of the land described in Schedule 65

50 feet

Maximum height of all buildings and structures

30 feet

O. Reg. 627/79, s. 1.

2. The said Regulation is further amended by adding thereto the following Schedule:

Schedule 65

That parcel of land situate in the City of Burlington in The Regional Municipality of Halton, formerly in the Township of East Flamborough in the County of Wentworth, being composed of that part of Lot 8 in Concession II more particularly described as follows:

Premising that the bearings used herein are assumed astronomic and are referred to the road allowance between concessions II and III on a course of north 45° 13' east;

Beginning at the northerly corner of the herein described parcel of land being a point in the southeasterly limit of the Snake Road as established by Instruments registered in the Land Registry Office for the Registry Division of Halton (No. 20) as Numbers 13079 and 1437, which point may be arrived at as follows:

Commencing at a point in the southeasterly limit of the said road allowance between concessions II and III where it is intersected by the production southeasterly of the division line between lots 8 and 9 in Concession III.

Thence north 45° 13' east along the southeasterly limit of the said road allowance 383.972 metres to a point in a northeasterly limit of the said Snake Road;

Thence southeasterly and southwesterly following the said northeasterly and southeasterly limit of Snake Road the following courses and distances namely:

South 44° 06' east 79.723 metres to a point;

South 35° 16' west 78.428 metres to the beginning of a curve;

On a curve to the right having a radius of 288.82 metres, an arc distance of 75.35 metres to the end of the curve, the chord of the said arc having a measurement of 75.148 metres and a bearing of south 42° 44' 30" west;

South 50° 13' west 3.039 metres to the said place of beginning of the herein described parcel;

Thence south 47° 45' east 24.91 metres to a point;

Thence south 29° 42' east 25.57 metres to a point;

Thence south 29° 23' east 55.26 metres to a point;

Thence south 37° 03' west 65.05 metres to a point;

Thence south 19° 11' east 5.486 metres to a point;

Thence south 46° 04' west 71.323 metres to a point;

Thence north 47° 31' west 44.20 metres to a point;

Thence north 51° 11' west 82.50 metres, more or less, to a point in the said southeasterly limit of Snake Road;

Thence north 50° 13' east along the said southeasterly limit of Snake Road 169.64 metres, more or less, to the place of beginning. O. Reg. 627/79, s. 2.

Proclamations

(Great Seal of Ontario) PAULINE M. McGIBBON
PROVINCE OF ONTARIO

ELIZABETH THE SECOND, by the Grace of God of the United Kingdom, Canada and Her other Realms and Territories, Queen, Head of the Commonwealth, Defender of the Faith.

TO ALL TO WHOM THESE PRESENTS SHALL COME,

GREETING:

PROCLAMATION

WHEREAS by an Act passed at the Third Session of the Thirty-first Legislature of Ontario convened on the sixth day of March, 1979 intituled "The Public Commercial Vehicles Amendment Act, 1979", being Chapter 56 of the Statutes of Ontario, 1979, it is enacted thereof that Subsection 4 of Section 6 and Subsection 2 of Section 8 of the said Act shall come into force on a day to be named by Our Lieutenant Governor by her Proclamation;

AND WHEREAS it has appeared expedient that a Proclamation should now issue bringing the said Act into force;

NOW THEREFORE KNOW YE that, having taken the premises into Our Royal consideration, We, by and with the advice of Our Executive Council of Ontario and in the exercise of the power in US vested in this behalf by the said Act or otherwise howsoever, Do, by this Our Royal PROCLAMATION hereby Name Friday, the thirty-first day of August, 1979 as the day upon which Subsection 4 of Section 6 and Subsection 2 of Section 8 of the said Act intituled "The Public Commercial Vehicles Amendment Act, 1979", being Chapter 56 of the Statutes of Ontario, 1979, shall come into force.

OF ALL WHICH PREMISES all Our loving subjects and all others whom it doth or may in anywise concern are hereby required to take notice and govern themselves accordingly.

IN TESTIMONY WHEREOF We have caused these Our Letters to be made patent and the Great Seal of Our Province of Ontario to be hereunto affixed.

WITNESS:

THE HONOURABLE PAULINE M. McGIBBON,
An Officer of the Order of Canada, Bachelor of Arts, Doctor of Laws, Doctor of University, Doctor of Sacred Letters, Bachelor of Applied Arts (Theatre), Honorary Fellow Royal College of Physicians and Surgeons (Canada), LIEUTENANT GOVERNOR OF OUR PROVINCE OF ONTARIO,

at Our City of Toronto in Our said Province this twenty-ninth day of August, in the year of Our Lord one thousand nine hundred and seventy-nine and in the twenty-eighth year of Our Reign.

BY COMMAND

(3268) 38 LORNE C. HENDERSON,
Minister of Government Services.

one thousand nine hundred and seventy-nine and in the
twenty-eighth year of Our Reign.

BY COMMAND

(3269) 38 LORNE C. HENDERSON,
Minister of Government Services.

The Ontario Highway Transport Board Act

POLICY STATEMENT

ITEM: Transfers and Temporaries.

STATEMENT: In the matter of applications for approval of transfers of operating licences, including transfers deemed to occur upon the issue or transfer of shares in a corporation which is the holder of an operating licence, the Board will not issue except in unusual circumstances a temporary authority to a transferee to permit the operation of the business prior to the approval of the transfer.

EFFECTIVE
DATE: September 7, 1979.

G. C. MARRS,
Vice-Chairman.

ITEM: Cancellation of Interim on
Adjournment of Hearing.

STATEMENT: In the case of an unopposed application, the first adjournment of the hearing granted at the request of the Applicant will not result in the cancellation of an existing interim operating licence. However, an interim operating licence will be cancelled in most cases upon the granting of a subsequent adjournment of the hearing at the request of the Applicant.

In the case of an opposed application, a request by an Applicant for an adjournment of the hearing and a continuation of the interim operating licence throughout the period of the adjournment must be made in writing and upon notice to all other parties. Such a request will be heard on a date to be determined by the Board and the cancellation of the interim operating licence will be considered at that time.

EFFECTIVE
DATE: September 7, 1979.

G. C. MARRS,
Vice-Chairman.

ITEM: Recording of Proceedings.
OBJECTIVE: To outline existing Board policy with respect to recordings and transcripts.

STATEMENT: (i) For some time, only hearings taking place in Toronto have been recorded. The Board has recently adopted the policy of recording all proceedings.

(ii) Original tape recordings have been available for listening at the Board's offices. This practice will be discontinued in future but duplicates of tapes recorded during any proceeding will be available to the public at a cost of \$10.00 per tape. This fee is designed to recover the Board's cost of preparing a duplicate.

(iii) Typed transcripts from the tape records of all proceedings are also available to any person upon request and payment of \$1.75 per page. Any person interested in obtaining transcripts or duplicate tapes are asked to request same from Mr. D. S. Church, Secretary of the Board.

The Board feels that these services are in the interest of the public generally and will benefit the administration of transportation regulation.

Any comments in writing on these procedures will be welcomed as the Board intends to review them to ensure they are consistent with the needs of the public.

EFFECTIVE

DATE: September 7, 1979.

G. C. MARRS,
Vice-Chairman.

ITEM: Renewals of P.C.V. or P.V. operating licences.

OBJECTIVE: To clarify procedures with respect to renewals of operating licences that have expired as a result of a failure to renew vehicles licences.

COMMENT: *The Public Commercial Vehicles Act*, Ontario, Section 9, subsections 1 and 2 provides:

"(1) An operating licence expires on the 1st day of July in each year or on the expiry of the vehicle licences for the vehicles operating pursuant to the operating licence unless before such date or such expiry, as the case may be, the holder of the operating licence has applied for and acquired vehicle licences for such vehicles for the period immediately following such date or such expiry, as the case may be.

(2) Where the holder of an operating licence has acquired vehicle licences in accordance with subsection 1, his operating licence is deemed to be renewed for the period which the vehicle licences are issued. 1971, c. 50, s. 71 (5) part."

The Public Vehicles Act, Ontario, Section 6 subsections 1 and 2 contain similar provisions.

A person holding an operating licence which has expired pursuant to those provisions may apply for a new licence, subject to the determination of public necessity and convenience by the Board, by making application(s) for an operating licence in the same or similar terms as those in the former licence.

STATEMENT:

1. Where a person who has failed to renew his operating licence:

— applies for interim and permanent authorities on or before the 30th day of September and

— supports the application for renewal by an affidavit stating:

(a) that the licence was valid and operated on a continuous basis during the previous vehicle licensing year, and,

(b) the reason for the failure to purchase the necessary vehicle licences as required,

the Board may issue an interim authority in the same or similar terms as the previous operating licence, and publish the application under Section 8 of Regulation 632 pursuant to *The Ontario Highway Transport Board Act* of Ontario.

If the application is opposed, the matter will be set down for a public hearing. The applicant would be expected to attend and to support his application with public witnesses.

2. Where a person has failed to renew his operating licence:

— applies for interim and permanent authorities after September 30th but before January 1st; and

— supports the applications by filing the affidavits outlined in 1 above and an affidavit from a shipper or shippers to the effect that the applicant has provided service on a continuous basis in accordance with the terms of his operating licence during the previous licensing year,

the Board may issue an interim authority in the same or similar terms as the operating licence, and will set the permanent application down for a public hearing. The applicant will be expected to attend the hearing and support his application with public witnesses if the application is opposed.

3. Where a person fails to renew his operating licence:

— applies for renewal in any form on or after January 1st, the application(s) will be treated in the same manner as a new applicant and the Board will set the matter down for a public hearing.

B. B. ALEXANDER,
Chairman.

(3270) 38

The following application for a certificate under *The Public Commercial Vehicles Act*, R.S.O. 1970, Chapter 375, will be heard by the Ontario Highway Transport Board at the Council Chambers, The Regional Municipality of Sudbury, Sudbury, Ontario, on Thursday, the 25th day of October, 1979, at 10.00 a.m. (E.D.S.T.).

W. J. Mowat Limited, 12656-Y
60 Bathurst Street,
Toronto, Ontario,

applies for an amendment to Class 'A' public commercial vehicle operating licence No. A-585 as follows:

Delete therefrom the following:

- (1) For the carriage of goods between Metropolitan Toronto and all points in the Towns of Mississauga, Port Credit or Streetsville, and that part of the Township of Vaughan bounded on the west by King's Highway No. 400 and bounded on the north by Sherwood Road (also known as Carrville Road) and bounded on the east by Keele Street running south to Langstaff Road and also bounded on the east by Dufferin Street running south from Langstaff Road to Metropolitan Toronto.

PROVIDED that there be no movement of goods:

- (i) to or from the Toronto International Airport (Malton)
- (ii) in tank-trucks, tank-trailers or other equipment especially designed and/or constructed for the movement of commodities in bulk;
- (iii) to or from Brampton, Richmond Hill or Oakville;
- (iv) in shipments exceeding 3,000 pounds in weight from the installations of Domtar Construction Materials Limited and/or Canada

Brick, division of Martin-Marietta (Canada) Limited in the Towns of Mississauga, Port Credit or Streetsville or the Townships of Chingacousy and Vaughan.

- (2) For the carriage of goods that are picked up by the licensee on its City of Hamilton cartage authority from the City of Hamilton to the licensee's warehouse, situate in the Township of East Flamborough, for sorting purposes only; and for the return of the said goods to the City of Hamilton for delivery purposes only in the City of Hamilton, as authorized, by the said City of Hamilton Cartage authority.

EXTENSION GRANTED:

All references to "Toronto" and "Metropolitan Toronto" in this operating licence shall be interpreted to mean—Metropolitan Toronto and all points in that part of the Town of Markham in the Regional Municipality of York bounded:

- (i) on the north by the southerly boundary of the Town of Richmond Hill, and the Carrville Road (also known as 16th Avenue) running east from the easterly boundary of the Town of Richmond Hill;
- (ii) on the east by Kennedy Road;
- (iii) on the south by Steeles Avenue; and
- (iv) on the west by Highway No. 11 (Yonge Street) and the easterly boundary of the Town of Richmond Hill.

PROVIDED that the licensee does not operate tank trucks, tank trailers or other equipment which has been especially designed and constructed for the movement of commodities in bulk, unless previously authorized.

PROVIDED FURTHER that this extension does not authorize the transportation of goods to or from the Towns of Richmond Hill, Vaughan and Whitchurch-Stouffville, unless previously authorized.

EXTENSION GRANTED:

1. For the carriage of goods between Metropolitan Toronto, the City of Mississauga and that part of the Town of Vaughan bounded on the west by King's Highway No. 400 and bounded on the north by Sherwood Road (also known as Carrville Road) and bounded on the east by Keele Street running south to Langstaff road and also bounded on the east by Dufferin Street running south from Langstaff Road to Metropolitan Toronto; and that part of the Town of Markham bounded on the north by the southerly boundary of the Town of Richmond Hill and the Carrville Road (also known as 16th Avenue) running east from the easterly boundary of the Town of Richmond Hill; on the east by Kennedy Road; on the south by Steeles Avenue and on the west by Highway No. 11 (Yonge Street) and the easterly boundary of the Town of Richmond Hill; and that portion of the City of Brampton bounded on the south by the northern limits of the City of Mississauga, bounded on the west by the westerly limits of the City of Brampton, bounded on the east by the easterly limits of the City of Brampton, and bounded on the north by County Road No. 16 of the County of Peel.

PROVIDED that there be no movement of goods:

1. to or from Toronto International Airport;
2. in tank-truck, tank-trailers or other equipment especially designed and/or constructed for the movement of commodities in bulk;
3. to or from Richmond Hill or Oakville;
4. in shipments exceeding 3,000 pounds in weight from the installations of Domtar Construction Materials Ltd., and/or Canada Brick, a division of Martin-Marietta (Canada) Limited in the City of Mississauga and the Township of Chinguacousy and Vaughan;
5. to or from that portion of the City of Brampton known as the Town of Brampton as at December 31, 1973.

EXTENSION GRANTED:

All references to 'Metropolitan Toronto' in this operating licence shall be deemed to include the Town of Ajax and that part of the Town of Pickering on and south of King's Highway No. 7".

And substitute therefor, the following:

"1. For the carriage of goods between Metropolitan Toronto and

- (a) the City of Mississauga;
- (b) that part of the Town of Vaughan bounded on the west by King's Highway No. 400 and bounded on the north by Sherwood Road (also known as Carrville Road) and bounded on the east by Keele Street running south to Langstaff Road and also bounded on the east by Dufferin Street running south from Langstaff Road to Metropolitan Toronto;
- (c) that part of the Town of Markham bounded on the north by the southerly boundary of the Town of Richmond Hill and the Carrville Road (also known as 16th Avenue) running east from the easterly boundary of the Town of Richmond Hill; on the east by Kennedy Road; on the south by Steeles Avenue and on the west by King's Highway No. 11 (Yonge Street) and the easterly boundary of the Town of Richmond Hill;
- (d) that portion of the City of Brampton bounded on the south by the northern limits of the City of Mississauga bounded on the west by the westerly limits of the City of Brampton, bounded on the east by the easterly limits of the City of Brampton and bounded on the north by County Road No. 16 of the County of Peel; and
- (e) the Town of Ajax and that part of the Town of Pickering on and south of King's Highway No. 7;

PROVIDED that there be no movement of goods:

- (i) to Toronto International Airport for furtherance by air, or from the said Toronto International Airport unless previously authorized;
- (ii) in tank-trucks, tank-trailers or other equipment specially designed and/or constructed for the movement of commodities in bulk;
- (iii) to or from Richmond Hill or Oakville, unless previously authorized;

- (iv) in shipments exceeding 3,000 pounds in weight from the installations of Domtar Construction Materials Ltd. and/or Canada Brick, division of Martin-Marietta (Canada) Limited in the City of Mississauga or the Township of Chinguacousy and Vaughan; and
- (v) to or from that portion of the City of Brampton known as the Town of Brampton as at December 31, 1973.

2. For the carriage of goods that are picked up by the licensee on its City of Hamilton cartage authority from the City of Hamilton to the licensee's warehouse, situate in the Township of East Flamborough, for sorting purposes only; and for the return of the said goods to the City of Hamilton, for delivery purposes only in the City of Hamilton, as authorized by the said City of Hamilton cartage authority".

Also applies for an extension to Class 'D' privileges on present public commercial vehicle operating licence No. A-585 as follows:

- (1) For the carriage of beauty preparations and toiletries, for and on behalf of Shulton of Canada Limited, from Metropolitan Toronto,

PROVIDED there be no movement of goods west of the westerly limits of the Regional Municipality of Sudbury or north of the northerly limits of the Regional Municipality of Sudbury;

- (2) For the carriage of products of Dow Pharmaceuticals, a division of Dow Chemical of Canada Limited, between their installation at the Town of Richmond Hill and Metropolitan Toronto".

Trans-Western Express Ltd.,
48 East 56th Avenue,
Denver, Colorado,

31618

Errata

Vide Ontario Gazette, Vol. 112, Issue 34, dated August 25th, 1979, page 4271.

NOTICE IS HEREBY GIVEN that the notice with respect to an Order Reviving Corporations issued to Windsor Coalition For Development Incorporated, as set out in THE ONTARIO GAZETTE of August 25, 1979, the heading was set out in error, and should read: Order Reviving Corporate Powers, under *The Corporations Act*, in the said notice and wherever the same shall appear.

Vide Ontario Gazette, Vol. 112, Issue 35, dated September 1st, 1979, page 4387.

NOTICE IS HEREBY GIVEN that the notice with respect to an Order Reviving Corporations issued to:

1. Central Ontario Industrial Relations Institute, and,
2. The Ottawa Foundation For Medical Research,

as set out in THE ONTARIO GAZETTE of September 1, 1979, the headings for both companies were set out in error, and should read: Order Reviving Corporate Powers, under *The Corporations Act*, instead of under

The Business Corporations Act, in the said notice and wherever the same shall appear.

Vide Ontario Gazette, Vol. 112, Issue 30, dated July 28th, 1979, page 3545.

The Environmental Assessment Act, 1975

MTC-1/2

Exemption Section 30

Having received a request from the Minister of Transportation and Communications that an undertaking, namely:

The Activity of carrying out construction and maintenance under that portion of the Ministry

of Transportation and Communications' Capital Construction Program, consisting of the following, be exempted from the application of the Act pursuant to Section 30:

- (a) Construction or reconstruction of railroad or crossroad grade separations;
- (b) Operational improvements such as adding auxiliary lanes for localized purposes (weaving, climbing, speed change, passing, turning, etc.) shoulder paving, median crossovers and correcting substandard intersections;
- (c) Installation and maintenance of traffic control devices such as signing, pavement marking signalization, and freeway surveillance and control systems;
- (d) Safety projects, such as lighting, grooving for skid resistance, provisions of glare screens, safety barriers and energy attenuators;
- (e) Highway landscaping;
- (f) Improvements and modifications to existing patrol yards, and truck inspection stations, and agricultural or other types of inspection stations, including buildings and associated facilities, and their operation;
- (g) Installation, modification, or maintenance of noise barriers to provide noise attenuation on existing highways;
- (h) Restoration of a highway facility which is commenced immediately after the occurrence of a natural disaster or catastrophe in order to restore the highway;
- (i) Resurfacing, patching and frost heave treatment with no change in horizontal alignment;
- (j) Normal drainage maintenance, such as drainage improvements, culvert and structure maintenance and construction or replacement of entrances;
- (k) Stockpiling, including sand, deicing chemicals, gravel and fill;
- (l) Normal maintenance operations, such as shoulder maintenance, crack filling, slope repair, minor repairs to structures, snow and ice removal, snow fence installation and removal and highway fence replacement;
- (m) Owner-initiated property transfers, in hardship cases;
- (n) Installation of underpasses or overpasses for pedestrians, recreational or agricultural purposes;
- (o) Utility or building removal, modification or relocation for safety or aesthetic purposes and new fence installation;
- (p) Establishment and maintenance of minor roadside parks, and picnic sites; and
- (q) Commuter parking lots on MTC property at interchanges;

Where:

Hardship Cases include the following situations:

- (1) Situations in which a building permit has been refused on the basis that the proposal is on lands which may be used for a highway facility which is subject to the Act and approval has not yet been granted;
- (2) Situations where a person wants to sell his property quickly (i.e. for health or financial reasons or to settle an estate) but is unable to do so at a satisfactory price because a highway location study is underway or a highway location is proposed to cross the property pending approval under the Act.

Having been advised that if the undertaking is subject to the application of the Act, the following injury, damage or interference with the persons and property indicated will occur:

1. The Crown will be interfered with and damaged by the undue delay and expense required to prepare environmental assessments for projects that primarily are of a minor nature and tend to have little or no detrimental effects on the environment; and
2. The public will be interfered with and damaged by undue delay in the carrying out of programs which are for the safety, comfort or convenience of both users and non-users of the existing Provincial roads system, or for the maintenance of the system; and

Having weighed such injury, damage or interference with the betterment of the people of the whole or any part of Ontario by the protection, conservation and wise management in Ontario of the environment which would result from the undertaking being subject to the application of the Act;

I am of the opinion that it is in the public interest to order and do order that the undertaking is exempt from the application of the Act for the following reasons:

1. The undertaking is unlikely to have any significant adverse effects on the environment, and therefore, the interference with the Ministry of Transportation and Communications' program as described which would be caused by the application of the Act would be undue;
2. The undertaking is for the safety, comfort or convenience of both users and non-users of the existing Provincial roads system, and for the maintenance of the said system;
3. The protection, conservation and wise management of the environment will be sufficiently provided for by the environmental screening process already followed by the Ministry of Transportation and Communications, as part of its policy;
4. This order is for the purpose of replacing order MTC A-1 dated 14th day of October 1976, and published in THE ONTARIO GAZETTE, dated 13th day of November

1976, as the description of the undertakings listed in the previous order omitted certain items which are now included herein; and for the purposes of clarifying other items exempted under that Order.

This exemption is subject to the following terms and conditions:

1. Where an approval to proceed has been obtained under the Act for an undertaking which includes all or part of a work listed, such work or part thereof shall be carried out in accordance with the terms and conditions of the approval; and
2. The exemption for the purchase of properties for "hardship" reasons is restricted to owner-initiated purchases, where the owner can demonstrate in writing a need to sell the property prior to approval of the route proposed on that property under the Act, and such property acquisition shall *not* influence or determine the acceptance and approval of that route.

This order comes into force and has effect on and after the date upon which it is signed.

Dated this 29th day of August, 1979.

HARRY C. PARROTT, D.D.S.,
Minister of the Environment.

Approved by
O.C. No. 2138/79

Applications to Parliament — Private Bills

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Standing Orders governing the submission of such Bills:

NOTE: The previous Standing Orders of the Legislative Assembly have been repealed and the following put into effect by an Order of the House passed on Thursday, December 14th, 1978.

Attention is drawn to the more important changes:—

- No time limit.
- No penalties for late filing.
- Required notice of advertising reduced to four weeks from six weeks.

PRIVATE BILLS

Filing Bill with Clerk

65. (a) Any person, group or corporation may apply for a Private Bill by filing with the Clerk of the House a copy of the Bill together with a fee of \$150.00.

Applicant to pay cost of printing

(b) Every applicant for a Private Bill shall pay the cost of printing the Bill, including the cost of printing the Act in the annual Statutes.

Other charges

(c) Where a Standing Order is suspended with reference to a Bill, a charge of \$50.00 shall be levied.

Additional fees

(d) Where a Bill incorporates a company, or increases the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable in the case of an incorporation or increase of capital under The Business Corporations Act, less the sum of \$150.00 already paid to the Clerk of the House.

(e) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:—

On amounts less than \$10,000.....	\$ 25
On amounts over \$10,000 and up to \$25,000	50
On amounts over \$25,000 and up to \$40,000	75
On amounts over \$40,000 and up to \$75,000	100
On amounts over \$75,000 and up to \$125,000	125
On amounts over \$125,000 and up to \$175,000	150
On amounts over \$175,000 and up to \$250,000	200
On amounts over \$250,000 and up to \$350,000	250
and an additional fee of \$50 for every \$100,000 over \$350,000.	

Publication of Standing Orders re Private Bills

(f) The Clerk of the House shall publish weekly in *The Ontario Gazette* the Standing Orders respecting applications for Private Bills.

Required notice of applications

(g) Notice of an application for a Private Bill shall be given before it is referred to a Standing Committee by publishing it once a week for at least four weeks in each of *The Ontario Gazette* and one newspaper circulated in the municipality most affected and the notice shall,

- (i) be signed by or on behalf of the applicant;
- (ii) clearly state the nature and object of the application;
- (iii) when the application refers to any proposed work, indicate generally the location of the work; and

Bills for debenture issues

- (iv) where the application is by a municipal corporation for authority to issue debentures, set out the particulars of the existing debenture debt and the amount of the rateable property of the municipality according to the last revised assessment roll of the corporation and in brief and general terms, the object for which the new issue of debentures is required.

Clerk reports to Standing Procedural Affairs Committee

66. (a) The Clerk of the House shall refer to the Standing Procedural Affairs Committee any application that, in his opinion, does not comply with the Standing Orders.

Declaration re advertising

(b) The applicants for a Private Bill shall lodge with the Clerk of the House a declaration proving publication of the notice.

Letters Patent

67. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Charter or Agreement, shall be attached to it.

Certificate of Minister of Revenue re Letters Patent

68. No Bill relating to the status of a corporation shall be considered by any Committee until there has been deposited with the Clerk of the House a certificate of the Minister of Revenue showing that all taxes payable under The Corporations Tax Act in respect of the corporation have been paid.

Reference to Standing Committee after first reading. Exceptions

69. Every Private Bill when read a first time, shall, unless it is an Estate Bill, or a Bill providing for a consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a municipal corporation, stand referred to the appropriate Standing Committee, and any Petitions to the House for or against the Bill stand referred to any such Committee.

Certain Municipal Applications referred to Ontario Municipal Board

70. (a) A Private Bill of a municipal corporation providing for the consolidation of a floating debt, or the consolidation or renewal of debentures (other than local improvement debentures) stand referred to the Ontario Municipal Board after first reading.

Board to report

(b) The Board, after due enquiry, shall report to the House whether or not it is reasonable that the Bill, or that part thereof relating to the matters referred to in clause (a), should pass and what, if any, alterations should be made in the Bill.

Report to Clerk

(c) A report shall be transmitted to the Clerk of the House.

Bill and report to Standing Committee

(d) The Bill and report shall stand referred to the appropriate Standing Committee.

Estate Bills to Commissioners

71. (a) Every Estate Bill stands referred to the Commissioners of Estate Bills after first reading.

Commissioners to report

(b) The Commissioners, or any two of them, shall report their opinion on the Bill and whether, presuming the allegations contained in the preamble to be proven to the satisfaction of the House, it is reasonable for the Bill to pass and what, if any, alterations are necessary.

Report to Clerk

(c) A report of the Commissioners of Estate Bills shall be transmitted to the Clerk of the House.

Adverse Report by Commissioners

(d) Where the Commissioners of Estate Bills report that, in their opinion, it is not reasonable that the Bill submitted to them pass into law, the Bill shall not be further considered.

Notice re Hearing by Standing Committee

72. (a) The Clerk of the House shall post on all notice boards five days notice of the date on which any Private Bill is to be considered by a Committee and the notice shall be published in the Notice Paper.

Notice of Next Day Meetings on Private Bills

(b) The Clerk shall also publish in the Notice Paper a notice of any meeting of a Committee to consider Private Bills to be held on the following day.

Consent of interested persons

73. Any person whose interest or property may be affected by a Private Bill, when required, shall appear before the Committee considering the Bill to express his consent or objection, or may consent in writing, proof of which may be demanded by the Committee.

On Order Paper after report

74. Private Bills when reported by Standing Committees or the Commissioners of Estate Bills shall be placed on the Order Paper for second reading.

Bills initialled and signed by Chairman

75. (a) The Chairman of a Committee considering a Private Bill shall initial each section of the Bill as it is passed and sign the Bill.

Amendments

(b) Amendments shall be clearly indicated in the signed copy, and the amendments or additions shall be initialled by the Chairman.

Reprinting amended Bills

76. Private Bills amended by a Committee or the Commissioners may be reprinted before further consideration as the Clerk of the House may direct and the applicant shall pay the cost of printing the Bill.

Referral after second reading

77. Private Bills, after second reading, shall be ordered for third reading, unless specially ordered referred to the Committee of the Whole House.

Notice required to dispense with Standing Orders

78. Except by unanimous consent of the House given in case of urgent and pressing necessity, no motion may be made to dispense with any Standing Order relating to Private Bills without due notice thereof.

Private Bill Register

79. A Private Bill Register shall be kept in the office of the Clerk of the House, in which shall be entered, by the Clerk appointed for that purpose, the name, description, and place of residence of the parties applying for the Bill, or of their agent, and all the proceedings thereon, such register to be open to public inspection daily, during office hours.

Parliamentary Agents

80. (a) Every Parliamentary Agent conducting proceedings before the House is personally responsible to the House and to the Speaker for the observance of the Standing Orders and Practices of Parliament, and also for the payment of all fees and charges.

Misconduct of Agent

(b) Any agent who wilfully acts in violation of the Standing Orders and Practices of Parliament, or who wilfully misconducts himself in prosecuting any proceedings before the House, is liable to an absolute or temporary prohibition to practise as a Parliamentary Agent, at the pleasure of the Speaker.

RODERICK LEWIS, Q.C.,
Clerk of the Legislative Assembly of Ontario.

Petitions to Parliament

Extract from the rules respecting the presentation of petitions

Form

29. (c) Petitions may be either written or printed and only the original, properly signed, and addressed to the Lieutenant Governor and the Legislative Assembly need be presented.

May not be signed by solicitor. Exceptions

(d) Petitions may not be signed by a solicitor as such, unless he is acting for a petitioner unable to sign due to absence from the Province or illness, and only then if the solicitor holds a Power of Attorney to be produced to the Clerk of the House if required.

Members responsible for contents

(e) Members presenting petitions are answerable that they do not contain any improper matter.

No petitions for expenditure of public funds

(f) No petition can be received which prays for any expenditure, grant or charge on the public revenue, whether payable out of the Consolidated Revenue Fund, or out of moneys to be provided by the House.

SAMPLE FORM FOR PETITIONS

To the Honourable the Lieutenant Governor and the Legislative Assembly of Ontario:

We, the undersigned, beg leave to petition the Parliament of Ontario, as follows:

NOTE: The subject of the Petition must relate to a grievance within the competence of the Assembly to remedy **and must not pray for any expenditure, grant or charge on the public revenue.**

The Member of the House presenting the Petition for the petitioners must endorse his name thereon and be answerable that it contain no improper matter.

RODERICK LEWIS, Q.C.,
Clerk of the Legislative Assembly of Ontario.

Sheriffs' Sales of Lands

UNDER AND BY VIRTUE OF an Execution issued out of the Supreme Court of Ontario, to me directed, against the lands and tenements of Kopic Wrecking & Salvage Ltd., Stephen Kopic and Dorothy Irene Kopic, Defendants, at the suit of The Waterloo Mutual Insurance Company, et al, Plaintiffs, I have seized and taken in execution all the right, title, interest and equity of the redemption of the Defendant, Dorothy Irene Kopic, in and to:

All and Singular that certain parcel or tract of land and premises situate, lying and being in the Township of Brantford, in the County of Brant, and being composed of part of the lands granted to Daniel Hawley, containing by admeasurement 3 acres more or less.

The improvements thereon are said to be a ranch type brick house, municipally known as R.R. 1, Brantford, Ontario.

All of which said right, title, interest and equity of redemption of the said Dorothy Irene Kopic, Defendant, in the said lands and tenements, I shall offer for sale by public auction in my office at the Court House, Brantford, Ontario, on Wednesday, the 24th day of October, 1979, at 2.00 o'clock in the afternoon.

Dated at Brantford, Ontario, this 5th day of September, 1979.

This sale is subject to cancellation without further notice.

(9563) 38 J. N. BRAGG,
Sheriff, County of Brant.

UNDER AND BY VIRTUE OF a Writ of *Fieri Facias* issued out of the Supreme Court of Ontario, bearing the date, the 3rd day of August, 1978, to me directed, wherein, Margaret W. Gedye is the Plaintiff and Frederick Victor Wood is the Defendant, I have seized and taken in execution all the right, title, interest and equity of redemption of Frederick Victor Wood, Defendant, in and to:

All and Singular that certain parcel or tract of land and premises situate, lying and being in the Township of Brunel, now in the Town of Huntsville, in the District Municipality of Muskoka, and being composed of Lot No. 7, in the 13th Concession of the said Township, Deed No. 102636.

Saving and Excepting that portion of the said lot included within registered Plan No. 6 for the said Township.

The property is vacant land situated on Chub Lake, and comprised of approximately 95 acres more or less.

All of which said right, title, interest and equity of redemption of the said Frederick Victor Wood, Defendant, in the said lands and tenements, I shall offer for sale by public auction in my office, Court House, 3 Dominion Street, Bracebridge, Ontario, on Friday, October 26, 1979, at 2.00 p.m. in the afternoon.

Dated at Bracebridge, this 6th day of September, 1979.

Terms: Cash or certified cheque
Deposit 10% of bid price at time of sale
Minimum—\$500.00
Ten days to arrange financing
Delivery only on payment in full

This sale is subject to cancellation up to the time of sale without further notice.

(9564) 38 SYBIL E. J. JACKSON,
Sheriff, District of Muskoka.

UNDER AND BY VIRTUE OF an Execution issued out of the County Court of the Judicial District of Ottawa-Carleton, to me directed, against the lands and tenements of Marjorie Marcenko, at the suit of Household Finance Corporation of Canada, I have seized and taken in execution all the right, title, interest and equity of redemption of Marjorie Marcenko, in and to:

All and Singular that certain parcel or tract of land and premises situate, lying and being in the City of Ottawa, in the Regional Municipality of Ottawa-Carleton, Province of Ontario, namely, 2433 Cheshire Road, Ottawa, Ontario.

All of which said right, title, interest and equity of redemption of the said Marjorie Marcenko, in the said lands and tenements, I shall offer for sale by public auction in my office, Room M-11, Court House, 2 Daly Avenue, Ottawa, Ontario, on Monday, December 10th, 1979, at 2.00 o'clock in the afternoon.

This sale is subject to cancellation up to time of sale without any further notice.

Terms:

Cash or certified cheque. Deposit 10% of bid price at time of sale. Ten days to arrange financing. Delivery only on payment in full.

Dated at Ottawa, Ontario, this 10th day of September, 1979.

(9574) 38 R. BRUCE HAMILTON,
Sheriff.

THE CROP INSURANCE ACT (ONTARIO)

O. Reg. 632/79.
Crop Insurance Plan—Tomatoes.
Made—July 31st, 1979.
Approved—August 15th, 1979.
Filed—September 4th, 1979.

REGULATION TO AMEND
REGULATION 153 OF
REVISED REGULATIONS OF ONTARIO, 1970
MADE UNDER
THE CROP INSURANCE ACT (ONTARIO)

1. Subsection 1 of section 9 of the Schedule to Regulation 153 of Revised Regulations of Ontario, 1970, as remade by section 2 of Ontario Regulation 563/75, is revoked and the following substituted therefor:
- (1) The coverage provided in each crop year under a contract of insurance shall be 80 per cent of,
- (a) the average yield in tons; or
- (b) the contract tonnage,
- of the insured person, whichever is the lesser, multiplied by the number of contract acres.
2. Clauses *a* and *b* of subsection 4 of section 12 of the said Schedule, as made by section 5 of Ontario Regulation 563/75, are revoked and the following substituted therefor:
- (a) \$6.50 per acre where the insured person is eligible for a lost plants benefit of a maximum of \$87.50 per acre; or
- (b) \$9.80 per acre where the insured person is eligible for a lost plants benefit of a maximum of \$130 per acre.

HENRY EDIGER
Chairman

RONALD ATKINSON
Secretary

Dated at Toronto, this 31st day of July, 1979.

THE CROP INSURANCE ACT (ONTARIO)

O. Reg. 633/79.
Crop Insurance Plan for
Winter Wheat.
Made—July 31st, 1979.
Approved—August 15th, 1979.
Filed—September 4th, 1979.

REGULATION TO AMEND
ONTARIO REGULATION 809/75
MADE UNDER
THE CROP INSURANCE ACT (ONTARIO)

1. Subsections 4 and 5 of section 9 of the Schedule to Ontario Regulation 809/75 are revoked and the following substituted therefor:
- (4) Payment of a reseeding benefit shall be deemed not to be payment of a claim for the purposes of subsections 2 and 3.
- (5) Where, in any year, a claim for loss of production is paid in an amount less than half of the total premium for that year, the coverage for the following year shall remain unchanged.
- (6) The number of bushels determined under subsections 1, 2 and 3 constitutes the total guaranteed production under a contract of insurance.
2. Subsection 1 of section 11 of the said Schedule, as remade by section 1 of Ontario Regulation 712/77, is revoked and the following substituted therefor:
- (1) For the purposes of this plan the established price for winter wheat is,
- (a) \$2.75; or
- (b) \$3.50,
- per bushel.
3. Subsection 1 of section 12 of the said Schedule, as remade by section 2 of Ontario Regulation 712/77, is revoked and the following substituted therefor:
- (1) The total premium is,
- (a) \$7.50 per acre where the established price is \$2.75 per bushel; and

- (b) \$9.50 per acre where the established price is \$3.50 per bushel.
4. Subsections 1 and 2 of section 15 of the said Schedule are revoked and the following substituted therefor:

(1) The Commission may revise the final acreage report in any or all respects and, in such case, shall notify the insured person in writing forthwith respecting such revision.

(2) The insured person shall be deemed to have agreed with the revision of the final acreage report made by the Commission under subsection 1 unless, within ten days from the mailing or delivery of the notification by the Commission, he notifies the Commission in writing that he rejects such revision.
5. Section 17 of the said Schedule is revoked.
6. Clause *a*, as remade by section 3 of Ontario Regulation 712/77, clause *b*, and clause *c*, as remade by section 3 of Ontario Regulation 712/77, of subparagraph 3 of paragraph 5 of Form 1 of the said Regulation are revoked and the following substituted therefor:

(a) \$18 per acre where the established price is \$2.75 per bushel; or

(b) \$25 per acre where the established price is \$3.50 per bushel.

.
7. Paragraphs 4, 5, 9, 10, 11, 12 and 15 of Form 3 of the said Regulation are revoked.

31. Notwithstanding any other provision of this Order, the land described in Schedule 25 may be used for,

- (a) the continued use thereon of a cottage, two single-family dwellings and a mobile home and buildings and structures accessory thereto; and
- (b) the erection and use thereon of an additional mobile home and buildings and structures accessory thereto,

provided the following requirements apply to the additional mobile home:

Minimum front yard	7.5 metres
Minimum side yards	3 metres on one side and 1.2 metres on the other side
Minimum rear yard	7.5 metres
Minimum total floor area of the additional mobile home	21 square metres
Maximum percentage of lot to be occupied by the additional mobile home	15 per cent
Maximum height of the additional mobile home	two and one-half storeys

O. Reg. 641/79, s. 1.

2. The said Regulation is further amended by adding thereto the following Schedule:

Schedule 25

That parcel of land situate in the geographic Township of Bigwood in the Territorial District of Sudbury, being composed of that part of Lot 11 in Concession II more particularly described as follows:

Beginning at the southwesterly corner of the said Lot 11;

Thence northerly along the westerly limit of the said Lot a distance of 2,649 feet;

Thence easterly and parallel to the southerly limit of the said Lot to a point in the line between the east and west halves of the said Lot;

Thence southerly along the said line between the east and west halves of the said Lot to a point in the southerly limit of the said Lot;

Thence westerly along the said southerly limit of the said Lot to the place of beginning. O. Reg. 641/79, s. 2.

THE PARKWAY BELT PLANNING AND DEVELOPMENT ACT, 1973

O. Reg. 644/79.

County of Peel (now The Regional Municipality of Peel), Town of Mississauga (now Part of the City of Brampton and Part of the City of Mississauga).

Made—August 31st, 1979.

Filed—September 6th, 1979.

REGULATION TO AMEND ONTARIO REGULATION 479/73 MADE UNDER THE PARKWAY BELT PLANNING AND DEVELOPMENT ACT, 1973

1. Paragraph xix of section 2 of Ontario Regulation 479/73 is revoked and the following substituted therefor:

(xix) Lots 1 to 5, both inclusive, and lots 7 and 8, Range 5, north of Dundas Street, excepting the following:

1. The northerly 2,400 feet of Lot 1.
2. The northerly 2,550 feet of Lot 2.
3. The northerly 2,850 feet of the west half of Lot 3.
4. The easterly 1,000 feet of the south half of Lot 5.
5. The north half of Lot 5.
6. The northerly 2,900 feet of Lot 7.
7. The northerly 2,800 feet of Lot 8.
8. Those parts of lots 4, 5 and 6 more particularly described as follows:

Premising that the southeasterly limit of the said Lot 5 has a bearing of north 39° 29' 40" east according to a Plan deposited in the Land Registry Office for the Registry Division of Peel (No. 43) as Number 43R-6166;

Beginning at the northerly corner of the said Lot 5;

Thence south 39° 09' 20" west along the northwesterly limit of the said Lot 5 a distance of 373.20 feet to a standard iron bar, said standard iron bar being the place of beginning of the herein described parcel;

Thence south 53° 21' 30" east 1,613.03 feet;

Thence south 36° 38' 30" west 6.15 feet;

Thence south 53° 20' 10" east 1,556.12 feet;

Thence south 49° 16' 10" east 39.58 feet to the intersection with the said southeasterly limit;

Thence south 39° 29' 40" west along the said southeasterly limit 1,635.87 feet to a standard iron bar;

Thence north 12° 18' 05" west 67.56 feet to a standard iron bar;

Thence north 2° 39' 30" east 66.75 feet to a standard iron bar;

Thence north 2° 56' 30" east 74.46 feet to a standard iron bar;

Thence north 8° 45' 40" west 37.06 feet to a standard iron bar;

Thence north 42° 33' 50" west 146.34 feet to a standard iron bar;

Thence north 19° 24' 40" west 59.20 feet to a standard iron bar;

Thence north 22° 03' west 98.87 feet to an iron bar;

Thence 21° 16' 30" west 96.54 feet to a standard iron bar;

Thence north 63° 06' 50" west 48.65 feet to a standard iron bar;

Thence north 16° 38' 40" west 51.72 feet to a standard iron bar;

Thence north 61° 54' 50" west 80.50 feet to a standard iron bar;

Thence north 61° 06' 10" west 191.36 feet to an iron bar;

Thence south 64° 04' 20" west 135.85 feet to an iron bar;

Thence north 87° 39' 15" west 133.69 feet to an iron bar;

Thence south 70° 43' 25" west 192.89 feet to an iron bar;

Thence south 47° 50' 37" west 236.21 feet to an iron bar;

Thence south 48° 50' 30" west 92 feet to a standard iron bar;

Thence south 48° 26' 10" west 173.84 feet to an iron bar;

Thence south 70° 41' 50" west 68.36 feet to an iron bar;

Thence south 73° 02' 50" west 70.51 feet to an iron bar;

Thence south 81° 06' 45" west 100.68 feet to an iron bar;

Thence south 85° 51' 30" west 50.18 feet to an iron bar;

Thence south 87° 28' 50" west 87.03 feet to an iron bar;

Thence north 72° 28' 20" west 81.27 feet to a standard iron bar;

Thence north 37° 38' 50" east 639.35 feet to a standard iron bar;

Thence north 38° 33' 50" east 1,775.36 feet to a standard iron bar;

Thence north 53° 26' 10" west 511.10 feet to a standard iron bar;

Thence north 53° 04' 40" west 300 feet to a standard iron bar;

Thence north 53° 27' west 600 feet to a standard iron bar;

Thence north 52° 34' 50" west 200.01 feet to the intersection with the north-westerly limit of the said Lot 5;

Thence north 39° 09' 20" east along the said northwesterly limit 38.60 feet, more or less, to the place of beginning.

THE DISTRICT OF PARRY SOUND
LOCAL GOVERNMENT ACT, 1979

O. Reg. 646/79.
Order made under Section 23 of the Act—
Town of Kearney.
Made—August 1st, 1979.
Filed—September 6th, 1979.

O.C. 2149/79

Copy of an Order-in-Council approved by Her Honour the Lieutenant Governor, dated the 1st day of August, A.D. 1979.

The Committee of Council have had under consideration the report of the Honourable the Minister of Intergovernmental Affairs, wherein he states that,

IN THE MATTER OF *The District of Parry Sound Local Government Act, 1979*; and

IN THE MATTER OF the election of the Council of the Town of Kearney;

WHEREAS under section 14 of *The District of Parry Sound Local Government Act, 1979* the election of the first Council shall be held in the year 1979;

AND WHEREAS it is necessary to provide for the administration of the first election of the Council;

AND WHEREAS under section 23 of *The District of Parry Sound Local Government Act, 1979* the Lieutenant Governor in Council may authorize all acts or things not specifically provided for in the Act that are considered necessary or advisable to carry out the purpose of the Act;

The Honourable the Minister of Intergovernmental Affairs, therefore recommends that,

1. Mr. John Rowlands be appointed the Chief Returning Officer for the election of the Council of the Town of Kearney as consti-

tuted under section 14 of *The District of Parry Sound Local Government Act, 1979*.

2. The powers and duties of the Chief Returning Officer include the following:

- (a) general supervision of the elections;
- (b) the right to prescribe, vary or amend any of the forms of documents required for the purpose of the election;
- (c) the right to divide the Town into polling subdivisions and submit such polling subdivisions to the Assessment Commissioner;
- (d) the appointment of such Assistant Returning Officers and Assistant Revising Officers as defined by paragraphs 3 and 4 of section 1 of *The Municipal Elections Act, 1977*, as are considered necessary to assist in the preparation for and conduct of the said election; and

- (e) the implementation of any other act or thing which may be required for the effective undertaking of the election of the Council of the Town.

3. The election shall be held on November 12, 1979 and the provisions of *The Municipal Elections Act, 1977* apply with necessary modifications.

The Committee of Council concur in the recommendation of the Honourable the Minister of Intergovernmental Affairs and advise that the same be acted on.

Certified,

R. A. FARRELL
Deputy Clerk, Executive Council

Ontario Gazette

Vol. 112 - 39 ISSN 0030-2937 TORONTO, SATURDAY, SEPTEMBER 29th, 1979

The Ontario Highway Transport Board Act

The following applications for certificates under the *Motor Vehicle Transport Act*, R.S.C. 1970, Chapter M-14, will be heard by the Ontario Highway Transport Board at its Chambers, Britannica House, 151 Bloor Street West, 10th Floor, Toronto, Ontario, on Thursday, the 29th day of November, 1979, at 10.00 a.m. (E.S.T.).

Should any person, who is a party to one or more of these applications not attend at the hearing, the Board may proceed in his/her absence and such person is not entitled to any further notice with respect to such application.

Frederick Transport Limited, 08718-B18
R.R. #6,
Chatham, Ontario N7M 5J6,

applies for an amendment/extension to extra-provincial operating licence No. X-305 by replacing the date May 1, 1979 in the following provisions:

"AND PROVIDED FURTHER that this authority be expired on the 1st day of May, 1979 unless prior to this date complementary authority as issued by the Quebec Transport Commission is filed with the Ontario Highway Transport Board.

AND PROVIDED FURTHER that this authority expires on the 1st day of May, 1979 unless prior to this date complementary authorities as issued by the Boards and/or Commissions of the Provinces of Quebec, New Brunswick, Nova Scotia and Prince Edward Island and the Interstate Commerce Commission of the United States of America are filed with the Ontario Highway Transport Board.

AND PROVIDED FURTHER that this authority expires on the 1st day of May, 1979 unless prior to this date complementary authorities as issued by the Boards and/or Commissions of the Provinces of Quebec, New Brunswick, Nova Scotia, Prince Edward Island and

Newfoundland and the Interstate Commerce Commission of the United States of America are filed with the Ontario Highway Transport Board".

with the date "May 1st, 1981".

08718-B19

also applies for an amendment/extension to part of extra-provincial operating licence No. X-305 as follows:

Delete:

"(a) glass consigned by Guardian Industry Limited of Carleton, Michigan or Libby Owen Ford of Toledo, Ohio in the United States of America to Metropolitan Toronto, Ontario".

And replace with the following:

"(a) 1. glass consigned by Guardian Industry Limited of Carleton, Michigan, in the United States of America to Metropolitan Toronto, Ontario;

2. glass, mirrors and float glass for and on behalf of Libbey-Owens-Ford Company of Toledo, Ohio from points in the United States of America, crossing at all border crossing points, to points in the Province of Ontario, and for the return of rejected or damaged goods;

3. glass, mirrors and float glass for and on behalf of Libbey-Owens-Ford Company of Toledo, Ohio, from points in the United States of America, crossing at all border crossing points in transit through the Province of Ontario to points in the Province of Quebec, crossing at all border crossing points and for the return of rejected or damaged goods".

D. S. CHURCH,
Secretary.

(3322) 39

The following application for a certificate under *The Public Commercial Vehicles Act*, R.S.O. 1970, Chapter 375, will be heard by the Ontario Highway Transport

Board at its Chambers, Britannica House, 151 Bloor Street West, 10th Floor, Toronto, Ontario, on Wednesday, the 14th day of November, 1979, at 10.00 a.m. (E.S.T.).

Should any person, who is a party to this application, not attend at the hearing, the Board may proceed in his/her absence and such person is not entitled to any further notice with respect to this application.

Gaston M. Dubien, Esq., 31634
60 Hanson Road, Unit 110,
Mississauga, Ontario L5B 2P6,

applies for a Class 'D' public commercial vehicle operating licence as follows:

"For the carriage of goods such as air conditioners, roof fans, generators, small tanks, air compressors and construction material such as wood forms, steel, concrete material used on building construction between points in an area bounded on the west by Highway numbers 4 and 23, on the north by Highways numbers 9, 27, 12, 48, 35, 503, 121, 28 and 500; on the east by Highways numbers 41, 7, 37, on the south by Lake Ontario, Niagara River and Lake Erie".

D. S. CHURCH,
Secretary.

(3323) 39

The following application for a certificate under *The Public Commercial Vehicles Act*, R.S.O. 1970, Chapter 375, will be heard by the Ontario Highway Transport Board at its Chambers, Britannica House, 151 Bloor Street West, 10th Floor, Toronto, Ontario, on Monday, the 3rd day of December, 1979, at 10.00 a.m. (E.S.T.).

Should any person, who is a party to this application, not attend at the hearing, the Board may proceed in his/her absence and such person is not entitled to any further notice with respect to such application.

Pineway Leasing Limited, 24788-C
c/o Suite 601, 1000 Finch Ave. W.,
Toronto, Ontario M3J 2V5,

applies for a Class 'A' public commercial vehicle operating licence as follows:

- "1. For the carriage of goods between Metropolitan Toronto and all points in the City of Mississauga, excluding Toronto International Airport.

PROVIDED that there be no use of tank or other equipment especially designed and constructed for the movement of commodities in bulk.

PROVIDED FURTHER that there be no movement of goods to or from Domtar Construction Materials Ltd., at the City of Mississauga.

AND PROVIDED FURTHER that there be no service to or from Oakville or Brampton.

2. For the carriage of goods between Metropolitan Toronto and that part of the Town of Vaughan bounded on the west by King's Highway No. 400 and on the north by Sherwood Road (also known as Carrville Road) and on the south by Steeles Avenue West and on the east by Keele Street running south to Langstaff Road and also on the east by Dufferin Street running south from Langstaff Road to Steeles Avenue West.

PROVIDED that there be no use of tank or other equipment especially designed and constructed for the movement of commodities in bulk.

PROVIDED FURTHER there be no movement to or from Brampton, Bramalea, Malton or Richmond Hill.

AND PROVIDED FURTHER there be no shipment exceeding 3,000 pounds from the installation of Domtar Construction Materials Ltd., and/or Canada Brick, Division of Martin-Marietta (Canada) Ltd., in the City of Mississauga, the town of Vaughan and the Township of Chinguacousy.

3. For the carriage of goods between Metropolitan Toronto and that part of Markham, in the Regional Municipality of York, bounded:

- (i) on the north by the southerly boundary of Richmond Hill and the Carrville Road (also known as 16th Avenue), east from the easterly boundary of Richmond Hill;

- (ii) on the east by Kennedy Road;

- (iii) on the south by Steeles Avenue;

- (iv) on the west by Highway No. 11 (Yonge Street) and on the easterly boundary of Richmond Hill.

PROVIDED that there be no use of tank or other equipment especially designed and constructed for the movement of commodities in bulk.

PROVIDED FURTHER there be no movement of goods to or from the Towns of Richmond Hill, Vaughan and Whitchurch-Stouffville.

EXTENSION GRANTED:

All references to 'Metropolitan Toronto' in this operating licence shall be deemed to include the Town of Ajax and that part of the Town of Pickering on and south of King's Highway No. 7.

These are the terms of Class 'A' public commercial vehicle operating licence No. A-770 not renewed for the year 1978.

D. S. CHURCH,
Secretary.

(3324) 39

Notice of Default in Complying with The Corporations Tax Act, 1972

The Minister of Consumer and Commercial Relations has been notified by the Minister of Revenue that each of the corporations named hereunder has not complied with the provisions of *The Corporations Tax Act, 1972*.

NOTICE IS HEREBY GIVEN under subsection (1) of Section 251 of *The Business Corporations Act* that an order dissolving each corporation will be issued unless the corporations comply with the requirements of *The Corporations Tax Act, 1972*, within 90 days of the date of this notice. All enquiries concerning this notice are to be directed to Corporations Tax Branch, Ministry of Revenue, 77 Bloor Street West, Toronto.

The Environmental Assessment Act, 1975

MNR-20

THE ENVIRONMENTAL ASSESSMENT ACT, 1975

Exemption Section 30

Having received a request from the Minister of Natural Resources that an undertaking, namely:

The development of a maintenance building in Ipperwash Provincial Park,

be exempted from the application of the Act pursuant to Section 30; and

Having been advised that if the undertaking is subject to the application of the Act, the following damage or interference with the person indicated will occur:

1. The Crown will be interfered with and damaged by the undue delay required to prepare an environmental assessment for an undertaking that will have no significant adverse effect on the environment, and that is needed by the Ministry of Natural Resources to replace the existing inadequate and improperly situated maintenance building, and
2. The public will be interfered with because the quality of the recreational experiences available at Ipperwash Park is diminished by the inadequacies of the existing maintenance facilities servicing the park.

Having weighed such damage or interference with the betterment of the people of the whole or any part of Ontario by the protection, conservation and wise management of the environment which would result from the undertaking being subject to the Act;

I am of the opinion that it is in the public interest to order and do order, subject to the terms and conditions set out below, that the undertaking is exempt from the application of the Act for the following reasons:

1. The existing maintenance building:
 - (a) is of frame construction, built in 1949, and is no longer structurally sound;
 - (b) is located close to the lakeshore in an area which would be of greater benefit to the park user if made available as open space;
 - (c) is prone to vandalism and theft due to the high degree of accessibility afforded the public as a result of its improper location; and
 - (d) is not large enough to accommodate present needs.
2. The proposed new maintenance building:
 - (a) would be located on a section of an old access road which is now closed, and therefore, would not involve any undisturbed site;
 - (b) would have no significant adverse effect on the environment;
 - (c) would be in an area easily secured against vandalism and theft;
 - (d) would be in the Development Zone of the Park, identified in the *Ipperwash Provincial Park Interim Management Guidelines*, in the only location large enough to establish such a facility.

This exemption order is subject to the following terms and conditions:

1. A copy of the proposal and other supportive documentation shall be made available to the public at the MNR District Office in Chatham, Ontario, and a copy sent to the Environmental Approvals Branch of the Ministry of the Environment to be kept with records of environmental assessments and made available to the public in the same way as such records; and
2. That development of the maintenance building be completed no later than December 31, 1979.

This order comes into force and has effect on and after the date upon which it is signed.

Dated at Toronto, this 4th day of September, 1979.

HARRY PARROTT, D.D.S.,
Minister of the Environment.

Approved by
O.C. No. 2136/79

MNR-21

THE ENVIRONMENTAL ASSESSMENT ACT, 1975

Exemption Section 30

Having received a request from the Minister of Natural Resources that an undertaking, namely:

The development of a park office structure in Bass Lake Provincial Park,

be exempted from the application of the Act pursuant to Section 30; and

Having been advised that if the undertaking is subject to the application of the Act, the following damage or interference with the persons indicated will occur:

1. The Crown will be interfered with and damaged by the undue delay required to prepare an environmental assessment for an undertaking that will have no significant adverse effect on the environment, and that is needed by the Ministry of Natural Resources to replace the existing inadequate and improperly situated park office structure, and to allow Huronia District to reduce its overall operating costs by providing accommodation for the centralization of supervising staff from three additional provincial parks (Mara, McRae and Six Mile Lake), and
2. The public will be interfered with because the quality of the recreational experiences available at Bass Lake Park is diminished by the improper location of the existing park office structure.

Having weighed such damage or interference with the betterment of the people of the whole or part of Ontario by the protection, conservation and wise management in Ontario of the environment which would result from the undertaking being subject to the application of the Act;

I am of the opinion that it is in the public interest to order and do order subject to the terms and conditions set out below that the undertaking is exempt from the application of the Act for the following reasons:

1. The proposed structure:
 - (a) would be replacing a facility approximately 20 years old which was initially constructed for summer use only and is presently deteriorating;
 - (b) would be accomodating new space requirements presently not met by the existing facility;

- (c) would provide for the centralization of supervising staff from three additional Provincial Parks (Mara, McRae and Six Mile Lake) to more efficiently participate in other components of the larger recreation program of the Ministry of Natural Resources, Huronia District, thereby reducing overall operating costs.

2. The proposed site for the project:

- (a) is in an existing maintenance yard, with soils and hydrogeologic conditions suited to this type of development with a minimum of environmental impact;
- (b) has access requirements met by an existing road, thereby requiring no further road construction. Use of this existing road where it enters the township road has been approved by the local municipality;
- (c) is a more suitable location for an operations facility as it will allow the existing site to be subsequently used for recreation, as that site is in the beach area and adjacent to the high-demand swimming area.

This exemption order is subject to the following terms and conditions:

1. A copy of the proposal and other supportive documentation shall be made available to the public at the MNR District Office in Midhurst, Ontario, and a copy sent to the Environmental Approvals Branch of the Ministry of the Environment to be kept with records of environmental assessments and made available to the public in the same way as such records; and
2. That development of the park office structure be completed no later than December 31, 1979.

This order comes into force and has effect on and after the date upon which it is signed.

Dated at Toronto, this 28th day of August, 1979.

HARRY PARROTT, D.D.S.,
Minister of the Environment.

Applications to Parliament — Private Bills

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Standing Orders governing the submission of such Bills:

NOTE: The previous Standing Orders of the Legislative Assembly have been repealed and the following put into effect by an Order of the House passed on Thursday, December 14th, 1978.

Attention is drawn to the more important changes:—

- No time limit.
- No penalties for late filing.
- Required notice of advertising reduced to four weeks from six weeks.

PRIVATE BILLS

Filing Bill with Clerk

65. (a) Any person, group or corporation may apply for a Private Bill by filing with the Clerk of the House a copy of the Bill together with a fee of \$150.00.

Applicant to pay cost of printing

(b) Every applicant for a Private Bill shall pay the cost of printing the Bill, including the cost of printing the Act in the annual Statutes.

Other charges

(c) Where a Standing Order is suspended with reference to a Bill, a charge of \$50.00 shall be levied.

Additional fees

(d) Where a Bill incorporates a company, or increases the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable in the case of an incorporation or increase of capital under The Business Corporations Act, less the sum of \$150.00 already paid to the Clerk of the House.

(e) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:—

On amounts less than \$10,000.....	\$ 25
On amounts over \$10,000 and up to \$25,000	50
On amounts over \$25,000 and up to \$40,000	75
On amounts over \$40,000 and up to \$75,000	100

On amounts over \$75,000 and up to \$125,000	125
On amounts over \$125,000 and up to \$175,000	150
On amounts over \$175,000 and up to \$250,000	200
On amounts over \$250,000 and up to \$350,000	250
and an additional fee of \$50 for every \$100,000 over \$350,000.	

Publication of Standing Orders re Private Bills

(f) The Clerk of the House shall publish weekly in *The Ontario Gazette* the Standing Orders respecting applications for Private Bills.

Required notice of applications

(g) Notice of an application for a Private Bill shall be given before it is referred to a Standing Committee by publishing it once a week for at least four weeks in each of *The Ontario Gazette* and one newspaper circulated in the municipality most affected and the notice shall,

- (i) be signed by or on behalf of the applicant;
- (ii) clearly state the nature and object of the application;
- (iii) when the application refers to any proposed work, indicate generally the location of the work; and

Bills for debenture issues

- (iv) where the application is by a municipal corporation for authority to issue debentures, set out the particulars of the existing debenture debt and the amount of the rateable property of the municipality according to the last revised assessment roll of the corporation and in brief and general terms, the object for which the new issue of debentures is required.

Clerk reports to Standing Procedural Affairs Committee

66. (a) The Clerk of the House shall refer to the Standing Procedural Affairs Committee any application that, in his opinion, does not comply with the Standing Orders.

Declaration re advertising

(b) The applicants for a Private Bill shall lodge with the Clerk of the House a declaration proving publication of the notice.

Letters Patent

67. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Charter or Agreement, shall be attached to it.

Certificate of Minister of Revenue re Letters Patent

68. No Bill relating to the status of a corporation shall be considered by any Committee until there has been deposited with the Clerk of the House a certificate of the Minister of Revenue showing that all taxes payable under The Corporations Tax Act in respect of the corporation have been paid.

Reference to Standing Committee after first reading. Exceptions

69. Every Private Bill when read a first time, shall, unless it is an Estate Bill, or a Bill providing for

a consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a municipal corporation, stand referred to the appropriate Standing Committee, and any Petitions to the House for or against the Bill stand referred to any such Committee.

Certain Municipal Applications referred to Ontario Municipal Board

70. (a) A Private Bill of a municipal corporation providing for the consolidation of a floating debt, or the consolidation or renewal of debentures (other than local improvement debentures) stand referred to the Ontario Municipal Board after first reading.

Board to report

(b) The Board, after due enquiry, shall report to the House whether or not it is reasonable that the Bill, or that part thereof relating to the matters referred to in clause (a), should pass and what, if any, alterations should be made in the Bill.

Report to Clerk

(c) A report shall be transmitted to the Clerk of the House.

Bill and report to Standing Committee

(d) The Bill and report shall stand referred to the appropriate Standing Committee.

Estate Bills to Commissioners

71. (a) Every Estate Bill stands referred to the Commissioners of Estate Bills after first reading.

Commissioners to report

(b) The Commissioners, or any two of them, shall report their opinion on the Bill and whether, presuming the allegations contained in the preamble to be proven to the satisfaction of the House, it is reasonable for the Bill to pass and what, if any, alterations are necessary.

Report to Clerk

(c) A report of the Commissioners of Estate Bills shall be transmitted to the Clerk of the House.

Adverse Report by Commissioners

(d) Where the Commissioners of Estate Bills report that, in their opinion, it is not reasonable that the Bill submitted to them pass into law, the Bill shall not be further considered.

Notice re Hearing by Standing Committee

72. (a) The Clerk of the House shall post on all notice boards five days notice of the date on which any Private Bill is to be considered by a Committee and the notice shall be published in the Notice Paper.

Notice of Next Day Meetings on Private Bills

(b) The Clerk shall also publish in the Notice Paper a notice of any meeting of a Committee to consider Private Bills to be held on the following day.

Consent of interested persons

73. Any person whose interest or property may be affected by a Private Bill, when required, shall appear before the Committee considering the Bill to express his consent or objection, or may consent in writing, proof of which may be demanded by the Committee.

On Order Paper after report

74. Private Bills when reported by Standing Committees or the Commissioners of Estate Bills shall be placed on the Order Paper for second reading.

Bills initialled and signed by Chairman

75. (a) The Chairman of a Committee considering a Private Bill shall initial each section of the Bill as it is passed and sign the Bill.

Amendments

(b) Amendments shall be clearly indicated in the signed copy, and the amendments or additions shall be initialled by the Chairman.

Reprinting amended Bills

76. Private Bills amended by a Committee or the Commissioners may be reprinted before further consideration as the Clerk of the House may direct and the applicant shall pay the cost of printing the Bill.

Referral after second reading

77. Private Bills, after second reading, shall be ordered for third reading, unless specially ordered referred to the Committee of the Whole House.

Notice required to dispense with Standing Orders

78. Except by unanimous consent of the House given in case of urgent and pressing necessity, no motion may be made to dispense with any Standing Order relating to Private Bills without due notice thereof.

Private Bill Register

79. A Private Bill Register shall be kept in the office of the Clerk of the House, in which shall be entered, by the Clerk appointed for that purpose, the name, description, and place of residence of the parties applying for the Bill, or of their agent, and all the proceedings thereon, such register to be open to public inspection daily, during office hours.

Parliamentary Agents

80. (a) Every Parliamentary Agent conducting proceedings before the House is personally responsible to the House and to the Speaker for the observance of the Standing Orders and Practices of Parliament, and also for the payment of all fees and charges.

Misconduct of Agent

(b) Any agent who wilfully acts in violation of the Standing Orders and Practices of Parliament, or who wilfully misconducts himself in prosecuting any proceedings before the House, is liable to an absolute or temporary prohibition to practise as a Parliamentary Agent, at the pleasure of the Speaker.

RODERICK LEWIS, Q.C.,
Clerk of the Legislative Assembly of Ontario.

Petitions to Parliament

Extract from the rules respecting the presentation of petitions

- Form 29. (c) Petitions may be either written or printed and only the original, properly signed, and addressed to the Lieutenant Governor and the Legislative Assembly need be presented.
- May not be signed by solicitor. Exceptions (d) Petitions may not be signed by a solicitor as such, unless he is acting for a petitioner unable to sign due to absence from the Province or illness, and only then if the solicitor holds a Power of Attorney to be produced to the Clerk of the House if required.
- Members responsible for contents (e) Members presenting petitions are answerable that they do not contain any improper matter.
- No petitions for expenditure of public funds (f) No petition can be received which prays for any expenditure, grant or charge on the public revenue, whether payable out of the Consolidated Revenue Fund, or out of moneys to be provided by the House.

SAMPLE FORM FOR PETITIONS

*To the Honourable the Lieutenant Governor and the
Legislative Assembly of Ontario:*

We, the undersigned, beg leave to petition the Parliament of Ontario, as follows:

NOTE: The subject of the Petition must relate to a grievance within the competence of the Assembly to remedy **and must not pray for any expenditure, grant or charge on the public revenue.**

The Member of the House presenting the Petition for the petitioners must endorse his name thereon and be answerable that it contain no improper matter.

(1574) T.F.N.

RODERICK LEWIS, Q.C.,
Clerk of the Legislative Assembly of Ontario.

Applications to Parliament

THE CORPORATION OF THE COUNTY OF SIMCOE

NOTICE

NOTICE IS HEREBY GIVEN that the Corporation of the County of Simcoe intends to apply to the Legislative Assembly of the Province of Ontario at its next Session for an Act to change the number of representatives who may sit on the Council of the County of Simcoe.

The purpose of the private legislation is to reduce the membership on Simcoe County Council from the present 54 members to 39 members. Each local municipality within the County will have at least one member on Simcoe County Council. Some local municipalities will be allowed a second member on County Council, and plural votes will also be allowed.

Dated at Midhurst, Ontario, in the Township of Vespra, this 29th day of August, 1979.

A. F. PELLETIER, A.M.C.T.,
County Clerk.

(9477) 37 to 40

NOTICE OF APPLICATION BY THE CORPORATION OF THE CITY OF HAMILTON FOR PRIVATE LEGISLATION

NOTICE IS HEREBY GIVEN that The Corporation of the City of Hamilton will apply to the Legislative Assembly at its next session in 1979 or, if no session is held in 1979, to its first session in 1980, for private legislation to permit the City to investigate, plan and engage in salvage operations and in archeological exploration of historical or cultural artifacts of interest to the municipality and doing all necessary field work, research, studies and papers in connection therewith as well as recovering, raising, restoring and displaying the artifacts, and entering into agreements, within or without the municipality and applying section 293(3) of *The Municipal Act*.

This notice first published on the 15th day of September, 1979.

E. A. SIMPSON,
City Clerk,
City Hall,
71 Main Street West,
Hamilton, Ontario L8N 3T4.

(9478) 37 to 40

**THE CORPORATION OF
THE CITY OF NORTH BAY**

**NOTICE OF APPLICATION
FOR SPECIAL LEGISLATION**

NOTICE IS HEREBY GIVEN that The Corporation of the City of North Bay will apply to the Legislative Assembly of the Province of Ontario, at its next session, for an Act respecting the City of North Bay to provide that the Council of The Corporation of the City of North Bay may enter into agreements with the owners or occupants of buildings within the core of the City of North Bay, as designated by Schedule "A" hereto, providing for relief to the extent set out in the agreement from any requirement in any by-law of the City of North Bay for the provision or maintenance of parking facilities.

Each agreement will be subject to the approval of the Ontario Municipal Board and shall require the payment to The Corporation of a sum of money in lieu of the provisions for parking. The payment shall be retained in a special account and invested and monies may be expended from the special account for the provision of parking.

The agreement may be registered against the affected lands and the payment of such funds shall be a lien or charge upon the lands and may be collected in like manner as taxes. The status of the special account shall be reported upon annually by the City Auditor.

Dated at North Bay, Ontario, this 12th day of September, 1979.

MICHAEL B. BURKE,
City Solicitor,
City of North Bay.

Schedule "A"

All and Singular that certain parcel or tract of land in the City of North Bay, in the District of Nipissing described as follows:

Commencing at the intersection of the centre line of Sherbrooke Street and the centre line of Worthington Street;

Thence northwesterly along the centre line of Worthington Street to the centre line of Cassells Street;

Thence southwesterly along the centre line of Cassells Street and along the extension of such line to the shoreline of Lake Nipissing;

Thence southeasterly along the shoreline of Lake Nipissing to the extension of the centre line of Sherbrooke Street;

Thence along the extension of the centre line of Sherbrooke Street and along the centre line of Sherbrooke Street to the point of beginning.

Change of Name Act

IN THE COUNTY COURT OF THE COUNTY OF ELGIN

IN THE MATTER OF *The Change of Name Act*, R.S.O. 1970, c. 60, as amended.

AND IN THE MATTER OF an Application by Bert Roland Van Driesten for an Order changing his name to Roger Terence Kennedy.

NOTICE OF MOTION

TAKE NOTICE that a Motion will be made to the Court on behalf of the Applicant Bert Roland Van Driesten, who resides at 94 Moore Avenue, in the Town of Aylmer, in the County of Elgin, at the Court House, Wellington Street, St. Thomas, on Monday the 22nd day of October, 1979, at 10.00 o'clock in the forenoon, or so soon thereafter as Counsel can be heard, for an Order changing the name of the Applicant Bert Roland Van Driesten to Roger Terence Kennedy and for such further and other relief as the Court deems just and reasonable.

AND TAKE NOTICE that in support of such motion will be filed an Affidavit setting out the particulars of publication of Notice of the Application in accordance with *The Change of Name Act*, the Application of Bert Roland Van Driesten, the Affidavit of Bert Roland Van Driesten, a Certificate of the Sheriff of the County of Elgin as to the existence of any unsatisfied executions in his hands against the property of each person of the full age of eighteen years whose name may be changed as a result of the application, the Certificate of the Registrar in Bankruptcy of the Supreme Court of Ontario, and such other and further material as Counsel may advise.

AND TAKE NOTICE that if you wish to oppose this motion you shall file an Appearance on or before the date upon which the motion is returnable.

AND TAKE NOTICE that in default of filing an Appearance you are not entitled to file any material on the motion.

Dated at St. Thomas, this 12th day of September, 1979.

M. J. HENNESSEY & ASSOCIATES,
108 Centre Street,
St. Thomas, Ontario.
(9596) 39 Solicitors for the Applicant.

IN THE COUNTY COURT OF THE COUNTY OF OXFORD

IN THE MATTER OF *The Change of Name Act*, R.S.O. 1970, Chapter 60 and amendments thereto.

IN THE MATTER OF an Application by Joseph Michael Sztahura for the change of name of Joseph Michael Sztahura, Catharine Ildiko Sztahura, his wife, and Joseph John Sztahura and Michael Stephen Sztahura, his two children, all to the surname of Petrik.

NOTICE OF MOTION

TAKE NOTICE that a Motion will be made to the Court on behalf of Joseph Michael Sztahura, at the Court House, at Light and Hunter Streets, Woodstock, Ontario, on Thursday, the 22nd day of November,

A.D. 1979 at 10.00 o'clock in the forenoon, or so soon thereafter as counsel can be heard, for an Order that the surname of the Applicant be changed from Sztahura to Petrik which will result in the names of

- (a) Joseph Michael Sztahura,
- (b) Catharine Ildiko Sztahura,
- (c) Joseph John Sztahura, and
- (d) Michael Stephen Sztahura,

all of 529 Highland Drive, Woodstock, Ontario, being changed to

- (a) Joseph Michael Petrik,
- (b) Catharine Ildiko Petrik,
- (c) Joseph John Petrik, and
- (d) Michael Stephen Petrik.

AND TAKE NOTICE that in support of such Motion will be filed the Application of the Applicant, the Affidavit of the Applicant, the Affidavit of the wife of the Applicant, namely, Catharine Ildiko Sztahura, the Consent of the wife of the said Applicant, and the Consent of the child of the Applicant, namely, Joseph John Sztahura and such further and other material as counsel may advise and the court permit.

AND TAKE NOTICE that if you wish to oppose this Motion you shall file an appearance on or before the date upon which the Motion is returnable.

AND TAKE NOTICE that in default of filing an Appearance you are not entitled to file any material on the Motion.

Dated the 7th day of August, A.D. 1979.

HEWSON & THOMPSON,

Miscellaneous Notices

ONTARIO ENERGY BOARD

NOTICE OF APPLICATIONS

TAKE NOTICE that interim rate applications dated August 9 and September 6, 1979, have been filed by Inter-City Gas Limited requesting temporary winter service rates for Boise Cascade Corporation and, effective September 1, 1979, rate increases to pass on gas cost increases resulting from the August 1, 1979 increase in the rates of TransCanada PipeLines Limited. All Ontario customers of the Applicant are affected.

A respondent intending to oppose either of the applications or otherwise intervene is required to file and serve his answer within 14 days of being served with notice of applications. All persons who file an answer will receive notice of hearing. In its decisions the Board may increase or decrease any rate proposed by the Applicant.

This notice does not constitute service but is published as a matter of record only.

Dated at Toronto, this 7th day of September, 1979.

ONTARIO ENERGY BOARD:

S. A. C. THOMAS,
Secretary to the Board.

(9598) 39

ONTARIO ENERGY BOARD

NOTICE OF APPLICATION

TAKE NOTICE that an application dated August 21, 1979, has been filed by Union Gas Limited requesting interim increases in rates and other charges to recover:

1. increases in the cost of gas purchased from TransCanada PipeLines Limited and local suppliers, and related costs; and
2. an annual revenue deficiency in excess of \$30,500,000 due to increases in internal costs.

All customers of the Applicant are affected.

A respondent intending to oppose the application or otherwise intervene is required to file his answer within 14 days of being served with notice of application and to

serve it upon the Applicant's solicitor, J. B. Jolley, Q.C., 50 Keil Drive North, Chatham, Ontario, N7M 5M1. The Board has directed the Applicant to forward its pre-filed evidence to any person requesting it in his answer.

All persons who file an answer will receive notice of hearings. In its decision the Board may change any rate or other charge proposed by the Applicant.

This notice does not constitute service but is published as a matter of record only.

Dated at Toronto, this 13th day of September, 1979.

ONTARIO ENERGY BOARD:

S. A. C. THOMAS,
Secretary to the Board.

(9599) 39

THE ONTARIO ENERGY BOARD

NOTICE OF RATE HEARING

TAKE NOTICE that the Board has appointed Tuesday, October 2, 1979, at 2 p.m. at its offices, 9th Floor, 14 Carlton Street, Toronto, Ontario, for the hearing of the request by The Consumers' Gas Company for interim rate increases effective October 1, 1979, to recover the revenue deficiency of \$15,565,000 found by the Board in its Phase I decision of August 31, 1979.

If any person notified does not attend at the hearing the Board may proceed in his absence and he will not be entitled to any further notice in the proceedings. This notice does not constitute service but is published as a matter of record only.

Dated at Toronto, this 17th day of September, 1979.

ONTARIO ENERGY BOARD:

S. A. C. THOMAS,
Secretary to the Board.

THE BOUNDARIES ACT

(R.S.O. 1970, Chapter 48, as Amended)

NOTICE OF HEARING

(B-762)

TAKE NOTICE that an Application has been made by The Corporation of the City of North York for the purpose of confirming the true location on the ground of the boundaries of Danville Drive from Upper Highland Crescent to Fenn Avenue; and Gordon Road; all in the City of North York, Municipality of Metropolitan Toronto.

AND FURTHER TAKE NOTICE that two draft plans of survey with the aforesaid boundaries shown in heavy, solid lines, made by the firm of McBain, Millesse, Carmichael and Burton, Ontario Land Surveyors, one of which is dated May 2, 1979, and one of which is dated May 31, 1979, and both of which are signed by L. C. Millesse, Ontario Land Surveyor, are deposited in my Office in the Legal and Survey Standards Branch, 3rd Floor, 543 Yonge Street, Toronto, Ontario; in the Office of the Surveyor, McBain, Millesse, Carmichael and Burton, 68 Sheppard Avenue West, Willowdale, Ontario, and in the City of North York Municipal Offices, Department of Public Works (Record Section), 5000 Yonge Street, Willowdale, Ontario; and may be inspected by any party or parties interested therein on any weekday, Monday through Friday.

AND FURTHER TAKE NOTICE that copies of the said plans shall be supplied to any interested parties requesting same from the Office of the Surveyor (McBain, Millesse, Carmichael and Burton, telephone 222-2536).

AND FURTHER TAKE NOTICE that any person desiring to object to the confirmation of the boundaries as shown on the draft plans is required to deliver to me by registered mail or by personal service on or before the 25th day of October, 1979, a written statement setting forth the nature and grounds of the Objection.

AND FURTHER TAKE NOTICE that I have appointed the 6th day of November, 1979, at 2:30 o'clock in the afternoon to hear this Application in Hearing Room 2B, 2nd Floor, 543 Yonge Street, Toronto, Ontario, at which time any person who has filed a claim may appear either personally or through a solicitor to present the evidence in support thereof.

AND FURTHER TAKE NOTICE that I may deliberate upon the evidence presented and proceed in this Hearing regardless of the absence of any parties affected by this Application.

Dated at my Office in the Legal and Survey Standards Branch, 3rd Floor, 543 Yonge Street, Toronto, Ontario, M7A 2J8, this 14th day of September, 1979.

Sheriffs' Sales of Lands

UNDER AND BY VIRTUE OF a Writ of Fieri Facias issued out of the County Court of the County of Simcoe, bearing date the 4th day of August, 1978, to me directed, wherein Burton G. Wray is the Plaintiff and Leone Babineau, Executrix under the Last Will and Testament of Gwendolyn Howey, Deceased, is the Defendant, I have seized and taken in Execution all the right, title, interest and equity of redemption of the Estate of Gwendolyn Howey, in and to;

ALL AND SINGULAR that certain parcel, or tract of land and premises situate, lying and being in the Township of Muskoka Lakes, formerly in the Township of Monck, in the District Municipality of Muskoka and Province of Ontario, being composed of Valentine Island, in the Muskoka Lake, in the said Township of Monck, now in the Township of Muskoka Lakes, as shown on a plan of survey dated April 22nd, 1899 made by William Galbraith, O.L.S., of record in the Ministry of Natural Resources for the Province of Ontario (formerly the Department of Lands and Forest for the Province of Ontario) and being the whole of parcel 853 registered in the Land Registry Office for the Land Titles Division of Muskoka at Bracebridge, Ontario.

All of which said right, title, interest and equity of redemption of the Estate of Gwendolyn Howey, in the said lands and tenements, I shall offer for sale by public auction in my office, Court House, 3 Dominion Street, Bracebridge, Ontario on Friday, October 26, 1979 at 2:30 p.m. in the afternoon.

Dated at Bracebridge, this 12th day of September, 1979.

Terms: Cash or certified cheque
Deposit 10% of bid price at time of sale
Ten days to arrange financing
Delivery only on payment in full

This sale is subject to cancellation up to the time of sale without further notice.

SYBIL E. J. JACKSON,
(9600) 39 Sheriff, District of Muskoka.

DISTRICT OF THUNDER BAY

UNDER AND BY VIRTUE of a Writ of Execution issued out of the County Court of the Judicial District of York, and to me directed, bearing date the 11th day of May, 1978, against the goods and chattels, lands and tenements of Lucien Plante carrying on business under the firm name and style of Geraldton Home Construction, at the suit of Les Industries Granitone Ltee, I have seized and taken in execution all the right, title, interest and equity of redemption of Lucien Plante, carrying on business under the firm name and style of Geraldton Home Construction, in and to:

All and Singular that certain parcel or tract of land and premises situate lying and being in the Town of Geraldton, in the District of Thunder Bay, entered in the Land Registry Office for the Land Titles Division of Thunder Bay as Parcel 983 in the Register for Geraldton Freehold. Municipally known as 106 First Avenue North, Geraldton, Ontario.

On the premises is said to be erected a cement block building, the upper portion being of wooden structure. The building is in an unfinished condition, said to contain an amusement arcade on the lower level, pizza take-out on the main floor and a suite of rooms on the upstairs portion which is uncompleted. The building is approximately twenty feet (20 feet) by sixty-four feet (64 feet) in length.

All of which said right, title, interest and equity of redemption of Lucien Plante carrying on business under the firm name and style of Geraldton Home Construction, shall be offered for sale by public auction at 106 First Avenue North, Geraldton, Ontario, on Tuesday, November 6th, 1979, at 3:00 o'clock in the afternoon.

Dated at Thunder Bay "P", this 11th day of September, A.D. 1979.

This sale is subject to cancellation up to time of sale without any further notice.

- Terms: Cash or certified cheque.
- Deposit of \$500.00 at time of sale.
- Ten days to arrange financing.
- Delivery only on payment in full.

GEORGE H. BURNS,
(9601) 39 Sheriff, District of Thunder Bay.

UNDER AND BY VIRTUE OF an Execution issued out of the County Court of the Judicial District of York to me directed and delivered against the lands and tenements of Mary Alma Christina Basso, now known as Mary Alma Christina Woodley, executrix of the estate of Donald E. THE PLANNING ACT

O. Reg. 652/79.
Restricted Areas—County of Kent,
Township of Chatham.
Made—September 10th, 1979.
Filed—September 12th, 1979.

REGULATION TO AMEND
ONTARIO REGULATION 10/73
MADE UNDER
THE PLANNING ACT

1. Ontario Regulation 10/73 is amended by adding thereto the following section:
61. Notwithstanding any other provision of this Order, the land described in Schedule 56 may be used for the erection and use thereon of an additional single-family dwelling and buildings and structures accessory thereto provided the following requirements are met:
- | | |
|---------------------------|--|
| Minimum side yards | 4.6 metres for the additional single-family dwelling |
| | 15.3 metres for buildings and structures accessory to the additional single-family dwelling |
| Minimum rear yard | 30.5 metres for the additional single-family dwelling and buildings and structures accessory thereto |
| Minimum ground floor area | 83.6 square metres for the additional single-family dwelling |
| | 55.7 square metres for buildings and structures accessory to the additional single-family dwelling |
| Maximum height | 10.7 metres for the additional single-family dwelling |
- O. Reg. 652/79, s. 1.
2. The said Regulation is further amended by adding thereto the following Schedule:

Schedule 56

That parcel of land situate in the Township of Chatham in the County of Kent, being composed of that part of Lot 18 in Concession IX more particularly described as follows:

- Beginning at the most northerly angle of the said Lot 18;
- Thence southeasterly along the northeasterly limit of the said Lot a distance of 180 metres to a point;
- Thence southwesterly and parallel with the northwesterly limit of the said Lot a distance of 85 metres to a point;
- Thence southeasterly and parallel with the northeasterly limit of the said Lot a distance of 280 metres to a point;
- Thence northeasterly and parallel with the northwesterly limit of the said Lot 18 to the northeasterly limit of the said Lot;
- Thence southeasterly along the said northeasterly limit to the line between the north and south halves of the said Lot;
- Thence southeasterly along the line between the north and south halves of lots 18 and 17 in the said Concession IX to the westerly limit of the easterly 10.5 hectares of the north half of the said Lot 17;
- Thence northwesterly and parallel with the northeasterly limit of the said Lot 17 to the northwesterly limit of the said Lot;
- Thence northeasterly along the northwesterly limit of the said lots 17 and 18 to the place of beginning.
- O. Reg. 652/79, s. 2.

THE PARKWAY BELT PLANNING AND
DEVELOPMENT ACT, 1973

O. Reg. 653/79.
County of Halton (now The Regional
Municipality of Halton), Town of
Oakville.
Made—September 10th, 1979.
Filed—September 12th, 1979.

REGULATION TO AMEND
ONTARIO REGULATION 481/73
MADE UNDER
THE PARKWAY BELT PLANNING AND
DEVELOPMENT ACT, 1973

1. Paragraph xiv of section 2 of Ontario Regulation 481/73, as remade by section 1 of Ontario Regulation 244/79, is amended by adding thereto the following subparagraph:
5. those parts of lots 7 and 8 more particularly described as follows:

Premising that the northwesterly limit of the road allowance between concessions I and II, south of Dundas Street, of the said Town of Oakville known as Upper Middle Road has an astronomic bearing of north 38° 49' 30" east according to a Reference Plan deposited in the Land Registry Office for the Registry Division of Halton (No. 20) as Number 20R-2896, the said northwesterly limit being also the northwesterly limit of Part 4 of the said Plan 20R-2896, and relating all bearings herein thereto:

Beginning at a point which may be located as follows:

Commencing at the most southerly angle of the said Lot 8;

Thence north 44° 21' 10" west along the lot line between lots 8 and 9 in the said Concession I, the said line being also the southerly limit of Part 3 of the said Plan 20R-2896 a distance of 8.281 metres to a point;

Thence north 39° 10' 40" east 29.125 metres;

Thence north 48° 28' east 30.919 metres;

Thence north 38° 49' 30" east 154.610 metres to the said place of beginning;

Thence north 44° 07' 20" west 204.018 metres;

Thence north 44° 35' 40" west 233.230 metres;

Thence south 66° 42' 15" east 68.580 metres;

Thence north 84° 52' 40" east 142.267 metres;

Thence north 89° 28' 20" east 36.482 metres;

Thence south 80° 10' 10" east 45.720 metres;

Thence south 68° 38' 40" east 45.720 metres;

Thence south 57° 07' 15" east 45.720 metres;

Thence south 51° 21' 30" east 108.378 metres, more or less, to the northwesterly limit of Upper Middle Road as shown on the said Plan 20R-2896;

Thence south 38° 49' 30" west along the said northwesterly limit of Upper Middle Road 232.974 metres, more or less, to the place of beginning.

THE OCCUPATIONAL HEALTH AND SAFETY ACT, 1978

Reg. 658/79.

Industrial Establishments.

Made—September 11th, 1979.

Filed—September 13th, 1979.

REGULATION MADE UNDER THE OCCUPATIONAL HEALTH AND SAFETY ACT, 1978

INDUSTRIAL ESTABLISHMENTS

INTERPRETATION

1. In this Regulation,

- (a) "architect" means a member or licensee of the Ontario Association of Architects under *The Architects Act*;
- (b) "boom" means the projecting part of a backhoe, shovel, crane or similar lifting device from which a load is likely to be supported;
- (c) "confined space" means a space in which, because of its construction, location, contents or work activity therein, the accumulation of a hazardous gas, vapour, dust or fume or the creation of an oxygen-deficient atmosphere may occur;
- (d) "Director" means the Director of the Industrial Health and Safety Branch of the Ministry of Labour;
- (e) "fire-resistance rating" means the rating in hours or fraction thereof that a material or assembly of materials will withstand the passage of flame and the transmission of heat when exposed to fire, as established for the material or assembly of materials under *The Building Code Act, 1974*;
- (f) "flammable liquid" means a liquid having a flash point below 37.8° Celsius, and a vapour pressure below 275 kilopascals absolute at 37.8° Celsius;
- (g) "foundry" means the part of a building or premises or the workshop, structure, room or place in which base metals or their alloys are cast in moulds, other than permanent moulds, or where core-making, shakeout or cleaning or any casting or other dust-causing operation ancillary to the casting process is carried on;
- (h) "gangway" means a defined passageway between a metal melting unit and a metal pouring area;

- (i) "lifting device" means a device that is used to raise or lower any material or object and includes its rails and other supports but does not include a device to which *The Elevators and Lifts Act* or *The Construction Hoists Act* applies;
- (j) "log" includes tree-length pulpwood and a pit prop, pole, post, tie or any similar product;
- (k) "pouring aisle" means a passageway leading from a gangway where metal is poured into a mould or box;
- (l) "prime mover" means an initial source of motive power;
- (m) "professional engineer" means a member or licensee of the Association of Professional Engineers of the Province of Ontario under *The Professional Engineers Act*;
- (n) "transmission equipment" means any object or objects by which the motion of a prime mover is transmitted to a machine that is capable of utilizing such motion and includes a shaft, pulley, belt, chain, gear, clutch or other device;
- (o) "working space" means any space where persons are engaged in the performance of work within a foundry but does not include offices, lunch rooms, locker rooms, change rooms, rest rooms, washrooms, shower rooms, toilet rooms, pattern shops, maintenance shops, laboratories, shipping areas, the storage space occupied by equipment or materials not regularly in use or the enclosed space where core sands and moulding sands are stored.

EQUIVALENCY

2. In applying this Regulation, the composition, design, size and arrangement of any material, object, device or thing may vary from the composition, design, size or arrangement prescribed in this Regulation where the factors of strength, health and safety are equal to or greater than the factors of strength, health and safety in the composition, design, size or arrangement prescribed.

APPLICATION

3. This Regulation applies to all industrial establishments.

PART I

SAFETY REGULATIONS

- 4.—(1) Subject to subsection 2, the minimum age of,
- (a) a worker; or

- (b) a person who is permitted to be in or about an industrial establishment,

shall be,

- (c) sixteen years of age in a logging operation;
- (d) fifteen years of age in a factory other than a logging operation; and
- (e) fourteen years of age in a workplace other than a factory.

(2) Clause *b* of subsection 1 does not apply to a person who,

- (a) while in the industrial establishment, is accompanied by a person who has attained the age of majority;
- (b) is being guided on a tour of the industrial establishment;
- (c) is in an area of the industrial establishment used for sales purposes; or
- (d) is in an area of the industrial establishment to which the public generally has access.

NOTICE OF ACCIDENTS

5.—(1) The notice required by section 25 of the Act shall include,

- (a) the name and address of the constructor and the employer;
- (b) the nature and the circumstances of the occurrence and the bodily injury sustained;
- (c) a description of the machinery or equipment involved;
- (d) the time and place of the occurrence;
- (e) the name and address of the person who was killed or critically injured;
- (f) the names and addresses of all witnesses to the occurrence; and
- (g) the name and address of the physician or surgeon, if any, by whom the person was or is being attended for the injury.

(2) For the purposes of section 26 of the Act, notice of,

- (a) an accident, explosion or fire which disables a worker from performing his usual work; or
- (b) an occupational illness,

shall include,

- (c) the name, address and type of business of the employer;
- (d) the nature and the circumstances of the occurrence and the bodily injury or illness sustained;
- (e) a description of the machinery or equipment involved;
- (f) the time and place of the occurrence;
- (g) the name and address of the person suffering the injury or illness;
- (h) the names and addresses of all witnesses to the occurrence;
- (i) the name and address of the physician or surgeon, if any, by whom the person was or is being attended for the injury or illness; and
- (j) the steps taken to prevent a recurrence.

(3) A record of an accident, explosion or fire causing injury requiring medical attention but not disabling a worker from performing his usual work shall be kept in the permanent records of the employer and include particulars of,

- (a) the nature and circumstances of the occurrence and the injury sustained;
- (b) the time and place of the occurrence; and
- (c) the name and address of the injured person.

(4) A record kept as prescribed by subsection 3 for the inspection of an inspector shall be notice to the Director.

6. Where, under section 5, 55 or 72 of this Regulation, a report or permanent record is prescribed to be kept, it shall be kept for,

- (a) a period of at least one year; or
- (b) such longer period as is necessary to ensure that at least the two most recent reports or records are kept.

7.—(1) Before beginning any construction, development, reconstruction, alteration or installation to or in a building or structure that is to be or is,

- (a) used as a factory other than,
 - (i) a logging operation, or
 - (ii) a laundry operated in conjunction with,
 - a. a public or private hospital,
 - b. a hotel, or

- c. a public or private institution for religious, charitable or educational purposes;

(b) an arena;

(c) used as a shop or office building and is to be or is more than two storeys in height; or

(d) used as a shop or office building and is to have or has more than 557 square metres of gross horizontal area in any storey enclosed within,

- (i) exterior walls, or

- (ii) any combination of exterior walls and interior walls having a fire-resistance rating without any opening to another building,

drawings, layout and specifications shall be filed with the Ministry for review in accordance with subsection 3 of section 18 of the Act.

(2) The drawings, layout and specifications filed in accordance with subsection 3 of section 18 of the Act shall,

- (a) be accompanied by an application for review in Form 1;

- (b) where applicable, include, drawn to a reasonable scale,

- (i) a plot plan,

- (ii) foundation plans,

- (iii) elevations and sections,

- (iv) structural details,

- (v) floor plans,

- (vi) heating, electrical and sanitation drawings,

- (vii) details of ventilation systems, and

- (viii) details of equipment, machinery or devices to be used in the processing of toxic or designated substances;

- (c) be submitted in triplicate;

- (d) include an estimate of the cost;

- (e) in the case of drawings of a building or structure that is or is to be,

- (i) an arena,

- (ii) more than two storeys in height, or

- (iii) more than 557 square metres in building area,

- bear the signature and seal of a professional engineer or architect; and

- (f) be accompanied by the appropriate fee as prescribed in section 8.

8.—(1) Subject to subsection 2, the fees to be paid for filing and review of drawings, layout and specifications shall be, where the estimated cost approved by an engineer of the Ministry is,

- (a) not more than \$5,000, \$5: and

- (b) more than \$5,000, \$1 for each \$1,000 or fraction thereof.

(2) No fee greater than \$5,000 is payable for any one building or structure.

9. The fee for each copy of a report or each copy of an order furnished under section 35 of the Act is \$100.

10. A notice under subsection 5 of section 29 of the Act shall be in Form 2.

PREMISES

11.—(1) Subject to subsection 2, fuel fired heating equipment shall be located in a separate room that,

- (a) is not under a means of egress;

- (b) with the exception of exterior walls, has a fire-resistance rating of at least one hour;

- (c) is supplied with combustion air from outdoors; and

- (d) has, subject to subsection 3, no opening in any wall facing an area containing a flammable or explosive gas, vapour, dust or fume.

(2) Subsection 1 does not apply to fuel fired heating equipment that,

- (a) is installed in an outdoor roof-top location;

- (b) acts as an infra-red heater;

- (c) acts as a space heater,

- (i) in a building, other than a service garage, of not more than two storeys including the basement, or

- (ii) in a service garage, where the combustion element and the intake opening of the cold air return duct are at least 1.2 metres above floor level; or

- (d) is an integral part of process equipment.

(3) Clause *d* of subsection 1 does not apply to a hot air supply duct opening which is equipped with a fire damper.

12. A floor or other surface used by any worker shall,

- (a) be kept free of,
 - (i) obstructions,
 - (ii) hazards, and
 - (iii) accumulations of refuse, snow or ice; and
- (b) not have any finish or protective material used on it that is likely to make the surface slippery.

13. Clearances between a moving part of any machine or any material carried by the moving part of the machine and any other machine, structure or thing shall be adequate to ensure that the safety of any worker in the area is not endangered.

14.—(1) Subject to subsection 2, there shall be a guardrail,

- (a) around the perimeter of an uncovered opening in a floor, roof or other surface to which a worker has access;
- (b) at an open side of,
 - (i) a raised floor, mezzanine, balcony, gallery, landing, platform, walkway, stile, ramp or other surface, or
 - (ii) a vat, bin or tank, the top of which is less than 107 centimetres above the surrounding floor, ground, platform or other surface; and
- (c) around a machine, electrical installation, place or thing that is likely to endanger the safety of any worker.

(2) Subsection 1 does not apply to,

- (a) a loading dock;
- (b) a roof to which access is required only for maintenance purposes; and
- (c) a pit used for,
 - (i) work on an assembly line, or
 - (ii) maintenance of vehicles or similar equipment.

15. A guardrail shall,

- (a) have a height of not less than 107 centimetres above the surface, floor, ground or platform on which it is installed;

(b) be capable of withstanding any load likely to be applied to it;

(c) when constructed of wood, be not less than 38 millimetres x 89 millimetres in cross section, securely supported on posts not less than 38 millimetres x 89 millimetres in cross-section, the posts being spaced at intervals of not more than 2.4 metres;

(d) have an intermediate rail which, when constructed of wood, is not less than 75 millimetres wide, securely fastened to the inner side of the posts mid-way between the top rail and the surface, floor, ground or platform on which it is installed;

(e) where tools or other objects may fall on any worker, have a toe-board extending from the floor platform or other surface to a height of not less than 125 millimetres; and

(f) be free of splinters and protruding nails.

16. A cover on an opening in a floor, roof or other surface shall be,

- (a) secured in place; and
- (b) of sufficient strength to support,
 - (i) any load likely to be applied to it, or
 - (ii) 2.4 kilonewtons per square metre, whichever is the greater.

17. A door,

- (a) located or arranged so that it could be mistaken for an exit door; or
- (b) leading to a hazardous, restricted or unsafe area,

shall be identified by a warning sign posted on it.

18. A fixed walkway, service stair or stile shall be at least 55 centimetres in width.

19.—(1) Subject to subsection 2, an access ladder fixed in position shall,

- (a) be vertical;
- (b) have rest platforms at not more than 9 metre intervals;
- (c) be offset at each rest platform;
- (d) where the ladder extends over 5 metres, above grade, floor or landing, have a safety cage commencing not more than 2.2 metres above grade and continuing at least 90 centimetres above the top landing with openings to permit access by a worker to rest platforms or to the top landing;

(e) have side rails which extend 90 centimetres above the landing; and

(f) have rungs which are at least 15 centimetres from the wall and spaced at regular intervals.

(2) Subsection 1 does not apply to an access ladder on a tower, water tank, chimney or similar structure which has a safety device which will provide protection should a worker using the ladder fall.

20. Where frequent access is required to equipment elevated above or located below floor level, permanent platforms shall be provided with access by a fixed,

(a) stair; or

(b) access ladder.

21. Barriers, warning signs or other safeguards for the protection of all workers in an area shall be used where vehicle or pedestrian traffic may endanger the safety of any worker.

22. A skylight in a foundry shall be fitted with wired or shatter-proof glass or non-shatterable translucent material or with protective wire netting attached to its underside.

LIGHTING

23. Where natural lighting is inadequate to ensure the safety of any worker, artificial lighting shall be provided and shadows and glare shall be reduced to a minimum.

24. In an area of a building which is solely dependent on artificial lighting and where a failure of the regular lighting system would create conditions which might endanger the safety of any worker in the building, emergency lighting shall be provided which,

(a) turns on automatically when the regular lighting fails;

(b) is independent of the regular lighting source;

(c) provides adequate lighting for evacuation of the area; and

(d) shall be tested at least once every three months to ensure the system will function in an emergency, but not less frequently than recommended by the manufacturer.

FIRE PREVENTION — PROTECTION

25. A fire extinguisher shall,

(a) not contain carbon tetrachloride, methyl bromide or other potentially toxic vaporizing liquid;

(b) be inspected at least once every month by a worker appointed for that purpose and the

date of the last inspection shall be recorded on a tag attached thereto; and

(c) after use, be

(i) immediately recharged and returned to its marked station, or

(ii) replaced.

26.—(1) Subject to subsections 2, 3 and 4, where not required for immediate use, flammable liquids shall be,

(a) in sealed containers; and

(b) located,

(i) outdoors and remote from any means of egress,

(ii) in a building not used for any other purpose, or

(iii) in a room,

a. separated from the rest of the building with partitions having,

1. at least a one-hour fire-resistance rating, and

2. self-closing doors, hinged to swing outwardly on their vertical axes,

b. equipped with,

1. a drain connected to a dry sump or holding tank, and

2. liquid-tight seals between interior walls and floor and a liquid-tight ramped sill at any door opening, which is not in an exterior wall, and

c. having natural ventilation to the outdoors by upper and lower exterior wall gravity louvres.

(2) Where not required for immediate use, flammable liquids,

(a) in opened containers; or

(b) having a flash point below 22.8° Celsius and a boiling point below 37.8° Celsius,

shall,

(c) comply with the requirements of clause b of subsection 1;

- (d) be stored in facilities having no potential source of ignition; and
 - (e) when located in a room, be located in a room equipped with,
 - (i) explosion venting to the outdoors, and
 - (ii) a spark resistant floor.
- (3) A maximum of 235 litres of flammable liquids may be stored,
- (a) in sealed containers of not more than 23 litre capacity each; or
 - (b) in a metal cabinet of double walled construction with a 3-point door latch and a liquid-tight door sill raised at least 50 millimetres above the floor.
- (4) An area where flammable liquids are dispensed shall have,
- (a) mechanical ventilation from floor level to the outdoors at the rate of 18 cubic metres per hour per square metre of floor area; and
 - (b) containers and dispensing equipment bonded and grounded when flammable liquid is dispensed.
27. A portable container used for dispensing flammable liquid in a work area shall be made of material suitable to provide for the safety of all workers and have,
- (a) a spring-loaded cap; and
 - (b) a flame arrestor.

MACHINE GUARDING

28. Where a machine or prime mover or transmission equipment has an exposed moving part that may endanger the safety of any worker, the machine or prime mover or transmission equipment shall be equipped with and guarded by a guard or other device which prevents access to the moving part.

29. An in-running nip hazard or any part of a machine, device or thing that may endanger the safety of any worker shall be equipped with and guarded by a guard or other device which prevents access to the pinch point.

30. A machine shall be shielded or guarded so that the product, material being processed or waste stock will not endanger the safety of any worker.

31. An emergency stop control on a power-driven machine shall,

- (a) be conspicuously identified; and

- (b) be located within easy reach of the operator.

32. An operating control which acts as a guard for a machine not otherwise guarded shall,

- (a) be in a location where the safety of the operator is not endangered by moving machinery;
- (b) be arranged so that it cannot be operated accidentally; and
- (c) not be made ineffective by a tie-down device or other means.

33. A grinding wheel shall be,

- (a) marked with the maximum speed at which it may be used;
- (b) checked for defects before mounting;
- (c) mounted in accordance with the manufacturer's specifications;
- (d) operated at a speed which does not exceed the manufacturer's recommendations;
- (e) provided with protective hoods that enclose the wheel as closely as the work will permit;
- (f) operated only by workers protected by eye protection; and
- (g) stored where it will not be subjected to,
 - (i) extreme heat or cold, or
 - (ii) damage from impact.

34. A work rest for a grinding wheel shall,

- (a) have a maximum clearance of 3 millimetres from the grinding wheel;
- (b) be in a position above the centre line of the grinding wheel; and
- (c) not be adjusted while the grinding wheel is in motion.

35. A centrifugal extractor, separator or dryer shall have an interlocking device which will prevent,

- (a) any lid or covering guard from being opened or removed while the rotating drum or basket is in motion; and
- (b) the starting of the drum or basket while the lid or covering guard is open or removed.

36. A tumbling mill or tumbling dryer shall have a locking device which prevents any movement of the mill or dryer which may endanger any worker during loading or unloading.

37. Portions of conveyors or other moving machinery which are not visible from the control station, and where starting up may endanger any worker, shall be equipped with automatic start-up warning devices.

38. Guards shall be provided beneath conveyors,

- (a) which pass over any worker; or
- (b) from which falling material, including broken conveyor parts, may be a hazard to any worker.

39. Overhead protection shall be provided where falling material may endanger any worker.

40.—(1) Subject to subsection 2, an explosive actuated fastening tool shall,

- (a) have a firing mechanism that will prevent the tool from being fired,
 - (i) while being loaded,
 - (ii) during preparation for firing, or
 - (iii) if dropped;
- (b) be capable of being operated only when the muzzle end is held against a working surface with a force of at least 22 newtons greater than the weight of the tool;
- (c) if required to be dismantled into separate parts for loading, be capable of being operated only when the separate parts are firmly locked together;
- (d) be capable of being fired only after two separate and distinct actions have been carried out by the operator, with the firing movement separate from the operation of bringing the tool into the firing position;
- (e) be used only when equipped with a protective guard or shield,
 - (i) suitable for the particular fastening operation being performed,
 - (ii) mounted at right angles to the barrel,
 - (iii) at least 75 millimetres in diameter, and
 - (iv) placed in a central position on the muzzle end of the tool except where the fastener is intended to be driven into a surface at a point within 38 millimetres of another surface that is at an angle to the surface into which the fastener is intended to be driven;
- (f) be capable of being operated when the guard prescribed by clause *e* is placed in the central position only when the bearing surface of the

guard is tilted not more than eight degrees from the working surface;

- (g) when not in use, be stored in a locked container;
- (h) not be left unattended where it may be available to a person other than a worker having the qualifications set out in subclause *i* of clause *k*;
- (i) whether loaded or unloaded, not be pointed directly at any person;
- (j) not be loaded unless it is being prepared for immediate use;
- (k) be used only,
 - (i) by a worker who has been instructed in the proper and safe manner of its use by the manufacturer or his authorized and qualified agent,
 - (ii) by a worker wearing both head protection and eye protection,
 - (iii) after it has been inspected by the worker referred to in subclause *i* to ensure that,
 - a. the tool is clean,
 - b. all moving parts operate freely,
 - c. the barrel is free from any obstruction,
 - d. the tool is adequately equipped for the intended use, and
 - e. it is not defective,
 - (iv) in accordance with the instructions of the manufacturer,
 - (v) with an explosive load of a strength adequate to perform the intended work without excessive force, and
 - (vi) to drive a stud or other fastener suitable for insertion in the tool; and
- (l) not be used in an atmosphere containing flammable vapours, gases or dusts.

(2) Clauses *e* and *f* of subsection 1 do not apply to an explosive actuated fastening tool if the velocity of the stud or other fastener does not exceed 90 metres per second measured at a distance of 2 metres from the muzzle end of the tool when propelled by the maximum commercially available explosive load that the tool is chambered to accept.

(3) A misfired cartridge which has been removed from an explosive actuated fastening tool shall be placed in a water-filled container until the cartridge may be properly disposed of after its safe removal from the industrial establishment.

41. An explosive load for an explosive actuated fastening tool shall,

- (a) be so marked or labelled that the operator can readily identify its strength;
- (b) not be stored in a container where an explosive load of a different strength is stored;
- (c) not be left unattended where it may be available to a person other than a worker having the qualifications set out in subclause i of clause *k* of section 40; and
- (d) when not in use, be stored in a locked container.

42. A hand-held nailing gun or similar tool shall be,

- (a) capable of being operated only when in contact with the work surface; and
- (b) operated only,
 - (i) by a competent person, and
 - (ii) when the operator is wearing eye protection.

43. A chain saw shall,

- (a) have,
 - (i) a chain that minimizes the possibility of a kickback, and
 - (ii) a device which will effectively stop the chain in the event of a kickback;
- (b) be in safe operating condition;
- (c) when being started, be held firmly;
- (d) when being used, be held firmly by both hands; and
- (e) have the chain stopped when not actually cutting.

44. Electrical equipment, insulating materials and conductors shall be,

- (a) suitable for its use; and
- (b) certified by,
 - (i) the Canadian Standards Association, or

(ii) the Ontario Hydro Electrical Inspection Department.

45. The entrance to a room or similar enclosure containing exposed live electrical parts shall have a conspicuous sign, warning of the danger, and forbidding entry by unauthorized persons.

46.—(1) Subject to subsections 2 and 3, the power supply to electrical installations, equipment or power lines shall be disconnected and locked out of service prior to any work being done on, or in proximity to, the installations, equipment or power lines.

(2) Where it is not practicable to disconnect and lock out the power supply to live electrical installations, equipment or power lines,

- (a) rubber gloves, mats, shields or other protective equipment adequate to ensure the safety of all workers shall be used while the work is being performed; and
- (b) a person other than the worker doing the work who is trained in the use of artificial respiration, shall be conveniently available while the work is being performed.

(3) Where work is to be done on a power line of 750 volts or over, and the power supply cannot be disconnected and locked out of service,

- (a) the work shall be carried out by a competent person under the authority of an electrical utility; and
- (b) rubber gloves, mats, shields or other protective equipment, and procedures adequate to ensure the safety of all workers shall be used while work is being performed; and
- (c) a person, other than the worker doing the work, who is trained in the use of artificial respiration, shall be conveniently available while the work is being performed.

47. Tools and other equipment, which are capable of conducting electricity and endangering the safety of any worker, shall not be used in such proximity to any live electrical installation or equipment that they might make electrical contact with the live conductor.

48. Cord-connected electrical equipment and tools shall be effectively grounded.

MATERIAL HANDLING

49. Material, articles or things,

- (a) required to be lifted, carried or moved, shall be lifted, carried or moved in such a way and with such precautions and safeguards, including protective clothing, guards or other precautions as will ensure that the lifting, car-

rying or moving of the material, articles or things does not endanger the safety of any worker;

(b) shall be transported, placed or stored so that the material, articles or things,

(i) will not tip, collapse or fall, and

(ii) can be removed or withdrawn without endangering the safety of any worker; and

(c) to be removed from a storage area, pile or rack shall be removed in a manner that will not endanger the safety of any worker.

50. Machinery, equipment or material which may tip or fall and endanger any worker shall be secured against tipping or falling.

51. Cylindrical objects stored on their side shall be piled symmetrically with each unit in the bottom row chocked or wedged to prevent motion.

52. Barrels, drums or kegs which are piled on their ends shall have two parallel planks placed on top of each row before another row is added.

53. A storage cylinder for compressed gas shall,

(a) have a valve connection which prevents an inadvertent connection which would result in a hazardous mixture of gases;

(b) be secured in position during transportation, storage or use;

(c) have the valve protection cap in position when the cylinder is not in use;

(d) when containing acetylene, be in an upright position; and

(e) be protected from physical damage.

54. A silo, bin, hopper, structure, container or thing that is not a confined space for which the requirements of sections 71, 72, 73, 74 and 75 apply, and that is used for storing or containing bulk material may be entered only where,

(a) the supply of material thereto is stopped and precautions are taken that will prevent any further supply;

(b) the worker entering is wearing a safety harness or other similar equipment attached to a rope or lifeline such that the worker shall not be endangered by any collapse or shifting of material in the silo, bin, hopper, structure, container or thing; and

(c) at least one other worker equipped with a suitable alarm and capable of rendering any necessary assistance is keeping watch nearby.

55.—(1) A lifting device shall,

(a) be so constructed, of such strength and be equipped with suitable ropes, chains, slings and other fittings so as to adequately ensure the safety of all workers;

(b) be thoroughly examined by a competent person to determine its capability of handling the maximum load as rated,

(i) prior to being used for the first time, and

(ii) thereafter as often as necessary but not less frequently than recommended by the manufacturer and in any case, at least once a year, and

a permanent record shall be kept, signed by the competent person doing the examination;

(c) be plainly marked with sufficient information so as to enable the operator of the device to determine the maximum rated load that the device is capable of lifting under any operating condition;

(d) have a cab, screen, canopy guard or other adequate protection for the operator where he may be exposed to the hazard of falling material;

(e) when it is a pneumatic or hydraulic hoist, have controls which automatically return to their neutral position when released.

(2) A lifting device shall be operated,

(a) only by,

(i) a competent person, or

(ii) a worker being instructed who is accompanied by a competent person; and

(b) in such a way that,

(i) no part of the load passes over any worker,

(ii) where a worker may be endangered by the rotation or uncontrolled motion of a load, one or more guide ropes is used to prevent rotation or other uncontrolled motion, and

(iii) subject to subsection 3, when its load is in a raised position the controls are attended by an operator.

(3) Subclause iii of clause *b* of subsection 2 does not apply to,

- (a) a hydraulic hoist which supports the load from below and is fixed in one location; and
- (b) an assembly line hoist temporarily unattended during a stoppage of the assembly line.

(4) Hoisting controls operated from other than a cab or cage shall,

- (a) be located so that they can be operated at a safe distance from a load being lifted; and
- (b) automatically return to their neutral position when released.

(5) Where a lifting device is equipped with limit switches, the switches shall,

- (a) automatically cut off the power and apply the brake; and
- (b) not be used as an operating control unless designed for such use, in which case a second limit switch shall be located behind the control limit switch.

56. A crane, lift truck or similar equipment shall be used to support, raise or lower a worker only when,

- (a) the worker is on a platform,
 - (i) equipped with adequate safety devices which will automatically prevent the platform and load from falling if the platform's normal support fails,
 - (ii) suspended from a boom which does not move, and the person is attached to a separate lifeline suspended from the boom or a fixed support capable of supporting at least four times the weight of the worker, or
 - (iii) attached to a mast, or boom which,
 - a. is hydraulically or pneumatically operated, and
 - b. is equipped with a safety device that will prevent free fall of the platform in the event of a pressure line failure;
- (b) where the equipment is not designed for the specific purpose of hoisting personnel, the load applied to the crane, lift truck or similar equipment is less than one half the maximum rated load;
- (c) the platform has a sign indicating the load described in clause *b*;

(d) where controls are provided at more than one location,

- (i) each control station is provided with means whereby the operator can shut off power to the equipment, and
- (ii) interlocks have been provided so that only one station can be operative at any time; and

(e) except when the controls are operated from the platform, the controls are attended and operated by another worker.

57. Where a travelling crane is operated on a crane runway, there shall be,

- (a) rail stops or bumpers extending at least as high as the centre of the wheels at both ends of the crane runway; and
- (b) where applicable, similar rail stops at the ends of the crane bridge.

58.—(1) Mobile equipment shall,

- (a) when lighting conditions are such that its operation may be hazardous, have head lights and tail lights which provide adequate illumination;
- (b) when exposed to the hazard of falling material, have a screen or canopy guard adequate to protect the operator;
- (c) be used to transport a person, other than the operator, only when that worker is seated in a permanently installed seat; and
- (d) subject to subsection 2, be operated only by a competent person.

(2) Clause *d* of subsection 1 does not apply to mobile equipment operated by a worker while he is being instructed and accompanied by a competent person.

59. A vehicle used to transport structural steel, logs or similar loads shall have a bulkhead between the operator's cab and the load which is reasonably capable of resisting any impact caused by the shifting of the load under emergency stop conditions.

60. Where the operator of a vehicle, mobile equipment, crane or similar material handling equipment does not have a full view of the intended path of travel of the vehicle, mobile equipment, crane or similar material handling equipment or its load, the vehicle, mobile equipment, crane or similar material handling equipment shall only be operated as directed by a signalman who is a competent person and who is stationed,

- (a) in full view of the operator;

- (b) with a full view of the intended path of travel of the vehicle, mobile equipment, crane or similar material handling equipment and its load; and
- (c) clear of the intended path of travel of the vehicle, mobile equipment, crane or similar material handling equipment and its load.

61. A vehicle left unattended shall be immobilized and secured against accidental movement.

62. Powered equipment shall not be left unattended unless forks, buckets, blades and similar parts are in the lowered position or solidly supported.

63. Except for the purpose of a test of the material handling equipment, no material handling equipment shall be loaded in excess of its maximum rated load.

64.—(1) Except as prescribed by subsection 3 of section 46, where a vehicle, crane or similar equipment is operated near a live power line carrying electricity at more than 750 volts, every part of the equipment shall be kept at least the minimum distance from the live power line set out in Column 2 of the Table for the particular voltage set out opposite thereto in Column 1 of the Table:

TABLE

Minimum distance from live power lines for electricity	
COLUMN 1	COLUMN 2
Voltage of live power line	Minimum Distance
750 to 150,000 volts	3 metres
150,001 to 250,000 volts	4.5 metres
250,001 volts and over	6 metres

(2) Subject to subsection 3 of section 46, where a vehicle, crane or similar equipment is operated near a live power line, and it is possible for any part of the vehicle, crane or similar equipment or its load to make contact with the live power line,

- (a) a worker shall be stationed within the view of the operator to warn him when any part of the equipment is approaching the minimum distance from the live power line; and
- (b) clearance shall be allowed for any change in boom angle and for any swing of the hoisting cable and load.

65. Gasoline engines on mobile or portable equipment shall be refuelled,

- (a) outdoors;

- (b) with the engine on the equipment stopped;
- (c) with no source of ignition, within 3 metres of the dispensing point; and
- (d) with an allowance made for expansion of the fuel should the equipment be exposed to a higher ambient temperature.

66.—(1) Subject to subsection 2, a piping system containing a substance which, because of its toxicity, temperature, pressure, flammability or other property, is hazardous, shall have its contents and direction of flow positively identified,

- (a) at valves and fittings;
- (b) where a pipe passes through a wall or floor; and
- (c) where circumstances may make such contents and direction of flow doubtful.

(2) Subsection 1 does not apply to a piping system in a petro-chemical plant where processing and maintenance are carried out by a competent person under controlled conditions so as to provide for the protection of all workers.

67. A process which is likely to produce a gas, vapour, dust or fume, to such an extent as to be capable of forming an explosive mixture with air shall be carried out in an area which has provision for safe disposal by burning under controlled conditions or in an area which,

- (a) is isolated from other operations;
- (b) has a system of ventilation adequate to ensure that the gas, vapour, dust or fume does not reach a hazardous concentration;
- (c) has no potential sources of ignition;
- (d) has provision for explosion venting; and
- (e) has, where applicable, baffles, chokes or dampers to reduce the effects of any explosion.

68. Where the hazard of a dust explosion may be created by the entry of foreign particles into equipment, the equipment shall have separators which prevent such entry.

69.—(1) Subject to subsection 2, a collector that collects aluminum, magnesium or other fine dust of an easily ignitable nature shall be located,

- (a) outdoors; or
- (b) in a room used solely for the housing of dust-collecting equipment which is,

- (i) separated from the rest of the building by a dust-tight partition having a minimum fire-resistance rating of one hour, and

- (ii) constructed to provide explosion venting to the outdoors.

(2) Subsection 1 does not apply to a collector,

- (a) using an inert liquid as a medium to collect dust;
- (b) used for a wood-working operation other than wood flour manufacturing and having less than 0.47 cubic metres per second capacity;
- (c) designed to safely contain explosions; or
- (d) designed to safely resist explosions and equipped with effective explosion venting to the outdoors.

70. A compressed air or other compressed gas blowing device shall not be used for blowing dust or other substances,

- (a) from clothing worn by a worker except where the device is designed to limit increase in pressure when the nozzle is blocked; or
- (b) in such a manner as to endanger the safety of any worker.

CONFINED SPACE

71. The requirements of sections 72, 73, 74 and 75 apply, with all necessary modifications, to any confined space while a worker is in that space.

72. Subject to section 74, a confined space shall be entered only where,

- (a) there is an easy egress from all accessible parts of the confined space;
- (b) mechanical equipment in the confined space is,
 - (i) disconnected from its power source, and
 - (ii) locked out;
- (c) all pipes and other supply lines whose contents are likely to create a hazard are blanked off; and
- (d) the confined space is tested and evaluated by a competent person who,
 - (i) records the results of each test in a permanent record, and

- (ii) certifies in writing in the permanent record that the confined space,

a. is free from hazard, and

b. will remain free from hazard while any worker is in the confined space having regard to the nature and duration of the work to be performed.

73. Subject to section 74, a confined space in which there exists or is likely to exist,

- (a) hazardous gas, vapour, dust or fume; or
- (b) an oxygen content of less than 18 per cent or more than 23 per cent at atmospheric pressure,

shall be entered only when,

- (a) the requirements of section 72 are complied with;
- (d) the space is purged and ventilated to provide a safe atmosphere;
- (e) the measures necessary to maintain a safe atmosphere have been taken;
- (f) another worker is stationed outside the confined space;
- (g) suitable arrangements have been made to remove the worker from the confined space should he require assistance; and
- (h) a person adequately trained in artificial respiration is conveniently available.

74. A confined space in which there exists or is likely to exist,

- (a) a hazardous gas, vapour, dust or fume; or
- (b) an oxygen content of less than 18 per cent or more than 23 per cent at atmospheric pressure,

and which cannot be purged and ventilated to provide and maintain a safe atmosphere shall be entered only when,

- (c) all the requirements of section 72 except that of subclause ii of clause d are complied with;
- (d) the worker entering is using a suitable breathing apparatus and a safety harness or other similar equipment to which is securely attached a rope, the free end of which is held by a worker equipped with an alarm who is keeping watch outside the confined space;
- (e) the worker entering is using such other equipment as is necessary to ensure his safety;

(f) the safety harness, rope and other equipment mentioned in clause *d* have been inspected by a competent person and are in good working order; and

(g) a person adequately trained in artificial respiration is conveniently available.

75.—(1) Subject to subsection 2, where the gas or vapour in a confined space is or is likely to be explosive or flammable, the confined space shall be entered only where,

(a) the concentration of the gas or vapour does not or is not likely to exceed 50 per cent of the lower explosive limit of the gas or vapour; and

(b) the only work to be performed is that of cleaning or inspecting and of such a nature that it does not create any source of ignition.

(2) Cold work may be performed in a confined space which contains or is likely to contain an explosive or flammable gas or vapour where the concentration does not, and is not likely to exceed 10 per cent of the lower explosive limit of the gas or vapour.

MAINTENANCE AND REPAIRS

76.—(1) Where a structure is damaged to the extent that a collapse of the structure or any part of the structure is likely to occur and cause injury to a worker,

(a) the structure shall be braced and shored to prevent the collapse of the structure; or

(b) effective safeguards shall be provided to prevent access to the area.

(2) The bracing and shoring or other safeguards prescribed by subsection 1 shall be installed progressively to ensure that a worker installing the bracing and shoring or other safeguards is not in danger.

77. A portable ladder shall,

(a) be free from broken or loose members or other faults;

(b) have non-slip feet;

(c) be placed on a firm footing;

(d) where it,

(i) exceeds 6 metres in length and is not securely fastened, or

(ii) is likely to be endangered by traffic,

be held in place by one or more workers while being used; and

(e) when not securely fastened, be inclined so that the horizontal distance from the top support to

the foot of the ladder is not less than $\frac{1}{4}$ and not more than $\frac{1}{3}$ of the length of the ladder.

78. Machinery, equipment or material that is temporarily elevated and under which a worker may pass or work shall be securely and solidly blocked to prevent the machinery, equipment or material from falling or moving.

79. A part of a machine, transmission machinery, device or thing shall be cleaned, oiled, adjusted, repaired or have maintenance work performed on it only when,

(a) motion that may endanger a worker has stopped; and

(b) any part which has been stopped and which may subsequently move and endanger a worker has been blocked to prevent its movement.

80. Where the starting of a machine, transmission machinery, device or thing may endanger the safety of a worker,

(a) control switches or other control mechanisms shall be locked out; and

(b) other effective precautions necessary to prevent such starting shall be taken.

81. Safety chains, cages or other protection against blown-off side or lock rings shall be used when inflating a tire mounted on a rim.

82.—(1) Subject to subsection 2, where repairs or alterations are to be made on a drum, tank, pipeline or other container, the drum, tank, pipeline or other container shall,

(a) have internal pressures adjusted to atmospheric before any fastening is removed;

(b) be drained and cleaned or otherwise rendered free from any explosive, flammable or harmful substance; and

(c) not be refilled while there is any risk of vaporising or igniting the substance which is being placed in the drum, tank, pipeline or other container.

(2) Clauses *a* and *b* of subsection 1 do not apply to a pipeline where hot-tapping and boxing-in are carried out by a competent person under controlled conditions so as to provide for the protection of all workers.

PROTECTIVE EQUIPMENT

83. A worker required to wear or use any protective clothing, equipment or device shall be instructed and trained in its care and use before wearing the protective clothing, equipment or device.

84. Where a worker is exposed to the hazard of head injury he shall wear head protection appropriate in the circumstances.

85. Where a worker is exposed to eye injury he shall wear eye protection appropriate in the circumstances.

86. Where a person is exposed to the hazard of foot injury he shall wear foot protection appropriate in the circumstances.

87.—(1) Long hair shall be suitably confined to prevent entanglement with any rotating shaft, spindle, gear, belt or other source of entanglement.

(2) Jewellery or clothing, which is loose or dangling, or rings shall not be worn near any rotating shaft, spindle, gear, belt or other source of entanglement.

88. Where a worker is exposed to the hazard of injury from contact of his skin with,

- (a) a noxious gas, liquid, fume or dust;
- (b) a sharp or jagged object which may puncture, cut or abrade his skin;
- (c) a hot object, hot liquid or molten metal; or
- (d) radiant heat,

he shall be protected by,

- (e) wearing apparel sufficient to protect him from injury; or
- (f) a shield, screen or similar barrier,

appropriate in the circumstances.

89. Where a worker is exposed to the hazard of falling and the surface to which he might fall is more than 3 metres below the position where he is situated,

- (a) he shall wear a serviceable safety belt or harness and lifeline adequately secured to a fixed support and so arranged that he cannot fall freely for a vertical distance of more than 1.5 metres; and
- (b) the fall arresting system described in clause *a* shall,
 - (i) have sufficient capacity to absorb twice the energy and twice the load that under the circumstances of its use may be transmitted to it, and

- (ii) be equipped with a shock absorber or other devices to limit the maximum arresting force to 8.0 kilonewtons to the wearer.

90. Where a worker is exposed to the hazard of falling into liquid that is of sufficient depth for a life jacket to be effective as protection from the risk of drowning,

- (a) he shall wear a life jacket; and
- (b) there shall be an alarm system and rescue equipment, appropriate in the circumstances, to ensure his rescue from the liquid.

MOLTEN METAL

91.—(1) Subject to subsection 2, a foundry in which any part of the lowest floor level of any working space is below the adjacent ground level shall not be operated, established or put into operation.

(2) The operation of a foundry, in which any part of the lowest floor level of any working space is below the adjacent ground level and which was in operation before the 31st day of July, 1964, may be continued.

92.—(1) A clear space adequate for safe operating and maintenance purposes shall be provided between the outer shell of any cupola or other melting unit and any wall, structure, equipment or operation.

(2) Subject to subsection 5, the width of any passageway or aisle adjacent to a melting unit shall not be less than 1.2 metres.

(3) The firing portion and fuel supply controls of each melting unit shall be accessible from an aisle or be in a location remote from a melting unit.

(4) Subject to subsection 5, the dimensions of the working space at any melting unit shall not be less than 1.8 metres measured horizontally from the furnace shell or pouring spout or such additional clearance as is required for safe working.

(5) Subsections 2 and 4 do not apply to a melting unit installed before the 31st day of July, 1964.

93. Permanent gangways shall be clearly marked.

94.—(1) Subject to subsections 2 and 3, where molten metal is conveyed, the minimum width of a gangway for one-way traffic shall be as specified in the following Table:

TABLE

Type of Metal Container	Number of Workers Conveying Metal	Minimum Width
Hand shank ladles and crucibles	2 or less	90 centimetres
Hand shank ladles and crucibles	More than 2	120 centimetres
Ladle or crucible on truck, buggy or overhead track		60 centimetres wider than greatest width of ladle, crucible, truck, buggy or container support

(2) Where a gangway is used for traffic in both directions but molten metal is conveyed in one direction only, the width required by subsection 1 shall be increased by at least 90 centimetres.

(3) Where a gangway is used for carrying molten metal in both directions, the width required by subsection 1 shall be doubled.

(4) Where a ladle is carried by an overhead crane,

- (a) adequate warning shall be given before the ladle is moved; and
- (b) the danger area over which it is transported shall be clear of any worker.

95. Where a hand ladle or crucible is used to pour metal, the minimum width of a pouring aisle shall be as specified in the following Table:

TABLE

Height of Mould Above Aisle Level	Number of Workers Allocated to the Pouring Operation	Minimum Width of a Pouring Aisle
Less than 50 centimetres	Not more than 2	40 centimetres
50 centimetres or greater	Not more than 2	60 centimetres
Any height	More than 2	90 centimetres

96. Where molten metal is poured from a crane, trolley or truck ladle, the minimum width of a pouring aisle shall not be less than 30 centimetres greater than

the greatest width of the ladle equipment, except where a bottom-pour ladle is used, in which case the aisle width shall be 90 centimetres or more.

97. Where a worker is engaged in the handling of molten metal, gaiter-type boots shall be worn together with leggings or other protective clothing such that the tops of the boots are overlapped to protect the worker from injury due to molten metal.

98. A tilting ladle for molten metal shall be secured against accidental overturning.

99. A cupola shall have,

- (a) legs and supports protected from damage by molten metal;
- (b) doors on the top hinged to act as explosion vents to the outdoors when equipped with a closed top;
- (c) a positive means of preventing the accumulation of combustible gases in the air supply system when the air supply fails; and
- (d) a continuous open flame or other means of ignition maintained above the charging level of the cupola while the cupola is in operation and until all combustible material in the cupola is consumed.

100.—(1) Subject to subsection 2, the bottom of a cupola shall be supported by one or more adequate metal props with metal bases and wedges supported on concrete or other solid footing.

(2) The bottom of a cupola shall only be dropped,

- (a) after a visual and audible warning signal has been given for at least three minutes; and
- (b) by having the prop or props removed by a winch or similar device operated from outside a wall or shield at the cupola or from another safe location.

(3) As soon as is practicable after a cupola is emptied, coke slag and unmelted metal from the dropping of the cupola bottom shall be removed by a mechanical rake or other mechanical means.

101.—(1) Subject to subsection 2, material to be charged into molten metal shall be free from ice or moisture.

(2) Subsection 1 does not apply where precautions have been taken to ensure that any resultant reaction will not endanger any worker.

102. A completely enclosed vessel shall be broken open prior to its being charged into a furnace.

103. Where metal castings or scrap are broken by means of a dropping device, or similar device, a perma-

nent shield of wood planking at least 38 millimetres thick shall be provided to protect workers from flying metal fragments.

104. A container used for holding or transporting molten metal shall be dry before use.

105. The floor and any water system immediately surrounding a melting unit shall be so constructed as to prevent the accumulation of moisture under or near the melting unit.

106. Where molten metal is handled on a gallery, mezzanine or other area having any working space below it, the gallery, mezzanine or area shall have a solid floor that will prevent molten metal from leaking or burning through it and the gallery, mezzanine or other area shall have a solid barrier, of not less than 1.05 metres in height, on all exposed sides to prevent metal spillage from the gallery, mezzanine or other area.

LOGGING

107. In this section and in sections 108 to 120, inclusive,

- (a) "bucking" means the act of sawing a log or a tree which has been felled into smaller pieces;
- (b) "chicot" means a dead tree or a dead limb of a tree;
- (c) "felling area" means an area where trees are being felled and into which they might fall;
- (d) "hang up" means a tree that has not fallen to the ground after being,
 - (i) partly or wholly separated from its stump, or
 - (ii) displaced from its natural position;
- (e) "haul road" means a road, other than a highway as defined in *The Highway Traffic Act* on which vehicles used to haul logs are operated;
- (f) "landing area" means a cleared area where trees or logs are stored, measured, processed, unloaded or loaded and includes a log dump;
- (g) "limbing" means the act of removing limbs from a tree before or after felling;
- (h) "lodged tree" means a hang up that is tangled with another tree or object;
- (i) "logger" means a worker who engages in logging and includes the employer and any person under the control of the employer;
- (j) "skidding" means the operation of moving logs or trees by pulling across the terrain;

(k) "snag" means any material or object that may interfere with the safe movement of a tree or log or that may endanger a person or any equipment;

(l) "spring pole" means a section of tree, or bush which is, by virtue of its arrangement in relation to other materials, under tension;

(m) "stake" means a wooden or metal post used to support and prevent the lateral movement of logs;

(n) "tree" means a tree that is standing or is down and from which the limbs have not been removed.

108.—(1) Subject to subsection 2, a felling area shall be kept clear of workers.

(2) Subsection 1 does not apply to,

- (a) a worker authorized by the employer or supervisor to be in the felling area; or
- (b) an inspector or worker accompanying an inspector in the course of their duties.

109. A landing area shall have sufficient space cleared of any hazard to enable operations to be performed without endangering any worker.

110. A tree shall,

- (a) be felled only,
 - (i) after all workers other than the logger felling the tree are cleared from the danger area,
 - (ii) after all snags have been cut and cleared away,
 - (iii) after all chicots and spring poles in the vicinity of the tree being felled have been lowered safely to the ground, and
 - (iv) in such a manner that the logger felling the tree is able to stand clear of the tree during its fall;
- (b) be felled alongside or across a road only after the road has been blocked off or controlled by a signalman; and
- (c) be limbed, bucked or topped only when the logger is in a position so that the limb, log or top when severed cannot roll or drop on him.

111. When a hang up occurs,

- (a) the logger shall keep the felling area clear of all workers; and
- (b) the hang up shall,

- (i) be felled forthwith by winching or pulling using a chain or cable from a safe distance or by other safe means,
- (ii) not be climbed by any worker,
- (iii) not be lowered by felling another tree into or onto it, and
- (iv) not be removed by cutting the supporting tree.

112. A spring pole shall be severed or cut in a manner that will not endanger,

- (a) the logger cutting or severing the spring pole; or
- (b) any other worker.

113. Skidding shall be done,

- (a) only when all loggers, other than the operator of the vehicle doing the skidding, are clear of the danger area; and
- (b) so as not to raise the log being skidded to a height that might,
 - (i) cause the vehicle moving the log to upend or overturn, or
 - (ii) otherwise endanger the operator of the vehicle moving the log.

114. A log shall be loaded or unloaded only when,

- (a) requirements of section 60 are met; and
- (b) the immediate area is clear of all workers except those engaged or assisting in the loading or unloading.

115. Except for a truck, a vehicle used in logging shall be equipped with a canopy that is,

- (a) of sufficient strength and construction to protect any worker in the cab from,
 - (i) any load likely to fall on the canopy, and
 - (ii) crushing injury due to the vehicle rolling over; and
- (b) installed by welding or bolting to the frame of the vehicle.

116. A truck used in logging shall have all rear windows guarded against penetration by any part of its load by a guard the strength of which is equivalent to the strength of the cab in which the window is located.

117.—(1) A vehicle used for hauling logs shall,

- (a) comply with section 59;
- (b) be so loaded that no log extends,
 - (i) outside the stakes, or
 - (ii) farther than one-half its diameter above the stakes;
- (c) have its load secured with chains or cables so as to prevent the dislodging or other movement of the load or any part thereof;
- (d) while any worker is in the cab, not be loaded or unloaded by a method in which a boom or part of the load is likely to pass over the cab;
- (e) have the cab occupied by more than two workers only in an emergency;
- (f) subject to clause e, be operated only when all workers are clear of the vehicle or its load; and
- (g) when unable to be unloaded completely by mechanical means,
 - (i) be equipped with a tripping device for releasing the load that is so located that the worker operating the device is not endangered, and
 - (ii) have its load released only in compliance with subclause i.

(2) Where a truck or trailer used for hauling logs is equipped with stakes and the stakes are trip stakes, such stakes shall only be located on the right-hand side or rear of the truck or trailer.

118. A haul road shall,

- (a) be adequate to provide for the safe operation of vehicles;
- (b) have by-passes or turnout spaces at sufficiently frequent intervals to permit the safe passing of vehicles using the road; and
- (c) have signs warning of the approach to every,
 - (i) bridge,
 - (ii) crossroad,
 - (iii) blind curve,
 - (iv) steep grade, and
 - (v) railway crossing.

119. A bridge on a haul road shall,

- (a) be structurally adequate to support any load likely to be applied to it;

- (b) have curbs of a height of not less than 15 centimetres on each side of the travelled portion of the bridge;
- (c) be of sufficient width between curbs to permit the passage of vehicles using the bridge; and
- (d) have markers which clearly indicate the widths and ends of the bridge.

120. A vehicle used to transport loggers shall have the part of the vehicle in which the loggers are transported,

- (a) structurally adequate to support any load likely to be applied to it;
- (b) provided with an adequate number of seats securely attached to the vehicle so that all loggers being transported may be seated;
- (c) illuminated by an electrical lighting system;
- (d) equipped with a means of communication between the loggers and operator of the vehicle to enable the loggers to signal the operator to stop;
- (e) adequately ventilated to protect loggers from noxious fumes and gases;
- (f) free of tools, equipment or flammable liquid, which may be in racks outside the logger compartment;
- (g) when used in inclement weather,
 - (i) enclosed to provide protection from the weather, and
 - (ii) adequately heated to protect the passengers from undue discomfort due to cold; and
- (h) provided with emergency exits in accordance with the provisions of *The Highway Traffic Act*.

PART II

BUILDINGS

121. Except as prescribed in this Part, the health and safety requirements of *The Building Code*, as amended from time to time, made under *The Building Code Act, 1974* apply to all industrial establishments.

122. In this part, "hazardous room" means a room in an industrial establishment containing a substance which because of its chemical nature, or because of the form in which it exists or is handled or processed, may explode or become ignited easily and cause fire or create an atmosphere or condition of imminent hazard to health or safety.

123.—(1) This section applies to hazardous rooms.

(2) At least two exits shall be provided for a hazardous room where its area is greater than 15 square metres or the distance of travel to one exit is greater than 4.5 metres.

(3) Where at least two exits are required, the means of egress shall be arranged so that the distance from any part of a room to a point where a choice of a means of egress is available is not greater than 4.5 metres.

(4) The travel distance to an exit shall not be greater than 23 metres.

124.—(1) A building or part of a building,

- (a) not over two storeys in height;
- (b) erected before the 30th day of June, 1972;
- (c) used as a retail shop before the 30th day of June, 1972 and which continues to be used as a retail shop; and
- (d) in which no storey has an area of more than 465 square metres,

shall have,

- (e) where the travel distance from any point to an exit is not greater than 23 metres at least,
 - (i) one exit from the first storey at grade level, and
 - (ii) one stairway from the second storey, mezzanine and basement;
- (f) where the travel distance from any point to an exit is greater than 23 metres, at least,
 - (i) one front and one rear door from the first storey at grade level,
 - (ii) two stairways that are located as far from each other as is practicable from the second storey and the basement,
 - (iii) subject to subclause iv, one stairway from a mezzanine,
 - (iv) two stairways from a mezzanine where the travel distance from any point on the mezzanine to a stairway is greater than 15 metres, and
 - (v) a fire separation with a fire-resistance rating of at least one hour between a storage area and retail area; and
- (g) subject to subsection 3, where both basement and second floor are served by open stairways, the openings to the basement enclosed with a minimum fire separation of three-quarters of an hour.

(2) Where two stairways are prescribed by subclause ii or iv of clause *f* of subsection 1, a ladder or a fire escape may be substituted for one of the stairways.

(3) A door in a fire separation mentioned in clause *g* of subsection 1 shall be equipped with a self-closing device and may also be equipped with a hold-open device which is released by a smoke detector.

125. An exit may lead to a fire escape only where the fire escape,

(a) does not provide more than one-half of the required exit width; and

(b) is on a building erected,

(i) on or before the 1st day of July, 1952, or

(ii) after the 1st day of July, 1952 and before the 1st day of January, 1976, where the fire escape does not serve any storey higher than five storeys above grade.

126. Except for public corridors, exit enclosures, separation between occupancies, horizontal and vertical service space, service rooms and fire separation of openings, the requirements of *The Building Code* regarding,

(a) fire-resistance rating; and

(b) non-combustible construction,

do not apply to an industrial establishment erected before the 1st day of January, 1976.

127. The "Additional Requirements for High Buildings" as specified in subsection 3.2.6 of *The Building Code*, as amended from time to time, do not apply to industrial establishments erected before the 30th day of June, 1972.

PART III

INDUSTRIAL HYGIENE

128. Where a worker is exposed to a potential hazard of injury to the eye due to contact with a biological or chemical substance, an eyewash fountain shall be provided.

129. Where a worker is exposed to a potential hazard of injury to the skin due to contact with a substance, a quick-acting deluge shower shall be provided.

130. Removal of material shall be done in such a way as not to cause a hazard.

131. An industrial establishment shall be adequately ventilated by either natural or mechanical means such

that the atmosphere does not endanger the health and safety of workers.

132.—(1) Replacement air shall be provided to replace air exhausted.

(2) The replacement air shall,

(a) be heated, when necessary, to maintain at least the minimum temperature in the work place specified in section 133;

(b) be free from contamination with any hazardous dust, vapour, smoke, fume, mist or gas; and

(c) enter in such a manner so as,

(i) to prevent blowing of settled dust into the work place,

(ii) to prevent interference with any exhaust system, and

(iii) not to cause undue drafts.

(3) The discharge of air from any exhaust system shall be in such a manner so as to prevent the return of contaminants to any work place.

133.—(1) Subject to subsection 2, an enclosed work place shall be at a temperature,

(a) suitable for the type of work performed; and

(b) not less than 18°Celsius.

(2) Clause *b* of subsection 1 does not apply to a work place,

(a) that is normally unheated;

(b) where the necessity of opening doors makes the heating of the area to the temperature specified in clause *b* of subsection 1 impracticable;

(c) where perishable goods requiring lower temperatures are processed or stored;

(d) where radiant heating is such that a worker working in the area has the degree of comfort that would result were the area heated to the temperature specified in clause *b* of subsection 1;

(e) where the process or activity is such that the temperature specified in clause *b* of subsection 1 could cause discomfort; or

(f) during the first hour of the main operating shift where process heat provides a substantial portion of building heat.

134. A worker who may be exposed to a biological, chemical or physical agent which may endanger his safety or health shall be trained,
- (a) to use the precautions and procedures to be followed in the handling, use and storage of the agent;
 - (b) in the proper use and care of required personal protective equipment; and
 - (c) in the proper use of emergency measures and procedures.

135. No food, drink or tobacco shall be taken into, left or consumed in any room, area or place where any substance that is poisonous by ingestion is exposed.

- 136.—(1) Subject to subsections 3, 4 and 5, toilets and washbasins shall be provided in accordance with the following Table in rooms which shall have,
- (a) walls, partitions, doors and approaches which afford a reasonable privacy to the person using the toilet;
 - (b) hot and cold water for the washbasins;
 - (c) ventilation to the outdoors capable of providing ten changes of air per hour;
 - (d) reasonable personal hygiene supplies and equipment; and
 - (e) where separate rooms are provided for each sex, a legible sign indicating the sex by which it is to be used.

TABLE

Number of Workers	Number of Facilities	
	Toilets	Washbasins
1 to 9	1	1
10 to 24	2	2
25 to 49	3	3
50 to 74	4	4
75 to 100	5	5
Add one toilet and one washbasin for each additional thirty workers or fraction thereof		

(2) In calculating the number of toilets and washbasins required in the Table in subsection 1, the number of workers in the Table in subsection 1 shall be that number of workers who are normally present on the premises for more than 25 per cent of their working day.

- (3) Urinals may be substituted for one-half of the required number of toilets for males and for this purpose each 0.6 metre of straight trough urinal may be counted as one urinal.
- (4) For the purpose of this section, each 50 centimetres of circumference of a circular wash fountain or length of straight trough washbasin may be counted as one washbasin.
- (5) Subsection 1 does not apply to logging, except in logging camps.

137.—(1) Subject to subsection 2 and to the Regulations made under the Act respecting designated substances, or an order by a Director under section 20 of the Act, potable drinking water shall be provided,

- (a) from,
 - (i) a fountain with an upward jet, or
 - (ii) a tap from a piped water supply or a covered vessel, together with a supply of single-use cups in a sanitary container located near the tap;
- (b) on every floor where work is regularly performed; and
- (c) within 100 metres of any area where work is regularly performed.

(2) Subsection 1 does not apply to logging, except in logging camps.

138.—(1) Except for emergency facilities, hot and cold water shall be provided at each shower.

- (2) Hot water required under clause *b* of subsection 1 of section 136 and of subsection 1 of this section shall not,
- (a) be less than 30°Celsius;
 - (b) exceed 60°Celsius; or
 - (c) be directly mixed with steam.

139. Where workers are exposed to a substance that,

- (a) is poisonous by ingestion; and
- (b) can contaminate the skin,

shower rooms and individual lockers for street and work clothes shall be provided.

140. Where ten or more workers are employed, a room or other space shall be provided,

- (a) affording reasonable privacy; and
- (b) equipped with one or more cots and chairs, unless such facilities are provided at a first-aid station.

141. A place suitable for eating purposes shall be provided where,

- (a) thirty-five or more workers are employed; or
- (b) there is any room, area or place in which there is exposure to a substance that is poisonous by ingestion.

142. Protective clothing or other safety device which has been worn next to the skin shall be cleaned and disinfected prior to being worn by another worker.

143.—(1) Where a worker is likely to be exposed to an atmosphere at atmospheric pressure with an oxygen content of less than 18 per cent, the worker shall be protected by mechanical ventilation so that the worker's safety and health is not endangered.

(2) Where the measures prescribed by subsection 1 are not practicable, the worker shall be protected by air supplied breathing equipment so that the worker's safety and health is not endangered.

144.—(1) In this section, "decibel" means decibel measured on a type 2 sound level meter conforming to the standard Z107.1 of the Canadian Standards Association operating on the A-weighting network with slow meter response.

(2) Where a worker is exposed to a sound level of 90 decibels or greater,

- (a) measures shall be taken to reduce the sound level below 90 decibels; and
- (b) where such measures are not practicable,
 - (i) the duration of exposure set out in Column 2 of the Table in subsection 5 shall not exceed the duration shown for the particular sound level set opposite thereto in Column 1 of the Table in subsection 5, or
 - (ii) the person shall wear hearing protection.

(3) Where a worker is exposed to a sound level of 115 decibels or greater, he shall wear hearing protection.

(4) Clearly visible warning signs shall be posted at the approaches to an area where the sound level is more than 90 decibels.

(5) The warning signs referred to in subsection 4 shall state,

- (a) the daily exposure for the particular sound level permitted by the following Table; and
- (b) that hearing protection must be worn when the daily exposure is more than that permitted for the particular sound level.

TABLE

COLUMN 1	COLUMN 2
Sound Level — in Decibels	Duration — Hours per 24 hour Day
90	8
92	6
95	4
97	3
100	2
102	1½
105	1
110	½
115	¼ or less
Over 115	No exposure

(6) Where hearing protection is required by this section, the protection shall be sufficient to reduce the sound level below the sound level in Column 1 of the Table in subsection 5 for the exposure corresponding to that sound level in Column 2 of the Table in subsection 5.

145. All measures necessary to prevent exposure to any toxic substance by inhalation, ingestion or skin contact shall be taken and without limiting the generality of the foregoing, where any toxic substance is used or produced,

- (a) the substance shall be isolated;
- (b) adequate ventilation shall be provided;
- (c) personal protective clothing or equipment shall be worn or used;
- (d) quick-acting deluge showers shall be provided; or
- (e) eye-wash fountains shall be provided.

146. Regulation 455 of Revised Regulations of Ontario, 1970 and Ontario Regulations 259/72 and 335/75 are revoked.

147. This Regulation comes into force on the day that *The Occupational Health and Safety Act, 1978* comes into force.

Form 1

The Occupational Health and Safety Act, 1978

APPLICATION FOR FILING OF DRAWINGS

Under the Act and regulations the undersigned, as owner ☐ or employer ☐ applies for the filing of the drawings submitted herewith in triplicate, for the construction ☐, development ☐, reconstruction ☐, alteration ☐, addition ☐ or installation ☐ of,

- (a) a factory ☐, shop ☐, office ☐, office building ☐ or other (describe)
- (b) a system for local exhaust ☐, general ventilation ☐, air supply ☐, the heating of air that is being supplied ☐, or other (describe)in a foundry ☐, or other place ☐;

(c) equipment, machinery or device used in the processing of toxic or designated substances or agents.

1. The owner of the industrial establishment is (name of owner) (postal address of owner)
2. The industrial establishment is located at (number, street or road and city, town, village or township)
3. The method of heating the industrial establishment will be by:
steam ☐, hot water ☐, warm air ☐,
radiant units ☐ or other (describe)
.....
4. The following sprinklers, extin-
guishers, hoses and other fire
protection equipment will be
provided.
5. Fans for handling of gases, vapours, fumes or dusts will be
provided as follows:

HEATING EQUIPMENT		THE SOURCE OF HEAT WILL BE		FIRE PROTECTION EQUIPMENT		GENERAL VENTILATION		LOCAL VENTILATION	
Floor Mounted <input type="checkbox"/>		Coal..... <input type="checkbox"/>		Sprinklers Yes <input type="checkbox"/> No <input type="checkbox"/>		Name of Area to be Ventilated		Name of Operation to be Ventilated	
Ceiling Hung <input type="checkbox"/>		Electricity..... <input type="checkbox"/>		Standpipe and Hose Yes <input type="checkbox"/> No <input type="checkbox"/>					
Other (describe)		Gas <input type="checkbox"/>		Suitable Portable Extinguishers					
Is there a Vent or Stack to Outdoors?		Oil <input type="checkbox"/>		By Owner Yes <input type="checkbox"/> No <input type="checkbox"/>					
Yes <input type="checkbox"/> No <input type="checkbox"/>		Other (describe)		By each Employer Yes <input type="checkbox"/> No <input type="checkbox"/>					
				Other (describe)					

6. Information in respect of each employer occupying, or proposing to occupy, a part, or all, of the industrial establishment is as follows: (Use separate sheet if necessary and attach)

AREA OR FLOOR	BUSINESS NAME OF EACH EMPLOYER	DESCRIPTION OF PROCESS OR OPERATION	MAXIMUM NUMBER OF PERSONS IN THE AREA AT ANY TIME	DESIGN LIVE LOAD (See Note 1)		DANGEROUS MATERIALS (See Note 2)	
				Roof	Floor	Material	Maximum Quantity in each area on Floor
						Stored at any Time	Used in any period of Time

7. The drawings were prepared by _____
(name of architect, engineer, owner, contractor, employer)

whose postal address is _____

8. The undersigned estimates that the cost of the proposed: (a) construction, development, reconstruction or alteration or addition of the building;
- (b) installation or alteration of equipment, machinery or device designated by the regulations, will be \$ _____ (See Note 3)

(Name of owner or employer)

Dated the _____ of _____ 19____ By _____ (business name of applicant) (postal address of applicant) (Signature) (official capacity)

Telephone No. _____

NOTE 1: The ground floor is considered to be the first floor.

NOTE 2: "Dangerous material" means any material dangerous to safety or health of persons such as toxic or designated substances or agents, any explosive or flammable substance, any source of ionizing radiation, any storage tank for compressed gases or flammable liquids within 15 metres of the construction, and shall be described on a separate sheet attached to this application.

NOTE 3: Building cost does not include land purchase, landscaping, roads, railway sidings, water mains, sewers and other services outside exterior walls of the building.

NOTE 4: deliver or mail this form with all applicable blanks filled in (type or print), together with the drawings in triplicate and fee to the Industrial Health and Safety Branch, Ministry of Labour.

Form 2

The Occupational Health and Safety Act, 1978

NOTICE

TAKE NOTICE that this
(specify the "place", "matter"
.....
or "thing", as the case may be)

is a danger or hazard to the safety of workers employed
in or having access to these premises and the use
thereof shall be discontinued immediately until the
inspector's order of
(date)

to
(name of employer or owner)
.....
(address of employer or owner)

has been complied with.

No person, except an inspector, shall remove this notice
unless authorized by an inspector.

THE OCCUPATIONAL HEALTH AND
SAFETY ACT, 1978

O. Reg. 659/79.
Construction Projects.
Made—September 11th, 1979.
Filed—September 13th, 1979.

REGULATION MADE UNDER
THE OCCUPATIONAL HEALTH AND SAFETY
ACT, 1978

CONSTRUCTION PROJECTS

INTERPRETATION

1. In this Regulation,

- 1. "adequate" means adequate to protect a person from the risk of damage to his body or health and "adequately" has a corresponding meaning;
- 2. "allowable unit stress" means,

- i. the allowable unit stress assigned to a material by *The Building Code*, being Ontario Regulation 925/75, or
- ii. where *The Building Code*, being Ontario Regulation 925/75 does not assign an allowable unit stress to the material, the allowable unit stress for the material as determined by a professional engineer in accordance with good engineering practice;
- 3. "boom" means the projecting part of a backhoe, shovel, crane or similar lifting device from which a load is likely to be supported;
- 4. "caisson" means a casing being sunk or constructed below ground or water level whether or not it is designed to contain air above atmospheric pressure and includes an excavation drilled by an auger into which a worker enters or is required to enter to work, but does not include a water well or a well within the meaning of *The Petroleum Resources Act, 1971*;
- 5. "cofferdam" means a structure constructed all or in part below water level or below the level of the water table in the ground and intended to provide a place in which to work that is free of water;
- 6. "conduit" means,
 - i. a sewer,
 - ii. a water main,
 - iii. a duct or cable for a telegraphic, telephonic, television or electrical service,
 - iv. a pipe or duct for the transportation of any solid, liquid or gas, or
 - v. any combination of i, ii, iii or iv,and includes any service connection made or intended to be made thereto;
- 7. "depth" means the vertical dimension from the highest point of an excavation to a point level with the lowest point of the excavation;
- 8. "Director" means the Director of Construction Health and Safety Branch of the Ministry of Labour;
- 9. "extension trestle ladder" means a combination of a trestle ladder and a vertically-adjustable single ladder with suitable means for securely locking the ladders together;
- 10. "falsework" means the structural supports and bracing for forms;

11. "flammable liquid" means any liquid having a flash point below 37.8°Celsius and having a vapour pressure not exceeding 275 kilopascals absolute at 37.8°Celsius;
12. "form" means the mould into which concrete is placed;
13. "lifejacket" means a personal flotation device which provides buoyancy adequate to keep a worker's head above water, face up, without effort by the worker;
14. "magazine" means a place in which explosives are stored or kept, whether above or below ground;
15. "means of egress" means a way or ladder leading to an exit from a building, structure, excavation or other part of a project;
16. "professional engineer" means a person who is registered as a professional engineer or a person who is licensed as a professional engineer under *The Professional Engineers Act, 1971*;
17. "public way" means a sidewalk, street, highway, square or other open space to which the public has access, as of right or by invitation, expressed or implied;
18. "safety belt" means a combination of,
 - i. a belt worn around the waist of a worker,
 - ii. all necessary fittings, and
 - iii. a lanyard attached to the belt referred to in subparagraph i;
19. "safety harness" means a combination of,
 - i. a belt worn around the waist of a worker, and
 - ii. straps attached to the belt that pass over the worker's shoulders and around his legs with the necessary fittings and a length of rope,
 suitable for raising him by the rope without permitting him to bend at the waist;
20. "safety net" means a net so placed and supported as to safely arrest any worker who may fall into it;
21. "service shaft" means a shaft for the passage of persons or materials to or from a tunnel under construction;
22. "shaft" means an excavation having a longitudinal axis at an angle greater than 45 degrees from the horizontal,
 - i. for the passage of persons or materials to or from a tunnel, or
 - ii. leading to an existing tunnel;
23. "suitable" means suitable for the purpose of protecting a person from the risk of damage to his body or health;
24. "trench" means any excavation in the ground where the vertical dimension from the highest point of the excavation to the point level with the lowest point of the excavation exceeds the least horizontal dimension of the excavation, such dimensions being taken in a vertical plane at right angles to the longitudinal centre line of the excavation, but does not include a shaft, caisson or cofferdam, or a cutting for the right of way of a public highway or railway;
25. "tunnel" means a subterranean passage made by excavating beneath the overburden, into which a worker enters or is required to enter to work;
26. "underground" means within the confines of any shaft, tunnel, caisson or cofferdam;
27. "vehicle" means a vehicle propelled or driven by mechanical power and includes a trailer, traction engine, tractor and road-building machine.

PART I

ADMINISTRATION

APPLICATION

2. Parts I and II of this Regulation apply to all projects.

3.—(1) Every constructor, contractor or subcontractor engaged in construction and who is an employer of workers shall register with the Director within thirty days of first employing any workers.

(2) A registration under subsection 1 shall be made by filing with the Director, a statement setting out,

(a) in the case of an individual or sole proprietorship,

(i) the name in full, regular business address and business telephone number of the individual or sole proprietor, and

(ii) the residence address of the individual or sole proprietor;

(b) in the case of a partnership or syndicate,

- (i) the name or style of the partnership or syndicate,
 - (ii) the business address and telephone number of the partnership or syndicate and where the partnership or syndicate is composed of individuals the names in full and residence addresses of the individual members of the partnership or syndicate, and
 - (iii) where the partnership or syndicate is composed of an individual or individuals and a corporation or corporations, the particulars required by clause *a* and clause *c* for an individual or corporation, as the case may be;
- (c) in the case of a corporation,
- (i) the name of the corporation,
 - (ii) the date of incorporation,
 - (iii) the province or jurisdiction in which the corporation was incorporated,
 - (iv) the main business address and telephone number of the corporation,
 - (v) the names in full and residence addresses of the directors of the corporation and the date when each became a director, and
 - (vi) the names in full and residence addresses of the principal officers of the corporation and the date when each became a principal officer;
- (d) the type of construction in which the employer is regularly engaged;
- (e) the average number of employees employed by the employer in the construction of projects or parts of projects;
- (f) the firm number assigned to the employer by the Workmen's Compensation Board;
- (g) the rate number assigned to the employer by the Workmen's Compensation Board; and
- (h) whether or not, at the time of registration, the employer has had his assessment increased by the Workmen's Compensation Board pursuant to subsection 7 of section 86 of *The Workmen's Compensation Act*.

(3) The statement referred to in subsection 2 shall be verified by the certificate of the employer if an individual, a partner if the employer is a partnership or syndicate or by the president or a director if the employer is a corporation.

(4) Every employer shall notify the Director in writing of any change in the particulars that he has filed with the Director under subsection 2 within thirty days after the change has taken place and the notice shall specify the change and the date of the change.

NOTICE OF PROJECTS

4.—(1) The constructor of a project shall, before commencing work on the project, where,

- (a) the total cost of labour and materials including labour and materials for work carried out by subcontractors exceeds \$50,000;
- (b) the work is the new erection, major alteration or demolition of a building more than two storeys or more than 7.5 metres in height;
- (c) the work is the new erection, major alteration or structural repair of a bridge, an earth-retaining structure or water-retaining structure more than 3 metres in height or a silo, chimney or any similar structure more than 7.5 metres in height;
- (d) work in compressed air is to be carried out;
- (e) a tunnel, caisson, cofferdam or well which a person may be required to enter or may enter for any purpose is to be constructed;
- (f) a trench more than,
 - (i) 300 metres long, or
 - (ii) 1.2 metres deep and over 30 metres long,
 and into which a worker is required to enter or may enter is to be excavated; or
- (g) all or part of the permanent or temporary works are required by this Regulation to be designed by a professional engineer,

give to the Director notice in writing setting out,

- (h) a description of the project;
- (i) whether or not a shaft, tunnel, caisson or cofferdam is to be constructed as part of the project;
- (j) the name and address of the constructor and of the owner;
- (k) the municipal address of the project and its location with respect to the nearest common and public highway;
- (l) the starting date and the anticipated duration of the work;

- (m) the total cost of the project for labour and materials including labour and materials for work carried out by subcontractors; and
- (n) the name of the supervisor in charge of the project.

(2) The constructor of a project shall, before commencing work on the project, where the project,

- (a) requires a notice under subsection 1; and
- (b) is not to be more than fourteen working days in duration,

in addition to complying with subsection 1, provide to an inspector at the nearest office of the Construction Health and Safety Branch of the Ministry by telephone the information contained in the notice in writing.

(3) A contractor or subcontractor shall, before commencing work on a trench more than 1.2 metres deep and into which a worker is required to enter or may enter, notify by telephone an inspector in the office of the Construction Health and Safety Branch nearest to the proposed work.

(4) The constructor of a project shall, before commencing work on the project, post or have available for review on the project a copy of the notice required by subsection 1.

(5) Notwithstanding subsection 1, where it is necessary to do work on a project immediately in order to prevent injury to persons or damage to property, work on the project may be begun without complying with subsection 1, but, in any such case, the notice shall be given to the Director as soon as practicable after work on the project begins.

(6) Where a shaft, tunnel, caisson or cofferdam is to be constructed, the notice required under subsection 1 shall contain the following additional information:

1. Specifications of the proposed construction together with drawings showing profiles, transverse sections and plans of the shaft, tunnel, caisson or cofferdam.
2. Full details of all temporary and permanent ground support.

(7) The Director may by notice in writing designate that any part of a project shall be deemed to be an individual project for the purposes of this Act and the Regulation, and the person who undertakes all the work on the part designated to be an individual project shall be deemed to be the constructor of that part.

GENERAL REQUIREMENTS

5. A constructor shall, before commencing work and during the continuance of work on a project, affix and maintain in good condition,

- (a) a notice giving the constructor's name and the address and telephone number of his head office or principal place of business in Ontario and his business name if he carries on business in a name other than his own; and

- (b) a notice giving the address and telephone number of the head office and the nearest district office of the Construction Health and Safety Branch of the Ministry.

6.—(1) Subject to subsection 2, where a project is one for which notice is required under subsection 1 of section 5 and on which five or more workers are working at the same time, the constructor shall appoint a supervisor.

(2) The supervisor shall supervise the work at all times either personally or have an assistant, who is a competent person, do so personally.

(3) All machinery and equipment, including fire extinguishing equipment, magazines, electrical installations, communication systems, sanitation and medical facilities, buildings and other structures, temporary supports and means of access and egress shall be inspected by a competent person,

- (a) as often as is necessary to ensure that they are in a safe condition; and
- (b) at least once a week.

(4) Such tests and observations as are necessary for the detection of hazardous conditions that may occur on the project shall be made by a competent person.

(5) Where the services of an ambulance are not reasonably available to a project, suitable alternate means of transportation for the transport of injured workers shall be prearranged.

7.—(1) Subject to subsection 2, the minimum age of a person who may be in or about a project shall be sixteen years of age.

(2) Notwithstanding subsection 1, a person who has attained the age of fifteen years may be employed as a worker in or about a project if the person has, under *The Education Act, 1974*, been excused from attendance at school or is required to attend school only part time.

8. Where the project is one,

- (a) for which a notice is required under subsection 1 of section 4; and
- (b) where police, fire, medical, hospital or ambulance services are reasonably accessible, and can be reached by telephone service,

a telephone shall be installed on the project, unless there is a telephone near the project that is readily accessible.

9. Where a record is required to be kept available for inspection under this Regulation, such record shall be kept for at least one year after the completion of the project to which it relates.

NOTICE OF ACCIDENTS

10.—(1) The notice required by section 25 of the Act shall include,

- (a) the name and address of the constructor and the employer;
- (b) the nature and the circumstances of the occurrence and the bodily injury sustained;
- (c) a description of the machinery or equipment involved;
- (d) the time and place of the occurrence;
- (e) the name and address of the person who was killed or critically injured;
- (f) the names and addresses of all witnesses to the occurrence; and
- (g) the name and address of the physician or surgeon, if any, by whom the person was or is being attended for the injury.

(2) For the purposes of section 26 of the Act, notice of,

- (a) an accident, explosion or fire which disables a worker from performing his usual work; or
- (b) an occupational illness,

shall include,

- (c) the name, address and type of business of the employer;
- (d) the nature and the circumstances of the occurrence and the bodily injury or illness sustained;
- (e) a description of the machinery or equipment involved;
- (f) the time and place of the occurrence;
- (g) the name and address of the person suffering the injury or illness;
- (h) the names and addresses of all witnesses to the occurrence;
- (i) the name and address of the physician or surgeon, if any, by whom the person was or is being attended for the injury or illness; and
- (j) the steps taken to prevent a recurrence.

(3) A record of an accident, explosion or fire causing injury requiring medical attention but not disabling a worker from performing his usual work shall be kept in the permanent records of the employer and include particulars of,

- (a) the nature and the circumstances of the occurrence and the injury sustained;
- (b) the time and place of the occurrence; and
- (c) the name and address of the injured person.

(4) A record kept as prescribed by subsection 3 for the inspection of an inspector shall be notice to the Director.

NOTICE OF OCCURRENCES

11.—(1) The following incidents are prescribed as incidents at a project to which section 27 of the Act applies:

1. The overturning or major structural failure of a crane or similar hoisting machine.
2. The structural failure of all or part of falsework that was designed by or required by this Regulation to be designed by a professional engineer.
3. The structural failure of all or part of an earth or water-retaining structure, including the failure of the temporary or permanent supports for a shaft, tunnel, caisson, cofferdam or trench.
4. The structural failure of a principal supporting member of a building, including a column, beam, wall or truss.
5. The failure of the sloping walls of an excavation that have been cut and trimmed to a slope for which a professional engineer has given an opinion in writing that the stability of the slope will not endanger workers.
6. A worker falling a vertical distance of three metres or more.
7. A worker falling where his fall is arrested by a full body harness or a safety belt.
8. A worker becoming unconscious for any reason.
9. A contact made by a backhoe, shovel, crane or other similar lifting device or its load with a live power line at more than 750 volts.
10. The failure of all or part of the structural supports of a scaffold.

(2) A notice under subsection 1 shall set out the circumstances of the occurrence.

(3) Where the accidental occurrence involves the failure of,

- (a) temporary or permanent works; or
- (b) a structure,

for which a design by a professional engineer is required by this Regulation, the notice required by section 27 of the Act shall be supplemented within seven days by the opinion in writing of a professional engineer as to the cause for the accidental occurrence.

ALTERNATIVE METHODS AND MATERIALS

12. In applying this Regulation, a procedure and the composition, design, size and arrangement of any material, object, device or thing may vary from the procedure, composition, design, size or arrangement prescribed in this Regulation if the factors of strength, health and safety are equal to or greater than the factors of strength, health and safety in the procedure, composition, design, size or arrangement prescribed.

PART II

GENERAL CONSTRUCTION

13. Every part of a project, including any temporary structure shall be,

- (a) capable of supporting; or
- (b) braced, either permanently or temporarily, to support,

all loads to which it may be subjected without exceeding the allowable unit stress for each material used.

14.—(1) During the construction of a building, temporary or permanent flooring shall be installed progressively as the building is erected.

(2) Subject to subsection 3, all work shall be carried out not higher than two storeys above the temporary or permanent flooring installed as prescribed by subsection 1.

(3) Where the vertical distance between the tiers of column splices exceeds two storeys, work may be carried out not higher than three storeys above the temporary or permanent flooring.

(4) Temporary flooring shall,

- (a) consist of material,
 - (i) capable of supporting any load to which it may be subjected, and
 - (ii) at least capable of supporting a load of 2.4 kilonewtons per square metre,

without exceeding the allowable unit stress for the material used;

(b) be securely fastened to and supported on girders, beams or other structural members capable of supporting any load likely to be applied to the flooring without exceeding the allowable unit stress for the material used; and

(c) extend over the whole area of the surface on, or above, which work is being carried out.

(5) Subsections 2 and 3 do not apply to work carried out,

- (a) from a scaffold;
- (b) above an area where the worker has the protection of a safety net; or
- (c) where the workers are protected from falling by means of parachute-type harnesses or safety belts attached to the project.

15. Where there is a danger of material falling on a worker, overhead protection consisting of material capable of supporting 2.4 kilonewtons per square metre without exceeding the allowable unit stress for the material used shall be provided at,

- (a) every means of access to and egress from a building or other structure under construction; and
- (b) above an area where work is being carried out.

16. Work shall not be performed in a,

- (a) trench;
- (b) shaft;
- (c) caisson; or
- (d) cofferdam,

unless a worker is working above ground,

- (e) in close proximity to; or
- (f) in close proximity to the means of access to,

the trench, shaft, tunnel, caisson or cofferdam.

17.—(1) Signs, at least 150 millimetres in height, containing the word "DANGER" in clear legible letters, shall be posted in sufficiently prominent locations and in sufficient numbers to warn a worker of a hazard on the project.

(2) Without limiting the generality of subsection 1, signs in conformity with subsection 1 shall be posted,

- (a) adjacent to a hoisting area;
- (b) under a suspended scaffold;

- (c) at the outlet from a chute;
- (d) at a means of access to a place in which there may be,
 - (i) a lack of oxygen, or
 - (ii) a noxious gas, liquid, fume or dust present;
- (e) where there is a potential hazard from overhead power lines for electricity at more than 750 volts; and
- (f) at the entrance to a room or enclosure containing exposed live electrical parts, and

the sign shall forbid entry by any unauthorized person.

18. All areas in which a worker is present and the means of access to, and the means of egress from, those areas shall be adequately lit.

19. An internal combustion engine shall not be operated,

- (a) in an excavation or a trench unless provision is made to ensure that exhaust gases or fumes will not accumulate in the excavation or the trench; or
- (b) in a building or other structure that is enclosed, unless,
 - (i) the exhaust gases or fumes are discharged directly outside the building or structure to a point sufficiently remote to prevent the return of the gases or fumes, or
 - (ii) there is an adequate supply of air for combustion, and
 - (iii) there is adequate mechanical ventilation for exhaust gases or fumes.

20.—(1) All measures shall be taken to ensure that a worker will not be endangered by the disconnection or repair of a pipeline under pressure.

(2) Where repairs or alterations are to be made on a drum, tank, pipeline or other container, the drum, tank, pipeline or other container shall,

- (a) have internal pressures adjusted to atmospheric pressure before any fastening is removed;
- (b) be drained, cleaned and ventilated or otherwise rendered free from any explosive, flammable or harmful substance; and
- (c) not be refilled while there is any risk of vapourising or igniting the substance which is being placed in the drum, tank, pipeline or other container.

PUBLIC WAY PROTECTION

21.—(1) Subject to subsection 2, where a building or other structure being constructed, altered, repaired, dismantled or demolished is located within 4.5 metres of a public way, work shall not be carried out on the project unless a covered way has been constructed over that part of the public way immediately adjacent to the project.

(2) Subsection 1 does not apply to a project where the work being done is totally enclosed or is at a distance of 4.5 metres or more from a public way.

22. Where a covered way is required under section 21 it shall,

- (a) have a clear height of not less than 2.4 metres;
- (b) have a clear width of not less than 1.5 metres or, where it is over a sidewalk that is less than 1.5 metres wide, have a width equal to the width of the sidewalk;
- (c) be capable of supporting any load likely to be applied to it and at least capable of supporting a load of 2.4 kilonewtons per square metre;
- (d) have a weather-tight roof;
- (e) be enclosed next to the project side with an enclosure that is smooth on the side facing the public way;
- (f) have a railing 1.07 metres high from the ground level on the street side; and
- (g) where the public way has lighting, have lighting that is adequate for safe pedestrian traffic.

23.—(1) Where a pedestrian may be endangered from work on a project while using a public way adjacent to the project, a solidly constructed fence at least 1.8 metres in height shall be constructed between the public way and the project.

(2) Where a project is on, or adjacent to, a public way all machinery, equipment and material that might be a hazard to vehicular or pedestrian traffic shall be marked by flashing devices.

TRAFFIC CONTROL

24. Where a worker may be endangered by vehicular traffic on,

- (a) a project on a public way; or
- (b) a public way on a project,

he shall be protected by such of the following measures as are necessary for his protection:

1. Workers directing traffic by signs.

2. Warning signs.
3. Barriers.
4. Lane control devices.
5. Flashing lights or flares.

25. A worker who is required to direct traffic shall be given written instructions in a language he can read and understand setting out the signals he is to use and the instructions shall be explained to him verbally.

26. A worker,

- (a) directing traffic; or
- (b) who may be endangered by vehicular traffic while he is working on a public way,

shall wear a vest which shall be reflective fluorescent and colored blaze orange or red.

27. A sign used to direct traffic shall be,

- (a) diamond in shape;
- (b) made of material having the rigidity of plywood at least six millimetres thick;
- (c) 45 centimetres in width and 45 centimetres in length and mounted at one corner on a pole 1.2 metres in length;
- (d) red-orange reflective fluorescent in color on one side with corner areas colored black so that the red-orange area forms a regular eight-sided figure, and with the word "STOP" in clear legible white letters 15 centimetres in height located in a central position on the sign;
- (e) chartreuse reflective fluorescent in color on the other side, with the word "SLOW" in clear legible black letters 15 centimetres in height located in a central position on the sign; and
- (f) maintained in a clean condition.

PERSONAL PROTECTIVE CLOTHING, EQUIPMENT AND DEVICES

28. An employer shall require every worker in his employ to wear or use such personal protective clothing, equipment or device as is necessary for the worker's protection from the particular hazard to which the worker may be exposed.

29. A worker required to wear or use any protective clothing, equipment or device shall be instructed and trained in its care and use before wearing the protective clothing, equipment or device.

30.—(1) Subject to subsection 3, every worker shall wear a safety hat at all times.

(2) A safety hat shall,

- (a) consist of a shell and suspension that will adequately protect a worker's head against impact and from flying or falling small objects; and
 - (b) have a shell manufactured at a quality control level to withstand a dielectric strength test at 20,000 volts phase to ground.
- (3) Subsection 1 does not apply to a worker who,
- (a) is not exposed to the danger of injury to his head; and
 - (b) has a safety hat readily available for his personal use nearby.

31.—(1) Subject to subsection 3, every worker shall wear adequate safety footwear.

(2) Safety footwear shall,

- (a) consist of a shoe or boot;
- (b) have a box toe that will protect a worker's toes against injury due to impact and capable of resisting at least 100 joules impact; and
- (c) have a sole or insole that will protect a worker's feet against injury due to puncture and capable of resisting a penetration load of 1.3 kilonewtons when tested with a 50 millimetre common nail.

(3) Clauses *b* and *c* of subsection 2 do not apply to the footwear of a worker working on a part of a project where he is not exposed to the danger of injury to his toes or feet.

32. Where a worker is exposed to the hazard of eye injury he shall wear eye protection appropriate in the circumstances.

33. Where a worker is exposed to the hazard of injury from contact with his skin with,

- (a) a noxious gas, liquid, fume or dust;
- (b) a sharp or jagged object which may puncture, cut or abrade his skin;
- (c) a hot object, hot liquid or molten metal; or
- (d) radiant heat,

he shall be protected by,

- (e) wearing apparel sufficient to protect him from injury; or
- (f) a shield, screen or similar barrier,

appropriate in the circumstances.

34. Where a worker is likely to be exposed to the hazard of injury from,

- (a) inhaling a noxious gas, fume or dust; or
- (b) a lack of oxygen,

he shall be protected by adequate,

- (c) mechanical ventilation; or
- (d) respiratory equipment.

35.—(1) Subject to subsection 6, where a worker is exposed to the hazard of falling,

- (a) more than 3 metres;
- (b) into operating machinery; or
- (c) into or onto hazardous substances or objects,

he shall wear a safety belt or parachute-type harness adequately secured to,

- (d) a fixed support; or
- (e) a lifeline that is securely fastened to the project,

or be protected by a safety net.

(2) A safety belt or parachute-type harness shall be so arranged that should a worker fall he will be suspended at a distance of not more than 1.5 metres below the position where he was situate for the purpose of working immediately prior to his fall.

(3) A fall arrest system shall not apply a peak fall arrest force greater than 8 kilonewtons to a worker.

(4) Where a lanyard is used, it shall have a nominal diameter of at least 16 millimetres and be made of nylon rope or other durable material of equivalent impact strength and elasticity and adequate for the work to be done.

(5) Where a vertical lifeline is used, it shall,

- (a) have a nominal diameter of at least 16 millimetres and be made of polypropylene or other durable material of equivalent impact strength and elasticity and adequate for the work to be done;
- (b) used by only one worker at a time;
- (c) be free from the danger of chafing on any sharp edge; and
- (d) extend to the ground or be provided with a positive stop which will prevent the safety belt or parachute-type harness from running off the end of the lifeline.

(6) Subsection 1 does not apply to a worker who,

- (a) is proceeding to or from his work position; or
- (b) is engaged in connecting structural members of a skeleton structure.

36. Without limiting the generality of section 35, where a worker is exposed to the risk of drowning by falling into water that is of sufficient depth for a life-jacket to be effective, a lifejacket shall be worn by the worker.

37.—(1) Without limiting the generality of sections 35 and 36, where a worker is exposed to the risk of drowning by falling into water, two or more workers shall be available for a rescue operation and rescue equipment shall be provided in a suitable position on or near the project and, where practicable, consist of,

- (a) a seaworthy boat equipped with,
 - (i) a ring buoy attached to 15 metres of polypropylene rope, 9.5 millimetres in diameter.
 - (ii) a boat hook, and
 - (iii) lifejackets for each of the persons required for a rescue operation with the boat but, in any event, not less than two lifejackets;
- (b) where there is a current in the water, a line extending across the water and having attached to it floating objects capable of providing support for a person in the water; and
- (c) an alarm system capable of warning workers of the necessity of carrying out a rescue operation.

(2) In locations where the water is likely to be rough or swift or where a manually operated boat is not practicable, the boat required under subsection 1 shall be a power driven boat.

(3) The alarm system required by clause c of subsection 1 shall be activated whenever a rescue operation is necessary.

ACCESS TO AND EGRESS FROM WORK AREAS

38. Adequate means of egress shall be provided from a work area above or below ground level to permit a worker to leave the area quickly in an emergency.

39. A work area, a route to and from a work area and a scaffold on which work is being performed shall be,

- (a) maintained in a safe condition at all times;
- (b) kept clear of obstructions, snow, ice or other slippery material; and

- (c) treated with sand or other similar material when necessary to ensure a firm footing.

40.—(1) Subject to subsection 2, access to and egress from a work area above or below ground level shall be by stairs, runway, ramp or ladder.

(2) Subsection 1 does not apply to a suspended scaffold which can be moved to give access to a floor, roof or platform or to ground level.

HOUSEKEEPING

41. An object shall not be placed or left where it is likely to endanger a worker.

42. Reusable and waste material and debris on a project shall be removed to a disposal or storage area as often as is necessary to prevent a hazardous condition.

43.—(1) Subject to subsection 2, rubbish, debris and other materials shall,

- (a) not be permitted to fall freely from one level to another; and
- (b) be lowered by a chute or in a container.

(2) Subsection 1 does not apply to demolition on a project where materials fall or are dropped into a designated area,

- (a) that is enclosed; and
- (b) to which a worker does not have access.

(3) Cranes or hoists shall be used to lower objects larger than rubbish or debris.

44.—(1) A chute shall,

- (a) be adequately constructed and rigidly fastened;
- (b) if at more than 45 degrees to the horizontal, be enclosed on its four sides;
- (c) where it is of the open type, be inclined at an angle of not more than 45 degrees to the horizontal;
- (d) where necessary, have a gate at the bottom end to control the flow of material; and
- (e) discharge into a container or an enclosed area that has been provided with barriers.

(2) The entrance to a chute shall,

- (a) be constructed so as to prevent material from spilling over when rubbish, debris and other materials are being deposited into the chute;
- (b) have a curb, 10 centimetres or larger, where the entrance is at or below the floor level;

- (c) be not more than 1.2 metres high;
- (d) be kept closed when it is not in use; and
- (e) be of a design that will discourage entry by any person.

45. Except where the material is stored,

- (a) in a container; or
- (b) a designated area with controlled access,

nails which protrude from material and endanger a worker shall be removed.

46. Where a worker may be endangered by formwork ties, reinforcing steel, nails or other objects protruding from concrete, they shall be removed or cut off at the surface of the concrete, or otherwise protected, as soon as practicable.

STORAGE OF MATERIALS

47. A container for a combustible, corrosive or toxic substance, including any substance which contains lead, mercury, asbestos, isocyanates, silica, fluorides or benzol shall,

- (a) be suitable for the substance that the container holds; and
- (b) be clearly labelled to identify,
 - (i) the substance,
 - (ii) the hazards that are involved in the use of the substance,
 - (iii) the uses to which the substance shall not be put, and
 - (iv) the precautions to be taken in the handling, use, storage and disposal of the substance.

48.—(1) Materials to be used on, or removed from, a project shall,

- (a) be stored, moved, lifted or transported in a manner that does not endanger a worker;
- (b) be piled or stacked to prevent tipping, collapsing or rolling; and
- (c) if they are to be hoisted by a crane or similar hoisting device, not be stored under or in close proximity to a power line for electricity at more than 750 volts.

(2) Any blocking, support chain, metal band or wire rope used to secure material shall not be removed or disturbed until such time as the removal can be made without endangering a worker.

(3) Materials shall be removed from a vehicle or a stockpile in a manner so as not to endanger a worker.

49. Construction materials or equipment shall not be placed or stored on a permanent or temporary structure so as to exceed the load-carrying capacity of the structure or any part thereof.

50.—(1) Subject to subsections 2 and 3, construction material shall not be stored, stacked or piled within 1.8 metres of,

- (a) a floor or roof opening;
- (b) the open edge of a floor, roof or balcony; or
- (c) an excavation.

(2) Subsection 1 does not apply to a building, or a completely enclosed part of a building, used solely for the purpose of storing and distributing materials.

(3) Subsection 1 does not apply to a pile of small masonry units, including bricks, blocks or similar small objects,

- (a) that can be handled by one worker; and
- (b) that are to be used at the edge of,
 - (i) a floor,
 - (ii) a roof,
 - (iii) an opening in a floor or roof, or
 - (iv) an excavation,

where the height of the pile is less than the distance from the face of the pile to the edge.

51.—(1) Subject to subsection 2, a storage cylinder for propane, acetylene, oxygen or similar compressed gases shall,

- (a) be secured in an upright position to prevent overturning; and
- (b) except where the storage cylinder is connected to a regulator or supply lines or hose, have the control valve of the storage cylinder covered by a protective cap that is securely screwed into its proper position.

(2) Clause *a* of subsection 1 does not apply to a cylinder for compressed gas designed to be operated or to be stored in a horizontal position.

52.—(1) Except where a flammable liquid is stored,

- (a) in a container that is suitable for the particular hazards of the liquid; and
- (b) in a room that,

(i) has sufficient window area to provide explosion relief to the outside, and

(ii) is separated from the means of egress from the building or structure,

not more than one normal working day's supply of the liquid shall be stored in any building or structure.

(2) A flammable liquid or gas shall be stored,

- (a) in a building or storage tank suitable for the purposes; and
- (b) where practical, not less than 100 metres from a magazine.

(3) Every portable container used for flammable liquids shall have a closed top, pouring spout and flame arrestor.

EXCAVATIONS

53.—(1) Gas, electrical and other services that are likely to endanger a worker having access to an excavation shall be,

- (a) accurately located, marked and where practicable the owner of the utility shall be requested to locate and mark the service;
- (b) where necessary, shut off and disconnected prior to the commencement of the work on the excavation; and
- (c) where an extreme hazard is known to exist and the service cannot be shut off or disconnected the owner of the utility shall be requested to supervise the uncovering of the service.

(2) Pipes, conduits or cables for gas, electrical or other services shall be supported where necessary to prevent their failure or breakage.

(3) Where the commencement or continuation of an excavation or other work on a project is likely to affect the stability of an adjacent building or structure, adequate precautions shall be taken, including the under-pinning of the adjacent building or structure, where necessary, to prevent structural collapse of, or damage to, the adjacent building or structure before commencing or continuing the excavation or work.

54. Every excavation in which a worker may be required to enter shall be kept reasonably free of water at all times.

55. Where a person is likely to be in danger of falling into an excavation that is more than 2.4 metres deep, a barrier at least 1.07 metres high shall be provided at the top of any wall of the excavation that is not sloped in accordance with clause *d* of subsection 2 of section 56.

56.—(1) Subject to subsection 2, except where a professional engineer has given an opinion in writing that the stability of the walls is such that a worker is not endangered in the excavation, the walls of an excavation shall be supported by adequate shoring and bracing to prevent their collapse.

(2) Subsection 1 does not apply to an excavation,

- (a) that is less than 1.2 metres in depth;
- (b) that a worker is not required to enter for any purpose;
- (c) that is cut in solid rock;
- (d) where the walls are sloped to within 1.2 metres of the bottom of the excavation with a slope that does not exceed a gradient of one in one; or
- (e) in which a worker is not required to be closer to a wall of the excavation than the height of the wall.

(3) The walls of an excavation shall,

- (a) be stripped of loose rock or other material that might slide, roll or fall upon a worker; and
- (b) if cut in solid rock, where necessary, be supported by rock bolts or wire mesh to prevent the spalling of loose rock.

(4) A level area extending at least 60 centimetres from the top of each wall of an excavation shall be kept clear of all equipment, excavated soil or rock and construction material.

(5) A vehicle or other machinery shall not be driven, operated or located so near to the wall of an excavation as to endanger a worker by affecting the stability of the wall.

57. A worker shall not be in an excavation for an augered caisson or a well where the excavation is greater than 1.2 metres in depth, unless,

- (a) a steel liner of adequate capacity that,
 - (i) extends 60 centimetres above ground level and to within 1.2 metres of the point where the work is being done,
 - (ii) is adequately supported on two sides by steel wire rope, and
 - (iii) has a sufficient diameter so that the difference between the diameter of the steel liner and the diameter of the excavation does not exceed 10 centimetres,

has been installed; and

(b) the worker,

- (i) works from within the steel liner,
- (ii) wears a safety harness, the rope of which is secured at the surface of the ground, and
- (iii) is attended by another worker stationed outside the excavation.

GUARDRAILS

58.—(1) Subject to subsection 4, a guardrail constructed in accordance with section 59 shall be provided around any uncovered opening in a floor, roof or other surface to which a worker has access.

(2) Subject to subsection 4, a guardrail constructed in accordance with section 59 shall be provided at the perimeter, open sides and ends of,

- (a) a floor, including a mezzanine and a balcony;
- (b) a surface of a bridge;
- (c) a concrete roof, while the formwork remains in place; and
- (d) a scaffold platform, working platform, runway or ramp,

to which a worker has access, and

- (e) from which he may fall into water; or
- (f) from which he may fall a vertical distance of 2.4 metres or more.

(3) Subject to subsection 4, a guardrail constructed in accordance with section 59 shall be provided at the open sides and ends of a scaffold platform, working platform, runway or ramp,

- (a) that is used as a path by a wheelbarrow or other similar equipment; and
- (b) from which a worker may fall a distance of 1.2 metres or more.

(4) Where work cannot be carried out with a guardrail installed, the guardrail may be temporarily removed where,

- (a) the workers doing the work are protected as prescribed by sections 35, 36 and 37; and
- (b) where a worker other than the workers doing the work has access to the area, signs as prescribed by section 17 have been posted.

(5) Subject to subsection 6, where an opening in any floor or other surface to which a worker has access is not protected by a guardrail, the opening shall be covered with securely fastened planks,

- (a) capable of supporting; or
- (b) braced, either permanently or temporarily, to support,

all loads to which they may be subjected and at least capable of supporting a live load of 2.4 kilonewtons per square metre without exceeding the allowable unit stress for each material used.

(6) Planks or other material used as a covering may be removed temporarily while work is being done at or near the opening in any floor or other surface to which a worker has access where,

- (a) the work cannot be done with the planks or other material installed; and
- (b) signs as prescribed by section 17 have been posted.

59.—(1) A guardrail shall,

- (a) consist of a top rail, intermediate rail and toe-board; and
- (b) be capable of resisting any load likely to be applied to it.

(2) Subject to subsection 5, the top of a guardrail shall have a height of not less than 91 centimetres and not more than 1.07 metres above the surface, floor, scaffold or roof on which it is installed.

(3) A wooden guardrail shall be free of splinters and protruding nails and shall consist of,

- (a) a top rail not less than 38 millimetres by 89 millimetres securely supported on posts which are not less than 38 millimetres by 89 millimetres and spaced at intervals of not more than 2.4 metres;
- (b) an intermediate rail not less than 19 millimetres by 89 millimetres in size securely fastened to the inner side of the posts midway between the top rail and the toe-board; and
- (c) a toe-board securely fastened to the posts or other vertical supports and extending from the surface, floor, scaffold or roof to a height of not less than 10.2 centimetres.

(4) A wire cable guardrail shall be maintained taut by means of a turn-buckle and shall consist of,

- (a) a top rail and an intermediate rail made of wire cable not less than 10 millimetres in diameter;
- (b) vertical separators not less than 50 millimetres wide spaced at intervals not exceeding 2.4 metres; and

- (c) a toe-board securely fastened to the inner side of the vertical separators and extending from the surface, floor, scaffold or roof to a height of not less than 10.2 centimetres.

(5) A wood-slat guardrail shall,

- (a) have vertical slats 1.2 metres in length at least 38 millimetres in width and 9.5 millimetres in thickness that are,
 - (i) painted a disintinctive color,
 - (ii) woven among five double strands of 2.34 millimetre steel wire 25 centimetres apart such that the slats are tight, and
 - (iii) spaced at not more than 9 centimetres from centre to centre;
- (b) have the double strands of wire wrapped around each other at least three times in each space between the slats;
- (c) be adequately supported in a vertical position; and
- (d) be maintained taut.

FORMS AND FALSEWORK

60.—(1) Forms and falsework shall be designed, constructed, supported and braced to withstand all loads likely to be applied to them without exceeding the allowable unit stresses for the materials used before, during and after the placing of concrete.

(2) Without limiting the generality of subsection 1, where falsework includes,

- (a) tubular metal frames;
- (b) columns where the effective length is dependent upon the provision of lateral restraints between the ends of the column;
- (c) shores placed one upon another to form a supporting system that is more than one tier in height;
- (d) trusses;
- (e) members so connected to one another that a load applied to one member of it may alter or induce stresses in the other members; or
- (f) shores more than 3 metres in height,

the falsework shall,

- (g) be designed by a professional engineer in accordance with good engineering practice to withstand all loads likely to be applied to the falsework before, during and after the placing of concrete; and

- (h) be constructed in accordance with the design of the professional engineer referred to in clause g.
- (3) Drawings of the falsework designed under subsection 2 shall,
 - (a) show the size and specifications of the falsework including the type and grade of all materials to be used in the construction of the falsework;
 - (b) bear the signature and seal of the professional engineer referred to in subsection 2; and
 - (c) be kept at the project at all times.
- (4) Forms and falsework shall not be removed unless,
 - (a) the concrete has attained sufficient strength to support any load likely to be applied to the concrete; or
 - (b) the concrete has been adequately re-shored.
- (5) The re-shoring required by subsection 4 shall be designed by a professional engineer, and the design shall comply with subsections 2 and 3.
- (6) A shore shall,
 - (a) be braced, with sufficient bracing in the vertical and horizontal planes, to prevent lateral movement of the forms and buckling of the shores; and
 - (b) have sound and rigid footings capable of carrying the maximum load to which it is likely to be subjected without unreasonable settlement or deformation.
- (7) Where shoring is more than one tier in height, the junction of each tier shall be braced against a fixed support in at least two directions to prevent any lateral movement.

PLATFORMS, RUNWAYS AND RAMPS

61. A runway, ramp or platform other than a scaffold platform shall,

- (a) be designed, constructed and maintained to support, without exceeding the allowable unit stresses for the materials used, all loads that may be expected to be applied to it, but not less than 2.4 kilonewtons per square metre;
- (b) be 46 centimetres or more in width; and
- (c) be securely fastened in place.

62.—(1) Subject to subsection 2, a ramp shall have,

- (a) a slope not exceeding a gradient of one in three; and

- (b) cross cleats where the slope exceeds a gradient of one in eight,

and the cleats shall be,

- (c) spaced at regular intervals not exceeding 50 centimetres; and
- (d) made from 19 millimetre by 38 millimetre size boards securely nailed to the ramp.

(2) Subsection 1 does not apply to a ramp installed in the stairwell of a building not exceeding two storeys in height where the ramp has,

- (a) a slope not exceeding a gradient of one in one; and
- (b) cross cleats,
 - (i) spaced at regular intervals not exceeding 30 centimetres, and
 - (ii) made from 38 millimetre by 38 millimetre size boards securely nailed to the ramp.

STAIRS AND LANDINGS

63.—(1) Subject to subsection 2, where a building or structure,

- (a) is to be 30 metres or more in height; or
- (b) will have permanent stairs and the building or structure has reached a height of two storeys or 9 metres above the lowest floor level, whichever height is the lesser,

permanent or temporary stairs shall be installed progressively from the lowest floor level to,

- (c) the uppermost working level; or
- (d) where stairs would interfere with work on the uppermost working level, to within two storeys or 9 metres vertically of the uppermost working level, whichever distance is the lesser.

(2) Subsection 1 does not apply to,

- (a) a part of a building or structure where only the structural steel beams or columns have been erected; or
- (b) a structure to which a permanent ladder is attached before the structure is raised into position.

64. Temporary stairs and landings shall be designed and constructed to support a live load of 4.8 kilonewtons per square metre without exceeding the allowable unit stresses for the materials used.

65. Temporary stairs shall have a clear width of not less than 50 centimetres.

66.—(1) Stairs shall have,

- (a) treads and risers that in any one flight are uniform in width, length and height;
- (b) subject to subsection 2, stringers that have a slope not exceeding 50 degrees from the horizontal;
- (c) landings that are not more than 4.5 metres apart measured vertically;
- (d) on the open sides of each flight, a wooden guardrail that,
 - (i) has a size of 38 millimetres by 89 millimetres, and
 - (ii) is securely fastened and supported; and
- (e) have on the open sides of each landing, a guardrail which complies with subsection 3 of section 59.

(2) Clause *b* of subsection 1 does not apply to prefabricated stairs erected inside a tower formed by scaffold frame sections where the stringers have a slope not exceeding 60 degrees from the horizontal.

67. Skeleton steel stairs shall have temporary wooden treads that are,

- (a) made of suitable planking extending the full width and breadth of the stairs and landings; and
- (b) securely fastened in place.

LADDERS

68. A ladder shall,

- (a) be designed, constructed, maintained and used so as not to endanger a worker;
- (b) be used only in such a way that the loads applied to it will not cause the materials used in any part of it to be stressed beyond their allowable unit stresses; and
- (c) if the side rails are made of metal, or if they are metal-reinforced, not be used in close proximity to uninsulated, energized electrical equipment or conductors.

69. A ladder shall,

- (a) be free from broken or loose members or other faults;

(b) have rungs evenly spaced at 30 centimetres on centres;

(c) have side rails not less than 30 centimetres apart;

(d) be placed on a firm footing and secured against slipping;

(e) be held in place by one or more persons while being used if it exceeds 9 metres in length and is not securely fastened;

(f) when not securely fastened, be placed so that the base of the ladder is not less than one-quarter and not more than one-third of the length of the ladder from a point directly below the top of the ladder and at the same level as the base of the ladder;

(g) where it is used as a regular means of access between levels,

(i) be securely fastened in place,

(ii) extend at the upper level at least 90 centimetres above the landing or floor,

(iii) have a clear space of at least 15 centimetres behind any rung, and

(iv) be so located that an adequate landing surface, clear of obstructions, is available at the top and bottom of the ladder;

(h) not be in an elevator shaft when such space is being used for hoisting; and

(i) not be lashed to another ladder to increase its length.

70. A wooden ladder shall,

- (a) consist of wood that is straight-grained and free from loose knots, sharp edges, splinters and shakes;
- (b) not be painted or coated with an opaque material; and
- (c) have rungs of clear straight-grained material which is free of knots.

71.—(1) The side rails of a wooden ladder of the cleat type shall be,

(a) not less than 40 centimetres and not more than 61 centimetres apart;

(b) where the ladder is not more than 5.8 metres long, not less than 38 millimetres by 89 millimetres; and

- (c) where the ladder is more than 5.8 metres long, not less than 38 millimetres by 140 millimetres.

(2) The rungs of a wooden ladder of the cleat type shall be,

- (a) where the side rails are 40 centimetres apart, not less than 19 millimetres by 64 millimetres;
- (b) where the side rails are more than 40 centimetres and not more than 61 centimetres apart, not less than 19 millimetres by 89 millimetres; and
- (c) braced by 19 millimetre thick filler blocks between the rungs.

72. A double width wooden ladder shall,

- (a) have three rails evenly spaced which are not less than 38 millimetres by 140 millimetres;
- (b) have rungs which,
- (i) are not less than 38 millimetres by 89 millimetres,
- (ii) extend the full width of the ladder, and
- (iii) are braced by 19 millimetre thick filler blocks;
- (c) not be less than 1.5 metres in width; and
- (d) be securely fastened in place.

73. The maximum length of a ladder measured along the side rail shall not be more than,

- (a) 5 metres for a trestle ladder or for each of the base or extension sections of an extension trestle ladder;
- (b) 6 metres for a step-ladder;
- (c) 9 metres for a single ladder or individual section of a ladder;
- (d) 15 metres for an extension ladder having two sections; and
- (e) 20 metres for an extension ladder having more than two sections.

74. Where a step-ladder is being used as a self-supporting unit,

- (a) the legs shall be fully spread and the spreader shall be locked; and
- (b) neither the top of the step-ladder nor the pail shelf shall be used as a step.

75.—(1) Subject to subsection 2, a vertical access ladder fixed in position shall,

- (a) have rest platforms at not more than 9 metre intervals;
- (b) be offset at each rest platform;
- (c) where the ladder extends over 5 metres above grade or a floor or landing, have a safety cage commencing not more than 2.2 metres above grade or the floor or landing and continuing at least 90 centimetres above the top landing with openings to permit access by a person to rest platforms or to the top landing;
- (d) have side rails that extend 90 centimetres above the landing; and
- (e) have rungs that are at least 15 centimetres from the wall.

(2) Clauses *a*, *b* and *c* of subsection 1 do not apply to an access ladder on a tower, water tank, chimney or similar structure that has a safety device that provides protection should a person fall while using the ladder.

SCAFFOLDS AND WORKING PLATFORMS

76. Where work cannot be done without hazard to a worker on or from the ground or from a building or other permanent structure a scaffold, constructed in accordance with sections 80 to 86, both inclusive, shall be provided for a worker.

77. A barrel, box or other loose object shall not be used,

- (a) by a worker to stand upon while working; or
- (b) to support a scaffold or working platform.

78. No stilts or a leg extension device shall be on, or used on, a project.

79.—(1) The erection, alteration or dismantling of a scaffold shall be carried out under the supervision of a competent person.

(2) Work shall not be carried out on or under a scaffold or scaffold platform that is being erected, altered or dismantled unless it is carried out from a part of the scaffold or scaffold platform that complies with sections 80 to 86, both inclusive.

80.—(1) A scaffold shall,

- (a) be capable of supporting at least,
- (i) two times the maximum load to which it is likely to be subjected, without exceeding the allowable unit stresses for the particular materials used, and

- (ii) four times the maximum load to which it is likely to be subjected, without overturning;
 - (b) not be loaded in excess of the maximum load it could reasonably be expected to support and not in excess of the maximum load set out in clause *a*;
 - (c) be constructed only of suitable structural material;
 - (d) where lumber is used in its construction, be constructed only of Construction Grade spruce or Number 1 Grade spruce;
 - (e) have all uprights braced diagonally in the horizontal and vertical planes to prevent lateral movement;
 - (f) have horizontal members that are adequately secured to prevent lateral movement and that do not have splices between the points of support;
 - (g) have footings, sills or supports that are sound, rigid and capable of supporting at least two times the maximum load to which the scaffold is likely to be subjected without unreasonable settlement or deformation;
 - (h) have all fittings and gear properly installed including base plates or wheels;
 - (i) have safety catches on all hooks; and
 - (j) be adequately secured at vertical intervals not exceeding three times the least lateral dimension of the scaffold, measured at the base, to prevent lateral movement.
- (2) Where a scaffold consists of a structural system of tubular metal frames, the scaffold shall not be loaded in excess of,
- (a) the capacity of the system as established after a test loading of the particular method of loading by a professional engineer; and
 - (b) one-third of the failure load as established by test loading the scaffold axially through the corner posts.
- (3) Where a scaffold exceeds 15 metres in height, it shall be designed by a professional engineer and constructed in accordance with the design.
- (4) Drawings of the design required by subsection 3, bearing the seal and signature of the professional engineer shall be kept on the project while the scaffold is erected on the project.

81. A scaffold platform or other working platform shall,

- (a) be designed, constructed and maintained to support all loads to which it is likely to be subjected without exceeding the allowable unit stresses for the materials used and not less than 2.4 kilonewtons per square metre;
- (b) be at least 46 centimetres wide;
- (c) where it is 2.4 metres or more above a floor, roof or other surface, consist of planks laid tightly side by side for the full width of the scaffold;
- (d) be provided with a guardrail as prescribed by section 59;
- (e) where it consists of wooden planks, have wooden planks of Number 1 Grade spruce that,
 - (i) are at least 38 millimetres in thickness by 23.5 centimetres in width with a span not exceeding 3 metres,
 - (ii) overhang their supports by not less than 15 centimetres and not more than 30 centimetres, and
 - (iii) are cleated or otherwise secured against slipping; and
- (f) be provided with a means of access as prescribed by section 40.

82.—(1) A suspended scaffold or a boatswain's chair shall,

- (a) be attached to a fixed support or outrigger beam capable of supporting at least four times the maximum load to which the fixed support or outrigger beam is likely to be subjected,
 - (i) without overturning, and
 - (ii) without exceeding the allowable unit stresses for the materials used in the fixed support or outrigger beam,
 and the counter weights on an outrigger beam shall be,
 - (iii) suitable for the purpose, and
 - (iv) securely attached to the outrigger beam;
- (b) where practicable, have an outrigger beam that is tied back to a fixed support of adequate capacity;
- (c) have the tie back referred to in clause *b* consist of a secondary line having capacity adequate to support,
 - (i) the weight of the suspended scaffold or boatswain's chair, and

- (ii) the component members of the supporting system,

in the event of the failure of the primary supporting system described in clause *a*;

- (*d*) subject to subsection 2 of section 83, have hangers,

- (i) located not less than 15 centimetres and not more than 45 centimetres from the ends of the platform, and

- (ii) securely attached to the platform;

- (*e*) where it is capable of moving either vertically or horizontally, have,

- (i) rope falls equipped with suitable pulley blocks, or

- (ii) a mechanical hoisting device equipped with a positive device to prevent the scaffold from falling freely, and

- (iii) supporting cables extend from the suspended scaffold or boatswain's chair to the ground, or be provided with a positive stop which will prevent the suspended scaffold or boatswain's chair from running off the end of the supporting cables;

- (*f*) not have fibre rope where,

- (i) the distance between blocks exceeds 90 metres,

- (ii) a corrosive substance is in the vicinity of the rope, or

- (iii) mechanical-grinding or flame-cutting equipment is to be used in the vicinity of the rope;

- (*g*) where practicable and where it is not being raised or lowered, be secured and firmly anchored to the building or structure;

- (*h*) subject to subsection 2 of section 83, have wire mesh of at least 1.60 millimetres in diameter,

- (i) capable of rejecting a ball 38 millimetres in diameter, and

- (ii) securely fastened in place from the toe-board to the top rail of the guardrail;

- (*i*) where operated by mechanical power, be inspected by a competent person, prior to each day's use;

- (*j*) where,

- (i) the scaffold consists of more than one platform, or

- (ii) the weight of the platform and its components exceeds 363 kilograms,

be designed by a professional engineer in accordance with good engineering practice in compliance with this section and the scaffold shall be constructed in accordance with the design; and

- (*k*) if stacked or tiered, be provided with at least two independent means of support.

(2) Drawings of the scaffold system designed under clause *j* of subsection 1, shall,

- (*a*) indicate the size and specification of all components including the type and grade of all materials to be used;

- (*b*) clearly show the maximum live load of the system;

- (*c*) bear the seal and signature of the professional engineer referred to in the said clause *j*;

- (*d*) have the written opinion of the professional engineer referred to in the said clause *j* that the design complies with this section; and

- (*e*) be kept on the project while the scaffold is on the project.

83.—(1) A boatswain's chair shall,

- (*a*) not be less than 60 centimetres in length and 25 centimetres in width; and

- (*b*) where the worker on the chair is using,

- (i) a corrosive substance, or

- (ii) mechanical-grinding or flame-cutting equipment,

be supported by a sling consisting of wire rope at least 9.5 millimetres in diameter.

(2) Clauses *d* and *h* of subsection 1 of section 82 do not apply to a boatswain's chair.

84.—(1) Subject to subsection 4, a worker on a suspended scaffold or a boatswain's chair shall be protected as prescribed by section 35.

(2) Where lifelines are used, each lifeline shall be suspended independently and separately from the suspended scaffold or boatswain's chair.

(3) Each lifeline shall be securely attached to the project or other support so that the failure of the suspended scaffold or the boatswain's chair or its supporting system will not cause the lifeline to fail.

(4) Subsection 1 does not apply to a worker on a part of a scaffold that,

(a) has more than two means of support or suspension; and

(b) is so designed, constructed and maintained,

that the failure of one means of support or suspension will not cause the collapse of that part of the scaffold on which the worker is situated.

85.—(1) The distance between the platform of an outrigger scaffold and the wall beyond which the scaffold extends shall not be greater than 75 millimetres.

(2) The outrigger beams of an outrigger scaffold shall be secured against horizontal and vertical movement.

86. A scaffold mounted on castors or wheels, other than a movable working platform to which section 87 applies, shall,

(a) where the height of a scaffold platform exceeds three times the least lateral dimension of the scaffold,

(i) measured at the base, or

(ii) measured between the outriggers where outriggers are used,

be equipped with guy wires to prevent overturning of the scaffold;

(b) be equipped with a suitable braking device on each castor or wheel;

(c) except when being moved in accordance with clause *d*, have brakes applied when any worker is on the scaffold or scaffold platform; and

(d) where it is more than 3 metres in height, not be moved when a worker is on it unless,

(i) he is protected as prescribed by section 35, and

(ii) it is being used on a reasonably smooth and level surface.

87.—(1) This section does not apply to a suspended scaffold constructed in accordance with section 82.

(2) A movable working platform operated by mechanical or electrical power including an elevating rolling scaffold and a self-propelled elevating scaffold or work platform shall,

(a) be designed by a professional engineer in accordance with good engineering practice to support,

(i) two times the maximum load to which it may be subjected without exceeding the allowable unit stresses for the materials used, and

(ii) four times the maximum load to which it may be subjected without overturning;

(b) be constructed and maintained in accordance with the design of the professional engineer;

(c) be provided with guardrails as prescribed by section 59;

(d) have a floor securely attached to the floor supports and that extends over the full width and length of the platform;

(e) be fitted with signs indicating the safe working load;

(f) if equipped with outriggers, have a notice indicating the circumstances for which the outriggers shall be used;

(g) be equipped with a fail safe mechanism for the elevating power system in the case of a power source, or system, failure;

(h) be equipped with a dead man control that will cut the power off from the operating mechanism unless the control regulating the power is continuously operated by a worker;

(i) be guarded, where equipped with a scissor-type or other lifting mechanism which may create a shearing hazard to workers; and

(j) have its supporting mechanism inspected by a competent person prior to each day's use.

(3) A boom supported working platform which telescopes, articulates or rotates relative to the base in order to extend the work platform beyond the base dimensions shall be equipped with a tilt alarm or warning device that will, when the base is out of level by 5 degrees or more in any direction, automatically notify a worker on the platform.

(4) When a worker is on a movable working platform to which this section applies and the height of the platform exceeds 3 metres above the surface on which the equipment is supported, it shall be moved or propelled only where,

(a) the surface is reasonably smooth and level; and

(b) each worker on the platform is protected against falling from the platform as prescribed by section 35.

HYGIENE

88.—(1) A reasonable supply of potable drinking water shall be kept readily accessible for the use of workers.

(2) A clean and sanitary means of drinking the water referred to in subsection 1 shall be provided for the use of workers.

(3) The water referred to in subsection 1 shall be supplied from a piping system or from a clean, covered container having a drain faucet.

(4) Workers shall not be required to, and shall not, use a dipper or drinking cup in common with other workers.

89.—(1) At least one flush toilet, chemical toilet or privy shall be provided or made available,

- (a) for the use of workers from the commencement of the project;
- (b) where there are more than thirty workers on the project at any one time, for each thirty workers or fraction thereof; and
- (c) within reasonable access from each work area.

(2) Every flush toilet, chemical toilet or privy shall,

- (a) be constructed so that any user is sheltered from view and protected from the weather and from falling objects;
- (b) be illuminated by natural or artificial light;
- (c) be provided with toilet paper and disinfectant;
- (d) be maintained in a clean and sanitary condition;
- (e) be equipped with a toilet seat and cover; and
- (f) if it is portable or temporary, be equipped with a urinal trough in addition to the toilet or privy.

90. Washing facilities with clean water, soap and individual towels shall be provided for workers who use or handle corrosive, poisonous or other substances likely to endanger their health.

91.—(1) A heated room shall be provided for the use of workers employed underground.

(2) The wet clothes of workers employed underground shall be dried on the project by sanitary means.

(3) The facilities for drying wet clothes shall consist of a change room which shall,

- (a) where work clothes are hoisted overhead for drying, have a minimum height of 3.7 metres;
- (b) be equipped with mechanical ventilation to provide not less than six air changes per hour;

(c) be maintained at a temperature of at least 27 degrees celsius;

(d) be equipped with a rack of sufficient capacity for drying to accommodate all the work clothes of the workers employed underground;

(e) have a free floor area of not less than 10 square metres or of 1 square metre per worker on a shift, whichever area is the greater;

(f) be provided with a lock-up type locker for each worker employed underground;

(g) be provided with proper drainage facilities; and

(h) be scrubbed out once every twenty-four hours.

(4) Where ten or more workers are employed underground at any one time, the change room shall be provided with one shower and one washbasin for each ten workers or fraction thereof.

(5) Showers and washbasins provided in compliance with subsection 4 shall have a supply of hot and cold water.

FIRE PROTECTION

92.—(1) Fire extinguishing equipment shall,

- (a) be provided where the danger of fire exists;
- (b) be of a suitable type and size for controlling any fire that may occur in the area that such equipment is designed to service to permit the evacuation of workers;
- (c) be protected from mechanical injury;
- (d) be readily accessible at adequately marked stations;
- (e) be maintained in good operating condition; and
- (f) be protected from freezing where the equipment or its contents may be exposed to freezing temperatures.

(2) A fire extinguisher shall,

- (a) after use, be forthwith refilled, and returned to its marked station or be replaced;
- (b) be inspected at least once every month by a competent person who shall record the date of the last inspection on a tag attached to it; and
- (c) not contain any carbon tetrachloride, methyl bromide or other vaporizing liquids which are hazardous.

93.—(1) At least one water-type extinguisher of a stored pressure, cartridge operated or pump tank type and with a minimum capacity of 9 litres and a 2A Label Rating listed by Underwriters' Laboratories of Canada shall be provided,

- (a) in every workshop;
- (b) in every building or part of a building where combustible material is stored;
- (c) in places where welding or open-flame operations are carried on;
- (d) subject to subsection 2, on each storey in an enclosed building being constructed or altered; and
- (e) subject to subsection 2, where a storey in a building being constructed or altered has more than 300 square metres of floor space, for each 300 square metres of floor or fraction thereof.

(2) Clauses *d* and *e* of subsection 1 do not apply to a building,

- (a) to be used as a detached or semi-detached single-family dwelling;
- (b) two storeys or less in height which is to be used as a multiple family dwelling; or
- (c) that has only one storey and does not have a basement or cellar.

94.—(1) One or more dry chemical extinguishers, the contents of which are discharged under pressure and which have at least a 20 BC Label Rating listed by Underwriters' Laboratories of Canada, shall be provided,

- (a) where flammable liquids are stored or handled;
- (b) subject to subsection 2, where oil or gas-fired equipment is used;
- (c) where a tar or asphalt kettle, trailer or tank is used; and
- (d) on a tunnel project,
 - (i) at each panel board for electricity,
 - (ii) on each electric-powered locomotive, and
 - (iii) at each battery charging station.

(2) Clause *b* of subsection 1 does not apply where the oil or gas-fired equipment being used is intended to be the permanent furnace equipment of the building.

95.—(1) Where a permanent standpipe is to be installed in a building of two or more storeys it shall,

(a) be installed progressively, so far as is practicable, as the construction of the building proceeds;

(b) have sufficient hose outlets to permit every part of the building to be protected by a hose not longer than 23 metres;

(c) have a connection for the use of the local fire department,

(i) on the street side of the building not more than 90 centimetres and not less than 30 centimetres above ground level, and

(ii) to which there is clear access at all times; and

(d) be maintained so as to be readily operable if required to be used.

(2) A hose outlet shall have,

(a) a valve; and

(b) a hose that shall,

(i) be at least 38.1 millimetres in diameter,

(ii) have a combination straight stream and fog nozzle, and

(iii) when not in use, be stored on a rack in such a way as to protect it from damage and keep it available for immediate use.

96. Flammable liquids shall not be transferred from one container to another by the direct application of air under pressure.

CUTTING AND WELDING

97.—(1) Cylinders, piping and fittings, including regulators and valves, used in welding and cutting shall be protected against damage.

(2) Cylinders of compressed gas used in welding and cutting shall not be,

(a) dropped;

(b) hoisted by slings or magnets; or

(c) transported or stored in a horizontal position.

(3) The valve of a cylinder shall be closed when the cylinder is not being used or when the cylinder is empty.

98. Where,

(a) welding or cutting equipment; or

- (b) a blow torch or other similar equipment,

is being used, suitable precautions shall be taken to prevent the outbreak of fire.

99.—(1) Arc welding electrodes or ground leads shall not be hung over any compressed gas cylinder.

(2) An area where electric welding is carried on shall be kept free of electrode stubs and metal scrap.

(3) Receptacles for electrode stubs shall be provided and used.

ELECTRICAL HAZARDS

100. Except where the connection is made by inserting an attachment plug cap on the cord of the electrical equipment or tool into a convenience receptacle, only a worker who is an electrician certified under *The Apprenticeship and Tradesmen's Qualification Act* or a worker who is similarly qualified by training and experience shall connect any electrical equipment or tool to a power source or disconnect any electrical equipment or tool from a power source.

101. A panel board shall be,

- (a) securely mounted on a vertical surface of sound construction;
- (b) kept clear of any obstruction in front of the panel board;
- (c) within easy reach of and readily accessible to workers;
- (d) located in an area where water will not accumulate; and
- (e) provided with a cover over uninsulated parts carrying current.

102. A switch controlling a service entrance, service feeder or branch circuit shall,

- (a) be suitable for its intended use;
- (b) be securely mounted on a vertical surface of sound construction;
- (c) be kept clear of any obstruction in front of the switch;
- (d) be within easy reach of and readily accessible to workers;
- (e) be located in an area where water will not accumulate;
- (f) not be locked in the closed position;
- (g) be provided with a device for locking the switch in the open position; and

- (h) over uninsulated parts carrying current, be provided with a cover with a locking device that is,

- (i) effective when the switch is in both the open and closed position, and
- (ii) locked when the switch is in the closed position.

103.—(1) Subject to subsection 2, any cord-connected electrical equipment or tool shall have a casing which is effectively grounded.

(2) Subsection 1 does not apply to any cord-connected electrical equipment or tool which is effectively double-insulated and which does not show any evidence of cracks or defects in the insulated casing.

104.—(1) Subject to subsection 2, the power supply to live electrical installations or equipment operating at more than 750 volts shall be disconnected and locked out of service and grounded prior to any work being done on, or in proximity to, the installations or equipment.

(2) Where it is not practicable to disconnect the power supply to live electrical installations or equipment,

- (a) rubber gloves, mats, shields or other protective equipment, tools and procedures adequate to ensure the safety of all workers shall be used, by competent workers, while the work is being performed; and
- (b) a worker other than the worker doing the work, who is competent in the use of artificial respiration, shall be readily available while the work is being performed.

105.—(1) Subject to subsection 3, a worker shall not bring any object closer to a power line for electricity rated at more than 750 volts than the minimum distance set out in subsection 4.

(2) Subject to subsection 3, a worker shall not move a back-hoe, shovel, crane or other similar lifting device or its load closer than the length of the boom of the lifting device to a power line for electricity rated at more than 750 volts unless he has another worker stationed within his view to warn him when any part of the lifting device or its load is approaching the minimum distance from the power line as prescribed in subsection 4.

(3) Subsections 1 and 2 do not apply where,

- (a) the owner of the power line has disconnected, and visibly grounded, the electrical supply to the power line; or
- (b) the work is being performed by a private or public electrical utility or a constructor or subcontractor qualified to perform work on or adjacent to power lines, and

- (i) the work is performed by workers who are competent persons,
- (ii) the work is being performed in accordance with the code of rules, techniques and procedures approved by the Electrical Utilities Safety Association or Ontario Hydro for work in close proximity to, or in contact with, energized power lines and equipment,
- (iii) the work is carried out using tools, clothing and equipment which is adequate and specifically designed for work being performed, and
- (iv) the work is supervised by a competent person.

(4) The minimum distance referred to in subsections 1 and 2 shall be the distance set out in column 2 of the following Table for the voltage set opposite thereto in column 1 of the following Table.

TABLE

Minimum Distance from Live Power Lines for Electricity	
COLUMN 1	COLUMN 2
Voltage Rating of Power Line	Minimum Distance
750 to 150,000 volts	3 metres
150,001 to 250,000 volts	4.5 metres
over 250,000 volts	6 metres

TEMPORARY HEAT

106. A fuel-fired heating device shall,
- (a) be so located, protected and used that there is not a risk of igniting,
 - (i) tarpaulins or similar temporary enclosures, or
 - (ii) wood or other combustible materials adjacent to the heating device;
 - (b) be used in a confined or enclosed space only when there is provision for,
 - (i) an adequate supply of air for combustion, and
 - (ii) adequate general ventilation;

- (c) be located so as to be protected from damage or overturning;
- (d) not restrict a means of egress; and
- (e) where it is used to burn a solid fuel, be equipped with a securely supported sheet metal pipe for the purpose of properly discharging the products of combustion outside the building.

107. All fuel supply lines shall be so constructed, guarded or placed as to be protected from damage.

108. Temporary steam-piping shall,

- (a) be properly installed;
- (b) be securely supported; and
- (c) where a worker is likely to come into contact with the piping accidentally, be insulated or protected by screens or guards.

EXPLOSIVES

109. Blasting mats shall be used where necessary to protect persons, structures and other property on or adjacent to a project from flying rocks or other objects due to blasting operations.

110.—(1) A fire or other naked flame shall not be taken or be, within 7.5 metres of any magazine, vehicle, building or place in which explosives are stored, handled or transported.

- (2) A person shall not smoke,
 - (a) in any magazine where explosives are stored; or
 - (b) within 7.5 metres of a place where explosives are being handled, transported or used.

111.—(1) Subject to subsection 2, only a competent person shall handle, transport, prepare or use explosives on a project.

- (2) A worker who is inexperienced in handling explosives, who is working under the direct personal supervision of a competent person, may handle, transport, prepare and use explosives on a project.

112. Where explosives are to be used,

- (a) a competent person shall be appointed by the supervisor in charge of the project to personally be in charge of all blasting operations; and
- (b) the name of the competent person appointed under clause a shall be posted in the field office of the project and on, or in, the magazines where the explosives are stored.

113. The competent person appointed under clause a of section 112 shall,

- (a) inspect all explosives and all magazines, buildings and vehicles used for storing or transporting explosives at regular intervals and at least once a week;
- (b) report the results of the inspection prescribed in clause *a* to the supervisor in charge of the project;
- (c) take immediate steps to correct any unsuitable condition and properly dispose of any deteriorated explosives;
- (d) where an act of careless placing or handling of explosives is discovered by him, or reported to him, promptly investigate the circumstances;
- (e) be in charge of fixing of all charges and other blasting operations;
- (f) post workers at the approaches to any place,
 - (i) where blasting is to be carried out, and
 - (ii) where a person may be endangered by the blasting, including the area around a drill hole,
 to prevent inadvertent access by any person;
- (g) before blasting ensure that,
 - (i) only those workers required to assist him in blasting, are present in any location where they may be endangered by blasting,
 - (ii) adequate warning is given to all parts of the project by siren or other suitable means, and
 - (iii) no person is in any area from which his means of egress passes the place where the blasting is to be carried out; and
- (h) before blasting within a distance of,
 - (i) less than twice the length of the longest drill rod being used, or
 - (ii) 4.5 metres,

whichever is the greater, of another shaft, tunnel, caisson or cofferdam, thoroughly examine the other shaft, tunnel, caisson or cofferdam to ensure that any work being carried out therein can proceed during the blasting without a person being endangered.

114. Except where all the workers in the immediate vicinity are protected by adequate respiratory equipment, where a rock-drilling operation is being carried out, an adequate supply of water shall be provided and used at the operation to prevent the dissemination of dust.

115. Only that quantity of explosives that is required for immediate use shall be outside a magazine.

116. Except for an explosive that is manufactured for bulk loading, an explosive shall not be removed from its wrapper.

117. Every firing circuit used in blasting shall be disconnected from the source of energy and short-circuited immediately after each blasting operation.

118.—(1) A drill hole shall not be commenced,

- (a) before the exposed face or surface has been carefully examined for holes or remnants of holes containing explosives; and
- (b) before any hole or remnant of a hole found to contain explosives has, as far as is practicable, been cleared of the explosive.

(2) Subject to subsection 3, a drill hole shall,

- (a) not be drilled within 7.5 metres of a hole being loaded with or containing explosives; and
- (b) not be drilled within 15 centimetres of a hole, or remnant of a hole, that has been charged or blasted unless adequate precautions have been taken to ensure that the hole or remnant is free from explosives.

(3) Subject to subsection 4 a drill hole may be drilled within 7.5 metres of a hole being loaded with, or containing, explosives where,

- (a) a specification has been prepared in writing by a professional engineer,
 - (i) describing the precautions to be taken to prevent the accidental detonation of the explosives in a loaded hole by the drilling of another hole, and
 - (ii) bearing the signature and seal of the professional engineer;
- (b) a copy of the specification referred to in clause *a* is kept at the project while the drilling and blasting to which the specification refers are being carried out; and
- (c) the drilling and blasting are carried out in compliance with the specification referred to in clause *a*.

(4) A hole shall not be drilled within 1 metre of another hole containing explosives.

(5) A drill hole shall,

- (a) where cartridges of explosives are to be used, be of a size sufficient for free insertion of a cartridge to the bottom of the hole;

(b) not be charged with explosives unless a properly prepared detonation agent is placed in the charge; and

(c) when charged with explosives,

(i) be fired in one blasting operation, and

(ii) except for the time required in a continuing operation to complete the charging and blasting of adjacent holes, not be left unfired.

(6) A tool or rod of iron or steel shall not be used,

(a) in the charging of a drill hole; or

(b) in any drill hole containing explosives.

CONFINED SPACES

119.—(1) In this section, "confined space" means a place,

(a) to which or from which the means of access or egress are restricted because of location, design, construction, or contents; and

(b) in which,

(i) a hazardous accumulation of gas, vapour, dust, mist or smoke may be present, or may accumulate, or

(ii) there may be an oxygen content in the atmosphere of less than eighteen per cent or more than twenty-three per cent,

and includes an open or enclosed tank, vat, sewer, pipe, duct, flue, reactor, chamber and other such spaces.

(2) A worker shall not enter or be required to enter a confined space unless,

(a) there is a means of egress from all accessible parts of the confined space by a manhole or other clear opening;

(b) mechanical equipment installed in the confined space is disconnected from its power source and locked out;

(c) all pipes and other supply lines are blanked off or where it is impractical to blank or blind piping containing hazardous substances, written work procedures shall be developed and implemented to ensure at least equal protection to all workers exposed to the hazard; and

(d) sufficient tests are made for oxygen deficiency, flammability, explosive conditions and toxic vapours, in appropriate locations by a competent person who shall,

(i) record the results of each test in a permanent record,

(ii) evaluate the tests, and

(iii) certify in writing in the permanent record that,

a. a hazard does not exist in the confined space, and

b. there is not a likelihood of a hazard developing while any person is in the confined space having regard to the nature and duration of the work to be performed.

(3) Where a confined space,

(a) contains or is likely to contain a gas, vapour, dust, mist or smoke that is toxic or hazardous; or

(b) has or is likely to have an oxygen content in the atmosphere of less than 18 per cent or more than 23 per cent,

the space shall be purged and ventilated to provide and maintain a safe atmosphere and in addition to the measures and procedures prescribed by subsection 2,

(c) a competent person shall be in attendance, stationed outside the confined space;

(d) arrangements shall be made to remove a worker if necessary, and

(e) a person adequately trained in artificial respiration shall be conveniently available.

(4) Where a space to which subsection 3 applies cannot be purged and ventilated to provide and maintain a safe atmosphere, in addition to the measures and procedures prescribed by subsections 2 and 3, a worker entering or required to enter the space shall use,

(a) suitable breathing apparatus and a safety harness or other similar equipment to which is securely attached a rope, the free end of which is fastened to a solid support and held by a person who is keeping watch outside the confined space, and who is equipped with an alarm; and

(b) such other equipment as is necessary to ensure his safety.

(5) The safety harness, rope and other equipment mentioned in subsection 4 shall be inspected to ensure that it is in good working order at all times.

(6) In addition to the requirements of subsections 2, 3, 4 and 5, where the gas or vapour in a confined space is, or is likely to be, explosive or flammable, the confined space shall not be entered unless,

- (a) the concentration of the gas or vapour does not, or is not likely to, exceed 50 per cent of the lower explosive limit of the gas or vapour;
- (b) only cleaning or inspection is to be performed; and
- (c) explosion-proof equipment is used.

(7) Notwithstanding clause *a* of subsection 6, cold work may be performed in a confined space which contains, or is likely to contain, an explosive or flammable gas or vapour where the concentration does not, and is not likely to, exceed ten per cent of the lower explosive limit of the gas or vapour.

(8) Where the confined space is a manhole or vault containing electrical equipment, the work shall be,

- (a) performed by an electrical utility or an employer specializing in such work;
- (b) carried out by at least two competent persons;
- (c) performed in accordance with the code of rules, techniques and procedures approved by the Electrical Utilities Safety Association of Ontario, Inc. or Ontario Hydro for work in manholes and vaults containing electrical equipment;
- (d) carried out using tools, clothing and equipment that is adequate and specifically designed for the work being performed; and
- (e) supervised by a competent person.

(9) The requirements of this section apply, with all necessary amendments to any confined space while a worker is in that space.

EQUIPMENT, GENERAL

120.—(1) A vehicle, crane, hoisting device, machine, tool or other piece of equipment shall,

- (a) be maintained in such condition that, when in use, it will not endanger a worker;
- (b) if it has an operator's station, have a means of access to that station that shall,
 - (i) not endanger the operator, and
 - (ii) have walking, climbing and working surfaces that are of the non-skid type;
- (c) not be used,
 - (i) when it is defective or in a hazardous condition,
 - (ii) when weather or other conditions are such that their use is likely to endanger a worker, or

(iii) when being repaired or serviced; and

(d) if mechanically powered, be inspected by a competent person,

(i) at least once prior to its initial use on the project, and

(ii) regularly thereafter when in use.

(2) The inspections required under clause *d* of subsection 1 shall be for the purpose of,

- (a) detecting any defects or hazardous conditions;
- (b) determining if the equipment is capable of handling its rated capacity; and
- (c) determining that the components critical to safe operation are in proper condition.

(3) The competent person making an inspection required by clause *d* of subsection 1 shall immediately upon completion of the inspection, report to his supervisor any defects or hazardous conditions detected during the inspection.

(4) A record of the inspections of a crane or other mechanically powered hoisting device shall be kept in a log book to be maintained for the crane or device showing,

- (a) the date on which the inspection was made;
- (b) the signature and name of the person making the inspection and the signature and name of the supervisor;
- (c) any defects or hazardous conditions detected and the action taken to correct the defect or hazardous condition;
- (d) any modifications, extensions, part replacements and repairs made, including the signature and name of the person making the modifications, extensions, part replacements and repairs; and
- (e) the date any modifications, extensions, part replacements and repairs were made.

(5) Modifications, extensions, part replacements and repairs made to a vehicle, crane, machine, tool or other piece of equipment shall have at least the same safety factor as that in the original design of the vehicle, crane, machine, tool or other piece of equipment.

121. A platform, bucket, basket, load, hook or sling that is,

- (a) capable of moving; and
- (b) supported by a fork-lift truck, front-end loader or other similar machine,

shall not be used as a work place.

122.—(1) Subject to subsection 2, only a competent person shall operate a vehicle upon a project, and the operator shall,

- (a) be authorized or qualified by law to operate a vehicle upon a highway; or
 - (b) have the qualifications to earn a driver's license to operate a vehicle on a highway.
- (2) Subsection 1 does not apply to a worker who is,
- (a) being instructed in the operation of a vehicle; and
 - (b) accompanied by a person having the qualifications required by subsection 1.

123. A gear, pulley, belt, chain, shaft, flywheel, saw or other mechanically-operated part of a machine shall be guarded or fenced unless the gear, pulley, belt, chain, shaft, flywheel or other mechanically-operated part of the machine is so located and constructed that it will not endanger any worker.

124. Where the operator may be exposed to overhead hazards, overhead protection shall be provided by a cab or screen on,

- (a) a power-driven crane, hoisting device, shovel or similar machine;
- (b) a fork-lift truck; and
- (c) a front-end loader or other excavating machine.

125.—(1) Subject to subsection 3, a vehicle shall not be drawn or towed on a project unless there are two separate means of attachment.

(2) Each means of attachment required by subsection 1 shall be so constructed and attached that the failure of one such means will not permit the vehicle being drawn or towed to become detached.

(3) Subsection 1 does not apply to a vehicle,

- (a) in which there is an operator; and
- (b) that is equipped with brakes capable of stopping the vehicle with its load.

126.—(1) A worker shall not remain on, or in, a vehicle where he may be endangered during the loading or unloading of the vehicle.

(2) Where a vehicle is left unattended by the operator, the vehicle shall be locked or rendered incapable of being started by an unauthorized person.

(3) Where an unattended vehicle is,

- (a) on sloping ground; or

(b) adjacent to an excavation,

the unattended vehicle shall have its brakes applied and wheels blocked to prevent movement.

127. Where,

- (a) the bucket of a front-end loader, backhoe or other excavating machine;
- (b) the blade of a bulldozer;
- (c) the forks of a fork-lift truck; or
- (d) the load of a crane or other hoisting machine,

is in a raised position, the operator shall not leave the controls of the equipment unattended.

128. An operator shall operate a shovel, backhoe or similar excavating machine only in such a manner that the shovel, backhoe or similar excavating machine or any part of its load will not pass over a worker.

129. Where any equipment or part thereof is being dismantled, altered or repaired and a worker may be endangered by the collapse or movement of the equipment or any part thereof, blocking shall be installed to prevent collapse or movement.

130.—(1) Where the operator of a crane, shovel or similar machine is obstructed in his view of the path of travel of any part of the crane, shovel or similar machine, or its load, a signalman shall assist the operator.

- (a) by keeping that part of the crane, shovel or similar machine or its load under observation when it is out of the view of the operator; and
- (b) by communicating with the operator,

- (i) by the use of prearranged visual signals, when conditions are such that the signals are clearly visible to the operator, or
- (ii) by the use of a telecommunications system when visual signals are not practical.

(2) Where a vehicle, crane, machine or other equipment is to be driven in a location in which the operator or another person may be endangered, the operator shall drive the vehicle, crane, machine or other equipment as directed by a signalman who shall be stationed,

- (a) in full view of the operator;
- (b) with a full view of the intended path of travel; and
- (c) clear of the intended path of travel.

(3) A signalman shall be a competent person.

131.—(1) Except for a trailer, every vehicle shall be equipped with,

- (a) brakes; and
- (b) a seat or other position for the operator.

(2) Only the operator shall ride upon a vehicle unless a seat is provided for the use of, and is used by, other persons.

132. Safety chains, cages or other protection against blown-off side or lock rings shall be used when inflating a tire mounted on a rim.

133. A lifting jack shall,

- (a) have its rated capacity legibly cast or stamped in a location on the jack where it can be readily seen; and
- (b) be equipped with a positive stop to prevent overtravel or, where a positive stop is impracticable, with an indicator.

134. A gasoline powered chain saw shall,

- (a) be equipped with,
 - (i) an anti-kickback chain, and
 - (ii) a device which will effectively stop the chain in the event of a kickback;
- (b) be examined by the operator before operating to ensure that it is in proper working condition;
- (c) when being started, be held firmly;
- (d) be held firmly by both hands when being used; and
- (e) have the chain stopped when not actually cutting.

135. Where a hose supplying steam, compressed air or water to a piledriver, hammer or drill carriage may become separated and endanger a worker, a wire rope or chain shall be attached to the hose to prevent it from whipping.

EXPLOSIVE ACTUATED TOOLS

136.—(1) Subject to subsection 2, an explosive actuated fastening tool shall,

- (a) have a firing mechanism that will prevent the tool from being fired,
 - (i) while being loaded,
 - (ii) during preparation for firing, or
 - (iii) if dropped;

(b) be capable of being operated only when the muzzle end is held against a working surface with a force of at least 22 newtons greater than the weight of the tool;

(c) if required to be dismantled into separate parts for loading, be capable of being operated only when the separate parts are firmly locked together;

(d) be capable of being fired only after two separate and distinct actions have been carried out by the operator, with the firing movement separate from the operation of bringing the tool into the firing position;

(e) be used only when equipped with a protective guard or shield,

(i) suitable for the particular fastening operation being performed,

(ii) mounted at right angles to the barrel,

(iii) at least 75 millimetres in diameter, and

(iv) placed in a central position on the muzzle end of the tool except where the fastener is intended to be driven into a surface at a point within 38 millimetres of another surface that is at an angle to the surface into which the fastener is intended to be driven;

(f) be capable of being operated when the guard prescribed by clause *e* is placed in the central position only when the bearing surface of the guard is tilted not more than eight degrees from the working surface;

(g) when not in use, be stored in a locked container;

(h) not be left unattended where it may be available to a person other than a worker having the qualifications set out in subclause *i* of clause *k*;

(i) whether loaded or unloaded, not be pointed directly at any person;

(j) not be loaded unless it is being prepared for immediate use;

(k) be used only,

(i) by a worker who has been instructed in the proper and safe manner of its use by the manufacturer or his authorized and qualified agent,

(ii) by a worker wearing both head protection and eye protection,

(iii) after it has been inspected by the worker referred to in subclause i to ensure that,

- a. the tool is clean,
- b. all moving parts operate freely,
- c. the barrel is free from any obstruction,
- d. the tool is adequately equipped for the intended use, and
- e. it is not defective,

(iv) in accordance with the instructions of the manufacturer,

(v) with an explosive load of a strength adequate to perform the intended work without excessive force, and

(vi) to drive a stud or other fastener suitable for insertion in the tool; and

(l) not be used in an atmosphere containing flammable vapours, gases or dusts.

(2) Clauses *e* and *f* of subsection 1 do not apply to an explosive actuated fastening tool if the velocity of the stud or other fastener does not exceed 90 metres per second measured at a distance of 2 metres from the muzzle end of the tool when propelled by the maximum commercially available explosive load that the tool is chambered to accept.

(3) A misfired cartridge which has been removed from an explosive actuated fastening tool shall be placed in a water-filled container until the cartridge may be properly disposed of after its safe removal from the project.

(4) An explosive actuated fastening tool shall be used only by a worker who carries on his person while on a project, a certificate proving that he has been instructed as prescribed by subclause i of clause *k* of subsection 1.

137. An explosive load for an explosive actuated fastening tool shall,

- (a) be so marked or labelled that the operator can readily identify its strength;
- (b) not be stored in a container where an explosive load of a different strength is stored;
- (c) not be left unattended where it may be available to a person other than a worker having the qualifications set out in subclause i of clause *k* of section 136; and
- (d) when not in use, be stored in a locked container.

CRANES AND HOISTING

138.—(1) The load carrying capacity of a crane or similar hoisting machine shall be established in accordance with good engineering practice by,

- (a) a competent person, if the crane or similar hoisting machine was manufactured before the 1st day of January, 1974; or
- (b) the manufacturer, if the crane or similar hoisting machine was manufactured on or after the 1st day of January, 1974.

(2) Where the boom, counterweight or other principal part of a crane or similar hoisting machine is modified, extended, altered or replaced on or after the 1st day of January, 1974 so as to affect the load carrying capacity, the revised load carrying capacity shall be established by a professional engineer.

(3) A person shall not subject a crane or similar hoisting machine to a load in excess of its load carrying capacity.

(4) A load rating plate shall be attached to the crane or similar hoisting machine in a location where the operator is able to see it while he is in his operating position.

(5) A load rating plate shall be clear, legible and contain sufficient information to enable the operator to determine the load that the crane or similar hoisting machine is capable of hoisting under any condition.

(6) Where practical, a boom angle indicator shall be provided on all luffing boom cranes.

139.—(1) Cranes shall be set up, assembled, extended and dismantled only,

- (a) by competent persons;
- (b) in accordance with the written instructions of the manufacturer; and
- (c) in such a manner as to eliminate hazards to any person and property.

(2) Only the correct sections for the particular crane shall be used and they shall be in an undamaged condition without either,

- (a) bent lacing and main chords; or
- (b) broken welds.

(3) Only the correct size and quality of nuts, bolts, pins and fastenings shall be used and they shall be assembled in the correct manner and sequence in accordance with the written instructions of the manufacturer.

(4) Outriggers and stabilizing devices, when deployed to meet load capacity chart requirements shall,

- (a) be fully extended to bear the whole weight of the crane; and
- (b) rest on firm ground or blocking adequate to support the maximum loads without failure, unreasonable settlement or deformation.

(5) Unless otherwise specified in written instructions of the manufacturer, cranes shall,

- (a) be operated with their turntables level; and
- (b) have level indicating devices provided and used.

140.—(1) All undercarriages of rail-mounted tower cranes shall be fitted with rail clamps which can be firmly attached to the rails to lock the crane in position.

(2) A rail-mounted tower crane shall be securely locked to the rails when not in use.

(3) A rail-mounted tower crane shall have adequate rail stops or bumpers that,

- (a) are securely attached at both ends of the rails; and
- (b) extend at least as high as the centre of the wheels.

(4) The track bed of a rail-mounted tower crane shall have a sound and rigid base capable of carrying the maximum load to which it is likely to be subjected without unreasonable settlement or deformation.

141.—(1) Automatic means shall be provided for the protection of tower cranes from overload at relative radii, and where the load hoisting capacity changes with the distance of the hook from the tower, the overload protection shall be capable of protecting the crane from overload at the different radii.

(2) Tower cranes shall have a device that automatically applies the brakes when,

- (a) a load reaches its highest permissible position; or
- (b) the trolley reaches its travel limits.

(3) Subject to subsection 4, after every twelve months of actual use, the structural elements and components of a tower crane shall be inspected for soundness by competent persons using approved methods of non-destructive testing.

(4) Where a tower crane remains in use on the same project for more than one year, a detailed visual inspection of the structural elements and components shall be carried out by a competent person.

(5) Except where there is a danger of collision with other cranes, structures or other objects, tower crane jibs shall be permitted to slew freely in the wind when the crane is unattended.

(6) Where a tower crane jib is permitted to slew freely in the wind and the crane is unattended, the empty load block shall be raised near its top position and located at minimum radius.

142.—(1) A rope or cable used by a mechanically powered crane, hoist, or other similar hoisting device shall,

(a) be steel wire rope of the proper type, size, grade and construction recommended by the manufacturer for the crane hoist or device;

(b) for boom hoist reeving and pendants, not be non-rotating rope;

(c) be capable of supporting not less than,

(i) three and one half times the maximum load to which it is likely to be subjected if the rope or cable winds on a drum or passes over a sheave;

(ii) three times the maximum load to which it is likely to be subjected if the rope or cable is a pendant or is not subject to winding or bending;

(iii) ten times the maximum load to which it is likely to be subjected if the crane, hoist or hoisting device is used for hoisting persons;

(d) be suitable for the sheaves and the drum;

(e) not be spliced;

(f) be suitably lubricated to prevent corrosion or wear;

(g) have the end connections securely fastened and, when in use, have at least three full turns on the drum; and

(h) be visually inspected by a competent person at least once a week when in use and the condition recorded in a log book.

(2) Subject to subsection 3, steel wire rope shall not be used where,

(a) six randomly distributed wires are broken in one rope lay, or three or more wires are broken in one strand in any one rope lay;

(b) wear exceeds one-third of the original diameter of outside individual wires;

(c) there is evidence of kinking, bird-caging, corrosion or any other damage resulting in distortion of the rope structure;

(d) there are reductions from nominal rope diameter in excess of,

- (i) 1 millimetre for diameters up to and including 19 millimetres;
- (ii) 2 millimetres for diameters 20 millimetres to 29 millimetres inclusive;
- (iii) 3 millimetres for diameters 30 millimetres to 38 millimetres inclusive; or

(e) there is evidence of any other possible cause of rope failure including contact with electricity of sufficient voltage to damage the rope.

(3) Steel wire rope that is static or used for pendants shall not be used if there are three or more broken wires in one lay, in sections between end connectors, or if there is more than one broken wire at an end connector.

143.—(1) Any attachment of a rope or cable used by a mechanically powered crane, hoist or other similar hoisting device shall be secure and made by,

- (a) the rope or cable being bound around an oval thimble and fastened to itself by three or more clamps; or
- (b) being fastened within,
 - (i) a tapered socket using virgin zinc, or
 - (ii) a wedge type socket fitted with a single line clamp to prevent accidental release or loosening of the wedge.

(2) The dead end of a wedge socket assembly on a hoisting line shall not be long enough to form a loop before clamping.

144.—(1) A container, sling or similar device for the hoisting of an object shall,

- (a) be suitable for the object;
- (b) have sufficient capacity to support the object; and
- (c) be so arranged as to prevent the object or any part of it from falling out of, or off, the sling, container or similar device.

(2) Every part of a hoisting device or assembly, including a hook, shackle, ring, bolt, sling, rope, chain, cable or splice shall,

- (a) be suitable for its use;
- (b) be capable of supporting at least five times the maximum load to which it is likely to be subjected; and
- (c) be capable of supporting at least ten times the maximum load to which it is likely to be subjected if the device is used for hoisting persons.

(3) Web type fabric and nylon slings and similar hoisting devices shall,

- (a) be labelled to indicate their load rating capacity; and
- (b) not be used where the hazard of being cut by sharp edges exists.

145.—(1) Subject to subsection 2, every hoisting hook shall be equipped with a safety catch.

(2) Subsection 1 does not apply to a hoisting hook used in the placing of structural members where the method of placing provides the same standard of protection for a worker as would be provided by a safety catch.

(3) A hoisting hook shall have its load rating legibly cast or stamped on it in a location where it can be readily seen.

(4) A hook block shall have its load rating and weight legibly cast or stamped on it in a location where it can be readily seen.

(5) Hooks,

- (a) with cracks; or
- (b) having more than normal throat openings; or
- (c) any twist from the plane of the unbent hook,

shall not be used.

(6) The overhauling weight used on the cable of a crane or similar hoisting device shall,

- (a) not be split; and
- (b) be prevented from sliding up or down the cable; or
- (c) be securely attached to the load hook and the cable.

146.—(1) Subject to subsection 2, the selection, annealing, normalizing or repairing of a chain shall be made and performed in accordance with the manufacturer's specification.

(2) Only alloy steel chain or chain specifically manufactured for the application shall be used for hoisting.

(3) An alloy chain shall not be annealed or welded.

147. A friction-type clamp used in hoisting materials shall be constructed so that the accidental slackening of the hoisting cable will not release the clamp.

148.—(1) A person shall not operate a crane or other hoisting machine in such a manner that any part of its load will pass over a worker other than when,

- (a) the worker is receiving the load; or
- (b) the worker is engaged in the sinking of a shaft.

(2) Where practicable, a worker who is,

- (a) receiving a load; or
- (b) engaged in the sinking of a shaft,

shall position himself so that the load will not pass over him.

149.—(1) Subject to subsection 2 and sections 82, 213 and 214 a platform, bucket, basket, load, hook or sling that is,

- (a) capable of moving; and
- (b) supported by a cable attached to the boom of a crane or other similar hoisting device,

shall not be used as a work place.

(2) Subsection 1 does not apply to a worker where the worker is in,

- (a) a well; or
- (b) a caisson being drilled by an auger.

150.—(1) Where a worker may be endangered by the rotation or uncontrolled motion of a load being hoisted by a crane or similar hoisting device, one or more guide ropes or tag lines shall be used to prevent the rotation or other uncontrolled motion.

(2) A load shall not be unhooked or unslung until,

- (a) it has been landed; and
- (b) there is no danger of the tipping, collapsing or rolling of the load.

151.—(1) Piles or sheet-piling shall be adequately supported during their hoisting, placing, removal or withdrawal.

(2) Where practicable, only a worker who is directly engaged in any of the operations referred to in subsection 1, shall be in the area where the operations are being carried out.

152. Where materials are being hoisted by helicopter,

- (a) the helicopter pilot shall be,
 - (i) competent in flying externally loaded helicopters, and
 - (ii) in charge of the overall operation including the size, weight and manner in which loads are connected to the helicopter;

- (b) ground personnel, including signalmen, shall be competent persons; and
- (c) precautions shall be taken to guard against hazards that may be caused by rotor downwash.

ROOFING

153. A mechanical hoist, rigid beam or swing beam hoist or other similar roofer's hoist used in roofing shall,

- (a) be operated only by a competent person; and
- (b) have a guardrail that meets the requirements of sections 58 and 59 installed on both sides of the frame at the edge of the roof.

154. The counterweights on a roofer's hoist shall,

- (a) be suitable for the purpose;
- (b) not consist of roofing or other construction material;
- (c) be securely attached to the hoist; and
- (d) be of such weight that their total weight will provide a factor of safety against overturning of not less than three.

155. Where a built-up roof is being constructed, a barrier consisting of portable weighted posts supporting a taut chain, cable or rope shall,

- (a) be placed at least 2 metres from the perimeter of the roof; and
- (b) be 1.1 metres high.

156.—(1) Where hot tar or asphalt is supplied to a roof by means of a pipe, the supply pipe shall,

- (a) be securely fixed; and
- (b) be supported where necessary to prevent undue deflection.

(2) Where the supply pipe is discharged to a location within 2 metres of the edge of a roof, a guardrail that complies with section 59 shall be provided at the edge of the roof.

DAMAGED STRUCTURES

157.—(1) Where a structure has been so damaged that a worker is likely to be endangered by its partial or complete collapse,

- (a) the structure shall be braced and shored; or
- (b) such other safeguards shall be provided,

to prevent injury to a worker.

(2) The bracing and shoring or other safeguards prescribed by subsection 1 shall be installed progressively to ensure that the workers installing the bracing and shoring or other safeguards are not endangered.

DEMOLITION

158. The demolition, dismantling or moving of a building or structure, shall be commenced or continued only when,

- (a) all steps necessary to prevent injury to a person on or near the project or the adjoining property have been taken; and
- (b) all existing gas, electrical and other services, that are likely to endanger a worker having access to the building or structure have been shut off and disconnected.

159. Subject to subsection 1 of section 164, the exterior walls of a building shall be demolished only when all glass has been,

- (a) removed from windows and other locations; or
- (b) protected so that there is no reasonable possibility of breakage of the glass at any stage of the demolition.

160.—(1) Subject to subsections 1 and 2 of section 164, and except where a worker may be endangered, demolition and dismantling shall proceed systematically and continuously from the highest to the lowest point of a project.

(2) In a skeleton structural frame building, the skeleton structural frame may be left in place during the demolition or dismantling of the masonry if the masonry and any loose material are removed from the skeleton structural frame in the order prescribed by subsection 1.

(3) Subject to subsection 1 of section 164, the work above each tier or floor shall be completed before the support of the tier or floor is affected by the demolition or dismantling operations.

161.—(1) Subject to subsection 1 of section 164, masonry walls shall be removed in reasonably level courses.

(2) Subject to subsection 1 of section 164, materials shall not be loosened or permitted to fall in masses that are likely to endanger,

- (a) the structural stability of a floor or other support of the project or of a scaffold; or
- (b) a worker.

162. Subject to subsection 1 of section 164, a truss, girder or other structural member shall not be disconnected until it,

- (a) has been relieved of all loads other than its own weight; and
- (b) where necessary, has been given temporary support.

163.—(1) A worker shall not stand on top of a wall, pier or chimney to remove material from the wall, pier or chimney, unless adequate flooring, scaffolding or staging not more than 2.4 metres below the place where he is working is provided on all sides of the wall, pier or chimney.

(2) A worker shall not enter any part of a project being demolished that will not safely support him.

(3) Only a worker directly engaged in the demolition, dismantling or moving of a building or structure shall be in, on or near the building or structure.

(4) Where work on a building or structure being demolished or dismantled is suspended or discontinued prior to completion, access by persons to the part of the building or other structure that remains to be demolished or dismantled shall be prevented by the installation of fencing or barriers.

164.—(1) Sections 159, 160, 161 and 162 do not apply to a building or structure that is being demolished by,

- (a) a heavy weight suspended by cable from a crane or other hoisting machine;
- (b) a power shovel, bulldozer or other vehicle;
- (c) any other powered mechanical device;
- (d) explosives; or
- (e) any combination of one or more of the methods mentioned in clauses a, b, c and d,

where adequate precautions are taken to ensure that no person is in such a position that he may be endangered by the demolition operations.

(2) The controls of a mechanical device for demolishing a building or structure shall be operated from a location that is as remote as is practicable from the operation.

(3) Where a swinging weight is used for demolition, the supporting cable shall be of such length, or be so restrained, that the weight will not swing against any building or structure other than the building or structure being demolished.

165.—(1) Subject to subsection 2, a basement, cellar or excavation left after the demolition, dismantling or moving of a building or structure shall,

- (a) be backfilled to grade level; or
- (b) have adequate fencing along its open sides.

(2) Subsection 1 does not apply to a basement or cellar that has a roof, floor or other solid covering enclosing it if all openings in the roof, floor or other solid covering are boarded up to prevent access by persons to the basement or cellar.

PART III

TRENCHING

APPLICATION

166.—(1) Subject to subsection 2, this Part applies to all trenches.

(2) This Part does not apply to a trench, or any portion of a trench,

- (a) where the depth is less than 1.2 metres;
- (b) into which a worker is not required to enter or does not enter;
- (c) where the walls are sloped to within 1.2 metres of the lowest point of the trench and the slope does not exceed a gradient of one in one; or
- (d) where the walls are solid rock.

INTERPRETATION

167. In this Part,

- (a) "cleat" means a member of shoring and timbering that directly resists the downward movement of a wale or strut;
- (b) "post" means a vertical member of shoring and timbering that acts as a spacer between wales;
- (c) "prefabricated trench support system" means a trench box, trench-shield or similar structure composed of members connected to one another, capable of being moved as a unit, and designed to resist the pressure from the walls of a trench;
- (d) "sheathing" means the vertical members of shoring and timbering that are placed up against, and directly resist, pressure from a wall of a trench;
- (e) "strut" means a transverse member of shoring and timbering that directly resists pressure from a wale or sheathing;
- (f) "trench depth" means the vertical dimension from the highest point of the excavation to a point level with the lowest point of the excavation;

- (g) "wale" means a longitudinal member of shoring and timbering that is placed against, and directly resists, pressure from sheathing.

SUPPORT SYSTEMS

168.—(1) Where a trench or portion of a trench is more than,

- (a) 7.5 metres deep; or
- (b) 3.5 metres wide,

the walls shall be supported by a support system constructed in accordance with the design of a professional engineer who shall prepare drawings and specifications therefor.

(2) The drawings and specifications mentioned in subsection 1 shall be submitted to the Director, in duplicate, before excavation of the trench, or any portion thereof, is commenced.

(3) A copy of the drawings and specifications shall be kept at the project while the support system is in use.

169. The walls of a trench, other than a trench referred to in subsection 2 of section 166 or a trench to which section 168 applies, shall be supported by a support system constructed in accordance with this Part.

170.—(1) Where a trench has vertical or near vertical walls, the support system shall extend at least 30 centimetres above the top of the trench except where the trench is constructed in a public way, in which case the support system shall extend to the surface of the roadway to permit the top of the trench to be covered for traffic movement when work on, or in, the trench is not in progress.

(2) Where the upper portion of the walls of a trench are sloped and the slope does not exceed a gradient of one to one and the lower portion of the walls of the trench are vertical or near vertical and more than 1.2 metres in height, the vertical or near vertical walls shall be supported by a support system for the trench depth which shall extend at least 30 centimetres above the vertical or near vertical walls and be fitted with toe-boards.

171.—(1) The support system shall, as far as practicable, be installed while the trench is being excavated.

(2) The support system shall only be removed on completion of the work for which the trench was excavated.

(3) The removal of the support system shall be done by, or under the personal supervision of a competent person.

172.—(1) The walls of a trench shall be supported by a support system that consists of shoring and timbering equal to, or greater, in strength than the size, composition and arrangement of materials prescribed in the following Table for the type of soil prescribed.

TABLE

TRENCH SHORING AND TIMBERING (METRIC SIZES)									
TRENCH DEPTH	SOIL TYPE	SHEATHING	STRUTS				STRUT SPACING		WALES
			TRENCH WIDTH		VERTICAL	HORIZONTAL			
			1.8 m To 3.7 m	Up To 1.8 m					
3.0 m or less	1	51 mm x 203 mm at 1.2 m o/c	203 mm x 203 mm	102 mm x 102 mm	1.2 m	2.4 m	Not Required

(2) For the purposes of this Part, soil is classified into the following types:

1. Type 1 soil which,

- (a) is hard, solid, only able to be penetrated by a small sharp object with difficulty;
- (b) can only be excavated by mechanical equipment;
- (c) shows no sign of visible cracks after excavation;
- (d) exhibits a dry, shiny appearance after excavation; and
- (e) possesses a low moisture content and a high degree of internal strength.

2. Type 2 soil which,

- (a) cracks or crumbles;
- (b) can be penetrated by small sharp objects easily;
- (c) can be excavated with hand tools with moderate difficulty;
- (d) exhibits signs of surface cracking;
- (e) exhibits a damp appearance after excavation; and
- (f) possesses a low to medium moisture content and a medium degree of internal strength.

3. Type 3 soil which,

- (a) is loose, soft, sandy or previously excavated;
- (b) can be excavated with hand tools easily;
- (c) will run easily into a well-defined conical pile if dry;
- (d) will flow or shift unless supported if wet; and
- (e) possesses a low degree of internal strength.

4. Type 4 soil which,

- (a) is wet or muddy;
- (b) will run easily or flow unless completely supported immediately after excavation;

(c) exerts substantial fluid pressure upon its supporting system; and

(d) possesses almost no internal strength.

(3) In establishing the type of soil,

- (a) the soil at the walls of the trench and within a horizontal distance from each wall equal to the depth of the trench shall determine the type of the soil in which the trench is excavated;
- (b) the soil shall be typed as the type bearing the higher or highest number where the soil contains significant quantities of more than one type; and
- (c) visual and physical examination shall be used to determine the type that the soil most closely resembles.

(4) The lumber used for shoring and timbering shall be,

- (a) for sheathing, sound number 1 grade spruce; and
- (b) for wales and struts, sound number 1 structural grade spruce.

(5) The sizes of sheathing, wales and struts prescribed in the Table are full size.

(6) In the Table in subsection 1,

- (a) "m" means metres;
- (b) "mm" means millimetres;
- (c) "o/c" means the maximum distance measured from the centre of one member of sheathing, wale or strut to the centre of the next adjacent member of sheathing, wale or strut;
- (d) "10 mm sp." means that the space between the sheathing members is not to exceed 10 millimetres.

173.—(1) In a support system consisting of shoring and timbering,

- (a) the sheathing shall be placed against the side of the trench so that the length of each piece of sheathing is vertical;
- (b) the struts shall be horizontal and at right angles to the wales or sheathing supported thereby; and
- (c) the wales shall be parallel to the bottom, or the proposed bottom, of the trench.

(2) The sheathing shall be held securely in place against the wales or, where wales are not used, the

struts, by pressure being firmly exerted on the side of the sheathing adjacent to the wall of the trench.

(3) Where the trench is excavated in type 3 soil or type 4 soil each piece of sheathing shall be driven into the soil so as to be firmly held in place.

(4) Each strut shall be,

(a) cut to the proper length required to fit it tightly between,

(i) the wales, or

(ii) where wales are not used, the sheathing, supported by the strut; or

(b) held securely in place by at least two wedges driven between the strut and,

(i) the wales, or

(ii) where wales are not used, the sheathing,

supported by the strut.

(5) Each strut shall,

(a) have cleats that extend over the length of the strut and rest upon the wales supported by the strut, or other similar devices; and

(b) be attached securely to the strut by spikes or bolts, or be placed on,

(i) cleats, spiked or bolted to posts supporting wales, or

(ii) where wales are not used, cleats or other similar devices spiked to the sheathing.

(6) Each wale shall be supported,

(a) on cleats spiked to the sheathing; or

(b) by posts set on,

(i) the wale next below it, or

(ii) in the case of the lowest wale, the bottom of the trench.

174. Notwithstanding section 172, the walls of a trench may be supported by a prefabricated trench support system constructed in accordance with section 175.

175.—(1) A prefabricated trench support system shall be,

(a) constructed in accordance with the drawings of prefabricated trench support system designed by a professional engineer as set out in subsection 3; or

(b) constructed so that the size, spacing and composition of the members of the prefabricated trench support system are identical to that prescribed for methods of shoring and timbering by sections 172 and 173.

(2) The capacity of a prefabricated trench support system to resist the pressure from the walls of a trench shall not be less than the capacity of the shoring and bracing prescribed by sections 172 and 173 for a trench of the same width and depth excavated in the same type of soil.

(3) Where a prefabricated trench support system is designed by a professional engineer, drawings of the system shall be prepared by the professional engineer and the drawings shall,

(a) show the size and specifications of the prefabricated trench support system, including the type, grade and size of all the materials to be used for its construction;

(b) state the maximum depth and type or types of soil for which the prefabricated trench support system was designed to be used; and

(c) bear the signature and seal of the professional engineer; and

(d) not be revised, except by a professional engineer.

(4) Two copies of the drawings prescribed by subsection 3 shall be submitted to the Director prior to the initial use of the prefabricated trench support system and one copy of the said drawings shall be kept at the project at all times that the prefabricated trench support system is at the project.

176.—(1) Notwithstanding section 172, on the shoring and timbering of a trench, a metal trench-jack or trench-brace may be used in place of a strut if the allowable working load of the trench-jack or trench-brace is equal to, or greater than, the allowable working load of the strut.

(2) The allowable working load of a trench-jack or trench-brace shall,

(a) be established by a professional engineer;

(b) not exceed one-sixth the ultimate capacity of the trench-jack or trench-brace when it is tested by an axial load in a testing machine, at the maximum length at which the trench-jack or trench-brace is designed to be extended; and

(c) be legibly cast or stamped on the trench-jack or trench-brace in a location where it can be readily seen.

(3) A trench-jack or trench-brace shall,

- (a) when in use in a trench, not be extended beyond the extended length used to establish its capacity under subsection 2;
- (b) be so placed against the sheathing or wale that it supports that the load from the sheathing or wale is, as far as practicable, axially applied to the trench-jack or trench-brace; and
- (c) be adequately supported to prevent movement.

177. Ladders in a trench shall be so placed that the means of access to the base of any ladder from a part of the trench where a worker is working is protected by the support system.

PART IV

TUNNELS AND SHAFTS

APPLICATION

178. This Part applies to tunnels and shafts, other than a tunnel or shaft at or in connection with a mine.

LAND REQUIREMENTS

179. A tunnel or shaft shall be commenced or continued only where sufficient land space is available to permit compliance with Parts IV and V of this Regulation.

FIRE PROTECTION

180.—(1) Means of extinguishing a fire shall be provided,

- (a) at the top and bottom of every shaft; and
- (b) in every tunnel within 30 metres of,
 - (i) each working face; and
 - (ii) every location where a fire hazard exists.

(2) Notices of the method of sounding or giving a fire alarm throughout a project shall be posted in conspicuous places on the project.

(3) Subject to subsection 4, where the diameter of a tunnel when completed will exceed 1.5 metres, a standpipe, a fire line, an adequate length of hose, and a supply of water at a steady pressure suitable for effective operation of the nozzle shall be provided as the means for extinguishing a fire.

(4) Subsection 3 does not apply where the constructor gives written notice to a Director stating that a fire hazard does not exist in the tunnel and the Director agrees in writing that such is the case.

181.—(1) A standpipe shall,

- (a) be installed progressively in the shaft;
- (b) be of metal pipe at least 50.8 millimetres inside diameter; and
- (c) have a connection for the use of the local fire department outside the shaft or tunnel to which there is clear and ready access at all times.

(2) A fire line shall,

- (a) be installed progressively in the tunnel;
- (b) be of metal pipe at least 50.8 millimetres inside diameter; and
- (c) have an outlet with a valve at intervals of not more than 45 metres.

(3) A hose shall,

- (a) be at least 38.1 millimetres inside diameter;
- (b) have a combination straight stream and fog nozzle;
- (c) be at least 23 metres in length;
- (d) be provided at 135 metre intervals; and
- (e) when not in use be stored on a rack so as to be readily available.

182.—(1) Subject to subsections 2 and 3, flammable liquids or gases shall not be underground.

(2) Subsection 1 does not apply to fuel,

- (a) in a tank that is supplied with and is part of an engine or heating device; or
- (b) stored in a safe container for transfer into a tank that complies with clause *a* provided that the quantity stored does not exceed that required for eight hours use.

(3) Subsection 1 does not apply to a compressed gas storage cylinder to which gas welding or flame-cutting equipment is attached.

183. A flammable liquid or gas shall be stored,

- (a) as remote as practicable from a shaft; and
- (b) in an area so located, or so protected by a dyke or the slope of the ground, that it is not possible for spilled liquid to flow underground.

184. Lubricating oils shall be stored,

- (a) in a suitable building or storage tank; and
- (b) in a place from which spilled liquid will not run toward any shaft or tunnel.

185. Oil for use in hydraulic-powered equipment underground shall be of a type that,

- (a) is not readily flammable; and
- (b) does not readily support combustion.

186.—(1) Combustible equipment, including welding cable and air-hoses shall not be stored underground unless required for immediate use.

(2) Electrical cable or gas hose shall not be taken or used underground unless,

- (a) it has an armoured casing or jacket of a material that is not readily flammable and does not readily support combustion; and
- (b) it is marked to indicate that it has the casing or jacket required under clause a.

187. Used or decayed timber, scrap wood, paper and combustible rubbish of any kind shall not be allowed to accumulate underground, and shall be promptly removed.

FIRST AID

188.—(1) A first-aid kit conforming to the regulations under *The Workmen's Compensation Act* shall be provided and kept in the immediate vicinity of the above-ground entrance to a shaft or tunnel.

(2) When practicable, one or more such kits shall be located underground.

189. At least one stretcher of the wire-basket type shall be provided and kept at each tunnel or shaft for each twenty-five persons or fraction thereof likely to be underground at any one time.

190. One or more competent persons shall be appointed by the supervisor in charge of the project to be available to perform first-aid treatment at a shaft or tunnel.

RESCUE OF WORKERS

191.—(1) Arrangements shall be made by the supervisor in charge of the project for the rescue of workers in the case of an emergency and notices signed by the supervisor containing a summary of the rescue arrangements shall be posted in conspicuous places on the project.

(2) At least four workers trained in rescue work shall be available on short notice, with suitable equipment to perform rescue work.

(3) Where the combined length of tunnel and shaft exceeds 45 metres, the equipment required by subsection 2 shall include masks of the self-contained breathing apparatus type and the masks shall,

- (a) be kept readily available for immediate use and located in close proximity to the service shaft or other means of access to a tunnel;
- (b) be inspected and tested at least once a week to ensure that they are in working order; and
- (c) be sufficient in number for any rescue work that may be required, but in any event, not less than four.

(4) Where subsection 3 applies, training shall be provided, at least once every thirty days, to workers required to be available to perform rescue work, in the proper operation of the masks required under that subsection 2 by a competent person appointed for that purpose.

COMMUNICATIONS

192.—(1) Subject to subsection 2, where the services of a police department, fire department or ambulance are reasonably available to a project, and it is possible to provide prompt and direct communication with such services by the use of a public telephone or a radio telephone, such communication shall be installed on the project, or arranged for nearby, before work on the project is commenced.

(2) Where a project is to be of over fourteen days duration, the project shall,

- (a) have a telephone connected to a public telephone system; or
- (b) where a telephone as prescribed by clause a is not practicable, have a radio telephone permitting communication with an office of the constructor having a telephone connected to a public telephone system.

193. During the construction of a shaft, an effective means of communicating between the lowest point of the shaft and the surface shall be provided.

194. A completed service shaft more than 6 metres in depth shall have a means, other than by telephone, of exchanging distinct and definite signals between the top and bottom of the shaft.

195.—(1) Where the work at the face of a tunnel is to be, or is, 23 metres or more from,

- (a) the top of the service shaft; or
- (b) where the tunnel is not constructed from a service shaft, the opening into the tunnel,

a telephone system shall be provided before work on the tunnel is commenced.

(2) A telephone system shall,

- (a) have telephones located at,

- (i) the office of the supervisor in charge of the project,
 - (ii) the top of the service shaft or, where the tunnel is not constructed from a service shaft, the opening into the tunnel,
 - (iii) the bottom of the service shaft,
 - (iv) any other means of access to the service shaft, and
 - (v) within 30 metres of the working face of the tunnel;
- (b) be so installed that a conversation can be carried on between any two telephones in the system;
- (c) use circuits for voice communication that are independent from the circuits used to signal from one telephone to another; and
- (d) have a notice posted at each telephone,
- (i) indicating clearly how to call any other telephone in the system,
 - (ii) establishing an emergency signal, and
 - (iii) stating that the telephone is to be answered when the emergency signal is heard.

196. Where a person is to be conveyed in a shaft, the hoist operator shall, before the person enters the conveyance, be notified by a signal in accordance with subsection 1 of section 197 that a person will be on the conveyance.

197.—(1) The following code of signals shall be used to give signals between a hoist operator's position, the top and bottom of the shaft and any landings in the shaft:

Code of Signals

Where the conveyance is in motion— 1 signal	Stop
Where the conveyance is stationary— 1 signal	Hoist
2 signals together	Lower
3 signals together (to be given before any person enters the conveyance)	Person will be on conveyance. Operate carefully

- (2) Where it is necessary for the operation of the hoist, signals, in addition to those prescribed by subsection 1, shall be established by the supervisor in charge of the project.
- (3) A legible copy of the signal code in letters at least 13 millimetres in height on a board or metal plate, not less than 45 centimetres by 45 centimetres shall,
- (a) be securely posted at each landing of the hoistway; and
 - (b) be securely posted at a point from which it is readily visible to the hoist operator.
- (4) The signal to move a conveyance shall be given only from the landing from which the conveyance is to move.
- (5) The hoist operator shall acknowledge all signals received by him by returning the signal.

LIGHTING AND ELECTRICITY SUPPLY

198. All electrical circuits of 100 volts or more shall be in an insulated cable consisting of at least two feed wires and a grounding wire.

199. All electrical pumps, electrical tools and similar equipment shall be,

- (a) effectively grounded; or
- (b) double or fully insulated.

200.—(1) An area of a tunnel or shaft that is not adequately lit by natural light shall be electrically illuminated.

(2) Flashlights shall be readily available at all times at the top and bottom of every shaft and near the working face of a tunnel.

(3) Where electrical lighting is provided, an emergency electrical lighting system shall be installed, and shall,

- (a) be connected to the electrical supply so that in the event of the failure of that electrical supply, the emergency lighting system will automatically turn on;
- (b) where battery-powered, be provided with a testing switch; and
- (c) be tested as frequently as necessary to ensure that the system will function in an emergency but not less frequently than recommended by the manufacturer.

SHAFTS

201. A means of access and egress by stairway, ladder or ladderway shall be provided for the full depth of a shaft during its construction and after its completion.

202. A stairway, ladder or ladderway for a shaft over 6 metres in depth shall,

- (a) have landings not more than 4.5 metres apart of sufficient width to permit at least two persons to pass safely;
- (b) be so arranged that the stair or ladder immediately above each landing is off-set from the stair or ladder immediately below; and
- (c) be located in a sheathed compartment so constructed that should a person fall he would fall onto the landing below.

203.—(1) Subject to subsection 2, every conveyance in a service shaft over 6 metres in depth shall be operated in a compartment separated from any stairway, ladder or ladderway in the same shaft by a lining consisting of solid planking at least 51 millimetres thick and spaced not more than 10 millimetres apart.

(2) Subsection 1 does not apply to a service shaft where the hoisting area is so remote from the stairway, ladder or ladderway that there is not any possibility of a load, bucket or other device being hoisted or lowered coming into contact with the stairway, ladder or ladderway.

204.—(1) Subject to subsection 2, a shaft shall be of sufficient size to enable the walls to be adequately shored with sufficient clear space for work to be done.

(2) Where a service shaft is over 6 metres in depth or is serving a tunnel over 15 metres in length, the minimum inside dimension for clear passage, measured between the wales or other wall supports, shall be not less than,

- (a) 2.4 metres in the case of a cylindrical shaft; and
- (b) 1.5 metres in the case of a shaft that is not cylindrical,

and, in the case of a shaft that is not cylindrical, the transverse cross-sectional area for clear passage shall not be less than 5.7 square metres.

205.—(1) An adequate barrier, at least 1.07 metres in height, shall be provided around the top of an uncovered shaft.

(2) The barrier required by subsection 1 shall be,

- (a) free of splinters and protruding nails; and
- (b) where the depth of the shaft exceeds 2.4 metres shall consist of,
 - (i) a top rail;
 - (ii) an intermediate rail; and

(iii) a toe-board,

of 38 millimetre by 140 millimetre lumber securely fastened to vertical supports spaced at intervals of not more than 2.4 metres.

(3) Except when it is required to be open for the purpose of access or egress, where a gate is necessary in a barrier to give access to and egress from a shaft, the gate shall be kept closed and latched.

(4) The ground adjacent to the top of a shaft shall be sloped away from the barrier to prevent the entry of water or other liquids.

(5) A shaft shall be kept clear of ice and loose objects that may endanger a worker.

206.—(1) Where a hoistway is over 6 metres deep and hoisting is carried out by mechanical power, a landing on the hoistway, other than a landing at the bottom of the hoistway, shall have a gate,

- (a) located within 20 centimetres of the hoistway;
- (b) that extends the full width of the hoistway from within 50 millimetres of the floor level to a height of at least 1.8 metres;
- (c) that is solidly constructed without any gaps that would permit the entry of a ball 38 millimetres in diameter; and
- (d) that is equipped with a light that is readily visible to the hoist operator indicating when the gate is closed,

and a landing at the bottom of the hoistway shall have,

- (e) a gate in conformity with clauses *a*, *b*, *c* and *d*; or
- (f) one or more red light bulbs,
 - (i) so located that at least one red light bulb is visible to a person approaching the hoistway from a tunnel or from the lower end of a stair or ladder, and
 - (ii) controlled by a switch readily accessible to a shaft attendant.

(2) Except when a conveyance is stationary at a landing, the gate prescribed in subsection 1 shall be kept closed at all times.

(3) The red light bulbs prescribed in clause *f* of subsection 1 shall,

- (a) be flashed off and on when hoisting is being carried out; and
- (b) at times other than when hoisting is being carried out, be kept on while any person is in a

shaft or tunnel from which he has access to the hoistway.

207.—(1) Except for a shaft that is less than 1.2 metres in depth or is cut in solid rock, the walls of a shaft shall be supported by adequate shoring and bracing in order to prevent their collapse.

(2) The walls of a shaft cut in solid rock shall be supported where necessary by rock bolts, wire mesh or an equally effective method to prevent the spalling of loose rock.

(3) Without limiting the generality of subsection 1, shoring and bracing for a shaft more than 6 metres in depth shall be,

- (a) designed by a professional engineer in accordance with good engineering practice to withstand all loads likely to be applied to the shoring and bracing; and
- (b) constructed in accordance with the design of the professional engineer referred to in clause a.

(4) Drawings of the shoring and bracing,

- (a) bearing the signature and seal of the professional engineer; and
- (b) showing the size and specifications of the shoring and bracing, including the type and grade of all materials to be used in its construction,

shall be submitted to a Director, in duplicate, before construction of the shoring and bracing.

(5) Without limiting the generality of subsection 1, the walls of a square or rectangular shaft of not more than 6 metres in depth and not more than 3 metres in length in any side shall be fully sheathed with Number 1 Grade spruce planks at least 51 millimetres thick by 152 millimetres wide placed side by side and supported by wales and struts of Number 1 structural Grade spruce which are,

- (a) located not more than 1.2 metres apart vertically;
- (b) where the shaft is not more than 2.7 metres in depth, not less than 152 millimetres by 152 millimetres;
- (c) where the shaft is more than 2.7 metres but not more than 4.3 metres in depth, not less than 203 millimetres by 203 millimetres;
- (d) where the shaft is more than 4.3 metres but not more than 6 metres in depth, not less than 254 millimetres by 254 millimetres; and
- (e) adequately supported by vertical posts extending to the bottom of the shaft.

HOISTING

208.—(1) All parts of a hoisting apparatus, including cables, brakes, guides and fastenings shall be,

- (a) adequately designed and constructed; and
- (b) capable of being conveniently inspected.

(2) All safety devices on a hoisting apparatus shall be tested by the hoist operator,

- (a) before a conveyance is initially put into service on a project; and
- (b) at least once every three months after being put into service on a project,

to ensure that they will function.

(3) A record shall be made of the tests required to be performed by subsection 2 and kept available for inspection at the project.

(4) Every hoist drum shall have a flange at each end to retain the hoist rope on the drum.

209.—(1) Subject to subsection 4 of section 213, maximum rates of speed for conveyances transporting persons in a hoistway shall be established by the supervisor in charge of the project and a notice showing the maximum rates shall be posted in a conspicuous place at each hoisting plant.

(2) The maximum number of persons and the maximum weight of material that may be carried safely on a conveyance shall be determined by the supervisor in charge of the project.

(3) A notice bearing the signature of the supervisor in charge of the project stating the maximum limits as prescribed by subsection 2 shall be posted in a conspicuous place near each hoistway entrance.

(4) A conveyance shall not be loaded beyond the maximum limits set out in the notice prescribed by subsection 3.

(5) A hoist shall be operated only in a manner that complies with a notice posted under subsections 1 and 3.

(6) Each shaft attendant shall,

- (a) be appointed by the supervisor in charge of the project; and
- (b) be at least nineteen years of age.

(7) At least one shaft attendant shall be on duty at the top of the shaft where a hoist is being used or where any worker is within the confines of the shaft or a tunnel connected to the shaft.

(8) A communication system of pre-arranged signals or by voice, between the shaft attendant, the hoist operator and any other attendant shall,

- (a) be established by the supervisor in charge of the project before any hoisting is done; and
- (b) be practicable and clearly understood by the hoist operator, the shaft attendants and the workers.

(9) A shaft attendant shall,

- (a) give the hoist operator the signals for starting and stopping the hoist;
- (b) warn workers of any hazards in or near a shaft; and
- (c) as far as is practicable, remove any known hazard.

(10) A worker shall be appointed by the supervisor in charge of the project to be available,

- (a) at the bottom of a shaft; and
- (b) at any other landing in the shaft,

to control the movement of materials to and from the conveyance.

(11) The movement of materials to and from a conveyance shall be under the control and direction of the worker appointed under subsection 10.

210.—(1) A hoist shall be operated only by a competent person appointed by the supervisor in charge of the project.

(2) A machine room of a hoist shall be entered, or attended, only by persons required to be there.

211.—(1) A hoist operator shall operate and watch over a hoist and all machinery associated with the hoist to detect any hazardous conditions.

(2) A hoist operator shall,

- (a) ensure that the signal code established for the hoist is understood by the hoist operator and the shaft attendants;
- (b) not operate the hoist unless it is provided with,
 - (i) indicators indicating the position of the conveyance; and
 - (ii) brakes and distance markers on the hoisting ropes and cables;
- (c) not converse with anyone while the hoist is in motion or while signals are being given;

(d) not operate the hoist at a speed exceeding the maximum rate of speed established for the transportation of materials or persons under subsection 1 of section 209;

(e) inspect the hoisting machinery and safety appliances connected to the hoisting machinery at least once a day and make a record of the inspection in a log book;

(f) not carry any load by a hoist where the hoist has been stopped for repairs unless he has,

- (i) run the empty conveyance up and down the shaft at least once after the repairs have been made, and
- (ii) determined that the hoist and shaft are in proper working order;

(g) not operate the hoist in any compartment of the shaft while work is being done in the compartment, except where it is necessary to operate the hoist for the purpose of work in the compartment;

(h) not turn over the controls of the hoist to another person while a conveyance is in motion; and

(i) report immediately to the supervisor in charge of the project any defects in the hoisting machinery and safety appliances.

212.—(1) A conveyance being used to carry materials or equipment, other than hand tools or similar small objects, shall not be used to transport a worker.

(2) The path of travel of an object being hoisted or lowered from or into a shaft by a crane shall not pass over a manway unless the manway is protected by adequate overhead protection as prescribed in section 15.

(3) A hinged door that opens upward shall be provided for the opening at the top of a shaft and the door shall cover the opening while a worker is entering or leaving a bucket that is over the opening.

213.—(1) Subject to subsection 2, a bucket or similar conveyance shall not be used to transport a worker in a shaft.

(2) Subject to subsections 3, 4 and 5, a bucket or similar conveyance may be used to transport a worker in a shaft for the purpose of inspecting the hoistway where no other method of access to the parts of the hoistway is available.

(3) A bucket used to transport a worker shall,

- (a) be at least 1.2 metres in depth;
- (b) have smoothly contoured outer surfaces to prevent the bucket from tipping or becoming

snagged by any obstacle during hoisting or lowering in the shaft; and

(c) not be self-opening.

(4) A pivoted bucket being used to transport a worker that is manually dumped and is not self-guided shall,

(a) be equipped with a lock to prevent tipping; and

(b) be so pivoted that it will not automatically invert when the lock is released.

(5) A bucket being used to transport a worker that is not controlled by a cross head running in vertical guides, shall not be hoisted and lowered at a rate of speed greater than 0.5 metre per second.

214. A skip shall not be used to transport a worker unless,

(a) the worker is inspecting guiderails or shaft supports; and

(b) the skip is protected by an overwind device to prevent the skip being hoisted to the dumping position.

215.—(1) Where a service shaft will be over 30 metres in depth when completed the shaft shall have a hoist with a conveyance consisting of a cage or car that is suitable for the hoisting and lowering of workers.

(2) Subject to subsection 3, the hoist referred to in subsection 1 shall,

(a) be installed as soon as practicable;

(b) have a headframe that is,

(i) electrically grounded for protection against lightning; and

(ii) designed by a professional engineer;

(c) have guides to control the movement of the conveyance;

(d) have a device that automatically stops the conveyance when it runs beyond the limit of its normal travel; and

(e) have a brake on the hoisting machine that automatically stops and holds the conveyance if the hoisting power fails.

(3) Where a shaft is in solid rock, it may be excavated to a depth of not more than 30 metres before the headframe and guides are installed.

216.—(1) Subject to subsection 2, every conveyance used for conveying workers in a shaft shall be provided with a suitable device that,

(a) automatically operates to prevent the conveyance from falling if the cable breaks or becomes slack; and

(b) is capable of holding the conveyance stationary with the maximum number of persons that may be carried as determined by the supervisor in charge of the project under section 209.

(2) Subsection 1 does not apply,

(a) to the lowest 18 metres of the run of the conveyance during the construction of a shaft in solid rock; or

(b) to a bucket or a skip operated in compliance with section 213 or 214.

(3) A device shall be installed to warn the hoist operator when a conveyance carrying workers in a shaft has reached the normal limit of its travel.

217. A cage or car for conveying workers in a service shaft shall,

(a) be at least 1.8 metres in height;

(b) be solidly enclosed except for the means of access or egress;

(c) not have more than two means of access and egress;

(d) have a gate at an opening providing a means of access or egress that,

(i) does not open outward,

(ii) extends the full width of the opening from within 50 millimetres of the floor level of the conveyance to a height of at least 1.8 metres, and

(iii) is solidly constructed without any gaps that would permit the entry of a ball 38 millimetres in diameter; and

(e) have a protective cover that,

(i) is of sufficient size and strength to protect a worker in the conveyance from the hazard of falling objects, and

(ii) has a trap door for emergency access not less than 60 centimetres by 60 centimetres.

TUNNELS

218.—(1) Clear space shall be provided in tunnels sufficient for,

(a) the passage of vehicles; and

(b) the movement of workers.

(2) Notwithstanding subsection 1,

(a) the diameter of a circular or elliptical tunnel; and

(b) the width and height of a square or rectangular tunnel.

shall be at least 76 centimetres.

(3) The clear space between one side of a tunnel and the nearer side of,

(a) any trackless haulage equipment that is being used; or

(b) any locomotive, haulage car or machine operating on a track,

in a tunnel shall be at least 45 centimetres.

(4) In a circular tunnel a safety platform shall be provided at 60-metre intervals which shall,

(a) be of sufficient length for a crew of workers to stand upon;

(b) be constructed above the tunnel invert; and

(c) be adequately clear of passing equipment.

219.—(1) Except for a tunnel cut in solid rock, the sides and roof of a tunnel shall be adequately supported by,

(a) timbers set on ribs or beams; or

(b) a system of lining as effective as that referred to in clause *a*.

(2) The sides and roof of a tunnel cut in solid rock shall,

(a) be supported, where necessary, by rock bolts or wire mesh to prevent the spalling of loose rock;

(b) be inspected daily by a competent person; and

(c) have all loose pieces of rock removed, so as not to endanger a worker.

(3) Where the permanent lining of a tunnel is to consist of a primary lining and a secondary lining, the primary lining shall have sufficient strength to support the sides and roof of the tunnel until the secondary lining is installed.

(4) Where a tunnel is to be more than 12 metres in length,

(a) the primary supports of the tunnel shall be designed by a professional engineer in accord-

ance with good engineering practice to withstand all loads likely to be applied to such supports;

(b) the primary supports shall be constructed in accordance with the design; and

(c) drawings of the design bearing the signature and seal of the professional engineer shall be available for inspection at the project.

(5) Where the permanent lining of a tunnel consists only of a concrete cast-in-place lining, the tunnel shall not be excavated beyond the leading edge of the permanent lining unless adequate temporary shoring is installed as soon as is practicable.

TUNNEL EQUIPMENT

220. Where a haulage locomotive, trackless haulage equipment or hoist in a shaft or tunnel is left unattended,

(a) the controls shall be placed in the neutral position; and

(b) the brakes shall be set, or other measures, such as blocking, shall be taken to prevent movement.

221.—(1) A haulage locomotive shall,

(a) have suitable brakes;

(b) be equipped with an audible bell; and

(c) be so designed that,

(i) its controls can be operated only by a worker at the driver's station, and

(ii) power will be cut off from the driving mechanism unless the control regulating the power is continuously operated by the worker at the driver's station.

(2) The worker at the driver's station shall sound the bell prescribed by clause *b* of subsection 1 when the locomotive,

(a) is set in motion; or

(b) approaches any person.

(3) Only the driver shall ride on a haulage locomotive.

(4) A worker shall ride on a haulage train only in a car provided for that purpose.

222. A device shall be installed to prevent uncontrolled travel by a haulage car.

223.—(1) Track for haulage equipment shall be securely fastened to the ties on which it is laid.

(2) Where the ties referred to in subsection 1 interfere with the use of the bottom of the tunnel as a walkway, a solid walkway, at least 30 centimetres wide, shall be provided.

224.—(1) The air inlet to an air compressor shall be located in such a position that fumes or noxious contaminants are not drawn in with the air to be compressed.

(2) A valve connected to a vessel used for storing compressed air shall be,

- (a) connected at the lowest point of the vessel to permit the discharge of the compressed air; and
- (b) opened at least once each shift for the purpose of ejecting oil, water and other matter.

225.—(1) Pumping equipment,

- (a) of sufficient capacity to handle the pumping requirements of the project; and
- (b) connected to an adequate source of energy,

shall be provided and maintained in working order.

(2) Sufficient spare pumping equipment and an alternative source of energy shall be provided and readily available in the event of an emergency.

(3) Every tunnel and shaft shall be kept reasonably free of water at all times that a worker is required to be in the tunnel or shaft.

226. An internal combustion engine shall only be used in a tunnel where the Director has given written permission to do so.

EXPLOSIVES

227.—(1) Except for the operator, a vehicle or conveyance being used for transporting explosives or blasting agents shall carry explosives or blasting agents only.

(2) Detonators shall be transported in a conveyance or vehicle other than that used to carry explosives or blasting agents.

(3) Where mechanical track haulage is used in a tunnel, explosives or blasting agents shall not be transported,

- (a) on the locomotive; or
- (b) in the same car as the detonators.

(4) Where explosives or blasting agents are being transported by mechanical haulage, including trackless equipment, in a tunnel,

- (a) uninterrupted and clear passage of travel for the vehicle or conveyance shall be provided;
- (b) the vehicle or conveyance shall be conspicuously marked by suitable signs or red flags easily visible from the front and the rear;
- (c) the explosives or blasting agents shall be in a wood box or be separated by a wood lining from any metal part of the vehicle or conveyance;
- (d) the explosives or blasting agents shall be so arranged, secured or fastened to prevent any part of the explosives or blasting agents from being dislodged;
- (e) the speed of the vehicle or conveyance shall not exceed 6 kilometres per hour; and
- (f) the vehicle or conveyance shall not be left unattended.

(5) Where explosives or blasting agents are to be transported in a shaft, the hoist operator and shaft attendants shall be notified by the worker in charge of blasting operations before the explosives or blasting agents are put in the conveyance.

228. A flashlight shall be provided to a worker who,

- (a) is engaged in a blasting operation; or
- (b) is in an area from which his means of egress passes the place where the blasting is to be done.

229.—(1) Subject to subsection 2, all explosives and blasting agents shall be fired electrically.

(2) Where block holing is to be done tape fuse may be used.

(3) Drilling or charging operations in a shaft or tunnel shall not be carried on simultaneously,

- (a) on the same face above or below each other; or
- (b) within a 7.5 metres horizontal distance from each other.

230.—(1) Where a shot is not heard and a faulty circuit is indicated,

- (a) the blasting circuit shall be locked in the open position;
- (b) the lead wires shall be short-circuited; and
- (c) the circuit shall be repaired after completing the operations prescribed in clauses *a* and *b*.

(2) Where a shot is heard, a worker shall,

- (a) remain in his place of refuge; and

(b) not return to the blast area,

for at least ten minutes thereafter.

(3) Any suspected misfire of explosives or blasting agents shall be reported to the supervisor in charge of the project.

(4) Any charge of explosives or blasting agents that has misfired shall be left in place and blasted as soon as it has been discovered.

231. When a blasting operation is completed,

(a) the switch shall be locked in the open position;

(b) the lead wires shall be short-circuited; and

(c) the blasting box shall be locked.

232.—(1) Where the source of current for blasting is a portable direct current battery or a blasting machine, the firing cables or wires shall,

(a) not be connected to the source of current until immediately before they are required for firing the charges; and

(b) be disconnected immediately after the firing of the charges.

(2) The firing cables or wires leading to a face shall be short-circuited while the leads from the blasting caps are being connected to each other and to the firing cables.

(3) A short-circuit shall be removed only when the worker doing the blasting and all workers have retreated from the face and are so located that, should a premature explosion occur, it will not endanger the worker opening the short-circuit.

(4) A short-circuit shall be replaced immediately after the firing cables or wires have been disconnected from the blasting machine or the blasting switch has been opened.

(5) Separate firing cables or wires for firing charges shall be used for each working location.

(6) Where firing cables or wires are used in the vicinity of power or lighting cables, the firing cables or wires shall be prevented from coming in contact with the power or lighting cables.

233. Except for a portable hand-operated device, a device used for firing charges shall be so arranged that,

(a) the switch mechanism will automatically return by gravity to the open position;

(b) the live side of the device is installed in a fixed locked box which is accessible only to the worker doing the blasting who shall be a competent person;

(c) the leads to the face are short-circuited when the contacts of the electric blasting device are in the open position; and

(d) the box in which the electric blasting device and the short-circuiting device are mounted,

(i) has a lock, and

(ii) can only be closed when the contacts of the electric blasting device are open and the short-circuiting device is in place.

234. Except for a hand-held portable blasting device, a circuit used for blasting shall be from an isolated ungrounded power source and shall be used only for blasting.

VENTILATION

235. An adequate quantity of fresh air shall be circulated throughout working places underground.

236. All areas underground where workers are not protected by adequate,

(a) mechanical ventilation; or

(b) respiratory equipment,

shall be tested at regular intervals to detect the presence of any noxious or toxic gas, fume or dust.

237. Where mechanical ventilation is provided or respiratory equipment is being worn in an underground area, tests shall be made at regular intervals by a competent person to ensure that the mechanical ventilation or the respiratory equipment is adequate.

238. Where an internal combustion engine or other device which emits a noxious gas or fume is in a shaft, adequate mechanical ventilation shall be provided unless the noxious gas or fume is discharged outside the shaft so that its return to the shaft is prevented.

PART V

WORK IN COMPRESSED AIR

APPLICATION

239. Except for divers or persons working in diving bells, this Part applies to work in compressed air.

INTERPRETATION

240. In this Part,

(a) "air lock" means a chamber designed for the passage of persons or material or both persons and material from one place to another place having a different air pressure;

- (b) "compressed air" means air mechanically raised to a pressure higher than atmospheric pressure;
- (c) "decompression sickness" means a condition of bodily malfunction caused by a change from a higher air pressure to a lower air pressure and includes the condition commonly known as the bends;
- (d) "kilopascals" and "kPa" means kilopascals above atmospheric pressure;
- (e) "maximum air pressure" means the greatest air pressure that is applied to a person for more than five minutes;
- (f) "medical lock" means a chamber in which persons may be subjected to changes in air pressure for medical purposes;
- (g) "pounds" and "psig" means pounds per square inch above atmospheric pressure;
- (h) "superintendent" means the person appointed by a constructor to be in charge of work in compressed air;
- (i) "working chamber" means the part of a project that is used for work in compressed air, but does not include an air lock or a medical lock.

GENERAL

241. No constructor shall begin work at a project where,

- (a) he proposes to subject a worker to compressed air; or
- (b) a worker may be subjected to compressed air,

unless the constructor has,

- (c) notified the Director in writing at least fourteen days before beginning the work; and
- (d) received the Director's written permission for the work.

242.—(1) Before any worker is subjected to compressed air, the constructor shall,

- (a) give to the local police department, nearest fire department and the nearest public hospital a written notice setting out,
 - (i) the location of the project,
 - (ii) the hazards peculiar to work in compressed air,
 - (iii) the name, address and telephone number of the project physician and the superintendent, and

- (iv) the location of the medical lock for the project and any other medical lock that is readily available; and

- (b) send forthwith to the Director a copy of the notice required under clause *a* together with the names and addresses of the police department, fire department and hospital to which the notice was given.

(2) Where work in compressed air is completed the constructor shall give notice of the completion of the work to the police department, fire department and hospital to which the notice under subsection 1 was given.

243.—(1) Where work in compressed air is to be carried out on a project, the constructor shall appoint a competent person to be the superintendent.

(2) A superintendent shall,

- (a) before a worker is first subjected to compressed air, ensure that the worker is fully instructed,
 - (i) in the hazards of working in compressed air, and
 - (ii) in the measures to be taken to safeguard the health and safety of the worker and other workers on the project,

and shall obtain from the worker receiving the instruction an acknowledgement signed by the worker that he has received the instruction;

- (b) designate for each work shift at least one worker who is a competent person as a lock tender to attend to the controls of an air lock; and
- (c) ensure that while a worker is in compressed air, a worker who is a competent person, in addition to the lock tender, is available to perform the duties of a lock tender in an emergency.

244.—(1) Every worker shall wear for at least twenty-four hours after working in compressed air a sturdy metal or plastic badge at least 50 millimetres in diameter stating,

- (a) the name of the constructor;
- (b) the name and telephone number of the project physician; and
- (c) the location of the medical lock at the project,

and displaying the words, "COMPRESSED AIR WORKER—IN CASE OF DECOMPRESSION

SICKNESS TAKE IMMEDIATELY TO A MEDICAL LOCK”.

- (2) The badge required under subsection 1 shall,
- (a) be provided by the constructor; and
 - (b) be attached around the worker's wrist or suspended around his neck.

COMMUNICATIONS

245.—(1) A telephone system shall be installed and maintained at all times, consisting of telephones located,

- (a) at a location as close as practicable to the working face;
- (b) in the working chamber near the door leading to the air lock;
- (c) in the air lock;
- (d) near the lock tender's working position;
- (e) adjacent to the compressor plant; and
- (f) in the superintendent's office.

(2) An electric buzzer or bell system shall be installed so that there is a switch and a buzzer or bell located,

- (a) in the working chamber near the door leading to the air lock;
- (b) in the air lock; and
- (c) near the lock tender's working position.

(3) The following code shall be used to give signals between a working chamber, an air lock and the lock tender's working position:

- 1 signal — When persons are not in air lock—
MATERIAL COMING OUT
- 1 signal — When persons are in air lock—STOP
COMPRESSING
- 3 signals — PERSONS COMING OUT OF LOCK,

and a copy of the signal code shall be posted near each of the switches.

(4) A lock tender shall acknowledge all signals received by returning the same signal.

FIRE PREVENTION

246.—(1) No acetylene shall be used for any purpose in compressed air.

(2) No person shall smoke or be permitted to smoke in an air lock or working chamber, other than in an area designated as a smoking area by the superintendent.

(3) Before any flame-cutting or gas-welding, or any similar source of ignition, is introduced into a working chamber in the vicinity of any combustible material,

- (a) a firewatch shall be set up and maintained;
- (b) a fire hose shall be prepared for use; and
- (c) the fire hose shall be tested to ensure there is an adequate supply of water under pressure to extinguish any fire likely to occur.

(4) As far as is practicable, no combustible material shall be installed in or stored in an air lock or working chamber.

(5) A standpipe connected to a source of water or connected to other pipes above ground shall be installed on and shall have,

- (a) valves that will isolate the standpipe from the rest of the system;
- (b) a fitting controlled by a valve installed on the standpipe on the working chamber side of the bulkhead between the working chamber and the air lock to which it is possible to connect a fire hose of the local fire department;
- (c) a similar fitting and valve installed at the end of the standpipe nearest to the working face; and
- (d) the location of the fittings and valves clearly marked.

LIGHTING

247.—(1) Electrical wiring, other than telephone and signal system wiring, passing through an air lock or the bulkheads adjacent to an air lock shall be installed in a rigid metal conduit.

(2) A lighting system shall be installed and maintained and electric light bulbs attached thereto shall be enclosed in a glass and metal protective screen cover.

(3) Flashlights shall be readily available at the entrance to each air lock on the atmospheric side in the air lock and at each telephone required by section 245.

(4) An auxiliary source of supply of electricity that is not a portable emergency source of supply shall be provided for the lighting system.

(5) An emergency electrical lighting system shall be provided and maintained that shall,

- (a) be connected to the electrical supply so that in the event of the failure of that electrical supply

the emergency lighting system will automatically turn on;

- (b) where battery-powered, be provided with a testing switch; and
- (c) be tested as frequently as necessary to ensure that the system will function in an emergency, but not less frequently than recommended by the manufacturer.

SANITATION

248. A working chamber shall be provided with a reasonable supply of potable drinking water and at least one chemical toilet.

MEDICAL REQUIREMENTS

249. The constructor of a tunnel or caisson in which workers work in compressed air shall employ one or more legally qualified medical practitioners as project physicians who shall,

- (a) be reasonably available to render medical services or advice while any worker is working in compressed air; and
- (b) where, under section 279, the pressure in a working chamber may exceed 350 kilopascals (50 pounds) for more than five minutes, establish, in accordance with the medically acceptable procedures for the control of decompression sickness,
 - (i) the maximum hours of the working periods,
 - (ii) the minimum hours of the rest periods, and
 - (iii) the compression and decompression procedures.

250.—(1) Subject to subsection 2, no worker shall work or be permitted to work in compressed air unless,

- (a) he has completed two copies of Form 2 and has given both copies to the project physician; and
- (b) the project physician has,
 - (i) satisfied himself that Form 2 has been accurately completed,
 - (ii) examined the worker within two months previous to the worker commencing work in compressed air and at intervals of not more than two months thereafter for so long as the worker is working in compressed air,

- (iii) indicated on a medical record in Form 1 that the worker is physically fit to work in compressed air, and
- (iv) informed the worker of the precautionary measures that the worker should take in order to safeguard himself from injury when working in compressed air.

(2) Subsection 1 does not apply to an inspector or to a worker accompanying an inspector at the request of the inspector.

(3) The examination required under subclause ii of clause *b* of subsection 1 shall include,

(a) an X-ray examination of,

- (i) the chest,
- (ii) the shoulder joints, and
- (iii) the hip joints,

based on films made within the previous eighteen months; and

(b) where the worker being examined has not previously worked in compressed air, a test under air pressure.

(4) Where the project physician conducts an examination under subclause ii of clause *b* of subsection 1, he shall,

- (a) make a record of the examination in Form 3 indicating the result of the examination;
- (b) complete Form 1 and deliver it to the superintendent;
- (c) retain a copy of Form 2 and Form 3 for inspection; and
- (d) send a completed copy of Form 2 and Form 3 to the Chief, Occupational Health Medical Services, of the Ministry.

251.—(1) The superintendent shall keep available for inspection,

- (a) all completed copies of Form 1 with respect to all workers who have been examined by the project physician for work in compressed air;
- (b) all records of air pressure in the air locks required under section 270; and
- (c) all records required to be kept by the lock tender under clause *m* of subsection 1 of section 286.

(2) Upon completion of work in compressed air the superintendent shall send forthwith to the Director all completed copies of Form 1.

252. Where a worker is working in, or is about to work in, compressed air and does not feel well for any reason, he shall report the fact as soon as is practicable to the superintendent or the project physician.

253. Where a worker is absent from work in compressed air for ten or more successive days because of illness, he shall not resume work in compressed air until the project physician has indicated in Form 1 that the worker is physically fit to resume work in compressed air.

254. A first-aid room shall be provided in close proximity to each medical lock and shall contain all medical and other equipment necessary for first aid and adequate facilities for a medical examination.

255. A constructor shall supply at least one medical lock and maintain it ready for operation at all times during the period of the work in compressed air.

256. A medical lock shall have a subsisting certificate of inspection under *The Boiler and Pressure Vessels Act* for a working pressure of at least 520 kilopascals (75 pounds).

257.—(1) A medical lock shall be divided into two pressure compartments and shall be not less than 1.8 metres in height at its centre line.

(2) Each compartment of a medical lock shall be provided with air valves so arranged that the compartment can be pressurized and depressurized from inside and outside the lock.

258. An observation window shall be installed in each door and in the rear wall of a medical lock.

259. A medical lock shall,
- (a) be adequately lit and ventilated;
 - (b) be kept in a clean and sanitary condition;
 - (c) be maintained for use at a temperature of not less than 18°Celsius (65°F);
 - (d) be provided with a pressure gauge, thermometer, telephone, cot, seating and a radiant heater; and
 - (e) be provided with,
 - (i) a mattress for the cot,
 - (ii) a mattress cover, and
 - (iii) blankets,made of material that is not readily flammable.

260.—(1) The treatment of workers in a medical lock shall be under the control of the project physician.

(2) While any worker is in compressed air and for twenty-four hours thereafter, one or more workers experienced in decompressing workers suffering from decompression sickness shall,

- (a) be on the project, where the pressure exceeds 100 kilopascals (14 pounds); and
- (b) be readily available, where the pressure is 100 kilopascals (14 pounds) or less.

COMPRESSORS FOR AIR SUPPLY

261.—(1) The superintendent shall designate at least one worker who is a competent person to be in charge of and continuously attend to the compressors compressing air for a working chamber and air lock,

- (a) while any person is in compressed air; and
- (b) for twenty-four hours after any person has been in compressed air with a pressure exceeding 100 kilopascals (14 pounds).

(2) A worker designated under subsection 1 shall not perform any function other than that of attending to the compressors.

(3) Subject to subsection 4, a worker designated under subsection 1 shall hold a subsisting certificate of qualification as a compressor operator under *The Operating Engineers Act*.

(4) Subsection 3 does not apply where,

- (a) the compressors compressing air for a working chamber and air lock,
 - (i) are immediately adjacent to a hoist, and
 - (ii) the combined brake power of the prime movers of the compressors is 56 kilowatts (75 horse-power) or less; and
- (b) the operator of the hoist,
 - (i) is on the project, and
 - (ii) holds a subsisting certificate of qualification as a hoisting engineer under *The Operating Engineers Act*.

262. At least two air compressors shall be installed and maintained and shall be of sufficient capacity to ensure that where one unit is not operable the remaining units are capable of supplying the air required for every working chamber and air lock.

263.—(1) The energy required to furnish compressed air to a working chamber or an air lock shall be readily available from at least two independent sources.

(2) The two sources of energy referred to in subsection 1 shall be so arranged that should the principal

source fail an auxiliary source will energize the compressor plant.

(3) The auxiliary source of energy referred to in subsection 2 shall be inspected and tested to ensure that it is in working order by being operated at regular intervals of not more than seven days.

264.—(1) Every compressor for a working chamber or air lock shall be so constructed as to ensure that lubricating oil is not discharged with the air that the compressor supplies.

(2) Air supplied for use in a working chamber or air lock shall,

(a) be clean and free from moisture, oil or other contaminants; and

(b) be kept, as far as practicable, between 10°Celsius (50°F) and 27°Celsius (80°F).

(3) The intake for the air for a compressor plant shall be so located as to prevent the entry of exhaust gases from internal combustion engines or other similar contaminants.

AIR LOCKS AND WORKING CHAMBERS

265. One air lock shall be provided for each working chamber.

266.—(1) An air lock, including the bulkheads and doors, shall be designed by a professional engineer in accordance with good engineering practice to safely withstand the pressures to be used in the working chamber and in the air locks.

(2) Drawings of the air lock, bulkheads and doors shall,

(a) be prepared to show the design prepared by the professional engineer referred to in subsection 1; and

(b) bear the signature and seal of the professional engineer referred to in subsection 1.

(3) One copy of the drawings prescribed by subsection 2 shall be kept on the project and one copy shall be sent to the Director prior to the construction of the air lock.

(4) An air lock, including the bulkheads and doors, shall be constructed in accordance with the drawings prescribed by subsection 2.

(5) An air lock used for persons shall,

(a) be not less than 2.0 metres in the least lateral and vertical dimensions and large enough to accommodate all persons in the working chamber without the persons being in cramped positions;

(b) except for an ancillary air lock provided in compliance with section 273, contain an electric time piece, thermometer and pressure gauge that shall be accurate and in working condition; and

(c) be separate from the air lock used for moving materials in and out of the working chamber,

(i) if used for access to a working chamber that is in a shaft, or

(ii) where practicable if the pressure is to exceed 100 kilopascals (14 pounds) and the air lock is installed in a tunnel.

267.—(1) At least two pipes shall supply air to each working chamber and each air lock.

(2) A means of controlling and automatically limiting the maximum air pressure shall be provided for every working chamber and every air lock, including every ancillary air lock, and such means of control shall be set for not greater than,

(a) the pressure for which the air lock, including its bulkheads and doors, was designed; and

(b) 70 kilopascals (10 pounds) more than the maximum pressure to be used in the working chamber.

(3) A separate valve shall be installed on each pipe in the vicinity of the compressors to enable one pipe to be disconnected and repaired or altered while the other pipe remains in service.

(4) The outlet end of a pipe supplying air to a working chamber or an air lock shall be equipped with a hinged flap valve.

268.—(1) At every set of valves controlling the air supply to and the discharge from an air lock there shall be,

(a) a pressure gauge showing the air pressure in the air lock;

(b) a pressure gauge showing the air pressure in the working chamber;

(c) an electric time piece;

(d) a thermometer showing the temperature in the air lock; and

(e) a legible copy of the procedures controlling the maximum working periods and minimum decompression times for the air lock.

(2) Separate valves controlling the air supply and discharge shall be provided inside and outside an air lock and the valves shall be so arranged that it is possible for a person to enter or leave a working chamber or air lock if the air lock is not attended by a lock tender.

269. Where a device is installed for the purpose of effecting automatic compression and decompression in an air lock used for persons, a manual means of controlling the air pressure in the air lock shall be provided in case of emergency or failure of the automatic device.

270.—(1) Every air lock used for persons, other than an ancillary air lock, shall have an automatic recording gauge of the rotating dial or strip-chart rectilinear type, which shall,

- (a) permanently record the air pressure in the lock;
- (b) be kept locked except when the recording paper is being changed;
- (c) be installed so that it is not visible to the lock tender when he is at the controls of his air lock; and
- (d) readily show the amount of change of air pressure at intervals of not more than five minutes.

(2) Where the pressure in the working chamber is more than 100 kilopascals (14 pounds), the automatic recording gauge prescribed by subsection 1 shall be of the strip-chart rectilinear type that shall show the change of air pressure at intervals of not more than one minute.

(3) The recording paper of the automatic recording gauge referred to in subsection 1 shall be changed every seven days and clearly marked to identify the period of time to which it relates.

271.—(1) A pressure gauge that is readable from the working chamber side of an air lock and shows the pressure in the air lock shall be provided.

(2) A working chamber shall contain,

- (a) a portable pressure gauge; and
- (b) a thermometer,

in a protective container and in a suitable location within 15 metres of the working face.

(3) Except for a portable pressure gauge, a pressure gauge shall have fittings to provide for the attachment of test gauges and be tested daily for accuracy.

272. The unit of pressure used in pressure gauges for decompression equipment and in decompression procedures on a project shall be either,

- (a) kilopascals; or
- (b) pounds per square inch,

and in no case shall the two units be mixed in use.

273.—(1) Subject to subsection 3, an air lock shall be provided with an ancillary air lock that,

- (a) can be pressurized independently of the primary air lock;
- (b) has a door into the primary air lock or into the working chamber; and
- (c) has a door to air at atmospheric pressure.

(2) Except in an emergency, a door in an ancillary air lock to air at atmospheric pressure shall be kept open at all times.

(3) A vertical air lock in a shaft or pneumatic caisson may be provided with a positive means for closing the door to the working chamber from the atmospheric side of the air lock in lieu of the ancillary air lock required by subsection 1, but if a hydraulic means is used, a secondary mechanical or physical means shall be provided so that not more than two persons are required to close the door manually.

(4) An ancillary air lock shall be used only to enter the working chamber when the door between the working chamber and the normal air lock is open and it is not possible or practicable for the door to be closed.

(5) Except in an emergency, an ancillary air lock shall not be used to decompress persons.

274.—(1) The door between an air lock and a working chamber shall be kept open,

- (a) when the air lock, other than an ancillary air lock, is not being used to compress or decompress persons or move materials; and
- (b) when persons are in the working chamber.

(2) Every air lock door shall be fitted with a transparent observation window.

275. Where practicable, an air lock used for persons, other than an ancillary air lock, shall be provided with one seat for each person being decompressed at any one time.

276.—(1) A means of radiant heating for persons in an air lock while they are being decompressed shall be provided if the pressure exceeds 100 kilopascals (14 pounds).

(2) The temperature in an air lock used for persons shall not exceed 27°Celsius (80°F).

277. Where any part of the working chamber is located vertically below the door or bulkhead leading to a vertical air lock in a shaft or caisson, a blow stack shall be provided and the blow stack shall,

- (a) be at least 100 millimetres in diameter;

- (b) extend from inside the working chamber to above ground;
- (c) pass vertically through,
 - (i) the air lock, or
 - (ii) the bulkhead between the working chamber and air at atmospheric pressure; and
- (d) have an outlet above ground that,
 - (i) has a valve at least 100 millimetres in diameter,
 - (ii) is readily accessible,
 - (iii) is clearly marked with a sign reading, BLOW STACK—TO BE USED ONLY IN CASE OF EMERGENCY, and
 - (iv) is sealed to prevent the inadvertent opening of the valve.

278.—(1) Subject to subsection 2, no person shall construct a bulkhead that interferes with the free passage of persons in a tunnel or shaft from the working face to the air lock.

(2) Subsection 1 does not apply to a partial bulkhead in a sub-aqueous tunnel so designed and placed as to trap a quantity of air to enable the escape of workers in the event the tunnel is flooded.

279.—(1) Except where it is necessary for the protection of persons during an emergency, the pressure in a working chamber shall not exceed 350 kilopascals (50 pounds) for more than five minutes.

(2) Where it is necessary during an emergency for the pressure in a working chamber to exceed 350 kilopascals (50 pounds) for more than five minutes,

- (a) the superintendent shall notify an inspector forthwith by telephone, telegraph or in person; and
- (b) the pressure in the working chamber shall be the least possible pressure to meet the emergency.

280.—(1) Subject to subsection 2, no worker shall work or be permitted to work in a working chamber in which the temperature at the working face exceeds,

- (a) 27°Celsius (80°F); or
- (b) the temperature at the entrance to the service shaft above ground,

whichever temperature is the greater.

(2) No worker shall work or be permitted to work in a working chamber in which the temperature at the working face exceeds 38°Celsius (100°F).

281.—(1) Water from the floor of a working chamber or an air lock shall be drained by,

- (a) a pipe; or
- (b) a mop line,

that has an inside diameter of not less than 50.8 millimetres and, where necessary, a pump shall be provided.

(2) At least one inlet with a valve to a pipe or a mop line shall be located,

- (a) in the air lock;
- (b) within 15 metres of the working face; and
- (c) at intervals of not more than 30 metres for the entire length of the working chamber.

(3) An inlet required by subsection 2 shall be diverted downwards.

(4) An outlet from an air lock shall discharge downwards under atmospheric pressure.

WORKING PERIODS AND REST PERIODS

282.—(1) Subject to subsection 2, no worker shall,

- (a) work for more than two working periods in any consecutive twenty-four hour period where the maximum air pressure is not greater than 100 kilopascals (14 pounds); or
- (b) work for more than one working period in any consecutive twenty-four hour period where the maximum air pressure is more than 100 kilopascals (14 pounds).

(2) The total hours worked by a worker shall not in any case exceed eight hours in any consecutive twenty-four hour period.

283.—(1) A worker, following his decompression, shall have a rest period of at least,

- (a) ¼ hour for pressures up to 100 kilopascals (14 pounds);
- (b) ¾ hour for pressures over 100 kilopascals (14 pounds) up to 140 kilopascals (20 pounds);
- (c) 1½ hours for pressures over 140 kilopascals (20 pounds) up to 220 kilopascals (32 pounds); and
- (d) two hours for pressures over 220 kilopascals (32 pounds).

(2) The minimum rest periods referred to in subsection 1 may include the time that a person spends in an air lock while being decompressed.

(3) No manual work or physical exertion shall be permitted during the rest periods prescribed in subsection 1.

(4) No worker shall be permitted to leave the project during the rest periods prescribed in subsection 1.

284.—(1) A constructor shall, at his own expense, supply sugar and hot beverages for workers working in compressed air for their use during rest periods.

(2) Containers and cups for the beverages required under subsection 1 shall be maintained in a clean and sanitary condition and kept stored in a closed container.

285. Where the maximum air pressure exceeds 100 kilopascals (14 pounds), the period between the end of one working period and the beginning of the next working period for any worker doing manual work under compressed air shall be not less than twelve hours.

DUTIES OF LOCK TENDERS

286.—(1) A lock tender shall,

- (a) supervise the controls of an air lock at all times when a worker is about to be, or is being, subjected to compressed air in the air lock or related working chamber;
- (b) satisfy himself that any worker who enters the air lock in preparation for working in compressed air has been examined in accordance with section 250;
- (c) satisfy himself that the means of air supply, air pressure gauges and controls, lock equipment and other devices necessary for the safe operation of the air lock and protection of workers using the air lock are in adequate working condition before he permits any worker to enter the air lock;
- (d) while increasing the air pressure upon a worker, increase it uniformly and to no more than 35 kilopascals (5 pounds) in the first two minutes of application;
- (e) not increase the air pressure upon a worker to more than 35 kilopascals (5 pounds) until he has ascertained that every worker in the air lock is free from discomfort due to air pressure;
- (f) increase the air pressure above 35 kilopascals (5 pounds) upon a worker in an air lock at a uniform rate not exceeding 35 kilopascals (5 pounds) per minute;

(g) while applying air pressure to a worker, observe that worker and, if the worker shows signs of discomfort and the discomfort does not quickly disappear, thereupon gradually reduce the air pressure until the worker reports that the discomfort has ceased or gradually reduce the air pressure to atmospheric pressure so that the worker can be forthwith released from the air lock;

(h) while decreasing the air pressure upon a worker,

(i) comply with the requirements of section 288,

(ii) decrease the pressure uniformly in each stage, and

(iii) constantly observe the worker and, if the worker shows signs of discomfort and the discomfort does not quickly disappear, thereupon increase the air pressure until the worker reports that the discomfort has ceased or the air pressure in the lock equals the pressure in the working chamber;

(i) where any worker in the lock appears to be suffering from decompression sickness notify, and follow the instructions of, the project physician, the superintendent or the superintendent's assistant;

(j) where any worker in the lock appears to be injured or to be unwell from a cause unrelated to air pressure, notify and follow the instructions of the project physician and, except where otherwise instructed by the project physician, decompress in accordance with section 288;

(k) not work, or be permitted to work, more than nine hours in twenty-four consecutive hours;

(l) be able to speak, read and write English competently; and

(m) while a worker is being compressed or decompressed, record separately for each air lock,

(i) the identity of the air lock,

(ii) the identity of the worker,

(iii) the time of the beginning and end of each compression or decompression to which the worker is subjected,

(iv) the pressure and temperature in the air lock before and after each compression or decompression to which the worker is subjected, and

- (v) any unusual occurrence respecting the worker, the air lock or any related matter,
- and give the record to the superintendent.
- (2) Subject to subsection 3, a lock tender shall tend only one lock at a time.
- (3) A lock tender may tend two locks at a time, where,
- (a) the locks are in close proximity;
 - (b) the pressure in each working chamber does not exceed 100 kilopascals (14 pounds); and
 - (c) only one of the two locks is being used to compress or decompress a worker.

DECOMPRESSION PROCEDURES

287. A legible copy of the Table in section 288 in the units applicable to the project shall be kept posted,

- (a) in the air lock;
- (b) at the controls outside the air lock; and
- (c) in the change room.

288. Subject to section 289, no worker who has been in air pressure greater than atmospheric air pressure for more than five minutes shall subject himself or be subjected to a lower air pressure unless he is decompressed down to atmospheric pressure in three stages as set out in the following Tables in the units applicable to the project:

Decompression Table

(English psig units)

289. The rates of decompression prescribed in section 288 may be doubled if,

 - (a) the worker being decompressed,
 - (i) has not been exposed to a pressure of greater than 220 kilopascals (32 pounds),
 - (ii) has remained under compressed air for not more than thirty minutes, and
 - (iii) has not performed any manual work while under compressed air;
 - (b) the worker has had previous experience with the hazards of compressed air; and
 - (c) only a worker meeting the requirements of clauses *a* and *b* is in the air lock during the decompression.

290. Where a worker believes that he has decompression sickness he shall promptly notify,

 - (a) his superintendent or foreman or the project physician; or
 - (b) if the worker is under air pressure, the lock tender.
291. The superintendent shall report to the Director,

 - (a) at least weekly, every case of decompression sickness; and
 - (b) forthwith by telephone, telegram or other direct means, any case of decompression sickness that does not respond to first-aid treatment,

and in the report he shall indicate,

 - (c) the pressure to which the worker was subjected;
 - (d) the length of time he was subjected to such pressure;
 - (e) the nature of the medical treatment he received; and
 - (f) the degree of his recovery.

292. Ontario Regulations 419/73 and 334/75 are revoked.

293. This Regulation comes into force on the 1st day of October, 1979.

THE OCCUPATIONAL HEALTH AND
SAFETY ACT, 1978

O. Reg. 660/79.

Mines and Mining Plants.

Made—September 11th, 1979.

Filed—September 13th, 1979.

REGULATION MADE UNDER
THE OCCUPATIONAL HEALTH AND SAFETY
ACT, 1978

MINES AND MINING PLANTS

INTERPRETATION

1. In this Regulation,

1. "authorized" means authorized to do a specific task by a supervisor who is in charge of the work place;
2. "automatic hoist" means a mine hoist that can be operated by controls situated at shaft stations or on the shaft conveyance;
3. "breaking strength" means the breaking strength of a shaft rope as determined by a cable testing laboratory approved by the Minister;
4. "bulkhead" means a structure for the impoundment of water or compressed air in an underground opening and constructed so as to completely close off the opening;
5. "charge" means,
 - i. an explosive and a detonator, or
 - ii. an explosive, a detonator and primer that is exploded as a single unit;
6. "CSA Standard" means a standard published by the Canadian Standards Association;
7. "dam" means a structure for the impoundment of more than 25 tonnes of water in an underground opening and constructed so as to permit an unobstructed overflow of the water;
8. "destructive test" means a test on a sample of shaft rope wherein the shaft rope is broken during the test by a tensile testing machine;
9. "detonator" means a device used in firing a charge of explosive and includes blasting cap and electric blasting cap;
10. "Director" means the Director of the Mining Health and Safety Branch of the Ministry of Labour;
11. "drum hoist" means a hoist where the rope is wound on a drum or drums;
12. "electrical mobile equipment" means equipment which during its operating cycle is required to move along the ground while energized and which receives its current through a trailing cable;
13. "electromagnetic device" means a device using an electromagnetic system for examining a shaft rope;
14. "explosive" means a substance that is made, manufactured or used to produce an explosion or detonation and includes gunpowder, propellant powder, dynamite, detonating cord, blasting agent, slurry, water gel and detonator;
15. "factor of safety" means the number of times the breaking strength of a shaft rope exceeds the weight it supports at a specified location on the rope;
16. "fire-extinguishing equipment" means a fire hose, an extinguisher or other similar equipment used to fight a fire;
17. "fire hazard area" means,
 - i. an area where a fire hazard may be created by smoking, matches or other means of producing heat or fire and which has been designated as such by the supervisor in charge of the mine, or
 - ii. a storage area where oil, grease or flammable liquids are stored in excess of 500 litres;
18. "fire-resistance rating" means the rating in hours or fraction thereof that a material or assembly of materials will withstand the passage of flame and the transmission of heat when exposed to fire, as established for the material or assembly of materials under *The Building Code Act, 1974*;
19. "fire suppression system" means an installation for the specific purpose of controlling a fire in a particular place;
20. "friction hoist" means a hoist where the driving force between the drum and rope or ropes supporting the shaft conveyance is obtained through friction;
21. "hoist" means a drum or friction hoist used for transporting persons or materials in an underground mine;
22. "licensed magazine" means a magazine for which a licence issued under section 118 or 119 is subsisting;

23. "lifting device" means a permanently installed system for the purpose of raising, lowering or swinging materials, which includes its rails and supports but does not include a crane, elevator, mine hoist, utility hoist or tugger hoist;
24. "locomotive" means a unit propelled by any form of energy or a combination of such units operated from a single control running only on rails of a standard gauge railroad and used for moving standard gauge railroad cars but does not include a self-propelled track crane, motorized equipment used for the maintenance of a standard gauge railroad, a motor vehicle equipped with rail wheels in addition to rubber-tired wheels or other similar equipment;
25. "magazine" means a building, place or structure in which an explosive is kept or stored and includes a detonator storage building, or place, but does not include a storage container being used in an underground mine containing less than 160 kilograms of explosive;
26. "mine hoisting plant" means a hoist for an underground mine and includes the prime mover, transmission equipment, head-frame, sheaves, ropes, shaft, shaft conveyances, shaft sinking equipment, shaft furnishings, hoist controls, counterweight, signalling and communications equipment and any other equipment used in connection with a hoist;
27. "motor vehicle" means a vehicle propelled by other than muscular power, including an automobile, a caterpillar-tracked vehicle, a truck, a tractor and a motor vehicle running on rails but does not include a locomotive;
28. "non-combustible" means material or an assembly of materials that conforms to CSA Standard B54.1-1972, "Determination of Noncombustibility in Building Materials", as revised to May 1, 1975;
29. "nondestructive test" means the examination of a part without subjecting it to physical distortion, damage or destruction;
30. "prime mover" means an engine or other device that provides an initial source of motive power;
31. "primer" means a small charge placed within the main charge to initiate an explosion;
32. "production crane" means an electrically operated device that travels on fixed overhead track or tracks, and
 - i. is used to handle hot or molten materials, or
 - ii. has a duty rating equal to or greater than Class C or D as determined under Part 3.4 of CSA Standard B167-1964, "General Purpose Electric Overhead Travelling Cranes";
33. "professional engineer" means a person who is registered as a professional engineer or licensed as a professional engineer under *The Professional Engineers Act*;
34. "railroad" means a standard gauge railroad at a mine or mining plant;
35. "service crane" means an electrically operated device that travels on fixed overhead track or tracks and has a duty rating equal to or less than Class A or B as determined under Part 3.4 of CSA Standard B167-1964, "General Purpose Electric Overhead Travelling Cranes";
36. "shaft conveyance" means a conveyance raised or lowered by a mine hoist in a shaft and includes a bucket, a single or multi-deck cage, a skip or a combination of skip and cage;
37. "shaft rope" means a hoisting, tail, balance, guide or rubbing rope;
38. "shot" means the sound of a charge or charges being exploded;
39. "standard gauge" means that the space between the rails of a railroad is approximately 1,435 millimetres;
40. "surface mine" means a pit or quarry where metallic or non-metallic rock, mineral bearing substance, earth, clay, sand or gravel is being or has been removed by means of an excavation open to the surface to supply material for construction, industrial or manufacturing purposes but does not include a cutting for a right of way for a highway or a railroad;
41. "train",
 - i. except in Parts V and VI, means one or more locomotives without railroad cars or coupled with railroad cars, and
 - ii. in Parts V and VI, means one or more motor vehicles running on rails without cars or coupled with cars;
42. "transmission equipment" means any object or objects by which the motion of a prime mover is transmitted to a machine that is capable of utilizing such motion and includes a shaft, pulley, belt, chain, gear, clutch or other device;
43. "underground mine" means a mine that is not a surface mine;

44. "vehicle" includes a locomotive, railroad cars, motor vehicle, trailer or any vehicle propelled, drawn or driven by any kind of power.

PART I

GENERAL

2.—(1) Subject to subsection 2, this Regulation applies to all mines and mining plants and to mining development.

(2) Ontario Regulation 659/79 applies,

- (a) during the construction of a mining plant on the surface; and
- (b) to construction at the surface of a mine for the purpose of developing the mine.

3. In applying this Regulation the composition, design, size or arrangement of any material, object, device or thing may vary from the composition, design, size or arrangement prescribed if the variation affords protection for the health or safety of workers equal to or greater than that prescribed by this Regulation and written notice of the variation is given to the joint health and safety committee and trade union, if any.

4. Notices shall be posted in conspicuous places at each mine or mining plant, setting out the name, business address and business telephone number of,

- (a) the inspector for the district in which the mine or mining plant is located;
- (b) the person in charge of the mine or mining plant;
- (c) the employer of workers at the mine or mining plant; and
- (d) the owner of the mine or mining plant.

5.—(1) Before proceeding with,

- (a) the development or construction of a mine or a mining plant;
- (b) the introduction of new process technology;
- (c) the major alteration of mining technique or mining technology;
- (d) the use of new methods of construction or of equipment installation;
- (e) the making of a major addition or alteration;
- (f) the design of a system and procedure for the transfer of fuel by gravity from the surface to an underground fuelling station;
- (g) the construction of a bulkhead or dam; or

- (h) the construction of a tailings dam or any surface structure for the impoundment of tailings,

the owner of a mine or mining plant shall give to the Director notice thereof and furnish the Director with those drawings, plans and specifications required for review by an engineer of the Ministry.

(2) A copy of the notice and a statement in writing of the proposed development, construction, introduction, alteration or use shall be given to the joint health and safety committee or health and safety representative, if any, at the time that notice is given to the Director.

(3) The Director shall be notified by the owner of the mine,

- (a) on completion of the installation of a bulkhead; and
- (b) on the breaking or removal of a bulkhead.

6. A tailings dam or any other surface structure for the impoundment of tailings shall be,

- (a) designed in accordance with good engineering practice by a professional engineer;
- (b) constructed in accordance with the design; and
- (c) maintained so that the structure provides stability against any static and dynamic loading to which it may be subjected.

7.—(1) Subject to subsection 2, the minimum age of,

- (a) a worker; or
- (b) a person who is permitted to be in or about a mine or mining plant,

shall be,

- (c) sixteen years of age at a mining plant or a surface mine, excluding the working face; and
- (d) eighteen years of age at an underground mine or at the working face of a surface mine.

(2) Subsection 1 does not apply to prohibit tours of, or visits to, a mine or mining plant by persons under the prescribed ages who are accompanied by and under the direction of a guide.

8.—(1) A worker shall not be scheduled to remain in an underground mine for more than eight hours in any consecutive twenty-four hours, measured from the time he enters an underground mine until the time he leaves the underground mine.

(2) Notwithstanding subsection 1, a worker may remain underground in a mine,

- (a) when an emergency causes an extension of the time;
- (b) for more than eight hours in any consecutive twenty-four hours on one day of a week but only for the purpose of changing shift or for the purpose of avoiding work on Sunday or on a holiday; or
- (c) if the worker is a supervisor, pumpman, cagetender, or is a person engaged solely in surveying or measuring or in emergency repair work necessary to permit production.

(3) A worker shall not be permitted to operate a mine hoist for more than eight hours in any consecutive twenty-four hours, except in a case provided for in clause *a* or *b* of subsection 2 or in subsection 4, but,

- (a) where no competent substitute is available, the worker may work extra time not exceeding four hours in any consecutive twenty-four hours for a period not exceeding fourteen calendar days in any four week period; or
- (b) where the work is not carried out continuously on three shifts per day, the worker may work such extra time as is necessary for lowering or hoisting the workers employed on the shift, at the beginning and end of their shift.

(4) An employer at an underground mine may, with the approval of the Director and the consent of the trade union or trade unions representing the workers or the workers if there is no trade union, schedule hours of work in excess of eight hours in any twenty-four hours because of the remoteness of or the difficulty of access to the mine.

9. A supervisor, deckman, shaft conveyance attendant or mine hoist operator shall be capable of communicating effectively in the English language.

10.—(1) Training programs shall be established and maintained by every owner operating an underground hard rock mine or mines in,

- (a) The Common Core Basic Underground Hard Rock Mining Skills; and
- (b) Specialized Underground Hard Rock Mining Skills,

as developed by the Ministry of Colleges and Universities and endorsed by the Ministry of Labour

(2) Each new regular underground hard rock worker in Ontario on or after the coming into force of this Regulation and not previously so employed in Ontario, shall be trained during his employment at an underground hard rock mine in accordance with the "Common Core Basic Underground Hard Rock Mining Skills" for accreditation therein.

(3) In order to receive accreditation, a worker mentioned in subsection 2 shall demonstrate skill levels in,

- (a) general inspection;
- (b) scaling;
- (c) staging;
- (d) drilling;
- (e) rockbolting;
- (f) blasting; and
- (g) mucking, any one of,
 - (i) slusher operation,
 - (ii) mucking machine operation, or
 - (iii) load-haul—dump equipment operation.

(4) A worker's accreditation shall be recorded in the worker's qualification book and such record book shall be the property of the worker and shall be conclusive evidence of his accreditation.

(5) A worker who has demonstrated his proficiency in prescribed specialized underground hard rock mining skills by a performance demonstration as developed by the Ministry of Colleges and Universities and endorsed by the Ministry of Labour, shall receive a certificate of qualification therefor from the Ministry of Colleges and Universities.

11.—(1) Every worker who is exposed to the hazard of head injury or foot injury in an underground mine shall wear a protective hat and protective footwear approved by the Ministry.

(2) An employer shall require a worker to wear or use such personal protective equipment, clothing and devices as are necessary to protect the worker from the particular hazard to which the worker may be exposed.

(3) Every worker shall be properly fitted with personal protective clothing or equipment by a competent person or persons.

(4) Loose clothing, adornments and hair shall be suitably confined to prevent entanglement with any machinery, device or thing in a work place.

12.—(1) Where, in an emergency, the health or safety of a worker is likely to be endangered by lack of oxygen or the presence of a noxious gas, fume or dust,

- (a) emergency breathing equipment and resuscitating equipment shall be provided for use in such emergency; and
- (b) a worker trained in the use of the breathing equipment and the resuscitating equipment required by clause *a* shall be conveniently available on each shift.

(2) The emergency breathing equipment and the resuscitating equipment required by clause *a* of subsection 1 shall each be stored in a dust-proof container.

13.—(1) Where a worker is exposed to the hazard of falling more than 3 metres, a fall arrest system shall be used to protect the worker.

(2) The fall arrest system required by subsection 1 shall consist of a suitable combination of a belt, a full body harness, a lanyard, an anchor and a rope-grabbing device or lifeline.

(3) The belt, full body harness, lanyard and lifeline shall,

(a) be made of material with elastic properties capable of absorbing and minimizing the arrest force in case of a fall;

(b) be designed to distribute a fall arrest force in such a manner that the possibility of injury to the worker is minimized;

(c) be of sufficient strength to absorb twice the energy that may be transmitted to the fall arrest system; and

(d) not be knotted or allowed to become knotted, when used or worn.

(4) When being used and worn against the hazard of falling, the lifeline of the fall arrest system shall be,

(a) anchored so that a worker will fall free of arrest not more than 1 metre; and

(b) connected to an object that is,

(i) capable of resisting the arrest force in case of a fall, and

(ii) free of sharp edges.

14.—(1) No person under the influence of, or carrying, intoxicating liquor, shall enter or knowingly be permitted to enter a mine or mining plant.

(2) Subject to subsection 3, no person under the influence of, or carrying, a drug or narcotic substance shall enter or knowingly be permitted to enter a mine or mining plant.

(3) A person required to use a prescription drug and able to perform his work may enter a mine or mining plant upon establishing medical proof thereof.

15.—(1) A worker assigned by a supervisor to work alone in an underground mine shall,

(a) be a competent person; and

(b) subject to subsection 2, be visited at his particular work place by a supervisor or competent person at least three times during the worker's shift.

(2) Clause *b* of subsection 1 does not apply where,

(a) the work conditions are standard;

(b) a means of communications with the worker is provided and the worker reports to a supervisor or a worker designated by a supervisor not less often than once every two hours;

(c) a record of the reports of the worker is kept; and

(d) the worker assigned by a supervisor to work alone in the underground mine is visited at his particular work place by a supervisor at least once during the worker's shift.

16.—(1) Mine rescue stations may be established, equipped, operated and maintained in such locations as the Minister considers advisable.

(2) The cost of establishing, equipping, operating and maintaining the mine rescue stations shall be paid out of the Consolidated Revenue Fund in the first instance and shall be reimbursed quarterly by the Workmen's Compensation Board from moneys assessed and levied by the Board upon employers in the mining industry to defray the cost certified by the Deputy Minister.

(3) Moneys received from the sale or disposal of any equipment, buildings or machinery used in mine rescue or any handbooks or publications on mine rescue shall be credited against the cost of mine rescue stations.

(4) A mine rescue station and the training of members of a mine rescue crew shall be under the direction of a mine rescue officer appointed by the Ministry.

(5) A mine rescue crew member shall possess such physical qualifications, and establish competency in mine rescue skills as described in the Handbook of Training in Mine Rescue and Recovery Operations, current edition, issued by the Ministry.

(6) The owner of a mine shall make available training facilities and workers to be taught and trained in mine rescue work at the expense of the owner.

(7) A mine rescue operation at a mine shall be under the direction of the supervisor in charge of the mine and the costs of the rescue operation shall be at the expense of the owner of the mine.

(8) Notice shall be given immediately to a mine rescue officer and to an engineer of the Ministry when the services of a mine rescue crew are required.

17.—(1) Surface mines and openings on the surface to underground mines shall be protected to prevent inadvertent access where,

- (a) the surface mine or opening is a hazard by reason of its depth;
 - (b) approaches and openings are not readily visible; or
 - (c) the hazard caused by the surface mine or opening is greater than the hazard caused by the natural topographical features of the area.
- (2) Prior to operations at a mine being terminated, a shaft or raise opening shall be,
- (a) capped with a stopping of reinforced concrete; or
 - (b) filled and kept filled with material so that any subsidence of the material will not endanger any person.
- (3) The stopping prescribed in clause *a* of subsection 2 shall be,
- (a) secured to solid rock or to a concrete collar secured to solid rock; and
 - (b) capable of supporting a uniformly distributed load of 12 kilonewtons per square metre or a concentrated load of 54 kilonewtons, whichever is greater.
- (4) Where an underground mine is being developed after the coming into force of this Regulation, shafts or raise openings shall be provided with a collar of concrete secured to bedrock.

18.—(1) Subject to subsection 2, a pillar 60 metres thick shall be established on either side of a party boundary between adjoining mining properties.

(2) Except for exploration headings and diamond drilling, before the pillar is mined, drawings, plans,

specifications, mining methods and procedures for the mining of the pillar shall be prepared by a professional engineer in accordance with good engineering practice and filed with the Director and the owner or owners of adjoining mining properties.

(3) The drawings, plans, specifications, mining methods and procedures to be filed shall be maintained and kept up to date in accordance with subsection 2 of section 18 of the Act.

(4) The pillar dimensions and mining methods and procedures shall,

- (a) provide ground support to control rockbursting, ground falls or pillar failures; and
- (b) withstand inrush of water or waterbearing materials across the party boundary.

(5) In the absence of agreement by the owners of adjoining mining properties to the mining of a pillar, the Director may upon the application of an owner and subject to the provisions of subsections 2, 3 and 4 permit the mining of a pillar.

19.—(1) A cable testing laboratory or laboratories may be approved by the Minister for the purpose of testing or examining shaft ropes or other hoisting appliances.

(2) The fee for testing at a laboratory a rope of the type set out in Column 1 of the Table and the size set out in Column 2 of the Table is the amount set out opposite thereto,

- (a) in Column 3 of the Table for a rope tested for a mine in Ontario; or
- (b) in Column 4 of the Table for a rope tested for a mine outside Ontario or for the manufacturer of the rope.

(3) The fee for testing at a laboratory a rope that is not of a type set out in Column 1 of the Table or a size set out in Column 2 of the Table shall be determined by the Director and shall be in as near a relationship as practicable to the fees set out in the following Table:

TABLE

Column 1	Column 2	Column 3	Column 4
Type	Diameter in Millimetres	Fee	Fee
Round or flattened strand	To and including 22.2	\$ 90.00	\$ 100.00
	Over 22.2 to and including 34.9	140.00	155.00
	Over 34.9 to and including 50.8	230.00	250.00
	Over 50.8 to and including 57.2	275.00	305.00
	Over 57.2 to and including 63.5	530.00	585.00
	Over 63.5 to and including 76.2	990.00	1,065.00
	Over 76.2 to and including 88.9	1,445.00	1,595.00
Lock Coil	To and including 22.2	\$ 110.00	\$ 120.00
	Over 22.2 to and including 34.9	180.00	200.00
	Over 34.9 to and including 44.4	275.00	305.00
	Over 44.4 to and including 63.5	760.00	835.00

(4) For the purposes of the Table in subsection 3, the diameter in millimetres set out in Column 1 of the following Table shall be deemed to be equivalent to the diameter in inches set out opposite thereto in Column 2:

TABLE

Column 1	Column 2
Diameter in Millimetres	Diameter in Inches
22.2	$\frac{7}{8}$
34.9	$1\frac{3}{8}$
44.4	$1\frac{3}{4}$
50.8	2
57.2	$2\frac{1}{4}$
63.5	$2\frac{1}{2}$
76.2	3
88.9	$3\frac{1}{2}$

(5) A cable testing laboratory shall issue a Certificate of Test for each sample of shaft rope submitted to it for testing, setting out the breaking strength of the rope, and the breaking strength, as set out in the Certificate of Test, shall be the breaking strength of the rope from which the sample was taken.

20.—(1) The notice required by section 25 of the Act shall include,

- (a) the name and address of the employer;
- (b) the nature and the circumstances of the occurrence and the bodily injury sustained;
- (c) a description of the machinery or equipment involved;
- (d) the time and place of the occurrence;
- (e) the name and address of the person who was killed or critically injured;
- (f) the names and addresses of all witnesses to the occurrence and of all supervisors and workers who were involved; and
- (g) the name and address of the physician or surgeon, if any, by whom the person was or is being attended for the injury.

(2) For the purposes of section 26 of the Act, notice of,

- (a) an accident, explosion or fire which disables a worker from performing his usual work; or
- (b) an occupational illness,

shall include,

- (c) the name, address and type of business of the employer;

- (d) the nature and the circumstances of the occurrence and the bodily injury or illness sustained;
- (e) a description of the machinery or equipment involved;
- (f) the time and place of the occurrence;
- (g) the name and address of the person suffering the injury or illness;
- (h) the names and addresses of all witnesses to the occurrence;
- (i) the name and address of the physician or surgeon, if any, by whom the person was or is being attended for the injury or illness; and
- (j) the steps taken to prevent a recurrence.

(3) A record of an accident, explosion or fire causing injury requiring medical attention but not disabling a worker from performing his usual work shall be kept in the permanent records of the employer and include particulars of,

- (a) the nature and the circumstances of the occurrence and the injury sustained;
- (b) the time and place of the occurrence; and
- (c) the name and address of the injured person.

(4) A record kept as prescribed by subsection 3 for the inspection of an inspector shall be notice to the Director.

(5) In addition to the occurrences referred to in section 27 of the Act, a notice in writing shall be given where,

- (a) a failure occurs in or to a hoist, sheave, hoisting rope, shaft conveyance, shaft timbering or shaft lining;
- (b) flammable gas is present in a work place in an underground mine;
- (c) spontaneous heating with evolution of gas occurs in a work place;
- (d) a major failure or major damage occurs or is caused to electrical equipment, standard gauge railway equipment, a crane or a motor vehicle underground;
- (e) a rockburst occurs causing damage to equipment or the displacement of more than 4,500 kilograms of material;
- (f) a fuse, a detonator or an explosive is found to be defective; or

- (g) a structural failure occurs in any matter or thing for which a design by a professional engineer is prescribed by this Regulation.

21.—(1) For the purpose of subsection 2 of section 18 of the Act, drawings, plans and specifications to be kept and maintained shall be,

- (a) a surface plan showing,
 - (i) the boundaries of a mining property,
 - (ii) the co-ordinates of the section of a mining property under which mining has been done,
 - (iii) all lakes, streams, roads, railways, electric power transmission lines, main pipe lines, buildings, adits, surface workings, diamond drill holes, outcroppings of rock, dumps, tailing-disposal sites and openings to an underground mine, and
 - (iv) stopping of openings on the surface to an underground mine;
- (b) plans on a horizontal plane with separate drawings for each level showing all underground workings, including shafts, tunnels, diamond drill holes, dams and bulkheads;
- (c) plans on a vertical plane of all mine sections at suitable intervals and azimuths, showing all shafts, tunnels, drifts, stopes and other mine workings in relation to the surface, including the location of the top of the bedrock, the surface of the overburden and the bottom and surface of any known watercourse or body of water; and
- (d) a plan or diagram showing,
 - (i) the position of all fixed electrical apparatus and communication systems in the mine,
 - (ii) the routes of all fixed power feeders and fixed branch feeders properly noted and referenced, and
 - (iii) the rating of all electrical feeder control apparatus and equipment.

(2) The surface plan prescribed in clause *a* of subsection 1 shall be geographically located, with at least third order control accuracy, by connection with the Cadastral Survey, where one exists in the immediate area of the mine and with a legal survey monument tied in to a Coordinate Control Survey and with a permanent bench mark of the North American Elevation Datum if such are available within 10 kilometres.

(3) Where operation at a mine is terminated or suspended, copies of the plans mentioned in subsection 1 shall be filed with the Ministry.

- (4) Copies of all plans shall be on a legible scale and suitable for microfilming.

22.—(1) Where a mine or mining plant has been shut down for more than three months notice shall be given to an inspector prior to resumption of operations.

(2) Subject to subsection 4, where a decision is made to discontinue or suspend operations at a mine or mining plant, notice shall be given forthwith to an inspector.

(3) Where operations at a mine or mining plant are discontinued or suspended, the notice mentioned in subsection 2 shall advise whether,

- (a) stopping and protection has been done as prescribed in section 17;
- (b) explosives have been disposed of as prescribed in subsection 5 of section 117;
- (c) removal and disposition of hoisting ropes has been done as prescribed in subsection 17 of section 220;
- (d) disconnection from the electrical power source has been done; and
- (e) plans required by section 21 have been filed with the Ministry.

(4) Subsections 2 and 3 do not apply to gravel pit operations that are discontinued during the winter months.

PART II

FIRE PROTECTION

23.—(1) Procedures in case of a fire in an underground mine, or in a structure or building on the surface at an underground mine, that may be a hazard to workers in the mine shall be prepared by the supervisor in charge of the mine.

(2) An alarm system, that is effective to warn workers in an underground mine of a fire that is likely to endanger their safety, shall be provided.

(3) The procedures required by subsection 1, or extracts therefrom, and a notice explaining the alarm system shall be set out in writing and shall be posted and kept posted in the shaft house and in a conspicuous place or places where they are most likely to come to the attention of a worker.

(4) Every worker shall be advised by a supervisor of the procedures and the alarm system.

(5) Once in at least every twelve months during each production shift a fire alarm test of the procedures shall be conducted.

(6) The alarm system in an underground mine shall,

(a) consist of the introduction into all work places of sufficient quantities of ethyl mercaptan gas or similar gas to be readily detectable by all workers; and

(b) be kept ready for immediate use.

(7) Where the use of ethyl mercaptan or similar gas is not practical as an alarm system, an alternative means of alarm shall be provided.

(8) A report of each fire alarm test of the procedures mentioned in subsection 5 shall be sent to an engineer of the Ministry.

24. Where the procedure in case of a fire in an underground mine provides for the use of a refuge station for workers, the refuge station shall,

(a) be constructed with materials having at least a one hour fire-resistance rating;

(b) be of sufficient size to accommodate the workers to be assembled therein;

(c) be capable of being sealed to prevent the entry of gases;

(d) have a means of voice communication with the surface; and

(e) be equipped with a means for the supply of,

(i) compressed air, and

(ii) potable water.

25.—(1) A fresh air base shall be provided underground where necessary to serve as a base for rescue and recovery work.

(2) A fresh air base shall be,

(a) at least 30 square metres in area; and

(b) equipped with a means for the supply of potable water and compressed air.

26.—(1) Fire extinguishing equipment of suitable type and size for use on a fire shall be provided,

(a) at a fire hazard area;

(b) where an electrical installation or equipment may be a fire hazard;

(c) in or about a headframe;

(d) in a building or structure on surface where a fire might endanger the mine entrance; and

(e) at a shaft station in an underground mine.

(2) A fire suppression system consisting of sprinklers, foam or other suitable means of suppressing fire shall be provided,

(a) in an underground mine,

(i) on equipment containing more than 100 litres of flammable hydraulic fluids,

(ii) in every storage area where more than 500 litres of oil, grease or flammable liquids are stored, and

(iii) in every service garage; and

(b) on the surface, in a building or structure, except a fan house, located above or adjacent to an opening to an underground mine.

(3) At least once each month in an underground mine,

(a) a fire extinguishing equipment;

(b) fire suppression systems;

(c) fire hydrants; and

(d) fire doors,

shall be inspected by a competent person who shall report in writing thereon to the supervisor in charge of the underground mine.

27.—(1) In an underground mine or in or about a headframe or shaft house, flammable refuse shall be,

(a) deposited in covered, fire-resistive containers; and

(b) removed at least once a week from the mine or headframe or shaft house.

(2) Scrap timber shall safely be disposed of or removed from an underground mine.

(3) A written report certifying that there is no accumulation of flammable refuse in the area under his supervision shall be made weekly by a supervisor to the supervisor in charge of the mine.

28.—(1) Oil, grease and other flammable material shall not be kept or stored in a shafthouse or in a portal house.

(2) Oil, grease and flammable liquids with a flashpoint below 52°Celsius shall,

(a) when being used underground, be transported and stored only in metal containers or receptacles or in portable plastic containers for Petroleum Fuels as specified in CSA Standard No. B144-1974; and

(b) when stored underground, be restricted in quantity to the requirement for,

(i) the current day's work in the case of volatile flammable liquids, and

(ii) seven days in the case of oil and grease.

(3) No device for the generation of acetylene gas shall be used in an underground mine.

29. No worker shall build or set a fire in an underground mine unless he is specifically authorized to do so and has immediately available suitable fire extinguishing equipment.

30. Every shop and lunchroom in an underground mine shall,

(a) be constructed of material with at least a one hour fire-resistance rating; and

(b) be located and maintained so as to reduce the fire hazard to a minimum.

31. A structure housing a fan used in connection with a ventilation system for an underground mine shall be constructed of non-combustible material.

32.—(1) A fire hazard area shall be identified by suitable warning signs.

(2) Except where special precautions are taken and written instructions issued, no use of matches, smoking or other means of producing heat or fire shall be permitted in a fire hazard area.

33.—(1) Where a flow of flammable gas is encountered in a drill hole in an underground mine or in an enclosed building housing a diamond drill on surface,

(a) the affected area shall be evacuated;

(b) precautions shall be taken to prevent inadvertent entry of a person into the area;

(c) a supervisor shall be notified;

(d) the area shall be tested by a competent person; and

(e) the area shall be designated as a fire hazard area.

(2) In mines where flammable gas is known to occur, workers underground or diamond drillers on surface shall be advised of,

(a) the probability of encountering a flow of such gas; and

(b) the measures and procedures prescribed in subsection 1.

34.—(1) Where a blow torch or welding, cutting or other hot work equipment is used underground, or in a

headframe, shaft house or other surface building in which a fire may endanger the mine entrance or the underground workings, a procedure for the safe use of hot work equipment shall be prepared in writing and signed by the supervisor in charge of the mine.

(2) Only a worker who is a competent person or is under the direction of a competent person shall use hot work equipment.

(3) In addition to the hot work procedure required by subsection 1, written instructions shall be issued to the worker by a supervisor before the hot work equipment is used respecting,

(a) the type of work;

(b) the location of the work;

(c) when the work is to be done; and

(d) any special measures and procedures to be taken before, during and after the work.

(4) Where hot work equipment is used in a shaft, timbered area or fire hazard area,

(a) the area adjacent to the particular work place shall be wet down,

(i) before the work is begun, and

(ii) when the work is stopped and the worker using the hot work equipment intends to leave;

(b) the area adjacent to the particular work place shall be examined for potential fire hazards,

(i) before the work is begun, and

(ii) when the work is stopped and the worker intends to leave the area, and

(iii) on at least one other occasion approximately two hours after the work is stopped;

(c) fire-fighting equipment suitable for extinguishing any potential fire shall be available; and

(d) workers shall be protected from fumes, vapours or gases by,

(i) ventilation, or

(ii) the wearing of respirators.

(5) Subsection 1 does not apply to hot work being performed in a repair station or garage protected by a fire suppression system.

(6) Clause *a* of subsection 4 does not apply where the wetting down will create a hazard because of freezing or the presence of electrical equipment.

35.—(1) Except during the initial stages of exploration and development of mine, in addition to the opening through which workers are let into or out of the mine and the ore extracted, a separate escapement exit shall be provided.

(2) The escapement exit required by subsection 1 shall be,

- (a) located more than 30 metres from the main hoisting shaft or ramp;
- (b) of sufficient size to afford an easy passageway;
- (c) where necessary, provided with ladders from the deepest workings to the surface;
- (d) marked on all levels by signs and arrows pointing the way of exit in a manner to expedite escape;
- (e) made known to all underground workers who shall be instructed as to the route to the escapement exit; and
- (f) inspected at least once a month by a competent person who shall give a written report of such inspection to the supervisor in charge of the mine.

(3) A structure covering the escapement exit shall be constructed of material with at least a one hour fire-resistance rating.

36.—(1) Unless there is a second means of exit from an underground mine, no building shall be erected within 15 metres of any closed-in part of a headframe or portal house.

(2) A building erected within 15 metres of any closed-in part of a headframe or portal house shall be constructed of material with at least a one hour fire-resistance rating.

(3) No steam boiler or diesel engine shall be installed in such a manner that any part thereof is within 23 metres of the centre of the collar of a shaft or other entrance to a mine.

(4) No internal combustion engine shall be installed, serviced, garaged or stored in or within 15 metres of the building housing the hoist nor within 30 metres of the centre of the collar of a shaft or other entrance to a mine.

(5) Except for the fuel tanks of motor vehicles, no gasoline or liquid fuel shall be stored within 30 metres of the collar of a shaft or other entrance of a mine.

(6) The natural drainage shall drain away from the shaft collar or other mine entrance.

(7) Where a hoist is located above the mine shaft, the supporting and enclosing structures shall be constructed of material with at least a one hour fire-resistance rating.

37. Fire doors in an underground mine shall,

- (a) where practical, be installed to close off the shaft or main entrance to the mine and the mine openings directly associated with it from the other workings;
- (b) be installed to close off a service garage or oil storage area where more than 500 litres of oil, grease, or flammable liquid are stored; and
- (c) be maintained in proper order and kept clear of all obstructions so as to be readily usable at all times.

38.—(1) Where, in an underground or tower mounted hoistroom, the normal air supply may become contaminated in an emergency, uncontaminated air shall be available to the hoistman and cagetender by means of,

- (a) an enclosed booth with a positive supply of uncontaminated air; or
- (b) one or more units of self-contained demand air or oxygen breathing apparatus, together with a fully charged cylinder of compressed air of at least 8.5 cubic metres capacity.

(2) Every hoistman and cagetender who may be required to use demand breathing apparatus shall be competent in its use.

39.—(1) Procedures in case of a fire at,

- (a) the surface of an underground mine;
- (b) a surface mine; or
- (c) a mining plant,

shall be prepared by the supervisor in charge of the mine or mining plant.

(2) The procedures required by subsection 1 or extracts therefrom shall be set out in writing and shall be posted and kept posted in a conspicuous place or places where they are most likely to come to the attention of a worker.

(3) A suitable number of workers at each mine and mining plant shall be trained in the fire-fighting procedures and,

- (a) the names of such workers shall be posted in a conspicuous place;
- (b) such workers shall be tested for proficiency at least once a year; and
- (c) a written report of the results of the tests shall be made and kept on file.

(4) Fire extinguishing equipment of a suitable type and size shall be provided at,

- (a) the surface of every underground mine;
- (b) every surface mine; and
- (c) mining plant.

(5) At least once each month, the

- (a) fire extinguishing equipment;
- (b) fire suppression systems;
- (c) fire hydrants; and
- (d) fire doors,

at the surface of an underground mine, a surface mine and a mining plant shall be inspected by a competent person who shall report thereon to the supervisor in charge of the mine or mining plant, as the case may be.

40.—(1) The fuel tank of an internal combustion engine installed in a building shall be arranged so that the transfer of fuel to the tank takes place at a point outside the building and the fuel is conducted to the tank in a tightly jointed pipe or conduit.

(2) The air displaced from the fuel tank shall be conducted to a safe point outside the building before being discharged into the atmosphere.

41. Any dangerous, flammable or explosive material or substance in a solid, liquid or gaseous state, or any combination thereof, other than explosive, that is kept, stored or handled, in a mining plant shall,

- (a) be kept in a container that is suitable having regard to the nature and state of the material or substance;
- (b) have labels on the container identifying the material or substance and warning of the hazards involved therewith;
- (c) be kept apart or insulated from any source of ignition or from temperatures likely to cause combustion; and
- (d) where the material or substance is not intended for immediate use, be kept, stored or handled,
 - (i) outside any building,
 - (ii) in a building not used for any other purpose, or
 - (iii) in a well ventilated compartment with at least a one hour fire-resistance rating which is located in conformity with clause c.

42.—(1) In addition to the main exit, a building at a mining plant, except a magazine, shall be provided with a second means of exit, convenient to and having

easy communication with all rooms regularly occupied by a worker, including,

- (a) tower stairs equipped with doors and hardware with at least a one hour fire-resistance rating at each storey including the basement; or
- (b) metal or other non-combustible fire escapes consisting of exterior stairways with railings and with landings at each storey connecting directly with the interior of the building through metal or other doors with at least a one hour fire-resistance rating.

(2) No means of exit from a plant building shall be obstructed and no door to a fire escape, tower stair or other smokeproof enclosure shall be prevented from closing or remaining closed.

43. A process which is likely to produce a gas, vapour, dust or fume to such an extent as to be capable of forming a flammable mixture with air shall be carried out in an area which,

- (a) is isolated from other operations;
- (b) has a system of ventilation which removes the gas, vapour, dust or fume;
- (c) has no potential sources of ignition; and
- (d) has vents, baffles, chokes, dampers or other means to reduce the effects of any explosion, as may be required.

PART III

ACCESS TO WORK PLACES

44.—(1) A safe means of access to a work place shall be provided by a walkway, stairway or ladderway.

(2) Where workers are required to work, operate, maintain or service equipment, a safe means of access shall be provided as prescribed in subsection 1.

(3) Every walkway and every working platform more than 1.5 metres above the ground shall be provided with,

- (a) a handrail not less than 0.91 metre or more than 1.07 metres above the floor of the walkway or platform;
- (b) a second rail placed at the mid-point between the top rail and the floor of the walkway or platform or have the space between the top rail and the floor closed by a screen; and
- (c) toeboards which shall extend from the floor a height of not less than 100 millimetres.

(4) The handrail required by clause *a* of subsection 3 shall be capable of withstanding a load applied in any direction to the top rail of at least 0.9 kilonewton.

(5) Notwithstanding clauses *b* and *c* of subsection 3, toeboards and second rails are not required on a temporary walkway or working platform.

(6) When a platform consists of wooden planks, the planks shall,

- (a) be sound, unpainted and free of large knots;
- (b) provide a minimum safety factor of three times the maximum load to which it is likely to be subjected; and
- (c) be nailed or otherwise secured against movement.

(7) Where a means of access to a work place is inclined at more than twenty degrees and less than fifty degrees to the horizontal, a stairway or ladderway shall be provided.

(8) Where a means of access to a work place is inclined at more than fifty degrees to the horizontal, a ladder shall be provided.

(9) A stairway shall,

- (a) be at an angle not greater than fifty degrees to the horizontal;
- (b) not have the rise or vertical distance between landings of a flight exceed 3.6 metres;
- (c) have the treads and risers uniform in width and height respectively in any one flight; and
- (d) be provided with handrails of adequate strength not less than 0.91 metre and not more than 1.07 metres in height above the treads of the stairs.

45.—(1) A ladder shall,

- (a) be of strong construction;
- (b) be free from broken or loose members or other faults;
- (c) be installed and maintained so as to reduce to a minimum the hazard of a person falling therefrom;
- (d) if made of wood,
 - (i) be of sound straight-grain lumber,
 - (ii) not be painted or otherwise treated in a manner to obscure the grain;
- (e) have a distance between centres of the rungs not greater than 300 millimetres or less than 250 millimetres;

(f) have the spacing between rungs not vary more than 15 millimetres in a ladderway;

(g) have not less than 100 millimetres clearance behind any rung from a wall or any timber or obstruction underneath the ladder; and

(h) project at least 1 metre above the landing or opening unless strong handholds are provided above the top of the ladder.

(2) A fixed ladder shall be securely fastened in place.

46.—(1) Except in an underground mine, a ladderway at an angle steeper than seventy degrees to the horizontal shall be,

- (a) fixed in place;
- (b) provided with platforms at intervals not greater than 7 metres; and
- (c) caged; or
- (d) provided with a protective device which when used will prevent a worker from falling.

(2) Except in an underground mine, where platforms are used in conjunction with a ladderway,

- (a) the ladders shall be offset;
- (b) a platform shall be provided at each place where ladders are offset; and
- (c) the platform shall be not less than 600 millimetres in width by 1.2 metres in length.

47. A portable ladder shall,

- (a) be equipped with non-slip feet or otherwise secured;
- (b) where any activity in the vicinity may create a hazard to a person thereon, be protected at its base; and
- (c) where the ladder has metal or metal-reinforced side rails, not be used near exposed and energized electrical circuits or equipment.

48.—(1) Subject to subsection 2, a suitable ladderway shall be provided in every shaft.

(2) In untimbered shafts, an independently powered conveyance may be used in place of a ladderway.

(3) Except for an auxiliary ladder used in shaft-sinking operations, no ladder shall be installed in a shaft in a vertical position.

(4) During shaft-sinking operations, if a permanent ladder is not provided to the bottom, an auxiliary ladder that will reach from the permanent ladders to the bottom shall be provided in such convenient position that it

may be promptly lowered to any point at which a worker is working.

49.—(1) Where a ladderway is installed in an underground mine or in a headframe used in conjunction with a shaft and the ladderway is inclined at more than seventy degrees from the horizontal,

- (a) the ladderway shall be provided with substantial platforms at intervals not greater than 7 metres;
- (b) the ladders shall be offset at the platform;
- (c) except for openings large enough to permit the passage of a worker, the platforms shall be fully closed; and
- (d) if installed in a shaft manway, the ladders shall be placed over the openings of the platforms below.

(2) Where the ladderway is inclined at less than seventy degrees to the horizontal the ladders may be continuous and the provisions of clauses *a* and *c* of subsection 1 shall apply.

(3) Where a ladderway is inclined at less than fifty degrees to the horizontal, no platform is required except at points of offset.

(4) Where a ladderway is the only means of access for mine rescue purposes, the opening shall be large enough for such purpose.

50. Wire ropes used for climbing purposes shall not be frayed or have projecting broken wires.

51. No person shall be, or be permitted to be, in a combined ladderway and hoistway compartment while a bucket or material is being,

- (a) loaded or unloaded at the top; or
- (b) hoisted or lowered.

52.—(1) A walkway, stairway or ladderway shall be,

- (a) maintained in a safe condition;
- (b) free from obstructions;
- (c) of sufficient size to ensure that crowding does not occur; and
- (d) cleared of hazardous accumulation of material without undue delay.

(2) Any opening in a floor or other surface which may be a hazard to a worker shall be,

- (a) protected by a guardrail; or

- (b) covered with securely fastened planks or other material capable of supporting any load to which it is likely to be subjected.

PART IV

PROTECTION OF WORKERS

53. No worker shall work in a location where another worker is working overhead unless measures are taken to protect the worker.

54. Where a gas, liquid or vapour is contained at a pressure other than atmospheric pressure, before any fastening of the container or system connected therewith,

- (a) is loosened, any flow into or out of the container or system shall be effectively stopped; or
- (b) is removed, the container or system shall be drained or bled so that the pressure in the container or system equals atmospheric pressure.

55. No liquids or solids shall be transferred from one location or container to another location or container by the application of air under pressure except where equipment specifically designed for the purpose is used.

56. Plastic pipe and fittings shall,

- (a) meet CSA Standards B137.3-1972 and B137.0-1973;
- (b) be properly supported;
- (c) not be used for the main supply or discharge of compressed air or water in mine shafts; and
- (d) not be forced around bends that may unreasonably stress the pipe or its connections.

57. All openings, sumps, vessels, bins, hoppers, elevated platforms or pits, other than grease pits, which constitute a hazard, shall be fenced or otherwise guarded.

58.—(1) Before a worker enters any silo, bin, hopper or other container or structure containing bulk material, all further supply of material thereto shall be stopped and any removal of material therefrom shall be prevented.

(2) When working on top of bulk material in any silo, bin, hopper or other container or structure,

- (a) a worker shall use a fall arrest system; and
- (b) at least one other worker, who is a competent person, equipped with a suitable alarm

shall be in constant attendance outside the silo, bin, hopper or other container or structure.

59.—(1) Stockpiles of unconsolidated material shall be.

(a) inspected for hazardous conditions regularly by a competent person; and

(b) made safe before a worker is allowed to work close to or on top of the stockpile.

(2) Bulk or packaged material shall be piled or stacked in a manner to prevent accidental movement or collapse.

(3) When a tunnel is used under a stockpile for the purpose of reclaiming material from the stockpile at least two exits shall be provided from the tunnel.

60. A procedure shall be established and maintained at an underground mine to record every worker and other person who is underground in the mine.

61.—(1) Every place where drilling and blasting is being carried on in an underground mine shall be examined by a supervisor during each work shift.

(2) Every place other than where drilling and blasting is being carried on in an underground mine and where workers carry on work shall be examined by a supervisor at least once each work week.

62.—(1) Where in an underground mine a potential or actual danger to the health or safety of a worker has not been remedied or removed at the end of a work shift, a record in writing shall be made by the supervisor of the work shift and signed by the supervisor describing,

(a) the dangerous condition; and

(b) the state of corrective measures taken.

(2) The record required by subsection 1 shall be read and countersigned by the supervisor of the next work shift before a worker on such shift does any work in the area of the dangerous condition and the workers on such shift who may be affected by the dangerous condition shall be advised of,

(a) the dangerous condition;

(b) the state of corrective measures undertaken; and

(c) the work required to be done to remove or remedy the dangerous condition.

63. Before work is begun in a work place in an underground mine, the ground conditions of the work place shall be examined for dangers and hazards and, if required, made safe.

64.—(1) Subject to section 65, a work place, travelway, manway or other area of an underground mine shall be made safe by scaling, timbering, rockbolting or by other measures.

(2) During scaling procedures in a work place in an underground mine no other work shall be carried on that hinders the scaling procedures.

(3) An adequate supply of properly dressed scaling equipment shall be provided.

65. Where a work place, travelway, manway or other area of an underground mine is under repair or where there is a danger or hazard to a worker, the same shall be,

(a) closed by barricades, fencing or other suitable means; and

(b) warning signs shall be posted.

66. Where an engineer of the Ministry gives to the owner of an underground mine a written opinion that the ground stability of the mine is a hazard to the safety of the workers in the mine, the owner shall install and maintain instruments or devices that are necessary for measuring ground stresses and the owner shall regularly monitor such instruments or devices.

67. A record of the occurrence of a rockburst or of an uncontrolled fall of ground at an underground mine shall be kept in writing setting out,

(a) the time, location and extent of the occurrence;

(b) injury, if any, caused to a worker thereby; and

(c) any other relevant information, including the records of any monitoring instruments or devices before the occurrence.

68.—(1) Rockbolts used to secure the enclosing rocks in an underground mine shall be properly installed and a proportion thereof shall be pull-tested or, in the case of torque-tension bolts, be torque tested for proper installation and adequacy of materials used.

(2) A record of the tests required by subsection 1 shall be kept.

69. A shaft, raise or other opening in an underground mine shall be securely fenced, covered or otherwise guarded.

70.—(1) A shaft shall be securely cased, lined or timbered.

(2) During shaft-sinking operations the casing, lining or timbering shall be maintained within a distance of the bottom not exceeding 20 metres.

71.—(1) Except during shaft-sinking operations, a shaft compartment used for the handling of material

shall be enclosed at the collar and at all levels, except the side on which material is loaded on or off the shaft conveyance.

- (2) The enclosure referred to in subsection 1 shall,
- (a) be made of substantial materials;
 - (b) extend above the collar and each level a distance of not less than the height of the shaft conveyance plus 2 metres but need not exceed 7 metres;
 - (c) extend below the collar and each level a distance of not less than 2 metres; and
 - (d) conform to the size of the shaft conveyance, allowing for necessary operating clearance.

72.—(1) Subject to subsection 2, the manway in a shaft shall be separated from the hoisting or counterweight compartments by a partition which complies with subsection 2 of section 71.

(2) Between levels, the partition may consist of metal of suitable weight and mesh to prevent,

- (a) a falling object from entering the manway; or
- (b) the intrusion of an object from the manway into the hoisting compartment.

(3) A safe passageway and standing room for a person outside the shaft shall be provided at all workings opening into a shaft and the manway shall be directly connected with such openings.

73.—(1) Except when the hoisting compartment at a shaft station is securely closed off, a substantial gate shall be installed.

(2) The gate required by subsection 1 shall,

- (a) be kept closed except when the shaft conveyance is being loaded or unloaded at the station;
- (b) have a minimum of clearance beneath it; and
- (c) be reinforced against impact of,
 - (i) a locomotive, train or car when rail tracks lead to the compartment, or
 - (ii) a motor vehicle when motor vehicles are used in the vicinity of the shaft.

74. Where a counterweight is used in a shaft, the counterweight compartment shall be enclosed except when the counterweight travels on guides.

75. During shaft-sinking operations no work shall be done in any place in a shaft while a worker is working in another part of the shaft below such place unless the worker in the lower position is protected from the

danger of falling material by a securely constructed covering extending over a sufficient portion of the shaft to afford complete protection.

76. Hooks used in connection with the suspension of any equipment or material in a shaft or raise or over a worker shall be choked or equipped with a safety latch.

77. When work or an examination is taking place in the compartment of a shaft or in that part of the head-frame used in conjunction therewith,

- (a) hoisting operations in that compartment, except for those necessary to perform the work or examination, shall be suspended; and
- (b) protection from accidental contact with any moving shaft conveyance or counterweight, or falling objects shall be provided for a worker performing the work or examination.

78.—(1) Subject to subsection 3, a raise which is,

- (a) inclined at an angle of greater than fifty degrees; and
- (b) more than 20 metres in length,

shall be divided into at least two compartments, one of which shall be a ladderway.

(2) The ladderway shall be maintained within 8 metres of the face of the raise.

(3) Subsection 1 does not apply where a raise climber is used.

79.—(1) When a chute or drawpoint is to be pulled and the settling of the broken material above the chute or drawpoint is likely to endanger any person,

- (a) the area affected by the pulling shall be protected by signs or barricades;
- (b) a worker who is working in the area shall be notified of the hazard;
- (c) precautions shall be taken during the pulling operation to ascertain whether or not the broken material is settling freely from the top; and
- (d) when there is a likelihood of a hangup, the location shall remain protected by signs or barricades.

(2) When pulling a chute, no worker shall be positioned so that his access to an exit from the area may be blocked by an uncontrolled run of material, water or slimes.

(3) A mechanical locking device shall be installed on overcut power operated chute gates, so that the gate may be locked in the open or closed position.

80. Where the entrance or exit to a work place in an underground mine cannot be used at all times, a second means of entrance or exit shall be provided.

81. A diamond drill hole in an underground mine shall at the time that drilling is discontinued or an intersection with the drill hole is made,

- (a) be clearly marked, in yellow paint, at the collar and any points of intersection or breakthrough, with a single capital letter "H" that is,
 - (i) located within 1 metre of the collar or intersection, and
 - (ii) at least 300 millimetres by 300 millimetres in size;
- (b) have the approach to the collar or to any intersection or breakthrough securely closed off or guarded,
 - (i) when mining is in progress towards the hole, and
 - (ii) when blasting is to be done within 5 metres of an intersection of the hole; and
- (c) be shown on the plans of the mine.

82.—(1) A work place in an underground mine shall,

- (a) be kept free from accumulations or flow of water which might endanger a worker in the area; and
- (b) have a drainage system to conduct excess water to a pumping system capable of pumping the water to surface for disposal.

(2) Where accumulations of water are likely to be present,

- (a) a borehole shall be drilled at least 6 metres ahead of the working face to protect against a sudden breakthrough of the water; and
- (b) precautions shall be taken to control the flow of water.

(3) A positive displacement water pump shall be equipped with a relief valve or system.

(4) Precautions shall be taken to guard against an accumulation of water in a chute or raise where the material in the chute or raise may block drainage.

83.—(1) Where earth, clay, sand or gravel is being removed from a surface mine by means of powered equipment,

- (a) the working face shall be sloped at the angle of repose; or

- (b) the vertical height of the working face shall not be more than 1.5 metres above the maximum reach of the equipment.

(2) Where earth, clay, sand or gravel is being removed from a surface mine by means other than powered equipment,

- (a) the working face shall be sloped at its angle of repose; or
- (b) the vertical height of the working face shall not be more than 3 metres.

(3) No undercutting of the working face shall be permitted or done.

(4) Except when mining operations are being actively pursued, benches and walls shall be sloped to less than the angle of repose.

84. Where metallic or non-metallic rock is being removed from a surface mine,

- (a) the vertical height of the working face shall not be more than 25 metres; and
- (b) except where a tunnelling method is used to remove the rock, no undercutting of the working face shall be permitted or done.

85. Every surface mine,

- (a) that is dangerous by reason of its depth, shall be securely fenced or otherwise guarded against inadvertent access; and
- (b) shall have a safe travelway leading from the working level to the surface.

86.—(1) Earth, clay, sand or gravel, loose rock, trees or other vegetation, likely to create a hazard on the rim of a surface mine, shall be removed.

(2) Overburden beyond 2 metres of the rim of a surface mine shall be sloped to an angle less than its natural angle of repose.

87.—(1) Subject to subsection 2,

- (a) where earth, clay, sand or gravel is being removed from a surface mine no mining operations shall be carried on within a distance from the property boundary of half the total depth of the surface mine and earth, clay, sand or gravel that sloughs from within this distance shall not be removed; and
- (b) where metallic or non-metallic rock is being removed from a surface mine, no mining operations shall be carried on within a distance of 6 metres from the property boundary.

(2) Adjoining owners may, by agreement in writing, waive the provisions of subsection 1.

88.—(1) In a surface mine where metallic or non-metallic rock is being removed, no work shall be carried on,

- (a) near a working face following a blast; or
- (b) near a face on which mining operations have been discontinued for a period of more than seven days,

until a supervisor examines the face for any potential or actual hazard to the health or safety of a worker.

(2) When a surface mine is worked in benches, loose rock on berms or benches shall not be permitted to accumulate so that a worker on a lower bench is endangered.

89. A worker barring loose rock, or scaling or cleaning on a face of a surface mine shall use and wear a fall-arrest system.

90.—(1) An employer shall provide personal protective equipment, shield, appliance or other device where a worker is exposed to the hazard of being burned by molten materials.

(2) An employer shall require a worker to use or wear personal protective equipment, shield, appliance or other device provided by the employer where the worker is exposed to the hazard of being burned by molten material.

91.—(1) Precautions shall be taken to prevent contact between molten material and damp surfaces, rusty surfaces, cold surfaces, moisture, water, or other substance where such contact may cause an explosion, and where such explosion may endanger a worker.

(2) Precautions shall be taken to prevent spillage of molten material from a ladle, slag pot or similar vessel where such spillage may endanger a worker.

(3) A ladle, slag pot or similar vessel shall be examined immediately before use and, if found to be defective or contaminated by a substance which may cause an explosion, shall not be used for molten material.

92.—(1) Where a worker is required to go above the casting floor level of an operating blast furnace the worker shall notify a supervisor.

(2) When a worker is above the casting floor level of an operating blast furnace, a second competent worker shall,

- (a) be in attendance to render assistance to the worker; and
- (b) remain in a safe place until such assistance is required.

93. A suitable working platform shall be provided on the bustle pipe of a blast furnace.

94. A system of communication shall be provided and maintained between all dangerous work places of a blast furnace, including the blast furnace top structure, and

- (a) the cast house;
- (b) the skip operator's room; and
- (c) every other place where workers are continuously on duty.

95. A ladderway or stairway shall be provided from the foundation to the top of a blast furnace.

96. When a blast furnace is hanging no worker or other person shall be, or be permitted to be, above the level of the casting floor.

97. Where a major repair is to be carried out at the top structure of a blast furnace that requires the blast furnace to be shut down,

- (a) the blast furnace area shall be cleared of workers other than those carrying out the repair; and
- (b) the major repair area shall be tested for gases likely to endanger the health and safety of a worker before the repair is commenced and during the carrying out of the repair.

PART V

HAULAGE

98. When in use, a motor vehicle running on rails, other than a standard gauge railroad, shall,

- (a) be in safe working condition;
- (b) have brakes that will stop and hold the vehicle or cars under full load condition;
- (c) have headlights;
- (d) have an audible warning system that shall be sounded,
 - (i) where a worker may be endangered by the movement of the vehicle and cars, if any, or
 - (ii) whenever the vehicle and cars, if any, are about to move underground or in an enclosed building;
- (e) be provided, where possible, with a fixed seat for the operator;

- (f) have a guard that will provide protection for the operator from collision or other impact;
- (g) when manually operated, be operated only when the operator is in the proper position at the controls;
- (h) when operated by remote control or by an automated system, be so arranged that in the event of failure of part of the control or system, the vehicle and cars, if any, will be brought to a stop immediately;
- (i) when left unattended, have,
 - (i) the control placed in the parking position, and
 - (ii) the brake fully applied; and
- (j) when electrically powered by storage battery or from a trolley wire, have control levers so arranged that they cannot be removed accidentally when the power is on.

99. Except when used in areas where natural or artificial lighting provides good visibility, a train shall have a tail light on the last car.

100.—(1) When in use, a motor vehicle, other than a motor vehicle running on rails, shall,

- (a) be in safe working condition;
- (b) have brakes which will stop and hold the vehicle under full load conditions on all operating grades;
- (c) subject to subsection 2, have headlights and tail lights;
- (d) except when other suitable means of warning or protection are employed, have,
 - (i) an audible warning system that shall be sounded,
 - a. where a worker may be endangered by the movement of the motor vehicle, and
 - b. whenever the motor vehicle is about to move underground or in an enclosed building, and
 - (ii) subject to subsection 3, a warning device that will sound when the vehicle is operated in reverse, and
 - (iii) subject to subsection 3, a rear view mirror;
- (e) where,
 - (i) equipped with power-assisted steering, and

- (ii) operated on surface,

have a system such that in the event of a failure of the power-assistance element of the system, the vehicle can be held on course by the steering until the vehicle is stopped;

- (f) except for purposes of training or testing, be operated only by a competent operator;
- (g) be provided, where practical, with a fixed seat for the operator;
- (h) when manually operated, be operated only when the operator is in a proper position at the controls;
- (i) where operated by remote control or by an automated system, be so arranged that in the event of the failure of part of the control or system, the vehicle will be brought to a stop;
- (j) when left unattended, have,
 - (i) the control placed in the parking position,
 - (ii) the brake fully applied, and
 - (iii) on a slope, the wheels blocked;
- (k) when used in an underground mine, have lights or reflectors that show the width of the vehicle to a person in the path of its direction of travel;
- (l) where the motor vehicle is to be operated in reverse and the operator or another person may be endangered thereby, be operated only when another worker is stationed to direct and warn the operator of any hazard to himself or another person; and
- (m) be equipped with a Type ABC fire extinguisher.

(2) In areas where natural or artificial lighting is adequate to enable the operator to have a clear view of the areas and persons, a motor vehicle may be operated without headlights or tail lights.

(3) Where a motor vehicle is designed to be operated bi-directionally and the operator has a clear view in both directions, the motor vehicle may be operated without the warning device required by subclause ii of clause *d* of subsection 1 and the rear view mirror required by subclause iii of the said clause *d*.

101.—(1) Where a motor vehicle is operated on a grade or ramp, traffic control procedures shall be established including provision for the control of emergency situations.

(2) Where a motor vehicle is disabled or parked in the travelled portion of a roadway, a warning to approaching traffic shall be provided by,

- (a) flashing lights;
- (b) flares;
- (c) reflectors;
- (d) lamps; or
- (e) a worker suitably equipped to be readily seen, who directs traffic approaching the area.

(3) In the operation of a motor vehicle in an underground mine,

- (a) the maximum load to be carried;
- (b) the maximum speed; and
- (c) the gear selection to be used,

on a grade or ramp shall be established and made known to the operator by the supervisor in charge of the mine.

(4) Before ascending or descending a main access ramp, the operator of a motor vehicle shall,

- (a) fully engage the forward-reverse lever;
- (b) select the proper gear; and
- (c) test the service and emergency brakes.

102.—(1) Where practical, a motor vehicle shall carry wheel chocks.

(2) Wheel chocks shall be used to block movement when a motor vehicle is left unattended on a slope or is being maintained or repaired.

(3) Whenever work is to be performed on a rubber tire with a split rim wheel, a device shall be used to prevent injury to a worker.

(4) The device mentioned in subsection 2 is not required when topping off the air pressure in the tire.

103.—(1) When the controls are left unattended,

- (a) the bucket of a front-end loader, backhoe or other excavating machine;
- (b) the blade of a bulldozer; or
- (c) the load of a fork-lift truck, mobile crane or other hoisting machine,

shall be in the lowered position or adequately supported.

(2) Any part of a motor vehicle or other equipment, including the blade or bucket or dump box of a truck, the lowering of which may endanger a worker, shall be blocked so as to prevent its lowering accidentally.

(3) A crane or other hoisting machine shall be operated in such a way that no part of its load will pass over a person, other than a worker receiving the load and a worker receiving a load shall, so far as is practicable, position himself so that the load does not pass over him.

(4) A shovel, backhoe or similar excavating machine shall be operated in such a way that no part of its load will pass over a person.

(5) Where an operator may be endangered during the loading of a vehicle, he shall vacate the vehicle.

104.—(1) A rail track switch in which a person's foot may become trapped shall have guards at the frog and switch point to effectively protect against the hazard.

(2) Rail tracks in use shall be in good working condition.

105.—(1) Vehicles being used for transporting workers shall,

- (a) be provided with suitable seats or other facilities;
- (b) be limited to a maximum number of passengers, which number shall be posted in or on the vehicle; and
- (c) when enclosed, be equipped with an emergency exit.

(2) Whenever the face of an inclined tunnel in a mine exceeds a vertical depth of 100 metres without intermediate access to the tunnel from a shaft with man hoisting facilities, a vehicle shall be provided to transport workers down and up the tunnel.

(3) Except for training purposes, only those workers authorized and required to handle the load shall ride on a vehicle that is transporting,

- (a) explosives;
- (b) steel or timber; or
- (c) heavy equipment.

(4) The load on a vehicle shall be adequately secured.

(5) A worker may carry personal hand tools or equipment on a vehicle when,

- (a) the vehicle is not crowded;

(b) the tools and equipment are properly protected by guards; or

(c) the tools or equipment are isolated in separate containers.

(6) The maximum speed and the maximum load of a vehicle transporting workers or a service vehicle shall be posted on the vehicle in a conspicuous location.

106.—(1) Subject to subsections 2 and 3, a haulageway for a motor vehicle running on rails in an underground mine shall have,

(a) a walkway on one side so that there is at least 600 millimetres clearance between the sides of the haulageway and the motor vehicle running on rails or the train; or

(b) safety stations as prescribed in section 109 at intervals not exceeding 30 metres.

(2) Where a motor vehicle running on rails travels at more than 10 kilometres per hour,

(a) the clearance prescribed in clause *a* of subsection 1 shall be at least 1,200 millimetres;

(b) pedestrian traffic shall be restricted to designated periods during which no motor vehicle running on rails shall be used in the haulageway; or

(c) safety stations as prescribed in section 109 at intervals not exceeding 30 metres shall be provided.

(3) Subsection 1 does not apply to any haulageway which was driven prior to the date this Regulation comes into force if the haulageway complies with section 245 of Part IX of *The Mining Act* being chapter 274 of Revised Statutes of Ontario, 1970 as it read on the 30th day of September, 1979.

107. A haulageway used by motor vehicles, other than motor vehicles running on rails, shall,

(a) except where pedestrian traffic is effectively prevented, be at least 1.5 metres wider than the maximum width of a motor vehicle using the haulageway; and

(b) where it is regularly used by pedestrians and it is less than 2 metres wider than the maximum width of a motor vehicle using the haulageway, have safety stations as prescribed in section 109 at intervals not exceeding 30 metres.

108. Except in an underground mine with a low clearance roof in which equipment designed to be operated therein is used, a haulageway used by a motor vehicle shall have sufficient clearance below the roof, support or overhead installations to enable

the operator of a motor vehicle to sit erect at all times.

109. A safety station shall consist of a recess in the wall of a haulageway which shall be,

(a) at least,

(i) 0.6 metre in depth, in addition to any existing clearance between the vehicle and the wall,

(ii) 2 metres in height, and

(iii) 1.5 metres in length;

(b) plainly marked; and

(c) clean and free of obstruction.

110.—(1) Subject to subsection 2, where the view of rail traffic at railway tracks on surface is obstructed in one or both directions, guardrails shall be placed at the approach to the tracks.

(2) Subsection 1 does not apply where,

(a) restricted clearance makes guardrails impracticable; and

(b) a warning signal which automatically functions at the approach of a locomotive or train gives a warning signal that is both audible and visible; or

(c) a worker is guarding the approach.

111.—(1) Haulage roads on surface shall be designed, constructed and maintained to,

(a) minimize hazards from the slipping or skidding of vehicles;

(b) enable vehicles to pass each other safely; and

(c) avoid steep grades wherever practical.

(2) The open side of a ramp haulage road in a surface mine shall be provided with a suitable protective barrier.

(3) Every haulage road on surface shall be kept in good repair.

112.—(1) Where, on surface at a mine or mining plant, the clearance between the sides of a train or motor vehicle and the wall of a building or other structure is less than 500 millimetres, the location shall be plainly marked showing the danger.

(2) Where the operator may be exposed to overhead hazards on surface at a mine or mining plant, a cab, screen or other adequate overhead protection shall be provided on,

- (a) a power-driven crane, shovel or similar machine;
- (b) a fork-lift truck; and
- (c) a front-end loader or other excavating machine.

113.—(1) Where material is dumped from a vehicle over a bank or bench, a bumper block or a ridge of material shall be provided to act as an effective stopblock.

(2) Material shall not be dumped from a vehicle over a bank or bench where the ground at the dumping place may fail to support the weight of a loaded vehicle.

114.—(1) The brakes on motor vehicles operating on ramps shall consist of,

- (a) a service braking system;
- (b) an emergency stopping system; and
- (c) a parking system.

(2) Each such system shall be capable of being,

- (a) tested independently; and
- (b) readily applied by a worker seated in the driver's seat.

(3) A service braking system may consist of a hydraulic pump motor drive system.

(4) The capacity of retarders shall not be considered in determining the capacity of the braking system prescribed in subsection 1.

(5) The service braking system and the emergency stopping system shall be capable of safely stopping a vehicle while free wheeling under its,

- (a) maximum authorized load; and
- (b) maximum authorized speed,

while proceeding on maximum grade in its area of operation.

(6) The parking brake system shall be capable of holding the vehicle stationary under conditions of its maximum authorized load when on the maximum grade in its area of operation.

(7) Devices shall be installed in units using torque converters or stored energy brake systems which shall,

- (a) cause the emergency system to apply on a preset drop in pressure; and
- (b) warn the operator of the impending application of the emergency stopping system.

(8) Where components for applying the service brakes and emergency brakes are common, they shall be arranged so that any failure in a common component does not reduce the capability of either system to stop the vehicle safely.

(9) Before being put into service, tests shall be conducted on a newly acquired vehicle for the proper operation of the,

- (a) service brakes;
- (b) emergency brakes;
- (c) parking brakes;
- (d) steering;
- (e) warning devices; and
- (f) lighting.

(10) A record of such tests shall be signed by a competent worker and kept for each such vehicle.

(11) A procedure of maintenance practice for each vehicle shall be adopted which will,

- (a) provide a schedule for short and long term routine maintenance;
- (b) itemize the work to be done during each scheduled maintenance program;
- (c) itemize the tests to be carried out at the conclusion of each scheduled maintenance program; and
- (d) record the maintenance and tests that have been carried out.

115.—(1) A service garage or fuelling station in an underground mine shall,

- (a) be designed and protected to prevent inadvertent entry of an uncontrolled motor vehicle;
- (b) be located so that in the event of a fire or explosion in the garage or station there will be a minimum effect on working areas of the mine or on underground installations including shafts, power magazines, refuge stations, transformer installations and other installations;
- (c) have a concrete floor without service pits in the floor; and
- (d) be equipped with a system to contain spills of oil and grease.

(2) A service garage shall accommodate the longest and widest vehicle that will use the station with adequate clearance to permit safe performance of all work therein.

(3) A fuelling station shall be established before a heading has advanced 250 metres from the ramp or shaft unless vehicles can be fuelled at another fuelling station.

(4) A fuelling station shall be separate from a service garage.

(5) A vehicle shall be fuelled where practicable at a fuelling station.

(6) Where a mobile fuelling supply tank is used the tank shall be clearly labelled with "No Smoking" signs.

(7) Any spillage of oil or fuel shall be taken up at once, deposited in a fireproof receptacle and removed from the mine without undue delay.

PART VI

EXPLOSIVES

116. Where an explosive is used in an underground mine,

- (a) it shall be of Fume Class 1 rating as established by the Explosives Branch of the Department of Energy, Mines and Resources, Canada; or
- (b) if other than of Fume Class 1 rating, a procedure shall be prepared and adopted by the supervisor in charge of the mine, to ensure that no worker is exposed to fumes that endanger his health or safety.

117.—(1) Explosives stored or kept at a mine or mining plant shall be used only for the purpose of the mine or mining plant and if not so used, returned to the supplier of the explosives.

(2) Smoking shall not be permitted and no fire or naked flame shall be taken,

- (a) within a magazine; or
- (b) within 8 metres of any explosive.

(3) Any careless act of placing or handling explosive shall be,

- (a) reported forthwith to a supervisor in charge of the work place;
- (b) investigated by the supervisor; and
- (c) reported forthwith by the supervisor to an inspector.

(4) No explosive shall be used to blast or break up ore, salamander or other material where, by reason of its heated condition, there is any danger or risk of premature explosion of the charge.

(5) When operations at a mine are discontinued, or are suspended for a period of more than three months,

- (a) all explosives shall be disposed of in a safe manner; and
- (b) all magazine licences shall be returned to an inspector.

118.—(1) Explosives kept or stored on the surface shall be kept or stored in a licensed magazine,

- (a) constructed in conformity with the Standards for Blasting Explosive Magazines, established under the *Explosives Act* (Canada);
- (b) situated so that the accidental explosion of its contents is not likely to cause injury to persons or damage to,
 - (i) other buildings, and
 - (ii) electrical installations or supply lines;
- (c) protected by a fire break;
- (d) protected against lightning;
- (e) conspicuously marked by "DANGER—EXPLOSIVES" signs posted beside the road approaches to the magazine; and
- (f) in accordance with the requirements set out in the licence for the magazine.

(2) An application for a licence for a magazine on the surface shall be made in writing to an engineer of the Ministry and shall be accompanied by plans and specifications showing the design and proposed location of the magazine and of all buildings or structures located on the site and on the lands adjacent thereto.

119.—(1) Explosives in an underground mine shall be kept or stored in a magazine but where less than 160 kilograms of explosives are kept or stored in the underground mine they may be kept or stored in suitable storage containers at locations removed from drilling and blasting operations.

(2) A magazine in an underground mine shall be licensed if it is being used to keep or store,

- (a) more than 1,360 kilograms of explosives; or
- (b) the necessary supply of explosives for more than five working days.

(3) An application for a licence for a magazine in an underground mine shall be made in writing to an engineer of the Ministry and shall be accompanied by plans and specifications showing the design and proposed location of the magazine.

(4) Explosives kept or stored in a licensed magazine in an underground mine shall be kept or stored in accordance with the requirements set out in the licence.

(5) Notwithstanding subsection 1, where long hole blasts or similar blasting operations are being carried on in an underground mine, such quantities of explosives as can be loaded in a twenty-four hour period together with an amount that may be necessary to maintain that supply may be kept in a suitable storage place that is not a magazine.

(6) Licences for magazines on the surface or in an underground mine issued under Part IX of *The Mining Act*, being chapter 274 of Revised Statutes of Ontario, 1970 prior to the 1st day of October, 1979 are continued in force as if issued under this Regulation.

120. A magazine or storage container in an underground mine shall be,

(a) located at least 60 metres from a,

(i) shaft,

(ii) hoist room,

(iii) main access ramp,

(iv) refuge station, or

(v) transformer vault;

(b) located so that there is no possibility of a vehicle colliding with a storage container;

(c) located so that in case of fire in the mine the explosives are not likely to become overheated; and

(d) conspicuously marked by a "DANGER—EXPLOSIVES" sign or signs.

121.—(1) A licensed magazine shall be,

(a) under the control and direction of a competent person;

(b) kept securely locked at all times when the competent person referred to in clause *a* is not present.

(2) A record for every licensed magazine shall be kept of explosive received and issued showing,

(a) the date of receipt or issue;

(b) the quantity and type of explosive received or issued; and

(c) the particular work place to which the explosive is issued.

(3) A weekly inspection of all storage containers and magazines shall be carried out by a competent person who shall report in writing to a supervisor as to the conditions and the quantities stored therein.

(4) Reports required by subsection 3 shall be kept for a period of at least six months.

122.—(1) Every magazine and every storage container shall be kept clean, dry and free from grit at all times.

(2) The floors and shelves of a magazine where nitroglycerine explosives are kept shall be treated with a neutralizing agent to remove any traces of nitroglycerine.

(3) When explosive is issued or removed from a magazine, the explosive longest in the magazine, if not defective, shall be used first.

(4) Explosive which is defective shall be disposed of in a safe manner.

(5) Unused explosive shall not be left in or about any working place but shall be returned to storage.

(6) Detonators and capped fuse shall be stored in a separate, suitable, closed storage container located at least 8 metres from any other explosive.

(7) Explosive shall not be heated above the ambient temperature of its storage place.

123. Where, in a magazine or a storage place, electric fixtures or wiring are installed or used,

(a) wiring shall consist of,

(i) moisture-proof armoured cable, or

(ii) rigid conduit with water-tight joints;

(b) lighting fixtures shall have dust-tight enclosures;

(c) heaters shall,

(i) operate at a low surface temperature,

(ii) be of a type suitable for an explosive environment, and

(iii) be protected against operating in excess of 125 per cent of capacity;

(d) lighting circuits shall be protected against operating in excess of 10 amperes;

(e) switches and protective devices shall be located outside the magazine or placed in a fire-resistant enclosure;

(f) metal parts shall be bonded and grounded; and

(g) the electric system shall be protected against a lightning strike or surge.

124. A motor vehicle when transporting explosives on the surface at a mine or plant shall,

- (a) be kept in sound mechanical condition;
- (b) be conspicuously marked by red signals or flags easily visible from front, rear and both sides;
- (c) have all metal parts that could come in contact with containers of explosives covered with wood, tarpaulin or similar non-sparking material;
- (d) not be used to transport other goods or materials at the same time as explosives are being transported;
- (e) be equipped with a type ABC fire extinguisher;
- (f) not be loaded in excess of its rated carrying capacity;
- (g) have explosives secured or fastened so as to prevent any part of the load from becoming dislodged;
- (h) transport detonators with other explosives only if the detonators are,
 - (i) in a suitable container in a separated compartment, and
 - (ii) 5,000 or less in number;
- (i) be attended at all times; and
- (j) carry only those persons necessary for handling explosives.

125.—(1) Except as provided for in subsection 2, explosives transported at a mine shall,

- (a) be in suitable closed containers;
- (b) have detonators, blasting caps and capped fuses kept separate from other explosives.

(2) Capped fuses may be transported with other explosives without placing them in a container if they are kept separate from other explosives.

(3) Primers shall be made up,

- (a) as near to their point of use as is practicable; and
- (b) only in sufficient numbers for the immediate work in hand.

(4) Made-up primers shall be transported,

- (a) in separate, suitable, closed containers conspicuously marked with the words "DANGER—EXPLOSIVES"; and

(b) in a separate vehicle or conveyance from other explosives.

126.—(1) When transporting explosives in a shaft conveyance the worker in charge of the operation shall give or cause to be given notice of the operation to the deckman and hoistman.

(2) No worker shall,

- (a) place in;
- (b) have while in; or
- (c) take out of,

a shaft conveyance any explosive except under the immediate supervision of a worker authorized for the purpose by a supervisor.

(3) No other material shall be transported with explosives in a shaft conveyance.

127.—(1) Explosives shall be removed without delay from,

- (a) near the shaft collar;
- (b) other entrances to the underground workings; and
- (c) a shaft station.

(2) Explosives underground shall be transported from a magazine to other magazines or place of use,

- (a) without delay; and
- (b) by the most direct and safe route.

128.—(1) Where explosives are transported underground by means of a motor vehicle or a train,

- (a) the speed of the vehicle or train shall not exceed 10 kilometres per hour; and
- (b) specific arrangements for the right of way of the vehicle or train shall be made before the vehicle or train is put in motion.

(2) Where explosives are transported underground by means of a train,

- (a) the motor vehicle running on rails shall be maintained on the forward end of the train unless a worker walks in front of the train to effectively guard it;
- (b) a car carrying explosives shall be separated from the motor vehicle by an empty car or spacer of equivalent length;
- (c) no explosives shall be carried on the motor vehicle; and

(d) every car carrying explosives shall be protected from contact with a trolley wire.

(3) Where a motor vehicle, other than a motor vehicle running on rails, is used for the transportation of explosives underground in a mine, the requirements of section 124, except clauses *b* and *c*, apply with necessary modifications.

129.—(1) Subject to subsection 2, before drilling or sampling is commenced in a working place in a mine, the exposed faces shall be,

(a) washed with water; and

(b) carefully examined for misfires, cut-off holes and remnants of blasted holes.

(2) In gypsum mines and in mines containing soluble minerals and salts where water cannot be used,

(a) an alternate method shall be used for checking each face for misfires and cut-off holes; and

(b) a written procedure detailing the method shall be prepared and followed.

(3) Where practical, after the face has been checked all remnants of blasted holes shall be conspicuously marked by,

(a) a ring of contrasting paint or crayon; and

(b) inserting sticks or plugs into the holes for lifter remnants in a heading.

(4) No drilling or sampling shall be done in a mine within 160 millimetres of any hole that has been blasted or any remnant of such hole.

(5) No drilling or sampling shall be done in a mine within 1.5 metres of any hole containing explosives.

(6) No development heading shall be abandoned or work therein discontinued until,

(a) the material broken at the firing of the last round has been cleared from the face; and

(b) the whole face of the heading examined for explosives in misfires or remnants of holes.

130.—(1) Subject to subsection 2, any explosive charge that has misfired or cut off,

(a) shall not be withdrawn; and

(b) shall be blasted without undue delay at a safe and suitable time.

(2) Except for nitroglycerine sensitized explosives, water soluble explosives may be washed out of the hole by means of an approved device.

(3) When a worker fires any charges he shall, where possible, count the number of shots and if a misfire is suspected shall report it to his supervisor.

(4) Where at the end of a shift a misfire is suspected, or if a misfire has been reblasted and it has not been checked, such fact, together with the location of the hole, shall be recorded in the shift log.

131.—(1) Drill holes shall be of sufficient size to admit the free insertion to the bottom of the hole of a cartridge of explosive or a loading hose.

(2) Before charging a hole with explosives, the hole shall be cleared of all obstructions.

132.—(1) Drilling or undercutting and charging operations at a mine shall not be carried on simultaneously,

(a) on the same face above or below each other; or

(b) within 8 metres horizontal distance of each other.

(2) In charging holes for blasting, no iron or steel tool or rod shall be used.

(3) No iron or steel tool shall be used in any hole containing explosive.

(4) Drill holes charged with explosives shall,

(a) have a properly prepared detonating agent placed in the charge;

(b) be fired in their proper sequence;

(c) when loaded in one loading operation, be blasted in one blasting operation, except where a procedure for doing otherwise has been prepared and adopted by the supervisor in charge of the mine; and

(d) when primed, not be left unfired, but shall be fired at the time for blasting required by the supervisor in charge of the mine.

(5) Except when blasting electrically or when only one charge is to be fired, there shall be at least two workers present at a blasting operation.

(6) Except when the blasting operation is conducted on surface in daylight or under artificial light, every worker engaged in a blasting operation shall carry a light.

(7) Where detonating cord is used,

(a) loading shall be completed in all holes; and

(b) all equipment not required for the loading operation shall be removed from the blast site before,

- (i) cords are interconnected between holes or attached to trunk line circuits, and
- (ii) delay devices or initiating detonators are attached to trunk line circuits.

133. Where holes are loaded pneumatically with explosives,

- (a) only semi-conductive hoses manufactured for such purpose shall be used;
- (b) pneumatic loading equipment shall not be grounded directly to pipes, rails or other similar continuous conductors; and
- (c) where electrical blasting caps are used,
 - (i) no plastic or other non-conducting liners shall be used, and
 - (ii) the cap shall not be placed in the hole until the pneumatic loading of the hole has been completed, except where a procedure for doing otherwise has been prepared and adopted by the supervisor in charge of the mine.

134.—(1) Before blasting,

- (a) guards shall be placed to prevent inadvertent access at all entrances or approaches to the place where,
 - (i) the blasting is to take place,
 - (ii) the safety of persons may be endangered by the blasting, or
 - (iii) a diamond drill hole intersection may connect with the blast;
- (b) the worker doing the blasting shall,
 - (i) give or cause to be given due warning in every direction by shouting "FIRE", or give warning of a primary blast by siren where the extent of the operation makes shouting ineffective,
 - (ii) satisfy himself that all persons have left the work place or the vicinity except those required to assist him in blasting and guarding, and
 - (iii) take necessary precautions to ensure that all areas of the mine to be affected by the blasting operation are vacated.

(2) In surface mines,

- (a) the warning of a primary blast by siren shall be given,

- (i) at least five minutes prior to the blast, and

- (ii) again at one minute prior to the blast;

(b) where it is necessary to stop traffic on a public road,

- (i) signs shall be posted to warn traffic of the impending blast, and

- (ii) guards equipped with suitable red flags shall be posted to stop traffic prior to the blast;

(c) an all-clear signal shall be sounded after all danger from the blast has passed; and

(d) where a worker is required near the blast area, blasting shelters shall be provided.

(3) Where contiguous or adjacent claims or mines are being worked, and there is disagreement as to the time of setting off blasts, an owner or employer may appeal to an engineer of the Ministry, who shall decide upon the time at which blasting operations thereon may be performed.

135. A competent person shall be appointed to be in charge of blasting at a surface mine or mines.

136. The competent person in charge of the blast at a surface mine shall keep a record of each primary blast signed by him recording,

- (a) the date, time and location of the blast;
- (b) the burden, spacing, depth and number of holes blasted;
- (c) the weight of explosives, and the length of top stemming and firing delay detonators used in respect of each hole;
- (d) the weight of explosives used per estimated tonne broken;
- (e) the wind direction and velocity at the time of the blast; and
- (f) the atmospheric conditions, whether clear or overcast.

137. A vehicle shall not be driven, parked or located over or under loaded holes except where a procedure for doing so has been prepared and adopted by the supervisor in charge of the mine.

138. Before a connection is made between two underground working places,

- (a) an examination shall be made of the workings towards which the active working is advancing, where practicable, to determine that the work can proceed in a safe manner; and

(b) when the distance between the working places is less than,

(i) twice the length of the longest drill steel used, or

(ii) a minimum of 5 metres from the bottom of the longest hole,

all approaches to both working places shall be guarded before blasting.

139. Where safety fuse is used in any blasting operation,

(a) no fuse shorter than 1 metre shall be used;

(b) no fuse shall be lighted at a point closer than 1 metre from the capped end;

(c) capped fuses shall be supplied in standard lengths;

(d) the uncapped ends of fuses of the same length shall be identified;

(e) where more than one charge is to be fired, each fuse connected to a charge shall be lighted by a suitable and reliable timing device; and

(f) where igniter cord is used, no connections shall be made to fuses until all holes are loaded.

140.—(1) Subject to subsections 4 and 5, a person shall not return to a work place affected by a blasting operation until the minimum periods of time prescribed in subsections 2 and 3 have elapsed.

(2) Where safety fuses are used, the minimum period of time is the number of minutes calculated from the time when the last shot is heard by multiplying the length of the longest fuse used in the blast by seven for the length measured in metres.

(3) Where electrically fired delay action detonators are used and a shot is heard, the minimum period of time is ten minutes from the time when the blasting circuit is closed.

(4) Where electrically fired delay action detonators are used and no shot is heard, no person shall return to the work place affected by the blasting operation until the worker doing the blasting has,

(a) disconnected the lead wires from the power source and short-circuited them; and

(b) where a blasting switch is employed, locked it in the open position.

(5) In the case of a suspected misfire, thirty minutes shall elapse from the time when the last shot

was heard before any person returns to the scene of the blast.

(6) When a misfired hole, that contains or might contain an old fuse or primer, is reblasted, the time that shall elapse before a person returns to the work place affected by the blasting operation shall be at least thirty minutes from,

(a) the time of lighting the fuse; or

(b) where more than one shot is involved, from the time the last shot is heard.

141.—(1) Blasting in a shaft, shaft station or other workings being driven from a shaft shall be done by means of electricity,

(a) after the first 3 metres of advance has been made in the shaft; and

(b) until such time as the permanent timbers and ladders have reached the level upon which blasting is being done.

(2) Blasting in a raise, where free escape is not readily available, shall be done by means of electricity from a safe location outside the raise.

142. When blasting by means of electricity,

(a) where balanced circuits are required, each circuit shall be tested before firing with a suitable galvanometer or other similar suitable instrument;

(b) where electric blasting caps are used,

(i) the protective shunt shall not be removed from the leg wire until connections are made,

(ii) the leg wire shall not be shortened to less than 1 metre,

(iii) the firing cables leading to the face or faces shall be short-circuited while the leads from the blasting caps are being connected to each other and to the firing cables,

(iv) the short-circuit prescribed in sub-clause iii shall not be removed until all workers have left the work places to be affected by the blasting operation, and

(v) the short-circuit prescribed in sub-clause iii shall be located so that a premature explosion will be harmless to the worker opening the short-circuit; and

(c) before any person returns to the work place affected by the blasting operation,

- (i) the firing cables shall be removed from the battery, blasting machine or other source of electricity and shall be short-circuited, and
- (ii) the blasting switch shall be locked in the open position.

143.—(1) Where the source of current is a portable direct current battery or blasting machine the firing cables or wires shall,

- (a) not be connected to the source of current until,
 - (i) the work place to be affected by the blasting operation has been cleared of persons, and
 - (ii) immediately prior to blasting; and
- (b) be disconnected and short-circuited immediately after the blast has been fired.

(2) A blasting machine shall,

- (a) be of a type and design specifically manufactured for the purpose;
- (b) be kept in good mechanical and electrical condition;
- (c) be tested regularly using methods specified by the manufacturer;
- (d) be tested before any blasts which may require the maximum output of the machine;
- (e) be clearly marked with the capacity of the machine; and
- (f) not be used in excess of its rated capacity.

144. Blasting cables and blasting wires shall,

- (a) be distinguished from other cables and wires;
- (b) be used for blasting purposes only; and
- (c) not come into contact with,
 - (i) detonating cords,
 - (ii) power, lighting or communication cables, or
 - (iii) pipes, rails or other continuous metal grounded circuits.

145.—(1) When a common electrical source is used to fire blasts in more than one work place provision shall be made for,

- (a) the continued shorting of the blasting cables;
- (b) a three-way switch for each individual blasting circuit which can be locked in either the shorted or closed position to provide for,
 - (i) shorting of the circuit,
 - (ii) energizing of the circuit, and
 - (iii) testing of the circuit;
- (c) identification of blasting cables and switches; and
- (d) a written blasting procedure setting forth,
 - (i) the method of connecting the blasting wires to the electrical supply,
 - (ii) the evacuation of all workers from the area of the blast, and
 - (iii) the method of testing the system to ensure that the proper connections have been made.

(2) The written blasting procedure shall be followed.

146.—(1) Circuits from a source other than from a portable hand-operated device used for blasting shall be,

- (a) from an isolated, ungrounded power source; and
- (b) used for blasting only.

(2) A blasting device shall,

- (a) be designed for the purpose;
- (b) be kept in good mechanical and electrical condition;
- (c) be constructed so that it automatically opens the circuit by gravity to short-circuit the blasting conductor;
- (d) have the live side enclosed within a fixed box with a door,
 - (i) which can be locked and unlocked only by the worker doing the blasting, and
 - (ii) so arranged that the door cannot be closed unless the contacts of the firing circuit are in the opened and shorted position; and
- (e) where the power source exceeds 300 volts be electromagnetically operated.

147.—(1) No electrical blasting circuit connections shall be made on or near to surface or in or near to a shaft during an electrical storm in the vicinity.

(2) No radio transmitter shall be operated within 20 metres of an area where electric blasting operations are about to be carried out.

PART VII

ELECTRICAL

148.—(1) Electrical installations and equipment shall meet the standards set out in CSA Standard C22.1-1975 *The Canadian Electrical Code, Part I*, "Safety Standards for Electrical Installations", except as otherwise prescribed by this Regulation.

(2) Notwithstanding subsection 1, Part V of *The Canadian Electrical Code* does not apply to electrical installations and equipment in mines.

(3) The quantity and trade name of any liquid insulant or coolant when in excess of 1 litre shall be shown on the name plate of the electrical equipment in which it is contained.

(4) A person that is competent in the electrical trade shall be appointed to be in charge of electrical equipment.

149. An inspector shall be notified of any intent to make,

- (a) a major electrical installation including the installation of any oil filled transformer in an underground mine;
- (b) an installation of a radio-frequency transmitter;
- (c) a major telephone installation; or
- (d) a major alteration or addition to existing electrical, radio-frequency or telephone installations.

150. Wiring that is out of service or damaged shall be disconnected and,

- (a) removed; or
- (b) when left in place, have any bare conductors capped.

151. Temporary electrical installations may vary from the requirements prescribed for the protection of electrical equipment to provide emergency electrical service only for the period of the emergency if the variation affords protection equal to or greater than the requirements prescribed.

152.—(1) Electrical work shall not be performed on live equipment except where,

- (a) live line techniques are used;
- (b) approved live line equipment is used;
- (c) no hazard from explosive or flammable materials exists; and
- (d) all necessary precautions to work safely are taken.

(2) Except as provided for in subsection 1, no object shall be brought closer than the distance specified in Column 2 of the following Table to an exposed, energized overhead electric supply line of the voltage specified in Column 1:

TABLE

COLUMN 1	COLUMN 2
Voltage of Powerline	Minimum Distance
300 to 150,000 volts	3 metres
150,000 to 250,000 volts	4.5 metres
Over 250,000 volts	6 metres

(3) Precautions to guard workers against injury by moving or energized parts shall be taken before maintenance, repair or adjustment work is performed on a machine that is energized.

(4) No energized bare part of electrical equipment shall be permitted within 1.5 metres horizontally or 2.5 metres vertically of a landing or walkway.

(5) Machines that have movable or extendable booms shall not be operated in close proximity to energized electrical supply lines unless,

- (a) the operator of the machine has been authorized to perform such work; and
- (b) there is a clearance between any part of the machine and the energized line that is more than the greater of,
 - (i) one half the maximum horizontal reach of the boom, or
 - (ii) the distance determined under subsection 2;
- (c) the lines are disconnected and grounded;
- (d) the machine is a railroad crane operating on railroad tracks and the supply line is energized to less than 750 volts direct current; or

- (e) the supply lines are guarded against contact by any part of the machine or its load.

153.—(1) All switches controlling electrical equipment or lines shall be locked and tagged in the open position while work is being done on the equipment or lines but the locking device may be omitted where,

- (a) the locking device in itself creates a hazard due to a switch design; or
- (b) circuit breakers or fuses for voltages of less than 150 volts to ground are not equipped with a means of locking.

(2) Notwithstanding subsection 1, locking and tagging is not required where live work is permitted by subsection 1 of section 152.

(3) A tag required by subsection 1 shall,

- (a) be secured to prevent its inadvertent removal;
- (b) state the reason the switch is opened;
- (c) show the name of the person responsible for opening the switch; and
- (d) show the date on which the switch was opened.

(4) Tags on electrical equipment shall be of non-conducting materials.

154. A portable ladder which has metal or metal reinforced side rails shall not be,

- (a) stored in or about electrical equipment having energized and exposed parts; or
- (b) used about electrical equipment having energized exposed parts.

155.—(1) On each ungrounded utilization system over 300 volts, a device shall be installed for the purpose of indicating ground faults.

(2) A device required by subsection 1 shall be provided with,

- (a) short-circuit protection; and
- (b) disconnecting means.

(3) A ground fault shall be removed without delay.

156.—(1) The supports for electrical equipment and the compartments in which it is installed shall be of such material and arranged in such a manner as to reduce the potential for a fire to a minimum.

(2) No flammable material shall be stored or placed in the same compartment as electrical equipment.

(3) Lamps or heating units shall be installed and protected so as to prevent the heat generated from causing a fire.

(4) A fire extinguishing device shall be provided in each area where electrical equipment creates a fire hazard.

(5) The fire extinguishing device prescribed in subsection 4 shall be,

- (a) of a type approved for use on electrical fires;
- (b) of a size recommended for the size and type of equipment;
- (c) located convenient to an exit from the area; and
- (d) maintained in condition for immediate use.

157.—(1) Electrical mobile equipment operating at more than 300 volts to ground shall be supplied by a system wherein,

- (a) the neutral is grounded through a current limiting device in such a manner as to limit the possible rise of ground fault potential to a maximum of 100 volts to ground; and
- (b) ground fault protection is provided.

(2) Electrical mobile equipment in use on the day this Regulation comes into force may continue to be used notwithstanding that the equipment does not comply with subsection 1 but a program to bring such equipment into compliance with subsection 1 shall be initiated within two years of the day this Regulation comes into force.

158. Every electric cable supplying power to electric mobile equipment shall,

- (a) meet or exceed Insulated Power Cable Engineers Association (IPCEA)—National Electrical Mechanical Manufacturers Association (NEMA) Standards No. S-66-524, S-68-516 or S-19-81;
- (b) be in an assembly that is cabled together;
- (c) be insulated for the voltage level;
- (d) be large enough to carry the maximum design current of the equipment without being overloaded;
- (e) be able to carry any fault currents that may be produced;

- (f) be built for the conditions of use;
- (g) be built to facilitate ground fault protection;
- (h) when over 750 volts have shielding to dissipate inductive charges;
- (i) when in use underground have an outer covering that,
 - (i) will not support combustion, and
 - (ii) is continually identified as having such a covering; and
- (j) be secured and protected against physical damage.

159.—(1) Except for fuses, protective devices for installations that operate in excess of 750 volts shall be tested to determine that the devices are protecting the equipment from being operated in excess of its design capabilities before initial use and after each three years of use.

(2) The results of the tests required by subsection 1 shall be recorded in a record book.

160. Clause 36-204 of CSA Standard C 22.1-1975 is modified to the extent that a single pole disconnecting fuse of adequate interrupting capacity may be used to protect a transformer whose capacity is 100 kilovolt-amperes per phase or less when operating at a voltage less than 7,500 volts.

161. Identifying barriers shall be provided between circuits where more than one set of single pole, open blade type isolating switches are installed adjacent to each other.

162.—(1) Each circuit operating at over 300 volts shall have a means by which it can be disconnected from its source of power.

(2) Such means shall,

- (a) be as close as practical to its source of power supply; and
- (b) when in the opened position provide a separation between the fixed and movable current carrying parts that is readily visible.

163.—(1) The power supply to a motor shall not be run through the enclosure of the controller for another motor.

(2) A motor branch circuit shall be arranged so that when its disconnecting means is opened, all parts on the load side within the controller enclosure are de-energized.

164.—(1) Transformers installed on the surface that contain flammable oil shall,

- (a) be located at least 15 metres from a shaft house or any combustible building attached thereto; and
- (b) be provided with a means to contain or direct away from the shaft house or combustible buildings any oil that may leak from the transformer.

(2) Transformers containing flammable oil when installed in an underground mine shall be in a vault that,

- (a) subject to subsection 3, when measured along mine workings, is located at least 60 metres from any magazine or mine shaft;
- (b) is provided with a sump of sufficient size to contain all the oil in the transformers;
- (c) is protected with a suitable system for suppressing a fire;
- (d) is protected by a fire door and automatically activated ventilation covers; and
- (e) contains only those materials necessary for the maintenance of the transformers and their equipment.

(3) Transformers exceeding 5 kilovolt-amperes capacity shall be located at least 15 metres distant when measured along mine workings from a magazine.

165.—(1) Main electrical substations installed on the surface on or after the 1st day of October, 1979 shall be located at least 100 metres from a magazine.

(2) Only authorized persons shall be permitted access to switchboards or switchrooms which contain bare energized parts.

(3) Switchboards shall be made of materials that are non-combustible.

166.—(1) The installations of electrical supply, communications, railway signal and trolley lines shall meet the standards set out in Part III of *The Canadian Electrical Code, C.22.3 No. 1, 1976* "Overhead Systems and Underground Systems".

(2) Electrical supply lines carried over public railways or over or under navigable waters shall comply with the requirements of the Canadian Transportation Commission.

(3) Electrical supply lines and equipment shall be,

- (a) of a design and construction suitable for the type of service and conditions of use; and
- (b) so installed and maintained as to reduce the risk of a fire or injury to persons to a minimum.

(4) Electrical supply lines shall be located at least 60 metres from a magazine on surface.

167. Any device or system which is capable of producing radio frequencies or of radiating electromagnetic energy shall,

- (a) be tested for hazards to electric blasting caps as specified in CSA Standard Z-65-1966, "Radiation Hazards from Electronic Equipment"; and
- (b) be used only when precautions are taken against,
 - (i) setting off any electric blasting caps, and
 - (ii) the inadvertent operation of any blasting or any other device which may respond to the radio frequencies or the radiated energy.

168.—(1) Cables supplying electrical power from surface to underground shall be fed through a circuit breaker located on surface.

(2) Only an authorized person shall be permitted access to the circuit breaker.

(3) No cables shall be spliced in a shaft except for a temporary period where emergency power is required.

(4) Except when supplying electric mobile equipment, cables transmitting power underground shall,

- (a) be armoured or protected by metal conduit when operating at over 150 volts to ground; and
- (b) have any outer jackets made of material that will not support combustion.

(5) A certificate showing the voltage for which a cable was built shall be obtained by the user for a cable in use in a shaft or underground when operating in excess of 750 volts.

(6) Before installing a cable to be used in a shaft or underground in excess of 750 volts tests shall be conducted on the insulation to determine it is in safe condition for the voltage at which it will be used and a record of such tests shall be kept.

169. Where an internal grounding conductor or the armouring or casing of cables underground does not provide a grounding circuit of adequate size, a non-corrosive grounding conductor of adequate size shall be run from such equipment to a grounding point on surface.

170. Junction boxes for a cable transmitting power at a potential exceeding 300 volts shall not be located in a shaft or directly attached to any timber at a shaft station or headframe.

171. Unarmoured signal and telephone cables shall be prevented from coming into contact with electrical equipment.

172. The voltage of any underground lighting circuit shall not exceed 150 volts to ground except in circuits using direct current where the voltage shall not exceed 300 volts to ground.

173. In an underground mine trolley lines shall,

- (a) be at an elevation greater than 2 metres above grade;
- (b) operate at a potential not exceeding 300 volts to ground; and
- (c) be guarded against inadvertent contact by a worker.

PART VIII

MECHANICAL

174.—(1) An explosive actuated fastening tool shall,

- (a) when in storage, be,
 - (i) accessible only to an authorized worker, and
 - (ii) kept in a locked container;
- (b) be maintained in proper condition; and
- (c) be serviced in accordance with the recommendations of its manufacturer.

(2) The shells for use with an explosive actuated tool shall,

- (a) be identified as to size and strength;
- (b) be kept in containers which contain only one size and strength;
- (c) not be left unattended except when in storage; and
- (d) when in storage be,
 - (i) accessible only to an authorized worker, and
 - (ii) kept in a locked container.

(3) The operator of an explosive actuated fastening tool shall,

- (a) be a competent person;
- (b) operate the tool in accordance with the manufacturer's instructions; and
- (c) ensure before use that the barrel is clean and free from any obstruction.

175.—(1) Before first using a diesel engine in an underground mine,

(a) an engineer of the Ministry shall be advised in writing; and

(b) a log book approved by the Ministry shall be obtained to record information prescribed to be kept therein.

(2) Gasoline or other volatile fuel shall not be used in the starting mechanism for a diesel engine.

(3) The fuel for a diesel engine shall have,

(a) a flash point greater than 52°Celsius when tested by a closed cup method; and

(b) a sulphur content less than 0.25 per cent by weight.

(4) The undiluted exhaust gases from a diesel engine shall have less than 1,500 parts per million by volume of carbon monoxide.

176.—(1) A chart of procedures in the use and operation of diesel units shall be maintained and displayed in a central location.

(2) A positive flow of air to the work place where a diesel unit or units are operating shall be provided by a mechanical ventilation system.

(3) The flow of air prescribed in subsection 2 shall reduce the concentration of toxic substances in diesel exhaust emissions to prevent the exposure of a worker to such toxic substances in excess of the values adopted as criteria or guides under section 279.

(4) Tests shall be made to determine,

(a) the volume of air flowing in underground haulageways and workings where diesel equipment is working, at least weekly;

(b) the carbon monoxide content of the undiluted exhaust discharging to atmosphere,

(i) at least weekly, and

(ii) immediately following repairs to the engine which may have altered its combustion characteristics;

(c) the carbon monoxide content of the atmosphere at the operator's position,

(i) at least weekly, and

(ii) upon a request of the operator for cause;

(d) the nitrogen dioxide content of the atmosphere at the operator's position, at least weekly; and

(e) the aldehyde content of the atmosphere at the operator's position, at least every three months,

and the results of each test shall be entered in the log book required by subsection 1 of section 175.

177. The exhaust of an internal combustion engine which is temporarily or permanently installed within a building on surface shall be,

(a) conducted to a point outside the building; and

(b) prevented from,

(i) re-entering the building,

(ii) entering the intake of any compressor,

(iii) contaminating the atmosphere of another building, and

(iv) contaminating mine workings.

178.—(1) A prime mover, machine, transmission equipment or thing that has an exposed moving part that may endanger the safety of any person shall be fenced or guarded unless its position, construction or attachment provides equivalent protection.

(2) A prime mover, machine, transmission equipment or thing shall be provided with a device that automatically prevents a worker operating it from coming in contact with any moving part.

(3) The travelway of a counterweight shall be guarded or located to prevent,

(a) inadvertent entry thereto by a worker; and

(b) injury to a worker should the counterweight become detached from its fastenings.

(4) Clearance sufficient for the safety of a worker shall be provided from the path of travel of,

(a) a load carried by a machine;

(b) a moving part of a machine; and

(c) another machine.

(5) A revolving set screw, bolt, key or other similar device shall be recessed, encased or guarded to prevent inadvertent contact by a worker.

(6) Where any work is being done on a prime mover or transmission equipment, the prime mover or transmission equipment shall have,

(a) the operating controls tagged;

- (b) the moving parts stopped; and

(c) the hydraulic, pneumatic or gravity stored energy dissipated or contained.
- (7) A tag required by clause *a* of subsection 6 shall,

(a) be secured to prevent its accidental removal;

(b) state the reason the controls are tagged;

(c) show the name of the person responsible for tagging the controls; and

(d) show the date on which the controls were tagged.
- 179.—(1) A permit showing the maximum loading of persons and of materials that may be carried on an elevator shall be obtained from an inspector of the Ministry.
- (2) The permit shall be,

(a) posted in a location readily visible to a worker authorized to control the loading;

(b) kept in good condition; and

(c) in the following form:

PERMIT TO OPERATE AN ELEVATOR

ONTARIO MINISTRY OF LABOUR

Permit No.

This permit, as required under *The Occupational Health and Safety Act, 1978* and subject to the limitations thereof, is granted to

.....

Company

.....

Address

To operate

Installed at

The maximum capacity of which iskilograms

or persons, including the operator.

Dated at on, 19...

.....

Inspector

Occupational Health and Safety Division, Mining Health and Safety Branch

(3) The maximum loading set out in the permit shall not be exceeded.

(4) Before initial use, specifications for an elevator shall be submitted to an inspector on Elevator Data Sheets of the Ministry.

(5) An elevator installation shall meet the standards set out in CSA Standard No. B44-1975, "Safety Code for Elevators, Dumbwaiters, Escalators and Moving Walks".

(6) Each component which may affect the safe operation of an elevator shall be examined and tested by a competent person before an elevator is initially used and thereafter at intervals not exceeding one month.

(7) A log book shall be kept in which the date, findings and name of the competent persons performing the examinations and tests prescribed in subsection 6 shall be recorded.

(8) In addition to the standards required to be met under subsection 5, an elevator shall,

(a) have a safe means of access to the machinery room which access shall be located outside the hoistway;

(b) not have hoisting or balance ropes that are spliced;

(c) have the entry to the machinery room restricted to authorized persons;

(d) have a means by which a person stranded in an elevator can alarm persons outside the elevator when the elevator is operated on automatic control; and

(e) have its controls and machine parts protected against physical damage, moisture, dust or extreme temperatures.

(9) The machinery room of the elevator shall be kept clean and contain only those materials required for the elevator.

180. Dumbwaiters, escalators or moving walks shall meet the standards set out in CSA Standard No. B44-1975, "Safety Code for Elevators, Dumbwaiters, Escalators and Moving Walks".

181.—(1) A manlift shall meet the standards set out in the Code for Manlifts dated the 25th day of September, 1979 and issued by the Ministry.

(2) Before the initial use of a manlift, drawings showing the arrangements of a manlift shall be submitted to an inspector.

(3) Each component which may affect the safe operation of a manlift shall be examined and tested by a competent person,

2162

- (a) before initial use; and
- (b) at intervals not exceeding one month.

182. No worker shall be raised or lowered or be permitted to be raised or lowered at a surface mine or mining plant by any hoist, derrick, crane or similar device unless,

- (a) such device is examined and tested by a competent person;
- (b) a safe procedure for raising or lowering the worker is established and adopted by the supervisor in charge of the mine or mining plant;
- (c) there is a device by which the hoist operator and the worker being raised or lowered can exchange movement signals except where the worker being transported is visible at all times to the hoist operator.

183. No elevator, dumbwaiter, escalator, moving walk or manlift shall be used when a component, which may affect its safe operation, is defective.

184.—(1) A lifting device shall be,

- (a) designed to factors of safety recognized by good engineering practice;
- (b) installed in accordance with such design criteria;
- (c) provided with overwind protection if power operated; and
- (d) provided with an identification plate.

(2) The maximum load that a lifting device may carry, based on its design criteria, shall be established by its designer.

(3) A notice showing the maximum load established under subsection 2 shall be posted in a location visible to the operator of the device.

(4) Except during testing, the maximum load established under subsection 2 shall not be exceeded.

(5) Each component that may affect the safe operation of a lifting device shall be examined and tested by a competent person before initial use and thereafter at intervals not exceeding one year.

(6) The dates, findings and names of the competent persons performing the examinations and tests prescribed in subsection 5 shall be recorded and the records shall be kept available for inspection.

(7) Where a combination of lifting devices is used simultaneously, the work shall be supervised by a competent person.

185.—(1) A grinder shall be assembled and adjusted in accordance with the manufacturer's specifications.

(2) The maximum speed at which a grinding wheel may be operated shall be indicated on the wheel by the manufacturer.

(3) A grinding wheel shall be,

- (a) enclosed by a protective hood except for the area at the workrest;
- (b) stored where it will not be damaged by impact, extreme heat and cold;
- (c) stopped when the grinder or workrest is being adjusted; and
- (d) not operated in excess of the manufacturer's recommended maximum speed.

(4) The operator of a grinder shall wear eye protection.

(5) The workrest of a grinder shall be mounted above the centre line of the grinding wheel not more than 3 millimetres from the wheel.

(6) An air operated grinder shall have a governor to prevent its operation in excess of the rated speed of the grinding wheel.

(7) The governor required by subsection 6 shall be inspected regularly and maintained in proper operation.

186.—(1) Every supervisor of workers who performs welding, burning or cutting operations shall be a competent person.

(2) Every worker who as part of his work performs welding, burning or cutting operations shall be a competent person.

(3) Protection for workers to protect them against injury from fumes, radiation and electric arcs produced during welding, burning or cutting operations shall be provided and used.

(4) A device to extinguish a fire that may be caused by heat or cuttings produced during welding, burning or cutting shall be provided with each oxygen-acetylene unit.

(5) The device required by subsection 4 shall,

- (a) have a capacity for extinguishing a fire that is equal to or greater than a minimum Underwriters' Laboratories of Canada classification of 1A 10B; and
- (b) be suitable for class A and B fires.

(6) Equipment for welding, burning or cutting shall be protected against physical damage and from damage by heat, fire and sparks.

(7) No gas welding, burning or cutting equipment shall be used unless it is free from defects, leaks, oil and grease.

(8) Acetylene cylinders shall be placed in an upright position for at least thirty minutes before use.

(9) Valve protection covers shall be in place on oxygen and acetylene cylinders,

- (a) when the cylinders are empty;
- (b) when the cylinders are not connected for use;
- (c) before being left unattended when underground on portable units; and
- (d) while being transported.

(10) The valves of oxygen and acetylene cylinders shall be closed when,

- (a) a job is completed;
- (b) the oxygen and acetylene cylinders are on portable units and unattended underground; and
- (c) the oxygen and acetylene cylinders are transported.

(11) The regulators and manifolds of oxygen and acetylene cylinders shall be disconnected when the cylinders are being transported underground.

(12) Unless procedures for safe use have been established by a supervisor in charge of the work place, a charged gas system installed for welding, burning or cutting shall not be used for any other purpose.

(13) An insulated conductor of adequate size shall be used to carry the welding current back to an electric welder unless another safe return path has been provided.

(14) No welding, cutting, burning or soldering shall be done on a container in which an explosive or flammable substance has been stored unless the substance,

- (a) has been completely removed; or
- (b) has been made non-flammable or non-explosive.

(15) No explosive or flammable substance shall be put in a container on which welding, burning, cutting or brazing has been done until the container has cooled sufficiently to prevent ignition of the substance.

(16) A second worker who is a competent person shall attend oxygen and acetylene control devices when oxygen and acetylene cylinders are set up in,

- (a) a position not readily available to the worker performing cutting, welding or burning operations; and

(b) a shaft conveyance while a worker is welding, burning or cutting on or from the conveyance.

187.—(1) A multi-girder top-running electric overhead travelling crane for general use shall meet the standards set out in CSA Standard B167-1964, "General Purpose Electric Overhead Travelling Cranes".

(2) An electric overhead travelling crane for steel mill service shall meet the standards set out in the Association of Iron and Steel Engineers Standard No. 6, "Specifications for Electric Overhead Travelling Cranes for Steel Mill Service".

(3) Every production crane and every service crane shall be provided with,

- (a) a safe means of access and egress for the operator from the cab mounted on the crane when,
 - (i) it is parked in the normal parking position, and
 - (ii) it cannot be brought to the normal parking position;
- (b) an alarm by which the operator can warn persons that may be endangered by the moving crane;
- (c) an alarm, that is visible to persons in the vicinity of the crane when operating on,
 - (i) pendant control, where the worker controlling the crane does not have a clear view of the area in which the crane is operating, or
 - (ii) radio frequency control;
- (d) protection against inadvertent operation by radio frequencies when equipped with radio frequency controls;
- (e) an operating procedure to guard against colliding with other cranes on the same track;
- (f) a load rating plate stating the maximum load that can be carried by the crane posted on the crane;
- (g) a device by which the power conductors, for the crane, can be safely disconnected from the source of electrical supply; and
- (h) a switch or circuit breaker by which the maximum power to the crane can be safely interrupted from the cab on the crane, unless the crane collectors can be safely removed.

(4) Devices which may affect the safe operation of a crane shall be tested, serviced and examined by a competent person,

(a) before the crane is first put into service, in accordance with the test requirements contained in the CSA Standard B167-1964, "General Purpose Electric Overhead Travelling Cranes"; and

(b) at a frequency equal to or better than that recommended by the manufacturer of the crane.

(5) In addition to the requirements of subsection 4, devices which may affect the safe operation of,

(a) a production crane shall be tested daily when in use; and

(b) a service crane shall be tested daily when in use and the test shall be made before the first use of the crane on that day.

(6) The shafting of the drive train of a crane shall be examined by a competent person using ultrasonic methods to determine if it is in sound condition,

(a) before first being put to use; and

(b) at a frequency equal to or better than that specified by the competent person.

(7) A log book shall be kept for each crane and the log book shall contain,

(a) a record of the dates on which testing, servicing and inspections were performed;

(b) a record of the findings of any tests and examinations;

(c) a record of repairs and modifications performed and the signature of the person performing such work; and

(d) the signature of the supervisor authorizing the repairs or modifications referred to in clause c.

(8) A crane shall not be operated,

(a) when in the hoisting rope,

(i) the number of broken wires in one lay length exceeds 5 per cent of the total in the rope, or

(ii) defects which seriously affect its strength are known to exist;

(b) when a person is in the vicinity of the wheel tracks unless precautions have been taken to ensure his safety;

(c) by an unauthorized person;

(d) by a person who is not a competent person, except for the purpose of training;

(e) when any device which may affect safe operation is found to be faulty; and

(f) when the load exceeds the load rating of the crane, except for the purpose of a test.

(9) No person shall ride or be permitted to ride,

(a) on the load being carried by a crane;

(b) on a crane except,

(i) the crane operator and any trainee,

(ii) personnel performing maintenance, inspection, or testing of the crane,

(iii) supervisors, and

(iv) for the purpose of maintenance repairs from the crane when precautions for the safety of workers doing the repair have been implemented.

(10) A production crane shall be operated by a competent person who is in possession of a subsisting crane operator's medical certificate.

(11) A person operating a crane shall,

(a) be physically and mentally fit to discharge the duties of a crane operator;

(b) undergo a medical examination by a physician before commencing work as a crane operator and every twelve months thereafter;

(c) obtain a crane operator's medical certificate from the physician certifying that the person is physically fit to operate a crane and is not subject to any infirmity of body or mind that may interfere with the duties of a crane operator.

(12) The crane operator's medical certificate shall,

(a) expire one year from its date; and

(b) be kept on file and recorded on a posted list of active crane operators.

(13) The crane operator's medical certificate shall be in the following form:

The Occupational Health and Safety Act, 1978

CRANE OPERATOR'S MEDICAL
CERTIFICATE

I have this day examined

name:and
certify he is physically fit to operate a crane and is not
subject to any infirmity of body or mind that may
interfere with the duties of a crane operator.

.....
(signature of qualified medical
practitioner)

.....
(date)

- 188.—(1) No person shall ride on a conveyor belt.
- (2) A conveyor shall have,
- (a) a pull cord at accessible locations along the conveyor by means of which the conveyor can be stopped;
 - (b) when the conveyor is started automatically, by remote control or where a portion or portions of the conveyor are not visible from the operator's position, a start-up warning device; and
 - (c) head, tail, drive and tension pulleys guarded at any pinch point with guards that extend at least 0.9 metre from a pinch point.
- (3) A pull cord required by clause *a* of subsection 2 shall,
- (a) be within easy reach of accessible locations along the conveyor; and
 - (b) operate a manual reset type switch that stops the conveyor.
- (4) Guards shall be provided beneath a conveyor,
- (a) that passes over a worker; or
 - (b) from which falling materials or parts may endanger a worker.
- (5) A conveyor in an underground mine shall have,
- (a) devices that guard against excessive slip between the belt and the driving pulley; and
 - (b) a fire suppression system at the driven end unless fire retardent belting is used or the

conveyor is continually attended by a worker.

(6) A conveyor shall be stopped and the prime mover de-energized, locked and tagged out when the conveyor is undergoing repairs, adjustments or maintenance unless,

- (a) it is necessary to run the conveyor during such work; and
- (b) special precautions are taken to prevent injury to a worker from moving parts.

189.—(1) A power driven raise climber shall,

- (a) have at least two independent means of braking,
 - (i) one of which shall be as close as practical to the final drive of the motor,
 - (ii) each capable of stopping and holding the climber with its maximum rated load, and
 - (iii) each arranged to permit independent testing;
- (b) have the maximum load that it may carry as certified by its manufacturer, displayed on the climber or at the raise service position;
- (c) be operated within the maximum load limit;
- (d) except when the track on which it operates is being extended, have a stop block to prevent the climber being taken beyond the track; and
- (e) have an effective means for communication between the climber and the service raise position.

(2) A raise climber that is electrically powered shall,

- (a) not be operated in excess of 750 volts;
- (b) be protected by a ground fault system;
- (c) have a visible break switch at the raise service area by which its power can be isolated;
- (d) have a switch at the raise service area by which its power can be safely interrupted; and
- (e) have a control switch on the climber by which power to its motor can be removed.

(3) The electrical supply to a raise climber shall be disconnected while explosives and electric caps are being loaded into a position for blasting.

(4) A means by which workers can be reached and removed from a raise climber shall be available for use.

(5) Devices which may affect the safe operation of a raise climber shall be examined by a competent person,

- (a) before the raise climber is first used at the raise and daily thereafter when in use; and
- (b) during every major overhaul of the raise climber.

(6) A major overhaul shall be performed on a raise climber at the frequency recommended by the manufacturer of the climber or a competent person, whichever is the more frequent.

(7) A raise climber being used at a raise shall be cleaned thoroughly weekly.

(8) The brakes and controls of the raise climber shall be tested prior to first being used during a workshift.

(9) The main shafting of the drive train of a raise climber shall be examined by a competent person using ultrasonic methods to determine if it is in sound condition,

- (a) before the raise climber is first put into service; and
- (b) during every major overhaul of the raise climber and not less frequently than once for every 4,000 hours of use.

(10) A log book shall be kept for each raise climber and the log book shall contain,

- (a) a record of the dates the examinations prescribed in subsections 5 and 9 are performed;
- (b) a record of the findings during the examinations referred to in clause *a*;
- (c) a record of any repairs and modifications, and the signature of the person performing such examinations, repairs and modifications; and
- (d) the signature of the supervisor authorizing the repairs and modifications referred to in clause *c*.

190.—(1) Procedures for the safe operation of a steam or compressor plant shall be prepared in writing and made available to the workers operating and maintaining the plant.

(2) A steam boiler or compressor to which *The Boiler and Pressure Vessels Act* does not apply shall be regularly cleaned and examined for proper and safe condition.

191.—(1) An air compressor driven by a prime mover exceeding 25 kilowatts when installed in an underground mine shall be,

- (a) designed and installed so as to minimize the hazard of fire or explosion due to the accumulation of carbonaceous materials in the air system;
- (b) provided with protective devices that prevent its operation if,
 - (i) the temperature of the air at the discharge line is in excess of normal,
 - (ii) the temperature of the compressor cooling water and cooling air is in excess of normal, or
 - (iii) the flow and pressure of compressor lubricating oil is below normal;
- (c) provided with an alarm that,
 - (i) is audible and visible to the worker in charge of the compressor,
 - (ii) operates when a device as prescribed in clause *b* of subsection 1 is activated,
 - (iii) operates as long as the conditions exist that cause a device as prescribed in clause *b* of subsection 1 to operate.

(2) A protective device prescribed in clause *b* of subsection 1 shall not be,

- (a) capable of automatically restarting the compressor; and
- (b) used, unless tested and found to function properly.

192.—(1) A reciprocating type air compressor driven by a prime mover exceeding 30 kilowatts, that is lubricated by oil and discharges to a closed system over 100 kilopascals, shall have,

- (a) a temperature-indicating device installed at the high-pressure discharge pipe; and
- (b) the normal operating temperature marked on the device.

(2) The discharge air temperature shall be,

- (a) read at least once every operating shift; and

(b) recorded in a compressor log book.

193.—(1) An operator of mobile cranes, shovels and boom trucks, or similar equipment, whereby rope is wound onto a drum driven by an engine for the purpose of raising, lowering or swinging materials, shall,

- (a) have a subsisting Hoisting Engineers Certificate issued under *The Operating Engineers Act*; or
- (b) be qualified in accordance with a program approved by the Director, when the person is an employee of the mine or mining plant.

(2) An approved program referred to in clause b of subsection 1 shall consist of,

- (a) instruction time;
- (b) field time;
- (c) familiarization with the equipment to be used; and
- (d) a method of examination.

(3) Mobile cranes, shovels, boom trucks and similar equipment shall be inspected for safe and proper condition by a competent person,

- (a) before being used at the start of each work-shift; and
- (b) at regular intervals as recommended by the manufacturer.

PART IX

RAILROADS

194.—(1) Standard practices to govern the safe operation of a standard gauge railroad, a self-propelled track crane, motorized equipment used for the maintenance of a standard gauge railroad, a motor vehicle equipped with rail wheels in addition to rubber-tired wheels or other similar equipment shall be prepared in writing.

(2) A copy of the standard practices prepared in accordance with subsection 1 shall be provided to each railroad worker and each railroad worker,

- (a) shall be trained and instructed in and be knowledgeable of the standard practices for his work; and
- (b) shall have a copy of the standard practices readily available while on duty.

(3) Where a railroad of a mine or mining plant interconnects with a railroad of a railway company a standard procedure shall be established and followed for carrying on operations on the first mentioned railroad.

(4) A railroad shall be built to safely withstand speeds and loads to which it will normally be subjected by a train.

(5) A low bridge warning sign shall be installed at an approach of a railroad to an overhead structure, where the clearance between the underside of the structure and the top of any railway car is less than 2 metres.

(6) Guard rails shall be placed at the approach to railroad tracks where the view is obstructed in one or both directions.

(7) A locomotive shall,

- (a) have an audible warning system in proper working condition;
- (b) have a suitable headlight for each travel direction when operating in areas without adequate lighting;
- (c) be equipped with brakes in proper working condition; and
- (d) have the control lever so mounted as to prevent its inadvertent removal.

(8) The locomotive operator shall be in position at the controls when operating the locomotive on manual control.

(9) Before leaving a locomotive unattended, the operator shall,

- (a) set the controls in position for parking;
- (b) set the brakes; and
- (c) on a grade, use hand brakes or wheel chocks to prevent movement of the locomotive.

(10) Before installing remote or automatic controls for the operation of a locomotive, an engineer of the Ministry shall be notified thereof.

(11) A standard practice shall be prepared for the use of radio communications systems on a railroad.

(12) Only authorized persons shall ride on a train.

(13) One or more workers shall be stationed to direct the operator of a locomotive when backing a train in a location where persons may be endangered.

(14) A car shall not be permitted to run free unless,

- (a) adequate control thereof is maintained; and
- (b) there is no hazard to a worker.

PART X

MINE HOISTING PLANT

195.—(1) Except for the purpose of testing before being put into service in a particular location no mine hoisting plant shall be operated without a valid mine hoisting plant permit.

(2) The permit prescribed by subsection 1 shall be,

(a) obtained from an engineer of the Ministry; and

(b) valid only when the plant is,

(i) installed, maintained and operated in compliance with this Regulation, and

(ii) operated in the location specified in the permit.

(3) A mine hoisting plant permit shall be in the following form:

PERMIT TO OPERATE A MINE HOISTING PLANT

No.

In accordance with the requirements prescribed in the Mining Health and Safety Regulations, a permit is hereby granted to operate the following mine hoisting plant:

1. Hoist Serial No.
2. Manufactured by
3. Located at Shaft No.
4. Compartment No.
5. Mine Owner
6. Plant Owner

This permit is granted on condition that the mine hoisting plant is installed, maintained and operated in compliance with the Regulations made under *The Occupational Health and Safety Act, 1978*.

Date
Engineer of the Ministry

196.—(1) No shaft conveyance shall be used without a subsisting shaft conveyance permit.

(2) A permit to operate a shaft conveyance shall,

(a) be obtained from an engineer of the Ministry;

(b) be maintained in legible condition; and

(c) be valid only when the shaft conveyance is,

(i) installed, maintained and operated in compliance with this Regulation, and

(ii) operated in the location specified in the permit.

(3) A shaft conveyance shall not be loaded in excess of maximum number of persons or weight of material stated in item 9 of the permit.

(4) A permit to operate a shaft conveyance shall be in the following form:

PERMIT TO OPERATE SHAFT CONVEYANCE

No.

In accordance with the Regulations made under *The Occupational Health and Safety Act, 1978*, a permit is hereby granted to operate the following shaft conveyance:

1. Type of Conveyance
2. Shaft Conveyance Serial No.
3. Manufactured by
4. Located in Shaft No.
5. Compartment No.
6. Hoist Serial No.
7. Mine Owner
8. Shaft Conveyance Owner
9. Load Limits

	Maximum Number of Persons or Weight of Materials in kilograms
Deck No. 1 (top)	or
Deck No. 2	or
Deck No. 3	or
	or
Total	

This permit is granted on condition that the mine hoisting plant is installed, maintained and operated in compliance with the Regulations made under *The Occupational Health and Safety Act, 1978*.

Date
Engineer of the Ministry

(5) A notice in the following form, stating the authorized loads of a shaft conveyance, shall be posted at the shaft collar:

POSTED IN ACCORDANCE WITH SUBSECTION 5
OF SECTION 196 OF
The Occupational Health and Safety Act, 1978

SHAFT CONVEYANCE

AUTHORIZED LOADS

OwnerMine

ShaftCompt. No.

Conv. TypeSerial No.

Load Limits	Maximum No. of Persons or Weight of Material in kilograms
Deck No. 1 (top)	or
Deck No. 2	or
Deck No. 3	or
Total	or

This shaft conveyance shall not be loaded in excess of the maximum number of persons or weight of material stated above.

This notice shall be posted at the shaft collar.

.....
Engineer of the Ministry

Date Notice No.

197. Tests for compliance with this Regulation shall be conducted on a mine hoisting plant before being put into initial service in a particular location.

198.—(1) No shaft conveyance shall be loaded in excess of the maximum number of persons or the maximum weight of materials as stated on the shaft conveyance permit.

(2) In determining the maximum weight of materials for the permit for a shaft conveyance, an engineer of the Ministry shall take into consideration the maximum load that a mine hoisting plant is capable of carrying safely.

(3) Subject to subsection 4, the maximum number of persons that can be carried on a shaft conveyance shall be determined as follows:

1. Where the clear floor area of a deck of a shaft conveyance is 1.86 square metres or less, there shall be at least 0.19 square metre for each person.
2. Where the clear floor area of a deck of a shaft conveyance is more than 1.86 square metres and less than 4.64 square metres, there shall be at least 0.16 square metre for each person.
3. Where the clear floor area of a deck of a shaft conveyance is 4.64 square metres or more, there shall be at least 0.14 square metre for each person.

(4) The maximum number of persons that may be carried by a shaft conveyance shall not exceed 85 per cent of the maximum weight of materials divided by 90 kilograms.

199. The following log books shall be obtained from the Ministry and used for each mine hoisting plant:

1. Electrical Hoisting Equipment Record Book.
2. Hoisting Machinery Record Book.
3. Hoistman's Log Book.
4. Rope Record Book.
5. Shaft Inspection Record Book.

200. A headframe on surface or underground in an underground mine shall,

- (a) be designed in accordance with good engineering practice;
- (b) have the plans of the design certified by a professional engineer;
- (c) be constructed in accordance with the design;
- (d) be of sufficient strength to safely withstand all loads to which it is likely to be subjected; and
- (e) be of sufficient height to provide a distance for an overwind which exceeds the greater of,

(i) twice the stopping distance of the hoist at the maximum speed permitted by the hoist controls, or

(ii) 3 metres.

201. A mine shaft shall,

- (a) be designed in accordance with good engineering practice;
- (b) have a means to guide each shaft conveyance to prevent contact with another shaft conveyance or shaft furnishings;

(c) have underwind clearances which exceed the stopping distance of the shaft conveyance when travelling at the maximum speed permitted by the hoist controls, except,

- (i) during shaft sinking, or
- (ii) when chairs are used to land a skip during loading; and

(d) have arrangements by which a shaft conveyance or counterweight operated by a friction hoist is physically prevented from entering into a fixed part of the shaft or headframe.

202.—(1) Subject to subsection 5, protective devices and procedures shall be used to prevent a shaft conveyance or counterweight from coming into contact with an intermediate shaft obstruction.

(2) A device which may become an intermediate shaft obstruction shall be positively locked out of the shaft compartment to prevent inadvertent entry into the compartment.

(3) The location of the intermediate shaft obstruction shall be marked on the depth indicator of a hoist.

(4) The protective procedure for operating the intermediate shaft obstruction shall be prepared in writing and posted for use by the hoist operator.

(5) Doors for covering the shaft at the collar to facilitate the maintenance of a shaft conveyance are not an intermediate shaft obstruction if,

- (a) they are positively latched out of the shaft compartments when not in use; and
- (b) dual lights are installed to indicate to the hoist operator whether such doors are in or out of the shaft compartment.

203.—(1) When a skip is being used to carry persons, the hoist shall,

- (a) be equipped with control devices that prevent the skip from being taken,
 - (i) to the dump position, and
 - (ii) to the skip loading pocket unless the controls for loading the skip with ore or waste have been made inoperative;
- (b) not be permitted to travel in excess of one-half its normal speed and in no case shall the speed be permitted to exceed 5 metres per second.

(2) The control devices of the hoist shall be designed and installed to be fail safe.

(3) An audible or visual signal that the control devices for the hoist are set in operation shall be given to persons entering a skip.

204.—(1) Chairs used for landing a cage shall be,

- (a) arranged to fall clear and remain clear of the shaft compartment when the cage is lifted off the chairs;
- (b) operable only from outside the cage; and
- (c) so arranged as not to distort the cage.

(2) Chairs fastened to shaft station posts shall be of a chain type.

205. A certificate for each hoist shall be obtained from the manufacturer of the hoist or a professional engineer competent in the design of mine hoisting plants certifying,

- (a) the maximum rope pull;
- (b) the maximum suspended load; and
- (c) the maximum unbalanced load in the case of a friction hoist,

and no hoist shall be loaded above the maximums as certified.

206.—(1) No hoist shall be used for the transporting of persons unless it has a braking system consisting of at least two sets of mechanical brakes to stop and hold the drum for the shaft conveyance transporting the persons.

(2) Each set of mechanical brakes shall,

- (a) stop and hold the drum when the shaft conveyance or counterweight is operating at its maximum load;
- (b) be so arranged to be capable of being tested independently; and
- (c) be arranged to apply normal braking effort before a linkage or brake piston reaches a limit of travel.

(3) At least one of the mechanical brakes shall be designed and arranged to,

- (a) apply directly to the drum; and
- (b) apply automatically when,
 - (i) the safety circuit of the hoisting plant is interrupted, or
 - (ii) the pressure in the hydraulic or pneumatic system for applying brakes has dropped below normal.

(4) The braking system shall be arranged so that,

- (a) the brakes are applied by control levers that are pulled unless brake and power control levers are common; and
- (b) any brake weights installed to provide auxiliary braking force can be readily tested for freedom of movement.

(5) Subject to subsection 6, the brakes of a drum hoist shall be arranged to decelerate the hoist at a rate greater than 1.5 metres per second per second and less than 3.7 metres per second per second where braking is initiated by an interrupted safety circuit and the hoist is,

- (a) normally used for the transporting of persons; and
- (b) operating in the normal full speed zone.

(6) Subsection 5 does not apply to a drum hoist installed at a particular location prior to the coming into force of this Regulation.

(7) The brakes of a drum hoist installed in a particular location before the coming into force of this Regulation and which is normally used for transporting persons shall be tested to determine its deceleration rates.

(8) Where the tests prescribed in subsection 7 establish that the deceleration rates are in excess of 5.5 metres per second per second and where it is practical to do so, the hoist shall be modified before the 1st day of October, 1981 so as to reduce the deceleration rate to 5.5 metres per second per second or less.

(9) The braking system of a hoist not normally used to transport persons shall be designed and arranged to safely stop and hold the hoist under all conditions of normal load, speed and direction of travel.

207.—(1) A clutch of a drum hoist shall be interlocked with the brake so that,

- (a) the clutch can be disengaged only when the brake of the drum is fully applied; and
- (b) the clutch is fully engaged before the brake of the drum can be released.

(2) The controls for engaging and disengaging a clutch shall be guarded to prevent their inadvertent operation.

(3) No band type friction clutch shall be used.

208.—(1) Except as prescribed in subsection 2, the drum to rope diameter ratio for a drum hoist shall be equal to or greater than,

- (a) subject to clause b, 60 to 1, where the rope diameter is 25.4 millimetres or less;
- (b) 54 to 1, where the rope diameter is 22.2 millimetres or less and the rope is being used on a drum hoist whose diameter is less than 1.35 metres and the hoist was manufactured before 1950; and
- (c) 80 to 1, where the rope diameter is greater than 25.4 millimetres.

(2) A hoist in use for shaft sinking or for preliminary development work during shaft sinking shall have a drum to rope diameter ratio equal to or greater than,

- (a) 48 to 1, where the rope diameter is 25.4 millimetres or less; and
- (b) 60 to 1, where the rope diameter is greater than 25.4 millimetres.

(3) The drum to rope diameter ratio of a friction hoist shall be equal to or greater than 100 to 1.

209. No drum hoist shall have,

- (a) more than three layers of rope where the drum has helical or spiral grooving or does not have grooving;
- (b) more than four layers of rope if the drum has parallel and half pitch grooving; and
- (c) less than three dead turns of the rope on the drum.

210.—(1) Subject to subsection 2, the drum of a drum hoist shall be provided with,

- (a) grooves that properly fit the rope, unless the hoist is being used for shaft sinking or preliminary development work during shaft sinking in which case the drum may be smooth; and
- (b) flanges of sufficient height to contain all the rope and which are strong enough to withstand any loading by the rope.

(2) A conical drum hoist shall be provided with grooves that prevent the rope from slipping off.

211. A drum hoist and a sheave shall be arranged so that the rope,

- (a) coils properly across the face of the drum;
- (b) winds smoothly from one layer to another; and
- (c) winds without cutting into the rope layer beneath.

212. Bolts and other fittings of a mine hoisting plant shall be properly secured.

213.—(1) A hoist shall be provided with depth indicators that continuously, accurately and clearly show to the hoist operator the position,

- (a) of a shaft conveyance and counterweight, if any;
- (b) in an inclined shaft, of a change in gradient that requires a reduction in hoist speed;
- (c) at which the overwind, underwind and track limit devices are set to operate;
- (d) of any intermediate shaft obstruction;
- (e) of the limits of normal travel for the shaft conveyance and counterweight, if any; and
- (f) of any collar doors, dump doors and cross-head landing chairs.

214.—(1) A steam or air powered hoist shall be provided with devices that,

- (a) protect against an overwind;
- (b) protect against an underwind, except during shaft sinking;
- (c) indicate the air or steam pressure for the hoist operator; and
- (d) permit the air or steam supply to the hoist engine to be readily shut off by the hoist operator.

(2) Where the hoisting plant consists of a single shaft conveyance without a counterweight, the compression of the engine of an air or steam powered hoist may be used as an automatic brake if,

- (a) the engine is non-reversing;
- (b) the exhaust restraining valve is fail safe;
- (c) the piping system is strong enough to withstand the air or steam pressures;
- (d) the compression has sufficient braking capacity to stop the hoist carrying its maximum load;
- (e) the normal speed of the hoist is less than 2.5 metres per second; and
- (f) specifications and arrangements of the hoist have been submitted to an engineer of the Ministry.

215. A hoist being used as a tugger or a utility hoist shall be maintained and used so as not to endanger the safety of a worker.

216. A hoist that is relocated shall comply with the requirements of this Regulation.

217.—(1) Before a sheave is used, a certificate for the sheave shall be obtained from the manufacturer of the sheave or a professional engineer competent in sheave design certifying as to,

- (a) the maximum rated load;
- (b) the diameter of rope for which it was designed;
- (c) the breaking strength of the rope for which it was designed; and
- (d) the maximum amount of groove wear that shall be permitted.

(2) No sheave shall be,

- (a) loaded above the maximum rated load; or
- (b) used other than in compliance with the certificate.

(3) The ratio of the diameter of the sheave to the diameter of the rope shall be as prescribed in section 208.

(4) A sheave shall,

- (a) be made of materials which will safely withstand the ambient temperatures;
- (b) be fitted with a groove to fit the rope being used; and
- (c) bear a serial number and the date of its manufacture.

(5) The shaft of a sheave shall be examined for flaws by a non-destructive test by a person competent in such testing,

- (a) before being put into service in a particular location;
- (b) after installation; and
- (c) at a regular frequency as recommended by a person competent in such testing.

218.—(1) No hoist that is electrically powered shall be used unless it has a safety circuit that,

- (a) is fail safe;
- (b) when interrupted, operates to,
 - (i) set the brakes,
 - (ii) remove power from the hoist motor or motors, and

(iii) stop the mine hoist when in motion.

(2) The safety circuit shall be interrupted when,

- (a) there is a failure of a power supply to the hoist electrical system which may affect safe operation;
- (b) there is an overload on the hoist motors of a magnitude and duration exceeding normal;
- (c) there is a short circuit in the hoist electrical system; and
- (d) a prescribed safety device has operated.

(3) A switch to interrupt the safety circuit of a hoist shall be installed and the switch shall be,

- (a) manually operable;
- (b) located within easy reach of the hoist operator when at the controls;
- (c) readily recognizable; and
- (d) readily operable.

(4) A track limit device shall be installed in each shaft compartment that will be operated directly by the shaft conveyance or counterweight to interrupt the safety circuit in the case of an overwound shaft conveyance or counterweight.

(5) Devices shall be installed to protect a shaft conveyance or counterweight against,

- (a) overwind;
- (b) an underwind, except during shaft sinking;
- (c) approaching the limits of travel at an excessive speed; and
- (d) operating at a speed exceeding 118 per cent of normal speed.

(6) The devices required by subsection 5 shall,

- (a) operate to interrupt the safety circuit when activated;
- (b) be driven directly by the drum;
- (c) be protected for loss of motion;
- (d) prevent the paying out of excess rope during shaft sinking; and
- (e) be set to stop the hoist before a shaft conveyance, counterweight and their attachments make contact with a fixed part of a mine shaft or headframe.

(7) Devices shall be installed for a friction hoist that are set to interrupt the safety circuit where,

- (a) excessive slip between the drum and a hoisting rope or ropes occurs;
- (b) a violent swing or large rise in the loop of a balance rope occurs; and
- (c) a shaft conveyance and counterweight approaches the collar of a mine shaft at excessive speed.

(8) The devices required for the purposes of clause c of subsection 7 shall be installed in the mine shaft.

(9) A device shall be installed that synchronizes the position of the shaft conveyance with safety devices driven from the drum.

(10) A hoist that is electrically powered shall,

- (a) have an ammeter within plain view of the hoist operator to indicate the hoist motor current;
- (b) except when the slowdown control at the limits of travel is automatic, have a device to warn the operator, audibly, that the hoist is approaching the limit where a reduction in speed is necessary for safe manual braking; and
- (c) subject to subsection 11, have a speed indicator if the normal speed exceeds 2.5 metres per second;
- (d) have a device from which a voltage signal that is proportioned to the speed of the hoist can be obtained;
- (e) have a backout device as prescribed in subsection 12 by which a shaft conveyance or counterweight can be removed from an overwound or underwound position;
- (f) if equipped with an underwind by-pass device, have such device,
 - (i) manually operable only, and
 - (ii) restrict the hoist operation to slow speed;
- (g) have overwind by-pass devices that,
 - (i) are manually operable only,
 - (ii) when in use restrict hoist operation to slow speed, and
 - (iii) allow hoist travel beyond the first device providing overwind protection;

- (h) have a master controller that has a neutral or brake reset position;
- (i) have any brake operating levers arranged so that upon an interruption of the safety circuit the power to the hoist cannot be restored until the levers are in the brake applied position;
- (j) have accurate and sensitive safety controllers; and
- (k) have each safety-related device capable of being effective under the environmental conditions in which it is installed.

(11) Notwithstanding clause *c* of subsection 10, a hoist in use on the date this Regulation comes into force that does not have a speed indicator may be used, but a speed indicator shall be installed on the hoist prior to the 1st day of October, 1981, if its normal speed exceeds 2.5 metres per second.

(12) A backout device shall,

- (a) be manually operable only; and
- (b) prevent the brake or brakes from being released until sufficient torque has been developed to ensure movement in the correct direction.

(13) The adjustment of a protective device shall be altered only by a competent person authorized to do so.

219.—(1) A device that permits changing from manual to automatic control shall be installed on an automatic hoist and the device shall be,

- (a) located where it is readily accessible to the manual controls; and
- (b) operated only by an authorized worker.

(2) Where a hoist is designed to be operated from control stations located at shaft levels and within a shaft conveyance, the switch for affecting the change-over of the control mode between that at the shaft levels and at the shaft conveyance shall be effective only at the shaft level at which the shaft conveyance is stopped.

(3) Devices installed on the levels for the purpose of selecting the shaft conveyance destination and initiating hoist movement shall be effective only when,

- (a) the shaft conveyance is stopped at that level; and
- (b) the installation is designed for call operation.

(4) When an executive signal for hoist motion is given from controls at a level, at least five seconds shall lapse before the hoist moves.

(5) Except for jogging, devices at shaft level control stations for initiating hoist motion shall be effective only when the shaft gate at the level where the conveyance is stopped is closed.

(6) Except for jogging, devices located within a cage for initiating hoist motion shall be effective only when the door of the cage and the gate of the shaft are closed.

(7) Where the controls for initiating hoist motion are located within a cage, a device shall be installed in the cage by which the safety circuit of the hoist can be interrupted.

220.—(1) A shaft rope shall not be used unless,

- (a) a 2.5 metre representative sample has been tested for its breaking strength by a destructive test; and
- (b) a Certificate of Test has been obtained from a cable testing laboratory approved by the Minister.

(2) After eighteen months of use, and thereafter at intervals not exceeding six months, a portion of a hoisting rope of a drum hoist shall be cut off at the lower end above the clamps and the portion shall,

- (a) be at least 2.5 metres long;
- (b) have its ends adequately fastened; and
- (c) be submitted for a test of its breaking strength by a destructive test at a cable testing laboratory approved by the Minister.

(3) A certificate of Test of the portion of the rope referred to in subsection 2 shall be kept available for inspection.

(4) A hoisting rope being used as a shaft rope shall be tested throughout its working length by a competent person using an electromagnetic testing device,

- (a) within six months of being put into service; and
- (b) thereafter at regular intervals not exceeding four months; or
- (c) at intervals shorter than four months, where, by interpolation of past tests the loss in breaking strength will exceed 10 per cent before the next prescribed test.

(5) A balance rope and, where practical, a guide and a rubbing rope in use, shall be tested throughout its working length by a competent person using an electromagnetic testing device,

- (a) within twelve months of being put into service; and
- (b) thereafter at regular intervals not exceeding eight months except where a test discloses a loss exceeding 5 per cent of the breaking strength recorded on the Certificate of Test in which case the regular intervals shall not exceed four months.
- (6) The date of each electromagnetic test and the results obtained shall be recorded in the Rope Record Book for the rope.
- (7) A record of each electromagnetic test, including graphs and interpretations, signed by the person making such interpretations shall be sent, in duplicate, to an inspector within twenty-eight calendar days of the completion of the test and where the loss is greater than 7.5 per cent, within fourteen calendar days.
- (8) The Director may require specimens for special destructive testing from a shaft rope that has been removed from use.
- (9) The cost of such special destructive testing shall be borne by the Ministry and the employer shall bear the cost of preparing and shipping such specimens to a laboratory approved by the Minister.
- (10) No rope shall be used as a shaft rope,
- (a) if it has been spliced; or
- (b) if it has been reversed.
- (11) The minimum normal diameter of a hoisting rope shall exceed,
- (a) 15.9 millimetres where only one rope supports a shaft conveyance or counterweight; and
- (b) 12.7 millimetres where more than one rope supports a shaft conveyance or counterweight.
- (12) The factor of safety of a hoisting rope installed on a drum hoist shall not be less than,
- (a) subject to clause b, 8.5, at the point the rope is attached to a shaft conveyance or counterweight;
- (b) 7.5 at the point the rope is attached to a skip or counterweight where the material load was accurately weighed; and
- (c) 5.0 at the point the rope leaves the head sheave when the shaft conveyance or counterweight is at its lowest point of normal travel.
- (13) The factor of safety of a hoisting rope installed on a friction hoist shall not be less than the greater of,
- (a) the factor obtained from the formula $8.0 \text{ minus } 0.00164 d$, where d is the maximum length of the rope in metres, in the shaft compartment below the head sheave or the drum of a friction hoist; or
- (b) 5.5.
- (14) The factor of safety of a tail or balance rope shall not be less than 7.
- (15) The factor of safety of a guide or a rubbing rope shall not be less than 5.
- (16) Notice in duplicate in the form set out in the Rope Record Book of the installation of a shaft rope and containing the information set out in the said Book shall be sent to an inspector forthwith.
- (17) When a shaft rope is removed from service notice thereof shall be given to an inspector and the notice shall,
- (a) state,
- (i) the date of removal,
- (ii) the reason for removal, and
- (iii) the disposition of the removed rope; and
- (b) be in the form of the detachable part of the white Rope Installation Sheet in the Rope Record Book.
- (18) No rope shall be used as a shaft rope where the breaking strength of the rope has dropped below the breaking strength set out in the Certificate of Test as follows:
1. In any part of a hoisting rope, 90 per cent.
 2. In any part of a multi-layer, multi-strand balance rope, 90 per cent.
 3. In any part of a single layer stranded balance rope, 85 per cent.
 4. In any part of a guide or rubbing rope, 75 per cent.
- (19) Notwithstanding subsection 18, no rope shall be used as a shaft rope where,
- (a) the extension of a test piece has decreased to less than 60 per cent of its original extension when tested to destruction;
- (b) the number of broken wires excluding filler wires in any section equal to one lay length exceeds 5 per cent of the total;

- (c) marked corrosion or considerable loss in torsions occur; or
- (d) the rate of stretch in a friction hoisting rope shows a rapid increase over its normal stretch recorded during its service.

(20) Where hoisting is discontinued or suspended in a shaft compartment each hoisting rope shall be removed immediately from the shaft.

221.—(1) Shaft ropes shall be attached by closed type devices that will not inadvertently disconnect.

(2) In a drum hoist installation, the hoisting rope from a shaft conveyance and counterweight shall be attached to the drum of the hoist.

(3) No wedge type attachments shall be used unless the attachments are,

- (a) in sound condition; and
- (b) certified at least once every six years of use as being in sound condition by a competent person or by the manufacturer.

(4) When the attachments for a shaft hoisting rope are first installed, or re-installed after disassembling, the following measures and procedures shall be taken before the hoist is put to use:

1. Two test trips of the conveyance or counterweight through the working part of the shaft, while the conveyance or counterweight is carrying normal load shall be performed.
2. An examination of the attachments upon the completion of the two test trips shall be made.
3. Any necessary adjustments shall be made.
4. A record of any adjustments, examinations and test trips shall be made in the Hoisting Machinery Record Book by the person or persons making the adjustments, examinations and test trips.

222.—(1) A certificate shall be obtained for each shaft conveyance or counterweight showing its,

- (a) rated load, as certified by a professional engineer; and
- (b) serial number, date of manufacture and the name of the manufacturer.

(2) Each shaft conveyance and counterweight shall be examined and inspected at least once in every five years of use by a competent person and a record of such examination and inspection shall be kept available for inspection.

(3) All parts of a shaft conveyance or counterweight when in service and carrying the rated load shall be

capable of withstanding at least four times the maximum allowable design stresses without permanent distortion.

(4) The maximum allowable design stresses shall be those established by good engineering practice and include the effects of,

- (a) the weight of the conveyance or counterweight;
- (b) the rated load;
- (c) any impact load;
- (d) any dynamic load;
- (e) stress concentration factors;
- (f) corrosion;
- (g) metal fatigue; and
- (h) dissimilar materials.

(5) Where a worker performs work from the top of a shaft conveyance or counterweight, there shall be provided for the worker,

- (a) a safe footing; and
- (b) overhead protection, except when changing shaft guides.

(6) Devices shall be provided in a shaft conveyance by which any equipment or supplies within the conveyance may be safely secured.

223.—(1) Where a work platform that is not a shaft conveyance is used to transport or support a worker who is performing work in a shaft, the work platform shall be,

- (a) designed by a professional engineer in accordance with good engineering practices; and
- (b) built in accordance with the design.

(2) Notice in writing of the use of a work platform shall be given to an inspector before it is put to initial use.

224.—(1) A cage, being used to transport persons, shall,

- (a) where it is supported by only a single rope or attachment point have the safety catches and mechanisms prescribed in subsection 6;
- (b) except on any side which has a door, be enclosed by sheet steel at least 3 millimetres thick;
- (c) have ventilation, adequate for the persons being transported;

- (d) have a hood of steel plate, at least 5 millimetres thick;
 - (e) have a door or doors as prescribed in subsection 2;
 - (f) have an internal height greater than 2.1 metres;
 - (g) have a clearance at the door that is greater than 1.8 metres; and
 - (h) have where practical, an exit for the persons in the roof which can be opened from inside or outside the cage.
- (2) The door or doors on a cage shall,
- (a) be at least 1.5 metres high;
 - (b) be mounted and arranged so they cannot be opened outward from the cage;
 - (c) have devices for positive latching in the closed position;
 - (d) be of solid materials, except for a viewing window;
 - (e) be so arranged that they may be closed at all times that persons or materials, except rolling stock, are being transported in the cage;
 - (f) be mounted so as to provide only enough clearance at the floor to permit free closing or opening; and
 - (g) be of adequate strength to withstand normal shock loads.
- (3) A skip regularly being used to transport persons in a shaft shall,
- (a) where it is supported by only a single rope or attachment point, have the safety catches and mechanisms prescribed in subsection 6;
 - (b) provide an enclosure for the persons being transported which is at least 1.07 metres high;
 - (c) have ventilation adequate for the persons being transported;
 - (d) have a suitable and adequately fastened floor; and
 - (e) have a means for safe entry and exit.
- (4) The openings between a shaft and a skip box over which persons must pass to enter or leave a skip shall be closed off sufficiently to prevent a person from falling through the opening.
- (5) The shaft signal pull cord shall be located in a convenient place for the skip tender.
- (6) Safety catches and mechanisms on a cage or skip, shall,
- (a) be of a type and design approved by the Director;
 - (b) stop and hold a cage or skip transporting persons should the supporting rope or attachment break; and
 - (c) be subjected to the tests prescribed in subsection 7 and successfully pass the free fall test prescribed in subsection 8,
 - (i) prior to the cage or skip first being used to transport persons, and
 - (ii) prior to the cage or skip first being used after repairs to correct distortion of the safety catches and mechanisms.
- (7) Free fall tests shall be performed under the following conditions:
1. The cage or skip shall carry a weight equal to its maximum permitted load of persons and any material permitted to be carried at the same time.
 2. The cage or skip shall travel at a speed equal to normal hoisting speed when transporting persons.
 3. The guides on which the test is made shall be fairly representative of those in the shaft.
- (8) A free fall test shall be successfully passed if,
- (a) the skip or cage is decelerated to a stop within one and three times the rate of gravity;
 - (b) there is no damage to the safety dogs and mechanisms;
 - (c) the safety dogs engage the guides continuously during deceleration; and
 - (d) a calculation shows that the safety dogs will stop the cage or skip when it is carrying its maximum material load.
- (9) A report of a free fall test shall be,
- (a) submitted to an engineer of the Ministry on the free fall test form; and
 - (b) made in the Hoisting Machinery Record Book for the hoist.
- 225.—**(1) A system for communicating by voice shall be installed and maintained at an underground mine.
- (2) The communication system required by subsection 1 shall permit communication between persons at,

- (a) the collar of the shaft, including the collar of an internal shaft;
- (b) the landing stations in use in a shaft;
- (c) the hoist room for the shaft including the hoist room for an internal shaft;
- (d) an underground refuge station; and
- (e) an attended place on surface.

226. Where a call system is installed for a cage, the call system shall,

- (a) not be operated in excess of 150 volts; and
- (b) be arranged so that the call signals are inaudible to the hoist operator.

227.—(1) A signalling system shall be installed at an underground mine by which signals may be exchanged between the tender of a shaft conveyance and the hoist operator for the purpose of controlling the hoist.

(2) The system prescribed in subsection 1 shall,

- (a) not be operated in excess of 150 volts;
- (b) be supplied with power from a transformer which supplies no other load;
- (c) where the primary voltage of the transformer exceeds 750 volts,
 - (i) have one conductor of the power supply grounded, or
 - (ii) have the conductors ungrounded if,
 - a. an isolating transformer with a 1 to 1 ratio supplies the power for the signal, and
 - b. the circuit has a device to indicate a ground fault;
- (d) have the non-current carrying metal parts of the signalling unit grounded unless the unit is mounted at least 2.4 metres above the floor;
- (e) except as prescribed in subsection 3, be capable of providing signals that are,
 - (i) audible and clear,
 - (ii) separate for each shaft compartment, and
 - (iii) distinctive in sound for each compartment;
- (f) be arranged so that the hoist operator can return a signal to the worker signalling; and

- (g) be installed at every working level, landing deck and any other necessary shaft location.

(3) The system shall be capable of providing a signal that is both audible and visible when installed on a multi-deck sinking stage.

(4) Signalling systems using radio frequencies for transmitting signals shall comply with section 167.

228.—(1) A signal for hoist movement shall be given only,

- (a) by an authorized worker; and
- (b) when the shaft conveyance or counterweight is at the same location as the worker signalling, except during,
 - (i) shaft sinking and preliminary shaft development, or
 - (ii) maintenance work in a shaft.

(2) A hoist shall not be moved on manual control unless,

- (a) the signal prescribed under this section is given;
- (b) the signal is returned by the hoist operator; and
- (c) sufficient time has elapsed to permit the shaft gate and conveyance doors to be closed.

(3) Signals shall be given in the following sequence:

1. Cautionary.
2. Destination.
3. Executive.

(4) The following basic code of signals to a hoist operator shall be used:

1. Stop immediately 1 signal
2. Where the shaft conveyance is stationary, hoist 1 signal
3. Lower 2 signals
4. Persons entering or leaving a shaft conveyance 3 signals
5. Caution—blasting to take place 4 signals
6. Release of shaft conveyance 5 signals
7. Danger 9 signals

8. Chairing 1 signal
followed by
2 signals

9. Hoist slowly 3 signals,
followed by
3 signals,
followed by
1 signal

10. Lower slowly 3 signals,
followed by
3 signals,
followed by
2 signals

(5) In addition to the basic code of signals prescribed by subsection 4, the cage tender of a shaft conveyance shall comply with the Code of Standard Signals for a Mine Hoist issued by the Ministry.

(6) Where it is necessary for the operation of a shaft conveyance, the supervisor in charge of an underground mine may establish signals in addition to those prescribed by subsections 4 and 5.

229.—(1) This section applies during shaft sinking and preliminary development work during shaft sinking at an underground mine.

(2) A bucket used to transport persons shall,

- (a) be provided when the vertical depth of a shaft below the collar exceeds 50 metres;
- (b) be at least 1.07 metres high; and
- (c) be designed as prescribed by subsections 3 and 4 of section 222.

(3) Where the distance between a head sheave and the shaft bottom exceeds 100 metres a crosshead shall be used with a bucket.

(4) A crosshead shall be,

- (a) landed on at least two chairs at the bottom crosshead stop to prevent distortion;
- (b) attached to the rope by a safety appliance in such manner that where the crosshead jams in the shaft compartment, the bucket is stopped; and

(c) of a type that encloses the bucket unless,

- (i) the shaft compartment is tightly lined, and
- (ii) the bucket is barrel-shaped.

(5) Dual lights shall be installed to indicate to the hoist operator that,

- (a) the crosshead and bucket are descending together;

(b) the service doors are in or out of the shaft compartment; and

(c) the dump doors are in or out of the shaft compartment.

(6) A service door or doors as prescribed by subsection 7, to cover the sinking compartment of a shaft, shall be provided.

(7) The service door or doors required by subsection 6 shall,

- (a) be installed at the collar and any place in the shaft where tools and other materials are loaded or unloaded into or from the bucket;
- (b) be automatically latched out by mechanical devices when out of the shaft compartment;
- (c) be closed when a bucket is being loaded or unloaded with tools and other materials; and
- (d) be closed when persons are entering or leaving a bucket, except where the closed crosshead provides equal protection for persons.

(8) Dump doors shall be installed and maintained that,

- (a) prevent a bucket from being dumped when the dump doors are open;
- (b) prevent any material from falling down the shaft while the bucket is being dumped; and
- (c) are provided with devices that securely latch the dump doors out of the shaft compartment automatically.

(9) Where a multi-deck stage is being used, the stage shall be,

- (a) designed by a professional engineer in accordance with good engineering practice; and
- (b) built in accordance with the design.

(10) A notice in writing of the use of a multi-deck stage shall be given to an inspector before it is put to initial use.

(11) A bucket shall be filled so that no piece of loose rock projects above the level of the rim.

(12) Except during shaft maintenance, repairs and inspections, a person being transported by a bucket shall ride in the bucket when it is travelling above the bottom crosshead stop.

(13) The worker authorized to give signals for hoist movement shall,

- (a) maintain proper discipline of persons riding in the bucket; and

- (b) enforce the loading restrictions of the conveyance permit.
- (14) No person shall obstruct the worker mentioned in subsection 13 from performing his prescribed duties.
- (15) A bucket shall not be allowed to leave the top or bottom of the shaft until the bucket has been steadied.
- (16) A bucket returning to the shaft bottom shall be,

(a) stopped at a distance at least 5 metres and not more than 10 metres above the bottom of the shaft; and

(b) lowered slowly below the point described in clause a only on a separate signal.
- (17) On the initial trip following a blasting operation, no bucket transporting workers shall be lowered below a point,

(a) less than 15 metres above the blasting set or bulkhead; or

(b) where the health and safety of workers is likely to be endangered.
- (18) Below the point prescribed in subsection 17, the bucket shall be lowered slowly on the signal of the workers being transported and only a sufficient number of workers shall be transported on the initial trip as are required to conduct a proper examination of the part of the shaft that may be affected by the blast.
- 230.—(1) No person shall operate, or be permitted to operate a hoist, unless that person,

(a) is in possession of a subsisting hoistman's medical certificate;

(b) is over eighteen years of age, if the mine hoist does not transport persons;

(c) is over twenty-one years of age, if the mine hoist transports persons;

(d) is a competent person or, in the case of a worker being trained to operate the hoist, is under the direct supervision of a competent person; and

(e) is physically and mentally fit to discharge the duties of a hoist operator.
- (2) A person operating a hoist shall,

(a) undergo a medical examination by a physician before commencing work as a hoist operator and every twelve months thereafter; and

(b) obtain a hoistman's medical certificate from the physician certifying that the person is physically fit to operate a hoist and is not subject to any infirmity of body and mind that

- may interfere with the duties of a hoist operator.
- (3) A hoistman's medical certificate shall,

(a) be kept available for inspection; and

(b) expire twelve months after its date.
- (4) A hoistman's medical certificate shall be in the following form:
- The Occupational Health and Safety Act, 1978
- HOISTMAN'S MEDICAL CERTIFICATE
- I have this day examined
- Name
and certify he is physically fit to operate a hoist and is not subject to any infirmity of body or mind that may interfere with the duties of a hoist operator.
-
Signature of qualified medical practitioner
-
Date
- 231.—(1) A report shall be made by the hoist operator in the Hoistman's Log Book for each shift performed by him of,

(a) the working condition of,

(i) the hoist brakes, clutches and clutch brake interlocks,

(ii) the depth indicator,

(iii) the signal system,

(iv) the hoist controls,

(v) the overwind and underwind devices, and

(vi) other devices which may affect safe hoist operation;

(b) any instructions given to him affecting hoist operations;

(c) any unusual circumstances in connection with the operation of the hoist;

(d) the results of any tests prescribed by this Regulation;

(e) any trial trips;

(f) any inadvertent stoppages; and

(g) his actual starting and finishing time.

(2) The hoist operator shall,

- (a) review and countersign all entries in the Hoistman's Log Book for the preceding two shifts; and
- (b) sign in the Hoistman's Log Book for his period of duty.

(3) A person issuing instructions to the hoist operator shall record and sign such instructions in the Hoistman's Log Book.

(4) The supervisor in charge of a mine hoist shall review and countersign each working day the entries in the Hoistman's Log Book for the preceding twenty-four hour work period.

(5) The Hoistman's Log Book shall be kept in the hoistroom and available for inspection.

232. A hoist operator shall,

- (a) at the start of his shift,
 - (i) test for the satisfactory working conditions of the hoist brakes, and
 - (ii) test the holding capacity of any friction clutch,in accordance with a procedure established for the hoist;
- (b) at least once in twenty-four hours of use of a hoist, test the overwind and underwind protective devices by operating the hoist into them;
- (c) make a return trip of a shaft conveyance,
 - (i) through the working part of a shaft, if there has been a stoppage in hoisting for a period exceeding two hours, and
 - (ii) below any part of a shaft that has been under repair, after the repairs have been completed;
- (d) remain at the hoist controls when the hoist is in motion under manual control;
- (e) except when the hoist is on automatic control, apply the hoist brakes and set the controls to remove power from the hoist motors before leaving the hoist operator's position;
- (f) not be in voice communication when the hoist is in motion and under his manual control, except during an emergency or during maintenance and examination;
- (g) make sure that at least two brakes can be applied to stop a hoist drum when the shaft conveyance is transporting any person;

- (h) not lower persons on an unclutched drum;
- (i) when heavy loads or irregularly shaped loads are on or under the shaft conveyance, operate the hoist with caution;
- (j) complete the hoist movement required by an executive signal after the hoist movement is begun unless there is a signal to stop or an emergency signal; and
- (k) upon receiving a 3-bell executive signal, remain at the hoist controls unless the hoist movement required by the signal is completed.

233. No person shall,

- (a) operate or interfere with devices or controls for operating a hoist unless authorized;
- (b) speak to the hoist operator while he is operating the hoist on manual control, except in an emergency or when the hoist is being repaired, maintained or adjusted;
- (c) be on a cage while it is being placed onto or removed from chairs;
- (d) be in, on or under a shaft conveyance or counterweight which is supported by an unclutched drum, except when the conveyance or counterweight is secured in position, or during shaft sinking and preliminary development work during shaft sinking;
- (e) leave a shaft conveyance that has inadvertently stopped at a point other than a shaft station, except upon instruction from an authorized person outside the conveyance;
- (f) put to use any chairs for landing a cage, unless,
 - (i) a signal for chairing has been made and returned, or
 - (ii) special arrangements have been made to operate a cage with a car, in balance, from that location;
- (g) permit the normal operation of a mine hoist if an object which may be a hazard to the operation of a shaft conveyance or counterweight has fallen down a mine shaft until,
 - (i) a shaft inspection or a trial run through the affected part has been made,
 - (ii) any obstructions have been removed, and
 - (iii) any damage affecting safe operation has been repaired.

234.—(1) The hoist operator shall be instructed in the procedures to follow in operating the hoist where there is,

- (a) an intermediate shaft obstruction;
- (b) an emergency; and
- (c) an inadvertent hoist stoppage,

and he shall be instructed in the procedures for operating any man safety devices.

(2) A notice shall be posted in the hoistroom warning that no person shall speak to the hoist operator while the hoist operator is operating the hoist on manual control, except in an emergency or when the hoist is being repaired, maintained or adjusted.

(3) A hoist operator shall be available at a mine to manually operate an automatically controlled mine hoist when persons are underground.

(4) A competent person or persons shall be designated to,

- (a) give mine shaft signals;
- (b) be in charge of a shaft conveyance;
- (c) maintain discipline of persons riding in a shaft conveyance;
- (d) enforce the load limits for the shaft conveyance; and
- (e) notify the hoist operator of heavy loads or irregular shaped loads on or under the shaft conveyance.

(5) Procedures shall be adopted for removing persons from a shaft conveyance which has stopped inadvertently at a place in a shaft other than a shaft station.

235.—(1) No person shall be transported in a shaft conveyance,

- (a) that is a cage, unless the cage doors are closed;
- (b) while the conveyance is transporting ore or waste;
- (c) that is a multi-deck cage, where supplies or service rolling stock are being transported, except that persons may be carried on the top deck when,
 - (i) such materials are carried on another deck,
 - (ii) the materials are adequately secured,
 - (iii) the doors of the top deck are closed,

(iv) the combined load does not exceed 85 per cent of the material load limit of the conveyance, and

(v) the scheduled trips for persons have been completed;

(d) where personal hand tools or equipment are being transported, unless such tools or equipment are,

(i) protected by guards,

(ii) secured, and

(iii) the combined load does not exceed 85 per cent of the material load limit of the conveyance;

(e) unless a worker authorized to give signals is in charge of the conveyance; and

(f) with explosives, supplies or service rolling stock.

(2) Notwithstanding clause *f* of subsection 1, those workers required to handle explosives, supplies or service rolling stock may be transported with the explosives, supplies or service rolling stock if space is provided for the safety of the workers and the combined load does not exceed 85 per cent of the material load limit of the conveyance.

236. No mine hoisting plant shall be put to, or continued in, normal service if it is or ought to be known to have a defect or be in an improper state of repair except for the purpose of correcting the defect or improper state of repair.

237.—(1) A competent person or persons shall be appointed to examine an electrically powered or controlled hoist.

(2) An examination shall be made at least once each week of the,

- (a) hoist motors;
- (b) hoist controls;
- (c) electrical safety devices; and
- (d) signalling devices.

(3) A record of the examination, servicing and repair shall be made in the Electrical Hoist Equipment Record Book.

(4) The entries in the Electrical Hoist Equipment Record Book shall be dated and signed by the person performing the examination, servicing or repairs.

(5) A record of a failure or accident involving an electrical component of a hoist motor and controls, electrical safety and signalling devices shall be made in

the Electrical Hoisting Equipment Record book by the supervisor in charge of electrical hoisting equipment.

(6) The supervisor in charge of the mine hoisting plant shall,

- (a) at least once each week, review the entries made in the Electrical Hoisting Equipment Record Book during the preceding week;
- (b) ascertain that the examinations prescribed in subsection 2 have been made and all necessary work done; and
- (c) upon completion of each review required by clause *a*, certify in the Electrical Hoisting Equipment Record Book that he has complied with clauses *a* and *b*.

238.—(1) A competent person or persons shall be appointed to examine the mechanical parts of a mine hoisting plant in accordance with subsection 2.

(2) An examination shall be made,

- (a) at least once in each normal production day of the,
 - (i) exterior of each hoisting and tail rope to detect the presence of kinks or other damage and to note the appearance of the rope dressing, and
 - (ii) safety catches of the shaft conveyance for any defects;
- (b) at least once in each week of,
 - (i) any conveyance safety mechanisms for proper adjustment and freedom of movement,
 - (ii) any head, deflection or idler sheaves, their shafting and bearer and sole plates,
 - (iii) the attachments of each shaft rope,
 - (iv) the attachments on any shaft conveyance or counterweight,
 - (v) any shaft conveyance, counterweight and work platform,
 - (vi) the hoist parts, brakes, brake-clutch interlocks, depth indicators,
 - (vii) any hoisting equipment being used for shaft sinking, and
 - (viii) any auxiliary brake operating weights to assure their freedom of movement and holding capacity;
- (c) at least once each month of,

(i) the shaft ropes to determine,

- a. the amount of wear, distortion and corrosion,
- b. the need for lubrication,
- c. the need for changing the wear patterns,

(ii) the hoisting ropes of a friction hoist for rope stretch,

(iii) the hoisting ropes for the number and location of broken wires, and

(iv) the friction treads of a friction hoist;

(d) at least once every six months of service of,

(i) the hoisting rope of a drum hoist within the attachments at the drum and at the drum sprout, and

(ii) the hoisting rope of a friction hoist within attachments at the shaft conveyance or counterweight in accordance with an established procedure; and

(e) at least once every twelve months of,

(i) bolt locking devices, foundation bolts and all bolts critical to hoist safety, and

(ii) the bails, suspension gear and structure of the shaft conveyance and counterweight.

(3) At least once every three months, the safety catches and mechanisms of the cage or other shaft conveyance shall be tested and such tests shall consist of releasing the empty conveyance suddenly in some suitable manner from rest, so that the safety catches have the opportunity to grip the guides and, where the safety catches do not act satisfactorily, the cage or other shaft conveyance shall not be used for lowering or raising workers until the safety catches have been repaired and tested and shown to act satisfactorily.

(4) Hoisting ropes in use on a drum hoist shall be cleaned when necessary and shall be dressed with lubricant at least once each month so as to maintain a good coating and a record of the cleaning and dressing shall be entered in the Hoisting Machinery Record Book and the entry shall be dated and signed by the supervisor in charge of the work.

(5) After every six months of service on a drum hoist the portion of the hoisting rope that is within the clamps at the attachment of a shaft conveyance or counterweight shall be cut off.

(6) After every eighteen months of service on a friction hoist the portion of the hoisting rope and tail rope

that is within the wedge and socket attachments shall be cut off.

(7) An examination shall be made by a competent person, using non-destructive methods acceptable to an engineer of the Ministry, to determine the condition of the,

- (a) mine hoist shafting, brake pins and linkages; and
- (b) structural parts, attachment pins and draw-bars of a shaft conveyance and counter-weight,

and such examination shall be made,

- (c) after installation and before first use of the parts; and
- (d) at regular intervals that are no greater than,
 - (i) those recommended by the competent person performing such an examination, or
 - (ii) as required by an engineer of the Ministry.

(8) Drawings of the parts to be examined under subsection 7 shall be made available, upon request, to the person performing the examination.

(9) A record of the examinations required by this section and any servicing and repairs shall be entered in the Hoisting Machinery Record Book and the entries in the Record Book shall be dated and signed by the person performing the examination, servicing or repairs.

(10) A record of a failure and accident involving a mechanical part of a mine hoisting plant shall be made in the Hoisting Machinery Record Book by the supervisor in charge of the mechanical hoisting equipment.

(11) The supervisor in charge of the mechanical parts of the mine hoisting plant shall countersign each entry made in the Hoisting Machinery Record Book with respect to examinations made under subsection 7.

(12) The supervisor in charge of the mine hoisting plant shall,

- (a) at least once each week, review the entries made in the Hoisting Machinery Record Book during the preceding week;
- (b) ascertain that the examinations required by this section have been made and all necessary work done; and
- (c) upon completion of the review required by clause *a*, certify in the Hoisting Machinery Record Book that he has complied with clauses *a* and *b*.

239.—(1) An examination shall be made by a competent person of,

- (a) the mine shaft, at least once every week;
- (b) the shaft guides, timbers, walls, and compartments used for hoisting, at least once every month;
- (c) the headframe, headframe foundation and backlegs, sheave deck, dump, bin and bin supports, at least once every year;
- (d) the shaft sump, at such frequency as is necessary to assure that the tail, guide and rubbing rope connections are clear of water and spillage; and
- (e) water in the shaft sump at least once every year to determine its pH.

(2) A record of the examinations required by subsection 1 and any servicing and repairs shall be entered in the Shaft Inspection Record Book and such entries shall be dated and signed by the person performing the examination, servicing or repairs.

(3) The supervisor in charge of the mine shaft and headframe shall,

- (a) at least once each week, review the entries made in the Shaft Inspection Record Book during the preceding week;
- (b) ascertain that the examinations required by subsection 1 have been made and all necessary work done;
- (c) upon completion of the review required by clause *a*, certify in the Shaft Inspection Record Book that he has complied with clauses *a* and *b*.

240. The ropes, sheaves, brakes, attachments and other parts of a utility or tugger hoist shall be regularly examined by a competent person and kept in safe condition.

PART XI

WORKING ENVIRONMENT

241.—(1) Any system for heating ventilating air by means of a direct gas-fired non-recirculating make-up air heater using natural, propane or propane-air gases shall,

- (a) meet at least the specifications for equipment and be installed, operated and maintained to conform to National Standard of Canada CAN—1—3.7—77; and
- (b) be operated so as to reduce the risk of external fire or explosion.

(2) A log book in which records of service, maintenance and tests for the system are recorded shall be kept and maintained.

242.—(1) In a mining plant building, a ventilation system shall be provided, maintained and used, that will,

- (a) provide a partial pressure of oxygen in the atmosphere of more than 18 kilopascals to all work places therein; and
- (b) dilute and remove from the atmosphere of a work place, agents that are likely to endanger the health or safety of a worker; or
- (c) prevent the exposure of a worker in a work place to agents in the atmosphere that are likely to endanger the health or safety of a worker.

(2) Accurate plans and records of a mining plant building ventilation system shall be kept and maintained, showing,

- (a) the location of all ventilation openings;
- (b) the location of all ventilation fans;
- (c) the volumes of air in cubic metres per second handled by the fans and openings;
- (d) the volumes of air in cubic metres per second withdrawn by processing equipment; and
- (e) the location and functions of all ventilation regulating doors, louvres or other devices.

(3) Where in a mining plant the atmosphere may contain chemical or physical agents that are likely to endanger the health and safety of a worker, equipment for the detection of such agents shall be provided and such equipment shall be readily accessible.

243.—(1) In an underground mine, a mechanical ventilation system shall be provided, maintained and used that will,

- (a) provide a partial pressure of oxygen of more than 18 kilopascals; and
- (b) dilute and remove contaminants from all work places therein to prevent exposure of a worker to contaminants in excess of the values adopted as criteria or guides under section 279.

(2) Accurate plans and records of a mechanical ventilation system in an underground mine shall be kept and maintained showing,

- (a) the location of all ventilation fans;
- (b) the volumes of air in cubic metres per second handled by the ventilation fans;

(c) the fan operating gauge pressure;

(d) the direction of flow of main ventilating airflows;

(e) the location and function of all fire doors; and

(f) the location and function of all ventilation doors, brattices, stoppings and regulators controlling airflows.

244.—(1) In an underground mine,

(a) subject to clause *b*, a development, exploration or production work place shall be ventilated throughout by an auxiliary ventilation system for any advance in excess of 60 metres from a mechanical mine ventilation system; and

(b) a continuous supply of fresh air shall be provided and used to dilute and remove contaminants,

(i) in a raise, and

(ii) in a sub-drift for any advance in excess of 10 metres from a mechanical mine ventilation system,

to prevent exposure of a worker to contaminants in excess of the values adopted as criteria or guides under section 279.

(2) The fresh air supply prescribed by clause *b* of subsection 1 shall be,

(a) independent of the air supplied by any drill or machine used;

(b) controlled only at the beginning of the raise or sub-drift; and

(c) operating when a blast is detonated.

245.—(1) An underground area that is not part of an underground mine ventilation system shall,

(a) be effectively barricaded to prevent inadvertent entry;

(b) be posted with signs to warn a person that entry is prohibited; and

(c) subject to subsection 3, be examined by a competent person before any other person enters or is permitted to enter the underground area.

(2) The examination prescribed in subclause *c* of subsection 1 shall consist of an examination for,

(a) oxygen deficiency due to a partial pressure of oxygen in the atmosphere less than 18 kilopascals;

(b) the presence of a toxic gas, vapour, dust, mist or fume; and

(c) any other dangerous condition.

(3) Before a competent person examines the underground area he shall be provided with instructions in writing setting out,

(a) the hazard involved;

(b) the use of testing equipment required;

(c) the personal protective devices he is required to use or wear; and

(d) any other precautions and procedures to be taken for his protection.

246. The cyanide content in the liquid portion of the tailings used for underground fill and in the effluent from the filled area shall be less than 0.005 milligrams per litre expressed as cyanide of potassium.

247. Clean water under pressure shall be made available for dust control purposes in a work place where rock or ore is drilled, blasted, loaded or transported.

248. Broken rock or ore shall be thoroughly wetted by water,

(a) during blasting operations or immediately thereafter; and

(b) when the ore or rock is being loaded or scraped.

249. Sections 247 and 248 do not apply at a salt mine or any other operation where the ore or rock is hygroscopic.

250. No person shall enter or remain, or be permitted to enter or remain, in a work place affected by blasting contaminants until the ventilation system has removed the contaminants or rendered them harmless.

251. In an underground mine a battery-charging station shall be ventilated to prevent the accumulation of an explosive mixture of gases.

252. Effective illumination by means of stationary lighting shall be provided in an underground mine,

(a) at all active shaft stations and shaft conveyance landings where workers are required to travel or work; and

(b) where the nature of the equipment or the operation may create a hazard due to insufficient illumination.

253. The level of illumination in a mining plant where workers are required to travel and work shall conform to CSA Standard C92.1 - 1975, "Industrial Lighting".

254. In a work place in a building which is solely dependent on artificial lighting and where a failure of the regular lighting system would create conditions which might endanger the safety of any person in the building, emergency lighting shall be provided which,

(a) turns on automatically when the regular lighting fails;

(b) is independent of the regular lighting source;

(c) provides adequate lighting for evacuation of the building; and

(d) shall be tested as frequently as necessary to ensure the system will function in an emergency but not less frequently than recommended by the manufacturer.

255. Compressed air used for breathing purposes shall conform to CSA Standard Z180.0—1978, "Purity of Compressed Air for Breathing Purposes".

256. Where dust or other material is likely to cause a hazard by becoming airborne, the dust, or other material, shall be removed with a minimum of delay by,

(a) vacuuming;

(b) wet sweeping;

(c) wet shovelling; or

(d) other suitable means.

257. A metallurgical survey by mass of origin, hold-up and destination of potentially hazardous minor elements, including but not limited to lead, mercury, arsenic, selenium, tellurium, cadmium and antimony shall be conducted quarterly in a mining plant.

258. An annual survey of use by mass of potentially hazardous chemical reagents shall be made in a mining plant.

259. Where a potentially hazardous chemical reagent has caused a medical or compensable injury,

(a) an annual record shall be maintained for the reagent,

(i) specifying its trade name and chemical composition, and

(ii) identifying all possible toxic chemical elements and compounds of the reagent;

(b) a record of the injury caused by the reagent shall be kept.

260. A copy of the records and the surveys required under sections 257, 258 and 259 shall be sent to the Director annually.

261. Subject to section 263, a confined space shall be entered only where,

- (a) there is an easy egress from all accessible parts of the confined space;
- (b) mechanical equipment in the confined space is,
 - (i) disconnected from its power source, and
 - (ii) locked out;
- (c) all pipes and other supply lines except those required for the work therein are blanked off; and
- (d) the confined space is tested and evaluated by a competent person who,
 - (i) records the results of each test in a permanent record, and
 - (ii) certifies in writing in the permanent record that the confined space,
 - a. is free from hazard, and
 - b. will remain free from hazard while any person is in the confined space having regard to the nature and duration of the work to be performed.

262. Subject to section 263, a confined space in which there exists or is likely to exist,

- (a) a toxic gas, vapour, dust or fume; or
- (b) a partial pressure of oxygen in the atmosphere of less than 18 kilopascals or more than 23 kilopascals,

shall not be entered unless,

- (c) the requirements of section 261 are complied with;
- (d) the space is purged and ventilated to provide a safe atmosphere;
- (e) the measures necessary to maintain a safe atmosphere have been taken;
- (f) another person is stationed outside the confined space;
- (g) suitable arrangements have been made to remove the person from the confined space should he require assistance; and
- (h) a person adequately trained in artificial respiration is conveniently available.

263. Notwithstanding sections 261 and 262, confined space in which there exists or is likely to exist,

- (a) a toxic gas, vapour, dust or fume; or
- (b) a partial pressure of oxygen in the atmosphere of less than 18 kilopascals or more than 23 kilopascals,

and which cannot be purged and ventilated to provide and maintain a safe atmosphere may be entered if,

- (c) all the requirements of the said section 261, except sub-subclause b of subclause ii of clause d thereof, are complied with;
- (d) the person entering is using a suitable breathing apparatus and a safety harness or other similar equipment to which is securely attached a rope, the free end of which is held by a person equipped with an alarm who is keeping watch outside the confined space;
- (e) the person entering is using such other equipment as is necessary to ensure his safety;
- (f) the safety harness, rope and other equipment mentioned in clause d have been inspected by a competent person and are in good working order; and
- (g) a person adequately trained in artificial respiration is conveniently available.

264.—(1) Subject to subsection 2, where the gas or vapour in a confined space is or is likely to be explosive or flammable, the confined space shall be entered only where,

- (a) the concentration of the gas or vapour does not or is not likely to exceed 50 per cent of the lower explosive limit of the gas or vapour; and
- (b) the only work to be performed is that of cleaning or inspection and of such a nature that it does not create any source of ignition.

(2) Cold work may be performed in a confined space in which there exists or is likely to exist an explosive or flammable gas or vapour where the concentration does not, and is not likely to, exceed 10 per cent of the lower explosive limit of the gas or vapour.

265. The requirements of sections 261, 262, 263 and 264 apply with all necessary modifications to any confined space while any person remains in that space.

266.—(1) Subject to subsections 3, 4 and 5, toilets and washbasins in a mining plant shall be provided in accordance with the following Table:

TABLE

Number of Workers	Number of facilities	
	Toilets	Washbasins
1 to 9	1	1
10 to 24	2	2
25 to 49	3	3
50 to 74	4	4
75 to 100	5	5
Add one toilet and one washbasin for each additional thirty workers or fraction thereof.		

- (2) In a washroom,
- (a) a toilet shall be enclosed by walls or partitions and a door that is capable of being locked from the inside to provide privacy to a person using the toilet;
 - (b) hot and cold water shall be supplied to each washbasin;
 - (c) ventilation to the outdoors capable of providing ten changes of air per hour shall be provided;
 - (d) a reasonable supply of personal hygiene supplies and equipment shall be provided,

and where separate washrooms are provided for each sex, a legible sign indicating the sex by which the washroom is to be used shall be posted at the door.

(3) In calculating the number of toilets and washbasins required by the Table in subsection 1, the number of workers in the Table in subsection 1 shall be that number of workers who are normally present on the premises for more than 25 per cent of their working shift.

(4) Urinals may be substituted for one-half of the required number of toilets for males and for this purpose each 600 millimetres of straight trough urinal may be counted as one urinal.

(5) For the purpose of this section, each 500 millimetres of circumference of a circular wash fountain or length of straight trough washbasin may be counted as one washbasin.

(6) Water which is to be used for personal washing purposes shall not,

- (a) exceed 60°Celsius at any outlet; or
- (b) be directly mixed with steam.

267. Suitable sanitary conveniences shall be provided in a mine in accordance with the following requirements:

1. Where workers are employed in an underground mine, one toilet shall be provided for every twenty-five workers or portion thereof on any shift.
2. Where workers are employed at a surface mine, one toilet and one urinal shall be provided for every twenty-five workers or portion thereof on any shift.
3. A toilet at a mine shall be,
 - (i) of the water flushing type or of a sanitary design and shall be located in an individual compartment with a suitable floor and a door which can be locked,
 - (ii) provided with toilet paper, clothes hooks and such other sanitary facilities as may be considered necessary,
 - (iii) where electrical facilities are reasonably available, be provided with lighting, and
 - (iv) be kept clean and sanitary and the contents disposed of regularly.
4. A toilet in an underground mine shall be located in a well-ventilated part of the underground mine and be conveniently placed having regard to the number of workers employed on the different levels of the mine.

268.—(1) Suitable and adequate facilities to wash and shower and to change and dry their clothing shall be provided for workers,

- (a) at an underground mine; and
- (b) at a surface mine, where the workers are subject to dusty, dirty or wet conditions.

(2) At an underground mine, the facilities, required by subsection 1 shall be located,

- (a) when above ground, near the principal entrance of the mine;
- (b) unless of non-combustible construction, not nearer than 15 metres to a shafthouse or portal house; and
- (c) not in a hoistroom or boilerhouse, unless a separate, properly constructed room is provided.

(3) At a surface mine, where the facilities required by subsection 1 are located at a considerable distance from the place of work, adequate transportation to the facilities from the work place shall be provided to the workers in inclement weather.

(4) Where practical, protection from the elements between the shaft entrance and the change rooms shall be provided.

269. Where the clothing of a worker is likely to be contaminated by a biological or chemical agent that may be a hazard to health or by a designated substance, suitable facilities shall be provided for,

- (a) laundering work clothing; and
- (b) keeping workclothes separate from street clothes.

270.—(1) Cool potable drinking water shall be provided in mining plants,

- (a) from,
 - (i) a fountain with an upward jet, or
 - (ii) a tap from a piped water supply or a covered vessel, together with a supply of single-use cups in a sanitary container located near the tap;

- (b) on every floor where work is regularly performed; and
- (c) within 100 metres of any area where work is regularly performed.

(2) In underground mines cool potable drinking water shall be provided at locations which,

- (a) are reasonably accessible to a worker; and
- (b) shall be kept in a clean and sanitary condition.

(3) All potable drinking water in a mine or mining plant shall be governed by the guide imposed as a standard of Drinking Water Objectives set by the Ministry of the Environment.

271.—(1) Where more than fifteen workers congregate to eat, a lunchroom or eating area sufficiently large to accommodate all such workers shall be provided.

(2) A lunchroom or eating area shall be adequately provided with,

- (a) light, heat and ventilation;
- (b) hand washing and drying facilities, including hot water;
- (c) suitable facilities for warming food; and
- (d) suitable seating facilities.

(3) All lunchrooms or eating areas shall be kept in a clean and sanitary condition.

(4) Laboratory glassware, utensils or similar or related equipment shall not be used for eating, drinking or cooking purposes.

272.—(1) In addition to the requirements for first aid prescribed under *The Workmen's Compensation Act*, equipment shall be provided to facilitate the rescue of injured workers.

(2) At every mining plant where poisonous or dangerous compounds, solutions or gases are present, there shall be kept or installed in a conspicuous place, as near the compounds, solutions or gases as is practical,

- (a) antidotes and washes;
- (b) eye wash fountains; and
- (c) where necessary, showers for treating injuries received from such compounds, solutions or gases.

(3) Antidotes and washes required under subsection 2 shall be properly labelled and explicit directions for their use shall be affixed to the boxes containing them.

273. In this section and in sections 274, 275, 276, 277 and 278,

- (a) "applicant" means a person lacking a valid certificate who is seeking employment in a dust exposure occupation;
- (b) "certificate" means a certificate given under subsection 1 of section 274;
- (c) "dust exposure occupation" means,
 - (i) employment in an underground mine,
 - (ii) employment at the surface of an underground or surface mine in ore or rock crushing operations, or
 - (iii) where hazardous dust concentrations may exist;
- (d) "medical officer" means a medical officer appointed under *The Workmen's Compensation Act*.

274.—(1) No applicant shall be employed in a dust exposure occupation, and no worker shall continue to be employed in a dust exposure occupation unless he is given a certificate by a medical officer that he is suitable for employment in a dust exposure occupation.

(2) An applicant may appeal from the decision of a medical officer to the Director and the provisions of section 32 of the Act, with all necessary modifications, shall apply.

275. A certificate shall be,

- (a) left in the custody of the employer during the period of the worker's employment; and
- (b) returned to the worker upon the termination of his employment.

276.—(1) The holder of a subsisting certificate shall be re-examined by a medical officer at least biennially.

(2) Subject to subsection 3, a certificate may remain in good standing when,

- (a) a travelling medical officer is unable to conduct an examination prior to the expiry date; or
- (b) the holder of a certificate is unable to present himself for examination because of illness or other circumstances beyond his control.

(3) The holder of a certificate described in subsection 2 shall present himself for re-examination at the first available opportunity.

277. An examination by a medical officer shall consist of,

- (a) a pre-placement medical examination including,
 - (i) postero-anterior and left lateral chest X-ray, and
 - (ii) pulmonary function tests including at least forced vital capacity (FVC), forced expiratory volume in one second (FEV) and forced expiratory flow from 25 per cent to 75 per cent of vital capacity (FEF) or a flow rate test equivalent to the latter; and
- (b) a medical examination taken at least biennially including a,
 - (i) a postero-anterior X-ray, and if required by the Chief, Industrial Chest Disease Service of the Ministry, a left lateral chest X-ray, and
 - (ii) the pulmonary function tests prescribed in subclause ii of clause a.

278. Where a worker has been employed in a radiation exposure occupation at a uranium mine for five years, he shall undergo a sputum cytology or other biological tests by a medical officer and thereafter biennially.

279. As a factor to be considered under clause *f* of subsection 8 of section 20 of the Act, the "TLV's Threshold Limit Values for Chemical Substances and Physical Agents in the Workroom Environment with Intended Changes for 1979", of the American Conference of Governmental Industrial Hygienists, are adopted as criteria or guides.

280.—(1) Where the Director issues an order under subsection 1 of section 20 of the Act, the Director may specify therein,

- (a) that a program to monitor the exposure of a worker to levels of a particular biological, chemical or physical agent or combination of such agents in a work place be established and maintained;
- (b) the measures and procedures to be taken and used in such program, including the equipment and the methods of analyses to be used;
- (c) the time or frequency of monitoring; and
- (d) the particular place or places where monitoring is to be carried out.

(2) Within seven days of their being obtained by the employer, the results of the analyses shall be,

- (a) sent to the Director;
- (b) posted for a period of fourteen days in the work place where the program is being carried out; and
- (c) sent to the health and safety representative, joint health and safety committee and the trade union, if any.

(3) A worker in whose work place a monitoring program is being carried out shall be informed of the purpose and measurement procedures of the monitoring program.

(4) The results of the analyses of a monitoring program mentioned in subsection 1, shall be kept by the employer for a period of twenty years from the date the results were obtained.

281. Where a box, drum or other container contains a biological or chemical agent which is likely to affect the health or safety of a worker, the box, drum or other container shall be labelled in clear legible print to identify the agent and the label shall state the precautions to be taken in the handling, use, storage and disposal of the agent.

282. Where a local exhaust ventilation system recirculates air to the work place provision shall be made for a make-up air supply system having sufficient volume to keep any contaminants below the values adopted as criteria or guides under section 279 and the contaminant level in the recirculated air shall not exceed 20 per cent of the values adopted as criteria or guides under the said section 279.

283. This Regulation comes into force on the 1st day of October, 1979.
